MEMORANDUM OF POINTS AND AUTHORITIES**I. INTRODUCTION**

The court should reconsider its order denying Thornburg's motion for summary judgment based on a recent *en banc* decision demonstrating Thornburg's tender was sufficient. In *Bank of America v. SFR*, the court held "a first deed of trust holder's unconditional tender of the superpriority amount due results in the buyer at foreclosure taking the property subject to the deed of trust." *Bank of America, N.A., Successor by Merger to BAC Home Loans Servicing, LP, f/k/a Countrywide Home Loans Servicing, LP v. SFR Investments Pool 1, LLC, a Nevada Limited Liability Company*, 134 Nev. Adv. Op. 72, *2 (Nev. Sept. 13, 2018), **Ex. A**. There is no question of fact for trial. This binding precedent warrants granting summary judgment in Thornburg's favor.

II. STATEMENT OF FACTS

1. Frank Timpa executed a deed of trust securing a \$3,780,000 loan to purchase the property located at 34 Innisbrook Ave, Las Vegas, Nevada on June 2, 2006. **Ex. B**. The deed of trust lists Countrywide Home Loans, Inc. as the lender and Mortgage Electronic Registration System, Inc. (**MERS**) as beneficiary and lender's nominee and was recorded on June 6, 2006. *Id.* Section 9 of the deed of trust provides if "there is a ... lien which may attain priority over the [deed of trust]... then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the property." *Id.* The deed of trust's planned unit development rider (**PUD rider**) provides "[i]f Borrower does not pay PUD dues and assessments when due, then Lender may pay them." *Id.* The loan securing the deed of trust matures on July 1, 2046 and has an unpaid balance of \$6,279,233.20.¹ *Id.*; see also **Ex. C-2**.

2. On June 9, 2010, a corporate assignment of deed of trust was recorded assigning the beneficial interest in the deed of trust to Thornburg. **Ex. D**.

3. The property is within the Spanish Trail Master Association (the **HOA**) and is subject to its declaration of covenants, conditions, and restrictions recorded March 7, 1984 (the **CC&Rs**). **Ex. E**.

... .

¹ As of April 30, 2018.

4. Art. IV, Section 6, "Subordination to First Mortgages," provides:

The lien of the assessments provided for herein shall be prior to all other liens recorded subsequent to the recordation of the Notice of delinquent Assessment, except that the lien of the assessment provided for herein, shall be subordinate to the lien of any first Mortgage given for value, and the sale or transfer of any Lot pursuant to the first Mortgage foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereon.

Id.

5. Art. IX Section 1, permits "Mortgagees [to], jointly or severally, pay taxes or other charges which are in default and which may or have become a charge against the Association property, unless such taxes or other charges are separately assessed against the Owners, in which case, the rights of Mortgages shall be governed by the provisions of their Mortgages...." *Id.*

6. Art. X Section 3, provides:

A breach of any of the covenants, conditions, restrictions or other provisions of this Declaration shall not affect or impair the lien or charge of any bona fide Mortgage made in good faith and for value on any lot provided however, that any subsequent owner of the lot shall be bound by the provisions of this Declaration, whether such Owner's title was acquired by foreclosure or by a trustee's sale or otherwise.

Id.

7. On August 4, 2011, Red Rock Financial Services (**Red Rock**), on behalf of the HOA, recorded a lien for delinquent assessments indicating borrower owed \$5,543.92 (the **Lien**). **Ex. F.** The lien indicated it was recorded "in accordance with" the CC&Rs. *Id.*

8. At the time the Lien was recorded the HOA's assessments were \$225.00 per month. **Ex. G, RRFS0004-7.**² There were no nuisance abatement charges. *Id.* The superpriority amount of the HOA's lien was \$2,025 (\$225.00 x 9) for the assessments coming due December 1, 2010 through August 1, 2011. *Id.*

...

...

² The documents attached to Red Rock's Declaration Ex. G are presumed authentic pursuant to **NRS 52.155** because they bear Red Rock's "trade inscriptions" indicating "ownership, origin, or control."

1 9. From July 9, 2013 through December 13, 2013, borrower made payments totaling
2 \$2,350. *Id.*, at RRFS000384, 394, 400,407, 414, & 422. Red Rock accepted the payments and
3 applied the payments to the delinquent assessments coming due December 1, 2010 through August
4 1, 2011, the superpriority amount.³ *Id.*

5 10. On December 6, 2011, Red Rock recorded a notice of default and election to sell
6 pursuant to the lien for delinquent assessments asserting the HOA was owed \$8,312.52. **Ex. H.**

7 11. On December 23, 2011, BAC Home Loan Servicing (**BANA**), then the loan servicer,
8 through its counsel Miles, Bauer, Bergstorm & Winters (**Miles Bauer**) sent correspondence to Red
9 Rock seeking to determine the superpriority amount and offered to "pay that sum upon adequate
10 proof." **Ex. I-1.** Red Rock received the letter on December 27, 2011. **Ex. G**, at RRFS000578-579.

11 12. On January 26, 2012, Red Rock responded with a ledger indicating the total amount
12 due was \$9,255.44. *Id.*, at RRFS000569.

13 13. On February 10, 2012, Miles Bauer, by courier sent correspondence to Red Rock
14 enclosing a \$2,025 check. **Ex. I-4 & I-5.** Red Rock received the check on February 10, 2012. *See*
15 **Ex. G**, at RRFS000533-536. Red Rock rejected the payment without explanation. **Ex. I-4.**

16 14. Then on February 12, 2012, after rejecting BANA's payment, Red Rock sent
17 correspondence to Thornburg asserting the HOA's lien was junior to the deed of trust. **Ex. G**, at
18 RRFS000540.

19 15. Red Rock recorded a notice of foreclosure sale on September 15, 2014. **Ex. J.** The
20 notice indicated the HOA would sell the property on October 8, 2014 and the amount then due was
21 \$20,309.95. The notice asserted the sale would "be made without covenant or warrant, express or
22 implied regarding...title or possession, encumbrance, obligations to satisfy any secured or unsecured
23 liens." *Id.*

24 16. On November 10, 2014, a foreclosure deed recorded indicating the HOA sold the
25 property to Saticoy Bay LLC Series 34 Innisbrook on November 7, 2014 for \$1,201,000. **Ex. K.**

26 17. At the time of the HOA's sale the property was worth \$2,000,000. **Ex. L.**

27
28 ³ Throughout the collection process Timpa paid in excess of \$10,000 toward the HOA's lien. *See Ex. G*, RRFS000019- 26. Timpa's final payment of \$500.00 occurred on October 14, 2014, mere weeks before the HOA's sale. *Id.*

18. Since the sale Saticoy has leased the property and obtained rental income. **Ex. M.**

III. LEGAL STANDARD

E.D.C.R. 2.24 permits a party "seeking reconsideration of a ruling of the court ... [to] file a motion for such relief within 10 days after service of written notice of the order or judgment unless the time is shortened or enlarged by order." NRCP 59 permits the court to amend judgment where a there has been an error of law. *See* NRCP 59(a)(7). A motion pursuant to NRCP 59 is timely where it is filed within 10 days of "service of written notice of entry of the judgment." NRCP 59(e).

IV. LEGAL ARGUMENT

A. **The motion is timely.**

The order denying the parties' competing motions for summary judgment has not entered. The Court issued the *Bank of America* decision on September 13, 2018. Thornburg motion is timely.

B. ***Bank of America* warrants reconsideration.**

Bank of America confirms Thornburg is entitled to summary judgment. Thornburg submitted admissible evidence BANA tendered the full super-priority amount before the sale. Pursuant to *Bank of America's* binding precedent, Saticoy's interest is subject to the deed of trust.

"[T]he superpriority lien granted by NRS 116.3116(2) does not include an amount for collection fees and foreclosure costs incurred; rather **it is limited to an amount equal to the common expense assessments due during the nine months before foreclosure.**" *Horizon at Seven Hills Homeowners Association, Inc. v. Ikon Holdings, LLC*, 132 Nev. Adv. Op. 35, at 13, 2016 WL 1704199 at *6 (emphasis added); *See Bank of America*, *4. A mortgagee's pre-foreclosure tender of the superpriority amount protects the deed of trust. *SFR Investments*, 334 P.3d 408, 414 ("[A]s junior lienholder, [the holder of the first deed of trust] could have paid off the [HOA] lien to avert loss of its security[.]"); *id.*, at 413 ("[S]ecured lenders will most likely pay the [9] months' assessments demanded by the association rather than having the association foreclose on the unit.") (emphasis added).

Here, BANA's tender is evidenced in Miles Bauer's affidavit (Ex. I) and Red Rock's collection file (Ex. G). BANA, through Miles Bauer, contacted Red Rock to obtain a payoff ledger. **Ex. I-1.** Red Rock received the letter on December 27, 2011. **Ex. G**, at RRFS000578-579. On

1 January 26, 2012, Red Rock responded with a ledger indicating the total amount due was \$9,255.44.
2 *Id.*, at RRFS000569. The superpriority amount of the HOA's lien was \$2,025 (\$225.00 x 9) for the
3 assessments coming due December 1, 2010 through August 1, 2011. **Ex. G, RRFS0004-7.** There
4 were no nuisance and/or abatement charges. *Id.* On February 10, 2012, Miles Bauer sent a \$2,025
5 check to Red Rock to pay the super-priority amount. **Ex. I-4 & I-5.** Red Rock received the check on
6 February 10, 2012. *See Ex. H*, at RRFS000533-536. Red Rock rejected the payment without
7 explanation. **Ex. I-4.**

8 *Bank of America* concluded BANA's check and letter – like the check and letter here – were
9 not impermissibly conditional. *Bank of America* at * 7. BANA was not required to record the tender
10 (*id.* at * 10) or "keep the tender good" (*id.* at * 11). Sending a check for the full super-priority
11 amount extinguished the super-priority lien. *Id.* * 2. SFR's purported *bona fide* purchaser status was
12 irrelevant. *Id.* at * 13. SFR purchased the property subject to the deed of trust. *Id.* * 14.

13 The same is true here. BANA's tender preserved Thornburg's deed of trust. There is no
14 question of fact for trial. Summary judgment in Thornburg's favor is warranted.

2 **V. CONCLUSION**

3 Foreclosure sales are *caveat emptor*. See *Allison Steel*, 86 Nev. at 499 (in the absence of a
4 statute,⁴ a purchaser acquires no better title than the debtor could have conveyed at the time the lien
5 was attached). Saticoy is a sophisticated entity and was well aware of the risks of purchasing
6 properties at HOA foreclosure sale. The superpriority portion of the HOA's lien was extinguished
7 before the sale through BANA's tender. Thornburg did all the law required to protect the priority of
8 the deed of trust. There is no unfairness to Saticoy, neither the deed nor NRS 116 promise Saticoy
9 title unencumbered by the deed of trust. The court should reconsider its order denying summary
10 judgment and enter an order declaring Saticoy's interest, if any, is subject to the deed of trust.

OPINION

By the Court, PICKERING, J.:

This is a quiet title dispute between the buyer at an HOA lien foreclosure sale and the holder of the first deed of trust on the property. The

holder of the first deed of trust tendered the amount needed to satisfy the superpriority portion of the lien to the HOA before the sale but the trustee proceeded with foreclosure anyway. The question presented is whether the buyer took title subject to the first deed of trust. We hold that a first deed of trust holder's unconditional tender of the superpriority amount due results in the buyer at foreclosure taking the property subject to the deed of trust. We therefore reverse the district court's grant of summary judgment for SFR Investments Pool 1, LLC and remand for further proceedings consistent with this opinion.

I.

In 2012, the original owner of 3617 Diamond Spur Avenue (Property) fell behind on his payments to the Sutter Creek Homeowners Association (HOA). The HOA initiated foreclosure proceedings, recording a delinquent assessment lien and a notice of default and election to sell. After receiving notice of the default, Bank of America, the holder of the first deed of trust on the property, contacted the HOA, seeking to clarify the superpriority amount and offering to pay that amount in full. Based on the HOA's representations, Bank of America tendered payment of \$720—nine months' worth of assessment fees—to the HOA. The letter included with the tender stated that the HOA's acceptance would be an "express agreement that [Bank of America]'s financial obligations towards the HOA in regards to the [Property] have now been 'paid in full.'" The HOA rejected the payment and sold the property at foreclosure to respondent SFR Investments Pool 1, LLC.

After the foreclosure sale, litigation ensued with Bank of America and SFR both claiming title to the Property. On cross-motions for summary judgment, the district court granted summary judgment to SFR and denied summary judgment to Bank of America, from which order Bank

of America timely appealed. The case was routed to the court of appeals, which reversed and remanded. SFR then petitioned for review of the decision under NRAP 40B(a), which we granted.

II.

Bank of America argues that its tender was valid and satisfied the superpriority portion of the HOA's lien. SFR responds that the HOA's rejection was in good faith because at the time of the tender it was unsettled as to the amount of the superpriority portion of the lien, and the tender was conditional. SFR also asserts that it is protected as a bona fide purchaser of the property.

The grant or denial of summary judgment is reviewed de novo. *Wood v. Safeway, Inc.*, 121 Nev. 724, 729, 121 P.3d 1026, 1029 (2005). Summary judgment is appropriate if the pleadings and other evidence on file, viewed in the light most favorable to the nonmoving party, demonstrate that no genuine issue of material fact remains in dispute and that the moving party is entitled to judgment as a matter of law. *Id.* "A genuine issue of material fact exists if, based on the evidence presented, a reasonable jury could return a verdict for the nonmoving party." *Butler ex rel. Biller v. Bayer*, 123 Nev. 450, 457-58, 168 P.3d 1055, 1061 (2007).

A.

Bank of America asserts that it tendered the correct amount to satisfy the superpriority portion of the HOA lien and that it was not required to do more. A valid tender of payment operates to discharge a lien. *Power Transmission Equip. Corp. v. Beloit Corp.*, 201 N.W.2d 13, 16 (Wis. 1972) ("Common-law and statutory liens continue in existence until they are satisfied or terminated by some manner recognized by law. A lien may be lost by . . . payment or tender of the proper amount of the debt secured

by the lien.”); *see also* 74 Am. Jur. 2d *Tender* § 41 (2012). Valid tender requires payment in full. Annotation, *Tender as Affected by Insufficiency of Amount Offered*, 5 A.L.R. 1226 (1920). The HOA refused to accept Bank of America’s tender, because it did not satisfy both the superpriority and subpriority portions of the lien.

NRS 116.3116 governs liens against units for HOA assessments and details the portion of the lien that has superpriority status. At the time of the tender in 2012, the statute provided that the superpriority portion of an HOA lien was prior to a first security interest on a unit

to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 [maintenance and nuisance abatement] and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien.

NRS 116.3116(2) (2012). A plain reading of this statute indicates that the superpriority portion of an HOA lien includes only charges for maintenance and nuisance abatement, and nine months of unpaid assessments. We explained as much in *SFR Investments Pool 1 v. U.S. Bank*, 130 Nev. 742, 748, 334 P.3d 408, 412 (2014), and *Horizons at Seven Hills v. Ikon Holdings*, 132 Nev., Adv. Op. 35, ___, 373 P.3d 66, 72 (2016).¹

¹Citing *Horizons at Seven Hills*, 132 Nev., Adv. Op. 35, at n.4, 373 P.3d at 69 n.4, SFR argues for the first time in its petition for review that Bank of America’s tender was insufficient because it did not include collection costs and attorney fees. SFR waived this argument, both by failing to raise it timely in district court or on appeal and by failing to cogently distinguish the statutory and regulatory analysis in *Horizons at Seven Hills*. *See Powell v. Liberty Mut. Fire Ins. Co.*, 127 Nev. 156, 161 n.3,

The record establishes that Bank of America tendered the correct amount to satisfy the superpriority portion of the lien on the property. Pursuant to the HOA's accounting, nine months' worth of assessment fees totaled \$720, and the HOA did not indicate that the property had any charges for maintenance or nuisance abatement. Bank of America sent the HOA a check for \$720 in June 2012. On the record presented, this was the full superpriority amount.

B.

The district court deemed Bank of America's tender insufficient because it was conditional. It based this finding on the letter Bank of America sent with its payment, which stated,

This is a non-negotiable amount and any endorsement of said cashier's check on your part, whether express or implied, will be strictly construed as an unconditional acceptance on your part of the facts stated herein and express agreement that [Bank of America's financial obligations towards the HOA in regards to the [property] have now been "paid in full."

SFR argues, and the district court found, that this clause imposed an impermissible condition on the tender, as it required the HOA to potentially accept less than the full amount it was due under NRS 116.3116, given that the scope of the superpriority portion of an HOA's lien was not yet clarified at the time of the tender.

In addition to payment in full, valid tender must be unconditional, or with conditions on which the tendering party has a right

252 P.3d 668, 672 n.3 (2011) (arguments not raised on appeal are deemed waived); *Edwards v. Emperor's Garden Rest.*, 122 Nev. 317, 330 n.38, 130 P.3d 1280, 1288 n.38 (2006) (an appellate court needed not consider claims that are not cogently argued).

to insist. 74 Am. Jur. 2d *Tender* § 22 (2012). “The only legal conditions which may be attached to a valid tender are either a receipt for full payment or a surrender of the obligation.” *Heath v. L.E. Schwartz & Sons, Inc.*, 416 S.E.2d 113, 114-15 (Ga. Ct. App. 1992); *see also Stockton Theatres, Inc. v. Palermo*, 3 Cal. Rptr. 767, 768 (Ct. App. 1960) (tender of entire judgment with request for satisfaction of judgment was not conditional); *cf. Steward v. Yoder*, 408 N.E.2d 55, 57 (Ill. App. Ct. 1980) (concluding tender with request for accord and satisfaction was conditional, but not unreasonable).

Although Bank of America’s tender included a condition, it had a right to insist on the condition. Bank of America’s letter stated that acceptance of the tender would satisfy the superiority portion of the lien, preserving Bank of America’s interest in the property. Bank of America had a legal right to insist on this. SFR’s claim that this made the tender impermissibly conditional because the payment required to satisfy the superpriority portion of an HOA lien was legally unsettled at the time is unpersuasive. As discussed in Section A, a plain reading of NRS 116.3116 indicates that at the time of Bank of America’s tender, tender of the superpriority amount by the first deed of trust holder was sufficient to satisfy that portion of the lien. Thus, this issue was not undecided, and Bank of America’s tender of the superpriority portion of the lien did not carry an improper condition.

C.

SFR claims that even if Bank of America’s tender was valid, the HOA’s good-faith rejection because of a belief that Bank of America needed to tender the entire amount of the lien, is a defense to the tender. Bank of America responds that SFR’s assertion is speculative because the HOA

never gave a reason for its rejection, and thus cannot serve as the basis for summary judgment in SFR's favor.

Bank of America first contacted the HOA for assistance in determining the property's monthly assessment fee so it could pay the superpriority portion of the lien. The HOA responded with a demand that Bank of America pay the entire HOA lien to halt the foreclosure proceedings. Bank of America then tendered nine months of the property's assessment fees, along with a statutory analysis explaining that the amount was sufficient. The HOA returned the check a few weeks later and continued with foreclosure proceedings, giving no explanation for its rejection.

SFR did not present its good-faith rejection argument to the district court. *But see Schuck v. Signature Flight Support of Nev., Inc.*, 126 Nev. 434, 436, 245 P.3d 542, 544 (2010) (“[A] de novo standard of review does not trump the general rule that ‘[a] point not urged in the trial court, unless it goes to the jurisdiction of that court, is deemed to have been waived and will not be considered on appeal.’”) (second alteration in original) (quoting *Old Aztec Mine, Inc. v. Brown*, 97 Nev. 49, 52, 623 P.2d 981, 983 (1981)). The authorities it cites to this court for that proposition do not support it. We therefore reject SFR's claim that the HOA's asserted “good faith” in rejecting Bank of America's tender allowed the HOA to proceed with the sale, thereby extinguishing Bank of America's first deed of trust.

D.

SFR next claims that if Bank of America's tender was valid and discharged the superpriority portion of the HOA lien, Bank of America's failure to record its tender or keep the tender good renders it unenforceable against SFR.

SFR argues that Bank of America was required to record its tender under either NRS 111.315 or NRS 106.220.² Issues of statutory interpretation are questions of law reviewed de novo. *Taylor v. State, Dep't of Health & Human Servs.*, 129 Nev. 928, 930, 314 P.3d 949, 951 (2013). If a statute is unambiguous, this court does not look beyond its plain language in interpreting it. *Westpark Owners' Ass'n v. Eighth Judicial Dist. Court*, 123 Nev. 349, 357, 167 P.3d 421, 427 (2007). "Whenever possible, a court will interpret a rule or statute in harmony with other rules or statutes." *Nev. Power Co. v. Haggerty*, 115 Nev. 353, 364, 989 P.2d 870, 877 (1999).

NRS 111.315 states that "[e]very conveyance of real property, and every instrument of writing setting forth an agreement to convey any real property, or whereby any real property may be affected, proved acknowledged and certified in the manner prescribed in this chapter . . . shall be recorded" NRS 111.010 defines conveyance as "every instrument in writing, except a last will and testament . . . by which any estate or interest in lands is created, alienated, assigned or surrendered." Thus, when an interest in land is created, alienated, assigned, or surrendered, the instrument documenting the transaction must be recorded.

By its plain text, NRS 111.315 does not apply to Bank of America's tender. Tendering the superpriority portion of an HOA lien does not create, alienate, assign, or surrender an interest in land. Rather, it

²In 2015, the Legislature amended NRS Chapter 116 to add NRS 116.31164(2), which imposes recording requirements on certain superpriority lien satisfactions. This statute is not at issue on this appeal, because the tender and foreclosure sale predated its enactment.

preserves a pre-existing interest, which does not require recording. See Baxter Dunaway, *Interests and Conveyances Outside Acts—Recordable Interests*, 4 L. of Distressed Real Est. § 40:8 (2018) (“[D]ocuments which do not create or transfer interests in land are often held to be nonrecordable; the records, after all, are not a public bulletin board.”). SFR’s argument that the tender was an instrument affecting real property is unpersuasive. NRS 111.315 pertains to written instruments “setting forth an agreement . . . whereby any real property may be affected . . . *in the manner prescribed in this chapter . . .*” (Emphasis added.) NRS Chapter 111 governs the creation, alienation, assignment, or surrendering of property interests, and their subsequent recording. Bank of America’s tender did not bring about any of these actions, and therefore did not affect the property as prescribed in NRS Chapter 111. Accordingly, NRS 111.315 did not require Bank of America to record its tender.

NRS 106.220 provides that “[a]ny instrument by which any mortgage or deed of trust of, lien upon or interest in real property is subordinated or waived as to priority, must . . . be recorded” The statute further states that “[t]he instrument is not enforceable under this chapter or chapter 107 of NRS unless and until it is recorded.” NRS Chapter 106 does not define instrument as used in NRS 106.220, but Black’s Law Dictionary defines the term as “[a] written legal document that defines rights, duties, entitlements, or liabilities, such as a statute, contract, will, promissory note, or share certificate.” *Instrument*, *Black’s Law Dictionary* (10th ed. 2014). Thus, NRS 106.220 applies when a written legal document subordinates or waives the priority of a mortgage, deed of trust, lien, or interest in real property.

The changes in the lien priority caused by Bank of America's tender do not invoke NRS 106.220's recording requirements. Generally, the creation and release of a lien cause priority changes in a property's interests as a result of a written legal document. But Bank of America's tender discharged the superpriority portion of the HOA's lien by operation of law. See NRS 116.3116; 53 C.J.S. Liens § 14 (2017) ("A statutory lien is created and defined by the legislature. The character, operation and extent of a statutory lien are ascertained solely from the terms of the statute."). NRS Chapter 116's statutory scheme allows banks to tender the payment needed to satisfy the superpriority portion of the HOA lien and maintain its senior interest as the first deed of trust holder. NRS 116.3116(1)-(3); *see also* Unif. Common Interest Ownership Act (UCIOA) § 3-116 cmt. (amended 2008), 7 pt. 2 U.L.A. 124 (2009) ("As a practical matter, secured lenders will most likely pay the [9] months' assessments demanded by the association rather than having the association foreclose on the unit."). Thus, under the split-lien scheme, tender of the superpriority portion of an HOA lien discharges that portion of the lien by operation of law. Because the lien is not discharged by using an instrument, NRS Chapter 106 does not apply.

2.

SFR also argues that Bank of America should have taken further actions to keep its tender good, such as paying the money into court or an escrow account. Bank of America responds that NRS Chapter 116 does not require any further action beyond tender of the superpriority portion of the lien to preserve its interest in the property.

Whether a tendering party must pay the amount into court depends on the nature of the proceeding and the statutory and common law of the jurisdiction. See Annotation, *Necessity of Keeping Tender Good in*

Equity, 12 A.L.R. 938 (1921) (“Generally, there is no fixed rule in equity which requires a tender to be kept good in the sense in which that phrase is used at law.”); *see also* Restatement (Third) of Prop.: Mortgages § 6.4 (Am. Law Inst. 1997) (“The tender must be kept good in the sense that the person making the tender must continue at all times to be ready, willing, and able to make the payment.”). Where payment into court is not explicitly required, “averment of a readiness and willingness to bring the money into court, and pay the same on the order of the court, is sufficient.” Annotation, *Necessity of Keeping Tender Good in Equity*, 12 A.L.R. 938 (1921). And, “the necessity of keeping a tender good and of paying the money into court has no application to a tender made for the purpose of discharging a mortgage lien.” Annotation, *Unaccepted Tender as Affecting Lien of Real Estate Mortgage*, 93 A.L.R. 12 (1934) (explaining that such a tender would either immediately discharge the mortgage lien or the lien would remain unimpaired by the tender).

To satisfy the superpriority portion of an HOA lien, the tendering party is not required to keep a rejected tender good by paying the amount into court. HOA liens created under NRS Chapter 116 are statutory liens and thus enforcement of the lien is governed by statute. *See Phifer v. Gulf Oil Corp.*, 401 S.W.2d 782, 785 (Tenn. 1966) (“A lien created by statute is limited in operation and extent by the terms of the statute, and can arise and be enforced only in the event and under the facts provided for in the statute . . .”). Neither NRS 116.3116, the related statutes in NRS Chapter 116, nor the UCIOA, indicates that a party tendering a superpriority portion of an HOA lien must pay the amount into court to satisfy the lien.

To judicially impose such a rule would only obstruct the operation of the split-lien scheme. The practical effect of requiring the first deed of trust holder to pay the tender into court is that a valid tender would no longer serve to discharge the superpriority portion of the lien. Instead, the tendering party would have to bring an action showing that the tender is valid and paid into court before the lien is discharged. With such conditions, a tendering party could only achieve discharge of the superpriority portion of the lien by litigation. This process negates the purpose behind the unconventional HOA split-lien scheme: prompt and efficient payment of the HOA assessment fees on defaulted properties. UCIOA § 3-116 cmt. (amended 2008), 7 pt. 2 U.L.A. 124 (2009) (recognizing the superpriority lien “strikes an equitable balance between the need to enforce collection of unpaid assessments and the obvious necessity for protecting the priority of the security interests of lenders”). Accordingly, after tendering the superpriority portion of an HOA lien to preserve its interest as first deed of trust holder, a party is not required to pay the amount into court, and need only be ready and willing to pay to keep the tender good.

E.

SFR claims that even if Bank of America’s tender discharged the superpriority portion of the HOA lien, SFR’s status as a bona fide purchaser (BFP) gives it title to the property free and clear of Bank of America’s interest, citing *Shadow Wood Homeowners Ass’n v. New York Community Bancorp, Inc.*, 132 Nev. 49, 366 P.3d 1105 (2016). Bank of America responds that *Shadow Wood* is inapplicable because it concerned the bank as the owner of the property, not the deed of trust holder, and that SFR has failed to prove its BFP status.

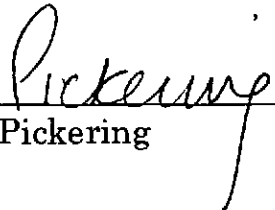

A party's status as a BFP is irrelevant when a defect in the foreclosure proceeding renders the sale void. *See Henke v. First S. Props., Inc.*, 586 S.W.2d 617, 620 (Tex. App. 1979) (“[T]he doctrine of good faith purchaser for value without notice does not apply to a purchaser at the void foreclosure sale.”); *see also* Baxter Dunaway, *Trustee's Deed: Generally*, 2 L. of Distressed Real Est. § 17:16 (2018) (“A void deed carries no title on which a bona fide purchaser may rely . . .”). Because a trustee has no power to convey an interest in land securing a note or other obligation that is not in default, a purchaser at a foreclosure sale of that lien does not acquire title to that property interest. *See id.*; *cf. Deep v. Rose*, 364 S.E.2d 228 (Va. 1988) (when defect renders a sale wholly void, “[n]o title, legal or equitable, passes to the purchaser”).

A foreclosure sale on a mortgage lien after valid tender satisfies that lien is void, as the lien is no longer in default. *See* 1 Grant S. Nelson, Dale A. Whitman, Ann M. Burkhart & R. Wilson Freyermuth, *Real Estate Finance Law* § 7:21 (6th ed. 2014) (“The most common defect that renders a sale void is that the mortgagee had no right to foreclose . . .”); *see also Henke*, 586 S.W.2d at 620 (concluding the payment of past-due installments cured loan's default such that subsequent foreclosure on the property was void). It follows that after a valid tender of the superpriority portion of an HOA lien, a foreclosure sale on the entire lien is void as to the superpriority portion, because it cannot extinguish the first deed of trust on the property.

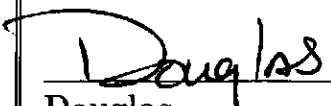

Because Bank of America's valid tender discharged the superpriority portion of the HOA's lien, the HOA's foreclosure on the entire lien resulted in a void sale as to the superpriority portion. Accordingly, the

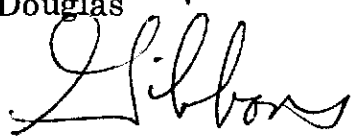

HOA could not convey full title to the property, as Bank of America's first deed of trust remained after foreclosure. See Baxter Dunaway, *Trustee's Deed: Generally*, 2 L. of Distressed Real Est. § 17:16 (2018) ("Any mortgages, deeds of trust, or liens which are senior to the deed of trust which is being foreclosed are unaffected by the foreclosure of the junior deed of trust.") As a result, SFR purchased the property subject to Bank of America's deed of trust. See UCIOA § 3-116 cmt. 2, illus. 3 (amended 2008), 7 pt. 1B U.L.A. 209 (Supp. 2018) (explaining that when a bank pays the superpriority portion of an HOA lien, the subsequent foreclosure sale "will not extinguish Bank's mortgage lien, and the buyer at the sale will take the unit subject to Bank's mortgage lien").

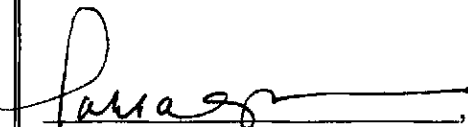

For these reasons, we reverse the district court's grant of summary judgment to SFR and remand this matter to the district court for further proceedings consistent with this opinion.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums

DOC ID #: [REDACTED]

any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or

DOC ID #: [REDACTED]

defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be

DOC ID # : [REDACTED]

paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is

DOC ID #: [REDACTED]

reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive

DOC ID #: [REDACTED]

from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees,

DOC ID #: [REDACTED]

property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

DOC ID #: [REDACTED]

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Assumption Fee. If there is an assumption of this loan, Lender may charge an assumption fee of U.S. \$ 300.00.

undersigned (the "Borrower") to secure Borrower's Note to
COUNTRYWIDE HOME LOANS, INC.

(the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

34 Innisbrook Ave
Las Vegas, NV 89113-1225
[Property Address]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in
THE COVENANTS, CONDITIONS, AND RESTRICTIONS FILED OF RECORD
THAT AFFECT THE PROPERTY

(the "Declaration"). The Property is a part of a planned unit development known as
ESTATES AT SPANISH TRAILS

[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

ADJUSTABLE RATE RIDER

(PayOption MTA Twelve Month Average Index - Payment Caps)

06-04-1186JLP

[Escrow/Closing #]

[Doc ID #]

THIS ADJUSTABLE RATE RIDER is made this SECOND day of JUNE, 2006, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to COUNTRYWIDE HOME LOANS, INC.

("Lender") of the same date and covering the property described in the Security Instrument and located at:

34 Innisbrook Ave
Las Vegas, NV 89113-1225
[Property Address]

THE NOTE CONTAINS PROVISIONS THAT WILL CHANGE THE INTEREST RATE AND THE MONTHLY PAYMENT. THERE MAY BE A LIMIT ON THE AMOUNT THAT THE MONTHLY PAYMENT CAN INCREASE OR DECREASE. THE PRINCIPAL AMOUNT TO REPAY COULD BE GREATER THAN THE AMOUNT ORIGINALLY BORROWED, BUT NOT MORE THAN THE MAXIMUM LIMIT STATED IN THE NOTE.

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for changes in the interest rate and the monthly payments, as follows:

* PayOption MTA ARM Rider
1E310-XX (09/05)(d)

Page 1 of 6

DOC ID #: [REDACTED]

2. INTEREST**(A) Interest Rate**

Interest will be charged on unpaid Principal until the full amount of Principal has been paid. Up until the first day of the calendar month that immediately precedes the first monthly payment due date set forth in Section 3 of the Note, I will pay interest at a yearly rate of 7.750 %. Additional days interest collected prior to the first monthly payment due date is sometimes called "Per Diem" interest and is due at the time I close my loan. Thereafter until the first Interest Rate Change Date, defined below in Section 2(B), I will pay interest at a yearly rate of 2.250 %. This rate is sometimes referred to as the "Start Rate" and is used to calculate the initial monthly payment described in Section 3. The interest rate required by this Section 2 of the Note is the rate I will pay both before and after any default described in Section 7(B) of the Note.

(B) Interest Rate Change Dates

The interest rate I will pay may change on the first day of AUGUST, 2006, and on that day every month thereafter. Each date on which my interest rate could change is called an "Interest Rate Change Date." The new rate of interest will become effective on each Interest Rate Change Date. The interest rate may change monthly, but the monthly payment is recalculated in accordance with Section 3.

(C) Index

Beginning with the first Interest Rate Change Date, my adjustable interest rate will be based on an Index. The "Index" is the "Twelve-Month Average" of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (H.15)" (the "Monthly Yields"). The Twelve Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12. The most recent Index figure available as of the date 15 days before each Interest Rate Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(D) Calculation of Interest Rate Changes

Before each Interest Rate Change Date, the Note Holder will calculate my new interest rate by adding THREE & 575/1000 percentage point(s) (3.575 %) ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Interest Rate Change Date. My interest will never be greater than 9.950 %. Beginning with the first Interest Rate Change Date, my interest rate will never be lower than the Margin.

3. PAYMENTS**(A) Time and Place of Payments**

I will make a payment every month.

▪ PayOption MTA ARM Rider
1E310-XX (09/05)

Page 2 of 6

DOC ID #: [REDACTED]

I will make my monthly payments on the FIRST day of each month beginning on August, 2006. I will make these payments every month until I have paid all the Principal and interest and any other charges described below that I may owe under the Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on JULY 01, 2046, I still owe amounts under the Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at
P.O. Box 10219, Van Nuys, CA 91410-0219

or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments until the first Payment Change Date will be in the amount of U.S. \$ 11,950.17, unless adjusted under Section 3 (F).

(C) Payment Change Dates

My monthly payment may change as required by Section 3(D) below beginning on the first day of AUGUST, 2007, and on that day every 12th month thereafter. Each of these dates is called a "Payment Change Date." My monthly payment also will change at any time Section 3(F) or 3(G) below requires me to pay a different monthly payment. The "Minimum Payment" is the minimum amount Note Holder will accept for my monthly payment which is determined at the last Payment Change Date or as provided in Section 3(F) or 3(G) below. If the Minimum Payment is not sufficient to cover the amount of the interest due then negative amortization will occur.

I will pay the amount of my new Minimum Payment each month beginning on each Payment Change Date or as provided in Section 3(F) or 3(G) below.

(D) Calculation of Monthly Payment Changes

At least 30 days before each Payment Change Date, the Note Holder will calculate the amount of the monthly payment that would be sufficient to repay the unpaid Principal that I am expected to owe at the Payment Change Date in full on the maturity date in substantially equal payments at the interest rate effective during the month preceding the Payment Change Date. The result of this calculation is called the "Full Payment." Unless Section 3(F) or 3(G) apply, the amount of my new monthly payment effective on a Payment Change Date, will not increase by more than 7.500% of my prior monthly payment. This 7.500% limitation is called the "Payment Cap." This Payment Cap applies only to the Principal and interest payment and does not apply to any escrow payments Lender may require under the Security Instrument. The Note Holder will apply the Payment Cap by taking the amount of my Minimum Payment due the month preceding the Payment Change Date and multiplying it by the number 1.075. The result of this calculation is called the "Limited Payment." Unless Section 3(F) or 3(G) below requires me to pay a different amount, my new Minimum Payment will be the lesser of the Limited Payment and the Full Payment.

EXCLUSIONS FROM COVERAGE

Following matters are expressly excluded from the coverage of this policy and the Company will not pay loss or damage, costs, attorneys' fees or expenses which arise by reason of:

- (a) Any law, ordinance or governmental regulation (including but not limited to building and zoning laws, ordinances, or regulations) restricting, regulating, prohibiting or relating to (i) the occupancy, use, or enjoyment of the land; (ii) the character, dimensions or location of any improvement now or hereafter erected on the land; (iii) a separation in ownership or a change in the dimensions or area of the land or any parcel of which the land is or was a part; or (iv) environmental protection, or the effect of any violation of these laws, ordinances or governmental regulations, except to the extent that a notice of the enforcement thereof or a notice of a defect, lien or encumbrance resulting from a violation or alleged violation affecting the land has been recorded in the public records at Date of Policy.
 - (b) Any governmental police power not excluded by (a) above, except to the extent that a notice of the exercise thereof or a notice of a defect, lien or encumbrance resulting from a violation or alleged violation affecting the land has been recorded in the public records at Date of Policy.
- Rights of eminent domain unless notice of the exercise thereof has been recorded in the public records at Date of Policy, but not excluding from coverage any taking which has occurred prior to Date of Policy which would be binding on the rights of a purchaser for value without knowledge of any subsequent owner of the indebtedness, to comply with applicable doing business laws of the state in which the land is situated.
- Defects, liens, encumbrances, adverse claims or other matters:
- (a) created, suffered, assumed or agreed to by the insured claimant;

 - (d) attaching or created subsequent to Date of Policy (except to the extent that this policy insures the priority of the lien of the insured mortgage over any statutory lien for services, labor or material); or
 - (e) resulting in loss or damage which would not have been sustained if the insured claimant had paid value for the insured mortgage.
- Unenforceability of the lien of the insured mortgage because of the inability or failure of the insured at Date of Policy, or the inability or failure of any subsequent owner of the indebtedness, to comply with applicable doing business laws of the state in which the land is situated.
- Invalidity or unenforceability of the lien of the insured mortgage, or claim thereof, which arises out of the transaction evidenced by the insured mortgage and is based upon usury or any consumer credit protection or truth in lending law.
- Any statutory lien for services, labor or materials (or the claim of priority of any statutory lien for services, labor or materials over the lien of the insured mortgage) arising from an improvement or work related to the land which is contracted for and commenced subsequent to Date of Policy and is not financed in whole or in part by proceeds of the indebtedness secured by the insured mortgage which at Date of Policy the insured has advanced or is obligated to advance.
- Any claim which arises out of the transaction creating the interest of the mortgagee insured by this policy, by reason of the operation of federal bankruptcy, state insolvency, or similar creditors' rights laws, that is based on:
- (a) the transaction creating the interest of the insured mortgagee being deemed a fraudulent conveyance or fraudulent transfer; or
 - (b) the subordination of the interest of the insured mortgagee as a result of the application of the doctrine of equitable subordination; or
 - (c) the transaction creating the interest of the insured mortgagee being deemed a preferential transfer except where the preferential transfer results from the failure:

CONDITIONS AND STIPULATIONS - (Continued from Reverse Side of Policy Face)

insured under this policy unless the Company shall be prejudiced by the failure of the insured to do so, then only to the extent of the prejudice.

DEFENSE AND PROSECUTION OF ACTIONS; DUTY OF INSURED CLAIMANT TO COOPERATE

(a) Upon written request by the insured and subject to the options contained in Section 6 of these Conditions and Stipulations, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an insured in litigation in which any third party asserts a claim adverse to the title or interest as insured, not only as to those stated causes of action alleging a defect, lien or encumbrance on other matter insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the insured to object for reasonable cause) to represent the insured as to those stated causes of action and shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs or expenses incurred by the insured in the defense of those causes of action which allege matters not insured against by this policy.

(b) The Company shall have the right, at its own cost, to institute and prosecute any action or proceeding or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured, or to prevent or reduce loss or damage to the insured. The Company may take any appropriate action under the term of this policy, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this policy. If the Company shall exercise its rights under this paragraph, it shall do so diligently.

(c) Whenever the Company shall have brought an action or interposed a defense as required or permitted by the provisions of this policy, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from any adverse judgment or order.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the insured shall cede to the Company the right to so prosecute or provide defense in the action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of the insured for this purpose. Whenever requested by the Company, the insured, at the Company's expense, shall give the Company all reasonable aid (i) in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured. If the Company is prejudiced by the failure of the insured to furnish the required cooperation, the Company's obligations to the insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

PROOF OF LOSS OR DAMAGE

In addition to and after the notices required under Section 3 of these Conditions and Stipulations have been provided the Company, a proof of loss or damage shall be sworn to by the insured claimant shall be furnished to the Company within 90 days after the insured claimant shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the defect in, or lien or encumbrance on the title, or other matter insured against by this policy which constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of the insured claimant to provide the required proof of loss or damage, the Company's obligations to the insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such proof of loss or damage.

In addition, the insured claimant may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Policy, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the insured claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the insured claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the insured claimant to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In the event of a claim under this policy, the Company shall have the following additional options:

(a) **To Pay or Tender Payment of the Amount of Insurance or to Purchase the Indebtedness.**

(i) To pay or tender payment of the amount of insurance under this policy together with any costs, attorneys' fees and expenses incurred by the insured claimant, which were authorized by the Company, up to the time of payment or tender of payment and which the Company is obligated to pay; or

(ii) to purchase the indebtedness secured by the insured mortgage for the amount owing thereon together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of purchase and which the Company is obligated to pay.

If the Company offers to purchase the indebtedness as herein provided, the

owner of the indebtedness shall transfer, assign, and convey the indebtedness to the insured mortgage, together with any collateral security, to the Company upon payment therefor.

Upon the exercise by the Company of either of the options provided for in paragraphs (i) or (ii), all liability and obligations to the insured under this policy other than to make the payment required in those paragraphs, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, and the policy shall be surrendered to the Company for cancellation.

(b) **To Pay or Otherwise Settle With Parties Other than the Insured or With the Insured Claimant.**

(i) to pay or otherwise settle with other parties for or in the name of an insured claimant any claim insured against under this policy, together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay; or

(ii) to pay or otherwise settle with the insured claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of either of the options provided for in paragraphs (i) or (ii), the Company's obligations to the insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute or continue any litigation.

7. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the insured claimant who has suffered loss or damage by reason of matters insured against by this policy and only to the extent hereinafter described.

(a) The liability of the Company under this policy shall not exceed the lesser of:

(i) the Amount of Insurance stated in Schedule A, or, if applicable, the amount of insurance as defined in Section 2 (c) of these Conditions and Stipulations;

(ii) the amount of the unpaid principal indebtedness secured by the insured mortgage as limited or provided under Section 8 of these Conditions and Stipulations or as reduced under Section 9 of these Conditions and Stipulations, at the time the loss or damage insured against by this policy occurs, together with interest thereon; or

(iii) the difference between the value of the insured estate or interest as insured and the value of the insured estate or interest subject to the defect, lien or encumbrance insured against by this policy.

(b) In the event the insured has acquired the estate or interest in the manner described in Section 2(a) of these Conditions and Stipulations or has conveyed the title, then the liability of the Company shall continue as set forth in Section 7 of these Conditions and Stipulations.

(c) The Company will pay only those costs, attorneys' fees and expenses incurred in accordance with Section 4 of these Conditions and Stipulations.

8. LIMITATION OF LIABILITY

(a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures the lack of a right of access to or from the land, or cures the claim of unmarketability of title, or otherwise establishes the lien of the insured mortgage, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

(b) In the event of any litigation, including litigation by the Company with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title or to the lien of the insured mortgage, as insured.

(c) The Company shall not be liable for loss or damage to any insured claimant liability voluntarily assumed by the insured in settling any claim or suit without the prior written consent of the Company.

(d) The Company shall not be liable for: (i) any indebtedness created subsequent to Date of Policy except for advances made to protect the lien of the insured mortgage and secured thereby and reasonable amounts expended to prevent deterioration of improvements; or (ii) construction loan advances made subsequent to Date of Policy, except construction loan advances made subsequent to Date of Policy for the purpose of financing in whole or in part the construction of an improvement to the land which at Date of Policy were secured by the insured mortgage and which the insured was and continued to be obligated to advance at or after Date of Policy.

9. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

(a) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto. However, any payments made prior to the acquisition of title to the estate or interest as provided in Section 2(a) of these Conditions and Stipulations shall reduce pro tanto the amount of the insurance afforded under this policy except to the extent that the payments reduce the amount of the indebtedness secured by the insured mortgage.

(b) Payment in part by any person of the principal of the indebtedness, or any other obligation secured by the insured mortgage, or any voluntary partial satisfaction or release of the insured mortgage, to the extent of the payment, satisfaction or release, shall reduce the amount of insurance pro tanto. The amount of insurance may thereafter be increased by accruing interest and advances made to protect the lien of the insured mortgage and secured thereby, with interest thereon, provided in no event shall the amount of insurance be greater than the Amount of Insurance stated in Schedule A.

CONDITIONS AND STIPULATIONS - (Continued and Concluded From Reverse Side)

(c) Payment in full by any person or the voluntary satisfaction or release of insured mortgage shall terminate all liability of the Company except as provided in Section 2(a) of these Conditions and Stipulations.

LIABILITY NONCUMULATIVE

If the insured acquires title to the estate or interest in satisfaction of the indebtedness secured by the insured mortgage, or any part thereof, it is expressly understood that the amount of insurance under this policy shall be reduced by any amount the Company may pay under any policy insuring a mortgage to which this policy is taken in Schedule B or to which the insured has agreed, assumed, or is subject, or which is hereafter executed by an insured and which is a charge on the estate or interest described or referred to in Schedule A, and the amount paid shall be deemed a payment under this policy.

PAYMENT OF LOSS

(a) No payment shall be made without producing this policy for endorsement of the payment unless the policy has been lost or destroyed, in which case a copy of loss or destruction shall be furnished to the satisfaction of the Company.

(b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be paid within 30 days thereafter.

SUBROGATION UPON PAYMENT OR SETTLEMENT

(a) The Company's Right of Subrogation.

Whenever the Company shall have settled and paid a claim under this policy, its right of subrogation shall vest in the Company unaffected by any act of the insured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the insured claimant would have had against any person or property in respect to the claim had this policy not been issued. If requested by the Company, the insured claimant shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The insured claimant shall permit the Company to sue, compromise or settle in the name of the insured claimant and to use the name of the insured claimant in any action or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the insured claimant, the Company shall be subrogated to all rights and remedies of the insured claimant which the insured claimant shall have recovered its principal, interest, and costs of collection.

(b) The Insured's Rights and Limitations.

Notwithstanding the foregoing, the owner of the indebtedness secured by the insured mortgage, provided the priority of the lien of the insured mortgage or its enforceability is not affected, may release or substitute the personal liability of any person or guarantor, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the insured mortgage, or use any collateral security for the indebtedness.

When the permitted acts of the insured claimant occur and the insured has knowledge of any claim of title or interest adverse to the title to the estate or interest or the priority or enforceability of the lien of the insured mortgage, as insured, the Company shall be required to pay only that part of any losses insured under this policy which shall exceed the amount, if any, lost to the Company because of the impairment by the insured claimant of the Company's right of subrogation.

(c) The Company's Rights Against Non-Insured Obligors.

The Company's right of subrogation against non-insured obligors shall exist and

shall include, without limitation, the rights of the insured to indemnities, guarantees, other policies of insurance or bonds, notwithstanding any terms or conditions contained in those instruments which provide for subrogation rights by reason of this policy.

The Company's right of subrogation shall not be avoided by acquisition of title to the insured mortgage by an obligor (except an obligor described in Section 1(a)(ii) of these Conditions and Stipulations) who acquires the insured mortgage as a result of an indemnity, guarantee, other policy of insurance, or bond and the obligor will not be an insured under this policy, notwithstanding Section 1(a)(i) of these Conditions and Stipulations.

13. ARBITRATION

Unless prohibited by applicable law, either the Company or the insured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the insured arising out of or relating to this policy, any service of the Company in connection with the issuance or the breach of a policy provision or other obligation. All arbitrable matters when the Amount of Insurance is \$1,000,000 or less shall be arbitrated at the option of either the Company or the insured. All arbitrable matters when the Amount of Insurance is in excess of \$1,000,000 shall be arbitrated only when agreed to by both the Company and the insured. Arbitration pursuant to this policy and under the Rules in effect on the date the demand for arbitration is made or, at the option of the insured, the Rules in effect at Date of Policy shall be binding upon the parties. The award may include attorneys' fees only if the laws of the state in which the land is located permit a court to award attorneys' fees to a prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules.

A copy of the Rules may be obtained from the Company upon request.

14. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT

(a) This policy together with all endorsements, if any, attached hereto constitute the entire policy and contract between the insured and the Company. In interpreting any provision of this policy, this policy shall be construed as a whole.

(b) Any claim of loss or damage, whether or not based on negligence, and which arises out of the status of the lien of the insured mortgage or of the title to the estate or interest covered hereby or by any action asserting such claim, shall be restricted to this policy.

(c) No amendment of or endorsement to this policy can be made except by a writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

15. SEVERABILITY

In the event any provision of this policy is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision and all other provisions shall remain in full force and effect.

DECLARATION OF RESTRICTIONS
Estates West at Spanish Trail

THIS DECLARATION OF RESTRICTIONS is made as of this day of _____, 1988, by SPANISH TRAIL ASSOCIATES, a Nevada limited partnership (hereinafter called "Declarant"), with reference to the following

RECITALS:

A. Declarant is the developer of the real property located in Clark County, Nevada, more particularly described on Exhibit "A" attached hereto and incorporated herein (hereinafter called the "Planned Unit Development Properties"), and Declarant owns portions of the same.

B. Declarant intends to develop and improve certain of the Planned Unit Development Properties in Phases and offer the same for sale to the public as (i) residential Lots for custom homes to be built by the Lot Owners and/or Declarant, who may also build production homes thereon, (ii) detached patio homes, and (iii) attached homes.

C. It is intended that this Declaration encumber and affect, in Phases, those portions of the Planned Unit Development Properties referred to in Recital B(i) above which are or will be covered by maps entitled "ESTATES AT SPANISH TRAIL NO. 5" and "ESTATES AT SPANISH TRAIL NO. 6"; that is the residential Lots for custom homes to be built by Lot Owners and/or Declarant who may also build production homes thereon located within the westerly one-half of the Planned Unit Development Properties. Such portions of the Planned Unit Development Properties are referred to herein as the "Estates West".

D. The first Phase of development of the Estates West consists of 39 Lots described as follows:

Lots 1 through 39, inclusive, and Parcel B of ESTATES AT SPANISH TRAIL NO. 5, filed with the County Recorder of Clark County, Nevada on July 27, 1988 in Book 40 of Plats, Page 6, and is hereinafter referred to as "Phase 1".

8/10/88

-1-

E. When completely developed, it is estimated that there will be approximately 3,000 residential units within the Planned Unit Development Properties and approximately 50 residential lots within Estates West. Although Declarant is not obligated to do so, Declarant intends to annex subsequent Phase(s) of the Estates West to the lien and charge of this Declaration of Restrictions and thereby cause the individual Owners of Lots therein to become members of ESTATES WEST AT SPANISH TRAIL ASSOCIATION, a Nevada nonprofit corporation.

F. Given the size and complexity of the Estates West and the Planned Unit Development Properties, the exact phasing of the Estates West and the exact uses as residential Lots, custom homes and production detached homes has not yet been finally determined. In general, however, it is intended that the Estates West and the Planned Unit Development Properties be developed in a manner consistent with the Resolution of Intent to Reclassify Real Property approved by Clark County on December 7, 1993 (hereinafter referred to as the "Master Development"). There is, however, no guaranty nor obligation that the Estates West and the Planned Unit Development Properties will be developed in their entirety or in the manner so approved by Clark County.

G. The Master Development includes properties owned by Declarant in addition to the Planned Unit Development Properties which may be developed for mixed residential, commercial and recreational uses, including development of a privately-owned and operated golf club. Ownership of a residence within the Estates West will not mandate membership in the private golf club.

H. In connection with the development of the Estates West, Declarant has caused to be formed ESTATES WEST AT SPANISH TRAIL ASSOCIATION, a Nevada nonprofit corporation (hereinafter called the "Association"), which is the homeowners association for the overall development of the Estates West. Each Lot in Phase 1 shall have appurtenant to it a Class A membership in the Association. Upon annexation of additional Phases to this Declaration, it is planned that Owners of residences therein shall also become members of the Association. There is no guarantee that such annexation will occur.

I. The Association will be given fee ownership to certain private streets and "Estates Common Area" within the Estates West and any limited access gates pertaining to the same. The Association may also be given easements on behalf of its members and/or fee title to certain other areas which, if given, it shall maintain, manage and control. The real property to be owned by the Association upon the conveyance of the first Lot in Phase 1 be an Owner are described as follows:

9/10/88

-2-

Parcel 5 shown on ESTATES AT SPANISH TRAIL
NO. 5, filed for record with the County
Recorder of Clark County, Nevada, on July 27,
1988 in Book 40, Page 6 of Plats.

All property owned in fee and other property rights (including, but not limited to, any easements) owned by the Association is hereinafter referred to as the "Association Property".

J. All Association Property shall be maintained by the Association and as set forth below be subject to the Association management and control for the benefit of its members.

K. Before selling or conveying any interest in Phase 1, Declarant desires to subject the Lots in Phase 1 in accordance with a common plan to certain covenants, conditions and restrictions for the benefit of Declarant and any and all present and future owners of the Planned Unit Development Properties.

NOW, THEREFORE, Declarant hereby certifies and declares and does hereby establish the following general plan for the protection and benefit of the Planned Unit Development Properties, and has fixed and does hereby fix the following protective covenants, conditions and restrictions upon each and every ownership interest in Phase 1 under and pursuant to which covenants, conditions and restrictions each ownership interest in Phase 1 shall hereafter be held, used, occupied, leased, sold, encumbered, conveyed and/or transferred. Each and all of the covenants, conditions and restrictions set forth herein are for the purpose of protecting the value and desirability of and inure to the benefit of all of the Planned Unit Development Properties and shall run with and be binding upon and pass with Phase 1 and each and every ownership interest therein, together with such additional portions of the Planned Unit Development Properties which become annexed hereto, and shall inure to the benefit of and apply to and bind respective successors in interest in title or interest of Declarant.

6/10/23

-5-

appurtenant to and shall pass with the title to each Lot, subject to the following provision:

(a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Association Property; Declarant does not contemplate that any recreational facilities will exist within the Association Property.

(b) The right of the Association, after an opportunity for a hearing before the Board as provided in the Bylaws, to suspend the voting rights and right to use of any recreational facilities by an Owner for nonpayment of any assessment by the Association against his Lot or if he is otherwise in breach of his obligations under this Declaration, or the Bylaws or the rules and regulations of the Board, all as set forth in the Bylaws. Declarant does not contemplate that the Association Property will include recreational amenities.

(c) The right of the Association to dedicate or transfer all or any part of the Association Property to any public agency, authority or utility subject to such conditions as may be agreed to by the Association members. No such dedication or transfer shall be effective except upon the vote or written consent of two-thirds (2/3) of each class of members of the Association. The granting of easements for utilities or for other purposes consistent with the intended use of the Association Property, and the granting of easements for maintenance purposes, shall be deemed not to be a dedication or transfer requiring the vote or written consent of the Association members. The Board shall have the right and duty to transfer the Association Property to a corporation, if any, to which all the Owners are members and which was established by the Board as the successor to the Association's rights and obligations hereunder and to replace the Association upon its termination.

(d) The right of the Association to adjust the boundaries between the Association Property and one or more Lots and to transfer such portions to the Owners of the respective Lot(s), provided that such transfer does not impede access or utilities to any Lot.

(e) The right of the Association to transfer exclusive use easements to the Owners of one or more

-6-

lots, provided that such easements do not impede access or utilities to any Lot.

(f) The right of the Board to adopt rules and regulations regarding reasonable use of the Association Property. Such rules and regulations proscribe parking on the Association Property, including private streets, but shall not deny any Owner access to his Lot.

(g) The right of Declarant to use the Association Property for sales, development and related activities, together with the right of Declarant to transfer such easements to others.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Association Property and facilities to the members of his family, his tenants or contract purchasers who reside on his Lot; provided, however, that if any Owner delegates such right of enjoyment to tenants or contract purchasers, neither the Owner nor his family shall be entitled to use recreational facilities (if any) by reason of ownership of that Lot during the period of delegation. Guests of an Owner may use such facilities only in accordance with rules and regulations adopted by the Board.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 1. Membership in Association. Every Owner shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Every Owner shall promptly, fully and faithfully comply with and abide by the Bylaws and the rules and regulations adopted from time to time by the Board and the officers of the Association.

Section 2. Classes of Membership. The Association shall have two (2) classes of voting membership, as set forth in the Bylaws.

Section 3. Duty of Association. The Association, acting through the Board, shall have the sole and exclusive right and duty to manage, operate, control, repair, replace and restore the Association Property, together with the improvements, trees, shrubbery, plants and grass thereon, all as more fully set forth in the Bylaws and the terms and conditions pursuant to which the Association owns the Association Property.

6/12/88

-7-

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS TO ASSOCIATION

Section 1. Creation of Liens. The Declarant, for each Lot owned, hereby covenants, and each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (i) regular assessments, and (ii) special assessments, such assessments to be established and collected as provided in the Bylaws. The regular and special assessments, together with interest, costs, late payment charges and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, late payment charges and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. Late payment charges shall be in the amount provided for in the Bylaws.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of its members and for the improvement and maintenance of the Association Property.

Section 3. Uniform Rate of Assessments. Except as may be otherwise provided in the Bylaws, both regular and special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis or otherwise as determined by the Board.

Section 4. Commencement of Assessments. The regular assessments provided for herein shall commence as to each Lot in Phase 1 on the first day of the month following the first conveyance by Declarant of such Lot to an Owner. Regular assessments shall so commence on each Lot in each subsequent Phase on the first day of the month following the first conveyance by Declarant of any such Lot in each respective subsequent Phase. Written notice of the regular assessment shall be sent to every Owner subject thereto. The amount and due dates of the regular assessment shall be established by the Board as provided in the Bylaws. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association.

3/10/88

-8-

setting forth whether the assessments on a specified Lot have been paid.

Section 5. Delinquent Assessments. Any assessment made by the Association in accordance with this Declaration shall be a debt of the Owner of a Lot at the time the assessment is made. Any assessment not paid within fifteen (15) days after the due date shall bear interest from the due date at the rate provided for in the Bylaws and a late charge may be imposed for each such late payment in the amount provided for in the Bylaws. The Association may bring an action at law against the Owner personally obligated to pay the same, and in addition thereto or in lieu thereof, may foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Association Property or abandonment of his Lot.

Any assessment not paid within fifteen (15) days after the due date shall be delinquent. The amount of any such delinquent assessment, plus any other charges thereof, as provided for in this Declaration, shall be and become a lien upon the Lot when the Association causes to be recorded with the County Recorder of Clark County, a Notice of Delinquent Assessment, which shall state the amount of such delinquent assessment and such other charges thereon as may be authorized by this Declaration, a description of the Lot against which the same has been assessed and the name of the record owner thereof. Such notice shall be signed by the President or Vice President, and the Secretary or Assistant Secretary of the Association. Upon payment of such delinquent assessment and charges in connection with which such notice has been so recorded, or other satisfaction thereof, the Association shall cause to be recorded a further notice stating the satisfaction and the release of the lien thereof.

Unless sooner satisfied and released, or the enforcement thereof initiated as hereinafter provided, such lien shall expire and be of no further force and effect two (2) years from the date of recordation of the Notice of Delinquent Assessment. The two (2) year period may be extended by the Association for not to exceed two (2) additional years by recording a written extension thereof.

Such lien may be enforced by sale by the Association, its attorney or other person authorized to make the sale, after failure of the Owner to pay such assessment in accordance with its terms, such sale to be conducted in accordance with the provisions of Covenants Nos. 6, 7 and 8 of Nevada Revised Statutes 107.030 and 107.090 insofar as they are consistent with the provisions of Nevada Revised Statutes 278A.160 or in any other manner permitted by law. The Association shall have the

8/10/88

-9-

power to purchase the Lot at foreclosure sale and to hold, lease, mortgage and convey the same.

Section 6. Subordination to First Mortgage. The lien of the assessments provided for herein shall be prior to all other liens recorded subsequent to the recordation of the Notice of Delinquent Assessment, except that the lien of the assessment, provided for herein, shall be subordinate to the lien of any first Mortgage given for value, and the sale or transfer of any Lot pursuant to first Mortgage foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereon.

Section 7. Trust Account. The Association shall immediately deposit the regular and special assessments it receives in a trust account maintained by it with a bank or recognized depository in the State of Nevada.

ARTICLE V

INSURANCE

Section 1. Hazard Insurance - Association. The Association shall keep (i) any building in the Association Property insured against loss by fire and the risks covered by a Standard All Risk of Loss Perils insurance policy under an extended coverage casualty policy in the amount of the maximum insurable replacement value thereof (no buildings are currently planned for the Association Property), and (ii) all personalty owned by the Association insured with coverage in the maximum insurable fair market value of such personalty as determined annually by an insurance carrier selected by the Association. Insurance proceeds for improvements in the Association Property and personalty owned by the Association shall be payable to the Association. In the event of any loss, damage or destruction, the Association may cause the same to be replaced, repaired or rebuilt if it occurred in the Association Property. In the event the cost of such replacement, repair or rebuilding of the Association (a) exceeds the insurance proceeds available therefor, or (b) no insurance proceeds are available therefor, the deficiency of full cost thereof shall be assessed to the Owners as a special assessment pursuant to the terms of this Declaration and the Bylaws.

Section 2. Liability Insurance - Association. The Association shall procure and keep in force public liability insurance in the name of the Association and in the name of the Owners against any liability for personal injury or property damage resulting from any occurrence in or about the Association Property in an amount not less than \$500,000.00 in indemnity against

8/10/88

-10-

the claim of one (1) person in one (1) accident or event and not less than \$1,000,000.00 against the claims of two (2) or more persons in one (1) accident or event, and not less than \$100,000.00 for damage to property.

Section 3. Inspection of Policies - Association. Copies of all such insurance policies obtained by the Association (or certificates thereof showing the premiums thereon to have been paid) shall be retained by the Association and open for inspection by Owners at any reasonable time(s). All such insurance policies shall (i) provide that they shall not be cancellable by the insurer without first giving at least ten (10) days' prior notice in writing to the Association, and (ii) contain a waiver of subrogation by the insurer(s) against the Association, the Board and Owners.

Section 4. Federal National Mortgage Association ("FNMA") Requirements. Anything contained herein to the contrary notwithstanding the Association shall maintain such bonding and insurance coverage as may be required by FNMA so long as FNMA holds a Mortgage on or owns any Lot.

Section 5. Other Insurance; Annual Review. The Association may purchase such other insurance as it may deem necessary, including, but not limited to, plate-glass insurance, workmen's compensation, officers' and directors' liability, errors and omission insurance and blanket policies of hazard insurance for the LOTS. The Board shall annually determine whether the amounts and types of insurance it has obtained provide adequate coverage for the Association in light of inflation, practice in the area in which the Planned Unit Development Properties are located, or any other factor which tends to indicate that either additional insurance policies or increased coverage under existing policies are necessary or desirable to protect the interests of the Association. If the Board determines that increased coverage or additional insurance is appropriate, it shall obtain the same.

Section 6. Premiums and Proceeds. Insurance premiums for any such blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Association shall be an expense to be included in the annual assessments levied by the Association. The Association is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers. Any three (3) directors of the Association may sign a loss claim, and such signatures shall be binding on the Association and the Members.

ARTICLE VI

CONDEMNATION

In the event the Association Property or any portion thereof shall be taken for public purposes by condemnation as a result of any action or proceeding in eminent domain, or shall be transferred in lieu of condemnation to any authority entitled to exercise the power of eminent domain, then the award or consideration for such taking or transfer shall be paid to and belong to the Association.

ARTICLE VII

MAINTENANCE AND LANDSCAPING RESPONSIBILITIES

Section 1. Association Maintenance. The Association shall maintain, repair and replace the Association Property.

Section 2. Owner Maintenance. MASTER
DECLARATION OF RESTRICTIONS
Spanish Trail

THIS MASTER DECLARATION OF RESTRICTIONS is made as of this 28th day of February, 1984, by SPANISH TRAIL ASSOCIATES, a Nevada limited partnership (hereinafter called "Declarant"), with reference to the following

RECITALS:

A. Declarant is the owner of the real property located in Clark County, Nevada, more particularly described on Exhibit "A" attached hereto and incorporated herein (hereinafter called the "Planned Unit Development Properties").

B. Declarant intends to develop and improve certain of the Planned Unit Development Properties in Phases and offer the same for sale to the public as (i) residential lots for custom homes to be built by the Lot Owners and/or Declarant, who may also build production homes thereon, (ii) detached patio homes, and (iii) attached homes.

C. The first Phase of development of the Planned Unit Development Properties consists of 58 Lots described as follows:

Lots 1 through 58, inclusive, of ESTATES AT SPANISH TRAIL UNIT 1 filed with the County Recorder of Clark County, Nevada on MARCH 1, 1984 in Book 31 of Plats, Page 9

and is hereinafter referred to as "Phase I".

D. When completely developed, it is estimated that there will be approximately 3,000 residential units within the Planned Development Properties. Although Declarant is not obligated to do so, Declarant intends to annex subsequent Phases of the Planned Unit Development Properties to the lien and charge of this Master Declaration of Restrictions and thereby cause the individual Owners of residences therein to become members of SPANISH TRAIL MASTER ASSOCIATION, a Nevada nonprofit corporation.

E. Given the size and complexity of the Planned Unit Development Properties, the exact phasing of the same and the exact uses as residential lots, custom homes and production detached and attached homes has not yet been finally determined. In general, however, it is intended that the Planned Unit Development Properties be developed in a manner consistent with the Resolution of Intent to Reclassify Real Property (hereinafter referred to as the "Master Development") approved by Clark County

885

1844877

on December 7, 1983. There is, however, no guaranty nor obligation that the Planned Unit Development Properties will be developed in their entirety or in the manner so approved by Clark County.

F. The Master Development includes properties owned by Declarant in addition to the Planned Unit Development Properties which may be developed for mixed residential, commercial and recreational uses, including development of a privately-owned and operated golf club. Ownership of a residence within the Planned Unit Development Properties will not mandate membership in the private golf club.

G. In connection with the development of the Planned Unit Development Properties, Declarant has caused to be formed SPANISH TRAIL MASTER ASSOCIATION, a Nevada nonprofit corporation (hereinafter called the "Master Association"), which is the homeowners association for the overall development of the Planned Unit Development Properties. Each Lot in Phase I shall have appurtenant to it a Class A membership in the Master Association. Upon annexation of additional Phases to this Master Declaration, it is planned that Owners of residences therein shall also become members of the Master Association. There is no guarantee that such annexation will occur.

H. The Master Association will be given non-exclusive access easement rights to certain private streets within the Planned Unit Development Properties, as well as landscaping easements to certain landscaped areas generally located outside the perimeter wall installed by Declarant for the Planned Unit Development Properties. Eventually, the Master Association may be given fee title to certain private streets. In addition, the Master Association will be given easements to maintain that portion of such wall which lies within Phase I. The easements to be owned by the Master Association on behalf of its members upon the conveyance of the first Lot in Phase I to an Owner are described as follows:

Easements for ingress and egress, street maintenance and repair and utility and utility repair, security and security system repair purposes over, under, upon and across Spanish Trail Lane, as shown on ESTATES AT SPANISH TRAIL UNIT 1, filed with the County Recorder of Clark County, Nevada on MARCH 1, 1984 in Book 31 of Plats, Page 9.

Together with easements for wall, wall maintenance, landscaping and landscaping maintenance purposes over, under, upon and across the Master Common Area as shown on ESTATES AT SPANISH TRAIL UNIT 1, filed with the County Recorder of Clark

1885

1844877

County, Nevada on MARCH 1, 1984 in Book 31
of Plans, Page 9.

All easements and other property rights (including, but not limited to, any ownership in fee simple) owned by the Master Association is hereinafter referred to as the "Master Association Property".

I. It is further intended that the Master Association eventually become the owner in fee simple of certain real property within the Planned Unit Development Properties which Declarant is obligated to develop and improve with a tennis clubhouse and tennis court facilities, pursuant to an Agreement Between the Club, Master Association and Developer effective February 15, 1984. Such Agreement obligates Declarant to build the tennis facilities in phases, with the first improvements consisting of five (5) tennis courts to be completed on or before April 15, 1985. All Master Association Property shall be maintained by the Master Association and as set forth below be subject to the Master Association management and control for the benefit of its members. As stated in Recital H, it is intended that the Master Association maintain (i) the wall which separates Lots which have become subject to this Declaration from Master Association Property, and/or public streets, together with (ii) landscaping which exists between the wall and the adjacent public street. Some of the landscaped areas may be located on Master Association Property and other of the landscaped areas may be located within public rights-of-way but subject to maintenance by the Master Association, pursuant to agreement with Clark County and the Master Association and/or Declarant.

J. Before selling or conveying any interest in Phase I, Declarant desires to subject the Lots in Phase I in accordance with a common plan to certain covenants, conditions and restrictions for the benefit of Declarant and any and all present and future Owners of the Planned Unit Development Properties.

NOW, THEREFORE, Declarant hereby certifies and declares and does hereby establish the following general plan for the protection and benefit of the Planned Unit Development Properties, and has fixed and does hereby fix the following protective covenants, conditions and restrictions upon each and every ownership interest in Phase I under and pursuant to which covenants, conditions and restrictions each ownership interest in Phase I shall hereafter be held, used, occupied, leased, sold, encumbered, conveyed and/or transferred. Each and all of the covenants, conditions and restrictions set forth herein are for the purpose of protecting the value and desirability of and inure to the benefit with and be binding upon and pass with Phase I and each and every ownership interest therein, together with such additional portions of the Planned Unit Development Properties which become

-3-

annexed hereto, and shall inure to the benefit of and apply to and bind respective successors in interest in title or interest of Declarant.

1885

1844877

(a) The right of the Master Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Master Association Property.

(b) The right of Declarant to use the Master Association Property for sales, development and related activities, together with the right of Declarant to transfer such easements to others.

Guests of an Owner may use such facilities only in accordance with rules and regulations adopted by the Board, which rules and regulations may limit the number of guests who may use such facilities. Section 3. Management of Security System. The Master Association shall manage and control the security gate and other amenities of the security system and the Board may promulgate reasonable rules and regulations regarding the usage by Owners and their guests of the security gate and the types of alarms and other equipment which may be connected to the system.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS TO MASTER ASSOCIATION

Section 1. Creation of Liens. The Declarant, for each Lot owned, hereby covenants, and each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Master Association: (i) regular assessments, and (ii) special assessments, such assessments to be established and collected as provided in the Bylaws. The regular and special assessments, together with interest, costs, late payment charges and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, late payment charges and reasonable attorney's fees, shall also

-8-

885

1844877

12

be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. Late payment charges shall be in the amount provided for in the Bylaws.

Section 2. Purpose of Assessments. The assessments levied by the Master Association shall be used exclusively to promote the recreation, health, safety and welfare of its members and for the improvement, management and maintenance of the Master Association Property and the maintenance requirements pursuant to this Declaration covering the Master Association Property.

Section 3. Uniform Rate of Assessments. Except as may be otherwise provided in the Bylaws, both regular and special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis or otherwise as determined by the Board.

Section 4. Commencement of Assessments. The regular assessments provided for herein shall commence as to each Lot in Phase 1 on the first day of the month following the first conveyance by Declarant of any such Lot to an Owner. Regular assessments shall so commence on each Lot in each subsequent Phase on the first day of the month following the first conveyance by Declarant of any such Lot in each respective subsequent Phase. It is not intended that regular assessments commence as a result of any conveyance of a Lot to a successor Declarant. Declarant shall have the right to cause regular assessments to earlier commence by recording a written notice of commencement of regular assessments with the County Recorder of Clark County, Nevada, which describes the date of commencement and the affected Lots. Written notice of the regular assessment shall be sent to every Owner subject thereto. The amount and due dates of the regular assessment shall be established by the Board as provided in the Bylaws. The Master Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Master Association setting forth whether the assessments on a specified Lot have been paid. Anything herein to the contrary notwithstanding, no regular assessments shall commence pursuant to this Section 4 prior to January 1, 1985.

Section 5. Delinquent Assessments. Any assessment made by the Master Association in accordance with this Declaration shall be a debt of the Owner of a Lot at the time the assessment is made. Any assessment not paid within fifteen (15) days after the due date shall bear interest from the due date at the rate provided for in the Bylaws and a late charge may be imposed for each such late payment in the amount provided for in the Bylaws. The Master Association may bring an action at law against the Owner

1885

1844877

personally obligated to pay the same, and in addition thereto or in lieu thereof, may foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Master Association Property or abandonment of his Lot.

Any assessment not paid within fifteen (15) days after the due date shall be delinquent. The amount of an, such delinquent assessment, plus any other charges thereof, as provided for in this Declaration, shall be and become a lien upon the Lot when the Master Association causes to be recorded with the County Recorder of Clark County, a Notice of Delinquent Assessment, which shall state the amount of such delinquent assessment and such other charges thereon as may be authorized by this Declaration, a description of the Lot against which the same has been assessed and the name of the record owner thereof. Such notice shall be signed by the President or Vice President, and the Secretary or Assistant Secretary of the Master Association. Upon payment of such delinquent assessment and charges in connection with which such notice has been so recorded, or other satisfaction thereof, the Master Association shall cause to be recorded a further notice stating the satisfaction and the release of the lien thereof.

Unless sooner satisfied and released, or the enforcement thereof initiated as hereinafter provided, such lien shall expire and be of no further force and effect two (2) years from the date of recordation of the Notice of Delinquent Assessment. The two (2) year period may be extended by the Master Association for not to exceed two (2) additional years by recording a written extension thereof.

Such lien may be enforced by sale by the Master Association, its attorney or other person authorized to make the sale, after failure of the Owner to pay such assessment in accordance with its terms, such sale to be conducted in accordance with the provisions of Covenants Nos. 6, 7 and 8 of Nevada Revised Statutes 107.030 and 107.090 insofar as they are consistent with the provisions of Nevada Revised Statutes 278A.160 or in any other manner permitted by law. The Master Association shall have the power to purchase the Lot at foreclosure sale and to hold, lease, mortgage and convey the same.

Section 6. Subordination to First Mortgages. The lien of the assessments provided for herein shall be prior to all other liens recorded subsequent to the recordation of the Notice of Delinquent Assessment, except that the lien of the assessment, provided for herein, shall be subordinate to the lien of any first Mortgage given for value, and the sale or transfer of any Lot pursuant to first Mortgage foreclosure shall extinguish the

-10-

1885

1844877

lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereon.

Section 7. Trust Account. The Master Association shall immediately deposit the regular and special assessments it receives in a trust account maintained by it with a bank or recognized depository in the State of Nevada.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. Architectural Committee. There shall be an initial "Architectural Committee" (sometimes hereinafter "ARC") consisting of five (5) persons, each appointed by Declarant. Until ten (10) years following the date of conveyance by Declarant of the first Lot to a purchaser thereof, each member of the Architectural Committee shall be subject to removal at the direction of the Declarant at any time and from time to time, and all vacancies on the Architectural Committee shall be filled by appointment of the Declarant. Commencing ten (10) years following the date of conveyance by Declarant of the first Lot to a retail purchaser thereof or upon Declarant resigning its right to appoint Architectural Committee members, whichever shall first occur, the Board shall have the power to appoint all members of the Architectural Committee. Members of the Architectural Committee appointed by the Board shall be members of the Master Association. The Architectural Committee is hereby deemed to be an independent committee of the Board and shall be subject to all requirements of any Directors' and Officers' Liability Insurance obtained by the Master Association so that such members of the Architectural Committee are covered thereby; provided, however, Architectural Committee members need not be members of the Board.

Section 2. ARC Approval. No building or other structure or improvement, including, but not limited to, landscaping, shall be erected, placed or altered upon any Lot until the location and the complete plans and specifications thereof (including the color scheme of each building, fence and/or wall to be erected) have been approved in writing by the ARC. The ARC shall provide guidelines for the submission of plans and specifications which may be amended by the ARC from time to time. Such guidelines shall set forth both procedural requirements of submittal to the ARC as well as architectural, landscaping and other applicable

00 1885

1844877

substantive specifications. A reasonable fee may be imposed on applicants for review by the ARC. Failure to comply with the requirements for ARC approval shall be deemed sufficient basis for the ARC to refuse to review the submission. In the event the ARC fails to approve or disapprove the location, plans and specifications or other request made of it within sixty (60) days after the submission thereof to it, then such approval will not be required, provided any improvement so made conforms to all other conditions and restrictions herein contained and is in harmony with similar improvements erected within the project. No alteration shall be made in the exterior color design or openings of any building or other construction unless written approval of said alteration shall have been obtained from the ARC. The grade, level or drainage characteristics of any Lot shall not be altered without the prior written consent of the ARC. When the ARC issues an approval as provided for herein, a copy of the plans and specifications shall be returned to the ARC for permanent record. Anything herein to the contrary notwithstanding, approval by the ARC is not exclusive and all plans and specifications required to be approved by Clark County, whether through the building permit process or otherwise, shall be so approved prior to the commencement of any work.

Section 3. Interpretation. All question of interpretation or construction of any of the terms or conditions in this Article shall be resolved by the ARC, and its decision shall be final, binding and conclusive on all of the parties affected.

Section 4. Violations. In the event violation of these restrictions exists, or in the event of the failure of any individual Owner to comply with a written directive or order from the ARC, then in such event, the ARC shall have the right and authority to perform the subject matter of such directive or order, including, if necessary, the right to enter upon the Lot and the cost of such performance shall be charged to the Owner of the Lot in question, which cost shall be due within five (5) days after receipt of written demand therefor, and may be recovered by the ARC in an action at law against such individual Owner.

Section 5. Submission of Plans and Specifications. When plans and specifications for the construction of improvements are submitted to the ARC pursuant to these restrictions, said submission shall, at the request of the ARC, be accompanied by a maximum deposit of \$1,000.00 to guarantee that the construction site during the course of construction will be maintained reasonably free of debris at the end of each working day and that the construction will be completed and the drainage swales and structures will correctly drain surplus water to the street or other approved locations, all as shown on the plans and specifications submitted to the ARC for approval. In the event of a violation

-12-

885

844877

of this restriction, the ARC may give written notice thereof to the builder and Owner of the Lot in question that if such violation is not cured or work commenced to cure the same within forty-eight (48) hours after the mailing of said notice, the ARC may correct or cause to be corrected said violation and use said deposit, or as much thereof, as may be necessary to cover the cost of such correction work. In the event that the cost of curing said violation shall exceed the amount of said deposit, said excess cost shall be paid by the Owner of the Lot in question to the ARC. Said deposit, or any part thereof remaining in the hands of the ARC at the completion of the construction work, shall be returned by the ARC to the person who made the deposit.

Section 6. Inspection. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required under this Article, the Owner shall give written notice of completion to the ARC.

(b) Within ninety (90) days thereafter, the ARC or its duly authorized representative, may inspect such improvement. If the ARC finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such ninety (90) day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

(c) If, upon the expiration of thirty (30) days from the date of such notification, the Owner shall have failed to remedy such noncompliance, the ARC shall notify the Board in writing of such failure. After affording such Owner notice and hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than thirty (30) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the noncomplying improvement or remedy the noncompliance, and the Owner shall reimburse the Master Association upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Master Association, the Board thereof shall levy a special lien assessment against such Owner for reimbursement.

(d) If for any reason the ARC fails to notify the Owner of any noncompliance within ninety (90) days after receipt of said written notice of completion from the Owner, the improvement shall be deemed to be in accordance with said approved plans.

Section 7. No Waiver. The approval of the ARC to any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the ARC, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

Section 8. Reimbursement. The members of the ARC shall receive no compensation for services rendered, other than reimbursement by the Master Association for expenses incurred by them in the performance of their duties hereunder.

Section 9. Liability. Neither Declarant nor the ARC, nor any member thereof, nor their duly authorized ARC representatives shall be liable to the Master Association or to any Owner for any loss, damage or injury arising out of or in any way connected with the performance of the ARC's duties hereunder, unless due to the willful misconduct or bad faith of the ARC. The ARC shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the project generally. The ARC shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, topography, landscaping, color schemes, and finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

Section 11. Diligently Prosecute Work. The work of constructing and erecting any building or other structure shall be prosecuted diligently from the commencement thereof and the same shall be completed within a reasonable time, not to exceed twelve (12) months, in accordance with the requirements herein contained; provided, however, that the time for completion shall be extended by the period of delays in construction caused by strikes, inclement weather or other causes beyond the control of the Owner. No outbuilding shall be completed prior to the completion of the dwelling, except that temporary storage and convenience facilities may be erected for workmen engaged in construction, but such temporary facilities shall be removed as soon as the construction is completed.

Section 12. Declarant Exemption. The ARC shall have no authority, power or jurisdiction over Lots owned by Declarant, and the provisions of this Article shall not apply to Lots owned by Declarant until such time as Declarant conveys title to the Lot to a purchaser thereof. This Article shall not be amended without Declarant's written consent set forth on the amendment.

ARTICLE VII

INSURANCE

Section 1. Hazard Insurance - Master Association. The Master Association shall keep (i) any building in the Master Association Property insured against loss by fire and the risks covered by a Standard All Risk of Loss Perils insurance policy under an extended coverage casualty policy in the amount of the maximum insurable replacement value thereof, and (ii) all personalty owned by the Master Association insured with coverage in the maximum insurable fair market value of such personalty as determined annually by an insurance carrier selected by the Master Association. Insurance proceeds for improvements in the Master Association Property and personalty owned by the Master Association shall be payable to the Master Association. In the event of any loss, damage or destruction, the Master Association may cause the same to be replaced, repaired or rebuilt if it occurred in the Master Association Property. In the event the cost of such replacement, repair or rebuilding of the Master Association (a) exceeds the insurance proceeds available therefor, or (b) no insurance proceeds are available therefor, the deficiency of full cost thereof shall be assessed to the Owners as a special assessment pursuant to the terms of this Declaration and the Bylaws.

Section 2. Liability Insurance - Master Association. The Master Association shall procure and keep in force public liability insurance in the name of the Master Association and in the name of the Owners against any liability for personal injury or property damage resulting from any occurrence in or about the Master Association Property in an amount not less than \$500,000.00 in indemnity against the claim of one (1) person in one (1) accident or event and not less than \$1,000,000.00 against the claims of two (2) or more persons in one (1) accident or event, and not less than \$100,000.00 for damage to property.

Section 3. Inspection of Policies - Master Association. Copies of all such insurance policies obtained by the Master Association (or certificates thereof showing the premiums thereon to have been paid) shall be retained by the Master Association and open for inspection by Owners at any reasonable time(s). All such insurance policies shall (i) provide that they shall not be

885,

cancellable by the insurer without first giving at least ten (10) days' prior notice in writing to the Master Association, and (ii) contain a waiver of subrogation by the insurer(s) against the Master Association, the Board and Owners.

Section 4. Federal National Mortgage Association ("FNMA") Requirements. Anything contained herein to the contrary notwithstanding the Master Association shall maintain such bonding and insurance coverage as may be required by FNMA so long as FNMA holds a Mortgage on or owns any Lot.

Section 5. Other Insurance; Annual Review. The Master Association may purchase such other insurance as it may deem necessary, including, but not limited to, plate-glass insurance, workmen's compensation, officers' and directors' liability, errors and omission insurance and blanket policies of hazard insurance for the Lots. The Board shall annually determine whether the amounts and types of insurance it has obtained provide adequate coverage for the Master Association in light of inflation, practice in the area in which the Planned Unit Development Properties are located, or any other factor which tends to indicate that either additional insurance policies or increased coverage under existing policies are necessary or desirable to protect the interests of the Master Association. If the Board determines that increased coverage or additional insurance is appropriate, it shall obtain the same.

Section 6. Premiums and Proceeds. Insurance premiums for any such blanket insurance coverage obtained by the Master Association and any other insurance deemed necessary by the Master Association shall be an expense to be included in the annual assessments levied by the Association. The Master Association is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers. Any three (3) directors of the Master Association may sign a loss claim, and such signatures shall be binding on the Master Association and the Members.

ARTICLE VIII

CONDEMNATION

In the event the Master Association Property or any portion thereof shall be taken for public purposes by condemnation as a result of any action or proceeding in eminent domain, or shall be transferred in lieu of condemnation to any authority entitled to exercise the power of eminent domain, then the award or consideration for such taking or transfer shall be paid to and belong to the Master Association.

ARTICLE IXMAINTENANCE RESPONSIBILITIES

Section 1. Master Association Maintenance. The Master Association shall maintain, repair and replace: (a) the Master Association Property and all improvements thereon, and (b) those areas containing trees and other landscaping within the public rights of way, pursuant to any agreement between Declarant or the Master Association and Clark County or any other government or governmental agency, in good repair and appearance. The areas referred to in (b) above shall be deemed "Master Association Property" with respect to the Master Association's maintenance thereof and assessment rights for such maintenance.

Section 2. Owner Maintenance. Each Owner shall keep and maintain in good repair and appearance all portions of his Lot and improvements thereon, including, but not limited to, any fence which is on the Lot line and the residence located on his Lot. The Owner of each Lot shall water, weed, maintain and care for the landscaping located on his Lot so that the same presents a neat and attractive appearance. No Owner shall, however, maintain or change any portion of his Lot which is covered by a maintenance easement in favor of the Master Association or any other nonprofit homeowners association.

Section 3. Right of Entry. The Master Association, after reasonable notice to the Owner, shall have the right to enter upon any Lot in connection with any maintenance, repair or construction in the exercise of the powers and duties of the Master Association.

ARTICLE XRIGHTS OF MORTGAGEES

Section 1. Payments of Taxes or Premiums by Mortgagees. Mortgagees may, jointly or severally, pay taxes or other charges which are in default and which may or have become a charge against the Master Association Property, unless such taxes or charges are separately assessed against the Owners, in which case, the rights of Mortgagees shall be governed by the provisions of their Mortgagees. Mortgagees may, jointly or severally, also pay overdue premiums on casualty insurance policies, or secure new casualty insurance policies, or secure a new casualty insurance coverage on the lapse of a policy for the Master Association Property, and Mortgagees making such payments shall be owed immediate reimbursement thereof from the Master Association. Entitlement to such reimbursement shall be reflected in an agreement in favor of any Mortgagee who requests the same to be executed by the Master Association.

Section 2. Mortgagee Curing Defaults. A Mortgagee who acquires title by judicial foreclosure, deed in lieu of foreclosure or trustee's sale shall not be obligated to cure any breach of the provisions of this Declaration which is noncurable or of a type which is not practical or feasible to cure. The determination of the Board in good faith as to whether a breach is noncurable or not feasible to cure shall be final and binding on all Mortgagees.

Section 3. Approval of First Mortgagees. Unless at least sixty-seven percent (67%) of the first Mortgagees (based on one vote for each first Mortgage owned) have given their prior written approval, the Master Association shall not be entitled to:

(a) By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Master Association Property or this Declaration. The granting of easements for public utilities or for other public purposes shall not be deemed a transfer within the meaning of this Subsection. Any restoration or repair of the Master Association Property after partial condemnation or damage due to an insurable event, shall be performed substantially in accordance with this Declaration and original plans and specifications unless other action is approved by Eligible Mortgage Holders, Insurers or Guarantors which have at least fifty-one percent (51%) of the votes of Lots subject to Eligible Mortgage Holders, Insurers or Guarantors.

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner.

(c) By act or omission, change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or exterior appearance of residences, the exterior maintenance of residences, the maintenance of the Master Association Property walks or common fences and driveways, or the upkeep of lawns and plantings in the project.

(d) Fail to maintain fire and extended coverage insurance on the Master Association Property on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost).

(e) Use hazard insurance proceeds for losses to any portion of the Master Association Property for other than the repair, replacement or reconstruction of such Master Association Property.

Section 4. Termination of Professional Management. When professional management has been previously required by any

1885

Eligible Mortgage Holder, Insurer or Guarantor, whether such entity became an Eligible Mortgage Holder, Insurer or Guarantor at that time or later, any decision to establish self-management by the Master Association shall require the prior consent of at least sixty-seven percent (67%) of the voting power of the Master Association, and the approval of Eligible Holders, Insurers or Guarantors of Mortgages on Lots which have at least fifty-one percent (51%) of the votes of Lots subject to Eligible Mortgage Holders, Insurers or Guarantors.

Section 5. Notice to Eligible Mortgagees. Upon written request to the Master Association identifying the name and address of the Eligible Mortgage Holder, Insurer or Guarantor and the Lot number or address, any Eligible Mortgage Holder, Insurer or Guarantor will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the project or any Lot on which there is a loan held, insured or guaranteed by such Eligible Mortgage Holder, Insurer or Guarantor; notice from the Master Association shall pertain to the Lots only.

(b) Any delinquency in the payment of Master Association assessments or charges owed by an Owner subject to a loan held, insured or guaranteed by such Eligible Mortgage Holder, Insurer or Guarantor which remains uncured for a period of sixty (60) days.

(c) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Master Association.

(d) Any proposed action which would require the consent of a specified percentage of Eligible Mortgage Holders, Insurers or Guarantors as specified above.

Section 6. Documents to be Available to Mortgagees. The Master Association shall make available to Owners and Mortgagees, and holders, insurers or guarantors of any first Mortgage, current copies of the Declaration, Bylaws, other rules concerning the project and its books, records and financial statements. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances. The holders of fifty-one percent (51%) or more of first Mortgages shall be entitled to have an audited statement for the immediately preceding fiscal year prepared at their expense if one is not otherwise available. Any such financial statement so requested shall be furnished within a reasonable time following such request.

Section 7. Mortgagee Protection Re Breach. A breach by an Owner of any of the covenants, conditions and restrictions contained herein shall not affect, impair, defeat or render invalid the lien, charges or encumbrance of any first Mortgage made for value which may then exist on any Lot; provided, however, that in the event of a foreclosure of any such first Mortgage, or if the holder of the note secured by such first Mortgage acquires title to a Lot in any manner whatsoever in satisfaction of the indebtedness, then the purchaser at the foreclosure sale or note holder acquiring title in lieu thereof shall, upon acquiring title, become subject to each and all of the covenants, conditions and restrictions contained herein, but free from the effects of any breach occurring prior thereto.

Section 8. Conflicts. In the event of any conflict between any of the provisions of this Article and any of the other provisions of this Declaration, the provisions of this Article shall control.

ARTICLE XI

ENFORCEMENT

Section 1. Master Association. The Master Association, on behalf of the Architectural Committee and otherwise, Declarant or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by this Declaration.

Section 2. No Waiver. Failure by the Master Association, Declarant or any Owner to enforce any provision of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. Mortgagee Protection. A breach of any of the covenants, conditions, restrictions or other provisions of this Declaration shall not affect or impair the lien or charge of any bona fide Mortgage made in good faith and for value on any Lot; provided, however, that any subsequent Owner of the Lot shall be bound by the provisions of this Declaration, whether such Owner's title was acquired by foreclosure or by a trustee's sale or otherwise.

ARTICLE XII

Section 2. Amendment. Except as may otherwise be stated in this Declaration, this Declaration may be amended at any time and from time to time by an instrument in writing signed by members of the Master Association entitled to exercise sixty-six and two-thirds percent (66-2/3%) or more of the voting power of the Master Association. An amendment shall become effective upon the recording thereof with the Office of the County Recorder of Clark County, Nevada. Anything contained herein to the contrary notwithstanding, no material amendment may be made to this Declaration without the prior written consent of Eligible Mortgage Holders whose Mortgages encumber fifty-one percent (51%) or more of the Lots (based upon one (1) vote for each such Mortgage). "Material amendment" shall mean, for purposes of this Section 2, any amendment to provisions of this Declaration governing any of the following subjects:

- (a) The fundamental purpose for which the project was created (such as a change from residential use to a different use).

An Eligible Mortgage Lender who receives a written request to approve amendments (including additions) who does not deliver or mail to the requesting party a negative response within thirty (30) days, shall be deemed to have approved such request.

Notwithstanding anything herein stated to the contrary, none of the following Sections hereof may be amended without Declarant's prior written consent: Section 12 of Article VI, Section 4, Section 5 or Section 8 of Article XII.

Section 3. Term of Restrictions. Each and all of these covenants, conditions and restrictions shall terminate on December 31, 2080, after which date they shall automatically be extended for successive periods of ten (10) years unless the Owners have executed and recorded at any time within six (6) months prior to December 31, 2080, or within six (6) months prior to the end of any such ten (10) year period, in the manner required for a conveyance of real property, a writing in which it is agreed that said restrictions shall terminate on December 31, 2080, or at the end of any such ten (10) year period.

Section 4. Annexation of Lots.

(a) Phase I is the first Phase of a projected multi-phase staged development as set forth in the Recitals of this Declaration. Nothing contained herein, however, shall require Declarant to complete the future Phases of the planned overall project.

(b) If, within five (5) years of the date of the conveyance of a Lot by Declarant within Phase I to a retail purchaser thereof, Declarant should develop additional lands within the Planned Unit Development Properties, such additional lands or any portion thereof may be made subject to this Declaration and added to and included within the jurisdiction of the Master Association by action of Declarant without the assent of members of the Master Association. Said annexation may be accomplished by the recording of a Declaration of Annexation or by the recording of a separate Declaration of Restrictions which requires Owners of Lots therein to be members of the Master Association. Subsequent Phases of the Planned Unit Development Properties may be so annexed and made subject to this Declaration and added to and included within the jurisdiction of the Master Association by Declarant, without the assent of members of the Master Association, five (5) years after close of escrow for sale of a Lot from Declarant to a retail purchaser within the last Phase to be annexed. The obligation of Lot Owners to pay dues to the Master Association and the right of such Owners to exercise voting rights in the Master Association shall not commence until

the first day of the month following close of the first sale of a Lot by Declarant to that particular Owner.

Section 5. Annexation to Master Association Property. Declarant may, during the time periods for annexation of additional Phases, transfer to the Master Association additional Master Association Property and the Master Association shall accept title and the obligation to maintain and repair the same.

Section 6. No Amendment. Neither Section 4 nor Section 5 above may be amended without Declarant's prior written consent.

Section 7. Annexation by Owners. In addition to the provisions of Sections 4 and 5 above, additional land may be annexed to the jurisdiction of the Master Association and this Declaration upon the vote or written consent of two-thirds (2/3) of the voting power of each class of members of the Master Association.

Section 8. Litigation. In the event any person or entity shall commence litigation to enforce any of the covenants, conditions or restrictions herein contained, the prevailing party in such litigation shall be entitled to costs of suit and such attorney's fees as the Court may adjudge reasonable and proper. The "prevailing party" shall be the party in whose favor a final judgment is entered.

Section 9. Declarant Exemption. Declarant is undertaking the work of construction of residential dwellings and incidental improvements upon the property described in Recital E of this Declaration. The completion of that work, and the sale, rental and other disposal of the dwellings is essential to the establishment and welfare of the project as a residential community. In order that said work may be completed and the Lots be established as a fully occupied residential community as rapidly as possible, nothing in this Declaration shall be understood or construed to:

(a) Prevent Declarant, its contractors or subcontractors from doing on the Lots whatever is reasonably necessary or advisable in connection with the completion of said work; or

(b) Prevent Declarant or its representatives from erecting, constructing and maintaining on any Lot such structures as may be reasonable and necessary for the conduct of its business of completing said work and establishing the Lots as a residential community and disposing of the same by sale, lease or otherwise; or

1885

1844877

27

(c) Prevent Declarant from conducting on any Lot its business of completing said work, and of establishing a plan of disposing of the Lots by sale, lease or otherwise; or

(d) Prevent Declarant from maintaining such sign or signs, flags, poles, banners, parking, advertisements and other facilities attendant to sales, leasing and other marketing activities on any of the Lots and the Master Association Property as may be necessary for the sale, lease or disposition thereof.

IN WITNESS WHEREOF, the undersigned, being Declarant and the legal owner herein, has executed this instrument the day and year first hereinabove written.

Re: *Property Address:* 34 Innisbrook Avenue
ACCT NO.: R74507
LOAN #: 138344335
MBBW File No. 12-H0207

Dear Sir/Madame:

As you may recall, this firm represents the interests of Bank of America, N.A., as successor by merger to BAC Home Loans Servicing, LP (hereinafter "BANA") with regard to the issues set forth herein. We have received correspondence from your firm regarding our inquiry into the "Super Priority Demand Payoff" for the above referenced property. The Statement of Account provided by you in regards to the above-referenced address shows a full payoff amount of \$9,255.44. BANA is the beneficiary/servicer of the first deed of trust loan secured by the property and wishes to satisfy its obligations to the HOA. Please bear in mind that:

NRS 116.3116 governs liens against units for assessments. Pursuant to NRS 116.3116:

The association has a lien on a unit for:

...
any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section

While the HOA may claim a lien under NRS 116.3102 Subsection (1), Paragraphs (j) through (n) of this Statute clearly provide that such a lien is JUNIOR to first deeds of trust to the extent the lien is for fees and charges imposed for collection and/or attorney fees, collection costs, late fees, service charges and interest. See Subsection 2(b) of NRS 116.3116, which states in pertinent part:

RRFS000582

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent...

The lien is also prior to all security interests described in paragraph (b) to the extent of the assessments for common expenses...which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien.

Based on Section 2(b), a portion of your HOA lien is arguably prior to BANA's first deed of trust, specifically the nine months of assessments for common expenses incurred before the date of your notice of delinquent assessment. As stated above, the payoff amount stated by you includes many fees that are junior to our client's first deed of trust pursuant to the aforementioned NRS 116.3102 Subsection (1), Paragraphs (j) through (n).

Our client has authorized us to make payment to you in the amount of \$2,025.00 to satisfy its obligations to the HOA as a holder of the first deed of trust against the property. Thus, enclosed you will find a cashier's check made out to Red Rock Financial Services in the sum of \$2,025.00, which represents the maximum 9 months worth of delinquent assessments recoverable by an HOA. This is a non-negotiable amount and any endorsement of said cashier's check on your part, whether express or implied, will be strictly construed as an unconditional acceptance on your part of the facts stated herein and express agreement that BANA's financial obligations towards the HOA in regards to the real property located at 34 Innisbrook Avenue have now been "paid in full".

Thank you for your prompt attention to this matter. If you have any questions or concerns, I may be reached by phone directly at (702) 942-0412.

Sincerely,

To Whom It May Concern:

Red Rock Financial Services is a debt collector and is attempting to collect a debt. Any information obtained will be used for that purpose.

Red Rock Financial Services is sending this notice as a courtesy. The above referenced homeowner is currently delinquent in paying their Homeowners Association assessments. Nevada Revised Statutes allow Homeowners Associations to engage in the non-judicial foreclosure process for nonpayment of Homeowner Association assessments.

On behalf of the above mentioned Association, Red Rock Financial Services has recorded the Lien for Delinquent Assessments on 08/04/2011 and the Notice of Default and Election to Sell Pursuant to the Lien For Delinquent Assessments on 12/06/2011. According to Nevada Revised Statutes, the Notice of Default and Election to Sell must be recorded on the property for 90 days and notification must be sent to all parties listed on the Trustee Sale Guarantee via certified mail before the Association can exercise its rights to enforce the Notice of Default and Election to Sell.

Currently, Red Rock Financial Services is approximately 60 days into the mandatory 90-day waiting period. Please consider this your final notice before the Association exercises its right to continue with the non-judicial foreclosure process by recording the Notice of Sale. The Notice of Sale will be sent via first class and certified mail to those listed on the Trustee Sale Guarantee and other parties who have a vested interest in the property.

The Association's Lien for Delinquent Assessments is Junior only to the Senior Lender/Mortgage Holder. This Lien may affect your position. To reinstate the above account, you must contact Red Rock Financial Services to obtain "up to date" payoff figures. Payment must be made payable to Red Rock Financial Services.

At this time, it is possible that we have been unable to reach the borrower. Your office may have been provided a more current mailing address. Please contact the borrower at any known addresses and have them contact our office immediately, as the above property is in default and may be subject to a foreclosure sale.

Thank you for your assistance in this matter. Additional information regarding this account can be obtained at www.rrfs.com. Please contact the office of Red Rock Financial Services at 702-932-6887 with any questions.

Red Rock Financial Services

Miles, Bauer, Bergstrom & Winters, LLP
Attn: Rock K. Jung, Esq.,
2200 Paseo Verde Parkway, Suite 250
Henderson, Nevada 89052

Dear Rock K. Jung, Esq.,

Red Rock Financial Services is a debt collector and is attempting to collect a debt. Any information obtained will be used for that purpose.

Red Rock Financial Services is in receipt of numerous correspondences regarding your interpretation of NRS 116.3116 and NRS 3116.3102. Our response to your correspondence is as follows:

When our office records a Notice of Default on behalf of the Homeowners Association, we are required by NRS 116.31162 to send a copy of the Notice of Default to all who have a vested interest in the property. As your client reflected as having a vested interest for all properties listed on Exhibit A, a copy of the Notice of Default was provided. Those that have a vested interest in the property are not required but may pay the debt that is attached to that specific Notice of Default.

In the correspondence you state that our lien is "Junior" to your client's, which we agree. However, we do not agree with your interpretation and implementation of NRS 116.3102 under the current situation.

The industry standard interpretation of NRS 116.3102 and our interpretation are as follows: The First Mortgage is "Senior" to the Homeowners Association. Therefore, when the First Mortgage forecloses, according to NRS 116.3102, the First Mortgage is responsible to pay six months of past due assessments from the time the First Mortgage foreclosed. Therefore, NRS 116.3102 only applies when someone who is "Senior" to the Homeowners Association forecloses on the property in question. Please note that as of October 1, 2009, it is a nine month super-priority lien amount.

Anyone who has a vested interest may pay the debt at any time prior to the Homeowners Association proceeding with the non-judicial foreclosure process however the debt must be paid in full. NRS 116.3102 does not apply in this situation.

If your client wishes pay, your client must submit Payoff Request in writing for each property to our office. If your client does not wish pay, please be aware that our office will continue to notify them of any further collection action we may take on the properties listed on Exhibit A as required by law.

We feel we have expressed our position in this matter clearly on numerous occasions; as such we will no longer be addressing these notices. If you feel you have any further information you wish to provide, please feel free to respond to this letter via first class mail or our website www.rrfs.com.

Sincerely,

Kimberlee Sibley

If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Re: *Property Address:* 34 Innisbrook Avenue
ACCT NO.: R74507
LOAN #: [REDACTED]
MBBW File No. 12-H0207

Dear Sir/Madame:

As you may recall, this firm represents the interests of Bank of America, N.A., as successor by merger to BAC Home Loans Servicing, LP (hereinafter "BANA") with regard to the issues set forth herein. We have received correspondence from your firm regarding our inquiry into the "Super Priority Demand Payoff" for the above referenced property. The Statement of Account provided by you in regards to the above-referenced address shows a full payoff amount of \$9,255.44. BANA is the beneficiary/servicer of the first deed of trust loan secured by the property and wishes to satisfy its obligations to the HOA. Please bear in mind that:

NRS 116.3116 governs liens against units for assessments. Pursuant to NRS 116.3116:

The association has a lien on a unit for:

...
any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section

While the HOA may claim a lien under NRS 116.3102 Subsection (1), Paragraphs (j) through (n) of this Statute clearly provide that such a lien is JUNIOR to first deeds of trust to the extent the lien is for fees and charges imposed for collection and/or attorney fees, collection costs, late fees, service charges and interest. See Subsection 2(b) of NRS 116.3116, which states in pertinent part:

JA1590

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent...

The lien is also prior to all security interests described in paragraph (b) to the extent of the assessments for common expenses...which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien.

Based on Section 2(b), a portion of your HOA lien is arguably prior to BANA's first deed of trust, specifically the nine months of assessments for common expenses incurred before the date of your notice of delinquent assessment. As stated above, the payoff amount stated by you includes many fees that are junior to our client's first deed of trust pursuant to the aforementioned NRS 116.3102 Subsection (1), Paragraphs (j) through (n).

Our client has authorized us to make payment to you in the amount of \$2,025.00 to satisfy its obligations to the HOA as a holder of the first deed of trust against the property. Thus, enclosed you will find a cashier's check made out to Red Rock Financial Services in the sum of \$2,025.00, which represents the maximum 9 months worth of delinquent assessments recoverable by an HOA. This is a non-negotiable amount and any endorsement of said cashier's check on your part, whether express or implied, will be strictly construed as an unconditional acceptance on your part of the facts stated herein and express agreement that BANA's financial obligations towards the HOA in regards to the real property located at 34 Innisbrook Avenue have now been "paid in full".

Thank you for your prompt attention to this matter. If you have any questions or concerns, I may be reached by phone directly at (702) 942-0412.

Sincerely,

MILES, BAUER, BERGSTROM & WINTERS, LLP
