**MOTION FOR EXTENSION
TO FILE OPENING BRIEF AND APPENDIX**

Appellants Trudi Lee Lytle and John Allen Lytle, as trustees of the Lytle Trust, move to extend the deadline for filing the opening brief and appendix by thirty days, up to and including, April 13, 2020. NRAP 31(b)(3). This is the second such request. The brief was originally due February 11, 2020, and without an extension, the brief would be due March 12, 2020.

The requested extension is necessary due to an extraordinary convergence of unfortunate circumstances. Appellate counsel's godson suddenly died, and he had to spend time out of state making funeral arrangements and participating in the funeral, which

detracted from the finalization of the brief. Lead appellate counsel has also been dealing with family illness.

In the wake of counsel's family emergency, appellate counsel had to file several briefs and seek extensions on several others that were all coming due around the same time. Appellants' counsel has reached out to other attorneys to complete the brief to avoid further delay. Due to these emergent circumstances, counsel respectfully requests an additional 30 days.

Dated this 11th day of March, 2020.
