Continued;

Denied:

Journal Entry Details:

Mr. Dickerson informed Court Deft. was convicted of burglary in his jury trial. Thereafter, Mr. Dickerson argued in support of the burglary matter to be admitted, and there having been no lawful intent on Deft's acts. Ms. Sauter opposed; and argued as to NRS 48.045, and State having given an overbroad reading of intent. Further arguments as to case law cited by State in the pleadings, State having failed to establish the relief being sought on using any intent evidence, common schemer plan exception, Newman vs. State case law, and prejudice outweighing probative value for Deft. if the act comes in for trial. Ms. Sauter added the State cannot establish introduction of this evidence, and based on a prior, the jury in this case may convict him just on this, and not on any evidence. Further arguments as to Nevada Supreme Court decision. Ms. Sauter requested Court to consider setting an evidentiary hearing on the issue, if Court is inclined to grant State's Motion. Mr. Dickerson stated he will submit a trial transcript from the other case to this Court. Further arguments as to case law being clear. COURT ORDERED, Motion DENIED. Deft. not present. Mr. Gaston informed Court Deft. was told he did not have to be here. COURT ORDERED, Deft's presence WAIVED. Mr. Dickerson provided details surrounding the allegations; and argued in support of admission of Deft's other burglary acts from three years prior, and further argued as to State s theory of Deft's probable defense, State needing to prove intent. Court stated it was not provided Deft's Opposition to State's Motion. Ms. Sauter apologized; and provided a copy of the Opposition to Court for consideration. COURT ORDERED, matter CONTINUED for Court to review this Opposition, prior to further arguments. Upon Court's inquiry, Mr. Dickerson clarified the request to consolidate this case and C315125 from Department 20 was denied by Judge Eric Johnson, and Judge Johnson had said he would entertain another bad acts motion by State. Discussions as to trial date of January 3, 2017 already having been vacated by this Court. BOND 1/12/17 8:30 A.M. STATE'S MOTION TO ADMIT EVIDENCE OF OTHER ACTS:

JOURNAL ENTRIES

- Mr. Dickerson informed Court Deft. was convicted of burglary in his jury trial. Thereafter, Mr. Dickerson argued in support of the burglary matter to be admitted, and there having been no lawful intent on Deft's acts. Ms. Sauter opposed; and argued as to NRS 48.045, and State having given an overbroad reading of intent. Further arguments as to case law cited by State in the pleadings, State having failed to establish the relief being sought on using any intent evidence, common schemer plan exception, Newman vs. State case law, and prejudice outweighing probative value for Deft. if the act comes in for trial. Ms. Sauter added the State cannot establish introduction of this evidence, and based on a prior, the jury in this case may convict him just on this, and not on any evidence. Further arguments as to Nevada Supreme Court decision. Ms. Sauter requested Court to consider setting an evidentiary hearing on the issue, if Court is inclined to grant State's Motion. Mr. Dickerson stated he will submit a trial transcript from the other case to this Court. Further arguments as to case law being clear. COURT ORDERED, Motion DENIED. Ms. Sauter to prepare the order.
