EMERGENCY SUPPLEMENT
AFTER REJECTED FILING BY CCDC

COMES NOW Petitioner Kim Blandino
("Kim") to file this. Kim must be extremely
brief. Only through the grace of the Creator
does Kim have some regular business envelopes
to send this out pre-postage stamped. Kim's
understanding that only about 6 pages can be
mailed with this type of pre-stamped envelope.

Because of the outstanding vexatious litigant
order which this court is aware of and on appeal
#76794, Kim CANNOT FILE TO THE
DISTRICT COURT. Kim will not be told who

is reviewing these, was Judge Bell (Chief judge) law clerk does not know. Kim thus has no other State Court to address that can give relief.

At present Jan 11, 2020 Kim has been moved to Disciplinary Housing unit 9D6. This is a "phony baloney" charge by a young guard that was envious of an Old Man's knowledge of the law. Refused to give name and badge number for a Citizen's Review Board (CRB) complaint. Sgt. Kim "appealed" to refused to give Kim name and Badge # (required to have these for complaint).

Kim was just told by Guard that even legal mail will not be mailed while "one" is in disciplinary. It is at this writing about 10:00am Guard admitted that if I was not in disciplinary it would be sent out today Saturday. So Kim has no idea when this will reach the court.

Enclosed as Exhibit 4EP20 is a letter that was given with my rejected envelope that was marked VOID back and front.

This envelope was purchased by Kim it was brought in from court with my legal materials in a banker's box from court which contained envelopes purchased from Kim's previous wrongful

detainment in June-July of last year.

Kim must anticipate that Kim could be locked up from court anytime Kim goes to court because of possible lawless judges! See former judge Steve Jones, Frances Fine, Delucchia and Navseum. Kim was never a boy scout yet Kim believes "be prepared" is a good policy to abide by (it is biblical as well). "Beware ye for you know not when the Master cometh" quote also in Shawshank Redemption.

Exhibits 1EP20 - 3EP20 are in rejected mailing. Hopefully Kim can get this to the Court soon!

This Court must stop this CCDC process of delaying or refusing legal mail to the Court. Kim had already started to address this in writing to the Court and through administrative remedies when the Unknown guard wrongfully sent Kim to disciplinary because of Kim's attempt to talk to Sergeant. This Court must stop leaving these issues of bad and illegal behavior of CCDC to the Federal Courts alone through Federal Civil Rights actions und 28 U.S.C. 1983. It is well past time to take a zero-tolerance attitude toward this. All over this jail

there are signs that this "facility" has a zero-tolerance policy toward sexual abuse. Is this not a tacit admission that the facility "tolerates" to some degree civil rights and constitutional ^{rights} abuses? To quote Nicholson from "A few Good Men," "You're damn right.....!"

Kim had a nose bleed when Kim woke up this morning. Kim has the sample on toilet tissue. As Kim warned Kim is in danger being in here. Kim does not know what this nose-bleed means. However Kim does realize it is a sign and a warning. Kim must be ordered released in some manner. Kim has not had his psychological evaluation. Kim is still on \$50,000 bail and has not been violated off house arrest. The sheriff can release Kim on GPS monitoring. Kim will agree to have a second bracelet if necessary. Kim can report to psychologist(s) or psychiatrist(s) from outside.

Please do not embolden CCNC from doing this and worse to others. People have wrongfully died in here as a proximate cause of "deliberate

Indifference" and worse. Kim is in even greater jeopardy because certain wicked individuals really despise Kim for standing up for his rights and requiring the full measure of due process at each and every stage of any particular process.

At present Kim cannot take any meals until Kim sees and talks to the Lieutenant about these various issues in part contained herein. See the story of Esther from the Bible. Kim has been positioned as Esther has to save many lives potentially other than Kim's.

Kim has missed three consecutive meals now. The guards seem totally recalcitrant and respond to everything Kim says with sarcasm. Guards hide their names as well deliberately from Kim. Must close here
