CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER REGARDING MOTIONS

Docket No. 80154 is an appeal from an order granting respondents' special order to dismiss appellant's complaint. Docket No. 80348 is the appeal from the order granting respondents' motion for attorney's fees and costs, granting respondents' motion to dissolve a preliminary injunction, and denying appellant's motion to retax. Appellant has moved to consolidate the appeals; respondents oppose the motion, and appellant has filed a reply.

As these two cases involve the same parties and the same legal issues based on the anti-SLAPP defense, the clerk of this court shall consolidate these appeals for all appellate purposes. NRAP 3(b). Appellant shall have until May 11, 2020, to file and serve the opening brief and appendix. Thereafter, briefing shall proceed in accordance with NRAP 31(a)(1).

Respondents' opposed motion filed in Docket No. 80154 to expedite the appeal is granted to the following extent. Respondents may shorten the briefing period by filing their answering brief in advance of the deadline. See NRAP 31(a)(1)(C). Any requests for extensions of time to file briefs will be closely scrutinized. Once briefing is completed, disposition of the appeal will be expedited to the extent permitted by this court's docket.

It is so ORDERED.
