*ORDER GRANTING MOTION*

This is an appeal from a judgment of conviction. This appeal was previously remanded to the district court for the limited purpose of allowing the district court to resolve the parties' motion to alter or amend the judgment of conviction by vacating the judgment of conviction, and entering a judgment pursuant to the parties' stipulated plea agreement. See NRAP 12A(a). Appellant has moved for an extension of time for the district court to enter its order. The motion is granted. NRAP 26(b)(1)(A). The district court shall have until September 14, 2020, to either enter an amended judgment of conviction or inform this court, in writing, that it will not be entering an amended judgment of conviction. Upon entry of an amended judgment of conviction, the clerk of the district court shall immediately transmit to the clerk of this court a copy of the amended judgment. If any amended judgment of conviction renders this appeal unnecessary, appellant shall have 14 days thereafter to file a motion to withdraw this appeal.

Briefing of this appeal remains suspended pending further order of this court.

It is so ORDERED.
