- A. Yeah, and then his friends, that who came up in the car, jumped in. So people started jumping in, even girls. My brother wasn't e—my brother was just looking and all of a sudden, I lose my brother. I see the principal coming out, so I run (sniffing and emotionally speaking) toward where my brother's going.
- Q. And your brother was running across the street, north, over here. Is that correct? North from the school?
- A. Yes.
- Q. And, uh, that would be towards, uh—
- A. Virgil, I think.
- Q. Towards Virgil. Okay. So he's running north, across Washington, toward Virgil. And then what happens?
- A. And we reach to the sidewalk (sob). I see a guy pulling up a gun, guy shooting towards my brother. I see my brother down, so I go towards him. I look at the shooter. He was wearing a gray sweater, had a hoodie on. Dark shorts. The gun was - I believe a .380. It was dark. I think it was black. Had light hair. A face. He - he - I don't think he had hairs in his face. He w—he looked clean. I don't think he had a moustache or nothing.
- Q. How old did he look?
- A. Probably 18 or 19, around there.

- A. No. My friend let me know. She says she was gonna throw it down. By the time she was gonna tell me it, my teacher told her, you know, "Go to the office."
- Q. Who was your friend that told you that?
- A. Gina Marquez.
- Q. Okay. She said she was gonna throw down?
- A. And I believe she was gonna throw it down with the green shirt girl, because her and Giovanni were discussing about it, so I guess, you know, she came and started, you know, tryin' to fight her. That's when Giovanni started fighting and all of that happened, situation happened.
- Q. 'Kay. Was Giovanni in your class?
- A. I have Giovanni for 4th period and 6th period.
- Q. 'Kay. After your class let out, you told me somethin' about Giovanni makin' a call.
- A. After school, I saw him, um, making a call. I guess he noticed that they were tryin' to get him, so once, um, I didn't see him talkin' in the phone no more. I see a car pulling over.
- Q. 'Kay. Let's back up. Um, the phone that he was using, is it a cell phone?
- A. A cell phone. He has a cell phone and I see him talkin' in his cell phone, so I'm pretty sure it's his.

Narrative must be completed. Explain solvability factors:

On 02/06/06 at approx. 1930 hrs, while working overtime on swing shift patrol as 3F-1, I was dispatched to Morris Academy on 3801 E. Washington in reference to narcotics. Upon arriving, I met with the principal, Danny Eichelberger. After conducting my investigation, I ended up citing two students for Possession of Drug Paraphernalia, Dr# 0602-01079. At approx. 2100 hrs, I was still in the office and about to clear when a staff member came running in the front office advising of a fight out in front of the school. Assistance was requested at that point and I responded and advised dispatch of a fight at the school. As I arrived at the front of the school, I observed several large crowds of juveniles running in every direction in the parking lot. Many were screaming and I was trying to ascertain what was going on. At about 2101 hrs, several students began running back into the parking lot and towards my direction. Many were jumping into vehicles and others were running hysterically. I knew that something was wrong at that point. The principal ran up to me at that point and advised that someone had been shot in front of the school, as did several other juveniles now running towards me. I radioed to dispatch that a 434 (illegal shooting) had occurred and requested a code red on valley command. I immediately responded to the street in front of the school on Washington at Virgil. I noticed a red compact vehicle stopped in the street and observed a victim lying face down in the back seat with his legs hanging out of the opened back seat doors. The vehicle was surrounded by several juveniles, one of which was identified as the victims' sister. They were screaming for help and that the victim had been shot. I checked for any response from the victim, but he lay motionless and was nor responsive. I called for medical and requested a perimeter, local jurisdiction, and an air unit. The principal met with me and advised that he knew CPR. I advised the principal to assist by providing first aid to the victim, as well as help secure the victim as I got information from the witnesses about the suspect. They advised that he had just ran off and was traveling west on Washington. A description of an Hispanic male wearing a gray hooded sweatshirt was given and I believed that he was still armed and running west in the street. I gave a broadcast of the suspect information and tried to ascertain more information from the witnesses. The principal and other

staff secured the victim and provided first aid as I attempted to locate the suspect in the immediate area. I was in fear for the safety of the several witnesses and bystanders in the area and believed the suspect to still be armed. LVMPD air unit had arrived at that point (2104 hrs). As I proceeded west on Washington, witnesses advised that the suspect actually ran south on Virgil and I advised dispatch of the update and to inform LVMPD of the information as I got more suspect info. As I proceeded to the last known direction of the suspect, Officer Arambula responded and conducted an ATL of the area. At approx. 2106 hrs, Officer Arambula called out a person on foot stop just west of the school in the neighborhood. Arambula advised that he was out with a possible suspect. Officer J. Harris #305 assisted Arambula to secure the suspect while I returned to the victim to speak with any witness who could positively identify the suspect. Also on scene were several LVMPD units and medical who were tending to the victim. I met with Bettye Graves, a CCSD employee who is a campus monitor at Morris HS. Graves advised that witnessed the fight as well as the shooting and stated that she could identify the suspect whom she was able to give an updated description of. I took Graves to Officer Arambula's location to where a one on one was conducted, but Graves advised that it was not the shooter. Graves advised that the suspect was a dark skin Hispanic male with short hair wearing a gray hoodie and dark pants. She also advised that the suspect had a moustache and was of medium build and approx. 5-7". The subject that was stopped was of thin build with longer, bushy hair and light skin. He was wearing a gray hoodie and ran from a neighbor's yard. He was identified as Jose Bonal, D.O.B. [REDACTED] 90, student ID # 129704. Bonal is a Desert Pines student. Bonal was stopped at approx. 2106 and released at approx. 2120 hrs. LVMPD had already began conducting interviews with witnesses and were establishing a perimeter. I updated dispatch with the suspect information from Graves and an ATL continued. The victim was transported by medical at approx 2125 hrs, and I was notified that he was pronounced dead at 2140 hrs. by the on scene LVMPD Gang sergeant. The cause of death was multiple gun-shot wounds to the abdomen. CCSDPD officers to respond were Officer Diaz # 206, Sturdivant # 192, M. Thomas # 328, Sgt. Morales # 708, and Lt. Young. METRO homicide arrived and took over the scene at approx 1015 hrs. See LVMPD event # 060206-2820 for further information. A 9-mm handgun was later recovered on Virgil just in front of a residence located inside of a toilet which was out front of the house for trash. Homicide and CSI secured the scene and witnesses and I cleared at approx 0010 hrs. to secure evidence at the CCSDPD evidence vault.

of a sudden everybody starts fightin'. I got on the two-way and I radioed for the principal to come outside. The principle came outside and he started yellin' to break it up and everybody started to run. They ran north across the street. Before that I was standin' in front of the school and about a foot and a half away from me a young man was standing and he had on a gray hoody, some black pants. So then when the principle said for everybody to break it up, he started running north. He ran north with the rest of the students. All of a sudden I heard "Bang, bang," about four shots. I saw smoke and fire. And then we went back and one of the students said, "Somebody got shot." So the principle hollered to the school police, "Someone got shot." So they, they turned on the siren and we ran across the street. We ran north on the corner of Washington. So we got to the corner a young man was laying on the ground. And then his sister was screamin' and crying and I grabbed her and was holdin' her and she said just then, "Let me go. So I can see about my brother. Please let me go." I said, "No, baby, you stay with me."

Q. Okay. Um. What you have said was that the school got out at about 8:40. That's when the bell rang.

A. No, they get out at 8:50, 8:50.

III. DETAILS:

On 2/6/2006 at approximately 2102 hours, LVMPD received a phone call in reference to a subject who was shot. Patrol officers and paramedics responded to the scene and located a victim in the street in front of Morris Academy 3801 E. Washington Ave. The victim was later identified as Victor Gamboa DOB [REDACTED] 1991. Gamboa was transported to UMC Trauma where he was later pronounced deceased by Dr. Ozobia. During the preliminary investigation it revealed that a fight broke out between students of the Morris Academy when school got out. The students were told by school officials to exit the property and the students continued to move in front of the school and eventually into the travel lanes of Washington Avenue.

Shots were then fired at Victor Gamboa by a Hispanic male wearing a grey hooded sweatshirt and dark colored shorts. Officers were then checking the area and found a blue steel semi-automatic handgun in the tank of a toilet that was in front of 865 Parkhurst. This gun was photographed and recovered by CSA Proietto.

A suspect identified as Yobani Borradas was located at his residence [REDACTED]. Borradas was transported to the Homicide Office where he was interviewed by Detective Mogg and Detective Wilson.

Video of the school property was obtained from the Clark County School District Police but the shooting itself was not captured because it occurred in the westbound travel lanes of Washington Avenue.

A. NOTIFICATION OF HOMICIDE

On 2/06/2006 at approximately 2200 hours, Sgt. Alby contacted Detectives Hardy, Mogg, O'Kelley, and Wilson to advise of a homicide that occurred in front of the Morris Academy located at 3801 E. Washington Blvd. Upon our arrival Sgt. Alby assigned Detectives Mogg, Wilson, and O'Kelley to interview any witnesses and me to document the scene along with criminalistic personnel.

B. DESCRIPTION OF THE SCENE

The scene was located in the roadway in front of the Morris Academy which is located at 3801 E. Washington Las Vegas, Nevada. The scene was primarily isolated to the westbound travel lanes of Washington Avenue. In the westbound travel lanes of Washington Avenue just east of the intersection with Virgil Street were numerous items of ballistic evidence. In the westbound #2 travel lane was a casing and a bullet. The casing had the head-stamp of WOLF 9mm Makarov. In the westbound #1 travel lane were two casings. These casings had the head-stamps of WOLF 9mm Makarov. On the island to the south of the #1 travel lane were three casings and a bullet. These casings also had the head-stamp of WOLF 9mm Makarov. In the eastbound bicycle lane west of Virgil Street was a bullet. On the brick wall to the rear of 3800 E. Valley Forge Avenue were what appeared to be four bullet strikes. This wall would be the one that faces Washington Avenue.

West of the Morris Academy and intersecting with Washington Avenue was a street named Parkhurst which runs north to south. In front of 865 Parkhurst on the curb to the street was a discarded toilet. In the tank portion of the toilet was a blue steel semi-automatic handgun. This handgun was later identified as an Imez model PM/IJ70-18A serial number AKB6366 9 millimeter Makarov with one live cartridge in the chamber and one live cartridge in the magazine. The head-stamps of these rounds are WOLF 9mm Makarov which were identical to the casings recovered from the travel lanes of Washington Avenue.

C. DESCRIPTION OF THE BODY:

The body was transported to UMC prior to our arrival.

D. EVIDENCE COLLECTED:

After the evidence was photographed, CSA D. Proietto impounded the following items:

1. Six cartridge casings with the head-stamp WOLF 9mm Makarov.
2. Four apparent bullets.

- Q. All right. Short sleeved, long sleeved?
- A. Short sleeve.
- Q. All right. And what does the— What's the whole problem that you've been having with Giovanni?
- A. Um, well it started first in, uh, second period. And he wanted my answers from, uh, our test or- And then I told him I'll show you how to do it, but I'm not gonna let you copy. So he got mad over that and ever since that day we stopped talking. And that same day like I, I have for 5th period, and um, uh, I was done with my work and I put my book in the other table and he threw it back and hit my hand. And, um, my friend Gina she told, she told him why'd you hit the home girl like that and he's like well I don't give a fuck. And she's like is the fucking book bothering you and he's like yes, uh, yeah, he's like yes it is fucking bothering me. Put that— He— And he remarked to me, he's like put- get your lazy ass up and put that shit away.
- Q. So, this disagreement that you've been having with Giovanni has been going on for a while and then tonight it, it kinda came to a head?
- A. Yeah, I— It was, um, last week, I'm not sure what certain day it was. But, um, that day after school, um, Jesus, um, he picks us up every day after school and takes me and, um, my friends home. And, uh, he remarked to me, hey Crystal look- check this out, you know. And he went up to Giovanni and I guess hit him up. I wasn't

there but I was looking. And, um, uh, Jesus told him Brown Pride and Giovanni told him Puros Locos. So that's when, uh, Gina goes up to him and brings him back over brings back over to the front of the school and, uh, that's when we go home. And the next day— Well, the next day goes by, like whatever, like two days go by, like nothing. And then on Friday I had to go home due to girl issues and, um, I called my friend up, Melissa, on Saturday and- to see if she wanted to go out. And she had told me that, uh, Jesus had went up to Giovanni again. And that, uh, Giovanni had brought some girls to beat me up, to fight with me. And, um, Giovanni I guess didn't wanna fight with, uh, Jesus. And the girls were remarking, um, where's Crystal at, where's Crystal at, this is a, um, this is Crystal's problem, let Crystal handle this shit. So, I'm like well what's my problem, I was talking to Melissa on the phone. So after that I just hung up. And— Well, Melissa, before I hung up, she had told me it was my fault. 'Cause I guess she thought that I told Jesus to, uh, to go up to him. But I had never told, I never- it never came out of my mouth that I told Jesus to go up to, uh, Giovanni. Um, Jesus was just being conceited. He nodded his head down and he's like oh Crystal check this out and that's what happened that day. Two days go by, Fri- you know Friday comes around. So, I come to school today, on Monday, and I see him in 2nd period and he won't tell me nothing. And, um, I see him for 5th period and that's when my friend Gina went up to him and told him, oh, you know what, uh, that guy tell you on Friday. And, um, on Friday, uh, he

didn't say nothing, he's like "I don't wanna even fucking talk about it.", that's what came out of his mouth. He's like you, him and Crystal are gonna get yours. You can- you guys, uh, we're gonna handle this shit today. So, she came back to the table. Well, I was just listening, I'm like well I'm gonna get mine. You know?

Q. So this is- Giovanni's talking about Gina, Jesus and you are gonna get yours today after school?

A. Yes sir.

Q. All right, so, then after class is all over, what happened out here in the parking lot?

A. Okay, uh, well first, after 5th period, he, uh, he tried to hit me and I moved back. And his friends were, his girlfriends, I, I don't know who they are. They tried to jump in too and tried to hit me, but that's when, um, my friend had pulled me back and walked me to class. So what happened after school, um, we were, we were in the parking lot on one side and Giovanni was in front of the school with all hi-his girlfriends. And I guess his friends that were supposed to beat me up never showed up. So he got girls that came here to this school, like at least ten of them that were outside. And it was Giovanni and, uh, I guess two of his guy friends. And we're in the other side of the parking lot and Brian goes up to Giovanni and hits him. So that's when everybody starts fighting and a, this one, uh, girl tried to hit me, um, during the _____. She goes up to me and tries to hit me and I grab her. And that's- I punch and I grab her by hair. And then another girl hits me and I grab her

A. Who?

A. I do not know who he is/

Q. So the, you know, everybody was fighting. The principal comes out first and then I see co— two— like one cop come out and that's when everybody runs. Okay. And I'm running to, to my friends car in the parking lot and I fall. And I turn and the red car stopped right here, across the street. - A. Yeah behind, behind the car in the middle.
- Q. Okay. All right. And then what did you see happen?
- A. That's when I saw Giovanni run this way- well not running like as in really fast, but towards the street and that's when I saw him shoot. Can't tell how many times, but he was shooting at Victor and that's when Victor fell on the floor.
- Q. And then what happened?
- A. And then, um, the guy from the red car he got up. He opened his trunk, he got a bat, he was looking around. And Victor was on the floor, he picked up Victor, put him in, but Victor had fell out and that's when the cops got the red car. And, um, I

was right here in the middle, in between the red car and the street. And Giovanni run— was over here when the cops were right here. He was right here in the street corner. Dunno what street it is. But, I saw them pointing over here and that's when I turned this way and I see Giovanni and his friends. They're already getting in the car, ready to leave.

Q. All right. And you're indicating that, that you see Giovanni on the street that is directly west of the school?

A. Yes sir.

Q. Right. And he's with a couple of friends?

A. Yeah he's with, uh, two friends.

Q. Do you know who they are?

A. No sir.

Q. All right. And you said that they were gettin' into a car.

A. Yeah, um, um, I didn't see them fully get in, but they were standing there. And that's when I left the scene.

Q. All right. So after the shooting, after Victor's down over here you moved over to where Victor was at...

A. Yes.

Q. ...'cause you were pointing over there by the sidewalk.

A. Yes.

- Q. And as you're, you were there with Victor you still see Giovanni here?
- A. No, I'm already in the car leaving when I see Giovanni right here. That's when, um, my friend that was driving the car, she's like there he is, there he is. And I look and it was Giovanni right there with two other people.
- Q. How long after the shooting did you see Giovanni over there?
- A. Um, the, the cop, I think— Yeah, the cops were, um, already stopped them. But I did not fully see Giovanni get in the car. I cannot say that I got- I saw him get in the car.
- Q. Okay. So about how long after the shooting, and Victor's down, did you see Giovanni over there on the street corner?
- A. Probably like three- four to five minutes. He was over here.
- Q. So he just stuck around?
- A. Well he didn't st— well I, I didn't see him get in the car, but I had already left. So I didn't fully see him get in the car or leave. I had already left. But I saw him in the street corner.
- Q. Wh— How did you leave, in some— in this girls car?
- A. Yes.
- Q. And what your, what's your friends name?
- A. Uh, Sylvia.
- Q. Sylvia. What kinda car she have?
- A. I don't know, but it's a red one.

- Q. All right, so you're in Sylvia's car?
- A. Yeah.
- Q. Not the red car from over here?
- A. No sir.
- Q. All right. So you're in Sylvia's car and you leave?
- A. Uh, yes. We stopped right here and we see Victor down- but the cops have got him. So we start driving this way and that's when they point that, uh, Giovanni's right here in the street corner. And that's when we leave the scene already.
- Q. Right. And where did you go?
- A. Uh, I went to my friends house and I called my mom and I told her what happened.
- Q. How'd you end up back here?
- A. Back here? Um, my mom was talking to me about it and she's like well you know, what am I gonna do. And she didn't know what to do. She wanted me to go to police station and write a report. But she fully didn't know what to do, she said she was confused, you know. And she's like right when you're putting- she was telling me right when you put your life, you know, back on track you know, you been good in school and whatever and this has to happen. And I, I called my friend, uh, Gina to see how Victor was and he passed away. So I told my mom to bring me over here for I could fill out and report it.

- Q. Can you think of anything else that you can add to your statement that you think might be helpful in our investigation?
- A. Hmm, no I pretty much said everything I knew and I saw.
- Q. Do you remember Victor saying anything?
- A. No sir.
- Q. And do you remember how many shots he fired?
- A. No sir.
- Q. You were coutin' 'em off and you got to three. Was it three or more?
- A. Uh, I cannot tell you if it was three or more. 'Cause I was already in the car and the, the music was playing and we had already left the scene. Well not left, fully left the scene, but parked in the middle.
- Q. Okay. So pretty much, you're on the ground, you see him come out here and start shooting and then you got right into, uh, your friends car?
- A. Yes sir.
- Q. And then you start driving out of there.
- A. Driving out, yes.
- Q. Right. So you're driving out, the shooting's happening, probably shots still being fired as you're getting into the car. And then you, then you drive out and leave out westbound on Washington?
- A. Yes.

A. Um, maybe like half of them. Probably 15 of them were fighting.

Q. Males or females?

A. Mixed.

Q. Okay. Did you happen to notice anybody in that fight that you knew?

A. No.

Q. 'Kay, so the fight's goin' on. How long does the fight last?

A. Um, it lasts maybe like no more than 2, 3 minutes when someone yells out, "He, um, Giovanni has a gun."

Q. 'Kay. This somebody - do you know who that was?

A. No, I - all I know is she was female.

Q. Okay. And those are her exact words?

A. Yes. Well, her exact words is, "Giovanni has a strap. He has a strap."

Q. Okay. How close were you when you heard this.

A. Phfff - um, across the street, on the corner still. I didn't move from there.

Q. So you heard this all the way across Bonanza.

A. Yes.

Q. Where was this girl that yelled this?

A. Somewhere around the middle of the parking lot, I believe. I'm not sure. I didn't really see her.

**EVENT: 060206-2820
STATEMENT OF: Gilbert Garcia**

Q. And then what happened after she yelled that?

A. Um, you see everyone scatter. I ran to my car. Um, I got in. Um, and I - I checked to see who was - I-if everyone was still with me, those that were supposed to be with me.

Q. And who was with you?

A. Um, Gina, Brian (exhale) and Melissa.

Q. Melissa was with you?

A. Um, not completely, but we could see here from where we were at.

Q. Where was she?

A. Across the street, a-around the school. And then we didn't see Victor and then we received a phone call sayin' that Victor was the one who got shot.

Q. How long between the time this girl yelled, "Giovanni has a strap," until the shots were fired?

A. Um, I don't know. I-I-it seemed like it was instant, 'cause once she said that, everyone scatters and then glack-glack-glack-glack-glack-glack 8 times.

Q. Okay. Um, did you get back to your car before the shots - you heard the shots?

A. Uh, no, I didn't.

Q. Now, if you can see Melissa in the street, which would be Bonanza, correct?

A. Mm-hmm.

**EVENT: 060206-2820
STATEMENT OF: Gilbert Garcia**

Q. If you can see her in the street, why don't you see Victor? Why don't you see the person who's doin' the shooting?

A. Because there's a wall that was blocking my view.

Q. Okay. Did you see anybody run, uh, this way, which would be westbound, on--

A. Like towards---

Q. --Washington.

A. Mmm - no, I didn't. Not - not anyone in particular, other than the people that were already running.

Q. Did you see anyone around Melissa running?

A. No. I just seen her standing there.

Q. After the shots, what did you do then?

A. Uh, we got in our car. We waited and then we tried to go back, but the officer said we couldn't go, the officer that was blocking the street off.

Q. Okay. Do you know who shot Victor?

A. Um, from what I was told, it was a guy named Giovanni Garcia, but I'm - I'm not really sure.

Q. Did you see the shooting?

A. No, I didn't, sir.

Q. Do you know first hand who shot Victor?

**EVENT: 060206-2820
STATEMENT OF: Gilbert Garcia**

A. No, I don't.

Q. Has anybody told you about who may be involved in this, other than Giovanni Garcia?

A. That's the only name that keeps coming out of everyone's mouth.

Q. Okay. Is there any witnesses that we need to talk to that know who the shooter is, that saw the shooter, other than Melissa?

A. No, I don't.

Q. Okay. Is there anything else you need to add to your statement right now?

A. No.

Q. Okay. All right. And that'll conclude the interview. Time now: 2016 hours.

Q. Operator, we're gonna go back on tape. Uh, 2054 hours. Okay, Gilbert, um, you need to clarify some things--

A. Mm-hmm.

Q. --as to exactly where you were standing. Is that correct?

A. Yes.

Q. Tell me now where you were standing.

A. Was standing in the parking lot, on the third row of the parking lot, where the third aisle is.

Q. Of the school?

**LAS VEGAS METROPOLITAN POLICE DEPARTMENT
VOLUNTARY STATEMENT
PAGE 10**

**EVENT: 060206-2820
STATEMENT OF: Gilbert Garcia**

A. Of the school, yes.

Q. Okay. And what happened?

A. Um, once we got there, we went into the school parking lot. Everyone went their own way, and then I see Brian and some guy and when everyone comes out, Brian and some guy - it looks like they're playing around, but from - after the - the guy throws a punch, they get into a actual fight. And then a whole crowd starts to fight. Um, not sure where Victor was at this point, I lost sight of Jesus, I lost sight of Brian, and then once I seen 'em again, there was like 3, 4, 5 people, um, uh, fighting 'em.

Q. Uh, um, where did you park your car?

A. On Washington and Virgil, on the corner, uh, second corner of Virgil.

Q. Okay. So where you told me you parked it originally.

A. Yes.

Q. All right. Who all walked over to the school?

A. It was me, Brian and Victor.

Q. And the guy that Brian got into a fight with, describe him for me.

A. Um, um, he was my height, so it's kinda like 5'6", 5'7". Uh, dark complexion. He's Mexican. Um, he was bald. He was wearing all black. Um, it the one, uh, it - it was a sweater, black pants and black shoes.

Q. 'Kay. Um, did he have any facial hair?

**EVENT: 060206-2820

A. Um, I - I didn't notice any.

Q. Well what about his build?

A. Um, kinda slim.

Q. And how old do you think he was?

A. Huhhhh - maybe 16, 17.

Q. Okay. So Brian is fighting with this guy.

A. Yes.

Q. And while the fight is goin' on, who else do you see fighting?

A. Oh, um, after awhile I see Jesus, he was getting socked by some guy.

Q. Do you know who this guy was?

A. No, I'm not g-I've never seen anyone at that school before.

Q. Okay.

A. Um, then after maybe like a minute, minute and a half, the girl yells out, "Giovanni has a strap. He has a strap." Everyone runs.

Q. Did you see this girl?

A. No, I didn't. But I heard her.

Q. And so you ran across the street. Who was running with you?

STATEMENT OF: Gilbert Garcia

A. Um, I seen Brian go a couple a steps behind me. Um, I seen, um, some girls that ended up in front of my car, and I seen Jesus running in a - like maybe a car behind Brian.

Q. And where did Jesus end up?

A. Um, I believe it was either with me in my car or like inside. Yeah, he ended inside with me, Brian, Gina, and 2 - the 2 girls that were in front of my car, hiding.

Q. 'Kay. And, uh, when you were running back across Washington--

A. Mm-hmm.

Q. --Is that when you heard the shots?

A. Um, yeah. Right when we were like maybe in the middle island of the - of the street--

Q. Okay.

A. --Is when we heard the - the - the - when I heard the shots.

Q. And where were they comin' from?

A. I was running that way and I heard 'em on my right side.

Q. 'Kay, so if you're running across Washington--

A. Mm-hmm.

Q. --north, and you heard 'em on your right side, then that would be to the east. Is that correct?

Q. Did you turn around to see where the shots were comin' from?

A. No, I didn't.

Q. Did you see the person shooting?

A. No, I didn't.

Q. Is there anything else that you need to clarify?

A. That's - that's all.

Q. What else do you need to tell me, Gilbert?

A. One of the guys that was there was, um, white - not white Mexican, but kinda like white. He was wearing a white shirt, black pants. He was maybe a couple inches taller than I was, and he had a fade and a moustache.

Q. And who was he?

A. I have no idea.

Q. Why does he stand out?

A. Because he was in the fight. He was with the guy that was - that Brian was fighting.

Q. All right. Would you recognize him again if you saw him?

A. Probably. I'm not - I'm not really sure. I didn't get a good look at him.

**EVENT: 060206-2820

Q. So what is so special about the guy that Brian was fighting with and this light skinned guy with the white t-shirt that you're describing?

A. Why—

Q. Do they - do they - why do they stand out?

A. 'Cause they were together.

Q. Do you know what they drove up in?

A. Um, it was a d—it looked like a Monte Carlos, all primer gray.

Q. Was it a Monte Carlo?

A. I'm - I'm not really good with cars. It looked like one. It was like one - one of them, um, what do they call it, that t-type, like it has a little - a mini scoop, a wing, has the, uh, body kit already that comes with it. It's all - like usually they ki—kinda like the Night Rider car.

Q. Mm-hmm.

A. It comes all black with the - with the red stripe, but that one was all primered and it had the - the same body kit and I've seen that car before and it - it was a Monte Carlo, but I'm not sure if that car was a Monte Carlo.

Q. Okay. Do you know what an El Camino is?

A. Yes.

A. Maybe in the - the first row of - of cars. The first aisle.

Q. Would that be closest to Washington?

A. Um--

Q. Or closer--

A. --closer to the school. It was like, kinda like in the middle.

Q. Okay.

A. Like this - this aisle, this aisle, it was like maybe the - the - the first aisle on the lefthand side.

Q. Who else got outta that car?

A. Um, just them.

Q. Did you see anybody else that drew your attention?

A. No. Those were the only ones I was looking at, 'cause that's where Brian was standing.

Q. Where was Victor standing during the fight?

A. I - I don't know. I lost sight of him once the fight broke out. Before the fight, he was right next to me, Brian was, looking for his sister.

A. I didn't pay attention to them, probably, the ones that are coming down the _____, but. And maybe too I could flip a bitch.

Q. Uh-huh.

A. Yeah.

Q. Um, anything else that you can think of that you saw that night that might help us?

A. Um, no.

Q. No?

A. Not that I know.

Q. Do you have access to the safe where the guns are at?

A. No. Hell no.

Q. No?

A. Mm-mm. 'Cause it's in the— 'cause my room, my room is next to the office, but they have locks on both doors.

Q. Okay. When was the last time that you were arrested?

A. No, 'cause there was people running. I was just lookin' at the people who was running. I was trying to pay attention to where Giovanni was at.

KH. And where was Giovanni at when the shots were fired?

A. I don't know. I didn't get him. I didn't pick him up.

KH. I know, but you said you were paying attention to where Gloan– Giovanni was.

A. Yeah, and I didn't. I didn't know where he was at, that's why I was trying to pay attention. I was like this trying to see where he was at. But I didn't see him so I just went.

KH. Okay. The only problem I have with that is if you were to run over the guy, that fell right in the street, right where you were at.

A. Yeah?

KH. Yeah. So, if you were telling me you're driving up this way, and the shots were being fired. You would have run over the guy that fell right there in the street right there.

A. Or I probably would have went through here, or barely right here. He probably got shot right when I left.

Q. Why would you make a u-turn and turn back to where the shots were being fired?

A. I wouldn't have known the shots were being fired.

Q. So they were coming from over here somewhere?

A. No they didn't. I said they could have been coming from right here, right here or right here. I don't know where they were at. I didn't say that I know where the shots were coming from.

Or you can go, or if we don't wanna take the freeway, we go all the way down Pecos. We turns to St. Louis to Boulder Highway. And go all the way down Boulder Highway to house.

JUSTICE COURT
LAS VEGAS NEVADA

COUNTY OF CLARK)

ss: ^{BY} EVARISTO JONATHAN GARCIA, DOB: [REDACTED] 1989

Detective Clifford Mogg, being first duly sworn, deposes and says:

That he is a police officer with the Las Vegas Metropolitan Police Department, being so employed for a period of 10 years, assigned to investigate the crime(s) of Murder with a Deadly Weapon committed on or about 02-06-06, which investigation has developed EVARISTO JONATHAN GARCIA as the perpetrator thereof.

THAT DECLARANT DEVELOPED THE FOLLOWING FACTS IN THE COURSE OF THE INVESTIGATION OF SAID CRIME TO WIT:

That on 02-06-06, during the even class session at the Morris Academy located at 3801 E. Washington, Crystal Perez and Giovanni Borradas were involved in a verbal confrontation which had been escalating over several days. During the confrontation Borradas told Perez "you and your homeboy are gonna get yours after school today, we gonna handle this shit today." Perez said the person Borradas was referring to as her "homeboy" was Jesus Alonso. Later in the evening on 02-06-06, Gena Marquez told Perez she overheard Borradas on his cell phone talking to "Puppet." Marquez said she heard Borradas telling "Puppet", bring Stacey because there's some girl who thinks she's a man that's gonna get handled like a man." "Puppet" was later identified as Manuel Lopez, and Stacey was later identified as Lopez' girlfriend Stacey DeCarlois. Prior to the end of classes, Gena Marquez called her brother Bryan Marquez and asked him to pick her up from school.

Call records for Giovanni Borradas' cell phone (702-371-2678) was obtained, and showed 20 calls to and from Manuel Lopez at 378-1727 between 1958 and 2117 hours on 02-06-06. Borradas' call records also indicated 12 calls to and from 884-4614 between 2032 and 2107 hours on 02-06-06. Phone number 884-4614 is a cell phone belonging to Melinda Lopez at [REDACTED] Ave, which is the same address Manuel Lopez lists as his residence. On 02-18-06, Salvador Garcia, LM, DOB [REDACTED] 1985, was involved in an incident where a police report was taken. At that time Garcia listed his cellular phone number as 884-4614. Giovanni Borradas and Manuel Lopez are both admitted members of the Puros Locos street gang.

On 02-06-06, at approximately 2030 hours, Bryan Marquez said he, and Victor Gamboa were at Gilbert Garcia's house. Bryan said he received a call from his sister Gena, who asked him to pick her up after school. Bryan said he, Gamboa, and Garcia drove to the Morris Academy, parked in a residential area across Washington Avenue from the school, and the three walked over to the school. At approximately 2055 hours Jesus Alonso also arrived at the school to pick up Melissa Gamboa. Alonso said he parked his car in the north parking lot of the school near the front doors.

Bryan Marquez said when school was dismissed at approximately 2100 hours he located Borradas and asked him why he was threatening his sister Gena. Marquez said he and Borradas exchanged words and began fighting. Marquez said two of Borradas' friends jumped in the fight which prompted Victor Gamboa and Jesus Alonso to come to the assistance of Marquez. When the fight between Borradas and Marquez started, several other fights broke out between various males and females associated with Borradas and Marquez. Shortly after the fight started, the school principal came outside and attempted to break the fight up at which time an unidentified female in the crowd yelled "he has a gun" at which point the crowd scattered.

Betty Graves, who is a hall monitor at the Morris Academy, said she was standing at the front of the school and saw the fight. Graves identified a Latin male, approximately 19 years old, approximately 5'6, medium build, short hair, wearing a grey hooded sweatshirt, and dark pants who was fighting. Graves said the Latin male kept his right hand inside the sweatshirt and punched with his left hand. Graves said when the principal broke the fight up the Latin male ran north toward Washington Avenue with the rest of the people. Graves said when the Latin male reached the northwest corner of the school he fired at least four shots then ran west on Washington Avenue.

Melissa Gamboa said she is the victim Victor Gamboa's sister, and she attends the Morris Academy night school. Melissa said she had just walked out the front doors of the school around 2100 hours when and saw her brother Victor in the parking lot. Melissa said Borradas and another Latin male were fighting when some of Borradas' friends arrived in a grey Chevy El Camino. Melissa said the El Camino was occupied by three males and a female. Melissa said two of the males in the El Camino jumped in the fight between Borradas and the other Latin male. Soon after the fight started Melissa said, the school principal began breaking the fight up and people ran north in the parking lot toward and across Washington Avenue. Melissa said she was across Washington Avenue when she looked back and saw her brother Victor running across the street. Melissa said a Latin male wearing a grey hooded sweatshirt and dark shorts began firing a small, black, possibly .380 caliber pistol at Victor as he ran across Washington. Melissa said after her brother was shot he fell down in the street at which time the suspect ran west on Washington Avenue to Parkhurst Street, and then ran south on Parkhurst Street out of view. Melissa said she knows Giovanni Borradas and he was not the person who shot her brother.

Oscar Garcia was interviewed at the scene by detectives. During the interview Garcia said a Latin male wearing a gray hooded sweatshirt and blue shorts firing a gun at Victor Gamboa. Garcia said the suspect was standing in the center of Washington Avenue when he was shooting. Garcia said after Gamboa was shot, he and Dania Diaz tried to put Gamboa in their car, but were stopped by the school principal.

Clark County School Police Officer Gaspard P# 251 was at the school when the fight broke out, and responded to the scene on Washington where Victor Gamboa collapsed after being shot. Clark County Fire Department Rescue 8 responded to the scene and transported Gamboa to the UMC Trauma Center where he was treated by Dr. Ozbias who pronounced Gamboa dead at 2140 hours. On 02-07-06, Dr.

L. Simms from the Clark County Coroners Office performed an autopsy on Victor Gamboa and determined the cause of death was a gunshot wound to the back, and the manner of death was homicide.

Crime Scene Investigator D. Proietto and Detective K. Hardy recovered an IMEZ 9mm pistol, serial # AKB6366 from the tank of a toilet which was located on the side of the road in front of 865 Parkhurst Street. In addition to the pistol CSA Proietto recovered 6 WOLF 9mm Makarov cartridge casings, and four bullets and fragments in and near the roadway on Washington Avenue. The pistol was found to be registered with LVMPD on 02-16-1995, by Sharon Christensen, DOB: [REDACTED] 1947, SSN: [REDACTED] 4552. I later contacted Christensen who said she had sold the gun several years ago but did not know whom she sold the gun to.

On 02-07-06, at approximately 0245 hours, Detective Wilson and I interviewed Giovanni Borradas at the Homicide Office. During the interview, Borradas, who was out of custody said he was involved in an on going confrontation with Melissa's (Gamboa) boyfriend. Borradas said he was attending night class at the Morris Academy on 02-06-06 when he found out some people associated with Melissa were going to jump him after school. Borradas said he called Manuel Lopez, told him about the plan to jump him, and asked Lopez to bring his girlfriend Stacey (DeCarlois) to fight some girls. Borradas also said he placed phone calls to Sal (Salvador Garcia) and Geronimo to see if they could also help him after school during this fight. Borradas said when school recessed for the day he walked into the north parking lot of the school where he saw Lopez and DeCarlois. Borradas said Lopez was driving a gray, Chevy El Camino that night, and he didn't see anyone else with Lopez and DeCarlois. Borradas said he walked into the school parking lot, was confronted by Crystal Reyes brother, and the two started fighting. During the fight Borradas said he heard four to five gunshots and people started running toward Washington Avenue. Borradas said when he heard the shots he ran to a friend's car and she gave him a ride home. Borradas said he never saw who was shooting nor did he see who was shot. At the conclusion of the interview Borradas said he received a phone call from Chucky, but the conversation was very short and they didn't talk about who was shot, or who did the shooting. Borradas also said he wanted to tell us who was involved in the shooting but he didn't want to be a rat.

Manuel Lopez said he received the phone call from Borradas, and he, Stacey DeCarlois, "Silent" (Jonathan Harper), and "Chucky" (later identified as Evaristo Garcia) drove to the Morris Academy. Lopez said "Silent" and "Chucky" are also members of the Puros Locos street gang. Lopez said the four drove to the Morris Academy in Lopez' brown, Chevy El Camino. Lopez said when they were driving to the school "Chucky" had a 9mm pistol with him. Lopez described the gun as a black, 9mm semiautomatic pistol which was similar in appearance to a small Beretta pistol. Lopez also said the gun was made in Russia and the name started with an "M." Lopez said when they arrived at the school he parked in the parking lot on the north side of the school at which time Harper and Evaristo Garcia got out of the car and walked toward the school.

EVENT: 060206-2820

On 02-09-06, Detective Hardy and I interviewed Manuel Lopez at the Homicide Office. Lopez, who was out of custody, told us he was at the Morris Academy on 02-06-06 at approximately 2050 hours after receiving a phone call from Borradas. Lopez said he went to the school to pick Borradas up after Borradas said some people were going to jump him. Lopez said Stacey DeCarlois was the only other person that was with him in his gray, Chevy El Camino when he went to the school to pick Borradas up. Lopez said he saw two crowds of people when he arrived at the school, and he yelled for Borradas to come over to him. Lopez said he heard several shots which appeared to be coming from the northwest corner of the school and people began running toward Washington Avenue. Lopez said during the commotion he lost track of Borradas, and didn't see the victim or who was shooting. Lopez said he and DeCarlois got back in his car, drove west on Washington Avenue, then made a U-turn in front of the school and left the area eastbound on Washington Avenue. During the interview Lopez said he and Borradas are both members of the Puros Locos street gang.

On 03-30-06, I interviewed Jonathan Robinson. Robinson said he was a co-worker of Manuel Lopez on or about 02-07-06 when they both worked for Mike's Plumbing. Prior to beginning the interview I showed Robinson a photo lineup and he identified a photo of Manuel Lopez as the person he used to work with. Robinson said he picked Lopez up a few days after the murder at Lopez' house and while they were driving to work Lopez asked him "if he heard about it" meaning the murder. Robinson said he asked Lopez if he was involved and Lopez told him "he handed his friend the gun." When I asked Robinson what kind of gun he had seen Lopez with he said a 9mm pistol which Lopez said he kept at his house and always took to parties. Lopez told Robinson that he took the gun back from his friend after the shooting, that the gun was placed in a toilet tank outside of a house where he had done some work, and that Lopez went back to look for the gun the next day but it was gone. Lopez also told Robinson the person who did the shooting went to Mexico.

On 03-30-06, I interviewed Manuel Lopez at the Clark County Detention Center where he was in custody on unrelated charges. Prior to beginning the interview I advised Lopez of his Miranda Rights via an LVMPD Advisement of Persons Arrested card. During the interview Lopez said his 9mm pistol was the one used to kill the victim. Lopez described his gun as black in color, with 9mm cartridges that were smaller than normal 9mm cartridges, that the gun looked like a small Beretta, that the gun was made in Russia, and the name of the gun started with an "M." Lopez said he traded a person for the gun and had it for about three months before the shooting. Initially Lopez said he gave the gun to "Chucky," then later denied giving the gun to "Chucky" and said he left the gun at Sal's (Salvador Garcia's) where apparently "Chucky" took it from. Lopez said "Chucky" is a Latin male, 15 - 16 years old, with a "fade" hair style. Lopez said he has also heard "Chucky" called "E." Lopez also said "Chucky" is a member of the Puros Locos street gang and hangs out in the area of Tropicana and Sandhill. Lopez said after he received a phone call from Borradas on 02-06-06 he went to "Silent's" house and picked up Stacey DeCarlois, Silent (later identified as Jonathan Harper), and Chucky (later identified as Evaristo Jonathan Garcia), because Borradas said to bring everybody meaning the people in their gang. Lopez said they all drove to the Morris Academy in his gray, Chevy El Camino. During the interview I asked Lopez whom in his car had a gun, and he replied "Chucky" then went on to say "Chucky" had his (Lopez's) 9mm pistol. When they arrived at the school Lopez said "Chucky" and "Silent" got out of the car and began fighting with several people. Lopez described "Chucky" as wearing a gray hooded sweat shirt and dark pants.

Lopez said he saw the victim run across Washington Avenue and get shot. Although Lopez said he didn't see "Chucky" shoot the victim, when I asked him who shot the victim he said "I already told you." Lopez described "Chucky" as trigger happy and stupid for getting them involved in this. Lopez said he heard from other people that his gun was hidden in a toilet. At the conclusion of the interview Lopez said he thought they were just going to the school to fight.

On 03-31-06 I received information from Detective Erickson that "Silent" was a 16-year-old white male by the name of Jonathan Harper. According to Det. Erickson, Harper was a member of the Puros Locos street gang who had been recently shot in the head and was recovering at home. Erickson said when he interviewed Harper in connection with his shooting he learned that Harper had information about the person who shot Victor Gamboa.

On 04-01-06 Detective Hardy and I spoke to Jonathan Harper. During the interview we noticed that Harper required a little time to formulate his answers which appeared to be associated with his head injury. However, Harper appeared to be able to recall details concerning the murder of Victor Gamboa, who he was with on the day of the murder, and events which occurred after the murder. Harper said he, Puppet (Manuel Lopez), Stacey, and "E" went to a school to help Giovanni. Harper said the incident happened at night in either February or March, but he could not be sure of the date. Harper said he knew "E's" name, but that it was too hard for him to pronounce at which point he asked his mother Daina Harper to help him. Daina said "E's" name was Evaristo. Harper said Evaristo was "Chabie's" (Salvador Garcia) cousin. Harper said Lopez picked him, Stacey, and Evaristo up at Sal's house the evening they went to the school. Harper said they drove to the school which was located on Pecos in Lopez's gray El Camino. Harper said he is a member of the Puros Locos gang, and was under the impression they were going to the school to fight with some Brown Pride gang members. Harper said when they got to the school he, Evaristo, Little One, and Puppet were all fighting with people and Giovanni (Borradas) was fighting with a person by the name of Diablo. Harper said when they arrived at the school Evaristo told him that Lopez gave him the gun while they were in the car driving to the school. Harper said Little One and Evaristo started chasing a young male across Washington Avenue at which time Giovanni (Borradas) told Evaristo "shoot him, shoot him, fucker." Harper said Evaristo who was armed with a black 9mm fired several shots at the young male and "dumped" the clip which according to Harper meant empty the gun's magazine. Harper said after the shooting Evaristo ran west on Washington Avenue. After the shooting Evaristo told Harper he shot because of pressure by Little One (at this time believed to be Giovanni Borradas). Evaristo also said he hid the gun in a toilet and that Puppet (Lopez) went there the next day to try to get the gun but it was gone.

On 05-09-06, I received a Crime Stopper tip indicating the suspect in this murder was a Latin male, 16 years old, 5'8, 150 pounds who lived at 1986 Pearl Street. I later learned the address for the suspect was not 1986, but rather [REDACTED]. I drove to [REDACTED] and saw a 1985 Ford pickup truck bearing Nevada license 822NNI parked in front of the house. The truck was registered to Maria DeGarcia, DOB [REDACTED]-1959, SSN [REDACTED]-9965, at that address. I conducted a SCOPE check on DeGarcia and found her to have a work card at the Stratosphere. I contacted Security at the Stratosphere Casino and found DeGarcia listed the names of her children on her application, and one of the names was Evaristo Garcia, DOB: [REDACTED]-1989. I checked with juvenile authorities and found there were no photos of him on file. I then contacted the Nevada DMV and obtained Evaristo's drivers

license photo. I took his photo to the LVMPD Photo Lab and had a photo lineup constructed with Evaristo's photo.

On 05-11-06 I met with Jonathan Harper and showed him the photo lineup. Harper selected photo # 4 which was a photo of Evaristo Garcia and said he is the person that shot the kid.

Latent fingerprints and a DNA sample were recovered from the IMEZ 9mm pistol. The fingerprints were compared to Lopez and Borradas with negative results, and the DNA evidence has not yet been processed.

Wherefore, declarant prays that a Warrant of Arrest be issued for suspect EVARISTO JONATHAN GARCIA on a charge(s) of Murder with a Deadly Weapon with Gang Enhancement.

I declare under penalty of perjury under the law of the State of Nevada that the foregoing is true and correct.

5 TO: STATE OF NEVADA, Plaintiff; and

6 TO: DAVID ROGER, District Attorney, Attorney for Plaintiff

7 YOU WILL PLEASE TAKE NOTICE that the undersigned will bring on the above and

10
11 **POINTS AND AUTHORITIES**

12 **STATEMENT OF FACTS**

13 On December 18, 2008, a Preliminary Hearing was held before the Honorable William
14 Jansen and the above named Defendant was held to answer for the charge of murder with use of
15 a deadly weapon with the intent to promote, further or assist a criminal gang. While awaiting
16 trial, the State presented additional evidence to a grand jury on March 4th and 18th, 2010, which
17 resulted in a two count indictment charging EVARISTO GARCIA and MANUEL LOPEZ in
18 count one, conspiracy to commit murder with the intent to promote, further or assist a criminal
19 gang and count two, murder with use of a deadly weapon to promote, further, or assist a
20 criminal gang. Defendant has entered a plea of not guilty and a trial date of November 8, 2010
21 has been set.

22
23 **ARGUMENT**

24
25 NRS 174.235 states:

26 "Defendant's statements or confessions; reports of examinations and tests.

27 Upon motion of a Defendant the Court may order the District
28 Attorney to permit the Defendant to inspect and copy or photograph any
relevant:

1
2 1. Written or recorded statements or confessions made by the
3 Defendant, or copies thereof, within the possession, custody or
4 control of the State, the existence of which is known, or by the
exercise of due diligence may become known, to the District
Attorney; and

5 2. Results or reports of physical or mental examinations, and of
6 scientific tests or experiments made in connection with the
7 particular case, or copies thereof, within the possession, custody or
8 control of the State, the existence of which is known, or by the
exercise of due diligence may become known, to the District
Attorney."

9 Defendant submits knowledge of any oral statements is as critical as knowledge or
10 written statements in preparing an adequate defense. Fundamental fairness and the absence of
11 any compelling reason for non-disclosure require revelation of any oral statements made by the
12 defendant, or co-defendants which the prosecution intends to introduce in its case in chief.
13 State v. Johnson, 28 N.J. 133, 145 A.2d 313 (1958), cited in ABA Standards for Criminal
14 Justice - Discovery and Procedure Before Trial, p. 258.

15 NRS 174.245 states:

16 "Other books, papers, documents, tangible objects or places.

17
18 Upon motion of a Defendant the Court may order the District
19 Attorney to permit the Defendant to inspect or photograph books,
20 papers, documents, tangible objects, buildings or places, or copies or
21 portions thereof, which are within the possession, custody or control
22 of the State."

23 Witnesses known to the State but not called by the State could prove to have
24 exculpatory evidence which should be made available to the defense. No legitimate interest
25 could be served by precluding the defense from calling such witnesses for trial, and their
26 identity should accordingly be made known. United States v. Eley, 335 F.Supp. 353 (N.D. Ga.
27 1972); United States v. Houston, 339 F.Supp. 762 (N.D. GA 1972).

1 The prosecution has the duty to disclose to the Defendant all exculpatory evidence.
2 Brady v. Maryland, 373 U.S. 83 (1963); See, also, Giles v. Maryland, 386 U.S. 66 (1967);
3 Dennis v. U.S., 384 U.S. 855, 873 (1966); Giglio v. U.S., 925 S.Ct. 763 (1972). It is clear that
4 the trial court has wide discretion in permitting discovery. See, Marshall v. District Court, 79
5 Nev. 280, 382 P.2d 214 (1963).
6

7 Similarly, a record of criminal convictions of any witnesses the State intends to call at
8 trial should be furnished prior to trial to defense, so that it can be available to the defendant for
9 use as impeachment material. Due process requires that any evidence be disclosed which may
10 provide grounds to attack the reliability, thoroughness, and good faith of the police
11 investigation or to impeach the credibility of the State's witnesses. Lay v. State, 116 Nev. 1185,
12 1194 (2000). In the instant case some of the State's witnesses may have criminal records.
13 All the information requested relating to these witnesses is required for GARCIA to receive a
14 fair trial and due process under the 14th Amendment to the U.S. Constitution and the Nevada
15 Constitution.
16

17 Wherefore, Defendant moves this Court for an Order for discovery requiring the Clark
18 County District Attorney's Office to supply or make available the following:
19

20 1. All written or recorded statements, confessions, or admissions made by Defendant to
21 any person, or copies thereof including any comments made at time of his arrest in Mexico and
22 during his transportation to Clark County Detention Center, Las Vegas, Nevada.
23

24 2. The substance of any statements made by Defendant which the prosecution intends to
25 use as evidence at the trial of this case, including but not limited to any conversations or
26 correspondence overheard or intercepted by any jail personnel or other inmates;
27
28

1 3. Copies of all tapes or recorded statements from all witnesses and Defendant, as well
2 as copies of the recorded phone calls in a format that can be played on cassette or CD player,
3 including but not limited to calls from the jail;

4 4. All reports and results of scientific tests including, but not limited to complete
5 reports of fingerprint comparisons and any scientific analysis of physical evidence;
6
