vs.  
THE STATE OF NEVADA,  
Respondent.

No. 78871

**FILED**

**MAR 05 2020**

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY S. Young  
DEPUTY CLERK

**ORDER**

This is an appeal from a judgment of conviction. The parties have filed a stipulation seeking to remand this appeal to the district court in order that appellant can enter a plea of guilty. If the guilty plea is entered and accepted by the district court, the parties indicate that the instant appeal will be voluntarily withdrawn.

This court declines to remand this matter at this time. If the district court is inclined to grant the relief requested, then it may certify its intent to do so, and appellant may file a motion in this court, with the district court's certification attached, seeking a remand to the district court to grant the requested relief. *See* NRAP 12A. If, however, the district court is not inclined to grant the relief requested, it may enter an order denying relief without a remand from this court. *See id.* Appellant's counsel shall have 28 days from the date of this order to comply with the procedures set forth in NRAP 12A, inform this court that the district court has denied the requested relief, inform this court of the status of the district court proceedings, or to file a motion or stipulation to voluntarily withdraw this appeal.

The briefing of this appeal shall be suspended pending further order of this court.

It is so ORDERED.
