as well as all of the cases Kim
has requested this Court to take
judicial notice of. Kim also requests
this Court take judicial notice that
Kim just received notice that
Case # 18-17441 in the 9th Cir. Court of
Appeals, Kim was sent LATE NOTICE!
Because of Kim's primitive incarceration
and Kim's denial of legal mailing
and delay of legal mailing, Kim can
only hope the 9th Cir. Court does not
dismiss Kim's appeal based on this Court's
refusal to act. This Court dismissed
Kim's action in case # 20363-A which
Court have quashed this LATE NOTICE!!!
being received. Kim has no access to
a computer. Kim could and would have
checked said computer to see what the
status was. KIM CANNOT DO THAT HERE
IN CCDC. Also, Kim now received back
from the 9th Circuit notice that
Kim's 2241 (pre-trial detainee) habeas
which challenges Kim's UNCONSTITUTIONAL
CUSTODY Kim begs the Nev. Sup. Ct and ~~now~~
this Court to correct is in process, Case
20-15283 DLANDINO V LOMBARDI et al.!

As usual Kim must write as the Holy Spirit gives Kim to write and this Court is well aware of this fact, belief and practice of Kims. Therefore, with no worry and no fear as the Creator demands Kim writes this; God of course before by the only begotten Son of the Creator himself!

"Ye hypocrites, like whited sepulchres all clean and white on the outside yet inside dead men's bones"! Kim writes this to hopefully awaken you to your own stated responsibility to the U.S. Constitution firstly and to that Oath all of you took to protect, defend and support against all enemies Domestic and Foreign. This includes the most sacred BILL OF RIGHTS. Which Bill the Creator allowed the founders to put in the Constitution!

Declaring before, during and after the Constitution was created that these basic rights come from God, the Creator himself. That the Constitution and ANY WRITTEN DOCUMENT! Only ACKNOWLEDGES that which the Creator in his grace gives to man. Most all countries in the world do not even acknowledge this. YOU

Court members swore an oath to this?

Kim wants what the Creator wants for you to obey your oath that you swore to before man and God, who sees all that you do and what you don't do!

Kim again comes before you yet now Kim has been FURTHER PUNISHED by the Sheriff in concert with the DPBH. As of this writing it is March 1 2020, As the Court knows from previous filings and judicial notice the Order of Commitment was signed, filed and delivered to DPBH on January 29, 2020.

Therefore Kim has wrongly been held 25 days more than the Order that MANDATES transport within 7 days as Burnside v Whitley 2:13-cv-1102-NMD-GWF requires and is STILL IN FORCE! This Court knows this full well as this very case and this very order is enshrined in the Case of Morgan v. State 416 P.3d 212 (Nev. 2018).

Unlike Morgan however, THIS IS NOT JUST ABOUT DELAY! Kim has been and is being repetitively PUNISHED by

Sheriff Lombardo and his subordinates at CCDC.

Since Kim last wrote, Kim has had two wrongful 24 hour bunk lockdowns which punished Kim by not allowing Kim to call Kim's stand-by Counsel on the phone which was crucial to Kim's meaningful access to the Courts. Kim's Emergency Motion to the U.S. Supreme Court and the 9th Circuit was wrongfully delayed thus costing Kim precious time and liberty.

Further Kim was not able to call Eve, Kim's house mate. A 94 year-old WWII Veteran with a pace maker and serious health conditions that Kim aids Eve with. Eve is a great woman and friend, who unfortunately worries greatly about Kim. Despite Kim telling Eve not to worry and to trust in the Creator, Eve worries anyway! When Kim is unable to talk to Eve, Eve suffers greatly! Kim must remark here how when sentencing and witness statements are made in the FDIC and reported on the News, And said sentencing

Involves suffering by victims and their families. The judge and prosecutors are quick to get on their HIGH HORSE and bemoan, cry and chastize the perpetrator! And rightly they should! Yet this court and the Nev. Sup. Ct. are VERY QUIET AND DO NOT SHOW THE SAME FOR EURE. Eure is suffering because of the violation to Kim and his rights.

Directly and indirectly from a vindictive prosecutor and judges that violate and IGNORE the law and their oaths to the Constitution. WHAT CLEAR HYPOCRISY! Where in Burnside or Maryann was this crying and wailing over clear violations to Due Process? Now with Kim being punished on clear violation of the Constitution and Competency procedure where is the crying and wailing and chastizing?

Diverse measures you have!! One rule for the state and another "rule" for the individual and his rights. Hypocrisy!

There will be no crying or wailing for Eure. Someone who helped this country

In the war effort against Hitler and fascism a true brave Veteran who the Court process now hurts grievously by hurting Kim and saying nothing. The Veterans Courts on the EDC are there to help troubled Veterans (as well they should). This is a noble thing. Kim applauds this. Yet where is the concern for Eve who is being victimized by the abuse of Kim and his rights and liberty?

With this Competency Commitment the Court is essentially saying that Kim is a "7 year old" in an adult body and is "NOT TO BE PUNISHED". Yet this Court and the New Sup. Ct. is allowing Kim TO BE PUNISHED! And Eve along with Kim!

Kim now has been further punished by being moved to SC3L of "North Tower" CCDC (Sort of like the Tower of London where decent men like Sir Thomas More of that great movie A MAN FOR ALL SEASONS waited to be be-headed by Henry the VIII Command)

Rom has wrongfully been moved
from minimum custody to medium
custody with no WARNING NOR
EXPLANATION. The Sheriff should have
put Rom at home-office pending
the transfer to Competency facility
at the very worst. Rom requested this
yet has been denied. Now at SC Rom
has even less time to use the phone
and access the ALL IMPORTANT KIOSK.

About a net 1/2 hour per day by
Rom's calculations. So the sheriff like
a lot of Criminals do, they "doubledown
on criminality". NRS Oppression under
color of law is a crime the Sheriff
and his subordinates would be charged
with in a proper world with oath
keeping prosecutors. Also charged with
violation of 18 USC 242 and 241 criminal
violation of Civil Rights! Burnside if
followed strictly mandates these foregoing
charges. As well as criminal contempt
charged from the Federal bench.

However hypocrisy abounds in this
21st Century America. Harvey Weinstein is
the toast of the town until he gets

Caught. Then all those people who
knew what he was doing and looked
the other way. Now are incredulous
and horrified, "What a monster". The
cowardly, YES I AM WRITING THIS, cowardly
women that for the love of money
and their careers were raped. Stood
silent! While others were raped and
might have been stopped in that rape
had they spoke up! Yes it would
have cost their careers more than
likely! Weinstein and his media-machine
and money would have crushed them
like a bug!! Yet their consciences
would have been clear. Now they have
their money and all the guilt! May
they repent and God forgive them. Yet
they must acknowledge before all that
they were cowards and accessories
to Weinstein's sexual assaults!

This Court itself must not be
an accessory to the Sheriff and
the DCBH wrongdoing. Roman needs
Emergency relief. In Solorzano v State
(citation unavailable) all charges
were ordered dismissed because if

a conviction had been had it would have had to be reversed because of a failure to have a preliminary hearing promptly according to law. So mandamus was granted.

In Kim's case because of Double Jeopardy. And the punishment Kim has documented in this filing and before a conviction also would have to be reversed! This Court MUST therefore grant immediate relock just as was done in Solomon!

The Sheriff and the DPBH MUST NOT be allowed to "Wormston" Kim with this Court standing by doing nothing!

Know that the DPBH has the power to involuntarily DRUG KIM, See every all the violations so far that have been allowed. What is to stop this MONSTROUS TRAVE FROM HAPPENING!

And thereby the risk of ADVERSE REACTION AND DEATH! Which all substances have the risk of. READ THE PAMPHLETS!! All synthetic drugs and vaccines carry the risk of serious disease and DEATH!

CONCLUSION

This Court MUST ACT AND ACT QUICKLY. Eve needs Kim. Kim has liberty interests the Courts can no longer ignore!

Kim warned this very Court in 80363 of the wrongs even then that were being done. Now this frivolous commitment order when this Court KNOWS FULL WELL that there is NO REASONABLE DOUBT about Kim's competency!

Judge Hardy committed criminal misbehavior on the bench on Jan 24 by not allowing Kim's attorney, Kim to make any record whatsoever. Thus violating 18 USC 242 as well as the Code of Judicial Conduct. As Hardy did not ensure the right to be heard!

This was WILLFUL MISCONDUCT!!. Hardy MUST BE REMOVED AS JUDGE! Just like Jones, Finc, Delvecchio and nauseum before him!

This Court now must either immediately order Kim released

pending & FVN review and development
of this petition. Or

I immediately grant this petition
and have Rima released and order
all charges dismissed with prejudice.

Or in the alternative grant
such other relief as is proper, just
and speedy.

DATED this 1st Day of March
2020.
