3. Helix Electric – Billing change order for Delta 2 Redlines in the amount of $ 46,000.00, are we going to issue this change order or exclude from billing? -Not approved
4. Nevada PreFab – Billing $175k –all identified as change orders and T & M, are we going to issue this change order or exclude them entirely from billing? No don't pay: these folks were terminated

14. Northstar Concrete – Change add for $242,308 for T & M, what lines on billing should they be included in? 607,608,609,610,611,454

Re: Extra billing for: Down time, lost time, equipment rental down time.

We have been mobilized on this site since June. We have not been provided with the proper staking, soil testing or inspections since we started on this site. We have made and will continue to make ever effort to get this job done.

Do to the lack of proper inspections, soils testing, re-excavation of the sewer trench and re- compaction of the sewer trench, and the destruction of staking provided, all of this has caused excessive down time for our equipment and man power. Mr. Chin, the soils inspector has not provided proper testing when required, (nuke gage is usually out of order), or in for repairs. Proctors for the native materials do not seem to be accurate. Mr. Chin represented himself as the inspector for the roads, which he does not have the authority to do so. As we were informed by Roman, from the county on Sept.24,08.

Down time charges incurred:

2. Asphalt Solutions – $83k pool grading, what line should they be in on the billing? -bill from line item # 15 pool
3. Helix Electric – Billing change order for Delta 2 Redlines in the amount of $ 46,000.00, are we going to issue this change order or exclude from billing? -Not approved
4. Nevada PreFab – Billing $175k –all identified as change orders and T & M, are we going to issue this change order or exclude them entirely from billing? No don't pay: these folks were terminated
5. Paramont Scaffolding – $49,500 -Entire Billing is for change order, are we going to issue this change order or exclude them entirely from billing? Take money from retainage
6. E & E Fire – Invoice is for $2.2 m, we do not have enough to cover their invoice – how are we going to handle? Take money from retainage

10. Creative Home Theatre – $180k -No contract, what lines on billing should they be included in? - Bill work: we will have contract signed by the time they are to get their check-can we do this? Bill from retainage
11. Cabinetec - $1,075,500.00 - No contract, what lines on billing should they be included in? Contract is over to your office today- line # 626,line 203
12. Fast Glass- $150k -what lines on billing should they be included in? -55,131,132,

14. Northstar Concrete – Change add for $242,308 for T & M, what lines on billing should they be included in? 607,608,609,610,611,454
