Further, Ms. Radosta advised she has filed a discovery motion which contains a lot of information which she believes she is entitled to; although the State does not agree, as well as there are outstanding CPS records which she also believes she entitled to in this case. Mr. Sweetin believes all discovery has been provided; although he will set up a meeting between the detective for both he and defense to review the detective's file to ensure all information has been provided. Colloquy regarding CPS records. Court instructed Mr. Sweetin to submit the CPS records and then he will have parties meet to review the CPS records in order for defense to determine what she believes to be exculpatory and/or relevant and then present those for the Court's ruling. CONFERENCE AT THE BENCH. Court noted the discussion at the bench pertained to the motion to dismiss certain counts which is set to be heard 8/23/2017. Further, Court stated there is a substantial disagreement between the parties in this matter; however, defense is requesting the Court to compel discovery in this matter and it is unclear what discovery has been requested and not provided by the State. Additionally, the Court stated he has informed parties he will not rule on the motion until defense has shown they have requested the items and the State has denied to provide the items. Ms. Radosta advised in some way, shape or form she will submit a request to the State for the items she believes the State should provide. Mr. Sweetin advised for the record he has offered Ms. Radosta to come to his office and meet with the case detective and review the case file as well as inquire of the detective as to any questions regarding the reports in the file. Ms. Radosta advised a meeting was set up; however, due to other work obligations the detective was unable to meet on the scheduled date and as long as she is consulted as to the date and time of the new meeting she is more than willing to meet.

**Motion to Dismiss (8:30 AM) (Judicial Officer: Kephart, William D.)****08/23/2017, 08/30/2017***Defendant's Motion to Dismiss Counts for Violation of Statute of Limitations**Matter Continued;**Motion Denied; Defendant's Motion to Dismiss Counts for Violation of Statute of Limitations**Journal Entry Details:*

Court noted last time parties were present, parties were called to the bench because the Court had some concerns about the State being able to provide information in order to support the counts. The Court has read Deft's motion initially and at the bench, Mr. Sweetin requested an opportunity to respond so the Court would have a better understanding better on why the State believes the statute somewhat tolls. State has filed an opposition and Deft. has filed a reply to that. The whole issue is one, whether or not it would be considered a secret crime and how is does that effect the statute. Ms. Radosta in her Reply has indicated that under the circumstances, the State basically then a secret crime could go indefinitely. The Court further stated he does believe there are circumstances in which a secret crime could go indefinitely.

The reason for the secretiveness of it, is the fear of the victim and if the victim is still under the tutelage or the control of the offender indefinitely, does believe the statute would toll and that is the State's argument. Ms. Radosta's argument is asking the Court not to consider that evidence because counsel is saying it was something not presented in the bindover. One is sufficiency of the evidence for purposes of supporting of the offenses verses counsel's motion to dismiss on legal grounds and factually, the Court can accept any additional information that is provided on the record. Ms. Radosta argued it was not provided in case. Court stated it is evidence that they have, it comes from police report and additional information that they have in their investigation. Ms. Radosta argued she was not allowed to cross-examine on that particular factual part of the case because it was not presented during the Preliminary Hearing. In the State's opposition, cited to the Preliminary Hearing transcript of Debra Sena and cited to facts that were not presented in case. Colloquy. Additional argument by Ms. Radosta. Mr. Sweetin argued there was one portion of the State's Opposition that did reference that particular transcript, all other references to the Preliminary Hearing transcript actually references the Preliminary Hearing transcript in this case. Further, there is no oneness upon the State to actually reference that they got this information out of that transcript and it is merely to relate to the Court, the information in the case that they are aware of. Ms. Radosta argued regarding the part that the State referred to from Debra Sena's Preliminary Hearing transcript about the conversation had at the attorney's office, hence when the discovery of this incident occurred. Further, Ms. Radosta argued when the discovery occurred that is when the statute of limitations starts to run. The State got that from the testimony from Debra Sena which was not presented in this Deft's Preliminary Hearing. Colloquy. Court FINDS evidence is sufficient to overcome any legal requirement that the Court dismiss those counts and ORDERED, motion DENIED. Ms. Radosta stated in her opinion, counsel does not think the record bares out she was under a state of fear. Testimony presented at the Preliminary Hearing was sasyned regarding threats made to her by Deft. She specifically testified that the first threat was after the first incident when she was considerably younger then 24 years old and there was no further testimony about threats made to her or against her by Deft. Further, this particular statute in effect at the time of the alleged crimes specifically provided for the extending of the statute of limitations beyond a normal crime. It took into account these specific crimes and it looked to extend the normal three to four years depending on the crime we are talking about. But at the time of the crime allegedly committed in this case, statute said up to the age of 21 and the case law is very clear. Subsection "a" can only be tolled until her 18th birthday. Colloquy. Additional argument by Ms. Radosta. Mr. Sweetin argued in this particular case, victim AS stated she never told anybody in fear of what the Deft. would do. Further, Mr. Sweetin stated different portions of AS's Preliminary Hearing testimony.

Colloquy. Also, Ms. Radosta stated she just received 400 additional pages of discovery from the detectives file which was received last night. Further, counsel after looking through it, the majority of it, counsel has not seen. There is also a bad acts motion pending that counsel has not filed a response to. Court stated Deft's counsel to file motion to continue an State needs to respond. Ms. Radosta further advised the Court she is scheduled to appear in front of Judge Smith to do motions on a different case that is also scheduled for September 6, 2017.

Ms. Rodasta argued she is currently in the middle of evidentiary hearings now for a trial that is starting on Monday with Judge Smith. Ms. Rodasta further stated she's been working on that other case that was scheduled to go August 28, Judge Smith was not available. Further colloquy regarding scheduling. CONFERENCE AT THE BENCH. Based on the discussion at the bench. MOTION TO CONTINUE TRIAL GRANTED. Regarding the State's Motion in Limine the Court does recognize there is a different set of bad acts over an extended period of time. The concern the Court has is the one involving BS and RS when they were 3 and 5 years old, prejudicial issues. The Court understands the one with BS for purposes of the threats but, not really understanding the one with the 5 year old not clear if there was some threat with that as well. COURT GRANTED, PETROCELLI HEARING. The Court does find that this fits under 48.053 and under the section for other bad acts; believe there is some issue with intent and motive. OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Court read a letter from prospective juror badge #012 regarding scheduling conflicts with the trial. Ms. Radosta stated she was just provided with discovery yesterday and argued the defense discovery motion, that was filed in the Summer of 2017, had been taken off calendar because the defense had not demonstrated the District Attorney (DA) possessed those items. **COURT ADVISED**, nothing had been shown to indicate the DA had failed to produce those items. Further argument by Ms. Radosta that photographs, audio or video recordings were never produced until now. Additionally, Ms. Radosta argued there were allegations that the Deft. was friends with Metro officers, Anita's interview should have been turned over previously, and whether there were additional interviews conducted; further, it was potentially exculpatory and it may affect the direction of her defense. Ms. Holthus stated Mr. Sweetin had previously copied and turned over all the discovery which included the disks; however, the 30 minute disk of Anita's interview, about her family's contact with the police, had not been transcribed. Further, Ms. Holthus argued she believed the defense had previously been provided everything, the defense were aware of the disks and were on notice. Further argument by Ms. Holthus regarding relevance; this was not new information as the victim's had always stated the defense had involvement with Metro, and there was an investigation of one officer done by Metro. Colloquy regarding detective Samples who had conducted the interview of Anita. **COURT ADVISED**, jury selection to be continued and jury to be advised to return tomorrow; matter to be TRAILED to 1:00 PM today, for Detective Samples to appear and testify about this issue, and allow the defense to determine if it needed to proceed in another direction. Ms. Radosta requested the detective bring the investigation with him today. Colloquy regarding whether the detective was in town and the content of the video. Ms. Holthus stated the detective was scheduled to be out of the jurisdiction 9/6/18 - 9/16/18. **COURT ADVISED**, counsel to determine if the detective was still in town. **OFF THE RECORD: COURT ORDERED**, Show Cause Hearings SET on September 26, 2018 at 8:30 AM with respect to the jurors who failed to appear from panel no. 2. **IN THE PRESENCE OF THE PROSPECTIVE JURORS:** **COURT admonished the Jury and instructed them TO RETURN tomorrow at the given time. Court's Exhibit ADMITTED (see worksheet).** **COURT ORDERED**, Jury Trial CONTINUED. Colloquy regarding prospective juror's conflicts with the upcoming trial schedule. *OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS:* **CONFERENCE AT THE BENCH.** Tia Everett, Court Clerk, present at 10:30 Am. **MATTER TRAILED to 1:00 PM** for hearing outside the presence. **MATTER RECALLED.** Mr. Sweetin advised defense is inquiring whether there was additional investigation related to Metro officers being at Defendant's residence over the period of time frame that the alleged offenses are alleged to have occurred. Further, Mr. Sweetin advised as he understands it, there was initial information that the police got that there were officers that did go to the residence from time to time; based on that information Detective Samples had an interview with one of the victims Anita Sena and during that interview Detective Samples obtained the specific name of an officer who went to that residence and based on that name the assigned detective went and conducted an interview with that officer which has been provided to defense. Additionally, the Detective Samples conducted that interview and is unavailable; however, his Lieutenant Eric Roberson, was aware of the circumstances surrounding that interview and although he is retired he is willing to testify via phone as he is leaving for Hawaii today. Colloquy regarding scheduling. **MATTER TRAILED to set up video conference. RECALLED.** Court noted all parties present. Eric Roberson sworn and testified. Arguments by counsel regarding respective positions as to trial continuance and/or dismissal. **MATTER TRAILED for parties to review the statement by Anita Sena as well as the Brinkley interview. RECALLED.** Further arguments by counsel. Court noted his concern with the late production of discovery which he believes defense should have an opportunity to investigate further and Court is inclined to grant a short continuance. Colloquy regarding scheduling. **COURT**

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Court made record as to defense oral motion to strike the entire jury venire and the Court's denial of the oral motion. Mr. Lopez-Negrete furthered his record as to his oral motion to strike the entire jury venire. Court noted there was a discussion whether the Third Amended Information would be read to the jury or if parties would stipulate to waive the reading; however, as an agreement could not be reached between the parties, the Court will have the Court Clerk read the Third Information pursuant to NRS 175.144(1). Ms. Radosta moved to excuse badge numbers 072; 130; 165; 166; 190; 292; 338; 529; 560; and 575 based on answers given in the prospective jurors questionnaires as to question 20 all indicated they could not be fair and impartial and pursuant to the Preciado case these prospective jurors should be excused. Colloquy regarding Ms. Radosta and Court regarding answers in the questionnaires. Court stated at this time he is not denying the motion; although, he intends to continue with voir dire at this time and counsel can raise the challenges at a later time. Mr. Sweetin dispute the representations made by defense counsel as there are a number of individuals who indicated they can be fair and impartial and the Court must make a decision on a totality of the information. Further arguments. Upon Court's inquiry, parties agreed to stipulate to the presence of the jury based on the Marshal's representations of all prospective jurors being present. **PROSPECTIVE JURORS PRESENT:** Voir dire. **OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS:** Court and parties made record as to conference at the bench regarding defense concerns as to prospective badge number 012. **PROSPECTIVE JURORS PRESENT:** Voir dire. **OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS:** Upon Court's inquiry, parties submitted on the previous arguments made regarding Defendant's Oral Motion to Strike State's Expert Witness. Court noted the original notice was filed 12/12/2018 with the amended notice being filed on 1/22/2019 which included the Curriculum Vitae (CV) of the expert. Upon Court's inquiry, Mr. Sweetin advised the amended notice was filed as soon as the CV of the expert was received. Further, Mr. Sweetin advised he has not made the final decision whether the expert will be called as it will depend upon what the defense puts forward. Court stated he will give State through the break to determine if the CV of the expert was on file with the State's office; although the Court noted he is inclined to grant the motion and strike the expert for failure to comply with the statute. Court noted he intends to bring in the prospective jurors previously discussed to bring in outside the presence of the entire panel one at a time. Court noted prospective juror badge number 326 present outside the presence of the entire prospective panel questioned as to answers in the questionnaire. Court noted prospective juror badge number 072 present outside the presence of the entire prospective panel questioned as to answers in the questionnaire. Court noted prospective juror badge number 338 present outside the presence of the entire prospective panel questioned as to answers in the questionnaire. Court noted prospective juror badge number 111 present outside the presence of the entire prospective panel questioned as to answers in the questionnaire. Court noted outside the presence of the entire prospective panel. Ms. Radosta moved to excuse the prospective jurors questioned. Ms. Sudano opposed. Court stated he will grant the request as to badge number 072; however, deny the rest as this time and parties will have an opportunity to further question the prospective jurors. Ms. Sudano moved to badge number 401. Ms. Radosta objected at this time. Court so noted. **PROSPECTIVE JURORS PRESENT:** Voir dire. **OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS:** Mr. Sweetin advised he did some research during the break and there is not a data base maintained by his office that has the CV of this particular expert contained. Further, Mr. Sweetin reviewed NRS 174.234 as well as *Herrera v. State* for the Court and advised the expert will be used to address allegations in defendant's case as to consent of the sexual conduct perpetrated against victims in this case. Additionally, Mr. Sweetin advised there is no prejudice in allowing the witness to testify to those things which defense was given notice and the State's intent would be to only use this witness to rebut the issue of consent. Ms. Radosta argued in opposition stating when the amended notice was filed with the CV on 1/22/2019 the expert was no longer a rebuttal witness as there is no requirement to notice a rebuttal expert and believes the intent would be to call the expert in their case in chief. Further arguments. **COURT ORDERED,** Defendant's Oral Motion to Strike Expert **GRANTED** to the extent the expert cannot be called in the State's case in chief; although, State shall be permitted to call the expert in rebuttal as to the expert's area of expertise and defense may raise the issue again at the time of rebuttal. Court recessed for the evening.;

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS" Ms. Radosta advised there have been ongoing discovery issues in this case, she conducted a file review in December 2018, at which time they reviewed the State's entire file and CPS records were discussed. Further, Ms. Radosta advised the State has noticed over ten (10) CPS workers as witnesses and she inquired of the State if there were potentially CPS records she was not provided; Mr. Sweetin advised there additional records and she received 336 pages of CPS records which has not been previously provided. Additionally, Ms. Radosta advised that in the case notes of Detective Samples, lead detective on this case, references that Ryan Sena was taken to the Child Advocacy Center (CAC) on 12/10/2014 where a 30 minute interview was conducted; thereafter a second interview was scheduled for 12/16/2014. Ms. Radosta advised she inquired of the State if a transcript and/or audio recording of the 12/10/2014 interview was made; however, she has concerns that there could be potential exculpatory evidence in the initial interview and was informed the interview was not conducted by Detective Samples but by a forensic interview Christina Bernat. Upon Court's inquiry, Ms. Radosta advised she has not spoken with Detective Samples and/or forensic interviewer regarding the interview of 12/10/2014; although, she did inquire of the State who indicated that there was no information. Further, Ms. Radosta advised she has reviewed the recent CPS records provided; although she is uncertain of how the records will affect defense depending on how the State intends to use the records. Mr. Sweetin advised to the CPS records, it is the State's understanding that defense had the CPS records as there are multiple defendants in this case in which the CPS records have been used to refresh the recollection of the co-defendants during testimony as well as anything contained with the CPS records is information already contained within the police reports. Further, anything contained in the CPS records regarding counseling of any of the victims would not necessarily be provided to defense. Upon Court's inquiry, Mr. Sweetin advised the CPS records detail contact with the children and concurrent police investigation on going; although there may be custody arrangements of the children after they were removed from the home which is not relevant to the case. Additionally, Mr. Sweetin advised as to Ryan and the interview records, Ms. Radosta questioned Ryan regarding this interview during the Preliminary Hearing and out of abundance of caution he reached out to the CAC to confirm there was no recorded and/or transcribed statement. Court stated he agrees with defense if there was a recording and/or transcript of the interview with Ryan at the CAC and COURT ORDERED, should the recording and/or transcript exist from the 12/10/2014 interview it shall be provided to defense as the information is discoverable. Further discussion regarding the CPS records. Ms. Radosta moved to strike State's grooming expert as State filed an Amended Notice of Expert filed 12/22/2018 in which the Curriculum Vitae (CV) was attached and pursuant to NRS 174.234 expert witness notice with CV attached which must be filed 21 days before trial. Further, Ms. Radosta advised the State indicated previously that this was a rebuttal expert to Dr. Harder who has since been struck from defense witness list. Mr. Sweetin advised the State provided the CV when received, this will be a lengthy trial and there is time to review the CV. Court stated he will take the matter UNDER ADVISEMENT and will issue a decision after reviewing the information further. Mr. Lopez- Negrete moved to strike the entire jury venire based on the lack of hispanic representation of the jury venire. Ms. Sudano opposed and reviewed Nevada Supreme Court cases in support of denying oral motion. Mariah Witt, Jury Commissioner, sworn and testified. Following arguments by counsel, COURT ORDERED, Oral Motion to Strike Jury Venire DENIED. PROSPECTIVE JURORS PRESENT: Voir dire. OUTSIDE THE PRESENCE OF PROSPECTIVE JURORS: Colloquy regarding challenges to prospective jurors. PROSPECTIVE JURORS PRESENT: Voir dire. OUTSIDE THE PRESENCE OF PROSPECTIVE JURORS: Further discussion regarding defense previous motion to strike the entire jury venire. Court recessed for the evening. ;

Journal Entry Details:

Ms. Radosta advised based on her review of the Pre Sentence Investigation Report (PSI) there is a minimum of 29 counts which list the incorrect penalty in the PSI. Further, the penalties listed for counts 2 - 20 at a minimum are incorrect as the date of the crime is prior to the change in law. Mr. Sweetin advised that the correct penalties were provided to P & P and there is no basis to continue the sentencing as the Court has the discretion to impose the sentence within the correct structure. Ms. Radosta advised the PSI is what follows Defendant to prison and needs to be correct before sentencing can go forward. Further discussion regarding the penalties as to crimes and the change in law. COURT ORDERED, matter CONTINUED and REFERRED back to P & P for the PSI to be corrected outlining the correct penalties based on the law. CUSTODY CONTINUED TO: 5/28/2019 8:30 AM;

- CONFERENCE AT THE BENCH. Court noted the discussion at the bench pertained to the motion to dismiss certain counts which is set to be heard 8/23/2017. Further, Court stated there is a substantial disagreement between the parties in this matter; however, defense is requesting the Court to compel discovery in this matter and it is unclear what discovery has been requested and not provided by the State. Additionally, the Court stated he has informed parties he will not rule on the motion until defense has shown they have requested the items and the State has denied to provide the items. Ms. Radosta advised in some way, shape or form she will submit a request to the State for the items she believes the State should provide. Mr. Sweetin advised for the record he has offered Ms. Radosta to come to his office and meet with the case detective and review the case file as well as inquire of the detective as to any questions regarding the reports in the file. Ms. Radosta advised a meeting was set up; however, due to other work obligations the detective was unable to meet on the scheduled date and as long as she is consulted as to the date and time of the new meeting she is more than willing to meet. Court so noted. Additionally, Ms. Radosta advised she is again informing the Court she does not anticipate ready for the current trial setting as she still needs to retain a forensic

expert as to the computer as she believes only received a summary report of the forensic analysis report by the State. Further discussion regarding defense expert needed for the analysis of the computer. COURT ORDERED, matter OFF CALENDAR at this time.

- Court noted last time parties were present, parties were called to the bench because the Court had some concerns about the State being able to provide information in order to support the counts. The Court has read Deft's motion initially and at the bench, Mr. Sweetin requested an opportunity to respond so the Court would have a better understanding better on why the State believes the statute somewhat tolls. State has filed an opposition and Deft. has filed a reply to that. The whole issue is one, whether or not it would be considered a secret crime and how is does that effect the statute. Ms. Radosta in her Reply has indicated that under the circumstances, the State basically then a secret crime could go indefinitely. The Court further stated he does believe there are circumstances in which a secret crime could go indefinitely. The reason for the secretiveness of it, is the fear of the victim and if the victim is still under the tutelage or the control of the offender indefinitely, does believe the statute would toll and that is the State's argument. Ms. Radosta's argument is asking the Court not to consider that evidence because counsel is saying it was something not presented in the

bindover. One is sufficiency of the evidence for purposes of supporting of the offenses verses counsel's motion to dismiss on legal grounds and factually, the Court can accept any additional information that is provided on the record. Ms. Radosta argued it was not provided in case. Court stated it is evidence that they have, it comes from police report and additional information that they have in their investigation. Ms. Radosta argued she was not allowed to cross-examine on that particular factual part of the case because it was not presented during the Preliminary Hearing. In the State's opposition, cited to the Preliminary Hearing transcript of Debra Sena and cited to facts that were not presented in case. Colloquy. Additional argument by Ms. Radosta. Mr. Sweetin argued there was one portion of the State's Opposition that did reference that particular transcript, all other references to the Preliminary Hearing transcript actually references the Preliminary Hearing transcript in this case. Further, there is no oneness upon the State to actually reference that they got this information out of that transcript and it is merely to relate to the Court, the information in the case that they are aware of. Ms. Radosta argued regarding the part that the State referred to from Debra Sena's Preliminary Hearing transcript about the conversation had at the attorney's office, hence when the discovery of this incident occurred. Further, Ms. Radosta argued when the discovery occurred that is when the statute of limitations starts to run. The State got that from the testimony from Debra Sena which was not presented in this Deft's Preliminary Hearing. Colloquy. Court FINDS evidence is sufficient to overcome any legal requirement that the Court dismiss those counts and ORDERED, motion DENIED. Ms. Radosta stated in her opinion, counsel does not think the record bares out she was under a state of fear. Testimony presented at the Preliminary Hearing was sasyncd regarding threats made to her by Deft. She specifically testified that the first threat was after the first incident when she was considerably younger then 24 years old and there was no further testimony about threats made to her or against her by Deft. Further, this particular statute in effect at the time of the alleged crimes specifically provided for the extending of the statute of limitations beyond a normal crime. It took into account these specific crimes and it looked to extend the normal three to four years depending on the crime we are talking about. But at the time of the crime allegedly committed in this case, statute said up to the age of 21 and the case law is very clear. Subsection "a" can only be tolled until her 18th birthday. Colloquy. Additional argument by Ms. Radosta. Mr. Sweetin argued in this particular case, victim AS stated she never told anybody in fear of what the Deft. would do. Further, Mr. Sweetin stated different portions of AS's Preliminary Hearing testimony. Colloquy. Also, Ms. Radosta stated she just received 400 additional pages of discovery from the detectives file which was received last night. Further, counsel after looking through it, the majority of it, counsel has not seen. There is also a bad acts motion pending that counsel has not filed a response to. Court stated Deft's counsel to file motion to continue an State needs to respond. Ms. Radosta further advised the Court she is scheduled to appear in front of Judge Smith to do motions on a different case that is also scheduled for September 6, 2017.

- CALENDAR CALL....DEFT'S MOTION TO CONTINUE TRIAL...STATE'S MOTION IN LIMINE TO PRESENT THE COMPLETE STORY OF THE CRIME AND MOTION TO ADMIT EVIDENCE OF OTHER SEXUAL OFFENSES AND OR EVIDENCE OF OTHER CRIMES, WRONGS OR ACTS

The Court noted based on what has happened with regards to this case it was specifically given a date a year ago to accommodate defense for trial; for that reason MOTION DENIED.

Ms. Rodasta argued she is currently in the middle of evidentiary hearings now for a trial that is staring on Monday with Judge Smith. Ms. Rodasta further stated she's been working on that other case that was scheduled to go August 28, Judge Smith was not available. Further colloquy regarding scheduling.

CONFERENCE AT THE BENCH.

Based on the discussion at the bench. MOTION TO CONTINUE TRIAL GRANTED.

Regarding the State's Motion in Limine the Court does recognize there is a different set of bad acts over an extended period of time. The concern the Court has is the one involving BS and RS when they were 3 and 5 years old, prejudicial issues. The Court understands the one with BS for purposes of the threats but, not really understanding the one with the 5 year old not clear if there was some threat with that as well. COURT GRANTED, PETROCELLI HEARING. The Court does find that this fits under 48.053 and under the section for other bad acts; believe there is some issue with intent and motive.

Court read a letter from prospective juror badge #012 regarding scheduling conflicts with the trial. Ms. Radosta stated she was just provided with discovery yesterday and argued the defense discovery motion, that was filed in the Summer of 2017, had been taken off calendar because the defense had not demonstrated the District Attorney (DA) possessed those items. COURT ADVISED, nothing had been shown to indicate the DA had failed to produce those items. Further argument by Ms. Radosta that photographs, audio or video recordings were never produced until now. Additionally, Ms. Radosta argued there were allegations that the Deft. was friends with Metro officers, Anita's interview should have been turned over previously, and whether there were additional interviews conducted; further, it was potentially exculpatory and it may affect the direction of her defense. Ms. Holthus stated Mr. Sweetin had previously copied and turned over all the discovery which included the disks; however, the 30 minute disk of Anita's interview, about her family's contact with the police, had not been transcribed. Further, Ms. Holthus argued she believed the defense had previously been

provided everything, the defense were aware of the disks and were on notice. Further argument by Ms. Holthus regarding relevance; this was not new information as the victim's had always stated the defense had involvement with Metro, and there was an investigation of one officer done by Metro. Colloquy regarding detective Samples who had conducted the interview of Anita. COURT ADVISED, jury selection to be continued and jury to be advised to return tomorrow; matter to be TRAILED to 1:00 PM today, for Detective Samples to appear and testify about this issue, and allow the defense to determine if it needed to proceed in another direction. Ms. Radosta requested the detective bring the investigation with him today. Colloquy regarding whether the detective was in town and the content of the video. MATTER TRAILED to 1:00 PM for hearing outside the presence. MATTER RECALLED. Mr. Sweetin advised defense is inquiring whether there was additional investigation related to Metro officers being at Defendant's residence over the period of time frame that the alleged offenses are alleged to have occurred. Further, Mr. Sweetin advised as he understands it, there was initial information that the police got that there were officers that did go to the residence from time to time; based on that information Detective Samples had an interview with one of the victims Anita Sena and during that interview Detective Samples obtained the specific name of an officer who went to that residence and based on that name the assigned detective went and conducted an interview with that officer which has been provided to defense. Additionally, the Detective Samples conducted that interview and is unavailable; however, his Lieutenant Eric Roberson, was aware of the circumstances surrounding that interview and although he is retired he is willing to testify via phone as he is leaving for Hawaii today. Colloquy regarding scheduling. MATTER TRAILED to set up video conference. RECALLED. Court noted all parties present. Eric Roberson sworn and testified. Arguments by counsel regarding respective positions as to trial continuance and/or dismissal. MATTER TRAILED for parties to review the statement by Anita Sena as well as the Brinkley interview. RECALLED. Further arguments by counsel. Court noted his concern with the late production of discovery which he believes defense should have an opportunity to investigate further and Court is inclined to grant a short continuance. Colloquy regarding scheduling. COURT ORDERED, matter CONTINUED.

- OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS"

Ms. Radosta advised there have been ongoing discovery issues in this case, she conducted a file review in December 2018, at which time they reviewed the State's entire file and CPS records were discussed. Further, Ms. Radosta advised the State has noticed over ten (10) CPS workers as witnesses and she inquired of the State if there were potentially CPS records she was not provided; Mr. Sweetin advised there additional records and she received 336 pages of CPS records which has not been previously provided. Additionally, Ms. Radosta advised that in the case notes of Detective Samples, lead detective on this case, references that Ryan Sena was taken to the Child Advocacy Center (CAC) on 12/10/2014 where a 30 minute interview was conducted; thereafter a second interview was scheduled for 12/16/2014. Ms. Radosta advised she inquired of the State if a transcript and/or audio recording of the 12/10/2014 interview was made; however, she has concerns that there could be potential exculpatory evidence in the initial interview and was informed the interview was not

conducted by Detective Samples but by a forensic interview Christina Bernat. Upon Court's inquiry, Ms. Radosta advised she has not spoken with Detective Samples and/or forensic interviewer regarding the interview of 12/10/2014; although, she did inquire of the State who indicated that there was no information. Further, Ms. Radosta advised she has reviewed the recent CPS records provided; although she is uncertain of how the records will affect defense depending on how the State intends to use the records.

Mr. Sweetin advised to the CPS records, it is the State's understanding that defense had the CPS records as there are multiple defendants in this case in which the CPS records have been used to refresh the recollection of the co-defendants during testimony as well as anything contained with the CPS records is information already contained within the police reports. Further, anything contained in the CPS records regarding counseling of any of the victims would not necessarily be provided to defense. Upon Court's inquiry, Mr. Sweetin advised the CPS records detail contact with the children and concurrent police investigation on going; although there may be custody arrangements of the children after they were removed from the home which is not relevant to the case. Additionally, Mr. Sweetin advised as to Ryan and the interview records, Ms. Radosta questioned Ryan regarding this interview during the Preliminary Hearing and out of abundance of caution he reached out to the CAC to confirm there was no recorded and/or transcribed statement. Court stated he agrees with defense if there was a recording and/or transcript of the interview with Ryan at the CAC and COURT ORDERED, should the recording and/or transcript exist from the 12/10/2014 interview it shall be provided to defense as the information is discoverable.

Further discussion regarding the CPS records.

Ms. Radosta moved to strike State's grooming expert as State filed an Amended Notice of Expert filed 12/22/2018 in which the Curriculum Vitae (CV) was attached and pursuant to NRS 174.234 expert witness notice with CV attached which must be filed 21 days before trial. Further, Ms. Radosta advised the State indicated previously that this was a rebuttal expert to Dr. Harder who has since been struck from defense witness list.

Mr. Sweetin advised the State provided the CV when received, this will be a lengthy trial and there is time to review the CV. Court stated he will take the matter UNDER ADVISEMENT and will issue a decision after reviewing the information further.

Mr. Lopez- Negrete moved to strike the entire jury venire based on the lack of hispanic representation of the jury venire. Ms. Sudano opposed and reviewed Nevada Supreme Court cases in support of denying oral motion. Mariah Witt, Jury Commissioner, sworn and testified. Following arguments by counsel, COURT ORDERED, Oral Motion to Strike Jury Venire DENIED.

Court made record as to defense oral motion to strike the entire jury venire and the Court's denial of the oral motion. Mr. Lopez-Negrete furthered his record as to his oral motion to strike the entire jury venire. Court noted there was a discussion whether the Third Amended Information would be read to the jury or if parties would stipulate to waive the reading; however, as an agreement could not be reached between the parties, the Court will have the Court Clerk read the Third Information pursuant to NRS 175.144(1).

Ms. Radosta moved to excuse bade numbers 072; 130; 165; 166; 190; 292; 338; 529; 560; and 575 based on answers given in the prospective jurors questionnaires as to question 20 all indicated they could not be fair and impartial and pursuant to the Preciado case these prospective jurors should be excused. Colloquy regarding Ms. Radosta and Court regarding answers in the questionnaires. Court

stated at this time he is not denying the motion; although, he intends to continue with voir dire at this time and counsel can raise the challenges at a later time. Mr. Sweetin dispute the representations made by defense counsel as there are a number of individuals who indicated they can be fair and impartial and the Court must make a decision on a totality of the information. OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS:

Upon Court's inquiry, parties submitted on the previous arguments made regarding Defendant's Oral Motion to Strike State's Expert Witness. Court noted the original notice was filed 12/12/2018 with the amended notice being filed on 1/22/2019 which included the Curriculum Vitae (CV) of the expert. Upon Court's inquiry, Mr. Sweetin advised the amended notice was filed as soon as the CV of the expert was received. Further, Mr. Sweetin advised he has not made the final decision whether the expert will be called as it will depend upon what the defense puts forward. Court stated he will give State through the break to determine if the CV of the expert was on file with the State's office; although the Court noted he is inclined to grant the motion and strike the expert for failure to comply with the statute.

Court noted he intends to bring in the prospective jurors previously discussed to bring in outside the presence of the entire panel one at a time. Court noted prospective juror badge number 326 present outside the presence of the entire prospective panel questioned as to answers in the questionnaire. Court noted prospective juror badge number 072 present outside the presence of the entire

Court noted outside the presence of the entire prospective panel. Ms. Radosta moved to excuse the prospective jurors questioned. Ms. Sudano opposed. Ms. Sudano moved to badge number 401. Ms. Radosta objected at this time. Court so noted.

PROSPECTIVE JURORS PRESENT:

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS:

Mr. Sweetin advised he did some research during the break and there is not a data base maintained by his office that has the CV of this particular expert contained. Further, Mr. Sweetin reviewed NRS 174.234 as well as Herrera v. State for the Court and advised the expert will be used to address allegations in defendant's case as to consent of the sexual conduct perpetrated against victims in this case. Additionally, Mr. Sweetin advised there is no prejudice in allowing the witness to testify to those things which defense was given notice and the State's intent would be to only use this witness to rebut the issue of consent. Ms. Radosta argued in opposition stating when the amended notice was filed with the CV on 1/22/2019 the expert was no longer a rebuttal witness as there is no requirement to notice a rebuttal expert and believes the intent would be to call the expert in their case in chief. Further arguments. COURT ORDERED, Defendant's Oral Motion to Strike Expert GRANTED to the extent the expert cannot be called in the State's in case in chief; although, State shall be permitted to call the expert in rebuttal as to the expert's area of expertise and defense may raise the issue again at the time of rebuttal.

- Ms. Radosta advised based on her review of the Pre Sentence Investigation Report (PSI) there is a minimum of 29 counts which list the incorrect penalty in the PSI. Further, the penalties listed for counts 2 - 20 at a minimum are incorrect as the date of the crime is prior to the change in law. Mr. Sweetin advised that the correct penalties were provided to P & P and there is no basis to continue the sentencing as the Court has the discretion to impose the sentence within the correct structure. Ms. Radosta advised the PSI is what follows Defendant to prison and needs to be correct before sentencing can go forward. Further discussion regarding the penalties as to crimes and the change in law. COURT ORDERED, matter CONTINUED and REFERRED back to P & P for the PSI to be corrected outlining the correct penalties based on the law.
