This original petition for a writ of mandamus challenges a district court order denying a motion to vacate a stay of proceedings. Having reviewed the petition, it appears that an answer may assist this court in resolving this matter. Therefore, real parties in interest, on behalf of respondents, shall have 28 days from the date of this order to file and serve answers, including authorities, against issuance of the requested writ. If, however, any of the named real parties in interest do not believe they are interested parties in this writ proceeding, they shall so notify this court within that same time frame that they do not intend to file an answer for
