CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER DENYING MOTION

This is a direct appeal from a judgment of conviction. Appellant has filed a motion requesting this court stay this appeal and remand to the district court to permit appellant to file a motion for reconsideration of the order denying his motion to withdraw his guilty plea based upon newly obtained evidence.

If a remand to the district court is required, the parties must comply with the procedures for remand set forth in NRAP 12A and NRCp 62.1. If the district court is inclined to modify a decision from which an appeal has been taken, after jurisdiction has vested in this court, the course of action is for the district court to certify to this court its inclination to modify its decision and to request a remand. *Id.* Accordingly, the motion is denied.

It is so ORDERED.
