**MOTION FOR EXTENSION OF TIME  
TO FILE DOCKETING STATEMENT AND TRANSCRIPT REQUEST**

Appellants Trudi Lee Lytle and John Allen Lytle, as trustees of the Lytle Trust request through January 3, 2020 to file their docketing statement and certification of no transcripts. The docketing statement was originally due November 1, 2019, and the transcript request was originally due October 28, 2019. This is the first request for an extension of these deadlines.

Appellants timely filed their docketing statement and transcript request in related case no. 79776. The belatedness in doing so in this matter is the result of clerical oversight. The notice relaying the deadlines to file the docketing statement and transcript request issued prior to counsel substituting into the case and was, unfortunately,

overlooked. An essential purpose of the docketing statement is to demonstrate appellate jurisdiction. Since there are no procedural defects, as the subject order is independently appealable, the extension will cause no prejudice to any party and will not impact any other Court-imposed deadlines. Thus, appellants respectfully request that their docketing statement and certification of no transcripts be deemed filed as of today

Dated this 3rd day of January, 2020.
