Following arguments by counsel, Court FINDS license which was applied for in and of itself is not a property right that confers jurisdiction upon this Court to the extent that the claim is for a loss of a property right and for that reason, ORDERS, motion GRANTED IN PART as to those portions of the first cause of action in the Serenity claim and the second cause of action in the ETW claim that are based on the loss of a property right as opposed to the alternative issues plead in that claim. With respect to the remaining arguments, COURT ORDERED, motion DENIED. Department of Taxation had discretion to implement certain regulations related to ballot Question #2 others were mandatory for which no discretion existed on behalf of the department. The Court is in the process of hearing evidence and closing arguments related to those issues and genuine issues of material fact exist related to violations of the department.

CLEAR RIVER, LLC'S MOTION FOR SUMMARY JUDGMENT...JOINDER TO CLEAR RIVER, LLC'S MOTION FOR SUMMARY JUDGMENT...DEFT/INTERVENOR GREENMART OF NEVADA NLV, LLC'S JOINDER TO DEFT/INTERVENOR CLEAR RIVER, LLC'S MOTION FOR SUMMARY JUDGMENT:

Arguments by counsel. COURT ORDERED, motion DENIED. At the time of the filing of the two complaints that are assigned to Business Court on January 4, 2019, the process was confidential and it was difficult if not impossible for the Pltfs' in those matters to know who the other applicants were. FURTHER ORDERED, petition for judicial review DENIED.

Court stated once communication is received as to scheduling, the Court will set for argument.

Dept of Taxation (Department XI case);

Attorney Theodore Parker and Attorney Mahogany Turfley for the Plaintiff in A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case).

Ms. Higgins, Mr. Parker, and Mr. Kahn appeared by telephone.

STATUS CHECK: SCHEDULING RESUMPTION OF PRELIMINARY INJUNCTION HEARING: Court noted the Law Clerk sent out an email asking about the parties' availability. Court asked if the parties will negotiate amongst themselves or allow the Court to unilaterally set a date. Mr. Koch advised he has trial beginning next Tuesday, August 13. Court further noted it will finish the hearing before the end of the stack. Mr. Gentile inquired whether the State and Intervenor Defendants have rested. Court asked if it can hear closing arguments tomorrow. Mr. Gutierrez advised he has 3 witnesses left. Mr. Graf advised he set a while back 3 depositions for tomorrow. Mr. Parker advised he has calendar call in Reno tomorrow at 1:30. Ms. Higgins advised she is out of town until tomorrow evening. Mr. Gutierrez advised they are not available this week, but next week and the week after his side is. Mr. Shevorski stated he had no more witnesses. Mr. Gentile confirmed his witness is a person who is more on a bond issue which can be done after the hearing. Mr. Prince advised he has trial on September 9 but is available the 3rd and 4th. Mr. Graf stated he cannot let someone else do his depositions, as that would still be Ms. Higgins. Mr. Prince noted they have witness availability problems. Colloquy between Court and counsel. COURT ORDERED, matter TRAILED for parties to confer.

Matter RECALLED. Mr. Prince advised they would like a complete evidentiary record and that they will be filing additional motions before the end of the hearing. Court noted counsel may do so. Following further discussion on the Court and parties' availability, COURT ORDERED, hearing to RESUME on Tuesday, August 13 at 9:30 am, August 14 at 9 am, August 15 at 9:15 am, and August 16 at 9 am, and finish by August 16. If Mr. Parker's trial goes forward in federal court, the Court will determine with counsel where to put his closing argument.

APPLICATION FOR TEMPORARY RESTRAINING ORDER ON AN ORDER SHORTENING TIME: Following arguments by Mr. Gentile and Mr. Koch, COURT ORDERED, on the same basis that the Court previously ruled on Thrive, the request is GRANTED to prevent opening but not pre-opening work.

Court, noting information in the spreadsheet, inquired as to what an Xtreme Cube is. Mr. Koch stated it is a modular building and half has been paid.

With regards to a bond, Mr. Gentile stated he does not think there should be any additional bond. COURT ORDERED, BOND SET at \$25,000 each for a TOTAL of \$50,000 which is taking into account utilities, rent, and salaried employees only. The Temporary Restraining Order will REMAIN in place pending the outcome of the preliminary injunction hearing.

~

Mr. Parker added that his trial next week starts on Monday and the judge said it is for 7 to 10 days; calendar call is tomorrow at 1:30. COURT DIRECTED Mr. Parker to inform the federal judge after calendar call tomorrow that this Court set a hearing with 30 other lawyers and if they need to speak they can. Mr. Parker further advised it is Federal Court Judge Hicks.

Mr. Kemp advised they have also convinced Judge Togliatti to conduct their mediation this Saturday; they have asked commitments from principals of each company to attend; it would be his request that the Court order or strongly encourage the principals' participation. Court stated it will STRONGLY ENCOURAGE that as it is always better to have the decision-makers attend.

Mr. Parker advised his federal court case settled yesterday at 7 pm. Court stated it has confirmed with federal court Judge Hicks that even though he would have been unwilling to move the trial, the case has settled. The preliminary injunction hearing in the instant case will RESUME as scheduled on Tuesday (August 13, 2019) at 9:30 am despite any rumors to the contrary.

Mr. Gentile inquired as to what time their new request for a TRO will be heard. Court advised it signed the order shortening time earlier, setting the application for Monday (August 12, 2019) at 9 am. Mr. Gutierrez requested that the application be moved to Tuesday as he has another hearing in another department. Mr. Koch noted his trial starts on Tuesday at 9 am. COURT ORDERED, the application will REMAIN on Monday, August 12, 2019 unless the parties reach an agreement.

Mr. Gentile further advised there are critical motions on a homicide case before Judge Adair on Thursday (August 15, 2019) at 9:30 am; he will call the State to see if the motions can be moved to the following week; they will probably take one hour to argue. Court stated that if those motions cannot be moved, the hearing in the instant case will start later that day. Mr. Parker added that August 15 is also the third Thursday of the month, so he will have board meetings. Court so noted.

Counsel for the State of Nevada Department of Taxation, Defendant, not present.

Call attempted to the contact number for Attorney Jared Kahn, counsel for Helping Hands Wellness Center; call went to voicemail. COURT stated it will ALLOW Mr. Gentile to proceed.

Mr. Gentile advised he has nothing to add. Mr. Koch argued they have continued to incur rent and payroll and the bond should be set at \$1 million. COURT ORDERED, Temporary Restraining Order GRANTED and BOND SET at \$15,000 because there appears to be irreparable harm given the limited licenses. The store is PRECLUDED from opening but not from seeking final approval from government agencies. Court NOTED it did not include payroll in the \$15,000 but added rent and securities.

Mr. Koch advised that as far as the preliminary injunction hearing their I.T. techs here are also the techs in his trial before Judge Denton, and detailed his trial schedule; on Thursday and Friday he has half days. Court so noted, and directed anyone to inform Mr. Kahn and the attorneys for the State.

Attorney Adam Bult and Attorney Maximilien Fetaz for the Plaintiffs in A-19-787004-B - ETW Management Group LLC vs. Nevada Dept of Taxation (Department XI case);

Attorney Theodore Parker for the Plaintiff in A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case).

Mr. Gutierrez advised he has 3 witnesses today. All other parties advised they had no other witnesses. Mr. Gentile noted that as of right now, the Plaintiffs do not have a rebuttal case.

Mr. Cristalli advised that with regards to Shane Terry, one of Mr. Gutierrez's witnesses, they do not have his application, not even in redacted form; if Mr. Terry is going to testify they would like the chance to review it. Mr. Rulis advised the company is no longer called Nuveda but TRNVP098 LLC. COURT ORDERED the application be made available before they go forward. Mr. Gutierrez stated that while that is being done, they can start with another witness.

Testimony and exhibits presented. (See worksheet.) RECESS.

Testimony and exhibits continued. (See worksheet.)

COURT DIRECTED the parties to check if there are any exhibits that have not been admitted that they want admitted and meet with the Clerk. LUNCH RECESS.

Proceeding resumed. COURT NOTED that in comparing Exhibits 5 and 5A, they both have the same version number, from the Department, of 5.4, and DIRECTED Mr. Shevorski to give the Court an explanation as to the change, because the change was testified to and without any indication on the forms the Court is trying to determine whether it has the correct versions of 5 and 5A.

Mr. Parker marked and offered Exhibits 308 through 311. (See worksheet.) All parties reviewed the exhibits and stated they had no objections, with the exception of Mr. Prince who objected to their admission based on relevance, foundation, and hearsay. COURT ORDERED, Mr. Parker to call a witness. Mr. Parker stated he will call Mr. Pupo in rebuttal.

COURT NOTED Mr. Bhirud has confirmed 5 and 5A both include the same footer.

Mr. Cristalli advised Serenity would like to admit 11 items, which were mostly produced by the State: Proposed Exhibits 219, 227, 232 through 234, 242 through 244, 247 through 249. Mr. Shevorski advised the State has no objection to their admission. Court noted the Defendants in Intervention would like the opportunity to review them.

With regards to Mr. Shane Terry's application, Mr. Cristalli advised they have not had the time to review the applications.

Testimony and exhibits presented. (See worksheet.) RECESS.

Testimony and exhibits continued. (See worksheet.)

Mr. Wight submitted to the Court two proposed orders, one of them for the operation in Reno. Court signed the orders and returned them to counsel for filing.

Testimony and exhibits presented. (See worksheet.) Court SUSTAINED Mr. Gentile's objection to the admission of proposed exhibits 5065 and 5066 as to the documents themselves but not the testimonial evidence of the witness' personal knowledge. Mr. Kahn requested they submit unredacted versions of 5065 and 5066 and move to seal that portion. COURT stated it CANNOT SEAL the transcript nor these proceedings. Mr. Kahn requested an opportunity to meet with his client. RECESS.

Proceeding resumed. Unredacted copies provided and marked. Court NOTED there is still an objection by Mr. Gentile. Mr. Kahn argued he wished to establish there was a purchaser and his client was not able to act on it. - MOTION TO RELEASE CASH BOND...INTERVENING DEFENDANT'S MOTION TO DISSOLVE TEMPORARY RESTRAINING ORDER, OR, ALTERNATIVELY, INCREASE THE BOND AMOUNT ON ORDER SHORTENING TIME

APPEARANCES CONTINUED: Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs in A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department VIII case);

Attorney Adam Bult for the Plaintiffs in A-19-787004-B - ETW Management Group LLC vs. Nevada Dept of Taxation (Department XI case);

Attorney Theodore Parker for the Plaintiff in A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case).

Counsel for Intervenor Defendants Helping Hands Wellness Center, Inc. and Nevada Organic Remedies LLC, not present.

Following arguments by Mr. Cristalli, Mr. Graf, and Mr. Gutierrez, COURT ORDERED, motion to release cash bond GRANTED. While the Court understands the issues related to "Tertech" (phonetic) this does not mean the bond's obligations are extinguished. The Court DECLINES to dissolve the TRO or increase the bond given the extensive issues the Court has heard related to injunctive relief.

Mr. Shevorski advised he has spoken with Director Young but he has not heard back from her this morning. Court directed counsel to let everyone, including Court, know if the timeframe is too aggressive.

Mr. Parker advised that the question the Court posed to Mr. Shevorski last Friday made him think over the weekend, that if there are intervenors that did not submit a complete application relative to owners, directors, officers, would they have standing to make an argument regarding the bond? Court stated it does not know, but a bond hearing will be set after the Findings of Fact and Conclusions of Law are issued. If the Court grants the injunction it will probably keep the bond in place but will set an evidentiary hearing because Mr. Gentile had a witness to call.

RESPONSE TO COURT'S QUESTION ON NRS 453D.200(6)

APPEARANCES CONTINUED: Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs in A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department VIII case);

Attorney Adam Bult and Attorney Maximilien Fetaz for the Plaintiffs in A-19-787004-B - ETW Management Group LLC vs. Nevada Dept of Taxation (Department XI case);

Attorney Theodore Parker for the Plaintiff in A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case).

Ms. Shell participated by telephone.

Court advised that after it released its Findings of Fact and Conclusions of Law a copy was sent to each of the judges that are not in business court, notifying the judges that this Court has completed the hearing on the preliminary injunction and that they are to handle the remainder of their cases; the Court has not heard from any of them. Court further inquired as to whether there would be any objection to advancing Lone Mountain's Motion to Strike, which was set for August 30th. Mr. Kemp stated they would like to file an Opposition.

Mr. Gentile advised he did not file a written joinder to Mr. Parker's motion that is on today's calendar, so for the record they join.

COURT FURTHER NOTED it will address the BOND issue today.

Following arguments by counsel, COURT ORDERED as follows:

PLAINTIFF NEVADA WELLNESS CENTER'S MOTION REGARDING COMPLIANCE WITH PHYSICAL ADDRESS REQUIREMENTS OF NRS 453D.210(5)(B), NAC 453D265(1)(B), AND NAC 453D.268(2)(E): Everyone who participated in the hearing process recognizes that the process used by the Nevada Department of Taxation was flawed; it was adversely impacted by changing the physical address location midstream in the application distribution process; given the Nevada Supreme Court's Decision in the NuLeaf case, the Court DENIES the motion.

OBJECTIONS TO STATE OF NEVADA DEPARTMENT OF TAXATION'S RESPONSE TO COURT'S QUESTION ON NRS 453D.200(6): The question the Court asked the Department of Taxation at the conclusion of arguments was made based on a suggestion by one of the Defendants in Intervention that a narrower scope for injunctive relief might be appropriate. The question the Court asked was which successful applicants completed the application in compliance with NRS 453D.200(6) at the time the application was filed in September 2018. Because the Court did not have unredacted versions of the applications for all applicants, it was impossible and it remains impossible for the

Court to make a determination, which is why the Court has asked the State to make that determination since that is within their records. The standard on injunctive relief is different from the standard that the parties will face at trial or at summary judgment if this matter should proceed, and based on the limited information that was provided to the parties through disclosures as part of the injunctive relief hearing, there was a hearing based on what the Court would characterize as extremely limited information, the Court is NOT GRANTING any affirmative relief to Clear River as requested, because that was not the purpose of this hearing. The Court previously made the determination that it would exclude applicants who properly completed the applications in accordance with NRS 453D.200(6) at the time the application was filed in September 2018. The applicants who fit into that category based upon the State's email to the Court are those in the first and second tier as identified by the State. While the Court understands the argument of some of the parties that certain other information was available that may not be within the scope of the Court's question, the Court's question was limited for a reason. Those in the third category will be subject to injunctive relief which is described in page 24 of the Findings of Fact and Conclusions of Law; those in the first and second category will be excluded from that relief. Any request for modifications by the State based on the State's review of the applications that were submitted by the applicant during the application period will be submitted by motion by the State, and all of the parties will have opportunities to submit briefs and argument that they think are appropriate. The Court is not precluding the State from making any other determinations in this very flawed process. The State will determine how to handle any corrections to this process. Any issues should be directed to the Department based on information that was in the applications at the time. The Court is not going to do the goose gander analysis urged upon the Court by one of the parties under the Whitehead decision.

BOND: Mr. Kemp advised the Court of the availability of Mr. Gentile's expert. Court noted it has received no briefing on the bond. Arguments by Mr. Kahn, Mr. Koch, Mr. Hone, Mr. Prince, Mr. Gentile, and Mr. Kemp. COURT ORDERED, while it appreciates comments from all counsel related to the amount of the bond, the risks of businesses actually opening prior to trial in this matter as well as the risks of any business that is a start-up or new location make it difficult for the Court to place a value on the income stream of any of those entities, which is what the bond needs to be based on, as losses suffered as a result of injunctive relief. For that reason, the Court SETS a fair BOND of \$5 million TO BE POSTED in ten (10) days. Mr. Koch argued the \$5 million should be posted in each of the cases. COURT ORDERED it is only being posted in the business court cases, collectively. This does not include the amount previously posted.

December final inspection deadline; however, the parties' proposed schedule is through January. Mr. Shevorski advised he lost two of his people; one went to Washington and one got a promotion, so he is literally the only one left; from the State's perspective, he cannot get this done by the deadline. Mr. Bult stated that in terms of the ETW Plaintiffs they would like to get this done but they understand the State's position. Mr. Koch requested that the date not be a hard deadline because of the trial being after that. COURT ORDERED, matter CONTINUED for the State to provide an answer; Department of Taxation to make the determination whether or not there are extenuating circumstances; if there are the Court will be willing to move the date beyond the December deadline, but if not unfortunately the Court will have to make Mr. Shevoski's life difficult.

Mr. Gentile advised they have mediation next Monday (September 16, 2019) at 9 am.

25 Center, LLC's Motion to Amend Findings of Facts and Conclusions of Law Issued on August

27 and adopts the arguments and grounds as stated in the Points and Authorities filed in support  
28 of said Opposition.

In addition to the arguments raised by the Department of Taxation, GreenMart of  
Nevada NLV LLC asserts that amending the Findings and Fact and Conclusions of Law  
("FFCL") at this stage would be improvident given that the FFCL is currently the subject of

multiple appeals. (See **Exhibits A-F**.) Given these multiple pending appeal, granting Nevada Wellness Center LLC summary judgment at this stage would run contrary to Nev. R. Civ. P. 1, which mandates that the Rules of Civil Procedure must “be construed, administered, and employed by the court and the parties to secure the just, speedy, and inexpensive determination of every action and proceeding.” If the Court were to grant Nevada Wellness Center LLC’s motion prior to the resolution of the appeals and amend the FFCL, the parties and the Court would be required to expend time and resources unwinding the effects of any such amendment or alteration. Thus, the Court should deny Nevada Wellness Center LLC’s motion.

22 **MEMORANDUM OF POINTS AND AUTHORITIES**

23 **I.**

24 **INTRODUCTION**

25 Following lengthy hearings, on August 23, 2019, this Court issued Findings of Fact and  
26 Conclusions of Law Granting Preliminary Injunction. (See Findings of Fact and Conclusions of Law  
27 Granting Preliminary Injunction, filed August 23, 2019, a true and correct copy attached hereto as  
28 Exhibit "A".) NWC now moves to amend those findings pursuant to NRCP 52. As shown below,  
the entire selection process was so flawed, and conducted in such degradation of NWC's  
constitutional rights, that the previous results must be discarded and the process redone in order to

1 arrive at impartial and fair results, as contemplated under the applicable laws and regulations.  
2 Specifically, that the State must be enjoined from conducting a final inspection on any of the  
3 conditional licenses issued in or about December of 2018 because the process was so rife with errors,  
4 subject to corruption, including inappropriate sharing of information, lunches, dinners and drinks  
5 between DoT staff and certain privileged applicants, and improper changes to the process which  
6 amounted to DoT's refusal to follow the will of Nevada voters and therefore the entire process must  
7 be deemed invalid.

## 8 II.

### 9 DISCUSSION

#### 10 A. LEGAL AUTHORITIES

##### 11 I. Motions to Amend Findings of Fact and Conclusions of Law

12 NRCP 52 provides in pertinent part:

##### 13 (a) Findings and Conclusions.

14 (1) In General. In an action tried on the facts without a jury or with an  
15 advisory jury, the court must find the facts specially and state its conclusions  
16 of law separately. The findings and conclusions may be stated on the record  
17 after the close of the evidence or may appear in an opinion or a memorandum  
18 of decision filed by the court. Judgment must be entered under Rule 58.

19 (b) Amended or Additional Findings. On a party's motion filed no later than  
20 28 days after service of written notice of entry of judgment, the court may  
21 amend its findings — or make additional findings — and may amend the  
22 judgment accordingly. The time for filing the motion cannot be extended  
23 under Rule 6(b). The motion may accompany a motion for a new trial under  
24 Rule 59.

25 NRCP 65 states in relevant part:

##### 26 (a) Preliminary Injunction.

27 (1) Notice. The court may issue a preliminary injunction only on notice to the adverse  
28 party.

29 (2) Consolidating the Hearing With the Trial on the Merits. Before or after beginning the  
30 hearing on a motion for a preliminary injunction, the court may advance the trial on the  
31 merits and consolidate it with the hearing. Even when consolidation is not ordered, evidence  
32 that is received on the motion and that would be admissible at trial becomes part of the trial  
33 record and need not be repeated at trial. But the court must preserve any party's right to a jury  
34 trial.

##### 35 (b) Temporary Restraining Order.

36 (1) Issuing Without Notice. The court may issue a temporary restraining order without  
37 written or oral notice to the adverse party or its attorney only if:

1 (A) specific facts in an affidavit or a verified complaint clearly show that immediate  
2 and irreparable injury, loss, or damage will result to the movant before the adverse  
3 party can be heard in opposition; and

4 (B) the movant's attorney certifies in writing any efforts made to give notice and the  
5 reasons why it should not be required.

6 (2) Contents; Expiration. Every temporary restraining order issued without notice must  
7 state the date and hour it was issued; describe the injury and state why it is irreparable; state  
8 why the order was issued without notice; and be promptly filed in the clerk's office and  
9 entered in the record. The order expires at the time after entry — not to exceed 14 days —  
10 that the court sets, unless before that time the court, for good cause, extends it for a like  
11 period or the adverse party consents to a longer extension. The reasons for an extension must  
12 be entered in the record.

## 13 2. Violations of the Public Trust Warrant Voiding Results from a Flawed 14 Process

15 Invitations to bid are akin to requests for applications for licenses. As the Nevada Supreme  
16 Court has stated, “[a]n awarding board has a duty to reject any bid materially varying from bid  
17 specifications.” Faust v. Donrey Media Grp., 95 Nev. 235, 237 (1979). This is done to “preserve the  
18 competitive nature of bidding by preventing unfair advantage to any bidder, or other conditions  
19 undermining the necessary common standard of competition” and to “save public funds and guard  
20 against favoritism, improvidence and corruption. Id. at 238, fn 1 and Richardson Constr. V. Clark  
21 Cty. Scho. Dist., 123 Nev. 61, 66 (2007). It was with these principles in mind, that the Nevada  
22 Supreme Court declared that a “contract is void if it materially differs from the contents of the  
23 invitation to bid.” Orion Portfolio Servs. 2, LLC v. County of Clark ex rel. Univ. Med. Ctr., 126  
24 Nev. 397 (2010). Likewise, applications for licenses that fail to conform to the standards and  
25 requirements issued by DoT in DoT’s request for applications, should be deemed void on their face.

26 Ms. Contine provided sworn testimony that the physical locations were required under the  
27 regulations she created and should have been a part of the application.

28 Further, when insider information is provided to some, but not all applicants, it precludes all  
applicants from competing on equal terms. Spiniello Constr. Co. V. Manchester, 189 Conn 539, 544  
(Conn. 1983). In Spiniello, while the Court recognized the City’s actions were done in good faith  
to obtain the best result for residents, the Court still found that “judicial relief is warranted where the  
municipal action amounts to an erosion on the integrity of the bidding statute.” Id. at 545. “One of

1 the essentials to competitive bidding is that bidders **shall have the opportunity to bid on the same**  
2 **thing.** Gamewell Co. V. Phoenix, 216 F.2d 928, 934 (9<sup>th</sup> Cir. 1954) (emphasis added). "The  
3 requirement is that specifications be such that **all parties can familiarize themselves with the**  
4 **details.** Id. (emphasis added). Not only did the DoT give certain information to a privileged few  
5 applicants but additionally made two different applications available during the application process.

6 It is appropriate for a Court to intervene when the process established by a governmental  
7 agency "destroys the very principles of public policy that form the underlying basis of competitive  
8 bidding." Weinder v. City of Reno, 88 Nev. 127, 494 P.2d 277, 281 (1972). "[C]ourts should  
9 scrutinize the conduct of the bidding process by any governmental agency when it appears that a  
10 violation of the public trust may be involved." Id. "Public confidence should be maintained at all  
11 costs, even at the expense of those who errors are inadvertent." Comm'n on Ethics v. JMA/Lucchesi,  
12 110 Nev. 1, 10 (1994). "Innocence cannot deflect the appearance of impropriety." Id. (reversing the  
13 district court and reinstating the opinion of the Nevada Commission on Ethics because architects  
14 obtained an unfair advantage over competitors by virtue of insider information).

15 Here, all applicants were not given equal access to information, or even access to the same  
16 application, as evidenced by multiple communications between DoT and certain applicants over  
17 others. The failure of DoT to follow the voters' mandate, and failure to consistently provide  
18 information to all applicants, undeniably amounts to an erosion of the integrity of the process.  
19 Favoritism and bias governed this process, and grading of the applications was partial to those the  
20 DoT staff favored. Notwithstanding, government has a strong desire to prevent opportunities for –  
21 and suspicion of -- fraud or favoritism; "neither favoritism nor fraud is necessary to invalidate non-  
22 compliance with a request for bidding...". Gamewell, 216 F.2d at 937; Haman v. Board of  
23 Education, 107 P. 646 (OK 1909). Here, the failure to provide all information to all applicants,  
24 failing to abide by the terms of the bid (by changing the physical location requirement), and the  
25 insider communications that were ongoing and abundant) warrant preventing the issuance of any  
26 permanent licenses as the competitive process, by virtue of DoT's improper actions, was unsound,  
27 flawed, biased and favored the connected few.

28

1           **B.       FINDINGS OF FACT**

2                   **1.       Removal of Physical Location**

3           It is an indisputable the DoT failed to comply with the physical location requirement. The  
4 DoT's arbitrary and improper elimination of the physical address requirement, as required by  
5 NRS453D.210(5)(b), NAC 453D.265(1)(b), and NAC 453D.268(2)(e), made the grading process  
6 unfair. Because winning applicants should not have received a license but for their manipulation of  
7 the DoT's unfair process, the Court's preliminary injunction should also apply to those winning  
8 applicants that did not provide actual physical addresses for the proposed marijuana establishments  
9 (e.g., those that listed UPS stores or P.O. boxes). Former DoT Director Deonne Contine explicitly  
10 testified that applications without a real physical address should have been summarily rejected.

11           The Court's related findings:

12           The Task Force's findings, issued on May 30, 2017, referenced the 2014 licensing process  
13 for issuing Medical Marijuana Establishment Registration Certificates under NRS 453A. The  
14 Task Force recommended that "the qualifications for licensure of a marijuana establishment  
15 and the impartial numerically scored bidding process for retail marijuana stores be  
maintained as in the medical marijuana program except for a change in how local  
jurisdictions participate in selection of locations. (See Exhibit "A" at p. 10.)

16           The DoT made a change to the application after circulating the first version of the application  
17 to delete the requirement of a physical location. The modification resulted in a different  
18 version of the application bearing the same "footer" with the original version remaining  
19 available on the DoT's website. The DoT's late decision to delete the physical address  
20 requirement on some application forms while not modifying those portions of the  
application that were dependent on a physical location (i.e. floor plan, community impact,  
security plan, and the sink locations) after the repeated communications by an applicant's  
agent; not effectively communicating the revision; and, leaving the original version of the  
application on the website, is evidence of conduct that is a serious issue. P75

21           By selectively eliminating the requirement to disclose an actual physical address for each and  
22 every proposed retail recreational marijuana establishment, the DoT limited the ability of the  
23 Temporary Employees to adequately assess graded criteria such as (i) prohibited proximity  
to schools and certain other public facilities, (ii) impact on the community, (iii) security, (iv)  
building plans, and (v) other material considerations prescribed by the Regulations. P76"

24           NWC provided a physical address for each desired jurisdiction and was graded incorrectly.  
25 The graders seemed to only understand floor plans and deducted points for actual building plans and  
26 inspection of NWC's location which was approved by the DoT on September 18, 2018.  
27  
28

1           **2. This Case is Distinguishable from the Nuleaf Case**

2           This motion to amend is based upon the failure of applicants to provide a physical location  
3 in order for the DoT to even approve an application for a retail marijuana stores. Applications  
4 submitted without a physical address were incomplete and should have been rejected. The Nuleaf  
5 case is easily distinguishable from this case.

6           In Nuleaf, an injunction was sought due to applicants failure to comply with applicable local  
7 and governmental zoning requirements before the applicant received a registration certificate for  
8 a medical marijuana establishment. Nuleaf CLV Dispensary, LLC v. State Dep't of Health & Human  
9 Servs., 414 P.3d 305, 306, (2018). The Court in Nuleaf was tasked with determining whether NRS  
10 453A.322(3)(a)(5) required applicants compliance with applicable local and governmental zoning  
11 requirements before a applicant can receive a registration certificate. Specifically NRS  
12 453A.322(3)(a)(5) states:

13           “ (5) If the city, town or county in which the proposed medical marijuana establishment will  
14 be located has enacted zoning restrictions, proof of licensure with the applicable local  
15 governmental authority or a letter from the applicable local governmental authority certifying  
that the proposed medical marijuana establishment is in compliance with those restrictions  
and satisfies all applicable building requirements; and”

16           NRS 453A.322(3)(a)(5) requires proof of licensure with the applicable local governmental  
17 authority or a letter from the applicable local governmental authority certifying that the proposed  
18 medical marijuana establishment is in compliance with zoning restrictions and satisfies all applicable  
19 building requirements.

20           Nuleaf **did not** address NRS 453A.322 requirement that a physical location be provided in  
21 the application. Rather, the issue was an applicants failure to obtain licensure from applicable local  
22 governmental authority certifying that the proposed medical marijuana establishment is in  
23 compliance with zoning restrictions and satisfied all applicable building requirements.

24           In the case at bar, NWC is seeking injunctive relief because other applicants failed to comply  
25 with the requirement to list a physical address on the initial application as required by NRS  
26 453D.210(5)(b).

1 Specifically NRS 453D.210(5)(b) provides:

2 "5. The Department shall approve a license application if:

3 (b) The physical address where the proposed marijuana establishment will operate is owned by the applicant or the applicant has the written permission of the property owner to operate the proposed marijuana establishment on that property. . . ."

4 According to plain unambiguous language of NRS 453D.210(5)(b) the DoT shall only  
5 approve a completed license application that includes a physical address. Consequently, all  
6 applications without physical locations should have been deemed incomplete and rejected, not  
7 approved or scored by the DoT. Unlike the Nuleaf case, here the court is asked to determine  
8 whether the clear language of 453D.210(5)(b) applications to include a physical address where the  
9 proposed marijuana establishment will operate in order for the DoT to approve a completed license  
10 application. Stated a different way, pursuant to NRS 453D.210(5)(b) applications without physical  
11 addresses were incomplete and should have been rejected.

12 Unlike this case, the issue in Nuleaf was applicants obtaining approval or proof of licensure  
13 with the applicable local governmental authority. Furthermore, the Court in Nuleaf found the statute  
14 at issue ambiguous. Here, the plain language of NRS 453D.210 clearly specifies **conditions for**  
15 **approval of application** and clearly states the DoT is only to consider **completed applications**.  
16 There is no similar language in NRS 453A.322(3)(a)(5), and thus the Nuleaf Court found NRS  
17 453A.322(3)(a)(5) was open to interpretation. Here, NRS 453D.210 has additional language making  
18 the plain language of the statute clear and unambiguous. When the language of a statute is plain and  
19 unambiguous, a court should give that language its ordinary meaning and not go beyond it." City  
20 Council of Reno v. Reno Newspapers, 105 Nev. 886, 891, 784 P.2d 974, 977 (1989).

21 NRS 453D.210(4) provides:

22 "Acceptance of applications for licensing; priority in licensing; **conditions for approval of**  
23 **application**; limitations on issuance of licenses to retail marijuana stores; competing  
24 applications. [This section was proposed by an initiative petition and approved by the voters  
25 at the 2016 General Election and therefore is not subject to legislative amendment or repeal  
26 until after November 22, 2019.]

27 4. **Upon receipt of a complete** marijuana establishment license application. . . . (a) Issue  
28 the appropriate license if the license application is approved...." (*Emphasis added*)

29 The court should give that language of NRS 453D.210 its ordinary meaning and not go  
30 beyond it. Id. The plain language of NRS 453D.210 requires conditions for approval of all  
31 applications. The plain language requires all applicants to provide a **complete** application which

1 requires a **physical location** for approval of the application. Former DoT Executive Deonne Contine  
2 confirmed the DoT required a real physical location be provided on all applications. In fact, she  
3 stated that "applications that did not have a real physical address should not have even been  
4 considered."<sup>1</sup> In addition, DoT Deputy Executive Jorge Pupo testified that the DoT expected a  
5 physical location to be included on all applications. He confirmed that applications without a  
6 physical location are incomplete.<sup>2</sup> Thus according to the plain and unambiguous language of NRS  
7 453D.210(4) and 453D.210(5)(b), as affirmed by DoT Executive and DoT Deputy Executive, all  
8 applications without a physical location are incomplete and should have been rejected, not approved  
9 and/or scored by the DoT. Accordingly the preliminary injunction should apply to all applications  
10 that failed to provide a real physical location.

## 11 **2. Violation of Nevada Open Meeting Laws/Communication Methods**

12 The Nevada Open Meeting Law (OML) was enacted in 1960 to ensure that the actions and  
13 deliberations of public bodies be conducted openly. The OML is set forth in chapter 241 of the  
14 Nevada Revised Statutes (NRS). The DoT is a public body subject to NRS Chapter 241.

15 NRS 241.020 provides:

16 \* Meetings to be open and public; limitations on closure of meetings; notice of meetings;  
copy of materials; exceptions.

17 "1. Except as otherwise provided by specific statute, all meetings of public bodies must be  
open and public, and all persons must be permitted to attend any meeting of these public  
18 bodies. A meeting that is closed pursuant to a specific statute may only be closed to the  
extent specified in the statute allowing the meeting to be closed. All other portions of the  
meeting must be open and public, and the public body must comply with all other provisions  
19 of this chapter to the extent not specifically precluded by the specific statute. Public officers  
and employees responsible for these meetings shall make reasonable efforts to assist and  
20 accommodate persons with physical disabilities desiring to attend.

21 "2. Except in an emergency, written notice of all meetings must be given at least 3 working  
days before the meeting. . . ."

22 The DoT failed to comply with the open meeting laws with regard to dissemination of  
23 information related to the recreational marijuana licensing application and associated requirements.  
24 The application process for a license to sell recreational marijuana, unlike the application process  
25 for a license to sell medical marijuana, did not contain any information on how or where to submit

1 questions regarding the application.<sup>3</sup> Steve Gilbert testified that he did not know why this was the  
2 case. (Id.) Mr. Gilbert further confirmed that while there was an email address to send questions to,  
3 the questions and responses were not provided to all applicants.<sup>4</sup> Compounding this with the fact  
4 that the scoring criteria was deliberately kept secret from applicants, DoT's conduct raises red flags.<sup>5</sup>  
5 The DoT permitted applicants and their representatives to personally contact the DoT staff about  
6 the application process.

7 Unfortunately, DoT went a step further than merely carelessly failing to share all pertinent  
8 information with all applicants; Mr. Pupo actively discussed the regulations with some applicants'  
9 counsel on his personal cell phone. Mr. Pupo was aware before the applications were released that  
10 there was confusion regarding some of the criteria.<sup>6</sup> Yet, Mr. Pupo took "no corrective action" to  
11 clarify the rule for the rest of the industry. (Id.) Mr. Pupo was offered a job by the same applicants  
12 he spoke with on his personal cell phone and dined.<sup>7</sup> In Mr. Pupo's own words "everyone had the  
13 same opportunity to request clarification..."<sup>8</sup>)

14 Mr. Pupo's purported belief – that all applicants had the same opportunity to contact DoT  
15 and obtain the same clarification, – is belied by Mr. Pupo's own testimony. Mr. Pupo admits to  
16 speaking with the owners of some of the applicants personally *during the application process*.<sup>9</sup> Mr.  
17 Pupo met these applicants after DoT was charged with implementing the scoring procedure for  
18 recreational marijuana.<sup>10</sup> Mr. Pupo further had multiple dinners and lunches with certain owners.

1 <sup>11</sup> Moreover, DoT itself refused to answer questions for applicants with which they were personally  
2 unfamiliar. <sup>12</sup> Mr. Pupo could not explain why some applicants were simply denied information by  
3 DoT. (*Id.*) However, Mr. Pupo could confirm he did not go out to dinners or lunches, or speak with  
4 NWC or its owners during the application process. <sup>13</sup>

5 As Mr. Pupo was the final decision maker on the scoring criteria – the buck stops here –,<sup>14</sup>  
6 It appears Mr. Pupo manipulated the application process to award licenses to select applicants. This  
7 violated the trust of the voters of Nevada and NRS 241. Pursuant to NRS 241.020 private meetings  
8 by the DoT are prohibited. Since there is no statutory exception specifically providing public bodies  
9 with the privilege to meet in private just because they have their attorneys present, such meetings are  
10 prohibited. *McKay v. Board of County Comm'rs*, 103 Nev. 490, 746 P.2d 124, 1987 Nev. (Nev.  
11 1987).

12 The DoT's arbitrary and improper communication with applicants and their  
13 representatives/attorney violated NRS chapter 241. DoT's actions violated the statute and made the  
14 grading process unfair by allowing some applicants the benefit of inside information when other  
15 applicants were not afforded the same opportunity.

16 The Court's related findings:

17 The DoT utilized a question and answer process through a generic email account at  
18 [marijuana@tax.state.nv.us](mailto:marijuana@tax.state.nv.us) to allow applicants to ask questions and receive answers  
19 directly from the Department, which were not consistent with NRS 453D, and that  
20 information was not further disseminated by the DoT to other applicants.  
21 **See Exhibit A ¶ 20**

22 In addition to the email question and answer process, the DoT permitted applicants and  
23 their representatives to personally contact the DoT staff about the application process.

1 The DoT conducted the following in violation of Nevada OML/NRS chapter 241:

- 2 1. Failed to provide a single point of contact for all applicants;
- 3 2. Allowed applicants to ask questions and receive answers directly from the
- 4 Department, without disseminating the same information to all applicants;
- 5 3. Modified the application without informing all applicants the application was
- 6 modified;
- 7 4. Failed to disseminate the modified application to all applicants;
- 8 5. Removed the requirement of a physical location from the application without
- 9 informing all applicants the physical location requirement was removed;
- 10 6. Removed compliance from the grading process and failed to inform all applicants
- 11 of the removal of compliance; and
- 12 7. DoT Executives held private meetings with applicants/representatives/attorneys.

13 The DoT by its actions precluded all applicants from competing on equal terms. All actions  
14 taken by the DoT following DoT's violation of NRS chapter 241, should be declared void pursuant  
15 NRS 241.037.<sup>15</sup> The DoT's action in issuing marijuana establishment licenses after it violated NRS  
16 Chapter 241 should be voided. Accordingly the preliminary injunction should apply to all marijuana  
17 establishment licenses issued.

### 18 3. DoT Deputy Executive Jorge Pupo Actions

19 Most alarming, are the actions of DoT Deputy Executive Jorge Pupo. Mr. Pupo exhibited  
20 favoritism with certain applicants, made significant changes to the application and scoring process  
21 substantial affecting the outcome thereof, and directed DoT investigators not to consider the sale  
22 of marijuana to minors by a certain applicant thereby impacting the compliance section of  
23 application scoring. Mr. Pupo's actions so infected the integrity of the application and scoring

1 process that it impacted NWC's right to just and fair application scoring process.

2 Specifically, Mr. Pupo explicitly testified that he had lunch, dinner and drinks with certain  
3 applicants and/or their representatives.<sup>16</sup> Karalin Cronkhite DoT Chief Investigator testified that  
4 Mr. Pupo directed her not to include non compliance involving the sale of marijuana to minors by  
5 certain facilities.<sup>17</sup> Mr. Gilbert, testified that Mr. Pupo was responsible for applying the percentage  
6 and break down of points to certain categories.<sup>18</sup> Mr. Gilbert testified that it was Mr. Pupo's decision  
7 not to employ QuantumMark for the 2018 application process.<sup>19</sup> Mr. Pupo confirmed that he decided  
8 to remove the physical location as a scoring item from the application.<sup>20</sup> Mr. Pupo through multiple  
9 actions was able to manipulate the application and scoring process. Consequently, the Court's  
10 preliminary injunction should also apply to the entire process. Accordingly, the Court's Findings of  
11 Fact and Conclusion of Law should be amended and the preliminary injunction should also apply  
12 to the entire process.

#### 13 **4. Former DoT Director Deonne Contine Actions**

14 Former DoT Director Deonne Contine's actions also exhibited favoritism with certain  
15 applicants. Mrs. Contine's actions affected the integrity of the application and scoring process  
16 impacting NWC's right to a just and fair application scoring process.

17 Specifically, Mrs. Contine explicitly testified that she had lunch, dinner and drinks with  
18 certain applicants and/or their representatives, and that certain applicants called her on her cellular  
19 telephone.<sup>21</sup> She also testified that after leaving the DoT she received campaign contributions when

4 Court's preliminary injunction should also apply to the entire process.

5 **C. ARGUMENT**

6 **1. Competitive Bidding Process**

7 The purpose of a competitive application or bidding process "is to secure competition, save  
8 public funds, and to guard against favoritism, improvidence and corruption." *Gulf Oil Corp. v. Clark*  
9 *Cty.*, 94 Nev. 116, 118-19, 575 P.2d 1332, 1333 (1978); see also *City of Boulder City v. Boulder*  
10 *Excavating, Inc.*, 124 Nev. 749, 758, 191 P.3d 1175, 1181 (2008) (same). The statutes and  
11 regulations that govern these competitive processes "are deemed to be for the benefit of the  
12 taxpayers" and "are to be construed for the public good." *Gulf Oil*, 94 Nev. at 118-19.

13 **a. DoT's Violation of Nevada Open Meeting**  
14 **Laws/Communication Methods**

15 By permitting applicants to submit applications with inside information when other  
16 applicants were not afforded the same opportunity, the DoT precluded the other applicants from  
17 competing on equal terms. See *Spiniello Const. Co. v. Town of Manchester*, 189 Conn. 539, 544,  
18 456 A.2d 1199, 1202 (1983). By giving some applicants information that was not available to others,  
19 the DoT defeated the objectivity and integrity of the competitive application process by exhibiting  
20 favoritism. *Spiniello*, 189 Conn. 544-545. In that situation, an injunction was appropriate. *Id.*

21 **b. Violation of Initiative Ballot, NRS 453D.210(4) and (5), and**  
22 **NAC 453D Requirements for Physical Address**

23 Under the marijuana ballot initiative, as codified in NRS 453D.210(4) and (5), the DoT shall,  
24 within 90 days of receipt of applications, approve a license application if the prospective marijuana  
25 establishment has submitted an application in compliance with regulations adopted by the  
26 Department' and: (b) The physical address where the proposed marijuana establishment will operate  
27 is owned by the applicant or the applicant has the written permission of the property owner to operate

28 <sup>22</sup> See Exhibit B, Trial Transcript Excerpts from July 12, 2019, P:101:L4-P:102:L8.

1 the proposed marijuana establishment on that property; NRS 453D.210(5)(b). As the statute requires  
2 the DoT to determine whether an application was submitted "in compliance with the regulations,"  
3 the regulations likewise require that any application submitted must have the physical address in it:

- 4 1. On or before November 15, 2018, a person who holds a medical marijuana  
5 establishment registration certificate may apply for not more than one  
6 license for a marijuana establishment of the same type by submitting:  
7 (b) An application on a form prescribed by the Department which includes, without  
8 limitation:  
9 (3) The physical address where the proposed marijuana establishment will be  
10 located and the physical address of any co-owned or otherwise affiliated marijuana.

11 The application submission period began on September 7, 2018 and closed on September  
12 20, 2018. The DoT, pursuant to statute, had until December 5, 2018 to complete its compliance  
13 review. NAC 453D.265( )(b)(3) (bold added). As if stating it once in the regulations was not  
14 enough to be clear, NAC 453D.268(2)(c) also requires that "[The] application must include, without  
15 limitation."

- 16 (c) The physical address where the proposed marijuana establishment will be located and  
17 the physical address of any co-owned or otherwise affiliated marijuana  
18 establishments;

19 Both the Ballot Initiative (which was enacted as NRS 453D) and the DoT's adopted  
20 regulations (NAC 453D) absolutely required all applications to be complete and approved  
21 applications to include physical address where the proposed marijuana establishment will be located.  
22 But the DoT only informed certain applicants (those that had direct access to DoT employees), that  
23 real physical addresses were not required and would not be graded at all. The selective disclosure  
24 of information by DoT employees about the grading and the need for a real physical address  
25 impacted the entire process:

26 48. The DoT's late decision to delete the physical address requirement on some  
27 application forms while not modifying those portions of the application that were  
28 dependent on a physical location (i.e. floor plan, community impact, security plan,  
and the sink locations) after the repeated communications by an applicant's agent;  
not effectively communicating the revision; and, leaving the original version of the  
application on the website, is evidence of conduct that is a serious issue.

71. Based upon the evidence adduced, the Court finds that the DoT selectively  
discussed with applicants or their agents the modification of the application related  
to physical address information.

76. By selectively eliminating the requirement to disclose an actual physical  
address for each and every proposed retail recreational marijuana establishment, the  
DoT limited the ability of the Temporary Employees to adequately assess graded

1 criteria such as (i) prohibited proximity to schools and certain other public facilities,  
2 (ii) impact on the community, (iii) security, (iv) building plans, and (v) other  
3 material considerations prescribed by the Regulations.  
(See Exhibit "A".)

4 The DoT's failure to require an actual physical address, its failure to confirm whether actual  
5 addresses were provided, and its failure to consider those addresses as part of the evaluation and  
6 grading resulted in an unfair process. The DoT's unfair process allowed winning applicants to take  
7 advantage of inside information to which they were privy and it permitted winning applicants to  
8 manipulate their scoring for graded categories like (i) impact on the community, (ii) security, and  
9 (iii) building plans, among others. An example of the resulting unfairness is shown by the fact that  
10 the highest graded building scores were given to those applicants (e.g., Thrive) that did not have an  
11 actual physical address and were able to submit fairy-tale building plans because they were not  
12 bound by reality and an actual location. Currently, NWC provided physical addresses, building  
13 plans, and parking plans of an existing building. The NWC building was inspected by DoT on  
14 September 18, 2018 and approved.<sup>23</sup>

15 Former DoT Director Deonne Contine testified that applications that did not have a real  
16 physical address should not have even been considered:

17 Q You couldn't use a UPS Store, because that's not a real physical address; right?

18 A I don't think -- I don't think that it would be allowed.

19 Q Okay. And if you'd been the director at the time, you would have disqualified  
20 those applications?

21 A I wouldn't have even reviewed the applications.<sup>24</sup>

22 Q. Your staff would have been instructed that if they didn't have a physical address  
23 apart from a Post Office box or a UPS Store that that application should not be  
24 accepted; right?

25 A I think that would be the direction.

26 Q Okay. So the answer to my question is yes?

27 A Yes.

28 I mean, the reason for your position is because the statute says that?

A Right.<sup>25</sup>

Because applicants would not have received a license but for their manipulation of the DoT's

1 unfair process, NWC believes that the Court's preliminary injunction should also apply to those  
2 winning applicants that did not provide actual physical addresses for the proposed marijuana  
3 establishments (e.g., those that listed UPS stores or P.O. boxes). In order to determine which of the  
4 winning applicants failed to provide actual physical addresses for the proposed marijuana  
5 establishments, the Court should order the DoT to identify which of winning applicants did not  
6 comply with NRS 453D.210(5)(b), NAC 453D.265(1)(b), and NAC 453D.268(2)(e).

7 By comparison, NRS 333 (State Purchasing Chapter) provides:

8 "A contract may not be awarded to a bidder who does not comply with the  
9 requirements set forth in the request for proposal".

10 NRS 333.311

11 **c. Violation of Integrity of the Application and Scoring Process**  
12 **that it Impacting NWC's Interest in a Just and Fair**  
13 **Competitive Bidding Process**

14 Mr. Pupo and Mrs. Contine's actions in meeting with certain applicants and providing  
15 information permitting applicants to submit applications with inside information when other  
16 applicants were not afforded the same opportunity, the DoT precluded the other applicants from  
17 competing on equal terms. See Spiniello Const. Co. v. Town of Manchester, 189 Conn. 539, 544,  
18 456 A.2d 1199, 1202 (1983). Moreover, Mr. Pupo and Mrs. Contine by and through their actions  
19 defeated the objectivity and integrity of the competitive application process. Spiniello, 189 Conn.  
20 544-545. Mr. Pupo exhibited favoritism with certain applicants by making significant changes to  
21 the application and scoring process, including physical location and scoring breakdown and  
22 percentages, substantially affecting the outcome thereof. In addition, Mr. Pupo directed DoT  
23 investigators not to investigate the sale of marijuana to minors by certain facilities thereby impacting  
24 the compliance grading section of those applicants applications. Mr. Pupo made the decision to not  
25 consider any deficiencies or violations committed by the applicant in violation of NAC  
26 453D.272(i)(g). Mr. Pupo's totality of actions infected the integrity of the application and scoring  
27 process, thereby impacted NWC's interest in a just and fair application scoring process. In that  
28 situation, an injunction is appropriate. *Id.*

1                                    **d.      The DoT May Not Waive Material Irregularities**

2            A government entity may waive minor irregularities with the bid documents as mere  
3            informalities, *see AAB, Elec., Inc. v. Stevensen Public School Dist. No. 303*, 491 P.2d 684, 685  
4            (Wash. 1971).<sup>26</sup> Material irregularities may not be waived, *Blount, Inc. v. U.S.*, 22 Cl.Ct. 221, 227  
5            (1989). A bid which contains a material nonconformity must be rejected as nonresponsive. *Blount*  
6            citing *Honeywell, Inc. v. United States*, 16 Cl. Ct. 173, 181 (1989), *rev'd on other grounds*, 870 F.2d  
7            644 (Fed. Cir. 1989). Material terms and conditions of a solicitation involve price, quality, quantity,  
8            and delivery. *Id.* The rule is designed to prevent bidders from taking exception to material  
9            provisions of the contract in order to gain an unfair advantage over competitors and to assure that  
10           the government evaluates all bids on an equal basis.

11           The violations allowed by the DoT cannot be considered "minor irregularities." First and  
12           foremost, the DoT has allowed applicants to violate the mandatory provision of NRS 453D.  
13           Specifically, NRS 453D.210 provides that a applicant "must include" the names of prospective  
14           owners, officers, board members and physical addresses of the proposed entities. *See e.g., Blaine*  
15           *Equip. Co. v. State*, 122 Nev. 860, 866, 138 P.3d 820, 823 (2006) (the district court may not rely on  
16           its equitable power to disregard the mandatory language of a statute). "When the language of a  
17           statute is plain and unambiguous, a court should give that language its ordinary meaning and not go  
18           beyond it." *Id.* citing *City Council of Reno v. Reno Newspapers*, 105 Nev. 886, 891, 784 P.2d 974,  
19           977 (1989). Minor irregularities may be waived but violations of Statutes and Regulations can not.  
20           Therefore, all applications not complying with Nevada Statutes and/or Regulations must be rejected.

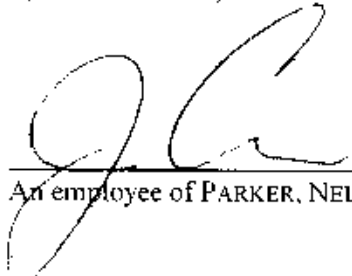

21  
22  
23  
24  
25           <sup>26</sup>The test of whether or not a nonconformity or irregularity is material is whether or not it gives a bidder a  
26           substantial advantage or benefit not enjoyed by the other bidders. *Id.* Irregularities are minor or immaterial only if  
27           they do not affect price, quantity, or delivery of the overall supplies or services to be contracted. *George & Benjamin*  
28           *General Contractors v. Government of the Virgin Islands Dept. of Property and Procurement*, 921 F. Supp. 304, 309  
                 (V.I. 1996). See also 48 C.F.R. § 14.301(a) ("to be considered for award, a bid must comply in all material respects  
                 with the invitation for bids. Such compliance enables all bidders to stand on an equal footing and maintains the  
                 integrity of the sealed bidding system.").

27 <sup>1</sup> Although a preservation order was entered on December 13, 2018, in A785818, no discovery in any case was done  
28 prior to the commencement of the evidentiary hearing, in part due to procedural issues and to statutory restrictions on  
disclosure of certain information modified by SB 32 just a few days before the commencement of the hearing. As a result,  
the hearing was much longer than anticipated by any of the participating counsel. In compliance with SB 32, the State  
produced previously confidential information on May 21, 2019. These documents were reviewed for confidentiality by the  
Defendants in Intervention and certain redactions were made prior to production consistent with the protective order entered  
on May 24, 2019.

10 LLC, CPCM Holdings, LLC d/b/a Thrive Cannabis Marketplace, Commerce Park Medical, LLC, and  
11 Cheyenne Medical, LLC (the "Essence/Thrive Entities"). The Court, having read and considered the  
12 pleadings filed by the parties; having reviewed the evidence admitted during the evidentiary hearing;  
13 and having heard and carefully considered the testimony of the witnesses called to testify; having  
14 considered the oral and written arguments of counsel, and with the intent of deciding the Motion for a  
15 Preliminary Injunction,<sup>2</sup> makes the following preliminary findings of fact and conclusions of law:

#### 16 *PROCEDURAL POSTURE*

17 Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive,  
18 licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout  
19 the state. Defendant is Nevada's Department of Taxation ("DoT"), which is the administrative agency  
20 responsible for issuing the licenses. Some successful applicants for licensure intervened as Defendants.

21 The Serenity Plaintiffs filed a Motion for Preliminary Injunction on March 19, 2019, asking for  
22 a preliminary injunction to:

- 23 a. Enjoin the denial of Plaintiffs applications;
- 24 b. Enjoin the enforcement of the licenses granted;
- 25 c. Enjoin the enforcement and implementation of NAC 453D;

26  
27 <sup>2</sup> The findings made in this Order are preliminary in nature based upon the limited evidence presented after very  
28 limited discovery permitted on an expedited basis and may be modified based upon additional evidence presented to the  
Court at the ultimate trial of the business court matters.

- 1 d. An order restoring the *status quo ante* prior to the DoT's adoption of NAC 453D;  
2 and  
3 e. Several orders compelling discovery.

4 This Court reviewed the Serenity Plaintiffs' Motion for Preliminary Injunction and at a hearing on  
5 April 22, 2019, invited Plaintiffs in related cases, not assigned to Business Court, to participate in the  
6 evidentiary hearing on the Motion for Preliminary Injunction being heard in Department 11 for the  
7 purposes of hearing and deciding the Motions for Preliminary Injunction.<sup>3</sup>

### 8 *PRELIMINARY STATEMENT*

9 The Attorney General's Office was forced to deal with a significant impediment at the early  
10 stages of the litigation. This inability to disclose certain information was outside of its control because  
11 of confidentiality requirements that have now been slightly modified by SB 32. Although the parties  
12 stipulated to a protective order on May 24, 2019, many documents produced in preparation for the  
13 hearing and for discovery purposes were heavily redacted because of the highly competitive nature of  
14 the industry and sensitive financial and commercial information being produced.

15 All parties agree that the language of an initiative takes precedence over any regulation that is in  
16 conflict and that an administrative agency has some discretion in determining how to implement the  
17 initiative. The Court gives deference to the agency in establishing those regulations and creating the  
18 framework required to implement those provisions in conformity with the initiative.

19  
20  
21 <sup>3</sup> The complaints filed by the parties participating in the hearing seek declaratory relief, injunctive relief and writs of  
22 mandate, among other claims. The motions and joinders seeking injunctive relief which have been reviewed by the Court in  
conjunction with this hearing include:

23 A786962-B Serenity: Serenity Plaintiffs' Motion for Preliminary Injunction filed 3/19/19 (Joinder to Motion by  
Compassionate Team: 5/17; Joinder to Motion by ETW: 5/6 (filed in A787004); and Joinder to Motion by Nevada  
Wellness: 5/10 (filed in A787540)); Opposition by the State filed 5/9/19 (Joinder by Essence/Thrive Entities: 5/23);  
24 Opposition by Nevada Organic Remedies: 5/9 (Joinder by Lone Mountain: 5/13; Joinder by Helping Hands: 5/21; and  
Joinder by Essence/Thrive Entities: 5/23). Application for TRO on OST filed 5/9/19 (Joinder by Compassionate Team:  
25 5/17; and Joinder by ETW: 5/10 (filed in A787004)); Opposition by Nevada Organic Remedies: 5/9 (Joinder by Clear River:  
5/9); Opposition by Essence/Thrive Entities: 5/10 (Joinder by GreenMart: 5/10; Joinder by Lone Mountain: 5/11; and  
26 Joinder by Helping Hands: 5/12).

27 A785818-W MM Development: MM Plaintiffs' Motion for Preliminary Injunction or Writ of Mandamus filed 5/9/19  
(Joinder by Serenity: 5/20 (filed in A786962); Joinder by ETW: 5/6 (filed in A787004 and A785818); and Joinder by  
28 Nevada Wellness: 5/10 (filed in A787540)).

1 The initiative to legalize recreational marijuana, Ballot Question 2 ("BQ2"), went to the voters  
2 in 2016. The language of BQ2 is independent of any regulations that were adopted by the DoT. The  
3 Court must balance the mandatory provisions of BQ2 (which the DoT did not have discretion to  
4 modify);<sup>4</sup> those provisions with which the DoT was granted some discretion in implementation;<sup>5</sup> and  
5 the inherent discretion of an administrative agency to implement regulations to carry out its statutory  
6 duties. The Court must give great deference to those activities that fall within the discretionary  
7 functions of the agency. Deference is not given where the actions of the DoT were in violation of BQ2  
8 or were arbitrary and capricious.

### 9 FINDINGS OF FACT

10 1. Nevada allows voters to amend its Constitution or enact legislation through the initiative  
11 process. Nevada Constitution, Article 19, Section 2.

12 <sup>4</sup> Article 19, Section 2(3) provides the touchstone for the mandatory provisions:

13 . . . . An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or  
14 suspended by the Legislature within 3 years from the date it takes effect.

15 <sup>5</sup> NRS 453D.200(1) required the adoption of regulations for the licensure and oversight of recreational marijuana  
16 cultivation, manufacturing/production, sales and distribution, but provides the DoT discretion in exactly what those  
17 regulations would include.

18 . . . the Department shall adopt all regulations necessary or convenient to carry out the provisions of this chapter.  
19 The regulations must not prohibit the operation of marijuana establishments, either expressly or through regulations  
20 that make their operation unreasonably impracticable. The regulations shall include:

- 21 (a) Procedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana  
22 establishment;
- 23 (b) Qualifications for licensure that are directly and demonstrably related to the operation of a marijuana  
24 establishment;
- 25 (c) Requirements for the security of marijuana establishments;
- 26 (d) Requirements to prevent the sale or diversion of marijuana and marijuana products to persons under 21  
27 years of age;
- 28 (e) Requirements for the packaging of marijuana and marijuana products, including requirements for child-  
resistant packaging;
- (f) Requirements for the testing and labeling of marijuana and marijuana products sold by marijuana  
establishments including a numerical indication of potency based on the ratio of THC to the weight of a product  
intended for oral consumption;
- (g) Requirements for record keeping by marijuana establishments;
- (h) Reasonable restrictions on signage, marketing, display, and advertising;
- (i) Procedures for the collection of taxes, fees, and penalties imposed by this chapter;
- (j) Procedures and requirements to enable the transfer of a license for a marijuana establishment to another  
qualified person and to enable a licensee to move the location of its establishment to another suitable location;
- (k) Procedures and requirements to enable a dual licensee to operate medical marijuana establishments and  
marijuana establishments at the same location;
- (l) Procedures to establish the fair market value at wholesale of marijuana; and
- (m) Civil penalties for the failure to comply with any regulation adopted pursuant to this section or for any  
violation of the provisions of NRS 453D.300.

1           2.       In 2000, the voters amended Nevada's Constitution to allow for the possession and use  
2 of marijuana to treat various medical conditions. Nevada Constitution, Article 4, Section 38(1)(a). The  
3 initiative left it to the Legislature to create laws "[a]uthoriz[ing] appropriate methods for supply of the  
4 plant to patients authorized to use it." Nevada Constitution, Article 4, Section 38(1)(e).

5           3.       For several years prior to the enactment of BQ2, the regulation of medical marijuana  
6 dispensaries had not been taken up by the Legislature. Some have argued in these proceedings that the  
7 delay led to the framework of BQ2.

8           4.       In 2013, Nevada's legislature enacted NRS 453A, which allows for the cultivation and  
9 sale of medical marijuana. The Legislature described the requirements for the application to open a  
10 medical marijuana establishment. NRS 453A.322. The Nevada Legislature then charged the Division of  
11 Public and Behavioral Health with evaluating the applications. NRS 453A.328.

12           5.       The materials circulated to voters in 2016 for BQ2 described its purpose as the  
13 amendment of the Nevada Revised Statutes as follows:  
14

15           Shall the *Nevada Revised Statutes* be amended to allow a person, 21 years old or older, to  
16 purchase, cultivate, possess, or consume a certain amount of marijuana or concentrated  
17 marijuana, as well as manufacture, possess, use, transport, purchase, distribute, or sell marijuana  
18 paraphernalia; impose a 15 percent excise tax on wholesale sales of marijuana; require the  
19 regulation and licensing of marijuana cultivators, testing facilities, distributors, suppliers, and  
20 retailers; and provide for certain criminal penalties?

21           6.       BQ2 was enacted by the Nevada Legislature and is codified at NRS 453D.<sup>6</sup>

22           7.       BQ2 specifically identified regulatory and public safety concerns:

23           The People of the State of Nevada proclaim that marijuana should be regulated in a manner  
24 similar to alcohol so that:

- 25           (a) Marijuana may only be purchased from a business that is licensed by the State of  
26 Nevada;
- 27           (b) Business owners are subject to a review by the State of Nevada to confirm that the  
28 business owners and the business location are suitable to produce or sell marijuana;
- (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly  
          controlled through State licensing and regulation;

<sup>6</sup> As the provisions of BQ2 and the sections NRS 453D currently in effect (with the exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada Legislature in NRS 453D.

- (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;
- (e) Individuals will have to be 21 years of age or older to purchase marijuana;
- (f) Driving under the influence of marijuana will remain illegal; and
- (g) Marijuana sold in the State will be tested and labeled.

NRS 453D.020(3).

8. BQ2 mandated the DoT to "conduct a background check of each prospective owner, officer, and board member of a marijuana establishment license applicant." NRS 453D.200(6).

9. On November 8, 2016, by Executive Order 2017-02, Governor Brian Sandoval established a Task Force composed of 19 members to offer suggestions and proposals for legislative, regulatory, and executive actions to be taken in implementing BQ2.

10. The Task Force's findings, issued on May 30, 2017, referenced the 2014 licensing process for issuing Medical Marijuana Establishment Registration Certificates under NRS 453A. The Task Force recommended that "the qualifications for licensure of a marijuana establishment and the impartial numerically scored bidding process for retail marijuana stores be maintained as in the medical marijuana program except for a change in how local jurisdictions participate in selection of locations."

11. Some of the Task Force's recommendations appear to conflict with BQ2.<sup>7</sup>

<sup>7</sup> The Final Task Force report (Exhibit 2009) contained the following statements:

The Task Force recommends that retail marijuana ownership interest requirements remain consistent with the medical marijuana program. . . .  
at 2510.

The requirement identified by the Task Force at the time was contained in NAC 453A.302(1) which states:

Except as otherwise required in subsection 2, the requirements of this chapter concerning owners of medical marijuana establishments only apply to a person with an aggregate ownership interest of 5 percent or more in a medical marijuana establishment.

The second recommendation of concern is:

The Task Force recommends that NRS 453A be changed to address companies that own marijuana establishment licenses in which there are owners with less than 5% ownership interest in the company. The statute should be amended to:

\*Limit fingerprinting, background checks and renewal of agent cards to owners officers and board members with 5% or less cumulatively of the company to once every five years;

\*Only require owners officers and board members with 5% or more cumulatively and employees of the company to obtain agent registration cards; and

1 12. During the 2017 legislative session Assembly Bill 422 transferred responsibility for the  
2 registration, licensing, and regulation of marijuana establishments from the State of Nevada Division of  
3 Public and Behavioral Health to the DoT.<sup>8</sup>

4 13. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension,  
5 or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in  
6 NAC 453D (the "Regulations").

7 14. The Regulations for licensing were to be "directly and demonstrably related to the  
8 operation of a marijuana establishment." NRS 453D.200(1)(b). The phrase "directly and demonstrably  
9 related to the operation of a marijuana establishment" is subject to more than one interpretation.  
10

11  
12  
13  
14  
15  
16  
17  
18 \*Use the marijuana establishments governing documents to determine who has approval rights and signatory  
19 authority for purposes of signing ownership transfers, applications and any other appropriate legal or regulatory  
documents.

20 There was Task Force dissent on the recommendation. The concern with this recommendation was that by  
21 changing the requirements on fingerprinting and background checks, the state would have less knowledge of when  
an owner, officer, and board member commits an offense not allowed under current marijuana law, potentially  
creating a less safe environment in the state.  
22 at 2515-2516.

23 <sup>8</sup> Those provisions (a portion of which became NRS 453D.205) are consistent with BQ2:

24 1. When conducting a background check pursuant to subsection 6 of NRS 453D.200, the Department may  
25 require each prospective owner, officer and board member of a marijuana establishment license applicant to submit  
a complete set of fingerprints and written permission authorizing the Department to forward the fingerprints to the  
Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation  
for its report.

26 2. When determining the criminal history of a person pursuant to paragraph (c) of subsection 1 of NRS  
27 453D.300, a marijuana establishment may require the person to submit to the Department a complete set of  
fingerprints and written permission authorizing the Department to forward the fingerprints to the Central  
Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its  
report.  
28

1 15. A person holding a medical marijuana establishment registration certificate could apply  
2 for one or more recreational marijuana establishment licenses within the time set forth by the DoT in  
3 the manner described in the application. NAC 453D.268.<sup>9</sup>

4  
5 Relevant portions of that provision require that application be made

6 ... by submitting an application in response to a request for applications issued pursuant to NAC 453D.260 which  
7 must include:

8 \*\*\*  
9 2. An application on a form prescribed by the Department. The application must include, without limitation:

- 10 (a) Whether the applicant is applying for a license for a marijuana establishment for a marijuana cultivation  
11 facility, a marijuana distributor, a marijuana product manufacturing facility, a marijuana testing facility or a retail  
12 marijuana store;  
13 (b) The name of the proposed marijuana establishment, as reflected in both the medical marijuana establishment  
14 registration certificate held by the applicant, if applicable, and the articles of incorporation or other documents filed  
15 with the Secretary of State;  
16 (c) The type of business organization of the applicant, such as individual, corporation, partnership, limited-liability  
17 company, association or cooperative, joint venture or any other business organization;  
18 (d) Confirmation that the applicant has registered with the Secretary of State as the appropriate type of business,  
19 and the articles of incorporation, articles of organization or partnership or joint venture documents of the applicant;  
20 (e) The physical address where the proposed marijuana establishment will be located and the physical address of  
21 any co-owned or otherwise affiliated marijuana establishments;  
22 (f) The mailing address of the applicant;  
23 (g) The telephone number of the applicant;  
24 (h) The electronic mail address of the applicant;  
25 (i) A signed copy of the Request and Consent to Release Application Form for Marijuana Establishment License  
26 prescribed by the Department;  
27 (j) If the applicant is applying for a license for a retail marijuana store, the proposed hours of operation during  
28 which the retail marijuana store plans to be available to sell marijuana to consumers;  
(k) An attestation that the information provided to the Department to apply for the license for a marijuana  
establishment is true and correct according to the information known by the affiant at the time of signing; and  
(l) The signature of a natural person for the proposed marijuana establishment as described in subsection 1 of NAC  
453D.250 and the date on which the person signed the application.

3. Evidence of the amount of taxes paid, or other beneficial financial contributions made, to this State or its  
political subdivisions within the last 5 years by the applicant or the persons who are proposed to be owners, officers  
or board members of the proposed marijuana establishment.

4. A description of the proposed organizational structure of the proposed marijuana establishment, including,  
without limitation:

- (a) An organizational chart showing all owners, officers and board members of the proposed marijuana  
establishment;  
(b) A list of all owners, officers and board members of the proposed marijuana establishment that contains the  
following information for each person:  
(1) The title of the person;  
(2) The race, ethnicity and gender of the person;  
(3) A short description of the role in which the person will serve for the organization and his or her  
responsibilities;  
(4) Whether the person will be designated by the proposed marijuana establishment to provide written notice to  
the Department when a marijuana establishment agent is employed by, volunteers at or provides labor as a  
marijuana establishment agent at the proposed marijuana establishment;  
(5) Whether the person has served or is currently serving as an owner, officer or board member for another  
medical marijuana establishment or marijuana establishment;  
(6) Whether the person has served as an owner, officer or board member for a medical marijuana establishment  
or marijuana establishment that has had its medical marijuana establishment registration certificate or license, as  
applicable, revoked;

1 NRS 453D.210(6) mandated the DoT to use "an impartial and numerically scored competitive bidding  
2 process" to determine successful applicants where competing applications were submitted.

3 16. NAC 453D.272(1) provides the procedure for when the DoT receives more than one  
4 "complete" application. Under this provision the DoT will determine if the "application is complete and

5 (7) Whether the person has previously had a medical marijuana establishment agent registration card or  
6 marijuana establishment agent registration card revoked;

7 (8) Whether the person is an attending provider of health care currently providing written documentation for the  
8 issuance of registry identification cards or letters of approval;

9 (9) Whether the person is a law enforcement officer;

10 (10) Whether the person is currently an employee or contractor of the Department; and

11 (11) Whether the person has an ownership or financial investment interest in any other medical marijuana  
12 establishment or marijuana establishment.

13 5. For each owner, officer and board member of the proposed marijuana establishment:

14 (a) An attestation signed and dated by the owner, officer or board member that he or she has not been convicted of  
15 an excluded felony offense, and that the information provided to support the application for a license for a  
16 marijuana establishment is true and correct;

17 (b) A narrative description, not to exceed 750 words, demonstrating:

18 (1) Past experience working with governmental agencies and highlighting past experience in giving back to the  
19 community through civic or philanthropic involvement;

20 (2) Any previous experience at operating other businesses or nonprofit organizations; and

21 (3) Any demonstrated knowledge, business experience or expertise with respect to marijuana; and

22 (c) A resume.

23 6. Documentation concerning the size of the proposed marijuana establishment, including, without limitation,  
24 building and general floor plans with supporting details.

25 7. The integrated plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana  
26 from seed to sale, including, without limitation, a plan for testing and verifying marijuana, a transportation or  
27 delivery plan and procedures to ensure adequate security measures, including, without limitation, building security  
28 and product security.

8. A plan for the business which includes, without limitation, a description of the inventory control system of the  
proposed marijuana establishment to satisfy the requirements of NRS 453D.300 and NAC 453D.426.

9. A financial plan which includes, without limitation:

(a) Financial statements showing the resources of the applicant;

(b) If the applicant is relying on money from an owner, officer or board member, evidence that the person has  
unconditionally committed such money to the use of the applicant in the event the Department awards a license to  
the applicant and the applicant obtains the necessary approvals from the locality to operate the proposed marijuana  
establishment; and

(c) Proof that the applicant has adequate money to cover all expenses and costs of the first year of operation.

10. Evidence that the applicant has a plan to staff, educate and manage the proposed marijuana establishment on a  
daily basis, which must include, without limitation:

(a) A detailed budget for the proposed marijuana establishment, including pre-opening, construction and first-year  
operating expenses;

(b) An operations manual that demonstrates compliance with this chapter;

(c) An education plan which must include, without limitation, providing educational materials to the staff of the  
proposed marijuana establishment; and

(d) A plan to minimize the environmental impact of the proposed marijuana establishment.

11. If the application is submitted on or before November 15, 2018, for a license for a marijuana distributor,  
proof that the applicant holds a wholesale dealer license issued pursuant to chapter 369 of NRS, unless the  
Department determines that an insufficient number of marijuana distributors will result from this limitation.

12. A response to and information which supports any other criteria the Department determines to be relevant,  
which will be specified and requested by the Department at the time the Department issues a request for  
applications which includes the point values that will be allocated to the applicable portions of the application  
pursuant to subsection 2 of NAC 453D.260.

1 in compliance with this chapter and Chapter 453D of NRS, the Department will rank the applications .  
2 . in order from first to last based on the compliance with the provisions of this chapter and chapter  
3 453D of NRS and on the content of the applications relating to . . .” several enumerated factors. NAC  
4 453D.272(1).

5 17. The factors set forth in NAC 453D.272(1) that are used to rank competing applications  
6 (collectively, the “Factors”) are:

- 7
- 8 (a) Whether the owners, officers or board members have experience operating another kind  
9 of business that has given them experience which is applicable to the operation of a marijuana  
10 establishment;
  - 11 (b) The diversity of the owners, officers or board members of the proposed marijuana  
12 establishment;
  - 13 (c) The educational achievements of the owners, officers or board members of the proposed  
14 marijuana establishment;
  - 15 (d) The financial plan and resources of the applicant, both liquid and illiquid;
  - 16 (e) Whether the applicant has an adequate integrated plan for the care, quality and  
17 safekeeping of marijuana from seed to sale;
  - 18 (f) The amount of taxes paid and other beneficial financial contributions, including, without  
19 limitation, civic or philanthropic involvement with this State or its political subdivisions, by the  
20 applicant or the owners, officers or board members of the proposed marijuana establishment;
  - 21 (g) Whether the owners, officers or board members of the proposed marijuana establishment  
22 have direct experience with the operation of a medical marijuana establishment or marijuana  
23 establishment in this State and have demonstrated a record of operating such an establishment in  
24 compliance with the laws and regulations of this State for an adequate period of time to  
25 demonstrate success;
  - 26 (h) The (unspecified) experience of key personnel that the applicant intends to employ in  
27 operating the type of marijuana establishment for which the applicant seeks a license; and
  - 28 (i) Any other criteria that the Department determines to be relevant.

18 18. Each of the Factors is within the DoT’s discretion in implementing the application  
19 process provided for in BQ2. The DoT had a good-faith basis for determining that each of the Factors  
20 is “directly and demonstrably related to the operation of a marijuana establishment.”

21 19. The DoT posted the application on its website and released the application for  
22 recreational marijuana establishment licenses on July 6, 2018.<sup>10</sup>

23  
24  
25  
26  
27 <sup>10</sup> The DoT made a change to the application after circulating the first version of the application to delete the  
28 requirement of a physical location. The modification resulted in a different version of the application bearing the same  
“footer” with the original version remaining available on the DoT’s website.

1           20.     The DoT utilized a question and answer process through a generic email account at  
2 marijuana@tax.state.nv.us to allow applicants to ask questions and receive answers directly from the  
3 Department, which were not consistent with NRS 453D, and that information was not further  
4 disseminated by the DoT to other applicants.

5           21.     In addition to the email question and answer process, the DoT permitted applicants and  
6 their representatives to personally contact the DoT staff about the application process.

7           22.     The application period ran from September 7, 2018 through September 20, 2018.

8           23.     The DoT accepted applications in September 2018 for retail recreational marijuana  
9 licenses and announced the award of conditional licenses in December 2018.

10          24.     The DoT used a listserv to communicate with prospective applicants.

11          25.     The DoT published a revised application on July 30, 2018. This revised application was  
12 sent to all participants in the DoT's listserv directory. The revised application modified a sentence on  
13 attachment A of the application. Prior to this revision, the sentence had read, "Marijuana  
14 Establishment's proposed physical address (this must be a Nevada address and cannot be a P.O. Box)."  
15 The revised application on July 30, 2018, read: "Marijuana Establishment's proposed physical address  
16 if the applicant owns property or has secured a lease or other property agreement (this must be a  
17 Nevada address and not a P.O. Box). Otherwise, the applications are virtually identical.

18          26.     The DoT sent a copy of the revised application through the listserv service used by the  
19 DoT. Not all Plaintiffs' correct emails were included on this listserv service.

20          27.     The July 30, 2018 application, like its predecessor, described how applications were to  
21 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The  
22 maximum points that could be awarded to any applicant based on these criteria was 250 points.

23          28.     The identified criteria consisted of organizational structure of the applicant (60 points);  
24 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant  
25  
26  
27  
28

1 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution  
2 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.

3 29. The non-identified criteria consisted of documentation concerning the integrated plan of  
4 the proposed marijuana establishment for the care, quality and safekeeping of marijuana from seed to  
5 sale (40 points); evidence that the applicant has a plan to staff, educate and manage the proposed  
6 recreational marijuana establishment on a daily basis (30 points); a plan describing operating  
7 procedures for the electronic verification system of the proposed marijuana establishment and  
8 describing the proposed establishment's inventory control system (20 points); building plans showing  
9 the proposed establishment's adequacy to serve the needs of its customers (20 points); and, a proposal  
10 explaining likely impact of the proposed marijuana establishment in the community and how it will  
11 meet customer needs (15 points).  
12

13 30. An applicant was permitted to submit a single application for all jurisdictions in which it  
14 was applying, and the application would be scored at the same time.  
15

16 31. By September 20, 2018, the DoT received a total of 462 applications.

17 32. In order to grade and rank the applications the DoT posted notices that it was seeking to  
18 hire individuals with specified qualifications necessary to evaluate applications. The DoT interviewed  
19 applicants and made decisions on individuals to hire for each position.  
20

21 33. When decisions were made on who to hire, the individuals were notified that they would  
22 need to register with "Manpower" under a pre-existing contract between the DoT and that company.  
23 Individuals would be paid through Manpower, as their application-grading work would be of a  
24 temporary nature.

25 34. The DoT identified, hired, and trained eight individuals to grade the applications,  
26 including three to grade the identified portions of the applications, three to grade the non-identified  
27  
28

1 portions of the applications, and one administrative assistant for each group of graders (collectively the  
2 "Temporary Employees").

3 35. It is unclear how the DoT trained the Temporary Employees. While portions of the  
4 training materials were introduced into evidence, testimony regarding the oral training based upon  
5 example applications was insufficient for the Court to determine the nature and extent of the training of  
6 the Temporary Employees.<sup>11</sup>

7 36. NAC 453D.272(1) required the DoT to determine that an Application is "complete and  
8 in compliance" with the provisions of NAC 453D in order to properly apply the licensing criteria set  
9 forth therein and the provisions of the Ballot Initiative and the enabling statute.

10 37. When the DoT received applications, it undertook no effort to determine if the  
11 applications were in fact "complete and in compliance."

12 38. In evaluating whether an application was "complete and in compliance" the DoT made  
13 no effort to verify owners, officers or board members (except for checking whether a transfer request  
14 was made and remained pending before the DoT).

15 39. For purposes of grading the applicant's organizational structure and diversity, if an  
16 applicant's disclosure in its application of its owners, officers, and board members did not match the  
17 DoT's own records, the DoT did not penalize the applicant. Rather the DoT permitted the grading, and  
18 in some cases, awarded a conditional license to an applicant under such circumstances, and dealt with  
19 the issue by simply informing the winning applicant that its application would have to be brought into  
20 conformity with DoT records.

21 40. The DoT created a Regulation that modified the mandatory BQ2 provision "[t]he  
22 Department shall conduct a background check of each prospective owner, officer, and board member of  
23 a marijuana establishment license applicant" and determined it would only require information on the

24  
25  
26  
27  
28 <sup>11</sup> Given the factual issues related to the grading raised by MM and LivFree, these issues may be subject to additional  
evidentiary proceedings in the assigned department.

1 application from persons "with an aggregate ownership interest of 5 percent or more in a marijuana  
2 establishment." NAC 453D.255(1).

3 41. NRS 453D.200(6) provides that "[t]he DoT shall conduct a background check of each  
4 prospective owner, officer, and board member of a marijuana establishment license applicant." The  
5 DoT departed from this mandatory language in NAC 453D.255(1) and made no attempt in the  
6 application process to verify that the applicant's complied with the mandatory language of the BQ2 or  
7 even the impermissibly modified language.  
8

9 42. The DoT made the determination that it was not reasonable to require industry to  
10 provide every owner of a prospective licensee. The DOT's determination that only owners of a 5% or  
11 greater interest in the business were required to submit information on the application was not a  
12 permissible regulatory modification of BQ2. This determination violated Article 19, Section 3 of the  
13 Nevada Constitution. The determination was not based on a rational basis.  
14

15 43. The limitation of "unreasonably impracticable" in BQ2<sup>12</sup> does not apply to the  
16 mandatory language of BQ2, but to the Regulations which the DoT adopted.

17 44. The adoption of NAC 453D.255(1), as it applies to the application process is an  
18 unconstitutional modification of BQ2.<sup>13</sup> The failure of the DoT to carry out the mandatory provisions  
19 of NRS 453D.200(6) is fatal to the application process.<sup>14</sup> The DoT's decision to adopt regulations in  
20 direct violation of BQ2's mandatory application requirements is violative of Article 19, Section 2(3) of  
21 the Nevada Constitution.  
22

23 <sup>12</sup> NRS 453D.200(1) provides in part:

24 The regulations must not prohibit the operation of marijuana establishments, either expressly or through regulations  
25 that make their operation unreasonably impracticable.

26 <sup>13</sup> For administrative and regulatory proceedings other than the application, the limitation of 5% or greater ownership  
27 appears within the DoT's discretion.

28 <sup>14</sup> That provision states:

6. The Department shall conduct a background check of each prospective owner, officer, and board member of a  
marijuana establishment license applicant.

1           45.     Given the lack of a robust investigative process for applicants, the requirement of the  
2 background check for each prospective owner, officer, and board member as part of the application  
3 process impedes an important public safety goal in BQ2.

4           46.     Without any consideration as to the voters mandate in BQ2, the DoT determined that  
5 requiring each prospective owner be subject to a background check was too difficult for  
6 implementation by industry. This decision was a violation of the Nevada Constitution, an abuse of  
7 discretion, and arbitrary and capricious.

8           47.     The DoT did not comply with BQ2 by requiring applicants to provide information for  
9 each prospective owner, officer and board member or verify the ownership of applicants applying for  
10 retail recreational marijuana licenses. Instead the DoT issued conditional licenses to applicants who  
11 did not identify each prospective owner, officer and board member.<sup>15</sup>

12           48.     The DoT's late decision to delete the physical address requirement on some application  
13 forms while not modifying those portions of the application that were dependent on a physical location  
14 (i.e. floor plan, community impact, security plan, and the sink locations) after the repeated  
15 communications by an applicant's agent; not effectively communicating the revision; and, leaving the  
16 original version of the application on the website, is evidence of conduct that is a serious issue.

17           49.     Pursuant to NAC 453D.295, the winning applicants received a conditional license that  
18 will not be finalized unless within twelve months of December 5, 2018, the licensees receive a final  
19 inspection of their marijuana establishment.  
20  
21  
22  
23  
24

25 <sup>15</sup> Some applicants apparently provided the required information for each prospective owner, officer and board  
26 member. Accepting as truthful these applicants' attestations regarding who their owners, officers, and board members were  
27 at the time of the application, these applications were complete at the time they were filed with reference to NRS  
28 453D.200(6). These entities are Green Therapeutics LLC, Eureka NewGen Farms LLC, Circle S Farms LLC, Deep Roots  
Medical LLC, Pure Tonic Concentrates LLC, Wellness Connection of Nevada LLC, Polaris Wellness Center LLC, and  
TRNVP098 LLC, Clear River LLC, Cheyenne Medical LLC, Essence Tropicana LLC, Essence Henderson LLC, and  
Commerce Park Medical LLC. See Court Exhibit 3 (post-hearing submission by the DoT).

50. The few instances of clear mistakes made by the Temporary Employees admitted in evidence do not, in and of themselves, result in an unfair process as human error occurs in every process.

51. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a decision denying an application for a retail recreational marijuana license.

52. There are an extremely limited number of licenses available for the sale of recreational marijuana.

53. The number of licenses available was set by BQ2 and is contained in NRS 453D.210(5)(d).

54. Since the Court does not have authority to order additional licenses in particular jurisdictions, and because there are a limited number of licenses that are available in certain jurisdictions, injunctive relief is necessary to permit the Plaintiffs, if successful in the NRS 453D.210(6) process, to actually obtaining a license, if ultimately successful in this litigation.

55. The secondary market for the transfer of licenses is limited.<sup>16</sup>

56. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

## CONCLUSIONS OF LAW

57. "Any person...whose rights, status or other legal relations are affected by a statute, municipal ordinance, contract or franchise, may have determined any question of construction or validity arising under the instrument, statute, ordinance, contract or franchise and obtain a declaration of rights, status or other legal relations thereunder." NRS 30.040.

58. A justiciable controversy is required to exist prior to an award of declaratory relief. *Doe v. Bryan*, 102 Nev. 523, 525, 728 P.2d 443, 444 (1986).

<sup>16</sup> The testimony elicited during the evidentiary hearing established that multiple changes in ownership have occurred since the applications were filed. Given this testimony, simply updating the applications previously filed would not comply with BO2.

1           59.     NRS 33.010 governs cases in which an injunction may be granted. The applicant must  
2 show (1) a likelihood of success on the merits; and (2) a reasonable probability that the non-moving  
3 party's conduct, if allowed to continue, will cause irreparable harm for which compensatory damage is  
4 an inadequate remedy.

5           60.     Plaintiffs have the burden to demonstrate that the DoT's conduct, if allowed to continue,  
6 will result in irreparable harm for which compensatory damages is an inadequate remedy.

7           61.     The purpose of a preliminary injunction is to preserve the *status quo* until the matter can  
8 be litigated on the merits.

9           62.     In *City of Sparks v. Sparks Mun. Court*, the Supreme Court explained, "[a]s a  
10 constitutional violation may be difficult or impossible to remedy through money damages, such a  
11 violation may, by itself, be sufficient to constitute irreparable harm." 129 Nev. 348, 357, 302 P.3d  
12 1118, 1124 (2013).

13           63.     Article 19, Section 2 of the Constitution of the State of Nevada provides, in pertinent  
14 part:

15           "1. Notwithstanding the provisions of section 1 of article 4 of this constitution, but subject to the  
16 limitations of section 6 of this article, the people reserve to themselves the power to propose,  
17 by initiative petition, statutes and amendments to statutes and amendments to this  
18 constitution, and to enact or reject them at the polls.

19           ...

20           3. If the initiative petition proposes a statute or an amendment to a statute, the person who  
21 intends to circulate it shall file a copy with the secretary of state before beginning circulation  
22 and not earlier than January 1 of the year preceding the year in which a regular session of the  
23 legislature is held. After its circulation, it shall be filed with the secretary of state not less than  
24 30 days prior to any regular session of the legislature. The circulation of the petition shall cease  
25 on the day the petition is filed with the secretary of state or such other date as may be prescribed  
26 for the verification of the number of signatures affixed to the petition, whichever is earliest. The  
27 secretary of state shall transmit such petition to the legislature as soon as the legislature  
28 convenes and organizes. The petition shall take precedence over all other measures except  
appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted  
or rejected by the legislature without change or amendment within 40 days. If the proposed  
statute or amendment to a statute is enacted by the legislature and approved by the governor in  
the same manner as other statutes are enacted, such statute or amendment to a statute shall  
become law, but shall be subject to referendum petition as provided in section 1 of this article.

1 If the statute or amendment to a statute is rejected by the legislature, or if no action is taken  
2 thereon within 40 days, the secretary of state shall submit the question of approval or  
3 disapproval of such statute or amendment to a statute to a vote of the voters at the next  
4 succeeding general election. If a majority of the voters voting on such question at such election  
5 votes approval of such statute or amendment to a statute, it shall become law and take effect  
6 upon completion of the canvass of votes by the supreme court. An initiative measure so  
approved by the voters shall not be amended, annulled, repealed, set aside or suspended  
by the legislature within 3 years from the date it takes effect."

6 (Emphasis added.)

7 64. The Nevada Supreme Court has recognized that "[i]nitiative petitions must be kept  
8 substantively intact; otherwise, the people's voice would be obstructed. . . . [I]nitiative legislation is not  
9 subject to judicial tampering-the substance of an initiative petition should reflect the unadulterated will  
10 of the people and should proceed, if at all, as originally proposed and signed. For this reason, our  
11 constitution prevents the Legislature from changing or amending a proposed initiative petition that is  
12 under consideration." Rogers v. Heller, 117 Nev. 169, 178, 18 P.3d 1034,1039-40 (2001).

14 65. BQ2 provides, "the Department shall adopt all regulations necessary or convenient to  
15 carry out the provisions of this chapter." NRS 453D.200(1). This language does not confer upon the  
16 DoT unfettered or unbridled authority to do whatever it wishes without constraint. The DoT was not  
17 delegated the power to legislate amendments because this is initiative legislation. The legislature itself  
18 has no such authority with regard to NRS 453D until three years after its enactment under the  
19 prohibition of Article 19, Section 2 of the Constitution of the State of Nevada.

21 66. Where, as here, amendment of a voter-initiated law is temporally precluded from  
22 amendment for three years, the administrative agency may not modify the law.

23 67. NRS 453D.200(1) provides that "the Department shall adopt all regulations necessary or  
24 convenient to carry out the provisions of this chapter." The Court finds that the words "necessary or  
25 convenient" are susceptible to at least two reasonable interpretations. This limitation applies only to  
26 Regulations adopted by the DoT.

1           68. While the category of diversity is not specifically included in the language of BQ2, the  
2 evidence presented in the hearing demonstrates that a rational basis existed for the inclusion of this  
3 category in the Factors and the application.

4           69. The DoT's inclusion of the diversity category was implemented in a way that created a  
5 process which was partial and subject to manipulation by applicants.

6           70. The DoT staff provided various applicants with different information as to what would  
7 be utilized from this category and whether it would be used merely as a tiebreaker or as a substantive  
8 category.  
9

10          71. Based upon the evidence adduced, the Court finds that the DoT selectively discussed  
11 with applicants or their agents the modification of the application related to physical address  
12 information.

13          72. The process was impacted by personal relationships in decisions related to the  
14 requirements of the application and the ownership structures of competing applicants. This in and of  
15 itself is insufficient to void the process as urged by some of the Plaintiffs.  
16

17          73. The DoT disseminated various versions of the 2018 Retail Marijuana Application, one  
18 of which was published on the DoT's website and required the applicant to provide an actual physical  
19 Nevada address for the proposed marijuana establishment, and not a P.O. Box, (*see* Exhibit 5), whereas  
20 an alternative version of the DoT's application form, which was not made publicly available and was  
21 distributed to some, but not all, of the applicants via a DoT listserv service, deleted the requirement that  
22 applicants disclose an actual physical address for their proposed marijuana establishment. *See* Exhibit  
23 5A.  
24

25          74. The applicants were applying for conditional licensure, which would last for 1 year.  
26 NAC 453D.282. The license was conditional based on the applicant's gaining approval from local  
27  
28

1 authorities on zoning and land use, the issuance of a business license, and the Department of Taxation  
2 inspections of the marijuana establishment.

3 75. The DoT has only awarded conditional licenses which are subject to local government  
4 approval related to zoning and planning and may approve a location change of an existing license, the  
5 public safety aspects of the failure to require an actual physical address can be cured prior to the award  
6 of a final license.

7 76. By selectively eliminating the requirement to disclose an actual physical address for  
8 each and every proposed retail recreational marijuana establishment, the DoT limited the ability of the  
9 Temporary Employees to adequately assess graded criteria such as (i) prohibited proximity to schools  
10 and certain other public facilities, (ii) impact on the community, (iii) security, (iv) building plans, and  
11 (v) other material considerations prescribed by the Regulations.

12 77. The hiring of Temporary Employees was well within the DoT's discretionary power.

13 78. The evidence establishes that the DoT failed to properly train the Temporary  
14 Employees. This is not an appropriate basis for the requested injunctive relief unless it makes the  
15 grading process unfair.

16 79. The DoT failed to establish any quality assurance or quality control of the grading done  
17 by Temporary Employees.<sup>17</sup> This is not an appropriate basis for the requested injunctive relief unless it  
18 makes the grading process unfair.

19 80. The DoT made licensure conditional for one year based on the grant of power to create  
20 regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a  
21 license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's  
22 discretion.

23  
24  
25  
26  
27  
28 <sup>17</sup> The Court makes no determination as to the extent which the grading errors alleged by MM and Live Free may be  
subject to other appropriate writ practice related to those individualized issues by the assigned department.

1           81.     Certain of DoT's actions related to the licensing process were nondiscretionary  
2 modifications of BQ2's mandatory requirements. The evidence establishes DoT's deviations  
3 constituted arbitrary and capricious conduct without any rational basis for the deviation.

4           82.     The DoT's decision to not require disclosure on the application and to not conduct  
5 background checks of persons owning less than 5% prior to award of a conditional license is an  
6 impermissible deviation from the mandatory language of BQ2, which mandated "a background check  
7 of each prospective owner, officer, and board member of a marijuana establishment license applicant."  
8 NRS 453D.200(6).  
9

10          83.     The argument that the requirement for each owner to comply with the application  
11 process and background investigation is "unreasonably impracticable" is misplaced. The limitation of  
12 unreasonably impracticable applied only to the Regulations not to the language and compliance with  
13 BQ2 itself.

14          84.     Under the circumstances presented here, the Court concludes that certain of the  
15 Regulations created by the DoT are unreasonable, inconsistent with BQ2 and outside of any discretion  
16 permitted to the DoT.  
17

18          85.     The DoT acted beyond its scope of authority when it arbitrarily and capriciously  
19 replaced the mandatory requirement of BQ2, for the background check of each prospective owner,  
20 officer and board member with the 5% or greater standard in NAC 453.255(1). This decision by the  
21 DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of  
22 Article 19, Section 2(3) of the Nevada Constitution.  
23

24          86.     As Plaintiffs have shown that the DoT clearly violated NRS Chapter 453D, the claims  
25 for declaratory relief, petition for writ of prohibition, and any other related claims is likely to succeed  
26 on the merits.

27          87.     The balance of equities weighs in favor of Plaintiffs.

1 88. "[N]o restraining order or preliminary injunction shall issue except upon the giving of  
2 adequate security by the applicant, in such sum as the court deems proper, for the payment of such  
3 costs and damages as may be incurred or suffered by any party who is found to be wrongfully enjoined  
4 or restrained." NRCp 65(d).

5 89. The DoI stands to suffer no appreciable losses and will suffer only minimal harm as a  
6 result of an injunction.

7 90. Therefore, a security bond already ordered in the amount of \$400,000 is sufficient for  
8 the issuance of this injunctive relief.<sup>18</sup>

9 91. If any conclusions of law are properly findings of fact, they shall be treated as if  
10 appropriately identified and designated.

27 <sup>18</sup> As discussed during the preliminary injunction hearing, the Court sets a separate evidentiary hearing on whether to

ORDER

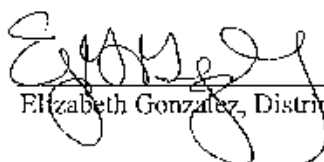

IT IS HEREBY ADJUDGED ORDERED AND DECREED that Plaintiffs' Motions for Preliminary Injunction are granted in part.

1 address.

2 Q A physical address?

3 A Yes.

4 Q Okay. And a physical address in your mind could not  
5 be a Post Office box?

6 A Right.

7 Q Or one of these companies that maintains Post Office  
8 -- fake Post Office places. Couldn't be that, either; right?

9 A I think the idea was to have an office address  
10 essentially.

11 Q Right. So you couldn't use -- I can't remember what  
12 it is, UPS.

13 THE COURT: UPS Stores.

14 BY MR. KEMP:

15 Q You couldn't use a UPS Store, because that's not a  
16 real physical address; right?

17 A I don't think -- I don't think that it would be  
18 allowed.

19 Q Okay. And if you'd been the director at the time,  
20 you would have disqualified those applications?

21 A I wouldn't have even reviewed the applications.

22 Q Okay. Because it was disqualified, or because you  
23 wouldn't be the person doing the review?

24 A Well, I don't know. I mean, I --

25 Q And let me ask it --

1           A     -- I would --

2           Q     Let me ask it better. Your staff would have been  
3 instructed that if they didn't have a physical address apart  
4 from a Post Office box or a UPS Store that that application  
5 should not be accepted; right?

6           A     I think that would be the direction.

7           Q     Okay. So the answer to my question is yes?

8           A     Yes.

9           Q     Okay. And the reason for that is because the  
10 statute required it; right?

11                  MR. KOCH: Objection. Misstates the law.

12                  THE COURT: Overruled.

13 BY MR. KEMP:

14           Q     I mean, the reason for your position is because the  
15 statute says that?

16           A     Right.

17           Q     Okay. All right. Okay. I'm going to go to my last  
18 area. Mr. Gutierrez asked you some questions about  
19 extenuating circumstances. Do you recall those?

20           A     Yes.

21           Q     And your answer said, and I wrote it down -- I tried  
22 to write it down verbatim. You said, if they were enjoined,  
23 that would be beyond their control. Do you recall saying  
24 that?

25           A     I guess what I -- yes, I recall saying that.

1           A     I've never met him. I mean, I know who he is,  
2 but --  
3           Q     Armand?  
4           A     Armand -- yes, I know Armand.  
5           Q     What's his last name?  
6           A     I don't know.  
7           Q     Okay. All I know is Armand, as well.  
8           A     Armand -- I don't know. Somebody who understands  
9 his last name better could probably say it. I don't know.  
10          Q     Phil Peckman?  
11          A     I know him.  
12          Q     Do you know the names of any of the marijuana  
13 establishments that may have applied?  
14          A     I know -- I mean, I know -- I don't -- when I looked  
15 at -- I didn't look too closely at the caption here.  
16          Q     How about Essence?  
17          A     Is Essence Armand? I'm not sure.  
18          Q     Thrive?  
19          A     Thrive I think is Mr. Peckman and his group.  
20          Q     Nevada Organics?  
21          A     I don't know who that is.  
22          Q     Okay. Have you had lunch, dinner, or even coffee  
23 with any of these people that you listed?  
24          A     Yes.  
25          Q     On more than one occasion?

1 A Yes.

2 Q Tell me who you recall having lunch with.

3 A I think I've had lunch with Mr. Ritter --

4 Q Anyone else?

5 A -- a couple times. I've known Brett Scolari for

6 years before marijuana. I've had lunch or coffee with him in

7 the past.

8 Q How about dinner?

9 A Brett. I don't -- I don't know.

10 Q All right.

11 A I think I've had dinner with Mr. Ritter, as well.

12 Or lunch or dinner. I can't recall.

13 Q Okay. Would any of these people have your cell

14 phone number?

15 A Yes.

16 Q Would that include Amanda Connor?

17 A Yes.

18 Q Phil Peckman?

19 A I don't know.

20 Q Andrew Jolley?

21 A I don't know. I mean, generally I worked to make

22 the regulations, to create the process. So I will have had

23 some contact and know pretty much anyone that was involved in

24 that process.

25 Q Okay.

1           A     Either -- yeah.

2           Q     Did you run for political office?

3           A     Yes.

4           Q     And what position did you run for?

5           A     I ran for the Nevada State Assembly.

6           Q     And when did you run?

7           A     In 2018.

8           Q     Okay. Did you have any fundraisers for that

9 campaign?

10          A     Yes.

11          Q     Were any of the people you listed a participant or a

12 contributor to your campaign?

13          A     Yes.

14          Q     Can you tell me which people, entities contributed

15 to your campaign?

16          A     No, I can't -- I mean, I know some. I can't -- I

17 can't list them all.

18          Q     Can you tell me of the applicants that are involved

19 in the marijuana business which ones contributed to your

20 campaign?

21          A     I don't know.

22          Q     You don't know any of them by name?

23          A     Well, I know some of them by name, but I can't give

24 you -- I know TGIG did, I think Essence did, Thrive, Tryke.

25          Q     Anyone else?

1           A     There were others, but I just can't remember.

2           Q     All right. And do you remember because you remember

3     them attending, or do you remember them because you remember

4     checks coming to you with their names on them? Or both?

5           A     I mean, I remember -- I remember people attending

6     and then generally contributions, but I don't remember -- but

7     I don't necessarily know who everybody's group was, and so I

8     might have to look that up. So --

9           Q     Did you ever receive any inquiries, or has anyone

10    ever hypothecated to you perhaps hiring you, any of the

11    applicants?

12          A     I did -- no. Not in this case.

13          Q     I'm sorry. You did what?

14          A     No. No, not in this case.

15          Q     Not in this case. What do you mean by that?

16          A     Do you mean anybody?

17          Q     Anybody.

18          A     Yeah. I did some -- a little of application work --

19          Q     And when did you do this application work?

20          A     In July to November.

21          Q     July what?

22          A     To November.

23          Q     Of what year?

24          A     2018.

25          Q     When did you leave the State originally?

1 A Normal business.

2 Q Okay. Explain that.

3 A My day-to-day interactions, you know, managing the  
4 industry.

5 Q Okay. Day-to-day managing of the industry, or day-  
6 to-day familiarity with these owners?

7 A No. Just day-to-day management of, you know, the  
8 industry. And I don't know all the entire ownership. I know,  
9 you know, maybe one or two people may have common ownership.  
10 I'd have to go into the records to see, you know, what the  
11 exact ownership is.

12 Q But you knew -- tell me, did you know names in terms  
13 of owners?

14 A One of each probably.

15 Q Tell me who you are familiar with that had ownership  
16 interest in these companies. And we can start with Essence  
17 Trop and Essence Henderson.

18 A Armen Yemenidjian or however you pronounce it.

19 Q Do you know how to spell it?

20 A No.

21 Q Okay. Good enough. And how about Cheyenne and  
22 Commerce Park, which is Thrive?

23 A Yeah, I believe that's Mitch Britten and --

24 Q Had you spoken with either of them before the first  
25 gentleman you named or the second?

1           A     Yes.

2           Q     On more than one occasion?

3           A     Yes.

4           Q     So when I asked you about your familiarity with the  
5 owners it goes beyond simply the industry. You actually knew  
6 these owners; is that correct?

7           A     No, I know them from my interactions with the  
8 industry.

9           Q     Right. But you actually know -- there are a lot of  
10 people in the industry. You may not know the owners; right?

11          A     Yes.

12          Q     Right. But in this case you knew the owners of all  
13 four locations?

14          A     Yes.

15          Q     All right.

16          A     Or at least some of them, right.

17          Q     Good enough. And had you spoken to them prior to  
18 the submission of the applications?

19          A     Yes.

20          Q     Did you speak with them between July of 2018 and  
21 September 20th of 2018?

22          A     I believe so. Possibly, yes.

23          Q     Would your phone records reflect telephone  
24 conversations with those gentlemen?

25          A     Possibly, yes.

1 Q Do they have medical marijuana locations?  
2 A Yes.  
3 Q Have you known them since 2014?  
4 A No.  
5 Q When did you meet the owner of Essence Trop and  
6 Essence Henderson?  
7 A Sometime after the Department of Taxation started  
8 administering the marijuana program.  
9 Q What year would that be?  
10 A I believe it was July 1st, 2017.  
11 Q Okay. So after it became clear that recreational  
12 marijuana would be available?  
13 A Yes.  
14 Q Same with the owner of Commerce and Cheyenne?  
15 A Yes.  
16 Q Okay. And can you tell me the circumstances in  
17 terms of how you met them.  
18 A I don't recall specifically. It could have -- you  
19 know, I've met a lot of people through meetings or  
20 regulations, things like that.  
21 Q All right. Now, you indicated you've spoken to them  
22 and you've met them, and you said your phone records would  
23 reflect conversations with them. Did you ever text either of  
24 them?  
25 A Yes.

1 Q Okay. Have you produced records indicating that you  
2 -- your phone records indicating text messages between  
3 yourself and those owners?

4 A Yes.

5 Q Okay. Have you received any emails from them?

6 A Don't know. Not sure.

7 Q Have you gone to dinner with either of them?

8 A Dinner, I believe, yes.

9 Q Have you gone to lunch with either of them?

10 A Yes.

11 Q More than one occasion?

12 A Possibly, yes.

13 Q And would it also -- would those lunches or dinners  
14 have occurred between 2017 and September 20th of 2018?

15 A Yes.

16 Q All right. Now, let me get back to a couple more  
17 questions. We may come back to that, but I want to get back  
18 to the statutes, the regulations first.

19 When we left off you told me that while location was  
20 important in the ballot, location was important in the  
21 statutes, and location was important in the regulations, you  
22 thought you had the ability to remove it from the scoring on  
23 the application process; is that correct?

24 A Yes.

25 Q All right. Now, do you think you also had the power

1 in your position, the way you remove location, to change the  
2 age in terms of what person can purchase recreational  
3 marijuana? Because that seemed also important in the ballot  
4 question that it'd be someone over 21. Did you have the  
5 authority to change it to 20?

6 A No.

7 Q What makes you think you had the ability to change  
8 the location, since that was important and actually a question  
9 within the ballot, but you couldn't change the age?

10 MR. KOCH: Objection. Lacks foundation.

11 THE COURT: Overruled.

12 THE WITNESS: I think I explained before. I don't  
13 think we -- the initiative doesn't say how to score an  
14 application.

15 BY MR. PARKER:

16 Q Wait a second, sir. Let's make sure we're on the  
17 same page. I didn't ask about scoring this time.

18 A I'm sorry.

19 Q You removed location as a scoring item, I  
20 understand.

21 A Yes.

22 Q But you told me right before we left and you gave me  
23 time to think about your response, the Court did, that you had  
24 the authority to remove location as a scoring item. Do you  
25 remember that?

1 A Yes.

2 Q All right. If you can change something that was  
3 important to the citizens of Nevada like location, which is  
4 represented in the ballot question, do you think you also have  
5 the ability to change the age a person can be to buy  
6 recreational marijuana?

7 A No.

8 Q Is there anything in the ballot that differentiates  
9 your authority in terms of locality versus age?

10 A No.

11 Q That's what I thought. All right.

12 So now let's go to the statute.

13 THE COURT: And, sir, if you'd like the book if it's  
14 easier, I'd be happy to get it for you.

15 THE WITNESS: Sure, Your Honor.

16 MR. PARKER: He may need it, Your Honor. I'm going  
17 to be flipping back and forth a little bit.

18 THE COURT: I've just got to make sure I grab the  
19 right one. 453; correct? There you go.

20 THE WITNESS: Thank you, ma'am.

21 BY MR. PARKER:

22 Q And we're going to start with the statutes, and then  
23 we'll work to the regs, okay?

24 A Okay.

25 Q All right. And the first one we're going to look at

1 Q All right. Now, when you told Mr. Miller yesterday  
2 that location -- a location was required but not scored does  
3 that mean that every applicant who gave a floor plan without a  
4 location had presented an incomplete or inadequate  
5 application?

6 A I don't believe so.

7 Q Well, that's what you said. You said yesterday more  
8 than once, and I was --

9 A Maybe I misunderstood the question.

10 Q Well, maybe you --

11 A Your question. Can you just say it again.

12 Q Certainly. Because I found this interesting. You  
13 said that locations were required, but would not be scored.  
14 Do you remember saying that more than once yesterday?

15 A Yes.

16 Q Right. So given what you've told me right before we  
17 broke for lunch, that location was required, doesn't that mean  
18 every applicant who provided a floor plan without a location,  
19 even if a location wasn't scored, would have presented an  
20 inadequate and incomplete application?

21 A I believe I said that location was required on the  
22 application.

23 Q Right. So they provided an application that did not  
24 have a location. Each one of those applicants' applications  
25 were incomplete and should not be considered by your

1 Department; isn't that correct?

2 A I would say it can be considered incomplete, but it  
3 would move forward.

4 Q Thank you. But it would be incomplete?

5 A If it's missing an element, yes. You know, we  
6 expect the information --

7 Q You said location --

8 A -- that we ask for.

9 Q Right. You expected a location even if it wasn't  
10 scored; isn't that correct?

11 A Yes.

12 Q Thank you. Now let's go to 453D.205 and paragraph  
13 (1). Do you have that in front of you?

14 A Yes.

15 Q And it talks about background checks. And again it  
16 refers to subsection (6), 453D.200, which is right above it,  
17 okay?

18 A Okay.

19 Q And if you want, I can read what subsection (6) says  
20 of 453D.200 --

21 A No, I see it.

22 Q You can see it?

23 A Yes.

24 Q Okay. Good. So yesterday when you were speaking  
25 with Mr. Ross you talked about --

1 (Pause in the proceedings)

2 THE WITNESS: Is this the entire application?

3 BY MR. PARKER:

4 Q Yeah. But we're going to only look at a couple of

5 pages, okay.

6 Sir, I want you to take a look at DOTNEWELL2. So

7 it's page 2.

8 A Okay.

9 Q Are you familiar with this form -- document?

10 A With this letter, yeah. Yes.

11 Q Is this a form that is utilized by the Department of

12 Taxation Marijuana Enforcement Division?

13 A Yes.

14 Q All right. And can you tell me -- this was sent out

15 September 18th, 2018, to Mr. Frank Hawkins. Do you know who

16 he is?

17 A Yes.

18 Q Have you met him before?

19 A Yes.

20 Q When?

21 A This week.

22 Q Okay. Other than this week have you met him before?

23 A No.

24 Q Have you ever gone to lunch or dinner with him?

25 A No.

1 Q Has he ever called you on the phone?

2 A No.

3 Q All right. It says here, "On September 12th, 2018,  
4 The Department of Taxation Marijuana Enforcement Division  
5 conducted a routine inspection/audit of your establishment  
6 located at 3200 South Valley View Boulevard, Las Vegas,  
7 Nevada." And it has certificate numbers and the license  
8 number. Do you see that?

9 A Yes.

10 Q All right. The next paragraph says, "The  
11 audit/inspection results reveal that your establishment was in  
12 compliance with Nevada Revised Statutes...", and it references  
13 453A and 453D; is that correct?

14 A Yes.

15 Q All right. And it also says, "...the Administrative  
16 Code, and no deficiencies were noted during the inspection."  
17 Do you see that?

18 A Yes.

19 Q What does that mean in terms of the operation of  
20 Nevada Wellness Center at this location?

21 A It means at this time upon the inspection from my  
22 inspectors that they found nothing out of compliance.

23 Q All right. Would that mean that the location as  
24 it's being operated would be suitable both in terms of  
25 location and suitable in terms of adequacy of size to sell

1 THE COURT: The A-V guys are allowed to have a  
2 break. Here he comes.

3 (Pause in the proceedings)

4 THE COURT: Okay. Now we're ready.

5 MR. PARKER: Thank you, Your Honor.

6 THE COURT: Okay.

7 MR. PARKER: May I proceed?

8 THE COURT: You may.

9 MR. PARKER: So can we look at Exhibit 446, page 1,  
10 please.

11 BY MR. PARKER:

12 Q It should be coming up, Mr. Pupo.

13 So this is the Marijuana Nevada email to Ramsey, is  
14 it Davise? How do you pronounce that?

15 Oh. Is yours not on?

16 A It's not on the screen here.

17 MR. PARKER: May I approach?

18 THE COURT: You may. Are you going to use the turn  
19 off and hopefully it comes back on method?

20 (Pause in the proceedings)

21 BY MR. PARKER:

22 Q All right. Do you recognize that email address in  
23 terms of the sender? It says "From: Marijuana Nevada."

24 A Okay. Yes.

25 Q Is that from the Department of Taxation?

1 A That's one of our boxes, yes.

2 Q Okay. And it's dated September 9, 2018. So this is  
3 during the application process, is that correct, after  
4 applications are being -- the window in terms of submission of  
5 applications? Wasn't it the 7th through the 20th?

6 A Yeah. Okay. I believe it was the 7th through the  
7 20th.

8 Q All right. So it appears here that Mr. Ramsey was  
9 being responded to by Mr. Plaskon; is that correct?

10 A Yes.

11 Q All right. And he indicates here that he cannot  
12 answer the question being asked; is that correct?

13 MR. KOCH: Objection. Document speaks for itself.

14 THE COURT: Overruled.

15 THE WITNESS: It's that would not provide guidance  
16 to individual applicants.

17 BY MR. PARKER:

18 Q Now, tell me. That seems at odds with what has been  
19 said earlier in this trial -- or in this hearing. I was told  
20 that, you know, you've had conversations and others have had  
21 conversations with representatives of applicants, as well as  
22 applicants. Why would Mr. Plaskon take this position on  
23 September 9th, 2018?

24 MR. KOCH: Objection. Speculation.

25 THE COURT: Overruled.

1 THE WITNESS: He must have gotten instruction.  
2 BY MR. PARKER:  
3 Q Okay. Did you give any instruction to not provide  
4 information to this person?  
5 A No.  
6 Q Are you familiar with Libra Wellness?  
7 A Yes.  
8 Q Do they have a medical marijuana license?  
9 A I believe so, yes.  
10 Q Did they apply for or receive a conditional  
11 recreational license?  
12 A I don't know.  
13 Q All right. Was this the position taken by the  
14 agency, your Department, on September 9th, that there would be  
15 no more answers given?  
16 MR. KOCH: Objection. Mischaracterizes the  
17 document.  
18 THE COURT: Overruled.  
19 THE WITNESS: Yeah. I don't know that was  
20 instructions.  
21 BY MR. PARKER:  
22 Q It says, "With that said, the Division cannot  
23 provide guidance to individual applicants.  
24 THE COURT: Hold on a second.  
25 THE COURT RECORDER: I'm having a hard time hearing

1 THE WITNESS: I could have. I think that would have  
2 created more problems.

3 BY MR. PARKER:

4 Q Okay. Thank you.

5 MR. PARKER: Now, let's stay right here in terms of  
6 Exhibit 252, Shane. I don't need the other email.

7 BY MR. PARKER:

8 Q You told Mr. Miller that you went to -- you were  
9 offered ownership -- you were offered jobs by I believe one of  
10 the owners that you allowed to have more than one location in  
11 this jurisdiction; is that correct?

12 A Yeah. I don't characterize them as offers. They  
13 were saying, hey, if you leave the State, make sure I'm the  
14 first one to call, or, give me a call.

15 Q And who was that again? Was this the owner of  
16 Essence?

17 A Yes.

18 Q Okay. And did anyone else or any of the other  
19 owners from Essence -- did you meet with any of them?

20 A No.

21 Q Did you meet with any of the owners of Cheyenne or  
22 Commerce Park?

23 A Regarding?

24 Q Any offers of employment.

25 A No.

1 Q Did you meet with any owners -- do you know the  
2 owners of Commerce Park and Choyenne?

3 A I know -- I know some.

4 Q Okay.

5 A Yeah. I don't know that I know all the owners.

6 Q What owners do you know?

7 A Mitch Britten and Phil Peckman.

8 Q Okay. And who are the owners that you're aware of  
9 in terms of Essence Trop and Essence Henderson?

10 A Just Armen.

11 Q No one else have you met with or are familiar with  
12 that own that company?

13 A Not that I'm familiar with.

14 Q Okay. And did the owners of both these companies  
15 the ones that you know in common -- you've spoken to them,  
16 you've gone to lunch with them and/or dinner with them; right?

17 A Yes.

18 Q All right. And you turned them both down on the  
19 offers?

20 A I am not interested in staying in the marijuana  
21 space here.

22 MR. PARKER: Thank you. I appreciate your time.

23 THE COURT: Sir, I'm going to switch gears, if it's  
24 okay. Since the people on that side of the room have finished  
25 asking questions, I'm going to ask some, because I need a

3 Q All right. That's the 2018 application. Do you  
4 recall it? Probably not.

5 A I'm not sure what I'm --

6 Q All right. Let me -- let me -- I've never lied to  
7 you before, so I wouldn't start now, okay. Look at the top  
8 one. The top one is the 2014 application form. The reason  
9 you can see that is because due dates that end in the year  
10 2014. Do you see that?

11 A Yes.

12 Q Okay. The bottom one is the 2018, and you could  
13 trust me for the same reason, it says that there are due dates  
14 for 2018, okay. I have a question for you.

15 The top one on the second line -- first one says,  
16 "Request for application pay." Oddly enough, so does the  
17 bottom one, first line says "Request for application pay,"  
18 okay. But the second one on the top one says, "Deadline for  
19 submitting questions." Look at the bottom one. Is there  
20 anything there that indicates that you can submit questions in  
21 2018?

22 A There is not.

23 Q Okay. How come?

24 A You know, to be quite honest with you, I wasn't the  
25 one that made that decision. I don't -- I don't know.

1 regards to the diversity area?

2 A I don't -- I don't think so. You know, we do get a  
3 lot of questions. Ky Plaskon, Mr. Plaskon would probably be  
4 the better person to ask on how many questions he may have  
5 received in regards to, you know, diversity. But I don't  
6 recall we received too many.

7 Q What was -- oh. I've got it.

8 Sir, was there a procedure that the Department  
9 implemented whereby an applicant that was confused could  
10 potentially ask a question to get a clarification?

11 A Mr. Plaskon monitors generic email. A lot of  
12 questions came in through there.

13 Q Okay. I've seen some responses to questions where  
14 he says, "See application, see regulations," and other  
15 responses where he actually gives some substantive  
16 information. Is that your understanding of what was going on  
17 here?

18 A I'm not aware of that.

19 Q Okay. Do you think it would have been a good idea  
20 that any question and answer he gave was made available to all  
21 the applicants so we had some consistency here?

22 A We try to do the best that we can to educate.

23 Q Okay.

24 A I think we did send out some list serves.

25 Q But you've seen bulletin boards that have questions

1 and answers posted on them so everybody's up to speed,  
2 everybody's got the same information?

3 A Yeah, I've seen those.

4 Q That's commonly done with government contracting  
5 programs; right?

6 A I'm not sure about that, but I've seen the boards.

7 Q Okay. But you didn't do that?

8 A We did not.

9 Q Okay. In retrospect do you think you should have  
10 done that?

11 A Now, Ky would probably be a better person to ask  
12 that, because I don't know the quantity and type of questions  
13 that he did receive. I know he's in a situation where he did  
14 receive a lot of questions, but he couldn't give out -- he  
15 couldn't give out an answer that's -- that an applicant would  
16 have an advantage with.

17 Q Well, there wouldn't be any advantage if you told  
18 all the applicants the questions and answers. If you told  
19 everybody the question and answer, no one has an advantage  
20 there, do you think?

21 A We tried -- the Department did a good job, I think,  
22 in my opinion, of providing the information they did.

23 Q A good job even though half the applicants knew the  
24 that building address was not required and say half thought it  
25 was required? The Department did a good job on that point?

1 MS. SHELL: Objection. Assumes facts not in  
2 evidence.

3 THE COURT: Overruled.

4 THE WITNESS: I wasn't aware that half the  
5 applicants didn't know that.

6 BY MR. KEMP:

7 Q You knew that some of the applicants didn't know  
8 that?

9 A Yes.

10 Q For example, you know, that Livfree went out and got  
11 real addresses for all six of those applications; right?

12 A I didn't know that.

13 Q Well, you heard Mr. Thomas testify to the extreme  
14 efforts he went to get approved addresses; right?

15 A I did hear that.

16 Q And the Department expected people to be more like  
17 Mr. Thomas than just to put down a Post Office box, didn't  
18 they?

19 A Can you repeat that.

20 Q Didn't the Department expect that applicants would  
21 be like Mr. Thomas, have real addresses and real locations?

22 A We -- the Department did not require a location.

23 Q Okay. And how could you rate things like community  
24 impact without knowing where in Clark County the dispensary  
25 was going to be?

1 were supposed to consider, they wouldn't have considered it;  
2 right?

3 A Well, again, I don't know if it was part of their --  
4 the additional training outside of the evaluation sheets.  
5 Because they did receive training from staff for --

6 Q You just -- you're speculating that that might have  
7 happened, even though the face of the application that we just  
8 walked through -- we can walk through it again --

9 A I mean, we're speculating on a lot of things here.

10 THE COURT: Sir, I don't want you to speculate. I  
11 want you to tell me why the Department did what it did and made  
12 the decisions it made after Ballot Question 2 was passed and  
13 your department was charged with implementing.

14 MR. MILLER: Well, let me say it this way.

15 THE WITNESS: Yes, Your Honor.

16 THE COURT: Wait. Thank you, sir. Now you may go,  
17 Mr. Miller.

18 MR. MILLER: Were you asking a question, Judge. I  
19 didn't catch it all.

20 THE COURT: I was making a statement. He said, "Yes,  
21 Your Honor," and I just needed him to verify that while we were  
22 here.

23 MR. MILLER: Got it.

24 BY MR. MILLER:

25 Q Let's pull up the application. And then we get to

1 the scoring criteria. You were involved in that; right? You  
2 determined which points were going to be awarded?

3 A Yes.

4 Q And this is the --

5 MR. MILLER: We should pull up the -- I think it's  
6 going to be page 18, 17. There we go, the page before.

7 BY MR. MILLER:

8 Q -- talking about an organizational structure; right?  
9 You evaluate that criteria that was described there; right?

10 A I'm sorry?

11 Q You reviewed that criteria that was described there;  
12 right?

13 A Under "organization"?

14 Q Yeah. Sixty points on the top, not up -- it's going  
15 the wrong way. Yeah, organization.

16 A Right, uh-huh. Yes.

17 Q Description of the proposal -- and then you, in turn,  
18 that's all (indiscernible). The description of the proposed  
19 organizational structure of proposed marijuana establishment  
20 and information concerning each owner, officer, and board  
21 member of the proposed marijuana establishment, including the  
22 information provided in response to the regulation. Right?

23 A Yeah.

24 Q And you determined that that criteria should be worth  
25 60 points in total; right?

1 A Well, there are subcategories that make up that 60.

2 Q Right. You didn't disclose that to the applicants,  
3 did you?

4 A No.

5 Q So it was secret to the applicants as though which  
6 criteria are going to be included in that regulation and how  
7 many points are going to be awarded; right?

8 A Yes.

9 Q Why did you keep that secret?

10 A Well, it's almost like -- my opinion, it's almost  
11 like giving the answers to the test.

12 Q Is it?

13 A I mean --

14 Q How would it --

15 A Everyone's score -- sorry.

16 Q -- be like giving answers to the test, letting  
17 everyone know that diversity, for example, was going to be  
18 given 20 points, but the experience of key employees was going  
19 to be worth zero because it wouldn't be considered. Is that  
20 giving answers to the test?

21 A Wait. Say that again.

22 Q How would it be giving the answers to the test to  
23 tell the applicants that diversity, within that 60 points, was  
24 going to be awarded 20 points?

25 A The application can be tailored to, you know, those

1 how they believed the applications would be interpreted if  
2 they did not provide a physical address on the application?

3 A Yeah. I don't -- I don't recall any.

4 Q Okay. But you gave at least Amanda Connor and John  
5 Ritter guidance that physical address, although it was  
6 required by law, wouldn't be scored and so they didn't need to  
7 include it?

8 A No, I didn't say they didn't need to include it. I  
9 said the application requires that they put a physical  
10 address, but that it -- you know, that location was not  
11 scored, it's not part of the scoring criteria.

12 Q Okay. And when you gave that guidance did you go  
13 back to the Department and share that information with anybody  
14 else that might have been receiving calls from applicants  
15 about information in the application?

16 A Well, I'm sure we discussed it several times.

17 Q Okay. Who'd you discuss it with?

18 A Steve Gilbert, Kara, Damon.

19 Q And this was prior to the application being released  
20 on July 5th?

21 A Yes. There was a lot of discussion around that --  
22 during the Task Force and the public meetings or the  
23 recommendations while we were doing the regulations.

24 Q But the two you just identified, Amanda Connor and  
25 John Ritter, were the two co-chairs for the Task Force that

1 came up with the -- two co-chairs of the committee on the Task  
2 Force that were designed to help implement the regulations  
3 that are on the application; correct?

4 A Say it again.

5 Q The two individuals that you named, Amanda Connor  
6 and John Ritter, are you aware that those are the two co-  
7 chairs on the Task Force for the subcommittee that was  
8 designed and intended to review the applications for the  
9 recreational manager license applications?

10 A No, I didn't know Amanda was a co-chair. Well, I  
11 don't remember.

12 Q But nevertheless, they're very involved in the  
13 industry; correct?

14 A Yes.

15 Q You would have expected them to have attended those  
16 Task Force meetings?

17 A Yes.

18 Q All right. And participated in any public hearings  
19 where the rules might have been explained?

20 A Yes.

21 Q Okay. And yet they didn't understand whether or not  
22 a proposed physical address would be required; correct?

23 MR. SHEVORSKI: Objection. Speculation.

24 THE COURT: Overruled.

25 THE WITNESS: They would tell me -- like Amanda

1 would say she's getting questions from her clients and she  
2 just wants to confirm, right. And, you know, John also was  
3 more like a confirmation.

4 BY MR. MILLER:

5 Q Yeah. But at least for individuals that were highly  
6 involved in the process it's apparent to you that there was  
7 some confusion in this area; is that fair?

8 A Yes.

9 Q And so it's a fair assessment that other people  
10 might have also had the same confusion; correct?

11 A Yes.

12 Q Did you make any attempts to clarify it?

13 A I believe I did.

14 Q How'd you do that?

15 A Well, I don't -- maybe not necessarily that I think  
16 the clarification I was sending out was more regarding whether  
17 someone owned or leased a location. They were asking about  
18 where to put it. I don't think I put out a clarification  
19 regarding physical location must be on -- must be listed on  
20 the application.

21 Q Okay. So you knew in advance of the application  
22 being released on July 5th that there was confusion within the  
23 industry as to whether or not a proposed physical address was  
24 required and would be scored; correct?

25 A Yes.

1           Q     They believe that is required, and they submit their  
2 application that way. Other applicants understand that a  
3 proposed physical address will not be scored, so they don't  
4 provide a physical address. Is that a fair application  
5 process, sir?

6           A     Is it a fair application process? I think everyone  
7 had the same opportunity to request clarification. I think  
8 that everyone had access to the Department. I think everyone  
9 had access to submit their questions. I think everyone had an  
10 opportunity to attend 70-plus public meetings and workshops  
11 regarding this issue. I think the application was a fair  
12 process -- the application process was a fair process.

13          Q     Moving to 5.3.4.3, "Procedures to ensure adequate  
14 security measures for building security." Sir, wouldn't you  
15 agree that the consideration of that plan would indicate that  
16 there is some tie-in within the scoring criteria to an actual  
17 proposed physical address versus a fictional one?

18          A     No.

19          Q     So if you develop a plan that is designed to ensure  
20 adequate security measures of a proposed physical location  
21 that is tied to an actual address, has a real neighborhood  
22 around it, may have additional security concerns, that one is  
23 the same as one that could be submitted that doesn't have any  
24 physical address associated with it at all?

25          A     Pretty much, yeah.

1 Q Okay. With regard to these episodes, how did they  
2 come to your attention?

3 A They were incident reports submitted by the facility  
4 themselves.

5 Q Okay. And what did you do in response to the  
6 reports?

7 A We accepted them --

8 Q No. I don't want to hear we. We is a -- when I use  
9 the word you, I'm using it in the second person singular. Do  
10 you understand?

11 A Yes.

12 Q All right. What did you do in response to receiving  
13 these incident reports?

14 A I did not personally receive the incident reports.  
15 They go to a separate email address. The administrative  
16 assistant intakes them. I assigned them to people to  
17 investigate. I was then directed to hold off on that. I had a  
18 discussion with Jorge Pupo, and then I gave the direction to  
19 the assigned people investigating to send acknowledgment  
20 letters or look through them and see if there was room for

22 Q Okay. You said you received a directive not to

1 Q And then did QuantumMark provide its own training  
2 tools for 2018 or did your Department amend QuantumMark's  
3 training tools for purposes of training the evaluators?

4 A We amended the 2014 training tools.

5 Q Why didn't you ask QuantumMark to provide updated  
6 training tools to fit a recreational application?

7 A That wasn't my decision.

8 Q Whose decision was that?

9 A That would have been a contract decision,  
10 essentially Mr. Pupo or the director of the Department.

11 Q Do you know who made that decision?

12 A No, I do not.

13 Q And do you know why that decision was made? Why  
14 wasn't QuantumMark utilized to come up with the 2018 training  
15 tools?

16 A I don't -- I do not know. I don't know if it was  
17 ever contemplated.

18 Q And so going back to where we were, you were a part  
19 of the process in terms of the merit criteria for diversity,  
20 is that correct?

21 A Yes.

22 Q Who made the decision on how the scoring would be  
23 done?

24 A Can you be --

25 Q Yes. Who came up with let's give points based on

1 A Yes.

2 Q All right. So if you didn't get the information  
3 from the ballot question and you did not get that information  
4 from the regulations, you had to get it from somewhere. Did  
5 you get it from any other jurisdiction like Colorado? Because  
6 I saw in the production of your training tool where there's  
7 thanks given to QuantumMark, thanks given to Colorado. Do you  
8 remember those?

9 A I do.

10 Q All right. So where did you get this methodology in  
11 scoring diversity?

12 A The methodology was put together by Kara, Mr. Pupo  
13 and myself. As far as the breakdown on the evaluation tool --

14 Q Yes, sir.

15 A -- that was put in then -- like I said, if I recall  
16 correctly, Mr. Pupo gave us the breakdown of the percentages.

17 Q Do you know where he got that breakdown from?

18 A I do not.

19 Q And do you have any understanding whether or not  
20 that breakdown can be traced to another jurisdiction like  
21 Colorado or Washington or California?

22 A I wouldn't know, no.

23 Q You have no idea?

24 A No.

25 Q Good enough. Do you know whether or not there was

20 **MEMORANDUM OF POINTS AND AUTHORITIES**

21 **I.**

22 **INTRODUCTION**

23 On September 13, 2019, pursuant to NRCP 52(b), NWC filed timely its motion to amend  
24 the findings of fact and conclusion of law. NWC's motion to amend is justified in fact, law and  
25 equity. NWC's motion properly directs the court's attention to germane legal or factual matters,  
26 relied upon by NWC, which were not considered in the court's earlier opinion. Accordingly, NWC  
27 moved to amend those findings pursuant to NRCP 52. As outlined in NWC's motion the case is  
28

1 distinguishable from the *Nuleaf* decision. The court made findings of fact and conclusions of law  
2 but they were not applied to the entire bidding process nor were Nevada's Opening Meeting Laws  
3 considered. Under the applicable laws and regulations application process is contemplated to be fair  
4 and impartial. The evidence before the court demonstrates that the entire selection process contrary  
5 to laws, and regulated application process, and conducted in such degradation of NWC's  
6 constitutional rights, that the previous results must be discarded and the process redone in order to  
7 arrive at impartial and fair results, as contemplated under the applicable laws and regulations.  
8 Consequently, the State must be enjoined from conducting a final inspection on any of the  
9 conditional licenses issued in or about December of 2018 and the entire process must be deemed  
10 invalid.

## 11 II.

### 12 ARGUMENT

#### 13 A. Nevada Wellness Center's Motion Satisfies NRCP 52(b)

##### 14 1. Motions to Amend Findings of Fact and Conclusions of Law

15 NRCP 52 provides in pertinent part:

16 (b) Amended or Additional Findings. On a party's motion filed no  
17 later than 28 days after service of written notice of entry of judgment,  
18 the court may amend its findings — or make additional findings —  
19 and may amend the judgment accordingly. The time for filing the  
motion cannot be extended under Rule 6(b). The motion may  
accompany a motion for a new trial under Rule 59.

20 On September 13, 2019 NWC properly and timely moved to amend the court's August 23,  
21 2019, findings of fact and conclusion of law, pursuant to NRCP 52(b). NWC's motion to amend  
22 is justified in fact, law and equity and requests the court amend specific findings of law and fact.  
23 NWC's motion points to specific facts, recreational marijuana licensing regulations, recreational  
24 marijuana licensing laws and opening meeting laws that were overlooked in the court's earlier  
25 opinion. Based upon manifest errors in the bidding process and violations of the applicable laws and  
26 regulations NWC properly moved to amend the Court August 23, 2019 Findings of Facts and  
27 Conclusions of Law.  
28

1        **B. Nevada Wellness Center is not Making the Same Challenge as the Nuleaf**  
2        **Challengers regarding the Zoning Approval by the Local Agency**

3        In the case at bar, unlike the Nuleaf challengers, NWC is NOT challenging DoT failure to  
4        comply with applicable local and governmental zoning requirements before the applicant received  
5        a registration certificate for a medical marijuana establishment, as alleged by Essence. (See  
6        Opposition at 4:3-8)

7        NWC is challenging applicants that failed to comply with the requirement to list a **physical**  
8        **address on the initial application** as required by NRS 453D.210(5)(b).

9        Specifically NRS 453D.210(5)(b) provides:

10        “5. The Department shall approve a license application if:

11        (b) The physical address where the proposed marijuana establishment will operate is owned  
12        by the applicant or the applicant has the written permission of the property owner to operate  
13        the proposed marijuana establishment on that property. . . .”

14        **C. The Plain Language of NRS 453D.210 Require All Applications Provide a**  
15        **Physical Location to be Complete and Only Complete Applications be Approved**  
16        **by DoT.**

17        The plain language of NRS 453D.210 clearly specifies **conditions for approval of**  
18        **application** and clearly states the DoT is only to consider **completed applications**. There is no  
19        similar language in NRS 453A.322(3)(a)(5), and thus the Nuleaf Court found NRS  
20        453A.322(3)(a)(5) was open to interpretation. Accordingly, the Nuleaf case has no application to this  
21        case.

22        Essence opposition fails to address the additional language and requirements of NRS 453D.210.

23        NRS 453D.210(4) provides:

24        “Acceptance of applications for licensing; priority in licensing; **conditions for approval of**  
25        **application**; limitations on issuance of licenses to retail marijuana stores; competing  
26        applications. [This section was proposed by an initiative petition and approved by the voters  
27        at the 2016 General Election and therefore is not subject to legislative amendment or repeal  
28        until after November 22, 2019.]

29        4. **Upon receipt of a complete** marijuana establishment license application. . . . (a) Issue  
30        the appropriate license if the license application is **approved...**” (*Emphasis added*)

31        Here, NRS 453D.210 has *additional language* making the plain language of the statute clear  
32        and unambiguous. The Court in the Nuleaf case could not have considered a statute governing  
33        recreational marijuana licensing because the statute was not in existence at the time of the Nuleaf  
34        case. Similarly, the court overlooked the additional language and conditions that were not applicable

1 in the Nuleaf case when it issued its Findings of Facts and Conclusions of Law regarding the  
2 physical location requirements.

3 As is the case at bar, when the language of a statute is plain and unambiguous, a court should  
4 give that language its ordinary meaning and not go beyond it." City Council of Reno v. Reno  
5 Newspapers, 105 Nev. 886, 891, 784 P.2d 974, 977 (1989). The court should give that language of  
6 NRS 453D.210 its ordinary meaning and not go beyond it. Id. The plain language of NRS 453D.210  
7 requires conditions for approval of all applications. The plain language requires all applicants to  
8 provide a **complete** application which requires a **physical location** for approval of the application.  
9 NRS 453D.210 requires that only **upon receipt of a complete** marijuana establishment license  
10 application the DoT Issue the appropriate license. Therefore, DoT had no discretion to determine  
11 whether applicants without a **physical** address listed on the application received a license because  
12 licenses could upon be issued upon receipt of a complete application, which required a physical  
13 location.

14 Former DoT Executive Deonne Contine confirmed the DoT required a real physical location  
15 be provided on all applications. In fact, she stated that "applications that did not have a real physical  
16 address should not have even been considered."<sup>1</sup> In addition, DoT Deputy Executive Jorge Pupo  
17 testified that the DoT expected a physical location to be included on all applications. He confirmed  
18 that applications without a physical location are incomplete.<sup>2</sup> Additionally, NAC 453D.272(1)  
19 provides the procedure for when the DoT receives more than one "complete" application. Under this  
20 provision the DoT will determine if the "application is complete and compliance with this chapter  
21 and Chapter 453D of NRS, the Department will rank the applications . . ." (See FFCL ¶ 16.)

22 Thus according to the plain and unambiguous language of NRS 453D.210(4) and  
23 453D.210(5)(b), as affirmed by DoT Executive and DoT Deputy Executive, all applications without  
24 a physical location are incomplete and should have been rejected , not approved and/or  
25

27 <sup>1</sup> See Exhibit B attached to Motion, Trial Transcript Excerpts from July 12, 2019 P48:L15-49:16.

P:20:L11.

1 scored/ranked or issued a conditional license by the DoT. The DoT unlawfully issued conditional  
2 licenses to applicants who submitted incomplete application. Accordingly the preliminary injunction  
3 should apply to all applications that failed to provide a real physical location or otherwise submitted  
4 an incomplete application.

5 **D. Judicial Relief is Warranted Because the DoT's Action Amounts to an Erosion**  
6 **on the Integrity of the Competitive Bidding Statute**

7 The purpose of a competitive application or bidding process "is to secure competition, save  
8 public funds, and to guard against favoritism, improvidence and corruption." *Gulf Oil Corp. v. Clark*  
9 *City*, 94 Nev. 116, 118-19, 575 P.2d 1332, 1333 (1978); see also *City of Boulder City v. Boulder*  
10 *Excavating, Inc.*, 124 Nev. 749, 758, 191 P.3d 1175, 1181 (2008) (same). The statutes and  
11 regulations that govern these competitive processes "are deemed to be for the benefit of the  
12 taxpayers" and "are to be construed for the public good." *Gulf Oil*, 94 Nev. at 118-19.

13 In addition, NRS 453D.210(6) mandated the DoT to use "an impartial and numerically scored  
14 competitive bidding process" to determine successful applicants where competing applications were  
15 submitted. (See FFCL ¶ 15.)

16 Essence opposition alleges the competitive bidding cases cited in NWC's motion support  
17 "the State's process and the Court's finding." (See Opp. 5:4-5) Essence's opposition and the court's  
18 FFCL overlooks the requirements of NRS 453 and underlying purpose of the competitive bidding  
19 process to "guard against favoritism, improvidence and corruption." *Gulf Oil*, 94 Nev. at 118-19.

20 As outlined in NWC's motion the competitive bidding process was so rife with errors,  
21 subject to corruption, including favoritism and inappropriate sharing of information, lunches, dinners  
22 and drinks between DoT staff and certain privileged applicants, and improper changes to the process  
23 that amount violations and undermine the purpose of the competitive bidding process. The errors  
24 in the process include, but are not limited to:

- 25 1. The DoT failed to provide a single point of contact for all applicants;
- 26 2. The DoT allowed applicants to ask questions and receive answers directly from the  
27 Department, without disseminating the same information to all applicants;

28

- 1           3.     The DoT modified the application without informing all applicants the application
- 2                 was modified;
- 3           4.     The DoT failed to disseminate the modified application to all applicants;
- 4           5.     The DoT removed the requirement of a physical location from the application
- 5                 without informing all applicants the physical location requirement was removed;
- 6           6.     The DoT removed compliance from the grading process and failed to inform all
- 7                 applicants of the removal of compliance;
- 8           7.     The DoT failed to investigate sell of marijuana to minors; and
- 9           8.     The DoT Executives held private meetings including lunches and dinner with
- 10                applicants/representatives/attorneys.

11           When as is the case here, insider information is provided to some, but not all applicants, it  
12 precludes all applicants from competing on equal terms. Spiniello Constr. Co. V. Manchester, 189  
13 Conn 539, 544 (Conn. 1983). In Spiniello, while the Court recognized the City's actions were done  
14 in good faith to obtain the best result for residents, the Court still found that "judicial relief is  
15 warranted where the municipal action amounts to an erosion on the integrity of the bidding statute."  
16 Id. at 545. "One of the essentials to competitive bidding is that bidders **shall have the opportunity**  
17 **to bid on the same thing.**" Gamewell Co. V. Phoenix, 216 F.2d 928, 934 (9<sup>th</sup> Cir. 1954) (emphasis  
18 added). "The requirement is that specifications be such that **all parties can familiarize themselves**  
19 **with the details.** Id. (emphasis added). Not only did the DoT give certain information to a privileged  
20 few applicants but additionally made two different applications available during the application  
21 process, removed physical location requirements in violation of NRS 453, removed compliance from  
22 scoring and halting investigations into the sale of marijuana to minors.

23           It is appropriate for a Court to intervene when the process established by a governmental  
24 agency "destroys the very principles of public policy that form the underlying basis of competitive  
25 bidding." Weinder v. City of Reno, 88 Nev. 127, 494 P.2d 277, 281 (1972). "[C]ourts should  
26 scrutinize the conduct of the bidding process by any governmental agency when it appears that a  
27 violation of the public trust may be involved." Id. "Public confidence should be maintained at all  
28 costs, even at the expense of those who errors are inadvertent." Comm'n on Ethics v. JMA/Lucchese.
