*ORDER DENYING MOTION*

Petitioner has filed a motion for the transmission of an original exhibit. Petitioner identifies the exhibit as "Confidential Exhibit 1 of [a] Petition to Seal Records filed on September 27, 2019." Petitioner fails to demonstrate that the exhibit it seeks to transmit is incapable of inclusion in an appendix because it is too large or otherwise not capable of being reproduced in the appendix. *See* NRAP 30(d). Petitioner also fails to demonstrate that this court's review of the original exhibit is necessary. *See id.* Accordingly, the motion is denied without prejudice. If petitioner wishes to file the exhibit in this court under seal due to its confidential nature, petitioner should file an appropriate motion. Any such motion should be accompanied by a copy of the exhibit.<sup>1</sup> The exhibit will be kept confidential

<sup>1</sup>The exhibit should be sent to this court via mail rather than via electronic transmission.
