You get the same benefits whether we are married are not. SBP, SS, and insurance.

There is no difference.

If someone wants to attach my income the first thing they are going to do is come after your house if it is still in my name.

How much is SBP after you die? and i want to leave my property to my son joshua, we both worked hard for what we have, we all made sacrifices including my son. We josh and i had no roots anywhere because of your decisions. I want no strings attached, i want it to me mine to do as i choose too. I have not dated or been with anyone since you walked out on me, I don't need you to tell me who is getting what i might have, i need to look out for my son. I will do whatever you want. so you want a divorce, i will give it to you. take time and fill in all the monetary info.

I recognize that I walked out on our marriage and I have done all I could to do the best I could for you.

I have kept all of my promises to you and I will continue to do so while I live and after my death.

You will receive \$3000. a month as long as I live. After my death you will get SBP and all other payments you are entitled to.

I will pay the premiums on my VGLI policy but I will keep you at the beneficiary. You must understand that this is important to you because that 200,000. will allow you to either pay off your house or refinance your house and have a very small payment after I die.

I hope you live to be 100 years old but if I live longer than you I want the house and property to return to me. I paid for it and I do not want someone other than you to benefit from my entire life of working.

I will not try to complete all the information in the packet. You know what you are getting so i am not worried about listing all of your property, etc.

I will file for bankruptcy next month. I will be divorced from you before then so that your house, property, benefits, and credit are not affected by my actions.

I was getting money that I was not authorized from opm. That money has stopped. I am now in debt to them at over 44,000. I did not claim taxes on the unauthorized money so the IRS is going to want approximately 16,000 in back taxes.

I also did not claim the approximate 50,000 that I got in back pay from opm. The IRS has charged me with tax fraud and they are coming after me.

I was in the hospital for two times in 2010 and two times in 2011. I racked more than 30,000. in credit card charges. I borrowed 40,000. from USAA to settle my credit card debt. I used the money I got from opm to clear all my debts

I had three operations last year. I paid more than 30,000. which I charged on my credit cards. The VA paid me back approximately 10,000. I used that money to pay credit cards and then I took out a loan in the philippines to pay off the remainder of the credit cards so it wouldn't hurt our credit. The va still owes me 6000. which i will give to you as soon as it comes.

I am back now to approximately 30,000. in credit card debt which I took out to pay the philippine loan. I just took out 25,000. usaa loan to remove some of the credit card debt. I have to go to the hospital again in June in Thailand so I am saving some money for that trip.

You got your house. You got all the property. You got all our savings. You got two cars. You got 100% of my retirement for over six years. You have a guaranteed income for the rest of your life.

All you need to do is get a job and you will have a great life.

I weight over 250 pounds. I have diabetes. I have hypertension. I take 14 pills a day. I have trouble moving my right shoulder. I need back surgery. I am 85,000. in debt. I want to move

back to the u.s. but can't afford no place to live. I get treatment from a va physchiraist. I see no way out of my life.

I have done everything I could do to protect you from my life to include getting in trouble with the IRS and going so deep in debt I will never see the way out just so you could buy a house.

And now you complain that you need more money.

I am not sure just what more you want from me????

The only thing I will put in writing is what you are entitled to by law.

I will give you the extra money as long as I live.

I do not care about usaa or any of your other issues.

I cannot deal with all of your crap. I cannot take it anymore. I've tried to be kind to you but you are forcing me to be someone that I do not want to be. You have the nerve to talk to me about grass and curtains. I should just give you what I am required by law and then lets see if you are worried about grass and curtains.

This is your last warning, take the deal I'm offering or you can ask a lawyer to try and get me to put what you want in writing.

I gurantee you your lawyer will tell you that you should have taken what I was offering.

Last chance.

tsp is about 1600 a month right now. it will go up as i get older.

you also get the beneficiary for my opm retirement when i die which will be approximately 1000 a month but it will also go up when i reach 65.

when i die u get 200k. you pay off your house and you have all your money to spend.

i do not know why you think i am trying to do you wrong. this is all i have.

I have already told you I am doing a quit claim on the house. It will be part of the divorce package that the judge approves.

The money you get will go into your account the first of every month until I die. Then you will start receiving SBP and OPM payments.

You are unbelievable. You want to leave something for Joshua. I used to live in a tent so you would be okay. But I do not care anymore I just have to be done with you. I am trying to help you but my nerves are gone. Just writing these notes to you causes me great duress. I am going to try one last time.

Benefit Statement

GRADY BYRD
To Me

This is the statement that will go on the divorce papers. It is the best I will do.

You can leave everything to Joshua after you are deceased. This is an outrageous request by you. I allow this because it reminds me of the type of person you are which confirms my reasons for getting away from you.

I request the following statements be added to the papers:

1. Caterina A. Byrd is entitled to 50% of Grady E. Byrd's United States Army Retired Pay as long as he lives.
2. Caterina A. Byrd is entitled to United States Army Survivor Benefit Plan payments after Grady E. Byrd's death.

I get mad because I give you money to live on and you going to take the money I give you to hire a lawyer.

I have already put all this in writing but you never send back the info I needed to complete the packet so I could send the whole thing to you.

You need to give me the info for the witness addvattit then I will complete the packet and send it to you.

I will then send the packet to the online firm and only pay 400. for everything.

I will do the direct deposit for your account I just not thought it was important. I have never been late on a payment in six years.

OPM is office of personnel management. I owe them around 45 to 48 k. When that is paid off i will get a full retirement pension of around 2k a month. That is more than 4 years from now when i am 62. When I die you will get my annuity just like sbp which will be around 50% of the total retirement. That is already in writing on the divorce packet.

i was going there to make it easier on you you said you wanted a divorce , and no i NOT thinking how much i can get out of you i assumed what you told me you are going to do is true. I have no idea what OPM is? why don't you want what you say you will give me? writhing? You can also get mad and stop everything down the road . and what happens you get sick and can not put the money in the bank , every month i would worry if you are able health wise to do the transfer... I did not realize that would upset you so much

~~and why are you going to lawyer?~~

you think you going to get more from me?

i am talking about my credit card.

just sign the papers and you get all i said you would get forever.

tsp is about 1600 a month right now. it will go up as i get older.

you also get the beneficiary for my opm retirement when i die which will be approximately 100 month but it will also go up when i reach 65.

when i die u get 200k. you pay off your house and you have all your money to spend.

You get the same benefits whether we are married are not SBP, SS, and insurance
There is no difference.

If someone wants to attach my income the first thing they are going to do is come after your house if it is still in my name.

Can't you put everything in my name, that way they can not touch what i have and i won't affect me with out getting a divorce, if we are not married i will loose lots of benefits, like SBP and i thought you were getting social security benefits and you're VA money and ret pension. I will never get married again and i don't want to be worried about money and if something wore to happen to you, at least i would get all the benefits of married spouse would get

My finances are a mess. I just took out a 25k loan from USAA but it doesn't even touch the surface of what I owe.

I will be declaring bankruptcy soon. I will pay you and the 25k back so that your house is not affected.

The IRS has audited me and turned down all of my appeals. I am going to owe them a small fortune that I do not know how I am going to pay. I have a tax defense company helping me but they do not see a way out.

It is now time for a divorce. I do not want to affect your life by the things that are fixing to happen to me

I will find an online company that does divorces for cheap.

You will keep your house, cars, property, and credit rating. I will also continue to give you at least 3k every month. I will pay your taxes so you do not have that extra bill.

I will only sign over for 50% of my retirement which is the legal obligation so that I do not get into trouble again when I finally get straightened out.

why is it going to make u poor? you have equal amount of money with all the other disability pay, i never asked for any of that , you are already giving me three thousand a month, and that is fine , and you know all my bills so its not like am going to have a lot . How is that going to hurt you, i know you want to move forward with your life i get it. but i need to have some kind of stability also, i want to have a home and secure monthly money so i can try to come to some happiness some day, i want the house to be mine, so i can leave to my son some day, i have tried to get a job, like i told you before it's not that easy, when i needed money , when you did not have i did not asked , i just sold all my jewelry , i did not bothered you all these years while you were getting all your pays in other , Why don't you want for me to be taking care of in legal way, just asking? how is that going to affect you, You want to be able to put 3k month in my bank for the rest of your life, what is your plans on how i would get the money, is it coming directly from the army? just confused , thats all

I give you 3000 a month because I think it is the right thing to do. If I was only going to give you 1500 I would not be giving you 3000 all these years.

I will always give the money to you but I do it because I want to not because anybody can make me do it. If I put everything in writing that you want I will never be able to get a loan in my own name. I will never be able to get ahead of my present life. I will have to live poor until I die.

I cannot work anymore. You can work but you refuse to work. If you want more money you must go get a job.

I will send you the papers. If you do not sign I will only pay you what I owe you and I will hire a lawyer to file the papers in court.

The only thing I will put in writing is what you are entitled to by law.

I will give you the extra money as long as I live.

I do not care about usaa or any of your other issues.

I cannot deal with all of your crap. I cannot take it anymore. I've tried to be kind to you but you are forcing me to be someone that I do not want to be. You have the nerve to talk to me about grass and curtains. I should just give you what I am required by law and then lets see if you are worried about grass and curtains.

This is your last warning, take the deal I'm offering or you can ask a lawyer to try and get me to put what you want in writing.

I gurantee you your lawyer will tell you that you should have taken what I was offering.

Last chance.

I don't want you to think i'm after all your money , i don't want to cause you any more added stress , all i need you to do is say i'm getting that amount for allimony or whatever you want to say,

The money you get will go into your account the first of every month until I die. Then you will start receiving SBP and OPM payments.

You are unbelievable. You want to leave something for Joshua. I used to live in a tent so you would be okay. But I do not care anymore I just have to be done with you. I am trying to help you but my nerves are gone. Just writing these notes to you causes me great duress. I am going to try one last time.

I'm sending you the papers. You sign or I will hire a lawyer and take you to court. You see what you get then.

You are what is called 20/20/15 former spouse. I was in army more than 20 years, we were married more than 20 years, and our marriage overlapped my service by 15 years. I checked and you are not entitled to any benefits after one year of the divorce. Nothing to be done that is the law.

If you are employed you need to enroll in company health care plan.

I hate to bother you but I am having some serious health issues.

I had to have cancer surgery earlier this year and now I need 2 more surgeries.

I cannot afford to pay for these surgeries so I must come to lv to use the va.

I need to rent a car but insurance adds 28 dollars a day to the contract. I cannot afford this.

I need you to add me to your policy. I will pay all increases to your policy.

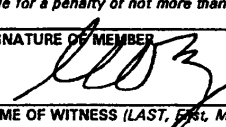

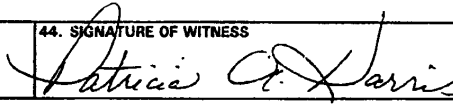

With me having a policy I do not have to purchase daily rental insurance.

I tried to get my own policy but I cannot get a policy without owning my a car.

This does not affect you in any manner it just takes some financial pressure off of me.

Dear CATERINA A BYRD:

Thank you for your participation in the Federal Long Term Care Insurance Program (FLTCIP). Long Term Care Partners administers the FLTCIP.

We are writing to advise you that your FLTCIP coverage benefits have increased as scheduled under the automatic compound inflation option you selected. Your premium does not increase annually as a result of this annual increase in benefits.

Under this option, on each anniversary of your coverage effective date, your daily benefit amount automatically increases at a rate of 2.20% compounded annually.

Effective November 1, 2017, your daily benefit amount increased to \$301.14. Your maximum lifetime benefit is unchanged and remains unlimited.

We have enclosed a new schedule of benefits reflecting your new coverage amounts. Please keep a copy of this updated schedule of benefits with your *FLTCIP Benefit Booklet*. You will receive a letter from us, similar to this one, on or about each anniversary date.

We are happy to assist you. If you have any questions, please call our Customer Service Center at **1-800-LTC-FEDS** (1-800-582-3337) TTY 1-800-843-3557, or visit us online at www.LTCFEDS.com.

Sincerely,

Are you thinking about retirement? Are you ready for retirement?

We have tools that can help you!

- Apply for retirement, spouse's, Medicare or disability benefits at socialsecurity.gov/applyforbenefits
- And once you receive benefits, manage your benefits at myaccount.socialsecurity.gov

Your *Social Security Statement* tells you about **how much you or your family would receive** in disability, survivor or retirement benefits. It also includes our record of your lifetime earnings. Check out your earnings history, and **let us know right away if you find an error.** This is important because we base your benefits on our record of your lifetime earnings.

Your Estimated Benefits

*Retirement	You have earned enough credits to qualify for benefits. At your current earnings rate, if you continue working until...	
	your full retirement age (67 years), your payment would be about.....\$	330 a month
	age 70, your payment would be about.....\$	409 a month
	age 62, your payment would be about.....\$	232 a month
*Disability	To get benefits if you become disabled right now, you need 34 credits of work and 20 of these credits had to be earned in the last 10 years. Your record shows you do not have enough credits in the right time period.	
*Family	If you get retirement or disability benefits, your spouse or children may also qualify for benefits.	
*Survivors	You have earned enough credits for your family to receive survivors benefits. If you die this year, certain members of your family may qualify for the following benefits.	
	Your child	299 a month
	Your spouse who is caring for your child	299 a month
	Your spouse, if benefits start at full retirement age	398 a month
	Total family benefits cannot be more than.....\$	598 a month
	Your spouse or minor child may be eligible for a special one-time death benefit of \$255.	
Medicare	You have earned enough credits to qualify for Medicare at age 65. Even if you do not retire at age 65, be sure to contact Social Security three months before your 65th birthday to enroll in Medicare.	

***Your estimated benefits are based on current law. Congress has made changes to the law in the past and can do so at any time. The law governing benefit amounts may change because, by 2035, the payroll taxes collected will be enough to pay only about 80 percent of scheduled benefits. We based your benefit estimates on these facts:**

Your date of birth (please verify your name on page 1 and this date of birth).....July 24, 1963
 2018 earnings.....None
 2019 earnings.....None
 Your estimated taxable earnings per year after 2019.....None
 Age you plan to stop working.....Not provided
 Your Social Security number (only the last four digits are shown to help prevent identity theft) XXX-XX-5274

How Your Benefits Are Estimated

To qualify for benefits, you earn "credits" through your work — up to four each year. This year, for example, you earn one credit for each \$1,360 of wages or self-employment income. When you've earned \$5,440, you've earned your four credits for the year. Most people need 40 credits, earned over their working lifetime, to receive retirement benefits. For disability and survivors benefits, young people need fewer credits to be eligible.

We checked your records to see whether you have earned enough credits to qualify for benefits. If you haven't earned enough yet to qualify for any type of benefit, we can't give you a benefit estimate now. If you continue to work, we'll give you an estimate when you do qualify.

What we assumed — If you have enough work credits, we estimated your benefit amounts using your average earnings over your working lifetime. For the first retirement amount shown, and your credits through 2018, we assumed you would stop work at the retirement age you gave us. For later retirement ages we assumed you will continue working up to those ages. In all the estimates, we used the earnings amounts you gave us for last year, and future years.

Generally, the older you are and the closer you are to retirement, the more accurate the retirement estimates will be because they are based on a longer work history with fewer uncertainties such as earnings fluctuations and future law changes. We encourage you to use our online Retirement Estimator at www.socialsecurity.gov/estimator to obtain immediate and personalized benefit estimates.

We can't provide your actual benefit amount until you apply for benefits. **And that amount may differ from the estimates stated above because:**

- (1) Your earnings may increase or decrease in the future.
- (2) After you start receiving benefits, they will be adjusted for cost-of-living increases.

- (3) Your estimated benefits are based on current law. **The law governing benefit amounts may change.**
- (4) Your benefit amount may be affected by **military service, railroad employment or pensions earned through work on which you did not pay Social Security tax.** Visit www.socialsecurity.gov/myaccount to learn more.

Windfall Elimination Provision (WEP) — In the future, if you receive a pension from employment in which you do not pay Social Security taxes, such as some federal, state or local government work, some nonprofit organizations or foreign employment, and you also qualify for your own Social Security retirement or disability benefit, your Social Security benefit may be reduced, but not eliminated, by WEP. The amount of the reduction, if any, depends on your earnings and number of years in jobs in which you paid Social Security taxes, and the year you are age 62 or become disabled. For more information, please see *Windfall Elimination Provision* (Publication No. 05-10045) at www.socialsecurity.gov/WEP.

Government Pension Offset (GPO) — If you receive a pension based on federal, state or local government work in which you did not pay Social Security taxes and you qualify, now or in the future, for Social Security benefits as a current or former spouse, widow or widower, you are likely to be affected by GPO. If GPO applies, your Social Security benefit will be reduced by an amount equal to two-thirds of your government pension, and could be reduced to zero. Even if your benefit is reduced to zero, you will be eligible for Medicare at age 65 on your spouse's record. To learn more, please see *Government Pension Offset* (Publication No. 05-10007) at www.socialsecurity.gov/GPO.

Thinking of retiring?

www.socialsecurity.gov

Some things to consider

Retirement can have more than one meaning these days. It can mean that you have applied for Social Security retirement benefits or that you are no longer working. Or it can mean that you have chosen to receive Social Security while still working, either full or part-time. All of these choices are available to you. Your retirement decisions can have very real effects on your ability to maintain a comfortable retirement.

If you retire early, you may not have enough income to enjoy the years ahead of you. Likewise, if you retire late, you'll have a larger income, but fewer years to enjoy it. Everyone needs to try to find the right balance, based on his or her own circumstances.

We hope the following information will help you as you plan for your future retirement and consider your retirement options.

Avoid a Medicare Penalty Sign Up at Age 65

Even if you don't plan to receive monthly benefits, be sure to sign up for Medicare *three months before* turning age 65. If you don't sign up for Medicare Part B (medical insurance) when you're first eligible, your coverage may not start right away and you may have to pay a late enrollment penalty for as long as you have it. You can apply online. Visit www.socialsecurity.gov/medicareonly for information and to apply.

What is the best option for you?

Everyone's situation is different. That is why Social Security has created several retirement planners to help you decide what would be best for you and your family. Social Security has an online calculator that can provide immediate and accurate retirement benefit estimates to help you plan for your retirement.

The online Retirement Estimator is a convenient, secure, and quick financial planning tool. It uses your own earnings record information, thereby eliminating any need to manually key in years of earnings information. The estimator also will let you create "what if" scenarios. You can, for example, change your "stop work" date or expected future earnings to create and compare different retirement options. To use the Retirement Estimator, go to our website at www.socialsecurity.gov/estimator.

There is one more thing you should remember as you crunch the numbers for your retirement. You may need your income to be sufficient for a long time, because people are living longer than ever before, and generally, women tend to live longer than men. For example:

- The typical 65-year-old today will live to age 83;
- One in four 65-year-olds will live to age 90; and
- One in ten 65-year-olds will live to age 95.

Once you decide on the best age for you to actually retire, remember to complete your application *three months before* the month in which you want retirement benefits to begin.

It's so easy to apply online for benefits

The easiest way to apply for Social Security retirement benefits is to go online at www.socialsecurity.gov/applyforbenefits. If you do not have access to the Internet, you can call 1-800-772-1213 (TTY number, 1-800-325-0778) between 7 a.m. and 7 p.m., Monday through Friday, to apply by phone. You also can apply at any Social Security office. To avoid having to wait, call first to make an appointment.

Receiving benefits while you work

When you reach your full retirement age, you can work and earn as much as you want and still receive your full Social Security benefit payment. If you are younger than full retirement age and if your earnings exceed certain dollar amounts, some of your benefit payments during the year will be withheld.

This does not mean you must try to limit your earnings. If we withhold some of your benefits because you continue to work, we will pay you a higher monthly benefit amount when you reach your full retirement age. In other words, if you would like to work and earn more than the exempt amount, you should know that it will not, on average, reduce the total value of lifetime benefits you receive from Social Security—and may actually increase them.

Here is how this works: after you reach full retirement age, we will recalculate your benefit amount to give you credit for any months in which you did not receive some benefit because of your earnings. In addition, as long as you continue to work, we will check your record every year to see whether the additional earnings will increase your monthly benefit.

Many people can continue to work and still receive retirement benefits. If you want more information on how earnings affect your retirement benefits, ask for *How Work Affects Your Benefits* (Publication No. 05-10069), which has current annual and monthly earnings limits, and is available on our website.

Retirement age considerations

Full retirement age

For persons born during the years 1943-1954, the full retirement age is 66. If you were not born in this period, you can find your full retirement age on page 2 of your *Social Security Statement*.

Retiring early

If you've earned 40 credits (credits are explained on page 2 of your *Statement*), you can start receiving Social Security benefits at 62 or at any month between 62 and full retirement age. However, your benefits will be reduced based on the number of months you receive benefits before you reach full retirement age.

If your full retirement age is 66, benefits will be reduced:

- 25 percent at age 62;
- 20 percent at age 63;
- 13 1/4 percent at age 64; or
- 6 2/3 percent at age 65.

Delaying retirement

You may decide to wait beyond your full retirement age before

choosing to receive benefits. If so, your benefit will be increased by a certain percentage for each month you don't receive benefits between your full retirement age and age 70. This table shows the rate your benefits increase if you delay retiring.

Year of birth	Yearly increase rate
1941 - 1942	7.5%
1943 or later	8.0%

Rules that may affect your survivor

If you are married and die before your spouse, he or she may be eligible for a benefit based on your work record. If you start benefits before your full retirement age we cannot pay your surviving spouse a full benefit from your record. Also, if you wait until after your full retirement age to begin benefits, the surviving spouse benefits based on your record will be higher.

Total Social Security and Medicare taxes paid over your working career through the last year reported on the chart above:

Estimated taxes paid for Social Security:

You paid: \$4,095
Your employers paid: \$4,095

Estimated taxes paid for Medicare:

You paid: \$966
Your employers paid: \$966

Note: Currently, you and your employer each pay a 6.2 percent Social Security tax on up to \$132,900 of your earnings and a 1.45* percent Medicare tax on all your earnings. If you are self-employed, you pay the combined employee and employer amount, which is a 12.4 percent Social Security tax on up to \$132,900 of your net earnings and a 2.9* percent Medicare tax on your entire net earnings.

*If you have earned income of more than \$200,000 (\$250,000 for married couples filing jointly), you must pay 0.9 percent more in Medicare taxes.

Help Us Keep Your Earnings Record Accurate

You, your employer and Social Security share responsibility for the accuracy of your earnings record. Since you began working, we recorded your reported earnings under your name and Social Security number. We have updated your record each time your employer (or you, if you're self-employed) reported your earnings.

Remember, it's your earnings, not the amount of taxes you paid or the number of credits you've earned, that determine your benefit amount. When we figure that amount, we base it on your average earnings over your lifetime. If our records are wrong, you may not receive all the benefits to which you're entitled.

Review this chart carefully using your own records to make sure our information is correct and that we've recorded each year you worked. You're the only person who can look at the earnings chart and know whether it is complete and correct.

Some or all of your earnings from **last year** may not be shown on your *Statement*. It could be that we still were

processing last year's earnings reports when your *Statement* was prepared. Your complete earnings for last year will be shown on next year's *Statement*. **Note:** If you worked for more than one employer during any year, or if you had both earnings and self-employment income, we combined your earnings for the year.

There's a limit on the amount of earnings on which you pay Social Security taxes each year. The limit increases yearly. Earnings above the limit will not appear on your earnings chart as Social Security earnings. (For Medicare taxes, the maximum earnings amount began rising in 1991. Since 1994, all of your earnings are taxed for Medicare.)

Call us right away at 1-800-772-1213 (7 a.m. - 7 p.m. your local time, TTY 1-800-325-0778) if any earnings for years **before last year** are shown incorrectly. Please have your W-2 or tax return for those years available. (If you live outside the U.S., follow the directions at the bottom of page 4.)

Some Facts About Social Security

About Social Security and Medicare...

Social Security pays retirement, disability, family and survivors benefits. Medicare, a separate program run by the Centers for Medicare & Medicaid Services, helps pay for inpatient hospital care, nursing care, doctors' fees, drugs, and other medical services and supplies to people age 65 and older, as well as to people who have been receiving Social Security disability benefits for two years or more. Your Social Security covered earnings qualify you for both programs. Medicare does not pay for long-term care, so you may want to consider options for private insurance. For more information about Medicare, visit www.medicare.gov or call 1-800-633-4227 (TTY 1-877-486-2048 if you are deaf or hard of hearing).

Retirement — If you were born before 1938, your full retirement age is 65. Because of a 1983 change in the law, the full retirement age will increase gradually to 67 for people born in 1960 and later.

Some people retire before their full retirement age. You can retire as early as 62 and take benefits at a reduced rate. If you work after your full retirement age, you can receive higher benefits because of additional earnings and credits for delayed retirement.

Disability — If you become disabled before full retirement age, you can receive disability benefits after six months if you have:

- enough credits from earnings (depending on your age, you must have earned six to 20 of your credits in the three to 10 years before you became disabled); and
- a physical or mental impairment that's expected to prevent you from doing "substantial" work for a year or more or result in death.

If you are filing for disability benefits, please let us know if you are on active military duty or are a recently discharged veteran, so that we can handle your claim more quickly.

Family — If you're eligible for disability or retirement benefits, your current or divorced spouse, minor children or adult children disabled before age 22 also may receive benefits. Each may qualify for up to about 50 percent of your benefit amount.

Survivors — When you die, certain members of your family may be eligible for benefits:

- your spouse age 60 or older (50 or older if disabled, or any age if caring for your children younger than age 16); and
- your children if unmarried and younger than age 18, still in school and younger than 19 years old, or adult children disabled before age 22.

If you are divorced, your ex-spouse could be eligible for a widow's or widower's benefit on your record when you die.

Extra Help with Medicare — If you know someone who is on Medicare and has limited resources and income, Extra Help is available for prescription drug costs. The Extra Help can help pay the monthly premiums, annual deductibles and prescription co-payments. To learn more or to apply, visit www.socialsecurity.gov or call 1-800-772-1213 (TTY 1-800-325-0778).

Receive benefits and still work...

You can work and still get retirement or survivors benefits. If you're younger than your full retirement age, there are limits on how much you can earn without affecting your benefit amount. When you apply for benefits, we'll tell you what the limits are and whether work would affect your monthly benefits. When you reach full retirement age, the earnings limits no longer apply.

Before you decide to retire...

Carefully consider the advantages and disadvantages of early retirement. If you choose to receive benefits before you reach full retirement age, your monthly benefits will be reduced.

To help you decide the best time to retire, we offer a free publication, *When To Start Receiving Retirement Benefits* (Publication No. 05-10147), that identifies the many factors you should consider before applying. Most people can receive an estimate of their benefit based on their actual Social Security earnings record by going to www.socialsecurity.gov/estimator. You also can calculate future retirement benefits by using the Social Security Benefit Calculators at www.socialsecurity.gov.

Re: Caterina Byrd v. Grady Byrd
D-18-577701-Z

Dear Byron:

This letter is a follow up to the telephone message that I left with your secretary on September 20, 2019 and the e-mail that I sent to you on September 20, 2019 regarding Grady Byrd's wife, Pinky Byrd, signing a consent to release her interest in the military Survivor Benefit Plan. I have not heard back from you.

Pinky Byrd's consent is needed to reinstate Caterina as the beneficiary. This is in furtherance of what the Judge ordered to get Caterina back on as the beneficiary. As you recall, pursuant to the Order of May 22, 2019 (filed on June 26, 2019), Grady was to have 30 days in which to complete the paperwork needed so that Caterina is listed as the beneficiary of Grady's Survivor Benefit Plan. Please see page 5, line 28 and page 6, lines 1-5.

Accordingly, please forward the enclosed Survivor Benefit Plan (SBP) Release by Current Spouse to Grady so that his wife, Pinky, can execute the same. As you can imagine, we are concerned about Grady's health and thus, time is of the essence. Please return a copy to our office no later than Friday, September 27, 2019, to avoid the necessity of a motion. Please forward the original once you are in receipt of the same.

Very truly yours,

Jeanne F. Lambertsen, Esq.

CSM (RET) Grady E. Byrd (Claim #:275737)

If you are receiving Concurrent Retirement and Disability Pay (CRDP): You cannot receive both CRDP and CRSC payments, per Public Laws 107-314 and 108-136. If CRSC is more beneficial than CRDP, DFAS will make this election for you. CRSC payments will be made in the same manner as your retired pay (i.e., EFT or check). For more information on CRDP, please review the DFAS website at: <http://www.dod.mil/dfas/retiredpay/concurrentretirementanddisabilitypay.html>.

Six Year Statute of Limitations: CRSC is subject to the 6-year statute of limitations, 31 U.S.C., Section 3702(b). In order to receive the full retroactive CRSC entitlement, you must file your CRSC claim within 6 years of any VA rating decision that could potentially make you eligible for CRSC or the date you become entitled to retired pay, whichever is more recent. If you file your claim more than 6 years after initial eligibility, you will be restricted to 6 years of any retroactive entitlement. Any questions relating to the payment of this claim must be addressed to Defense Finance and Accounting Service (DFAS) who is the pay authority for CRSC.

Thank you for your dedication and selfless service to our Nation. We recommend that you keep this decision as part of your military personnel records. If you have questions regarding this decision, or need Reconsideration Form (CRSC 12e), contact 1-866-281-3254 or visit www.crsc.army.mil.

Sincerely,

Dear Mr. Byrd:

This letter is to inform you that your application for disability retirement under the Federal Employees Retirement System (FERS) has been approved and to provide information that will be helpful in your transition from employment to retirement. It explains the steps that must be taken before you can begin receiving annuity payments. It provides important information on other factors that may have a major impact on your disability retirement.

Interim Payments

According to the information we received from your agency, you have not been separated from Federal service. We will notify your agency that your disability retirement has been approved and ask them to separate you from Federal service. We will also ask your agency to forward your final records to us, including your last day in a pay status. Once we are advised of your last day in a pay status we will authorize interim payments, which are usually about 80 percent of the amount of your actual monthly annuity payments. You should receive your first interim payment within 10 days of your agency certifying your last day in pay to us. You will continue to receive interim payments on the first business day of each month until we complete the processing of your application for a disability retirement.

Social Security Administration Awards

We cannot start your annuity payments until we receive confirmation that you have applied for Social Security disability benefits. If you have not already done so, you must apply for them now and send us a copy of the receipt that they will send to you. If you have already sent us a copy of the receipt, you do not need to take any action.

If the Social Security Administration awards you monthly benefits, you must immediately notify us of the amount and the effective date of the monthly benefit. You can do this by sending us a photocopy of their award notice or their statement showing the monthly benefit amount and the effective date they determined your eligibility began. We conduct periodic checks against Social Security records to discover unreported awards.

RA000543

You should send their application receipt and notification that you have been approved for Social Security benefits to the U.S. Office of Personnel Management, Federal Employees Retirement System, Boyers, PA 16017.

We will continue processing your claim after we receive the final records from your employing agency and a receipt or other confirmation that you have applied for Social Security benefits.

If you are under age 62, your FERS disability benefits for the first 12 months will be equal to 60 percent of your high-three year average salary minus 100 percent of your Social Security benefit for any month in which you are entitled to Social Security disability benefits. After the first year, your disability annuity will be equal to 40 percent of your high-three year average salary minus 60 percent of your Social Security benefit for any month in which you are entitled to Social Security disability benefits. FERS disability benefits usually begin before the claim for Social Security benefits is fully processed. Because the FERS disability benefit must be reduced by 100 percent of any Social Security benefit payable for 12 months, Social Security checks should not be negotiated until the FERS benefit has been reduced. The Social Security checks will be needed to pay OPM for the reduction which should have been made in the FERS annuity.

U.S. Dept. of Labor's Office of Workers' Compensation Program (OWCP) Benefits
In general, you may not receive annuity payments from both OPM and OWCP for the same period of time. However, if you are eligible to receive a civil service annuity and an OWCP Non-Scheduled Total or Partial Award for the same period of time, you may elect which benefit you want to receive. You may receive payments from both OPM and OWCP for the same period of time only if, (1) you are receiving OWCP payments for a Scheduled (loss of limb or function) Award, (2) you are receiving OWCP payments due to the death of another person and you are eligible for receiving an annuity on the basis of your own Federal service, or (3) in place of receiving an OWCP Non-Scheduled Total or Partial Award, you are receiving a Third Party Settlement from the party directly responsible for your injury. If you are receiving OWCP payments but not for one of the three reasons stated above and are also receiving payments from OPM, please contact us by calling 1(888) 767-6738, or by writing to the U.S. Office of Personnel Management, Retirement Operations Center, Boyers, PA 16017.

Recovery Situations

If you are under age 60, we may ask you from time to time to submit detailed medical evidence to show your condition continues to be disabling. If the medical evidence shows your condition has improved to the point where you can again perform the duties of your previous position, we will find that you are recovered from your disabling medical condition. With such a finding, annuity payments will stop on the first day of the month beginning one year after the date of the medical examination showing your recovery.

Furthermore, we will honor a written and signed statement of medical recovery that you voluntarily submit if the medical documentation on file does not demonstrate mental incompetency. Disability annuity payments will stop on the first day of the month beginning one year after the date of your voluntary statement.

If you are reemployed into a permanent position with the Federal Government at any time before age 60 at the same or higher grade/pay level and tenure as the position from which you retired, you will be found recovered. Disability annuity payments will stop on the first day of the month following the month of the recovery finding.

If you are found recovered from any of these situations, your former employing agency is not obligated to rehire you into your former position, or any other position. If your annuity payments are stopped because you are found medically recovered, you may be eligible for a deferred annuity at age 62, or at an earlier date if you meet the service criteria for a discontinued service retirement.

Restoration of Earning Capacity

If you are under age 60 and working in a non-federal position, there is a limit on the amount you can earn from wages and self-employment and still be entitled to your annuity payment. If your earnings in any calendar year equal at least 80 percent of the current salary of the position from which you retired, we will find your earning capacity to have been restored. Disability annuity payments will stop six months from the end of the calendar year in which your earning capacity is restored.

Medicare

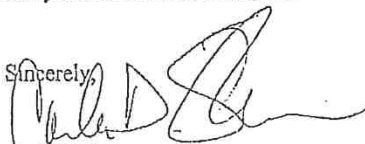

If you believe you qualify for Medicare, you should contact the Social Security Administration promptly at 1-800-772-1213 to make arrangements for filing an application. A delay in filing could result in a delay in the date your Medicare entitlement may begin.

Reporting Responsibilities

Be sure to notify us if you are reemployed with the Federal Government, your marital status changes, or there is a change in either the address where your payments are sent or the address where you wish us to send correspondence and notices. You can report these events and ask questions concerning this letter to our Retirement Information Office at 1(888) 767-6738, or by writing to the U.S. Office of Personnel Management, Retirement Operations Center, Boyers, PA 16017. Be sure to include your Civil Service Annuity (CSA) claim number on any correspondence and keep this letter for future reference.

Dear GRADY E BYRD :

This notice explains an adjustment in your Federal Employees Retirement System (FERS) disability annuity.

The law requires us to adjust the annuity paid to a FERS disability retiree when the retiree reaches age 62. Since you turned 62 on MAY 07, 2018, we have recomputed your annuity. Effective MAY 07, 2018, your new gross rate is \$1,290.00. The annuity you receive on or about JUNE 01, 2018, which pays the annuity due you for the month of MAY, will be the first to reflect your new rate. That payment will also include a one-time payment adjustment of \$98.80 representing the additional annuity due you at the OLD rate for the month of MAY. The current monthly survivor annuity is \$716.00. You will receive a separate notice, which shows the deductions from your new monthly gross.

Your new annuity rate represents the annuity payable if you had continued to work until the date before your 62nd birthday and retired under the non-disability provisions of the FERS retirement law. We increased your total creditable service by the time you were in receipt of FERS disability annuity. We increased your "high-3" average salary by all applicable FERS cost-of-living adjustments during the same period. DECISION

IN THE CASE OF

CLAIM FOR

Grady Edward Byrd
(Claimant)

Period of Disability and Disability Insurance
Benefits

(Wage Earner)

[REDACTED]
(Social Security Number)

JURISDICTION AND PROCEDURAL HISTORY

This case is before the undersigned on a request for hearing dated March 5, 2012 (20 CFR 404.929 *et seq.*). The evidence of record supports a fully favorable decision; therefore no hearing has been held (20 CFR 404.948(a)). The claimant is represented by Brenda Steck, a non-attorney representative.

The claimant is alleging disability since September 14, 2007.

ISSUES

The issue is whether the claimant is disabled under sections 216(i) and 223(d) of the Social Security Act. Disability is defined as the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment or combination of impairments that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months.

There is an additional issue whether the insured status requirements of sections 216(i) and 223 of the Social Security Act are met. The claimant's earnings record shows that the claimant has acquired sufficient quarters of coverage to remain insured through December 31, 2013. Thus, the claimant must establish disability on or before that date in order to be entitled to a period of disability and disability insurance benefits.

After careful review of the entire record, the undersigned finds that the claimant has been disabled from September 14, 2007, through the date of this decision. The undersigned also finds that the insured status requirements of the Social Security Act were met as of the date disability is established.

APPLICABLE LAW

Under the authority of the Social Security Act, the Social Security Administration has established a five-step sequential evaluation process for determining whether an individual is disabled (20 CFR 404.1520(a)). The steps are followed in order. If it is determined that the

See Next Page

RA000549

12-16

claimant is or is not disabled at a step of the evaluation process, the evaluation will not go on to the next step.

At step one, the undersigned must determine whether the claimant is engaging in substantial gainful activity (20 CFR 404.1520(b)). Substantial gainful activity (SGA) is defined as work activity that is both substantial and gainful. If an individual engages in SGA, he is not disabled regardless of how severe his physical or mental impairments are and regardless of his age, education, or work experience. If the individual is not engaging in SGA, the analysis proceeds to the second step.

At step two, the undersigned must determine whether the claimant has a medically determinable impairment that is "severe" or a combination of impairments that is "severe" (20 CFR 404.1520(c)). An impairment or combination of impairments is "severe" within the meaning of the regulations if it significantly limits an individual's ability to perform basic work activities. If the claimant does not have a severe medically determinable impairment or combination of impairments, he is not disabled. If the claimant has a severe impairment or combination of impairments, the analysis proceeds to the third step.

At step three, the undersigned must determine whether the claimant's impairment or combination of impairments is of a severity to meet or medically equal the criteria of an impairment listed in 20 CFR Part 404, Subpart P, Appendix 1 (20 CFR 404.1520(d), 404.1525, and 404.1526). If the claimant's impairment or combination of impairments is of a severity to meet or medically equal the criteria of a listing and meets the duration requirement (20 CFR 404.1509), the claimant is disabled. If it does not, the analysis proceeds to the next step.

Before considering step four of the sequential evaluation process, the undersigned must first determine the claimant's residual functional capacity (20 CFR 404.1520(e)). An individual's residual functional capacity is his ability to do physical and mental work activities on a sustained basis despite limitations from his impairments. In making this finding, the undersigned must consider all of the claimant's impairments, including impairments that are not severe (20 CFR 404.1520(c) and 404.1545; SSR 96-8p).

Next, the undersigned must determine at step four whether the claimant has the residual functional capacity to perform the requirements of his past relevant work (20 CFR 404.1520(f)). The term past relevant work means work performed (either as the claimant actually performed it or as it is generally performed in the national economy) within the last 15 years or 15 years prior to the date that disability must be established. In addition, the work must have lasted long enough for the claimant to learn to do the job and have been SGA (20 CFR 404.1560(b) and 404.1565). If the claimant has the residual functional capacity to do his past relevant work, the claimant is not disabled. If the claimant is unable to do any past relevant work or does not have any past relevant work, the analysis proceeds to the fifth and last step.

At the last step of the sequential evaluation process (20 CFR 404.1520(g)), the undersigned must determine whether the claimant is able to do any other work considering his residual functional capacity, age, education, and work experience. If the claimant is able to do other work, he is not disabled. If the claimant is not able to do other work and meets the duration requirement, he is

disabled. Although the claimant generally continues to have the burden of proving disability at this step, a limited burden of going forward with the evidence shifts to the Social Security Administration. In order to support a finding that an individual is not disabled at this step, the Social Security Administration is responsible for providing evidence that demonstrates that other work exists in significant numbers in the national economy that the claimant can do, given the residual functional capacity, age, education, and work experience (20 CFR 404.1512(g) and 404.1560(c)).

FINDINGS OF FACT AND CONCLUSIONS OF LAW

After careful consideration of the entire record, the undersigned makes the following findings:

1. The claimant's date last insured is December 31, 2013.
2. The claimant has not engaged in substantial gainful activity since September 14, 2007, the alleged onset date (20 CFR 404.1520(b) and 404.1571 *et seq.*).
3. The claimant has the following severe impairments: degenerative disc disease, lumbar spine; impingement syndrome, bilateral shoulders; bilateral hip strain; degenerative joint disease; and obesity (20 CFR 404.1520(c)).

These impairments cause more than minimal functional limitations.

4. The claimant does not have an impairment or combination of impairments that meets or medically equals the severity of one of the listed impairments in 20 CFR Part 404, Subpart P, Appendix 1 (20 CFR 404.1520(d), 404.1525 and 404.1526).
5. The claimant is able to lift and carry 5 pounds frequently and 10 pounds occasionally, sit for 10 to 15 minutes at a time and less than 2 hours in an 8-hour workday, stand and walk for 10 minutes at a time and less than 2 hours in an 8-hour workday, never reach overhead with his arms bilaterally, occasionally balance, never stoop, and requires a cane to ambulate. Claimant is unable to perform work related mental and physical activities on a regular and continuing basis, is likely to be off task frequently or miss approximately 20% of the workweek. [SSR 96-8p, 96-9p]

In making this finding, the undersigned considered all symptoms and the extent to which these symptoms can reasonably be accepted as consistent with the objective medical evidence and other evidence, based on the requirements of 20 CFR 404.1529 and SSRs 96-4p and 96-7p. The undersigned has also considered opinion evidence in accordance with the requirements of 20 CFR 404.1527 and SSRs 96-2p, 96-6p and 06-3p.

The medical evidence of record describes a history of treatment for severe lower back, right hip, right knee, right ankle, right groin area and right great toe pain, since 2007. The medical evidence of record contains positive evidence of disc bulge at the L4-5 level, hypertrophied facet joints at the ligamentum flavum, bilateral shoulder impingement, right wrist tear, bilateral hip strain, and degenerative joint disease of the right knee, right ankle and great toe. There is

RA000551

14. 16

evidence of loss of range of motion in claimant's back, knees and ankles. As a result of his medication, claimant suffers from constant drowsiness, dizziness, disorientation, and occasional loss of bladder control and erectile dysfunction. During episodes of extreme pain, claimant is unable to see well, talk coherently, walk or interact with others. Claimant walks with an uneven gait and requires a cane to ambulate at all times. Claimant medications include Fentanyl 25 mcg patch every three days, Tramadol 50 mg tablets three times a day, and Methocarbamol 500 mg tablets three times a day. Claimant has also been prescribed Vicodin, Cyclobenzaprine, naproxen, gabapentin, omeprazole, and morphine. [Ex. 1F, 2F, 3F, 4F, 5F, 6F, 7F, 10F, 12F] An MRI of claimant lumbar spine on 10/3/2011 showed 1) central disk protrusion with evidence of desiccation at L4-5, resulting in anterior thecal sac indentation and bilateral foraminal stenosis with a posterior annular tear at the L4-5 intervertebral disk; 2) diffuse disk bulges at L3-4 and L5-S1 with anterior thecal sac indentations, fatty marrow changes Modic type 2 with hemangiomas at L1 and L3 vertebral bodies; and 3) spondylosis and straightening of the lumbar spine. Claimant weighed 230 pounds and at 5' 9" tall, was assessed with morbid obesity. [Ex. 23F]

According to the BMI calculator at the website for the National Heart, Lung and Blood Institute, at 5'9" weighing 230 pound, claimant has a BMI of 34.0. Since obesity is defined by a BMI of 30 or greater, the claimant's BMI is consistent with obesity. The undersigned is persuaded that the claimant has obesity, which in combination with his right side weakness, hip, leg, knee, ankle and toe pain, and other conditions, has further significantly limited his ability to sustain basic work functions for the period at issue. As set forth in the Social Security Regulations, obesity adversely affects the ability to perform routine movement and necessary activity within the work environment. In light of the evidence in this case, the claimant's obesity has further added to fatigue and has negatively affected his mental clarity. [SSR 02-1p] Social Security Ruling 02-1p specifically recognizes that obesity (1) increases the exertional limitations upon an individual's ability to perform routine movement and necessary activity within the work environment, including sitting, standing and walking; (2) further adds to fatigue; (3) adversely impacts mental clarity; and (4) adversely impacts the ability to sustain a function over time.

After considering the evidence of record, the undersigned finds that the claimant's medically determinable impairments could reasonably be expected to produce the alleged symptoms, and that the claimant's statements concerning the intensity, persistence and limiting effects of these symptoms are generally credible.

The undersigned accords substantial weight to the opinions and assessments of claimant's treating orthopedic physician, Jose Quintos, M.D. Dr. Quintos began treating claimant in 2008 and conducted a thorough physical examination of claimant for the U.S. Department of Veterans Affairs in 2009 and 2011. On 2/4/2009, Dr. Quintos reported that claimant's range of motion test showed severely decreased ROM in the lumbar spine, and physical therapy was unsuccessful and only increased claimant's hip and back pain. Dr. Quintos diagnosed claimant with chronic bilateral hip strain secondary to degenerative joint disease and degenerative disc disease of the lumbar spine. [Ex. 4F] In a report dated 2/6/2009, Dr. Quintos reported that he conducted a detailed review of claimant's medical history and records from 1997 to 2009, assessed claimant's current functional limitations, and reported that claimant was unable to work due to constant dizziness, inability to concentrate, inability to leave his home after taking pain medication, constant drowsiness and inability to sit, stand or walk for more than a few minutes due to pain.

See Next Page

RA000552

[Ex. 6F] In a medical source statement dated 5/18/2008, Dr. Quintos opined that claimant was able to sit for less than 2 hours in an 8-hour workday, and stand and walk for less than 2 hours in an 8-hour workday. He opined that claimant could lift and carry up to 5 pounds frequently and 10 pounds occasionally, occasionally balance, never stoop, never reach overhead with the left or right arm, and required a cane to ambulate. He opined that claimant's restrictions at existed at least since September of 2007 when claimant was injured while parachuting from a plane. [Ex. 7I] In a medical source statement dated 12/2011, Dr. Quintos opined that claimant could sit for a total of 2 hours and stand and walk for a total of 2 hours in an 8-hour workday, needed an opportunity to alternate sitting and standing at will throughout the day, occasionally lift and carry up to 10 pounds, never climb, balance, stoop, kneel, crouch, crawl or reach above shoulder level, and never work at unprotected height. Dr. Quintos opined that claimant had severe and moderate restrictions regarding being around moving machinery and driving automotive equipment, and suffered from disabling fatigue and pain which prevented claimant from working even in a sedentary position. Dr. Quintos opined that claimant was unable to pay attention, concentrate, and complete even simple, unskilled work tasks due to pain and the side effects of his medication. [Ex. 20F]

The undersigned accords substantial weight to the opinions and assessments made by the examining physicians of the C & P (compensation and pension) Board and the VA. In a Decision dated 11/25/2009, the VA rated claimant with an overall rating of 70% service connected disability and awarded claimant with 100% individual unemployability rating effective 2/15/2008. [Ex. 8F]

The State agency medical consultants' physical assessments are given little weight because other medical opinions are more consistent with the record as a whole. Furthermore, the State agency consultants did not adequately consider the effect of claimant's combined physical impairments, including the affects of his obesity.

6. The claimant is unable to perform any past relevant work (20 CFR 404.1565).

The demands of the claimant's past relevant work exceed the residual functional capacity.

7. The claimant was an individual closely approaching advanced age on the established disability onset date (20 CFR 404.1563).

8. The claimant has at least a high school education and is able to communicate in English (20 CFR 404.1564).

9. Considering claimant's restricted residual functional capacity, transferability of job skills is not an issue in this case.

10. Considering the claimant's age, education, work experience, and residual functional capacity, there are no jobs that exist in significant numbers in the national economy that the claimant can perform (20 CFR 404.1560(c) and 404.1566).

See Next Page

16-16

In determining whether a successful adjustment to other work can be made, the undersigned must consider the claimant's residual functional capacity, age, education, and work experience in conjunction with the Medical-Vocational Guidelines, 20 CFR Part 404, Subpart P, Appendix 2. If the claimant can perform all or substantially all of the exertional demands at a given level of exertion, the medical-vocational rules direct a conclusion of either "disabled" or "not disabled" depending upon the claimant's specific vocational profile (SSR 83-11).

Even if the claimant had the residual functional capacity for the full range of sedentary work, a finding of "disabled" would be directed by Medical-Vocational Rule 201.14.

11. The claimant has been under a disability as defined in the Social Security Act since September 14, 2007, the alleged onset date of disability (20 CFR 404.1520(g)).

DECISION

Based on the application for a period of disability and disability insurance benefits filed on June 19, 2009, the claimant has been disabled under sections 216(i) and 223(d) of the Social Security Act since September 14, 2007.

NRS 125.150(3) the court may award a reasonable attorney's fee to either party to an action for divorce.

NRS 18.010(2):

(a) When the prevailing party has not recovered more than \$20,000; or

(b) Without regard to the recovery sought, when the court finds that the claim, counterclaim, cross-claim or third-party complaint or defense of the opposing party was brought or maintained without reasonable ground or to harass the prevailing party. The court shall liberally construe the provisions of this paragraph in favor of awarding attorney's fees in all appropriate situations. It is the intent of the Legislature that the court award attorney's fees pursuant to this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules of Civil Procedure in all appropriate situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden limited judicial resources, hinder the timely resolution of meritorious claims and increase the costs of engaging in business and providing professional services to the public.

7 existing law or by an argument for changing the existing
8 law that is made in good faith; or

9 (b) Unreasonably and vexatiously extended a civil
10 action or proceeding before any court in this State, the
11 court shall require the attorney personally to pay the
12 additional costs, expenses and attorney's fees reasonably
13 incurred because of such conduct.

14 2. The court shall liberally construe the provisions of
15 this section in favor of awarding costs, expenses and
16 attorney's fees in all appropriate situations. It is the intent
17 of the Legislature that the court award costs, expenses
18 and attorney's fees pursuant to this section and impose
19 sanctions pursuant to Rule 11 of the Nevada Rules of
20 Civil Procedure in all appropriate situations to punish for
21 and deter frivolous or vexatious claims and defenses

FACTUAL BACKGROUND

The parties divorced on or about June 5, 2014 after 31 years of marriage by way of a Joint Petition that Grady arranged to have prepared. Grady had two Master Degrees whereas Caterina had a High School education. The parties moved about 17 times throughout the world while Grady advanced his Army career and Caterina generally didn't work. The parties had separated about 2008 with Grady residing overseas and Caterina remained in the marital residence in Las Vegas that the parties purchased a mere four months before Grady told Caterina that he wanted a divorce. Grady threatened to stop communicating with her or her lawyer if she sought the assistance of counsel in reviewing the documents he had arranged to be prepared. Grady claimed that he could not get a loan and would remain poor until he died if the alimony language Caterina wanted was included in the decree of divorce. Repeatedly, he assured her that she would receive \$3,000 per month until he died, then she would receive the military Survivor Benefit Plan (SBP), the Veterans Group Life Insurance and the annuity from the Office of Personnel Management upon his death. Relying on Grady's promises, as Grady did not provide any financial records, she signed the decree of divorce. Grady paid Caterina \$3,000 per month for more than four years after the divorce. After the divorce, Caterina learned that her military health care insurance she was to receive was not for her lifetime as Grady promised, the \$150,000 Vystar insurance policy that she was the beneficiary of was lost due to Grady's nonpayment and Grady listed his new wife as the beneficiary of his military Survivor Benefit Plan.

About June 2016, Caterina learned that she was not covered under the

1 military health insurance, Tricare, and had to start repaying the providers that
2 Tricare paid on her behalf from about one year after the divorce. Then about
3 August 2018, Grady notified Caterina that he was suffering from cancer, had
4 surgeries and another surgery was scheduled. Caterina was alarmed. Grady
5 resided in the Phillippines, and she had no documentation evidencing her
6 Survivor Benefit Plan beneficiary status or the other insurances. When she
7 contacted him through the undersigned counsel, he followed through on his
8 threats; he ceased communicating with her, did not communicate with her
9 counsel and stopped paying her \$3,000 per month on September 1, 2019.
10 Grady claimed that she waived alimony, that the \$3,000 per month that he had
11 been paying her was "voluntary," that she was entitled to only \$64.20 per
12 month, and he named his new wife as the beneficiary of the Survivor Benefit
13 Plan. He refused to have his new wife consent to reinstate Caterina as his
14 beneficiary, despite Caterina being given the Survivor Benefit Plan in the
15 decree of divorce and the despite the court ordering Grady to take the actions
16 necessary to reinstate Caterina. The instant litigation followed, including the
17 Evidentiary Hearing, there were three hearings; January 23, 2019, May 22,
18 2019 and July 18, 2019 wherein Grady was ordered to pay Caterina \$3,000
19 per month. He refused. Caterina was also awarded attorney's fees which
20 Grady refused to pay. He was ordered to complete the paperwork necessary
21 to reinstate Caterina as the beneficiary of the Survivor Benefit Plan but refused
22 to have his wife sign the necessary consent giving up her interest in the
23 Survivor Benefit Plan. His complete disregard of the court's orders caused
24 further emotional distress to Caterina. She had to borrow money from her
25
26
27
28

1 parents and place expenses on a credit card. Caterina also had to file a Motion
2 to Compel Production of Documents with the Discovery Commissioner and
3 Grady was ordered to produce documents. Attorney fees were deferred to the
4 Evidentiary Hearing on October 21, 2019.

5
6 On April 23, 2019, Caterina filed a Memorandum of Fees and Costs for
7 the time period from the initiation of this matter, August 7, 2018, through the
8 hearing on January 23, 2019. As of January 23, 2019, Caterina incurred
9 \$11,580.00 in fees and \$706.18 in costs. At the January 23, 2019 hearing,
10 \$7,000.00 in attorney fees and costs were awarded to Caterina. Notice of Entry
11 of this order was filed on April 5, 2019. Grady has refused to pay Caterina the
12 \$7,000.00 in fees. This sum was reduced to Judgment at the Evidentiary
13 Hearing on October 21, 2019.

14
15 At the May 22, 2019 hearing, order filed June 26, 2019, Caterina was
16 awarded \$5,000.00 in attorney fees to prepare for the October 21, 2019
17 Evidentiary Hearing. Grady refused to pay Caterina this \$5,000.00 and the
18 \$5,000.00 was reduced to Judgment at the Evidentiary Hearing on October 21,
19 2019.

20
21 Caterina was granted an Order to Show Cause against Grady because
22 Grady refused to pay her \$3,000 for the months of June 1, 2019 and July 1,
23 2019 as ordered. At the July 18, 2019 hearing on Caterina's Motion for an
24 Order to Show Cause, Notice of Entry of Order filed on August 9, 2019,
25 Caterina's motion was granted and she was awarded \$1,500.00 in attorney
26 fees. Grady refused to pay Caterina this \$1,500.00 and it was reduced to
27 Judgment at the Evidentiary Hearing on October 21, 2019.

1 A total of \$13,500.00 in attorney fees has been awarded to Caterina at
2 hearings on January 23, 2019, May 22, 2019 and July 18, 2019. Grady refused
3 to pay these amounts. As a result, the \$13,500.00 was reduced to judgment at
4 the evidentiary hearing on October 21, 2019.

5
6 Caterina is respectfully requesting an award of additional attorney fees
7 associated with the Evidentiary Hearing on October 21, 2019 and preparation
8 of the Findings of Fact, Conclusion of Law and Order, and the fees and costs
9 for the time period from July 19, 2019 to October 21, 2019.

10 This instant Memorandum of Fees and Costs is to demonstrate the
11 amount of money that Caterina was forced to spend to defend herself against
12 Grady's wrongful conduct and seek the court's assistance as he unilaterally
13 terminated the \$3,000.00 per month that he is to pay her in support, his refusal
14 to comply with court orders to continue the \$3,000 per month payments
15 pending the October 21, 2019 Evidentiary Hearing, his refusal to appear at
16 court hearings based on medical excuses from "suspicious" Philippine doctor
17 notes rather than medical records and letters from the Veteran's Administration
18 explaining any alleged condition which prevented his attendance at the hearing.
19 He also refused to have his wife complete the necessary consent form to have
20 Caterina reinstated as the beneficiary of his SPB. He used Caterina's home
21 address for loans that he then defaulted on and he abandoned a vehicle that
22 he purchased at the airport. He refused to participate in discovery causing
23 Caterina to complete the EDCR 5.602 requirements and then file a Motion to
24 Compel Production of Documents. He produced incomplete records for his
25 document production and, in defiance of the court's order, he failed to provide
26
27
28

1 medical and financial records prior to the evidentiary hearing. He filed a Motion
2 for Reconsideration of the Court's denial of his request to appear by audiovisual
3 equipment at the evidentiary hearing, which Caterina was forced to oppose.
4 At the October 21, 2019 Evidentiary Hearing, testimony and evidence was also
5 taken on Caterina's Motion for Reconsideration of the court's order from the
6 May 22, 2019 hearing, Caterina's Order to Show Cause against Grady, and
7 Grady's Motion for Reconsideration of the court's denial of his appearance by
8 audio visual means. The court ruled in Caterina's favor finding, among other
9 things, that the June 5, 2014 decree of divorce was vague and unconscionable,
10 that Grady violated his fiduciary duty to his then wife, Caterina, and that any
11 alimony waiver Caterina may have entered into was unenforceable. Grady was
12 also found in Contempt of Court for failing to pay Caterina the \$3,000 per
13 month from June 1, 2019 to October 1, 2019 and sanctioned \$1,000.00. The
14 court found that Grady was in arrears in the amount of \$42,000.00 in alimony
15 to Caterina. This was reduced to judgment, subject to interest and collectible
16 by any lawful means. Grady was ordered to pay Caterina \$3,000.00 per month
17 in alimony for his lifetime, starting on November 1, 2019.

21 Since July 19, 2019, Caterina has had to seek the court's assistance
22 through preparation of, filing and service of the following documents:

- 23 1. Order to Show Cause (07/26/19), Notice of Entry of Order to Show
24 Cause (07/29/19);
- 25 2. Order from the July 18, 2019 hearing and Notice of Entry of Order
26 from the July 18, 2019 hearing (08/09/19);
27

- 1 3. Motion to Compel Grady's responses to Discovery and Request for
2 Sanctions and Attorney fees; Exhibit Index in support of this Motion

4 motion (09/23/19), Order Shortening Time on this motion and
5 Notice of Entry of Order (09/23/19), and her Reply to Grady's
6 opposition to her Motion to Compel (10/04/19);
7
8 4. Caterina's opposition to Grady's motion for a protective order and
9 Exhibit Index in support of her opposition (09/23/19);
10
11 5. Attendance at the October 11, 2019 hearing before the Discovery
12 Commissioner, and prepare the Report and Recommendation and
13 Order;
14
15 6. Caterina's Motion for Reconsideration and Exhibit Appendix in
16 support of this motion (09/30/19), Ex Parte Request for an Order
17 Shortening Time (10/01/19) and Order Shortening Time and Notice
18 of Entry of Order Shortening Time (10/04/19) and Notice of change
19 in Requested Relief in her Motion for Reconsideration (i.e. to
20 remove the request to continue the evidentiary hearing) (10/11/19)
21 and Reply to Grady's opposition to her Motion for reconsideration
22 (10/20/19);
23
24 7. Caterina's objection to Grady's Notice to appear by audiovisual
25 equipment at the October 21, 2019 evidentiary hearing (10/14/19);
26
27 8. Caterina's opposition to Grady's motion on Order Shortening time
28 for Reconsideration of the court's denial of Grady's audiovisual
 appearance at the evidentiary hearing on October 21, 2019 and

exhibit appendix in support of her opposition (10/16/19);

9. Caterina's Pre Trial Memorandum;

10. Attendance at the evidentiary hearing on October 21, 2019;

11. Prepare of the Findings of Fact, Conclusion of Law and Order.

CONCLUSION

Caterina's request for attorney fees in her Pre Trial Memorandum, her Motion to Compel Grady's Discovery Responses, her Motion for Reconsideration, and her Countermotions, Oppositions and Replies are justified. Between July 19, 2019 and October 21, 2019, she incurred attorney's fees in the amount of \$41,107.50 and costs in the amount \$924.75.

Pursuant to Brunzell v. Golden Gate Nat'l Bank, 85 Nev. 345 (1969), the Court should take into consideration the following factors when determining an award of attorney's fees. (1) The qualities of the advocate(s): Ms. Webster has been practicing law for over 34 years, was a member of Law Review, has written articles for legal publications, taught courses in family law for NBI and completed over 40 hours of Mediation training and Collaborative Law training; Ms. Lambertsen has been practicing law for over 14 years and graduated Magna Cum Laude from the William S. Boyd School of Law; the law firm's practice is dedicated to family law. (2) The character and difficulty of the work performed: The intricacy, importance, time and skill required to prepare the EDCR 5.501 and EDCR 5.602 letters and conferences, obtain records, prepare and file the underlying motions, the oppositions, replies, exhibit indexes and attend three (3) hearings was moderate to difficult. (3) The work actually

1 performed by the attorneys and legal assistants: Approximately 135 hours were
2 spent by counsel and legal assistants in fees (4) The result obtained was in
3 favor of Caterina.

4 DATED this 25 day of November, 2019.
