**MOTION FOR EXTENSION
TO FILE OPENING BRIEF AND APPENDIX**

Appellants Trudi Lee Lytle and John Allen Lytle, as trustees of the Lytle Trust, move to extend the deadline for filing the opening brief and appendix by thirty days, up to and including, May 13, 2020. NRAP 31(b)(3). This is the third such request. The brief was originally due February 11, 2020, and without an extension, the brief would be due April 13, 2020.

The additional time is necessary due to logistical handicaps arising from the COVID-19 outbreak and Governor Sisolak's stay-at-home order that both delay completion of this particular brief and have caused a general backlog of projects entrusted to undersigned counsel. Although capacity increases as everyone grows more proficient at

working and collaborating remotely, the awkward process is a slog causing slower output across practices. And that slog is frustrated further by frequently family related demands on all team members that also stem from the shutdown. Appellants appreciate the Court's understanding in light of these unprecedented circumstances.

Dated this 10th day of April, 2020.
