Supreme Court case # 78731
State Court case # C336552

December 15, 2019

To The Honorable Court,

I am the appellant in the above referenced case. I wrote a letter last week to the court asking the court to dismiss attorney ~~ref~~ appointed by the District Court to represent me on appeal.

Now I am informing the court that I no longer wish to proceed with a direct appeal at all. I want to drop my appeal completely.

IF it pleases the court, may I please be sent an order dropping the appeal in the above referenced case?
