ORDER DENYING MOTION

Respondents have filed a motion for leave to file a portion of the appendix containing bank statements under seal. Respondents have not provided this court with copies of the pages they seek to file under seal. Moreover, respondents identify the pages they wish to seal as 684-90, 763-837, and 1177-83. However, the appendix on file in this court indicates that these pages contain affidavits and a declaration. Under these circumstances, the motion is denied without prejudice. Respondents may renew the motion if they provide this court with copies of the documents they seek to file under seal. Respondents should provide such documents to this court via mail rather than e-filing. The documents will be kept confidential by this court pending ruling on the motion. See SRCR 3(2).

It is so ORDERED.
