MOTION TO CONSOLIDATE APPEALS

Appellant, Jason T. Smith (“Appellant”), moves to consolidate appeals per NRAP 3(b)(2). On November 26, 2019, Appellant filed a notice of appeal from the district court’s order granting Respondents Special Motion to Dismiss Pursuant to Nev. Rev. Stat. § 41.660 (Anti-SLAPP). This appeal is assigned docket number 80154 and has been assigned to a settlement conference.

After the filing of the first appeal, on December 20, 2019, the district court entered a post-judgment order awarding attorney’s fees, costs and statutory awards to the Respondents. Appellant filed their notice of appeal from that order on December 30, 2019. That appeal is assigned docket number 80348 and has also been assigned to a settlement conference with the same settlement judge.

As these two appeals concern the same parties, and same issues, Appellant requests that these two appeals be consolidated for all purposes and would be more economically resolved as one appeal.

Dated this 16th day of January, 2020.
