3
4 The parties to this action were married on April 19, 2013 in the State of
5 Nevada. As a result of their marriage, one minor child was born, R.B.P. born
6 September 22, 2013. Following extensive motion practice, the parties were divorced
7 on August 19, 2014.

8 Pursuant to the divorce decree, the parties were granted Joint Legal Custody
9 and the Defendant was designated as the Primary Physical custodian. The Plaintiff
10 was granted visitation from 6:00 p.m. Saturday until 6:00 p.m. Monday each week.

11 This timeshare schedule has been in place since the decree of divorce was
12 entered. Since, Defendant has continued her life recently becoming engaged.

13 The instant motion follows.

14 **II. Argument**

15 **A. Statement of Compliance with EDCR 5.501**

16
17 On numerous occasions, Defendant and her counsel have discussed this matter
18 with the Defendant and his counsel including multiple offers of settlement which
19 have been accepted and then subsequently rejected.

20 EDCR 5.501 mandates:

- 21 (a) Except as otherwise provided herein or by other rule, statute, or
22 court order, before any family division matter motion is filed, the
23 movant must attempt to resolve the issues in dispute with the other
24 party and shall include a statement within the motion of what attempt at
25 resolution was made and the result of that attempt.
26 (b) A party filing a motion in which no attempt was made to resolve the
27 issues in dispute with the other party shall include a statement within
28 the motion of what provision, futility, or impracticability prevented an
attempt at resolution in advance of filing.
(c) Failure to comply with this rule may result in imposition of

1 sanctions if the court concludes that the issues would have been
2 resolved if an attempt at resolution had been made before filing.

3 Defendant has, in good faith, complied with the mandate of EDCR 5.501 in
4 that she has attempted to resolve this issue prior to filing the instant motion. Again,
5 outside of the influence of Plaintiff's mother, the Plaintiff appears to be willing to
6 find a resolution in the best interest of the child. However, when Plaintiff's mother is
7 reintroduced to the matter, Plaintiff reverts to an unreasonable position and refuses
8 to find an amiable solution.

9
10 **B. The Court should Modify the Timeshare Schedule in a fair and equal**
11 **manner to provide Defendant with the opportunity to create family bond**
12 **during the weekends**

13 Pursuant to NRS 125C.0045(1)(a), the Court may make an order for the custody
14 of a child as appears in the best interest of the child "during the pendency of the action,
15 at the first hearing or any time thereafter during the minority of the child."

16 **1. There has been a change of circumstances**

17 Since the Decree of Divorce was issued, the Defendant become engaged and
18 two children have been born to that relationship. Defendant wishes to create a healthy
19 environment of a nuclear family for the minor child and the child's half-siblings while
20 not denying the Plaintiff of time with his child. Defendant emphatically asserts the
21 importance of their child having a continuing relationship with his father.

22 Prior to this motion and the preceding attempts to resolve this matter, the
23 Defendant was not in the position to create a healthy family environment for the
24 minor child. At the time of divorce, the minor child did not have siblings or a
25 stepfather with whom the child needs familiar time to bond with. Further, the minor
26 child will commence all-day kindergarten in the fall, creating a greater need for time
27 to bond with Paige, his siblings, and stepfather. Now there is a family unit which
28

1 desperately needs weekend time in order to take advantage of recreational time and
2 continue the family bonding process.

3 **2. The proposed modification is in the best interest of the child**

4 In determining the best interest of the minor children, this Court must use the
5 statutory factors set forth in NRS 125C.0035(4):

6 (a) The wishes of the child if the child is of sufficient age and capacity to
7 form an intelligent preference as to his or her physical custody.

8 (b) Any nomination of a guardian for the child by a parent.

9 (c) Which parent is more likely to allow the child to have frequent
10 associations and a continuing relationship with the noncustodial parent.

11 (d) The level of conflict between the parents.

12 (e) The ability of the parents to cooperate to meet the needs of the child.

13 (f) The mental and physical health of the parents.

14 (g) The physical, developmental and emotional needs of the child.

15 (h) The nature of the relationship of the child with each parent.

16 (i) The ability of the child to maintain a relationship with any sibling.

17 (j) Any history of parental abuse or neglect of the child or a sibling of the
18 child.

19 (k) Whether either parent or any other person seeking physical custody has
20 engaged in an act of domestic violence against the child, a parent of the child or
21 any other person residing with the child.

22 (l) Whether either parent or any other person seeking physical custody has
23 committed any act of abduction against the child or any other child.

24 Here, the Defendant does not seek to eliminate or reduce the amount of
25 visitation afforded to the Plaintiff. In fact, the proposed timeshare schedule expands
26 the amount of time that is allotted to the Plaintiff.

27 The goal of the proposed timeshare is to create a stable and nurturing family
28 environment for the minor child by reserving approximately half of his weekend time
for bonding with his new family. The weekday schedule does not provide time for the
family to bond through recreational activities and should be evenly split as to ensure
that the child has as much bonding time as possible to spend with both of his parents.

Creating a strong and consistent family bond is clearly in the best interest of
any child. The proposed timeshare provides the child with this opportunity while

continuing to ensure that the child's time with his father is not reduced.

//

3. Proposed Timeshare Schedule

For the foregoing reasons, Defendant proposes the following Timeshare Schedule:

Regular Schedule

On the 1st, 3rd, and 5th weeks every month Plaintiff will pick up the minor child from the release of school at 2:00 p.m. on Friday and exercise visitation through Monday at 2:00 p.m. This schedule will extend through the summer school break with exchanges taking place at a mutually agreed upon location.

Vacations

Both parties will be entitled to 2 weeks' vacation per calendar year. Vacations shall not exceed 7 continuous days. Vacations shall not interfere with the other parent's holiday visitation. The parties will provide the other parent with 2 weeks' written notice of planned vacations to include an itinerary and contact information for where the child will be. While on vacation, the parties shall facilitate reasonable communication between the minor child and the other parent.

Holidays

Christmas Eve/Christmas Day – Mom even years, Dad odd years

December 24th 9:00 a.m. – December 26th 9:00 a.m.

Thanksgiving – Mom odd years, Dad even years

Thursday of 9:00 a.m. – Friday of 9:00 a.m.

Mother's Day – Mom every year

Sunday of 9:00 a.m. – Monday of 9:00 a.m.

Father's Day – Dad every year

Sunday of 9:00 a.m. – Monday of 9:00 a.m.

Easter – Mom odd years, Dad even years

Friday of 9:00 a.m. – Monday of 9:00 a.m.

1 Independence Day – Mom even years, Dad odd years

2 July 3rd 3:00 p.m. – July 5th 3:00 p.m.

3 Halloween – Mom odd years, Dad even years

4 October 31st 9:00 a.m. – November 1st 9:00 a.m.

5 The proposed timeshare schedule expands the Plaintiff's time with the minor
6 child throughout the year while also allowing for the Defendant and her family to
7 share the weekends which are critical for family bonding time.

8 4. Additional Requests

9 Additionally, Defendant requests, in order to facilitate the proposed timeshare
10 schedule, that the parties are required to communicate through Our Family Wizard
11 unless there is an emergency and that third parties are excluded from exchanges
12 unless there is an emergency or both parties consent.

13 As joint legal custodians of the minor child, the parties are to consult each other
14 before making decisions regarding minor child's overall health, mental, and physical
15 health. During his current custodial time, Plaintiff, with retaliatory motives, gives the
16 minor child extreme hairstyles, shearing his long and curly hair into a "buzzcut", as
17 Plaintiff is aware Defendant prefers the child with long, flowing locks. Recently,
18 when Paige informed Kevin of a dentist appointment for the minor child, Kevin
19 asserted that Paige was not "sufficiently co-parenting," unilaterally cancelled the
20 much-needed appointment, and demanded that the parties choose another dentist,
21 despite never before taking interest in the child's medical appointments. Kevin's
22 inability to co-parent may be due to the fact that he has yet to comply with this
23 Court's orders and complete the "COPE" Class. Further, Plaintiff and his family
24 members often berate Defendant during exchanges. Therefore, Defendant requests the
25 Court enter an orders, consistent with Defendant's motion.

26 C. Defendant is Entitled to Financial Support from the Plaintiff for the Costs 27 of Health Insurance for the Minor Child

28 Parents have a duty to support their children by providing necessary

1 maintenance, health care, education, and financial support. NRS 125B.020 (emphasis
2 added).

3 As of the date of filing, Plaintiff has not contributed to the cost of health
4 insurance for the minor child since the child has been on Medicaid, however, the
5 minor child will be added to the Defendant's fiancé's insurance shortly after their
6 marriage. At such a time, Defendant is requesting that Plaintiff be ordered to pay on
7 half of the cost of premiums for the minor child's health insurance and contribute to
8 unreimbursed medical costs consistent with the "30/30" Rule.

9 **D. Defendant is Entitled to Attorney's Fees and Costs pursuant to NRS 18.010**

10 Chapter 18 of the Nevada Revised Statutes grants courts discretion to award
11 attorney fees "when the court finds that the claim...was brought or maintained
12 without reasonable ground" and permits courts to "punish for and deter frivolous or
13 vexatious claims and defenses because such claims and defenses overburden limited
14 judicial resources, hinder the timely resolution of meritorious claims and increase"
15 costs. NRS 18.010(2)(b). To justify an award of attorney's fees, the district court
16 must determine whether there were reasonable grounds for the claims asserted.
17 *Bergmann v. Boyce*, 109 Nev. 670, 675, 856 P.2d 560, 563 (1993). The proper inquiry
18 evaluates the frivolousness of the suit at the time it was initiated. *Barozzi v. Benna*,
19 112 Nev. 635, 639, 918 P.2d 301, 303 (1996).

20 Plaintiff has created an environment in which no resolution can be made.
21 Plaintiff enters negotiations and agrees only to withdraw his acceptance after
22 consulting his mother. This behavior has forced the Defendant to either accept terms
23 which are not in the best interest of the child or file a motion with the Court, as she
24 has done. Defendant seeks permission to submit an affidavit of fees and costs in
25 defense of the present motion and a *Brunzell* Affidavit within ten days of the present
26 order.

27 //

28 //

III. CONCLUSION

Defendant, PAIGE PETIT, therefore prays this Court grant the orders as outlined previously. Defendant respectfully requests this Court grant the following:

1. For an Order granting the Defendant's proposed Timeshare Schedule;
2. Attorney's Fees and Costs; and
3. For Such other relief as this court deem appropriate and just.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Mom’s motion seeks to cut Dad’s already limited time—despite Mom’s
4 significant history of poor co-parenting and lack of respect for Dad’s role in Ryder’s
5 life. Dad has another child whom he has joint physical custody of and it is in Ryder’s
6 best interest to have a more equal custodial schedule with both of his parents.

7 **II. STATEMENT OF FACTS**

8 **A. History of the Parties**

9 Plaintiff Kevin Adrianzen (“Dad”) and Defendant Paige Petit (“Mom”)
10 divorced in 2014. They have one child together: Ryder, aged 4.¹

11 The parties were unable to agree to custody terms in their original divorce and
12 ultimately had an evidentiary hearing in June 2014.

13 After the evidentiary hearing, the Court made the following relevant findings
14 and orders:

- 15 1. Court did not find any acts of domestic violence;
- 16 2. There is a level of conflict between the parties and the
17 grandparents, which is a negative factor for the child;
- 18 3. Disputes are not handled in a mature way;
- 19

20 _____

.. ¹ Ryder was born September 22, 2013, thus is almost 5.

- 1 4. Mom is designated as primary physical custodian, with Dad's
2 visitation after Ryder's first birthday being weekly, Saturday
3 6:00 p.m. to Monday at 6:00 p.m.² ; and
4 5. The parties have joint legal custody.

5 The Court made no specific best interest findings as to why it awarded Mom
6 primary physical custody or why it set the visitation schedule that it did.

7 **B. Mom Regularly Violates Dad's Joint Legal Custody Rights**

8 In the four years since the Court's last order, there have been numerous co-
9 parenting issues and continuing conflict.

10 Mom violates Dad's joint legal custody rights regularly. In March 2018, Dad
11 deposed Mom in a separate case.³ During that deposition, Mom acknowledged
12 numerous medical and dental appointments that she unilaterally took Ryder to—
13 without informing Dad.

14 Q. Who is Ryder's doctor?

15 A. It's Dr. Dani. It's D-a-n-i, at Health Care Pediatrics.

16 Q. When's the last time he's seen Dr. Dani?

17 A. It was -- it was late last year. I believe it was about October.

18 Q. What was that for?

19 A. The flu shot.

20 Q. Was Kevin present at that appointment?

21 A. No.

22 Q. Did he know about that appointment?

² The court escalated the visitation at Ryder's first birthday, acknowledging his age and time spent with Mom at that point.

³ Paige was a witness in a separate case involving Kevin and his other child's mother, case # D-17-557607-C.

1 A. No.
 2 Q. Do you remember the last time he saw Dr. Dani before that?
 3 A. For his four-year checkup in September.
 4 Q. Was Kevin present at that appointment?
 5 A. No.
 6 Q. Did Kevin know about that appointment?
 7 A. No.
 8 Q. I promise I'm not going to do this for his whole life, but what was
 9 his last appointment before the four-year checkup with Dr. Dani?
 10 A. I believe it was his three-year checkup. I don't believe he went back
 11 for anything. I'm not sure.
 12 Q. Was Kevin present at that appointment?
 13 A. No.
 14 Q. Did he know about that appointment?
 15 A. No.
 16 Q. Over the last two years, has he seen -- aside from dentists, which
 17 I'll ask you about in a minute, has he seen any other doctors besides Dr. Dani?
 18 A. No.
 19 Q. Has he seen --
 20 A. Sorry. He's seen, like, another pediatrician within the same health
 practice when --
 Q. Was it one of the appointments that you talked about?
 A. No. It was for like a sick visit when Dr. Dani was not in office.
 Q. Do you remember when that was?
 A. It was probably back in maybe 2016.
 Q. What was wrong?
 A. He had -- I believe it was for a rash that he had. I'm not completely
 sure.
 Q. You think it was a rash, though?
 A. I think so. I think that, yeah.
 Q. Was Kevin present at that appointment?
 A. No.
 Q. Did he know about that appointment?
 A. No.
 Q. Does Ryder see a dentist?
 A. Yes.
 Q. When is the last time he went there?
 A. He went -- I believe it was last month, February, for a checkup.
 Q. Was Kevin present at that appointment?

1 A. No.

Q. Did he know about it?

2 A. No.

Q. When's the last time he was at the dentist before that?

3 A. It was last year. It was -- I think it was late last year. I don't
remember what month it was, though. Probably around October.

4 Q. Any issues at that appointment?

A. Yeah. At that one he had his cavity filled.

5 Q. Just one?

A. It was two, I believe.

6 Q. Was Kevin at that appointment?

A. No.

7 Q. Did he know about that appointment?

A. No.

8
9 In the last four years, Mom has told Dad about *one* doctor's appointment for
10 Ryder, and it was on her way out of the door.

11 **C. Mom's House, Boyfriend, and Lack of Co-Parenting**

12 Mom lives with her current boyfriend with whom she has two children with.
13 Dad believes, and Mom confirmed during her deposition, that Mom's boyfriend has
14 a criminal record that includes at least two drug charges, a DUI in California, and an
15 open DUI case in Nevada (also driving without a license).⁴ Dad believes Mom is
16 living in a two-bedroom apartment with her boyfriend, their two children, and
17 Ryder— five people total. Ryder has said things to Dad that make him think Mom's
18 boyfriend has been physically abusive to Ryder—although Kevin cannot prove it.

19
20 _____
.. ⁴ Case # 17M10033X.

1 Kevin also has concerns over Mom's care for Ryder. Dad noticed Ryder had
2 cavities, which he did not feel a child so young should have. One of Ryder's fillings
3 then fell out and Dad had to tell Mom because again, she did not notice. Dad
4 contacted Mom to inform her and ask for Ryder's dentist information, so he could
5 take him to the dentist. Mom never responded.

6 It is possible Mom did not respond because she blocked Dad's number on her
7 phone, something she has done before; and proudly told him that she has done. Mom
8 has also told Dad that she purposely does not respond to certain messages.

9 When Ryder was three-years-old, Mom was involved in a car accident with
10 Ryder, which required him to go to the hospital. Mom never told Dad. Dad found
11 out from Ryder and asked Mom for the medical records and accident report. Mom
12 provided partial medical records, but enough for Dad to see that Mom was using
13 only her last name on Ryder's insurance and hospital records, despite the court
14 ordering a hyphenated last name for Ryder. No police report was ever provided to
15 Dad.

16 Prior to Mom's current living situation, she lived with her parents until they
17 divorced. Mom then lived in Summerlin with her boyfriend at his father's residence
18 for one year. Mom would never provide the address of her boyfriend's father's
19 residence to Dad. For the first year thereafter, Mom refused to tell Dad where she
20 (Ryder) lived.

1 Around this time, Dad learned from Ryder that there was a babysitter
2 watching him—which surprised Dad as Mom did not work. Dad asked Mom who
3 was watching Ryder. Mom never responded. Mom later confirmed during her
4 deposition that she was in fact working.

5 Dad has had concerns, for over two years, over speech issues with Ryder and
6 expressed these concerns to Mom and his desire to have an evaluation done. Mom
7 ignored.

8 On numerous occasions Dad has asked Mom about injuries on Ryder. Mom
9 never responds.

10 Mom was forced to respond on one occasion however (after Dad had been
11 informing Mom about it for two weeks with no response from Mom): Ryder showed
12 up at Dad's house with scabies—which required both homes be treated for
13 infestation.

14 On occasion, Mom has sent medication for Ryder with no instructions as to
15 how to administer— or even what it is for.

16 Mom has refused to be flexible and allow Dad any additional time with Ryder.
17 This includes for parties, family events, family birthdays, brief vacations, or any
18 other father/son experiences Dad would try to plan that occurred outside his set time.
19 Mom's position is she will not do anything the court has not ordered her to do.

1 Mom has verbally degraded (and hit) Dad at exchanges— in front of Ryder;
2 and routinely shoves cameras in his or his family members' faces at exchanges. On
3 one occasion Mom hit Dad with her phone while she was recording him because
4 Dad was trying to talk to Mom because he was unable to text her as she had blocked
5 his number.

6 Dad had his Mother do the exchanges, hoping that would help. It did not. Mom
7 tried running Grandma over at one exchange, while Ryder was in the car with
8 Grandma—prompting Grandma to call the police. Thereafter Mom unilaterally
9 decided Grandma (Dad's Mom) could no longer do the exchanges regardless of what
10 the Judge had advised in court.

11 Dad contacted Mom about putting Ryder in swimming lessons. Mom's
12 response: she had already put him in swimming lessons at a swimming academy but
13 never told Dad and never offered Dad to come.

14 Very recently, Ryder had his first day of kindergarten. This occurred on Dad's
15 timeshare. Understandably, Mom expressed a desire to be at this milestone moment.
16 Also, understandably, Dad was reluctant because of the non-stop drama around the
17 parties' exchanges, but did not stop Mom from being present for the event.

18 Prior to going into his classroom, Ryder posed for a photo. Dad stepped back
19 and allowed Mom to go first. Mom got a photo of Ryder, which takes time as he is
20 only four-years-old. Just as Mom finished, Ryder's teacher called him into the

1 classroom—meaning Dad did not get to take a photo. Dad asked Mom if she could
2 send him the photo she had taken. Mom refused. Mom’s reason? Dad’s Mom never
3 gave her photos and videos taken during Ryder’s *birth*, almost five years prior.
4 Kevin has tried to explain that those photos are his mother’s and he has no control
5 over them. Court mediators from both Family Court and Nevada Supreme Court
6 have also explained the same to Mom.

7 Mom still refuses to share the photo with Dad.

8 **D. Changes in Dad’s Life Since 2014**

9 Dad has always worked blue-collar jobs, until a motorcycle accident in May
10 2016. This accident left Dad with many permanent physical injuries. Because of this
11 accident, Dad had surgery and physical therapy for approximately six months, being
12 on FMLA during this time.

13 After returning to work, Dad was not able to perform the same tasks as before.
14 Dad ended up being laid off in June 2017. Dad received unemployment insurance
15 through January 2018. Dad searched for employment during this time but was not
16 successful. Recently, Dad started a job as a carpenter apprentice. Unfortunately, this
17 job did not work out as Dad’s physical limitations from injury caused him to fail to
18 pass the minimum skills test for the job. Dad is currently enrolled at College of
19 Southern Nevada with the goal of finding a white-collar career he can physically
20 handle. Dad is still seeking part-time employment while in school.

1 But it has not all been bleak for Dad during this period. In January 2015, Dad's
2 daughter Raelynn was born. Dad currently has joint physical custody of Raelynn,
3 with a week on/week off timeshare.

4 *This opposition and countermotion follows.*

5 **III. LEGAL ARGUMENT**

6 **A. The Court Should Deny Mom's Motion and Grant Dad's** 7 **Countermotion to Modify Custody**

8 When the court considers modifying a primary physical custody order, the
9 court must use a two-step process.⁵ First, the court must determine if there has been
10 a substantial change in circumstances affecting the welfare of the child since the last
11 custodial order.⁶ If there has, the court must then consider whether modification of
12 custody serves the child's best interest.⁷ The moving party has the burden of proof
13 under both prongs.⁸

14 The specific findings the court must make when considering a child's best
15 interest under NRS 125C.0035(4) are as follows:

- 16 (a) The wishes of the child if the child is of sufficient age and capacity
17 to form an intelligent preference as to his or her physical custody.
18 (b) Any nomination of a guardian for the child by a parent.
(c) Which parent is more likely to allow the child to have frequent
associations and a continuing relationship with the noncustodial parent.

19 ⁵ *Ellis v. Carucci*, 123 Nev. 145, 150 (2007).

20 ⁶ *Id.*

⁷ *Id.*

⁸ *Id.*

- (d) The level of conflict between the parents.
- (e) The ability of the parents to cooperate to meet the needs of the child.
- (f) The mental and physical health of the parents.
- (g) The physical, developmental and emotional needs of the child.
- (h) The nature of the relationship of the child with each parent.
- (i) The ability of the child to maintain a relationship with any sibling.
- (j) Any history of parental abuse or neglect of the child or a sibling of the child.
- (k) Whether either parent or any other person seeking physical custody has engaged in an act of domestic violence against the child, a parent of the child or any other person residing with the child.
- (l) Whether either parent or any other person seeking physical custody has committed any act of abduction against the child or any other child.

Here, there has been a substantial change in circumstances since the last custodial order, and modifying custody is in Ryder's best interest.

1. There has been a substantial change in circumstances.

First, Mom acknowledges in her Motion that there has been a substantial change in circumstances since the parties' last custodial order—citing her own engagement and blended family. Dad has those same circumstances, plus more.

In addition to the change in Dad's work schedule and his daughter of whom he has joint physical custody, Mom's actions since the last custodial order are a sufficient change in circumstances affecting Ryder's welfare.

Mom's complete lack of co-parenting with Dad since the last custodial order is alarming. Mom will not even share a photo she took of Ryder on his first day of

1 school with Dad. This would take less than 5 seconds via text. Mom refuses, citing
2 a five-year-old axe she is grinding with Dad's Mother.

3 Mom does not tell Dad about doctors' appointments. Mom does not tell Dad
4 about dentist appointments. Mom blocks Dad's phone number. Mom is cohabitating
5 with a probable substance abuser in tight quarters. Mom refuses to allow Dad *any*
6 additional time, no matter what the reason for Dad's request. Mom moves without
7 informing Dad or giving him the addresses. Mom also takes Ryder out of state
8 without informing Dad.

9 Mom enrolled Ryder in school, to begin kindergarten this school year, without
10 even discussing with Dad. And she has placed Ryder on a wait list for a charter
11 school without discussing with Dad.

12 Right now, Dad has two days a week of visitation. Mom's request is for Dad
13 to have three days per week— but only on the first, third, and fifth weeks. This
14 means that in most months, Dad's timeshare would go from 8 days a month, to six.
15 And not that Ryder has started kindergarten, this change would not allow Dad to
16 substantially participate in Ryder's education. Considering Mom's history, her
17 request is not surprising.

18 Based on the foregoing, there are numerous substantial changes of
19 circumstances affecting Ryder's welfare since the last custodial order.
20
--

1 **2. It is in Ryder's Best Interest for the Parties to Share Joint**
2 **Physical Custody**

3 A review of the statutory best interest factors is as follows:

4 (a) The wishes of the child if the child is of sufficient age and capacity
5 to form an intelligent preference as to his or her physical custody.

6 This factor is not applicable.

7 (b) Any nomination of a guardian for the child by a parent.

8 This factor is not applicable.

9 (c) Which parent is more likely to allow the child to have frequent
10 associations and a continuing relationship with the noncustodial parent.

11 This factor favors Dad. Mom has been given a chance and her performance is
12 abysmal. She admitted in her deposition she refuses to allow Dad any more time
13 than the court has ordered. Mom blocks Dad's phone number. Mom refuses to co-
14 parent.

15 (d) The level of conflict between the parents.

16 This factor favors Dad. The parties are high conflict. Mom shoves a camera
17 in Dad's face during exchanges, literally— right in his face. Mom has also hit Dad
18 with her phone in front of Ryder. Documenting exchanges is one thing, but
19 antagonizing is another.

20 (e) The ability of the parents to cooperate to meet the needs of the
21 child.

1 This factor favors Dad. Mom refuses to cooperate. Mom admits she does not
2 tell Dad about doctors' or dentists' appointments. Mom does not tell Dad about
3 extracurricular activities in which she enrolls Ryder. Yet Dad has informed Mom
4 when he signed Ryder up for indoor soccer and private swimming lessons.

5 (f) The mental and physical health of the parents.

6 This factor is neutral.

7 (g) The physical, developmental and emotional needs of the child.

8 This factor favors Dad. Mom refused to consider a speech evaluation for
9 Ryder. Mom places her conflict with Dad above Ryder's needs.

10 (h) The nature of the relationship of the child with each parent.

11 This factor is neutral. Both parents have a good relationship with Ryder.

12 (i) The ability of the child to maintain a relationship with any sibling.

13 Both parents have other children. Currently this factor only favors Mom
14 as her other children are with Ryder five days a week vs. two days a week,
15 every other week, with Dad's other daughter. And Ryder's time with his
16 sister would be less if Mom's visitation modification request is granted.

17 (j) Any history of parental abuse or neglect of the child or a sibling of
the child.

18 This factor is not applicable.

19 (k) Whether either parent or any other person seeking physical custody
20 has engaged in an act of domestic violence against the child, a parent
of the child or any other person residing with the child.

1 This factor is not applicable.

2 (l) Whether either parent or any other person seeking physical custody
3 has committed any act of abduction against the child or any other child.

4 This factor is not applicable.

5 Based on the foregoing, Dad requests this court modify custody to joint
6 physical custody, with a week on/week off timeshare that matches Dad's other
7 custodial timeshare, which has exchanges on Friday. Dad also requests Dept. B's
8 holiday and vacation schedule that also matches Dad's other custodial schedule.

9 **B. The Court Should Modify Child Support**

10 Parents have a duty to support their children by providing necessary
11 maintenance, health care, education, and support.⁹ A parent with physical custody is
12 entitled to recovery of financial support from the non-custodial parent.¹⁰ Nevada law
13 sets child support for one minor child at 18% of the parent's gross monthly income.¹¹

14 When parties have joint physical custody, child support is calculated by
15 determining each party's statutory percentage based on their respective gross
16 monthly incomes; and then subtract the difference between the two with the higher
17 income earner paying the lower income earner the difference.¹²

18
19 ⁹ NRS 125B.020.

20 ¹⁰ NRS 125B.030.

¹¹ NRS 125B.070.

¹² *Wright v. Osburn*, 114 Nev. 1367, 1369 (Nev. 1998).

1 NRS 125B.080(9)¹³ contains factors a court must consider when adjusting an
2 obligor's child support from the statutory formula. NRS 125B.080(2) also requires
3 any specific agreement between parties that is not consistent with the statutory
4 formula state sufficient facts in accordance with subsection 9 to justify deviation
5 from the statutory formula.

6 Here, both parties are unemployed. Mom lives with her boyfriend, who
7 supports her. And Dad lives with his Mother while he attends school. Based on their
8 respective gross monthly incomes, Dad's child support obligation should be
9 \$100.00; and Mom's child support obligation should be \$100.00. Therefore, under
10 *Wright*, if the court orders joint physical custody, child support should be set at zero.
11
12
13

14 ¹³ NRS 125B.080(9) The court shall consider the following factors when adjusting the amount of
support of a child upon specific findings of fact:

- 15 (a) The cost of health insurance;
- (b) The cost of child care;
- 16 (c) Any special educational needs of the child;
- (d) The age of the child;
- (e) The legal responsibility of the parents for the support of others;
- 17 (f) The value of services contributed by either parent;
- (g) Any public assistance paid to support the child;
- 18 (h) Any expenses reasonably related to the mother's pregnancy and confinement;
- (i) The cost of transportation of the child to and from visitation if the custodial parent moved
19 with the child from the jurisdiction of the court which ordered the support and the noncustodial
parent remained;
- (j) The amount of time the child spends with each parent;
- 20 (k) Any other necessary expenses for the benefit of the child; and
- (l) The relative income of both parents.

1 And even if the court does not award joint physical custody, Dads child support
2 should be set at \$100.00.

3 **C. The Court Must Deny Mom's Request for Attorney's Fees**

4 The court may award attorney fees to a prevailing party; or when the court
5 finds a party has brought a claim or maintained a defense without reasonable grounds
6 or to harass the opposing party.¹⁴ The court shall liberally construe this provision in
7 favor of awarding attorney's fees in appropriate situations.¹⁵

8 When deciding attorney's fees awards in family law matters, four
9 requirements were set forth¹⁶: 1) counsel must cite a legal basis for attorney's fees;
10 2) the Court must evaluate the *Brunzell*¹⁷ factors; 3) the Court must consider any
11 disparity in income of the parties under *Wright*¹⁸; and 4) the request must be
12 supported by affidavit or other evidence.

13 The court has authority in custody actions to order reasonable attorney's fees
14 in proportions and at times determined by the court.¹⁹

18 ¹⁴ NRS 18.010(2)(a)-(b).

19 ¹⁵ *Id.*

¹⁶ *Miller v. Wilfong*, 121 Nev. 619, 119 P.3d 727 (2005).

¹⁷ *Brunzell v. Golden Gate Nat'l Bank*, 85 Nev. 345 (1969).

20 ¹⁸ *Wright v. Osburn*, 114 Nev. 1367, 1370 (1998).

¹⁹ NRS 125C.250.

1 All financial requests, including attorney's fees, require the requesting party
2 file a financial disclosure form within 2 judicial days of filing their motion or
3 countermotion.²⁰

4 Here, the court must deny Mom's request for attorney's fees as she failed to
5 file a financial disclosure form; and also, because it is meritless.

6 Mom asserts she has "on numerous occasions, Defendant and her counsel
7 have discussed this matter with the Defendant and his counsel including multiple
8 offers of settlement which have been accepted and then subsequently rejected." This
9 is not true. Dad has attempted to discuss and work out a different custody
10 arrangement with Mom and she ignores and does not respond to him.

11 Dad is willing to waive all objections to confidential settlement negotiations
12 being introduced to this Court and allow Mom to present any written settlement
13 communications in this case, including written offers. There are none. And there are
14 certainly no acceptances of offers which were later rejected. This is a fabrication.

15 The court must therefore deny Mom's request for attorney's fees.

IV. Conclusion10

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Mom is cohabitating and engaged to a serious drug addict. Mom has allowed
4 this individual to be around the parties' son. Mom's home is not suitable for her to
5 have primary physical custody.

6 **II. STATEMENT OF FACTS**

7 Plaintiff Kevin Adrianzen ("Dad") and Defendant Paige Petit ("Mom")
8 divorced in 2014. They have one child together: Ryder, aged 4.¹

9 Mom's Motion states "Since the decree of divorce was issued, the Defendant
10 [Mom] become engaged [sic] and two children have been born to that relationship.
11 Defendant [Mom] wishes to create a healthy environment of a nuclear family for the
12 minor child and the child's half-siblings while not denying Plaintiff [Dad] time with
13 his child." Mom also states: "The goal of the proposed timeshare is to create a stable
14 and nurturing family environment for the minor child by reserving approximately
15 half of his weekend time for binding with his new family." The fiancé Mom is
16 referring to is Shawn Prisco.

17 Dad filed his Opposition and Countermotion to Paige's Motion to Modify
18 timeshare on August 23, 2018. In Dad's Opposition and Countermotion, he raised
19
20

.. ¹ Ryder was born September 22, 2013, thus is almost 5.

1 concerns over Shawn and substance abuse by him. At the time of filing, Dad was
2 still amassing supporting documentation.

3 During Mom's deposition on March 19, 2018, Mom was asked about her
4 fiancé, Shawn Prisco, and his criminal history:

5 Q. Do you know if Shawn has ever been arrested before?

A. Yes.

6 Q. What for?

A. Possession of marijuana.

7 Q. Anything else that you're aware of?

A. No.

8 Q. How many times?

A. Twice.

9 Q. Twice that you're aware of?

A. Yes.

10 Q. Those are the only two arrests that you're aware of?

A. I believe there's one in California. I'm not sure.

11 Q. For what?

A. I think it was a DUI. I'm not sure, though.

12 Q. Do you know if Shawn has ever been to rehabilitation for drugs
or alcohol?

13 A. No, I'm not sure.

14 Q. Not sure? So he may have been, but you're not aware?

A. Yes.

15 Either Mom was lying, or she has no idea who she is engaged to, has two
16 children with, and allows around Ryder.

17 Shawn has a serious and recent history with hard drugs. In May 2017, Shawn
18 was arrested for possession of drug paraphernalia and resisting arrest/obstructing a
19

1 police officer. While these charges alone are troubling, the facts surrounding them
2 are even more so.²

3 According to the officer's report, on May 5, 2017 around 7:00 p.m. the police
4 were called to the area of 1575 Warm Springs Road in Henderson Nevada with
5 reports that a male was "asking people for drugs." The suspect was described as
6 "thin" and with "black pants with holes in them." He was later identified as Shawn
7 Prisco.

8 The police approached Shawn to talk to him, but Shawn walked away, and
9 continued to walk away despite the officer saying he needed to speak to him; and
10 Shawn being advised by the officer that if he did not comply, the officer would use
11 force. The officer ended up using force and placing Shawn in handcuffs.

12 The officer searched Shawn and found a "clear glass pipe with a broken end,
13 tinfoil, and burnt residue, lighter, and miscellaneous pill wrapped in paper towel."
14 Based on the officer's training and experience, he identified all the paraphernalia as
15 the type used to smoke heroin or methamphetamine. The officer suspected at least
16 one of the pills was Xanax.

20 ² See Henderson Municipal Court Docket Sheet, criminal records, and criminal pleadings listed
as Exhibit 3.

1 The case just concluded in May 2018, with Shawn getting 60 days in jail
2 (suspended), and court ordered rehabilitation of a minimum of 24 weeks. Basically,
3 Shawn is right now (or should be) in a rehabilitation program.

4 The above event is not an isolated incident of substance abuse by Shawn. In
5 2016 Shawn was charged with driving under the influence in California, as well as
6 carrying a concealed “dirk or dagger.” According to California penal code, a “dirk
7 or dagger” is defined as:

- 8 1. a knife or other instrument,
- 9 2. with or without a hand guard,
- 10 3. that is capable of ready use as a stabbing weapon, and
- 11 4. that may inflict a significant or substantial physical injury or death.³

12 As if this all was not enough, Shawn’s May 2017 brush with the law brought
13 on by him randomly soliciting strangers for drugs was not rock-bottom. In April of
14 this year (2018), Shawn was again charged with driving under the influence (drugs)
15 and driving on a revoked license. Shawn was charged as first offense, with Nevada
16 apparently not knowing about the prior California charge. On this DUI, Shawn was
17 under the influence of THC and alprazolam (Xanax)— the same pills found on him
18 a year earlier. This case just concluded on August 22, 2018.

20 ³ California Penal Code 16470.

1 None of these are new developments. On June 11, 2016, Shawn Prisco's
2 mother took to Facebook to plea to anyone who would listen about Shawn's drug
3 problems.⁴ The post states:

4 I am Shawn Priscos mother. My son is a drug addict spiraling out of control.
5 Shawn lies, steals, cheats, and does whatever he can do to feed his addiction.
6 I'm reaching out to all that know Shawn and am asking to all not support his
7 addiction or be the one that gives him 20 bucks so he can buy drugs that kill
him. Shawn has an open door to return to Rehab for the help he needs. We
have recently learned that Shawn is going to be a father but not if he
continues on this path of destruction. . .

8 She further states that this post is very hard for her, but she is very concerned
9 about those unknowingly feeding her son's addiction.

10 This post came at a time when Shawn was living with Mom [Defendant],
11 Mom was pregnant with their first child, and Mom had primary custody of Ryder.

12 In fact, only two weeks prior to this post by Shawn's mother, Shawn posted
13 photos of a "road trip" he took to Pismo Beach.⁵ His post includes a photo of Shawn
14 going into the ocean— with Ryder.

15 //

16 //

17 //

20 ⁴ See Facebook Post of Jaime Schemp listed as Exhibit 2.

⁵ See Facebook post by Shawn listed as Exhibit 1.

1 According to Mom's deposition, as far as she knows, Shawn has never sought
2 rehab. And Mom's motion wishes to preserve this "nuclear" family for Ryder.

3 *This opposition and countermotion follows.*

4 **III. LEGAL ARGUMENT**

5 **A. The Court Should Modify Custody to Joint Physical Custody**

6 When the court considers modifying a primary physical custody order, the
7 court must use a two-step process.⁶ First, the court must determine if there has been
8 a substantial change in circumstances affecting the welfare of the child since the last
9 custodial order.⁷ If there has, the court must then consider whether modification of
10 custody serves the child's best interest.⁸ The moving party has the burden of proof
11 under both prongs.⁹

12 The specific findings the court must make when considering a child's best
13 interest under NRS 125C.0035(4) are as follows:

- 14 (a) The wishes of the child if the child is of sufficient age and capacity
to form an intelligent preference as to his or her physical custody.
- 15 (b) Any nomination of a guardian for the child by a parent.
- 16 (c) Which parent is more likely to allow the child to have frequent
associations and a continuing relationship with the noncustodial parent.
- 17 (d) The level of conflict between the parents.
- 18 (e) The ability of the parents to cooperate to meet the needs of the
child.
- (f) The mental and physical health of the parents.

Here, as relates to the specific facts in this Supplement, there has been a substantial change in circumstances since the last custodial order, and modifying custody is in Ryder's best interest.

1. There has been a substantial change in circumstances.

As relates to the specific facts of this Supplement, since the last custodial order, Mom has cohabitated with, become engaged to, and had two children with someone who has obvious and serious drug issues. This is not a guy who dabbles in marijuana on the weekends. His addiction is so severe that the police were summoned because he was harassing complete strangers for drugs. The pipe and other materials found on Shawn were consistent with those used for heroin or methamphetamine. Shawn also has a pocket full of random pills.

At the same time that Shawn's mother was taking to Facebook to plea to anyone who would listen about her out-of-control drug addict son, Mom [Defendant] was allowing Shawn to take Ryder to Pismo Beach and into the ocean.

1 Based on the foregoing, in addition to the other changes in circumstances in
2 Dad's original Opposition and Countermotion, the facts contained in this
3 Supplement alone are a sufficient change since the last custodial order to warrant an
4 evidentiary hearing.

5 **2. It is in Ryder's Best Interest for the Parties to Share Joint**
6 **Physical Custody**

7 In making a child custody determination, the sole consideration of the court
8 is the best interest of the child.¹⁰ This is not achieved simply by processing the case
9 through the factors that § 125.480(4) [125C.0035(4)]¹¹ identifies as potentially
10 relevant to a child's best interest and announcing a ruling.¹² As the lead-in language
11 to § 125C.0035(4) suggests, the list of factors in § 125C.0035(4) is non-exhaustive.
12 In determining the best interest of a child, courts should look to the factors set forth
13 in § 125.480(4) [125C.0035(4)] as well as any other relevant considerations.¹³ Other
14 factors, beyond those enumerated in § 125.480(4) [125C.0035(4)], may merit
15 consideration.¹⁴

16
17
18
19 ¹⁰ NRS 125.0035(1).

¹¹ Statute has since been moved to NRS 125C.0035(4).

20 ¹² *Davis v. Ewalefo*, 131 Nev. Advance Opinion 46 (2015).

¹³ *Id.*

¹⁴ *Id.*

1 Dad did a full statutory best interest analysis in his Opposition and
2 Countermotion. But, as relates to the facts in this Supplement, common sense best
3 interest factors come into play.

4 Mom is allowing Shawn Prisco to live in a home shared by Ryder. The
5 information about Shawn presented in this Supplement is only what we currently
6 know. Mom is not being forthcoming, lying in her deposition. Shawn does not have
7 one or two marijuana charges in his past, as mom asserts. He is a drug addict--
8 begging for drugs in the streets. His mother is pleading to the world to help her son.
9 Shawn has *at least* two DUI's, shielding the California one from Nevada.

10 People who get DUI's often drive *dozens* of times under the influence before
11 arrest.¹⁵ This is the guy Mom is allowing around Ryder. This is the guy Mom has
12 chosen to move into Ryder's home. This is the guy Mom has chosen to get married
13 to. This is the guy Mom has chosen to have two children with. This is remarkably
14 poor judgment on Mom's part.

15 Based on the foregoing, the court should modify custody to *at least* joint
16 custody as Ryder's primary household is not suitable.

1 **IV. CONCLUSION**

2 BASED ON THE FOREGOING, Kevin Adrianzen requests this Court issue
3 an Order:

- 4 1. Denying Defendant's request to grant her proposed timeshare schedule;
5 2. Granting modification of physical custody to joint physical custody
6 with a week on/week off timeshare;
7 3. Granting Plaintiff's request for a holiday and vacation schedule to
8 match the one he has in Case D-17-557607-C in Dept. B;
9 4. Granting Plaintiff's request to modify child support; and,
10 5. For any other relief this Court deems fair and appropriate.

I am Shawn Priscos mother. My son is a drug addict spiraling out of control. Shawn lies, steals, cheats and does whatever he can do to feed his addiction. I'm reaching out to all that know Shawn and am asking to all not to support his addiction or be the one that gives him 20 bucks so he can buy the drugs that kill him. Shawn has an open door to return to Rehab for the help he needs. We have recently learned that Shawn is going to be a father but not if he continues on this path of destruction. As a mother this is hard to wrote but if you feed my son's addiction then you are killing him. Please don't !;I only ask for you to encourage him to get the help he so desperately needs. I have cut off all communication with him until he finds his way back to sober living. I do not like the person he is on drugs but I do love my son that is hidden in there somewhere. Get help Shawn, be a father now and live a sober life. Love, MOM

2. I have declined to have an attorney represent me and I have chosen to represent myself. I have made this decision even though there are dangers and disadvantages in self-representation in a criminal case; including, but not limited to, the following:

- a) Self-representation is often unwise, and a defendant may conduct a defense to his or her own detriment;
- b) A defendant who represents him/herself is responsible for knowing and complying with the same procedural rules as lawyers, and cannot expect help from the Judge in complying with those procedural rules;
- c) A defendant representing him/herself will not be allowed to complain on appeal about the competency or effectiveness of his or her representation;
- d) The City is represented by experienced professional attorneys who have the advantage of skill, training and ability;
- e) A defendant unfamiliar with legal procedures may allow the prosecutor an advantage, may not make effective use of legal rights, and may make tactical decisions that produce unintended consequences; and
- f) The effectiveness of the defense may well be diminished by a defendant's dual role as attorney and accused.
- g) I understand that, as a consequence of my plea of guilty or nolo contendere, if I am not a citizen of the United States, I may, in addition to other consequences provided by law, be removed, deported or excluded from entry into the United States or denied naturalization

Charge	Degree	NRS/HMC
POSS SCH I, II, III, IV C/S, (1ST/2ND)	Felony	453.336.2
USE/POSS DRUG-PARA	Misdemeanor	453.566
FALSE STMT TO/OBSTRUCT PUB OFF	Misdemeanor	197.190

THE UNDERSIGNED MAKE THE FOLLOWING DECLARATIONS SUBJECT TO THE PENALTY FOR PERJURY AND SAYS: That I, Charles Tween am a peace officer with the Henderson PD, Clark County, Nevada, being so employed since 01/19/2016. That I learned the following facts and circumstances which led me to believe that the above named subject committed (or was committing) the above offense/offenses at the location of 1575 WARM SPRINGS Road Henderson Nevada 89014, and that the offense occurred at approximately 1924 hours on 05/05/2017.

Details of Probable Cause

On 05/05/17 at approximately 1908 hours Officer Nerbonne #2127 and I, Officer Tween #2232 were dispatched to the area in front of 1575 Warm Springs Road, Henderson, NV, reference a male asking people for drugs. The person reporting described the white male as thin, approximately 5'07", with tattoos, and wearing Burgundy shirt, black pants with holes on them, and a hat.

Officer Nerbonne made contact with the subject described above later identified as Shawn Prisco (DOB 01/12/1993). Shawn was thin, had tattoos on his arms, was wearing a burgundy shirt, black torn jeans, and a hat.

As Officer Nerbonne approached, Shawn began to walk away. Officer Nerbonne attempted to stop Shawn however, Shawn said that he didn't do anything wrong and refused to stop. Officer Nerbonne told Shawn he needed to come talk to him and ordered him to the front of his vehicle. Officer Nerbonne warned Shawn he would have to use force if he did not comply. Shawn once again refused to comply whilst backing away from Officer Nerbonne and saying: "I didn't do anything wrong". Officer Nerbonne grabbed Shawn and I assisted in placed him into handcuffs.

Due to the fact that Shawn, after due notice, refused to comply with Officer Nerbonne's simple and lawfully commands to stop and talk to him, consequently delaying our investigation, I arrested Shawn for Obstructing a police officer, a misdemeanor offense reference NRS 197.190.

A search incident to arrest revealed Shawn had a clear glass pipe with a broken end, tinfoil with burnt residue, lighter, and miscellaneous pills wrapped in a paper towel on his person. Based on my training and experience I know the tinfoil with burnt residue, glass pipe, and lighter to be used as drug paraphernalia for Heroine or Methamphetamine. Shawn advised the blue pill was Xanax and claimed to have a prescription however none was observed. I observed a round white pill with the insignia "TL 173" engraved on it along with another small blue pill which appeared to be cut in half with the number "3" engraved on it.

A records check revealed the white pill to be Prednisone. I was unable to determine what the blue pill was therefore I submitted it to the lab for testing due to suspecting it to be Xanax.

Due to the fact that Shawn was in possession of drug paraphernalia, I charged Shawn with possession of drug paraphernalia, a misdemeanor offense reference NRS 453.566.

Arrestee's Name: Prisco, Shawn Anthony

Details of Probable Cause (Continued)

Due to the fact that Shawn advised the blue pill he had in his possession was Xanax which is a Schedule IV controlled substance, and the fact that I suspected the blue pill to be Xanax, I charged Shawn with Possession of a controlled substance (Schedule I, II, III, IV), a felony offense reference NRS 453.336.2.

I placed Shawn in the rear passenger side compartment of my vehicle and transported him to the Henderson Detention Center where he was booked accordingly.

Wherefore, Declarant prays that a finding be made by a magistrate that probable cause exists to hold said person for preliminary hearing (if charges are a felony or gross misdemeanor) or for trial (if charges are a misdemeanor).

1. On the ninth page, lines 22-25, where it states, "Plaintiff enters negotiations and agrees only to withdraw his acceptance after consulting his mother. This behavior has forced the Defendant to either accept terms which are not in the best interest of the child or file a motion with the Court, as she has done." These facts were confused with a similar case against the Defendant and must be struck.

1 MEMORANDUM AND POINTS OF AUTHORITY

2 **I. Rebuttal Facts**

3 **A. Brief History of the Parties**

4 While the Court has not been able to substantiate any acts of domestic violence,
5 the abusive behavior of the Plaintiff has significantly hampered the ability of the
6 parties to co-parent in a healthy manner. Additionally, the constant introduction of
7 third-parties i.e. grandparents, has served only to inflame the situation. Disputes have
8 not been handled in a mature manner. The general path that is followed is that anytime
9 the Defendant pushes back on Plaintiff's demands, he responds in a borderline
10 abusive manner and the Defendant withdraws. The Defendant's propensity to
11 withdraw is in response to the past abuse that she has suffered at the hands of the
12 Plaintiff.

13 Defendant's was unaware of the legal and substance abuse allegations made by
14 the Plaintiff. Prior to the Plaintiff's supplement, Defendant was only aware of a DUI
15 and possession of marijuana. This is not, as presented by the Plaintiff, a demonstration
16 of lying but rather a lack of information. Regardless, this is not an ongoing concern as
17 the Defendant's fiancé has received substance abuse counseling and has abstained
18 from the use of any illicit substances. Additionally, had the Plaintiff had the concerns
19 raised in his supplement, he withheld them for an extended period of time. The
20 allegations made by the Plaintiff are taken out of context and appear to be little more
21 than an attempt to throw as much possible at the wall to see what will stick.

22 **B. Defendant has Not Violated Plaintiff's Parental Rights**

23 Plaintiff has always attempted to include the Plaintiff in matters regarding the
24 minor child. However, in attempts to excerpt as much control of the Defendant as
25 possible, Plaintiff raises unreasonable objections to every decision that is mad by the
26 Defendant. The unfortunate truth is that the minor child cannot have things such as
27
28

1 healthcare withheld because the Plaintiff wants to punish the Defendant and continue
2 the control he enjoyed over her during their marriage. Children are simply not a
3 weapon to be used against the other parent.

4 C. Mom has Co-Parented to the Best of her Ability

5
6 Plaintiff raises concerns over the Defendant's care of the minor child citing to
7 cavities that the minor child has. In the Plaintiff's opinion, which lacks any medical
8 basis, no child should have cavities. This revelation is unfortunate for the dental
9 community at large. This position is directly related to the Plaintiff's allegations that
10 the Defendant does not adequately inform him of medical situations regarding the
11 minor child. Plaintiff demands a higher level of care but then fights Defendant every
12 step of the way unless it is done on his terms without regard to the minor child. This is
13 just a continuation of the control that the Plaintiff seeks to hold over the Defendant.

14 Plaintiff complains that the Defendant will at times block his calls or decline to
15 respond to his messages. This is not true. Plaintiff demands that Defendant use a third-
16 party text program which permits his mother to text Defendant. Defendant refuses to
17 use this program. Plaintiff has always had the Defendant's phone number but doesn't
18 want the Defendant to have his. Co-parenting is, in nature, meant to be cooperative
19 not a mechanism with which one parent must be subject to the other.

20 To further support his theory of the Defendant's failure to co-parent, Plaintiff
21 points to the Defendant's unwillingness to give him time outside of the court ordered
22 visitation. Given the behavior of the Plaintiff, there is a lack of willingness to give
23 him time that she is entitled to. Plaintiff fails to remember that Defendant granted him
24 extended visitation time just this last July.

25 The Defendant has not engaged in any verbally degrading nor physical violence
26 with the Plaintiff at any time, in front of the minor child or otherwise. The Plaintiff
27 seemingly wishes to hang his hat on baseless accusations while desperately attempting
28

1 to deny the Defendants accounting of the history of abuse that she has suffered at the
2 hands of the Plaintiff, and the demands of the Plaintiff's mother.

3 Plaintiff goes on to address the "non-stop" drama between the parties. There
4 has been an enormous amount of drama between the parties however, the sole cause
5 of that drama is the ongoing abusive and controlling behavior of the Plaintiff.

6 D. Plaintiff's Changes since 2014

7 It appears that the Plaintiff has embellished his past injuries in support of his
8 position that while he is in school he shouldn't have to be financially responsible for
9 his child. Enrolling in community college does not work as a shield for financially
10 obligation.

11 Contrary to the Plaintiff's apparent belief, the outcome of a case with yet
12 another one of his children's mother's is irrelevant to the matter at hand. The facts of
13 that case as well as the needs of that child are completely different.

14 II. Legal Argument

15 A. The Court Should Grant the Defendant's Motion and Deny the Plaintiff's 16 Countermotion

17 1. There has been substantial change

18 As argued in the Defendant's motion there has been a change in circumstances
19 regarding the Defendant's familial arrangement. Plaintiff states that he has the same
20 circumstances however his familial arrangement hasn't changed. He still relies on his
21 mother to support him. The only change in the Plaintiff's work schedule is that he has
22 now decided that he doesn't want to work.

23 Plaintiff asserts that Defendant fails to co-parent because she won't give him a
24 picture that she took. The fact of the matter is that while sharing the photo may be
25 nice, it is the Defendant's photo to do with whatever she likes. Ultimately, it is
26 difficult for the Defendant, as it would be for anybody else, to set aside the years of
27 abuse and manipulation that she has endured. It is disingenuous for the Plaintiff to
28

1 verbally, physically, and emotionally abuse the Defendant for years only to now cry
2 foul because she isn't being nice to him and acquiescing to his every demand.

3 As argued in the Defendant's motion, the proposed custody schedule is what is
4 in the best interest of the minor child. As usual, the focus of the Plaintiff's arguments
5 is what is good for him and his schedule. The Plaintiff doesn't appear to care what is
6 in the child's best interest but rather his concern is winning and continuing to exercise
7 control over the Defendant.

8 2. Joint Physical Custody is not in the minor child's best interest

9 Again, the Plaintiff has somehow come to the conclusion that the Defendant
10 following the court ordered visitation is an "abysmal" performance in relations to
11 promoting a relationship with the non-custodial parent. This is absurd. The Court
12 order was found to be what was in the best interest of the child and Defendant has
13 followed it. Defendant doesn't refuse to co-parent, but she is unwilling to subject
14 herself to the same abuse that she escaped.

15 Plaintiff cites to his custody arrangement with his other daughter assuming that
16 the proposed custody arrangement would in somehow lessen the time that the minor
17 child would have to spend with his half-sister. To the contrary, Defendant and his
18 daughter's mother have regular contact and the children see each other outside of the
19 control of the Plaintiff. Defendant and Plaintiff's daughter's mother have formed a
20 quasi-survivor's group of victims of the Plaintiff's abuse. It is important to both of
21 them to ensure that the children create and maintain a relationship as siblings.

22 In whole, Plaintiff's analysis into the best interest of the minor child is riddled
23 with half truths and omissions. Defendant's proposed schedule is clearly in the best
24 interest of the minor child.

25 B. The Court Should Award the Defendant Attorney's Fees and Costs

26 The Defendant has on numerous occasions discussed custody schedules with
27 the Plaintiff only to have every offer rejected other than the schedule that the Plaintiff
28

1 demands. There was no good faith effort on the part of the Plaintiff to resolve this
2 matter without the intervention of the court which necessitated the instant motion. But
3 for the Plaintiff's unwillingness to act in the best interest of the child rather than
4 serving his need to excerpt control and cater to his convenience, this motion would
5 have been unnecessary.

6 As such, the Defendant requests that this Court deny the Plaintiff's opposition
7 and grant all requested relief set forth in Defendant's motion.

8 III. Conclusion

9 The Defendant respectfully requests that this Court:

- 10 1. Deny the Plaintiff's opposition in its entirety;
- 11 2. Grant all of the requested relief in the Defendant's motion;
- 12 3. For such other relief that this Court deem just and proper.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Paige’s Opposition to Kevin’s countermotion glosses over numerous critical
4 facts without explanation—such as how she was allegedly unaware of her fiancé’s
5 extensive and recent drug issues, including jail time. His family is posting online
6 that he needs help, yet she claims ignorance. This is not believable, and the issue is
7 not moot and fixed as she claims in her Opposition.

8 Paige is residing (with Ryder) with a serious drug addict and criminal. A drug
9 addict and criminal who gave drugs to another individual, requiring hospitalization.
10 Paige fails to co-parent. Paige begins her Opposition by re-hashing her previously
11 dismissed claims that she is a victim of domestic violence at the hands of Kevin; and
12 that any failure of co-parenting by her is because she “withdraws” around Kevin.

13 Bottom line, Paige is not credible.

14 **II. STATEMENT OF FACTS & ARGUMENT**

15 **A. Prisco’s Drug and Criminal History & Paige’s Assertion that this**
16 **is All News to Her**

17 Kevin incorporates his prior facts and legal argument contained in his
18 Opposition and Countermotion and adds the following:

19 In Paige’s Opposition she states:

20 Prior to Plaintiff’s supplement, Defendant was only aware of a DUI and
possession of marijuana. This is not, as presented by Plaintiff, a

1 demonstration of lying but rather lack of information. Regardless, this is not
2 an ongoing concern as Defendant's fiancée' has received substance abuse
counselling and has abstained from the use of any illicit substances.

3 As stated in Kevin's motion, Paige is either: 1) lying about not knowing; or
4 2) completely ignorant of who she is cohabitating with, having children with, and
5 allowing to live in the same home as Ryder.

6 Her fiancée's events are not remote in time. They did not occur in his distant
7 past where she might be excused from knowledge. Paige has: 1) dated Prisco for
8 years; 2) has two children with him; and 3) lives with him. The most recent events
9 are from 2017.

10 We can review them to determine if Paige was unaware that her live-in fiancée
11 had a drug and criminal history.

12 Since Kevin's Countermotion, he obtained additional criminal records on
13 Paige's fiancée [Prisco] from California.¹ These records are from 2013. The first
14 item of note is that Prisco's address is listed as "transient." Another way of saying
15 homeless.

16 The police were called for an apparent drug overdose. Prisco told the police
17 he had a Xanax prescription (he did not) and took more than the prescribed dose.
18
19

20
.. ¹ See Visalia Police department records listed as Exhibit 4.

1 Prisco was taken to the hospital. Later, the officer met him at the hospital and the
2 officer noted Prisco had approximately 45 pills in his possession.

3 The officer spoke to Prisco's father who stated he "knows his son has a drug
4 problem and is addicted to Xanax." His father also states that because of Prisco's
5 drug problem, he [father] evicted Prisco days earlier from his home.

6 While at the hospital, the officer came in contact with another individual who
7 was also admitted for a drug overdose. This individual told the officer that Prisco
8 had *given* him the drugs.

9 Prisco was arrested and charged with possession of schedule 4 narcotics and
10 distribution. The officer interviewed Prisco who admitted abuse of Xanax for
11 several years. The records indicate that as part of his plea deal, Prisco would enter a
12 live-in rehabilitation program. The case appears to have concluded at the end of 2014.

13 As stated in Kevin's supplement to his countermotion, Prisco was charged in
14 2016 with driving under the influence (of Xanax) and also possession of a dangerous
15 weapon. It was also in 2016 that Prisco's mother publicly took to Facebook to tell
16 everyone to *not* give money to her son —because he is a drug addict and you'd only
17 be enabling him. It was within two weeks of this post that Prisco posted a photo of
18 he and Ryder in an ocean in California. (Kevin was never notified that Ryder was
19 being taken out of state.)
20
..

1 Then, in April 2017, Prisco was again arrested and charged with DUI— again
2 for Xanax (and THC). The case details indicate Prisco spent two days in jail for this
3 offense as he was given 2 days credit for time served in the final disposition.

4 Fresh off that arrest, on May 5, 2017 Prisco then had the arrest for soliciting
5 drugs at a recreation center in Henderson, as well as resisting arrest. When searched
6 by police, Prisco had tin foil with burnt residue, lighter, Xanax (no prescription)
7 wrapped in a paper towel, and a pipe identified by officers as one typically used for
8 methamphetamine or heroin. Prisco was in jail for three days for this offense prior
9 to being released.

10 As part of his plea deal, Prisco was ordered to abstain from drugs.

11 In October 2017, the court issued a show cause order, with a show cause
12 hearing held on October 31, 2017. At this hearing, the court found Prisco “non-
13 compliant” with the “no drugs” provision of his plea agreement. Prisco stipulated
14 that he was non-compliant. The court sentenced him to 2 additional days in jail for
15 this violation.

1 Lastly, Kevin text messaged Paige in June 2017 when he found information
2 online about this incident—including a screen shot of the online newspaper article.²
3 Paige never responded.³

4 Considering all of the above, Paige’s assertion that she had no knowledge of
5 Prisco’s drug use and arrests is not believable for the following reasons: 1) Prisco
6 has spent several days in jail during times they resided together; 2) Kevin text
7 messaged Paige about the incidences; and 3) Prisco’s family has publicly posted on
8 social media about Prisco’s serious drug problem.

9 Furthermore, Paige’s assertion that “this is not an ongoing concern as
10 Defendant’s fiancé’ has received substance abuse counselling and has abstained
11 from the use of any illicit substances” should not be satisfactory to this court as
12 Prisco’s drug and arrest history goes back years; and he just violated his probation
13 and served jail time in October for failing to comply with his non-use of drugs
14 provision. Also, it is doubtful that Paige is in any position to assess whether Prisco
15 has overcome his demons since, by her account, this all went on right under her nose
16 without her being aware. And that is a major problem for Ryder.

17 ///

20 ² See text message from Kevin to Paige dated June 14, 2017 listed as Exhibit 5.

³ It is possible she did not respond because she blocked Kevin’s number, which she has a history
 of doing.

1 **B. Co-Parenting**

2 Kevin provided numerous examples of Paige unilaterally taking Ryder to
3 medical and dental appointments without informing him. This also included Ryder
4 having to be taken to the hospital and seek follow-up treatment after an auto
5 accident—which she also never told Kevin about.

6 Paige asserts in her Opposition that Kevin has unrealistic dental and medical
7 expectations for Ryder; and that Kevin feels a child “should never have cavities.”
8 She also asserts, without any proof, that Kevin stands in the way of “every” medical
9 decision Paige tries to make. However, that cannot be true because Paige admitted
10 in her deposition that she never even tells Kevin of medical and dental appointments.
11 Any proof that Paige has that she has now attempted to involve Kevin in these
12 decisions will be from after her April 2018 deposition, at which time she was advised
13 legally that her behavior will not look good to this court. Prior to that, Paige gave no
14 regard to Kevin’s legal custody rights.

15 Kevin obtained Ryder’s dental records.⁴ Kevin had a hard time getting these
16 records because when Paige set Ryder up at Little Smiles Dental, she left the “father”
17 section blank, which can be seen on the records, and she also indicated his preferred
18 name to be Ryder Petit. Kevin was wrong about a filling falling out. But, what he
19

20 _____
.. ⁴ See Ryder’s dental records listed as Exhibit 6.

1 assumed was a hole where a filling had fallen out, was actually just a large unfilled
2 cavity in Ryder's mouth. Nevertheless, when Kevin contacted Paige as to who
3 Ryder's dentist was, she refused to say. Instead, she waited until Ryder was returned
4 to her and she took him to the dentist— something Kevin was trying to do when *he*
5 identified the problem. Ryder has had five cavities as a four-year-old. That is not
6 normal.

7 Kevin also obtained the medical records from the car accident Ryder was in
8 that Paige did not tell him about.⁵ The medical records list Ryder's name as "Ryder
9 Blake Petit" not Ryder Petit-Adrianzen, his full legal name. Paige is fully aware of
10 Ryder's full legal name as she unsuccessfully appealed this Court's decision to
11 hyphenate Ryder's name. Of note in these records is the complete omission of
12 Kevin's name. Under "nearest relative" for Ryder, Paige put "Mark Petit", her father.

13 Kevin also obtained Ryder's medical records from his primary doctor.⁶ Kevin
14 was not consulted with selecting this physician, and as stated, has never been
15 informed of Ryder's appointments until very recently. Ryder's name is correct on
16 these documents, but only after Kevin asked them to change it. Of note on these
17 records, the social history states "lives with mom and her family. Father limited
18
19

⁶ See Ryder's Durango Pediatrics records listed as Exhibit 8.

involvement.” Kevin has had weekly custody of Ryder for years—and filed his divorce and custody case when Ryder was only two months old.

For years, Kevin has expressed concerns over a possible speech issue with Ryder and has asked Paige if they could get him evaluated. Paige has always refused.

Kevin accompanied Paige to Ryder’s doctor appointment on July 25, 2018. From the beginning, Kevin felt the doctor was not taking him seriously, likely based on never having heard of him (and the records saying over and over Dad is minimally involved). Kevin wanted a referral to a family therapist and a speech evaluation. The concern with the family therapist stems from Ryder saying things making it unclear that he understands the dynamics of a split family. This was suggested for Ryder’s benefit.

The doctor stated the speech referral could be done through “child find” but [Dad] wants a private referral because “child find” is only for children that have not yet started kindergarten (Ryder was about to start kindergarten two weeks later). The doctor was negative about the speech referral; therefore, Paige was also.

Then, on September 4th of this year, Kevin emailed Ryder’s teacher to formally request a speech evaluation. This was a formal request as Kevin had mentioned this to the teacher at a meet-and-greet event prior to school starting. Kevin thought this follow-up was just a formality. Instead, Kevin learned that the teacher had connected Paige and a speech therapist the night before at an open house—an

1 open house of which Kevin was never informed. Now, all of a sudden, Paige is
2 acknowledging the issue as legitimate.

3 During the parties' last court proceedings, the court made it clear that third-
4 parties could facilitate exchanges. In fact, Paige herself has regularly used third-
5 parties. Paige asserts in her Opposition that "grandmother" is a problem. But, it is
6 grandmother who almost got run over when she tried to facilitate an exchange on
7 Kevin's behalf.

8 In December 2017, Grandmother attempted to retrieve Ryder from Paige on
9 Kevin's behalf. As she approached Paige's car, which was parked backed in to a
10 parking spot, she saw another person recording. Grandmother took out her phone to
11 begin recording also. Then, Paige drove out of the parking spot, coming straight at
12 Grandmother. Grandmother moved out of the way, with the car narrowly missing
13 her. Grandmother called the police.⁷

14 **C. Paige's Proposed Time Share Change is a Reduction to Kevin's**

15 **Time**

16 Paige asserts that her new proposed timeshare *increases* Kevin's time. This is
17 not true.

20
.. ⁷ See police report filed by Grandmother on December 30, 2017 listed as Exhibit 9.

1 Based on the current order, in 2019, Kevin would have 105 days of visitation
2 with Ryder.⁸

3 Based on Paige's proposal, the *maximum* time Kevin would have with Ryder
4 in 2019 would be 98 days.⁹ And it could be less. Paige's proposal allows each party
5 to notice two weeks of vacation time. If both parties noticed their vacation on the
6 other's custodial time, Kevin would essentially lose the 14 days, leaving him with
7 84 days— 21 days less than he would currently have.

8 Ryder needs less time in Paige's home and more time with Dad.

9 **D. Changed Circumstances**

10 Paige asserts in her Opposition that there is no change of circumstances since
11 the parties' last custodial order. That is not true. The following has occurred since
12 the parties' last custodial order:

- 13 1. Kevin has a new child who is Ryder's little sister of whom
14 Kevin has joint physical custody;
- 15 2. Paige has failed to co-parent with Kevin and ignored his joint
16 legal custody rights;

20 ⁸ See Spreadsheet for 2019 under current custodial schedule listed as Exhibit 10.

⁹ See Spreadsheet for 2019 under Paige's proposal listed as Exhibit 11.

1 3. Ryder has signs of neglect, including five cavities for a four-
2 year-old, and more troubling, contracted scabies; unattended
3 speech issues.

4 4. Paige is cohabitating with a serious drug addict and criminal
5 who has a long and recent history of troubling drug abuse—
6 which Paige is either lying about not knowing about; or,
7 Paige is completely clueless as to whom she is allowing
8 around the parties' son. Either of which is a huge problem.

DOB: 01/12/93

WMA: 5'10", 175, brn/grn

LNA: Transient

On 02/17/13 at approximately 0935 hours,

I responded to the CSET located on NW 3rd for a possible overdose.

Upon arrival, I contacted PRISCO who was sitting in a chair in the CSET office stating that he had taken some Xanax and that he was not feeling good. PRISCO stated that he has a prescription for it, but he took it and he took more than his prescribed dose. PRISCO had requested an ambulance. He was transported by ambulance to Kaweah Delta Medical Center.

At approximately 1120 hours,

That same day, I received a call from Kaweah Delta Medical Center stating that the subject had several pills on his person that he had turned over to Kaweah Delta Medical Center staff. I arrived and found out that they were discharging PRISCO.

I contacted Kaweah Delta Medical Center Pharmacy and showed them one of the pills that PRISCO had on him, which was stamped with 'G 372 2'. It is identified as Alprazolam-2mg. I was also advised that they had not seen this drug in this strength; usually it's in 1mg. It is classified as a Benzodiazepine and they state that it is a Schedule 4 with potential for abuse. I counted approximately 45 pills that had been in his possession that were turned over to me by hospital staff.

I then contacted W/Salvador Prisco, SHAWN PRISCO's father in the Emergency Room waiting room. He stated the following:

W/Salvador Prisco stated he knows that his son has a drug problem and is addicted Xanax in any form. He also stated that his son has recently been displaying symptoms of using Xanax and therefore, was evicted from Salvador Prisco's residence the day before. He stated that he was willing to do whatever he could to get his son help, that his son needs. Prior to responding back to

PRISCO's room, I contacted Ruben Gonzalez, who refused to give me his birthday. Gonzalez is a client out at CSET as well and had been transported to Kaweah Delta Medical Center by ambulance for a Xanax overdose after PRISCO had been transported and prior to my being dispatched to Kaweah Delta Medical Center. The only information I could get out of Gonzalez at the CSET office prior to being transported was that he was given the pills by PRISCO.

I then contacted PRISCO in his room after he'd been discharged by hospital staff. I asked him if he had a minute to talk to me. He stated yes. I then told him that he had numerous Xanax pills on his person and that I'd learned from his father that he does not have a prescription. He nodded yes, that was correct.

Due to the information that I had received, I then handcuffed him and placed him under arrest. I then advised him of his rights per Miranda, which he stated he understood and waived. The following is a synopsis of his statement:

PRISCO stated that he does not have a Xanax prescription; however, he is using Xanax and has been for several years. He had purchased a large amount of pills for approximately \$10; however, he would not state who or where he purchased these pills. He had gone to CSET with these pills and had given a couple to some friends of his, including Gonzalez. He stated that he did not sell them, only that he supplied the pills to them.

I asked PRISCO if he knew that it was illegal to supply pills, especially prescription pills that were not his that he actually bought illegally off the street and he stated yes, he knew that it was illegal.

I then escorted him out to my vehicle, where he was transported to the Tulare County Jail. He was booked on the charge of 11375 H&S, Possession of Schedule 4 Narcotic without a Prescription and distribution.

I request that a copy of this report be forward to the Tulare County District Attorney's office for their review.

End of report.

Consent for Services

As a condition of treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed unless other arrangements are made.

Patients with dental insurance understand that all dental services are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms or assist in making collections from insurance companies and will credit any collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1 1/2% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that any fee estimate for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing if credit is extended. I further agree that the charges for services shall be as billed unless objected to, by me, in writing, within the time payment is due. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me to discuss this statement or my treatment.

☒ I have read the above conditions of treatment and payment and agree to their content.

Financial Policies

Our doctor and staff are pleased to welcome your child as a new patient. To prevent any misunderstandings regarding payment for your child's treatment, carefully review and then sign the following financial policy.

Please be advised signing this form authorizes our office to use your personal, identifiable information such as your name, address, social security number, date of birth, spouse's information, and your child's name and date of birth for (but not limited to) the following purposes: daily sign in sheets, mailed appointment cards, insurance claims or pre-treatment authorizations, referrals, or for legal or collection procedures. (HIPPA)

FOR ALL PATIENTS: For your child's first visit, a \$50.00 payment may be required, in accordance to your insurance carrier's deductible fee. There is a \$50.00 fee for all failed appointments; a 24 hour notice must be given to avoid this fee. After the examination of your child is completed, you will be given a printed summary of the projected treatment with an estimate of the anticipated fees. Please note that this treatment is an estimate only and may change with unforeseen changes in treatment. Changes in treatment plan do not diminish the parent or guardians responsibility with regard to payment. Payment is due at the time of treatment. We accept Master Card, Visa, American Express, Discover, and personal checks with a guarantee card, up to \$500.00. There is a \$50.00 insufficient funds charge on any returned check.

We work with Care Credit for third party financing. The parent or legal guardian of the patient will fill out a loan application. The third party loan does not affect the responsible person's obligations under this agreement. All proceeds will be paid directly to Little Smiles LLC.

MEDICAID PATIENTS: We are a ZERO TOLERANCE OFFICE, if you fail to make your scheduled appointment without a 24 hour notice, we will ask that you seek treatment at a different office.

PATIENTS WITH DENTAL INSURANCE: We will verify your insurance eligibility and coverage information so that claims may be submitted following treatment. Please remember we submit claims as a courtesy to our patients. You, the parent or legal guardian, are ultimately responsible for any balance on the account regardless of insurance involvement. The insurance contract is one between subscriber (parent/guardian) and the insurance company.

Insurance companies have a fee schedule of which they base benefit procedures. Your insurance may use an out-of-network fee schedule if we are not a contract provider. Benefit will be determined only when a claim is processed for payment. Benefits will also be based on your deductible, eligibility requirements at the time of treatment and any limitations, restrictions or exclusions specific to your policy. Policy information is available to you through your Human Resource Department at work or directly from your insurance company. It is the subscriber's responsibility to know their benefits, including frequency limits. You will be responsible for any and all payment for services denied by your insurance company for frequency limits regardless of what your explanation of benefits from your insurance company states is your responsibility. Co-payment information is estimated only. For extensive treatment, a pre-treatment estimate may be submitted to your insurance. A pre-treatment estimate is not a guarantee of benefit or payment. Actual benefit is not determined until your insurance receives actual claim for processing.

While we do our best to provide accurate information and to collect the maximum benefit for treatment rendered, there are times when a balance will remain after you have made a personal payment and the insurance has made their payment. The person responsible is liable for any balance remaining on the account, regardless of insurance. There are not contract adjustments or write-offs on any balance after an insurance company has made their payment. It is the subscriber's responsibility to respond to any and all insurance inquiries. Claims may be pended if additional information is needed regarding secondary insurance coverage, student status or parental liability as a result of divorce.

TO ALL RESPONSIBLE PARTIES: Regardless of insurance, any account over 45 days old will be due and payable. Any balance over 60 days will be turned over to our collection agency, at that time a collection fee up to 40% will be added to the account. It is understood that Little Smiles LLC will submit delinquent account information to credit bureaus. All accounts sent to collection are subject to collection agency fee and possibly other legal costs in addition to the balance owed.

I HAVE READ AND UNDERSTAND THE CONTENTS OF THIS AGREEMENT AND I AGREE TO COMPLY WITH THE POLICIES. PAYMENT FROM INSURANCE OR THIRD PARTY FINANCING ARE PAYABLE DIRECTLY TO LITTLE SMILES LLC. THE PARENT OR GUARDIAN WHO ACCOMPANIES THE CHILD AND SIGNS THIS AGREEMENT IS RESPONSIBLE FOR PAYMENT.

Information for Management of Behavior and Consent for Treatment

Patient Name: Petit-Adrianzen * Ryder * B Ryder Petit
Last First MI Preferred Name

Our desire is to provide quality treatment in a caring environment for you and your child. We provide the following information in order to familiarize you with our office guiding principles. Please feel free to discuss any questions you may have with one of our team members.

We ask that parents accompany their child back to the exam room for their first visit. A complete diagnosis and any necessary x-rays will be completed. The doctor will discuss your child's diagnosis and recommend a plan of treatment. On subsequent visits, parents may remain in the reception area or accompany your child to the treatment area. We have found that we may be able to establish a better rapport and keep all of our attention focused on the child when the parent is not present and on occasion may ask you to remain in the reception area. One of our dental assistants will remain with your child at all times. When treatment has been completed the dentist or a dental assistant will explain to you what was done, as well as what the next treatment will involve. At any visit if you wish to speak to the dentist about anything, please tell the dental assistant and the doctor will be happy to meet with you.

We utilize a number of behavior management techniques to help children through their treatment. All of the techniques we use are recognized by the American Academy of Pediatric Dentistry as effective and acceptable. Our goal is to provide the treatment in an efficient, safe manner while hopefully instilling a positive dental attitude in the child.

During treatment, nitrous oxide (laughing gas) is frequently used to reduce anxiety. (We call the small rubber mask "Mr. Nose".) Nitrous oxide is very safe, has few side effects with the exception of nausea in a small percentage of children, and has no lingering effects after the visit. For our especially fearful patients, the doctor may suggest that your child be given a mild sedative prior to treatment. The pre-medication is generally liquid Demerol and Atarax given one hour prior to the appointment as a sedative and relaxant. Our goal is not to put your child to sleep, rather, to help relax them and make him/her feel happy and more comfortable with the visit.

In order to provide quality dental work and reduce the risk of injury to a child, it is absolutely necessary that the child remain still during the treatment. Despite our efforts to calm a child with reassurances, showing the instruments and explaining the noises they will hear, at times we encounter difficult management problems. If a child's cooperation is poor it may be necessary to use one or more of the following behavioral techniques to facilitate treatment.

IMMOBILIZATION: So the child does not cause injury to themselves by trying to grab the doctor's hand during treatment, some children may need to have their hands held by an assistant during certain parts of the procedure to help them sit still.

VOICE CONTROL: In order to gain the child's attention, instruction is given in a firm tone of voice.

HOSPITALIZATION: This may be recommended for very young children or those children with significant medical or behavioral problems. This is required for very few children and will be thoroughly discussed with you if other options cannot be used successfully.

Your child's best interests are most important to us. We will seek to conservatively manage the behavior of your child and help him/her to accept dental care in a positive, non-threatening environment. We hope to promote good, long term attitudes towards dentistry, oral health, and self. Thank you for trusting us to treat your child.

* If you have questions about any of this information please speak with one of our team members or doctors.

I hereby authorize and direct Little Smiles Pediatric Dentistry to perform on my child necessary dental treatment as presented in the treatment plan, including the use of necessary or advisable local anesthesia, radiographs (x-rays), diagnostic aids, and/or nitrous oxide.

1. I have read the preceding information regarding behavior management techniques and understand that at times it may be necessary for the dentist to utilize these management therapies. I also understand that if I have any questions about the behavior management techniques, I can discuss them with the dentist prior to treatment.

2. I understand that specific dental/surgical will be explained when I am presented my child's treatment plan. Alternate methods, if any, will also be explained to me, as will the advantages and disadvantages to each. I am advised that though good results are expected, the possibility and nature of complications cannot be accurately anticipated and, therefore, there can be no guarantee, expressed or implied, as to the result of the treatment or as to cure.

3. Although the occurrence is infrequent, there are some inherent risks that accompany dental procedures.

A. Local anesthetic (such as Lidocaine or Novocaine) is used to make teeth numb so that dental treatment will not hurt. When it is used, the child may chew cheek, lip, tongue, while they are numb. Soreness of the lower jaw (Trismus) may also occur following injection.

B. Although not common, excessive bleeding, pain, swelling may occur after the removal of a tooth. Temporary or permanent numbness of the tongue or lip (paresthesia) can also occur.

C. Nitrous oxide (laughing gas) is used to help relax children who are particularly nervous so that the treatment can be done properly. Though infrequent, the child may experience nausea or vomiting with its use.

☒ I hereby state that I have read and understand this content, and that all questions about the procedure(s) have been answered to my satisfaction. I understand that I have the right to be provided with answers to questions that may arise during the course of my child's treatment.
I further understand that this consent will remain in effect until such time that I choose to terminate it.
