ORDER DIRECTING PREPARATION OF TRANSCRIPT

This is an appeal from an order of dismissal in a tort action. Appellant previously filed a transcript request form seeking transcripts of hearings held in the underlying proceedings, and was subsequently appointed pro bono counsel. Our review of the record reveals that no transcripts have been submitted. This court has determined that the transcript of the hearing held on April 30, 2019, would be helpful in resolving this appeal. Appellant has been granted in forma pauperis status, and thus, the transcript preparation fees are waived. *See* NRS 12.015(3) (stating that the court shall order transcripts at county expense if it determines that a transcript of the proceedings would be helpful to appellate review of the case).

Accordingly, we direct Transcript Video Services to prepare and file, at county expense, a certified copy of the transcript of the proceedings of the hearing listed above. *See* NRAP 9(c). The transcript shall be filed in the district court and served upon counsel for appellant—Olson, Cannon, Gormely, & Stoberski—and counsel for respondents—the Las Vegas City

Attorney—within 21 days from the date of this order, and a certificate acknowledging delivery is due in this court within 7 days from the date of service. Additionally, we direct the district court clerk to transmit a copy of the transcript to this court as a supplement to the record within 7 days of the district court's receipt of the transcript.

It is so ORDERED.
