and its been 14 months I been ~~ask~~ asking
for these docket This is a notice as
to Direct appeal counsel for this appeal.
Because Benjamin J Nadig is not Capable
of doing my appeal as you see he have
not did my opening Brief and it was due
June 29, 2020 that what you call ineffective
assistance of counsel I just hope on my
opening Brief he raised that Brandi Coman
was not there when they play the 911 call
for the Jury at trial and witnesses was
not there and Benjamin J Nadig did not
objected^{to} that the records support but
I don't know if it was raised on my direct
appeal, I have ~~was~~ wrote counsel before
any appeal was filed as well as after
as to my concern.

Thank You!
