MOTION FOR EXTENSION OF TIME

COMES NOW the Defendant, Denzel Dorsey, by and through counsel, Terrence M. Jackson, and respectfully requests a sixty (60) day extension of time to complete the Opening Brief in the instant case.

As grounds for this request counsel states he has been diligent but needs additional time to research and write the appeal. Research, writing and preparation of the appeal has been complicated by the corona virus (Covid-19) which has impacted counsel and counsel's staff and even closed the Clark County Law Library.

This is counsel's first request for an extension and counsel is confident that he can, with this extension, complete the Opening Brief by working at home. This Motion is not made for purposes of delay but is made in good faith and this is the first request for an enlargement of time to file the Opening Brief in case number **79845**.

DATED this 27th day of March, 2020.

Respectfully submitted,

/s/ Terrence M. Jackson
