MOTION FOR EXTENSION TO FILE REPLY BRIEF

Appellant requests a 60-day extension through, October 26, 2020, to file his reply brief. NRAP 31(b)(3). This is the first such request. The brief would otherwise be due August 26, 2020.

Extraordinary circumstances necessitate this extension. Lead appellate counsel is ill and has had to assign other attorneys to perform work that would ordinarily be covered. Additionally, difficulties from the COVID-19 outbreak still persist. The associates and paralegal working on the brief have all been impacted by child care issues and having children at home while trying to work. Communication with other team members and the client sometimes requires additional time

because of irregular schedules and team members working primarily from home.

Moreover, this is not an ordinary appeal. Appellant must respond to Estate's brief, which is over 140 pages and includes a response to Appellant's opening brief, the Estate's cross-appeal, and the Estate's independent appeal that has been consolidated into this action. Additional time is needed to respond to each issue.

Counsel appreciates the nature of this 60-day request. Counsel will work diligently to streamline the issues and arguments for this Court. The Court's understanding in light of these unanticipated circumstances is appreciated.
