DEPUTY CLERK

ORDER DENYING MOTION FOR STAY

Appellants have filed a motion to stay the district court's April 30, 2019, order pending appeal. Respondent opposes the motion and appellants have replied. The moving party bears the burden to demonstrate that a stay pending appeal is warranted. Having considered the record presented, appellants do not meet that burden here. See NRAP 8(c) (setting forth the factors to be considered by this court when deciding whether to issue a stay). For this reason, the motion is denied without prejudice.

It is so ORDERED.
