NOTICE REGARDING ORAL ARGUMENT

To minimize and allay concern about exposure to COVID-19, the Supreme Court may, on written request, permit lawyers to participate in oral argument by videoconference. The videoconferencing system the court uses requires laptop/desktop/videoconferencing computer internet access and audio and video (web camera) capability. For a request to be granted, the parties' internet capabilities must be compatible with those of the court. A written request for videoconferencing must be addressed to the Clerk of the Court and filed and served at least 3 business days before the date set for oral argument.
