*ORDER DIRECTING SUPPLEMENTAL BRIEFING*

We conclude that supplemental briefing would be of assistance to address the issue of whether deliberately misdiagnosing appellant satisfies NRS 41.0336(2)'s "affirmatively caused the harm" exception. See NRAP 40B(g) (providing that the supreme court may require supplemental briefing). Appellant shall have 30 days from the date of this order to file and serve a supplemental opening brief. Respondent shall have 30 days from service of the supplemental opening brief to file and serve a supplemental answering brief. Appellant shall have 15 days from service of the supplemental answering brief to file and serve a supplemental reply brief, if warranted. The supplemental briefs shall comply with NRAP 28, 28.2, and 32.

It is so ORDERED.
