ATTACHMENT A (continued)

A marijuana agent identification card or recreational marijuana establishment license issued by the Nevada Department of Taxation (Department) pursuant to R092-17, Sec. 95 does not protect the applicant from legal action by federal authorities, including possible criminal prosecution for violations of federal law for the sale, manufacture, distribution, use, dispensing, possession, etc. of marijuana.

The acquisition, possession, cultivation, manufacturing, delivery, transfer, transportation, supplying, selling, distributing, or dispensing of "recreational" marijuana under state law is lawful only if done in strict compliance with the requirements of the State Medical & Recreational Marijuana Act(s) & Regulations (NAC- 453, NRS-453D, R092-17). Any failure to comply with these requirements may result in revocation of the marijuana agent identification card or Recreational Marijuana Establishment License issued by the Department.

The issuance of a license pursuant to section 80 of R092-17 of this regulation is conditional and not an approval to begin operations as a marijuana establishment until such time as all requirements in section 83 of R092-17 are completed and approved by the Department by means of a final inspection.

The State of Nevada, including but not limited to the employees of the Department, is not facilitating or participating in any way with my acquisition, possession, cultivation, manufacturing, delivery, transfer, transportation, supplying, selling, distributing, or dispensing of marijuana.

I attest that the information provided to the Department for this Recreational Marijuana Establishment License application is true and correct.
