- Otherwise failing and/or refusing to comply with the Agreement and b. Nevada law.
- BGI is owed an amount in excess of Eleven Million Nine Hundred Thousand U.S. 11. Dollars (\$11,900,000) (the "Outstanding Balance") from TSE for the Work.
- 12. BGI has been required to engage the services of an attorney to collect the Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

SECOND CAUSE OF ACTION (Breach of Implied Covenant of Good Faith &Fair Dealing)

- 13. BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
- 14. There is a covenant of good faith and fair dealing implied in every agreement, including the Agreement between BGI and TSE.
- TSE breached its duty to act in good faith by performing the Agreement in a manner 15. that was unfaithful to the purpose of the Agreement, thereby denying BGI's justified expectations.
- 16. Specifically, but without limitation, TSE breached its duty to act in good faith by asserting pre-textual, extra-contractual and inaccurate reasons for withholding payments long after the time required by the Agreement and Nevada law has elapsed. Also, and as part of the Outstanding Balance, TSE has improperly withheld moneys totaling in excess of One Million U.S. Dollars for "retention" in purported reliance upon NRS 624.609(2)(a)(1). While that statutory provision permits withholding (on a payment-by-payment basis) a retention amount, not to exceed five percent (5%), such retention must be authorized pursuant to the Agreement, which is it not. Furthermore, and even if the Agreement allowed TSE to withhold retention from monthly payments (which it does not), TSE's withholding of retention amounts retroactively aggregated from invoices issued (and, in some cases, payments previously made) long ago constitutes extreme bad faith.
- 17. Due to the actions of TSE, BGI suffered damages in the amount of or exceeding the Outstanding Balance for which BGI is entitled to judgment in an amount to be determined at trial.

BGI has been required to engage the services of an attorney to collect the 18. Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

THIRD CAUSE OF ACTION (Unjust Enrichment)

- 19. BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
 - 20. This cause of action is being pled in the alternative.
- 21. BGI furnished the Work for the benefit of and/or at the specific instance and request of TSE.
 - 22. TSE accepted, used and enjoyed the benefit of the Work.
- 23. Owner and TSE knew or should have known that BGI expected to be paid for the Work.
 - 24. BGI has demanded payment of the Outstanding Balance.
 - 25. To date, TSE has failed, neglected, and/or refused to pay the Outstanding Balance.
 - 26. TSE has been unjustly enriched, to the detriment of BGI.
- 27. BGI has been required to engage the services of an attorney to collect the Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

FOURTH CAUSE OF ACTION (Violation of NRS 624)

- 28. BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
- 29. NRS 624.609 and NRS 624.610 (the "Statute") requires owners (such as TSE as defined by the Statute) to, among other things, (i) timely pay their prime contractors (such as BGI as defined by the Statute), and (ii) respond to payment applications and change order requests, as provided in the Statute.
- TSE violated the Statute by failing or refusing to comply with the requirements set 30. forth therein.

	31.	By reason of the foregoing, BGI is entitled to a judgment against TSE in the amoun
of the	Outstar	nding Balance as well as other remedies as defined by the applicable statutes.

32. BGI has been required to engage the services of an attorney to collect the Outstanding Balance due and owing for the Work, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefore.

WHEREFORE, BGI prays that this Honorable Court:

- 1. Enters judgment against TSE in the amount of the Outstanding Balance;
- 2. Enters a judgment against TSE for BGI's reasonable costs and attorney's fees incurred in the collection of the Outstanding Balance, as well as an award of interest thereon;
- 3. For such other and further relief as this Honorable Court deems just and proper in the premises.

DEFENDANT TONOPAH SOLAR ENERGY, LLC'S NOTICE OF REMOVAL

PLEASE TAKE NOTICE that Defendant **TONOPAH SOLAR ENERGY, LLC** (hereinafter "TSE"), by and through its attorneys of record, the law firm of WEINBERG, WHEELER, HUDGINS, GUNN & DIAL, LLC, hereby removes this action from the Eighth Judicial District Court for Clark County, Nevada, Case No. A-18-777815-B, to the United States District Court for the District of Nevada. Federal jurisdiction exists over these proceedings pursuant to 28 U.S.C. §§ 1332, 1441, and 1446 because there is complete diversity between the parties and because the amount in controversy exceeds \$75,000.00. In support of removal, TSE states:

I. INTRODUCTION AND BACKGROUND

This action arises from a dispute between Plaintiff BRAHMA GROUP, INC. ("Brahma") and Defendant TSE regarding a services agreement whereby Brahma agreed to perform certain Page 1 of 5

work at the Crescent Dunes Solar Energy Project for TSE. See Plaintiff's Complaint at ¶¶ 5-6, attached hereto as Exhibit 1. Plaintiff filed its Complaint on July 17, 2018 in the Eighth Judicial District Court, Clark County, Nevada, case number A-18-777815-B. Plaintiff alleges causes of action for (1) Breach of Contract; (2) Breach of Implied Covenant of Good Faith and Fair Dealing; (3) Unjust Enrichment; and (4) Violation of NRS 624. Plaintiff alleges it is owed an amount in excess of \$11,900,000.00. See Plaintiff's Complaint at ¶ 11.

As more fully set forth below, this case is properly removed to this Court pursuant to 28 U.S.C. § 1441 because TSE has satisfied the procedural requirements for removal and this Court has subject matter jurisdiction over this action pursuant to 28 U.S.C. § 1332(a).

II. REMOVAL IS PROPER IN THIS CASE

Complete Diversity Exists Between Plaintiff and Defendant.

Plaintiff is a Nevada corporation with its principal place of business in Utah, and for jurisdictional purposes, is a citizen of both Nevada and Utah. See U.S.C. § 1332(c)(1) ("a corporation shall be deemed to be a citizen of any State by which it has been incorporated and of the State where it has its principal place of business").

Defendant TSE is a limited liability company. Tonopah Solar Energy Holdings II, LLC ("TSEH II") is the sole member of TSE. TSEH II's members are Capital One, National Association ("Capital One"), and Tonopah Solar Energy Holdings I, LLC ("TSEH I"). Capital One is a national banking association with its main office located in McClean, Virginia, making it a citizen of Virginia. TSEH I's members are Tonopah Solar I, LLC and Tonopah Solar Investments, LLC. Tonopah Solar I, LLC's members are Banco Santander, S.A and Inversiones Capital Global, S.A. Banco Santander, S.A. is an international banking institution with its

¹ See 28 U.S.C. § 1348 ("All national banking associations shall, for the purposes of all other actions by or against them, be deemed citizens of the States in which they are respectively located."); see also Wachovia Bank v. Schmidt, 546 U.S. 303, 303, 126 S. Ct. 941, 942, 163 L. Ed. 2d 797 (2006) (holding that a national banking association is only a citizen of the state in which its main office is located rather than a citizen of every state where it operates or has a branch office).

headquarters and principal place of business in Madrid, Spain, making it a citizen of Spain. Inversiones Capital Global, S.A. is a subsidiary of Banco Santander, S.A. with its principal place of business also in Spain, making it a citizen of Spain. Investments, LLC's members are SolarReserve CSP Holdings, LLC and Cobra Energy Investment, LLC. SolarReserve CSP Holdings, LLC's sole member is SolarReserve CSP Finance, LLC. SolarReserve CSP Finance, LLC's sole member is SolarReserve, LLC. The sole member of SolarReserve, LLC is SolarReserve, Inc., which is a corporation formed in Delaware with its principal place of business in Santa Monica, California, making it a citizen of Delaware and California. Cobra Energy Investment, LLC's sole member is Cobra Energy Investment Finance, LLC. Cobra Energy Investment Finance, LLC's sole member is Cobra Industrial Services, Inc., which is a Delaware corporation with its principal place of business in Texas, making it a citizen of Delaware and Texas.

In sum, TSE is a citizen of Spain, Delaware, California, Texas, and Virginia for purposes of diversity jurisdiction. See Johnson v. Columbia Properties Anchorage, LP, 437 F.3d 894, 899 (9th Cir. 2006) ("an LLC is a citizen of every state of which its owners/members are citizens."). Since Plaintiff is not citizen of any the states Defendant is a citizen of, complete diversity exists.

В. The Amount in Controversy Exceeds \$75,000.00.

A preponderance of evidence supports that the amount in controversy exceeds \$75,000. See Sanchez v. Monumental Life Ins. Co., 102 F.3d 398, 403-404 (9th Cir. 1996); Guglielmino v. McKee Foods Corp., 2007 WL 2916193 (9th Cir. Oct. 9, 2007). Here, Plaintiff expressly alleges it is owed an amount in excess of \$11,900,000.00 for work performed. See Plaintiff's Complaint ¶ 11, attached hereto as Exhibit 1. Based on these allegations, it is clear Plaintiff's claimed damages are in excess of \$75,000. See Guglielmino, 2007 WL 2916193, slip op. at n.5. Accordingly, the jurisdictional amount is satisfied in this case.

III. TSE HAS SATISFIED THE PROCEDURAL REQUIREMENT FOR REMOVAL

This notice is timely filed within 30 days of service of the Complaint and summons. 28 U.S.C. § 1446(b). Specifically, the Complaint was filed July 17, 2018, and Counsel for TSE accepted service on behalf of TSE on August 21, 2018.

Page 3 of 5

Venue, for removal purposes, properly lies in the United States District Court for the District of Nevada pursuant to 28 U.S.C. § 1446(a) because it encompasses the Eighth Judicial District Court, where this action was originally brought.

TSE will file a copy of this Notice of Removal with the Clerk of the Eighth Judicial District Court and will serve a copy on Plaintiff's counsel as required by 28 U.S.C. § 1446(d).

27 111 28

111

AFFIRMATIVE DEFENSES

- 1. BGI's claims are barred due to its failure to state facts sufficient to constitute a cause of action upon which relief can be granted against TSE.
- 2. BGI's claims are barred because BGI has failed to fulfill a condition precedent to payment on its invoices, namely, that BGI provide TSE with all supporting documentation for BGI's invoices that may be reasonably required or requested by TSE.
- 3. BGI's claims are barred by the doctrine of equitable estoppel. Among other things, BGI deliberately concealed the inaccuracies, irregularities and overcharges in its invoices to TSE for the purpose of causing TSE to not withhold payment on those invoices. TSE was unaware of the inaccuracies, irregularities and overcharges in the invoices that BGI submitted and relied to its detriment on said invoices when making payment. Thus, BGI cannot now prevent TSE from challenging the substance of those invoices by arguing that TSE did not follow the procedures set forth in NRS 624 for withholding payment to a general contractor.
- 4. BGI's claims are barred by its fraudulent actions. Among other things, BGI submitted fraudulent invoices to TSE for the purpose of causing TSE to not withhold payment on those invoices. TSE was unaware until recently of the fraudulent nature of the invoices that BGI submitted and relied to its detriment on said invoices when making payment. Thus, BGI cannot now prevent TSE from challenging the substance of those invoices by arguing that TSE did not follow the procedures set forth in NRS 624 for withholding payment to a general contractor.
- 5. BGI's claims are barred by its negligent misrepresentations. Among other things, BGI knew or should have known that its invoices contained false and misleading information and failed to provide TSE with sufficient information to evaluate the reasonableness of the claimed services performed and incidental expenses incurred. TSE was unaware until recently of the misleading nature of the invoices that BGI submitted and relied to its detriment on said invoices when making payment. Thus, BGI cannot now prevent TSE from challenging the substance of those invoices by arguing that TSE did not follow the

28 ///

procedures set forth in NRS 624 for withholding payment to a general contractor.

- 6. Pursuant to Paragraph 2 of the Services Agreement, BGI agreed to only render to TSE "such services as are reasonably necessary to perform the work" ordered by TSE. BGI breached the contract and breached the covenant of good faith and fair dealing by incurring and billing unreasonable and inflated claims for labor and incidental expenses which were not reasonably necessary to perform the work ordered by TSE.
- 7. Pursuant to Paragraph 4(d) of the Services Agreement, TSE agreed to reimburse BGI for its "reasonable out-of-pocket expenses that are necessary for the performance of the Services." The term "services" means "such services as are reasonably necessary to perform the work" ordered by TSE. BGI breached the contract and breached the covenant of good faith and fair dealing by incurring and billing unreasonable and inflated claims for out-of-pocket expenses that were both unreasonable and not reasonably necessary to perform the services ordered by TSE.
- 8. BGI breached the Services Agreement and the covenant of good faith and fair dealing by assigning work to related entities so that it could bill additional fees and charges in excess of the contract rates for labor and incidental expenses.
- 9. The Services Agreement contemplated BGI performing the work for a period of over one year and work was performed for more than one year. Therefore, the statute of frauds bars evidence of any oral agreements allegedly promising any payment or performance not expressly required by the written contract.
- 10. Pursuant to Paragraph 19 of the Services Agreement, the obligations of the Services Agreement can only be amended by a writing signed by the party to be charged. Accordingly, any claimed oral work orders, waivers or modifications to the terms of the written instrument are void and unenforceable.
- 11. Pursuant to Exhibit A of the Services Agreement, TSE has no obligation to pay for any services or incidental expenses not expressly authorized by a written Work Order issued in writing by TSE.

- 13. Requiring TSE to pay for intentionally inflated, unnecessary or unreasonable charges would be both procedurally and substantively unconscionable regardless of any knowledge or consent of an employee of TSE.
- 14. BGI's claims are barred due to its unclean hands and inequitable conduct as Plaintiff has submitted fraudulent invoices to TSE and engaged in other fraudulent practices on the Project.
- 15. TSE promised to pay BGI promptly for any and all services and expenses that BGI could prove were reasonably and necessarily incurred under the terms of the Services Agreement. To the extent BGI ultimately proves it is entitled to additional payment under the Services Agreement, Plaintiff has failed to mitigate its alleged damages by, among other things, being stubbornly litigious and failing and refusing to provide adequate and complete documentation for its claims without the necessity of litigation.
- 16. Pursuant to Paragraph 4(a) and Exhibit A of the Services Agreement, TSE has no obligation to pay for services or incidental expenses in excess of the not-to-exceed ("NTE") amount of \$5 million. TSE has paid in excess of \$5 million and has no further obligations under the Services Agreement.
- 17. Pursuant to Paragraph 18 of the Services Agreement, TSE's delay in exercising any of its rights under the Services Agreement, including but not limited to its right to demand documentation and proof of services rendered and expenses incurred, cannot be deemed a waiver of TSE's rights under the Services Agreement or Nevada law.
- 18. BGI's claims are barred by the equitable doctrines of laches, waiver, consent, and release.
 - 19. BGI's damages, if any, were caused by BGI's own negligence.

111

20. All possible affirmative defenses may not have been alleged herein insofar as sufficient facts were not available after reasonable inquiry upon the filing of this Answer. TSE has repeatedly requested backup documentation from BGI but BGI has generally refused to provide the requested documentation sufficient to justify and validate its invoices. Therefore, TSE reserves the right to amend this Answer to allege additional defenses if information obtained during discovery warrants doing so.

TSE'S COUNTERCLAIM

Defendant **TONOPAH SOLAR ENERGY, LLC** (hereinafter "TSE"), by and through its attorneys of record, the law firm of WEINBERG, WHEELER, HUDGINS, GUNN & DIAL, LLC, hereby counterclaims, alleging as follows:

JURISDICTION AND PARTIES

- 1. Plaintiff Brahma Group, Inc. (hereinafter "BGI"), is a Nevada corporation with its principal place of business in Salt Lake City, Utah, making BGI a citizen of Nevada and Utah for purposes of diversity jurisdiction.
- 2. Defendant/Counterclaimant TSE is a limited liability company. Tonopah Solar Energy Holdings II, LLC ("TSEH II") is the sole member of TSE. TSEH II's members are Capital One, National Association ("Capital One") and Tonopah Solar Energy Holdings I, LLC ("TSEH I"). Capital One is a national banking association with its main office located in McClean, Virginia, making it a citizen of Virginia. TSEH I's members are Tonopah Solar I, LLC and Tonopah Solar Investments, LLC. Tonopah Solar I, LLC's members are Banco Santander, S.A and Inversiones Capital Global, S.A. Banco Santander, S.A. is an international banking institution with its headquarters and principal place of business in Madrid, Spain, making it a citizen of Spain. Inversiones Capital Global, S.A. is a subsidiary of Banco Santander, S.A. with its principal place of business also in Spain, making it a citizen of Spain. Tonopah Solar Investments, LLC's members are SolarReserve CSP Holdings, LLC and Cobra Energy Investment, LLC. SolarReserve CSP Holdings, LLC's sole member is SolarReserve CSP Finance, LLC. SolarReserve CSP Finance, LLC's sole member is SolarReserve, LLC. Page 8 of 19

The sole member of SolarReserve, LLC is SolarReserve, Inc, which is a corporation formed in Delaware with its principal place of business in Santa Monica, California, making it a citizen of Delaware and California. Cobra Energy Investment, LLC's sole member is Cobra Energy Investment Finance, LLC. Cobra Energy Investment Finance, LLC's sole member is Cobra Industrial Services, Inc., which is a Delaware corporation with its principal place of business in Texas, making it a citizen of Delaware and Texas. In sum, TSE is a citizen of Spain, Delaware, California, Texas and Virginia for purposes of diversity jurisdiction.

- Jurisdiction is proper in this Court under 28 U.S.C. § 1332(a) and 28 U.S.C. § 3. 1441 because there is complete diversity of citizenship between Plaintiff and Defendant, and the amount in controversy, exclusive of interest, costs, and attorneys' fees, exceeds the sum of \$75,000.00.
- 4. Venue is proper in this Court under 28 U.S.C. § 1391(b)(2) because a substantial part of the events giving rise to this action occurred in Nevada.

GENERAL ALLEGATIONS

- 5. TSE is the project developer for the Crescent Dunes Solar Energy Facility located outside Tonopah, Nevada, a solar energy project designed to produce 110 megawatts of electricity ("Project").
- 6. While TSE is the project developer and oversees construction efforts, the approximately 1,600 acres of land on which the Project is located is leased from the Bureau of Land Management, of the United States Department of the Interior ("BLM").
- 7. The Project consists of, among other things, over 10,000 tracking mirrors called heliostats that follow the sun throughout the day and reflect and concentrate sunlight onto a large receiver on top of a concrete tower. The receiver is filled with molten salt that absorbs the heat from the concentrated sunlight and ultimately passes through a steam generation system to heat water and produce high pressure steam which in turn is used to drive a conventional power turbine, which generates electricity.
- The Project is a public-private project that was financed by both private 8. investors as well as by a significant loan guaranteed by the United States Department of Page 9 of 19

- 9. TSE signed an engineering, procurement and construction ("EPC") contract with Cobra Thermosolar Plants, Inc. ("EPC Contractor"), an affiliate of Cobra Energy Investment, LLC, to construct the Project.
- 10. Construction of the Project began in or about September 2011, and in or about December 2015, the Project reached provisional acceptance ("PA") and began supplying energy to NV Energy.
 - Soon after reaching PA, the Project began experiencing a high rate of defects. 11.
- 12. Despite the requests of TSE, the EPC Contractor ultimately failed to correct and/or refused to correct many of the defects on the Project.
- 13. To rectify the numerous defects, TSE hired BGI, who previously served as a subcontractor to the EPC Contractor on the Project, to complete warranty work on the Project.
- 14. TSE and BGI entered into a contract as of February 1, 2017, to accomplish the above purpose ("Services Agreement").
- 15. The Services Agreement provides, among other things, that TSE will issue work orders to BGI describing the work BGI is to perform and also provides the hourly rates that BGI may charge for labor.
- 16. The Services Agreement also provides that for each invoice submitted by BGI to TSE for payment, BGI must provide, among other things, "such supporting documentation as may be reasonably required or requested by TSE."
- 17. Many of the invoices submitted by BGI were difficult to decipher and contained confusing information regarding the work allegedly done by BGI. However, after expending a significant amount of time, effort and resources analyzing BGI's invoices, TSE has identified numerous significant inaccuracies, irregularities and overcharges in BGI's invoices.
- 18. The following are among the improprieties that TSE has identified in respect of BGI's invoices:
- 19. BGI allowing individuals to bill excess, improper and/or unauthorized amounts of time to the Project.

by s	ister comp	panies to BGI that were, therefore, not true third party subcontractors and, thus,
not e	entitled to	an otherwise contractually permitted 10 percent mark-up.

- 21. BGI billing TSE for work performed by its sub-contractors, which was not supported by corresponding, supporting invoices.
 - 22. BGI billing for amounts with respect to which it had miscalculated its margin.
 - 23. BGI billing TSE for improper equipment charges.
- 24. BGI billing TSE for 100 percent of the time BGI and its subcontractors' were onsite rather than taking into consideration lunch breaks and other breaks.
 - 25. BGI billing against work orders that were already closed/completed.
- 26. Upon becoming aware of the serious inaccuracies, irregularities, and overcharges in BGI's invoices, TSE requested additional invoice backup documentation from BGI.
- 27. TSE was entitled to request additional invoice backup documentation from BGI under the Services Agreement.
- 28. The purpose of these requests was to enable TSE to determine/confirm whether the charges reflected on the invoices were appropriate or whether they were improper overcharges.
- 29. While BGI did provide some additional invoice backup documentation in response to TSE's requests for additional documentation, BGI generally refused to provide the information requested by TSE, indicating that TSE was either not entitled to the documentation or that the documentation that it did provide was clear on its face.
- 30. Standing alone, without further backup documentation in sufficient detail to justify the charges on BGI's invoices to TSE, the invoices are inaccurate, improper, and seek to force TSE to pay BGI amounts to which it is not entitled.
- 31. TSE is currently disputing the validity of more than \$11 million of charges invoiced by BGI out of a total invoiced amount of approximately \$25 million.
 - A portion of this amount relates to invoices for which BGI has already received 32. Page 11 of 19

payment that contain many of the same inaccuracies, irregularities, and improprieties that TSE has identified in the invoices it is now disputing and remain unpaid. These issues only came to light after TSE allocated an inordinate amount of resources, resources that TSE can ill afford, to review the charges that it is now disputing. TSE has paid BGI approximately \$13 million with respect to these prior invoices.

- 33. TSE is entitled to a declaration from the Court that it is not required to pay BGI for the amounts in the unpaid invoices that are inaccurate, irregular, and constitute improper overcharges by BGI.
- 34. BGI is liable to TSE for the amounts BGI has overcharged TSE on invoices that were previously paid by TSE as well as all other direct and consequential damages flowing from BGI's improper overcharges, including, attorneys' fees and costs.

FIRST CLAIM FOR RELIEF

(Breach of Contract)

- 35. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 36. On February 1, 2017, TSE and BGI entered into the Services Agreement, which is a valid contract.
 - 37. TSE has satisfied all of its obligations under the Services Agreement.
- 38. BGI breached the Services Agreement by, among other things, submitting invoices to TSE that were replete with inaccuracies, irregularities and overcharges.
- 39. BGI breached the Services Agreement by, among other things, refusing to provide TSE with reasonable supporting documentation for the invoices which BGI submitted for payment and which TSE determined contain inaccuracies, irregularities and overcharges.
- 40. As a direct and proximate result of BGI's breaches, TSE has been damaged in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.

SECOND CLAIM FOR RELIEF

(Contractual Breach of the Implied Covenant of Good Faith and Fair Dealing)

- 41. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 42. Implied in the Services Agreement is an obligation of good faith and fair dealing.
- 43. BGI breached the implied covenant of good faith and fair dealing by, among other things, submitting invoices to TSE that were filled with inaccuracies, irregularities and overcharges.
- 44. BGI breached the implied covenant of good faith and fair dealing by, among other things, refusing to provide TSE with reasonable supporting documentation for the invoices which BGI submitted for payment and which TSE determined contain inaccuracies, irregularities and overcharges.
- 45. BGI breached the implied covenant of good faith and fair dealing by, among other things, supplying alleged supporting information for its invoices that was confusing and indecipherable and likely provided for the purpose of disguising the inaccuracies, irregularities and overcharges in the invoices.
- 46. TSE's justified expectation that it was receiving accurate invoices from BGI that could be supported by reasonable backup documentation has been denied.
- 47. As a direct and proximate result of BGI's breach, TSE has been damaged in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.

THIRD CLAIM FOR RELIEF

(Declaratory Relief)

- 48. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- BGI is not entitled to any payment on the current outstanding unpaid invoices 49. as those invoices are replete with inaccuracies, irregularities and overcharges and include Page 13 of 19

- 50. The actions of BGI are unilateral and unauthorized.
- 51. TSE is entitled to declaratory relief concerning its rights under the Services Agreement, namely that no further payment is due to BGI.
 - 52. The interests of TSE and BGI are adverse regarding this justiciable controversy.
- 53. The issues are ripe for judicial determination because they present an existing controversy and harm is likely to occur in the future without the Court's adjudication of the Parties' rights.

FOURTH CLAIM FOR RELIEF

(Unjust Enrichment/Quantum Meruit)

- 54. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
 - 55. This cause of action is being pled in the alternative.
- 56. BGI submitted invoices to TSE that were replete with inaccuracies, irregularities and overcharges.
- 57. TSE, in reliance on BGI's representations that these invoices were accurate, paid BGI the amounts requested in the invoices, and thereby conferred a benefit on BGI.
- 58. BGI accepted, appreciated and retained the benefit of TSE's payments on these inaccurate, irregular and inflated invoices.
- 59. BGI knew or should have known that TSE would never have paid the invoices had it been aware that the invoices were replete with inaccuracies, irregularities and overcharges.
- 60. It would be inequitable and against the fundamental principles of justice to allow BGI to retain the benefit of TSE's payments on the aforementioned invoices
 - 61. BGI has been unjustly enriched to the detriment of TSE.

FIFTH CLAIM FOR RELIEF

(Fraudulent/Intentional Misrepresentation)

- 62. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- fraudulent 63. BGI has submitted invoices that contain numerous misrepresentations regarding the amount of money BGI was due from TSE for work BGI performed on the Project.
- 64. For example, the Services Agreement provides that BGI may add a 10 percent mark up for work done by third parties.
- 65. BGI falsely represented to TSE that its sister companies, Liberty Industrial ("LI") and JT Thorpe ("JTT"), were true third parties when BGI submitted invoices seeking a 10 percent markup for LI and JTT. The invoices for LI appeared on BGI invoices beginning March 24, 2017, and continued to appear on BGI invoices until May 18, 2018. In total, LI invoices appeared on 50 BGI invoices. The timecards for LI were signed by Clay Stanaland or Tiffanie Owen, BGI employees. The invoice for JTT appeared on the BGI invoice dated April 11, 2018. The invoice for JTT did not appear to be signed by a TSE or BGI representative. All of the referenced BGI invoices were signed by David Zimmerman, BGI Vice President and General Counsel.
- 66. BGI knew the invoices for LI and JTT were false when it submitted them because, among other things, BGI was aware of the Services Agreement's language only permitting a 10 percent mark-up for true third parties and because BGI was aware that LI and JTT were its sister companies and not true third parties.
- 67. As another example, upon information and belief, BGI falsely represented that certain work billed against Work Order 18811 pertained to the work contemplated by that work order.
- Upon information and belief, the work contemplated by Work Order 18811 was 68. completed on December 13, 2017, yet BGI continued to fraudulently bill against that work order until late January 2018.

were	false	because	BGI	had	informed	TSE	that	the	work	orde	r was	comp	lete	prior	to
continuing to bill additional work to that work order.															

- 70. In addition, BGI falsely represented to TSE that BGI personnel time and subcontractor personnel time was within the scope of Work Order 10131 by submitting invoices billing personnel time to that work order despite knowing that Work Order 10131 was to be used exclusively for BGI's morning safety meetings. BGI billed TSE against Work Order 10131 on BGI invoices dated March 31, 2017, July 25, 2017, November 17, 2017, December 6, 2017 and December 7, 2017. The BGI timecards were signed by Clay Stanaland, a BGI employee, and all BGI invoices were signed by David Zimmerman, BGI Vice President and General Counsel.
- 71. BGI knew that its representations that it was appropriate to bill time relating to BGI personnel and subcontractor personnel to Work Order 10131 were false because BGI knew that Work Order 10131 was to be used only for the morning safety meetings.
- 72. BGI made the above described false representations in order to induce TSE to pay BGI amounts to which BGI knew it was not entitled.
- 73. TSE justifiably relied on BGI's false representations in making payments to BGI.
- 74. TSE has been damaged by BGI's fraudulent misrepresentations in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.
- 75. In making these fraudulent misrepresentations to TSE, BGI acted with malice/implied malice and conscious disregard for TSE's rights. As such, TSE is entitled to an award of punitive damages pursuant to NRS 42.005.
- 76. While TSE believes it has meet the pleading standard under Nev. R. Civ. P. 9(b), TSE avers, that, in the alternative, the relaxed pleading standard set forth in Rocker v. KPMG LLP, 122 Nev. 1185, 1195, 148 P.3d 703, 709 (2006), overruled on other grounds by Buzz Stew, LLC v. City of N. Las Vegas, 124 Nev. 224, 181 P.3d 670 (2008), applies.

	77.	TSE cannot plead fraud with more particularity because the required back up
informa	tion fo	or BGI's invoices is solely in BGI's possession and cannot be secured without
formal l	legal di	scovery.

78. BGI has refused, despite repeated requests from TSE, to produce the information that would allow TSE to plead fraud with more particularity.

SIXTH CLAIM FOR RELIEF

(Negligent Misrepresentation)

- 79. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 80. BGI supplied false information to TSE and made false representations to TSE, as detailed more fully in the above paragraphs of this Counterclaim.
- 81. BGI supplied this false information and made these false representations to TSE because BGI had a pecuniary interest in inducing TSE to pay BGI amounts to which BGI was not entitled.
- 82. TSE justifiably relied on BGI's false representations in making payments to BGI.
- 83. BGI failed to exercise reasonable care or competence in obtaining and/or communicating the aforementioned false information to TSE.
- 84. TSE has been damaged by BGI's negligent misrepresentations in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.

WHEREFORE, TSE prays for relief as follows:

- 1. Dismissal of Plaintiff's Complaint with prejudice;
- 2. For judgment in favor of TSE and against BGI on all claims asserted herein;
- 3. For actual, compensatory, and consequential damages in an amount in excess of \$75,000.00;
 - 4. For pre- and post-judgment interest on any money judgment;
 - 5. For an award of attorneys' fees and court costs incurred herein;
 - 6. For punitive damages under NRS 42.005 for BGI's malice/implied malice and Page 17 of 19

 - TSE breached the Agreement by, among other things: 13.
 - Failing and/or refusing to pay monies owed to BGI for the Work; and a.
- Otherwise failing and/or refusing to comply with the Agreement and b. Nevada law.

- There is a covenant of good faith and fair dealing implied in every agreement, 17. including the Agreement between BGI and TSE.

- Asserting pre-textual, extra-contractual and inaccurate reasons for withholding payment long after the time required by the Agreement and Nevada law had elapsed.
- TSE has improperly withheld moneys totaling more than One Million U.S. b. Dollars for "retention" in purported reliance upon NRS 624.609(2)(a)(1). While that statutory provision permits withholding (on a payment-by-payment basis) a retention amount, not to exceed five percent (5%), such retention must be authorized pursuant to the Agreement, which it is not.
- Furthermore, and even if the Agreement allowed TSE to withhold retention C. from monthly payments (which it does not), TSE's withholding of retention amounts retroactively aggregated from Payment Applications issued (and, in some cases, payments previously made) long ago constitutes extreme bad faith.
- Due to the actions of TSE, BGI suffered damages in the amount of or exceeding 20. the Outstanding Balance for which BGI is entitled to judgment in an amount to be determined at trial.
- BGI has been required to engage the services of an attorney to collect the 21. Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

- 38. BGI has been required to engage the services of an attorney to collect the Outstanding Balance due and owing for the Work, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefore.

WHEREFORE, Brahma prays that this Honorable Court:

- Enters judgment against the Counterdefendants, and each of them, jointly and severally and to the extent of their interest in the Work of Improvement, in the amount of the Outstanding Balance;
- 2. Enters a judgment against the Counterdefendants, and each of them, jointly and severally and to the extent of their interest in the Work of Improvement, for Brahma's reasonable costs and attorney's fees incurred in the collection of the Outstanding Balance, as well as an award of interest thereon;

3.	Enters judgment declaring that Brahma has a valid and enforceable notice of lier

Defendant.

TONOPAH SOLAR ENERGY, LLC'S MOTION TO STRIKE BRAHMA GROUP, INC.'S FIRST AMENDED COUNTER-COMPLAINT, OR, IN THE ALTERNATIVE, MOTION TO DISMISS COUNTER-COMPLAINT, OR, IN THE ALTERNATIVE, MOTION TO STAY THIS ACTION UNTIL THE CONCLUSION OF THE PROCEEDINGS IN FEDERAL COURT

Defendant TONOPAH SOLAR ENERGY, LLC (hereinafter "TSE"), by and through its attorneys of record, the law firm of WEINBERG, WHEELER, HUDGINS, GUNN & DIAL, LLC, hereby moves to strike and/or dismiss Brahma Group, Inc.'s (hereinafter "Brahma") First Amended Counter-Complaint ("Counter-Complaint") that was filed on September 25, 2018. The Counter-Complaint is a transparent attempt by Brahma to avoid the jurisdiction of the Nevada Federal District Court over the Parties' dispute.

Page 1 of 25

In the alternative, this Court should stay this action until the Parties' litigation in Nevada Federal District Court is complete. The federal action was filed first and thus, under principles of comity, and in order to not reward Brahma's forum shopping strategy, this action should be stayed.

This Motion is made and based upon the following Memorandum of Points and Authorities, the exhibits attached hereto, the pleadings and papers on file herein, and any argument presented at the time of hearing on this matter.

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

TSE is the project developer for the Crescent Dunes Solar Energy Facility located outside Tonopah, Nevada ("Project"). TSE contracted with Brahma to perform certain warranty work on the Project. The Parties are currently in the midst of a dispute over the sufficiency of certain invoices Brahma has submitted to TSE for payment. In essence, Brahma contends that TSE owes it additional money for work Brahma performed on the Project. TSE contends that Brahma is not owed any additional money and that many of Brahma's invoices are fraudulent.

This Motion is necessary as Brahma has improperly attempted to move the substantive portion of the Parties' dispute (i.e. who owes who what) out of federal court, where it was first filed, and into this Court. Brahma first filed a complaint against TSE on July 17, 2018 in the Eighth Judicial District Court in Las Vegas. On September 10, 2018, TSE removed that action to Nevada Federal District Court.

Brahma, apparently unhappy with its new federal forum, has turned this case into a procedural quagmire in an attempt to avoid federal jurisdiction. On September 25, 2018, Brahma filed a First Amended Complaint in federal court that dropped all but one of its claims against TSE. On the exact same day, Brahma filed a "Counter-Complaint" in this proceeding that added the dropped federal court claims to this case. In other words, Brahma has affected a stunning "back-door remand" of its federal court claims to this Court without even filing a motion to remand with the federal court. However, there are numerous problems with Brahma's forum shopping that should result in this Court either (1) striking/dismissing the Counter-Complaint or (2) staying this proceeding until the parallel action in federal court is complete.

First, Brahma's stand-alone "Counter-Complaint" is not a recognized pleading under NRCP 7(a) and thus should be stricken. Pursuant to NRCP 7(a) and the Nevada Supreme Court's Smith decision, the only permissible pleadings are complaints, answers and replies. Further, this is a special proceeding under NRS 108.2275 that was created solely to address TSE's Motion to Expunge Brahma's Mechanic's Lien. Thus, the jurisdictional basis for this proceeding ceased to exist once the Court denied TSE's Motion to Expunge on September 12,

2018. There is no Nevada authority permitting a "Counter-Complaint" to be filed into a special proceeding such as this.

Second, the Parties' Contract requires that "any action or proceeding directly or indirectly arising out of this Agreement" be venued in Las Vegas. Indeed, Brahma initially filed its substantive claims in the Eighth Judicial District Court but now, after it has received a favorable ruling from this Court, seeks to move the litigation to the Fifth Judicial District in Pahrump. The Court should enforce the venue selection clause and require Brahma to re-file its claims in a Las Vegas court.

Third, a substantial body of state and federal case law holds that once an action is removed to federal court, state courts lack subject matter jurisdiction over the parties' dispute until the matter is remanded back to state court. Thus, this Court should dismiss Brahma's claims that were removed to federal court and then re-filed with this Court based on lack of subject matter jurisdiction.

Fourth, in regard to Brahma's Lien Foreclosure claim against TSE, that claim is now moot and should be dismissed as an over \$19 million bond has been posted as security for Brahma's mechanic's lien. NRS 108.2415(6) provides that a surety bond replaces the property as security for the lien once it is posted.

Finally, in the alternative, assuming arguendo that the Court disagrees with all of TSE's above arguments, the Court should at least stay this proceeding until the first filed federal action is completed. Under the "first to file rule," a stay is appropriate if there is a substantially similar action pending before a different court. Here, Brahma has admitted in a recent federal court filing that this proceeding is a "duplicative dispute" and that it fulfills the "substantial similarity" requirement for a stay. Thus, a stay is appropriate because the federal action was filed on July

¹ Brahma agrees with TSE that this dispute is duplicative of the first filed federal court action but the parties disagree over which action should be stayed, this proceeding or the federal one. Brahma has filed a motion to stay with the federal court arguing that that court should stay the federal action under the Colorado River abstention doctrine. For reasons TSE will not go into in detail here, the Colorado River doctrine is completely inapplicable to this matter and Brahma's motion to stay is unlikely to be granted. Brahma's motion to stay misrepresents key facts to the federal court (a matter TSE will bring to that court's attention in its opposition which is not yet due). For example, Brahma represents that its claims against TSE were first brought in Nye County rather than federal court (a misrepresentation) and Page 4 of 25

17, 2018 but Brahma did not file a complaint in this proceeding until September 20, 2018.

II. PROCEDURAL HISTORY OF THIS NYE COUNTY ACTION

This proceeding was created not by the filing of a complaint but rather by TSE's filing of its Motion to Expunge Brahma's Mechanic's Lien on June 11, 2018. NRS 108.2275 creates a statutory exception to NRCP 3 (requiring the filing of a complaint to institute a civil action) permitting parties to institute special limited proceedings with the mere filing of a motion to expunge. TSE's Motion to Expunge was heard by this Court on September 12, 2018 and denied in full.

That ruling should have been the end of this limited special proceeding. Instead, Brahma has now filed a Complaint and First Amended Counter-Complaint, seeking to broaden the scope of this proceeding beyond NRS 108.2275. On September, 20, 2018, Brahma filed a "Lien Foreclosure Complaint" against TSE asserting a single cause of action for lien foreclosure in this Nye County proceeding. Exhibit 1 (Lien Foreclosure Complaint). On September 25, 2018, Brahma filed a "First Amended Counter-Complaint" in this proceeding that added three additional claims against TSE that had already been asserted in a first filed federal court action. Exhibit 2 (First Amended Counter-Complaint). Those claims were (1) Breach of Contract, (2) Breach of the Implied Covenant of Good Faith and Fair Dealing and (3) Violation of NRS 624.

In addition, on September 25, 2018, Brahma filed a Third Party Complaint against American Home Assurance Company ("American Home") and Cobra Thermosolar Plants, Inc. ("Cobra"), asserting a claim against the surety bond those entities had posted in satisfaction of Brahma's mechanic's lien.

To reiterate, the original jurisdictional basis for this action no longer exists. First, TSE's Motion to Expunge was denied in full by this Court. Second, subsequent to the denial of TSE's Motion to Expunge, American Home and Cobra posted a surety bond in the amount of \$19,289,366.61. As required by NRS 108.2415(1), this bond is 1.5 times the amount of

represents that TSE is the one seeking a friendly judge by engaging in forum shopping, even though TSE removed the Eighth Judicial District Court action to federal court <u>BEFORE</u> this Court denied TSE's Motion to Expunge.

WEINBERG WHEELER HUDGINS GUNN & DIAL Brahma's most recent Fourth Amended Mechanic's Lien (\$12,859,577.74.). As a result of that bond being posted Brahma's mechanic's lien that was the subject of TSE's Motion to Expunge has been released.

III. STATEMENT OF FACTS

A. Brahma's Contract and NRS 624 Claims Have Been Removed to Federal Court, Thus Divesting this Court of Jurisdiction

On July 17, 2018, while this special proceeding was still ongoing in this Court, Brahma filed a Complaint in the Eighth Judicial District Court asserting claims against TSE for (1) Breach of Contract, (2) Breach of the Implied Covenant of Good Faith and Fair Dealing, (3) Violation of NRS 624 and (4) Unjust Enrichment. **Exhibit 3** (Clark County Complaint). Brahma's decision to file its substantive claims against TSE in Clark County rather than Nye County was appropriate as the Parties' Contract contains a clause requiring venue in Las Vegas. **Exhibit 4** at p. 8 (Contract). TSE then removed that action to Nevada Federal District Court on September 10, 2018 based on diversity. **Exhibit 5** (Notice of Removal). As detailed more fully in Section VI below, this removal divested all Nevada state courts of jurisdiction over the removed claims. *See* 28 U.S.C. § 1446(d) (stating that upon the filing of the Notice of Removal, "the State court shall proceed no further unless and until the case is remanded.").

On September 17, 2018, TSE filed an Answer and Counterclaim to Brahma's removed Complaint. Exhibit 6 (TSE's Answer and Counterclaim). TSE's Counterclaim asserts six claims against Brahma in the federal court action including (1) Breach of Contract, (2) Breach of the Implied Covenant, (3) Declaratory Relief, (4) Unjust Enrichment/Quantum Meruit, (5) Fraud and (6) Negligent Misrepresentation. All of these counterclaims were properly before the federal court before Brahma attempted a back-door remand to this Court that has created a procedural quagmire.

² TSE's removal was timely as TSE was not served with the Clark County Complaint until August 21, 2018.

HUDGINS GU

B. In an Attempt to Avoid the Federal Court's Jurisdiction, Brahma Dropped Three Claims from its Federal Court Complaint and Re-filed Those Claims in a Nye County Counter-Complaint in this Court

After this Court denied TSE's Motion to Expunge on September 12, 2018, Brahma apparently had a change of heart and decided that, rather than litigating its substantive claims in Las Vegas (where it had first filed them), it preferred to litigate those claims before this Court in Pahrump. Thus, on September 25, 2018, Brahma (1) filed a First Amended Complaint in federal court that dropped its claims for Breach of Contract, Breach of the Implied Covenant of Good Faith and Fair Dealing and Violation of NRS 624³ and (2) filed a First Amended Counter-Complaint in Nye County that added those same three dropped federal claims to this proceeding. See Exhibit 7 (First Amended Federal Court Complaint filed on September 25, 2018); Exhibit 2 (First Amended Nye County Counter-Complaint filed on September 25, 2018).

Brahma's attempt at a back-door remand of the removed federal action was not subtle. The three claims dropped from Brahma's federal court Complaint on September 25, 2018 are the exact same claims that were simultaneously added to this Nye County proceeding that same day. The allegations that make up the three new claims in Nye County are also identical to those asserted in the removed federal action. Thus, there can be no question that Brahma is engaged in transparent and impermissible forum shopping.

C. The Parties' Contract Contains a Venue Selection Clause Requiring that this Matter be Litigated in Las Vegas, Nevada

The Parties' substantive claims against each other belong in Las Vegas Federal District Court not only because the claims were first filed there by Brahma, but also because the Parties' Contract requires a Las Vegas venue. The Contract provides as follows:

³ This Court should not mistake Brahma's dropping of its three federal court claims via the First Amended Federal Court Complaint as court sanctioned behavior. Under FRCP 15(a)(1), a party has a right to amend its complaint without leave of court within 21 days after a responsive pleading is filed. Since TSE filed its Answer to Brahma's removed Complaint on September 17, 2018, Brahma was able to drop the three claims via its First Amended Complaint without seeking leave from the federal court. However, TSE has brought a motion in federal court seeking to have that court strike Brahma's amendment as it was done as part of a bad faith effort to defeat the federal court's exclusive jurisdiction over all removed claims.

This Agreement shall be governed by the laws of the State of Nevada. Contractor (i.e. Brahma) submits to the jurisdiction of the courts in such State, with a venue in Las Vegas, Nevada, for any action or proceeding directly or indirectly arising out of this Agreement.

Exhibit 4 at p. 8 (Contract) (emphasis added). Brahma was apparently aware of this clause as it decided to first file its substantive claims against TSE in the Eighth Judicial District Court on July 17, 2018. Now, for whatever reason, Brahma has decided to ignore this clause and seeks to unilaterally move three of its federal court claims to Nye County. TSE requests that this Court enforce the venue selection clause and require Brahma to litigate its claims where they were originally brought—Las Vegas.

LEGAL STANDARD FOR MOTION TO STRIKE AND MOTION TO DISMISS IV.

TSE brings this Motion pursuant to NRCP 12(f), NRCP 12(b)(1) and NRCP 12(b)(5). Under NRCP 12(f), it is appropriate to bring a motion to strike "any insufficient defense or any redundant, immaterial, impertinent, or scandalous matter." Further, the Nevada Supreme Court has stated that when a pleading other than those expressly permitted in NRCP 7(a) is filed, the appropriate remedy is a motion to strike that pleading. Smith v. Eighth Judicial Dist. Court In & For Cty. of Clark, 113 Nev. 1343, 1348, 950 P.2d 280, 283 (1997).

Under NRCP 12(b)(1), lack of subject matter jurisdiction is appropriately raised in a motion to dismiss. Similarly, NRCP 12(h)(3) provides that "[w]henever it appears by suggestion of the parties or otherwise that the court lacks jurisdiction of the subject matter, the court shall dismiss the action." In general, the party moving to dismiss an action bears the burden of persuasion. However, when the defense of lack of subject matter jurisdiction is raised "[t]he burden of proving the jurisdictional requirement is properly placed on the plaintiff." Morrison v. Beach City LLC, 116 Nev. 34, 36, 991 P.2d 982, 983 (2000) (emphasis added). The district court can take evidence on the claim that the court lacks subject matter jurisdiction and such evidence is not necessarily confined to the allegations of the complaint. Id. Thus, the burden is on Brahma rather than TSE to prove that this Court can still retain jurisdiction of claims that have been removed to federal court.

Under NRCP 12(b)(5), a defendant may request that a court dismiss a plaintiff's complaint for "failure to state a claim upon which relief can be granted." In deciding a motion to dismiss, a court should treat the factual allegations in the complaint as true and it should draw all inferences in favor of the plaintiff. See Simpson v. Mars, Inc., 113 Nev. 188, 190 (1997). If, after crediting the factual allegations in the plaintiff's complaint as true the plaintiff cannot prove a set of facts that would entitle him to relief, then a court should dismiss the plaintiff's lawsuit. See id.

- V. BRAHMA'S COUNTER-COMPLAINT SHOULD BE DISMISSED BECAUSE A "COUNTER-COMPLAINT" IS NOT A RECOGNIZED PLEADING AND CANNOT BE FILED IN A SPECIAL ACTION SUCH AS THIS ONE
 - Brahma's "Counter-Complaint" is Not One of the Three Permitted A. Pleadings Under NRCP 7(a) and Thus Must be Stricken/Dismissed

NRCP 7(a) provides as follows:

There shall be a complaint and an answer; a reply to a counterclaim denominated as such; an answer to a cross-claim, if the answer contains a cross-claim; a third-party complaint, if a person who was not an original party is summoned under the provisions of Rule 14; and a third-party answer, if a third-party complaint is served. No other pleading shall be allowed, except that the court may order a reply to an answer or a thirdparty answer.

(emphasis added). In Smith, the Nevada Supreme Court provided an extensive explanation of this rule. Smith v. Eighth Judicial Dist. Court In & For Cty. of Clark, 113 Nev. 1343, 1346, 950 P.2d 280, 282 (1997). There, the first pleading filed was plaintiff Lee's complaint against defendant Chang for injuries incurred in a car accident. Defendant Chang then filed a separate document entitled "cross-claim" that alleged that a different defendant (Smith) was responsible for Chang's injuries in the accident.

The Nevada Supreme Court explained that the district court should have stricken the defendant's "cross-claim" under NRCP 7(a) because "the only pleadings allowed are complaints, answers and replies" and a "cross-claim" or "counter-claim" was not a permitted pleading. Id. (emphasis added). "Counterclaims and cross-claims are not separate pleadings, but are claims for relief that may be set forth in answers and complaints." Id. Thus, because the defendant had failed to assert the cross-claim in his answer (a permitted pleading), the court was

obligated to strike the rogue "cross-claim" as an impermissible pleading under NRCP 7(a). Id. ("[c]ounterclaims and cross-claims must be set forth in pleadings authorized by NRCP 7, because '[n]o other pleading shall be allowed."").

The Nevada Supreme Court further explained that the fact that Nevada is a noticepleading jurisdiction that liberally construes pleadings could not save the defendant's rogue pleading from being stricken. "There is, however, nothing technical about the defect in Chang's cross-claim; the document simply is not a pleading, and does not itself put the matters asserted therein at issue." Id. at 283 (emphasis added).

Here, like defendant Chang in the Smith case, Brahma has filed a pleading that is not permitted under NRCP 7(a). Brahma's "Counter-Complaint" filed on September 25, 2018 is not one of the three permitted pleadings under Nevada law (i.e. a "complaint," "answer" or "reply."). Thus, under NRCP 7(a) and Smith, Brahma's Counter-Complaint constitutes a rogue pleading that must be stricken.

Brahma may argue in response that, even if it is styled as a "Counter-Complaint," its pleading should be construed as a "complaint" which is a permitted pleading under NRCP 7(a). However, such an argument would be without merit as, by definition, a "complaint" is a pleading that initiates an action. BLACK'S LAW DICTIONARY (10th ed. 2014) (defining a "Complaint" as "[t]he initial pleading that starts a civil action and states the basis for the court's jurisdiction."); see also NRCP 3. Since this action was initiated by TSE's June 11, 2018 Motion to Expunge, there is no way to construe Brahma's "Counter-Complaint" as a "complaint."

Brahma's Counter-Complaint also cannot be construed as an "answer" or a "reply." By definition, an "answer" responds to the allegations in a plaintiff's complaint yet TSE has not filed a complaint in this action. Similarly, a "reply" responds to the allegations in a counterclaim yet TSE has not filed a counter-claim in this action. See NRCP 7(a) (identifying proper pleadings and expressly stating that "No other pleading shall be allowed . . ."); NRCP 12(a); BLACK'S LAW DICTIONARY (10th ed. 2014). In sum, since Brahma's "Counter-Complaint" is not a "complaint," "answer" or "reply," and, pursuant to Rule 7(a), "[n]o other pleading shall be

B. This is a Special Proceeding With a Limited Focus. The Court Lacks Jurisdiction to Hear Matters Beyond TSE's Already Decided Motion to Expunge

Brahma's failure to file one of the pleadings permitted by NRCP 7(a) points to a broader problem with Brahma's strategy of attempting to bring its substantive claims before this court— NRS 108.2275 proceedings were not intended to address parties' substantive claims against each other. This proceeding was initiated by the filing of TSE's Motion to Expunge. Thus, the sole jurisdictional basis for this proceeding is NRS 108.2275 (governing motions to expunge mechanic's liens). The Nevada Supreme Court has indicated that proceedings to expunge a lien under NRS 108.2275 are special proceedings. In these proceedings, a district court's authority is strictly limited to making one of three findings: (1) that a lien is frivolous, (2) that a lien is excessive or (3) that a lien is neither frivolous nor excessive. See e.g., Crestline Inv. Grp., Inc. v. Lewis, 119 Nev. 365, 371, 75 P.3d 363, 367 (2003) (finding that district court exceeded its authority by going beyond making one of the above 3 findings) (superseded by statute on unrelated grounds). Importantly, nothing in NRS 108.2275 permits a party to broaden those proceedings by filing a "counter-complaint."

Counsel for TSE has conducted an extensive search of Nevada case law and has been unable to find any situation similar to this one (i.e. where a proceeding was initiated by the filing of a motion to expunge and was later broadened by the party opposing the motion to expunge filing a "counter-complaint" that brought its substantive claims before the court.).5 Thus, a second independent ground for striking/dismissing Brahma's Counter-Complaint is that such a filing simply does not fall within the limited scope of NRS 108.2275 proceedings.

The Nevada Supreme Court's decision in Smith indicates that striking the pleading rather than dismissing it is the appropriate remedy when NRCP 7(a) is violated.

⁵ Conversely, if this action had been initiated by the filing of a complaint rather than a motion to expunge, the court's jurisdiction would be broader. See e.g., J.D. Constr. v. IBEX Int'l Grp., 126 Nev. 366, 370, 240 P.3d 1033, 1036 (2010) (plaintiff first filed complaint then later filed a motion to expunge).

BRAHMA'S "COUNTER-COMPLAINT" SHOULD BE DISMISSED BECAUSE VI. THE PARTIES' CONTRACT CONTAINS A VENUE SELECTION CLAUSE REQUIRING THAT THIS MATTER BE LITIGATED IN LAS VEGAS, NEVADA

The Venue Clause is Reasonable and Enforceable

The Nevada Supreme Court has held that venue selection clauses will be enforced so long as they are reasonable and do not offend due process. Tandy Computer Leasing, a Div. of Tandy Elecs., Inc. v. Terina's Pizza, Inc., 105 Nev. 841, 843, 784 P.2d 7, 8 (1989). Further, when a party seeks to set aside a venue selection clause, the burden is on that party to make a "strong showing" that the clause should not be enforced. Id. at 844, 784 P.2d at 8 (emphasis added); see also M/S Bremen v. Zapata Off-Shore Co., 407 U.S. 1, 15 (1972) ("in the light of present-day commercial realities and expanding international trade we conclude that the forum clause should control absent a strong showing that it should be set aside."). In Bremen, which the Nevada Supreme Court cited with approval to in Tandy, the U.S. Supreme Court held that anyone seeking to avoid the enforcement of a venue selection clause has a "heavy burden of proof." M/S Bremen, 407 U.S. at 17.

Here, section 24 of the Parties' contract provides in clear normal size font that venue shall be in Las Vegas, Nevada "for any action or proceeding directly or indirectly arising out of this Agreement." Exhibit 4 at p. 8. The title of this section is "GOVERNING LAW-SUBMISSION TO JURISDICTION-WAIVER OF JURY TRIAL." Id. (emphasis in original). Thus, Brahma knew it was agreeing to litigate all disputes with TSE in Las Vegas rather than Pahrump when it signed the contract. Further, Brahma is a sophisticated entity that regularly negotiates multi-million dollar construction contracts all over the country.⁶ There is nothing unfair about forcing Brahma to litigate this dispute in Las Vegas, a much more convenient location for both parties, rather than Pahrump. Indeed, Brahma originally filed its substantive claims against TSE in the Eighth Judicial District Court in Las Vegas. Exhibit 3 (Clark County Complaint). Brahma should not be permitted to dance back and forth between different

forums depending on which way it thinks the winds are blowing on a given day.

B. Brahma is Estopped from Arguing Against a Venue in Federal Court Located in Las Vegas Because it Chose to File the First Lawsuit in the Eighth Judicial District Court in Las Vegas

TSE anticipates that Brahma will argue that the clause in this case is "permissive" rather than "mandatory" and thus venue is permitted in Las Vegas but not required. See Am. First Fed. Credit Union v. Soro, 131 Nev. Adv. Op. 73, 359 P.3d 105, 107 (2015) (discussing the difference between mandatory and permissive venue clauses). While TSE believes the clause is mandatory, the Court need not reach this issue as Brahma waived its right to raise this argument when Brahma voluntarily filed its first Complaint in Las Vegas. "Waiver requires the intentional relinquishment of a known right. If intent is to be inferred from conduct, the conduct must clearly indicate the party's intention. Thus, the waiver of a right may be inferred when a party engages in conduct so inconsistent with an intent to enforce the right as to induce a reasonable belief that the right has been relinquished." Nevada Yellow Cab Corp. v. Eighth Judicial Dist. Court ex rel. Cty. of Clark, 123 Nev. 44, 49, 152 P.3d 737, 740 (2007).

Here, Brahma elected to file a Complaint in the Eighth Judicial District Court in Las Vegas on July 17, 2018 rather than in this Court. Further, Brahma took this action with full knowledge that the forum selection clause may have been "permissive" rather than "mandatory" since "[e]very one is presumed to know the law and this presumption is not even rebuttable." Smith v. State, 38 Nev. 477, 151 P. 512, 513 (1915). TSE, in turn, relied on Brahma's actions and removed the Complaint filed in Las Vegas to federal court. TSE, in reliance on Brahma first filing its substantive claims in Las Vegas, has also filed an Answer and Counterclaim in the federal action. Brahma's argument that it was confused about whether the forum selection clause was permissive or mandatory at the time it filed the July 17 suit in Las Vegas is not

⁷ Again, TSE makes this argument "in the alternative," assuming for the sake of argument that the forum selection clause is permissible rather than mandatory, which it is not.

credible.8

Moreover, Courts have held that even if a forum selection clause is permissive (as Brahma contends), it serves to waive any objection the party has to the listed venue. *Structural Pres. Sys., LLC v. Andrews*, 931 F. Supp. 2d 667, 673 (D. Md. 2013) ("permissive forum-selection clauses are sometimes referred to as 'consent to jurisdiction' clauses because such clauses specify one court empowered to hear the litigation which, in effect, waives any objection to personal jurisdiction or venue in that jurisdiction") (emphasis added) (internal citation omitted); *see also Am. Airlines, Inc. v. Rogerson ATS*, 952 F. Supp. 377, 384 (N.D. Tex. 1996) (holding that a forum selection clause waives a party's right to contest venue in the forum specified).

In other words, now that suit has been brought in a Las Vegas court (the federal action), Brahma is barred from contesting that some other court (i.e. this Court) is a more appropriate venue. This "consent to jurisdiction" rule is particularly appropriate here as it was not TSE that chose to file the first lawsuit in Las Vegas but rather Brahma.

C. TSE Did Not Relinquish its Right to Enforce the Forum Selection Clause by Filing the Motion to Expunge with the Nye County Court. TSE Merely Complied with Nevada Law

TSE anticipates that Brahma may also argue that TSE's filing of the Motion to Expunge with the Nye County Court results in a waiver of TSE's right to enforce the forum selection clause. However, such an argument would be misplaced. The only reason TSE initiated this proceeding in Nye County (which has now been resolved) was that Nevada law requires that a motion to expunge a mechanic's lien be brought in the county where the land affected by the lien is located. See NRS 108.2275(1) (providing that a motion to expunge must be brought in "the district court for the county where the property or some part thereof is located."). Critically, the filing of a special proceeding such as this one does not waive a party's right to enforce a forum selection clause for other claims. Pirolo Bros. v. Angelo Maffei & Figli, SAS, No. 87 CIV. 7561

⁸ In Brahma's Motion to Stay filed with the federal court on October 16, 2018, Brahma makes this argument.

Now that this Court has decided TSE's Motion to Expunge, the venue selection clause should be enforced and the remainder of this proceeding sent back to federal court in Clark County.

THIS COURT LACKS JURISDICTION OVER THE THREE BRAHMA CLAIMS VII. IN THE "COUNTER-COMPLAINT" THAT WERE REMOVED TO FEDERAL **COURT**

Once a Matter Has Been Removed to Federal Court, States Courts Lose A. Jurisdiction Over the Dispute

Even assuming this Court were to (1) decline to strike Brahma's "Counter-Complaint" and (2) decline to enforce the Contract's venue selection clause, there are additional grounds for dismissal. The federal removal statute expressly bars any further proceedings in state court once a notice of removal has been filed. The statute provides as follows:

> Promptly after the filing of such notice of removal of a civil action the defendant or defendants shall give written notice thereof to all adverse parties and shall file a copy of the notice with the clerk of such State court, which shall effect the removal and the State court shall proceed no further unless and until the case is remanded.

28 U.S.C. § 1446(d) (emphasis added). In interpreting the above language, the Ninth Circuit stated that "the clear language of the general removal statute provides that the state court loses jurisdiction upon the filing of the petition for removal." Resolution Trust Corp. v. Bayside Developers, 43 F.3d 1230, 1238 (9th Cir.1994); see also California ex rel. Sacramento Metro. Air Quality Mgmt. Dist. v. United States, 215 F.3d 1005, 1011 (9th Cir. 2000) ("it is impossible to obtain judicial remedies and sanctions in state and local courts once an action is removed to federal court. The removal of an action to federal court necessarily divests state and local courts

⁹ Brahma's Lien Foreclosure claim is addressed in Section VIII, supra. That claim must be dismissed on separate grounds since a surety bond has been posted in 1.5 times the amount of Brahma's most recent mechanic's lien. See NRS 108.2415(6) (providing that lien on land is released upon posting of bond).

Moreover, it is not just the particular state court from which the case was removed that is divested of jurisdiction over the dispute but all courts in the state. See In re M.M., 154 Cal. App. 4th 897, 912, 65 Cal. Rptr. 3d 273, 284 (2007) ("states are separate sovereigns with respect to the federal government. Removal of an action may therefore be viewed as a transfer of the proceeding from the courts of one sovereign (a state) to the courts of another (the United States).").

In *Hollandsworth*, the Idaho Supreme Court upheld the district court's dismissal of a complaint that was filed in state court after a separate action was already pending in federal court, stating as follows:

The filing of the second action in the state court under these circumstances, involving as it did the same parties, the same issues and the same facts, incurs needless and substantially increased costs to the defendants, is a waste of judicial resources, and conjures up the possibility of conflicting judgments by state and federal courts.

Roberts v. Hollandsworth, 101 Idaho 522, 525, 616 P.2d 1058, 1061 (1980).

In General Handkerchief Corp., an insured brought an action in New York state court against its insurer to recover on a policy issued to it. The insurer subsequently removed the action to federal court. Later, the insurer brought a separate action against the insured in New York state court (i.e. a second subsequent state court action) for the recovery of insurance premiums. The insured filed a counterclaim in the second state court action (i.e. similar to the "Counter-Complaint" filed by Brahma here) that was nearly identical to its complaint that had been previously removed to federal court. The state court dismissed the counterclaim based on lack of subject matter jurisdiction due to the prior removal of the same claims to federal court and the New York Court of Appeals upheld the dismissal. Fire Ass'n of Philadelphia v. Gen. Handkerchief Corp., 304 N.Y. 382, 385, 107 N.E.2d 499, 500 (1952).

slip and fall accident. That action was removed to federal court. The inmate then filed a second suit in state court against the same defendants. The court found that because the theories of causation and damages in the second state court suit were "substantively identical" to those in the removed federal case, dismissal of the second state court suit was required. Leffall v. Johnson, No. 09-01-177 CV, 2002 WL 125824, at *2 (Tex. App. Jan. 31, 2002).

In Riley, the plaintiff filed her complaint in state court and the defendant then removed to federal court based on federal question jurisdiction. The plaintiff then filed a motion to remand which the federal court denied. Unhappy with being stuck in a federal forum, plaintiff then filed an amended complaint in state court. The federal court severely criticized plaintiff's actions:

> [Plaintiff], however, has created a procedural mess. After the court denied her original motion to remand, she filed an amended complaint in state court; the court has no idea why she did this. Once removed, this court, not the state court, had jurisdiction until this court remanded the case or dismissed it without prejudice. This concept is not subtle; it is basic to the law of jurisdiction: [plaintiff] had no basis for filing the amended complaint in state court.

Riley v. Carson Pirie Scott & Co., 946 F. Supp. 716, 718 (E.D. Wis. 1996) (emphasis added). Similarly, in Crummie, the plaintiff filed an amended complaint in state court after the action was removed to federal court. The federal court found the amended state court complaint was void and of no effect because the state court lacked jurisdiction. Crummie v. Dayton-Hudson Corp., 611 F. Supp. 692, 693 (E.D. Mich. 1985) ("After a removal of an action, a federal court acquires total, exclusive jurisdiction over the litigation . . . Applying the foregoing precepts to the matter at bar, it is evident that Plaintiff's filing of an amended complaint in state court subsequent to the removal of the cause was of no effect.").

The rule that removal divests all state courts of jurisdiction over a dispute is both necessary and logical. Without such a rule, any party could defeat federal jurisdiction by simply re-filing its case in a different state court than the one the case was removed from without ever even having to file a motion to remand expressly challenging the federal court's jurisdiction. Such an outcome would be directly contrary to both the letter and spirit of 28 U.S.C. § 1446(d) and make removal meaningless. Indeed, not only do state courts lack jurisdiction once a matter Page 17 of 25

is removed to federal court, but federal courts have authority to issue injunctions to enjoin state court litigation that is filed after removal in an attempt to defeat federal jurisdiction. 10

This Court Lacks Jurisdiction Over the Three Brahma Claims in the B. Counter-Complaint that Were Removed to Federal Court

As set out above, state and federal courts from around the country have held that plaintiffs will not be permitted to defeat federal jurisdiction by simply re-filing the same claims in a second state court action after those claims have been removed to federal court. In determining whether this court lacks jurisdiction to hear Brahma's three federal court claims, the only question is whether the claims asserted in Brahma's Counter-Complaint are substantially similar to the claims that were previously removed to federal court by TSE.

Here, Brahma has already admitted in a recent filing in federal court that this proceeding is "duplicative" of the federal action and that it fulfills the "substantial similarity" requirement. Exhibit 8 (Brahma's Motion to Stay Federal Action at pp. 7, 9 (emphasis added). In fact, the three claims against TSE that Brahma recently added to this action via the filing of its "Counter-Complaint" are the exact same three claims that TSE previously removed to federal court. Those claims are (1) Breach of Contract, (2) Breach of the Implied Covenant of Good Faith and Fair Dealing and (3) Violation of NRS 624. The allegations that make up these claims are the same allegations that were asserted in the federal court action. Compare Exhibit 3 2:11-28 - 5:1-5 (Brahma's July 17, 2018 Complaint filed in the Eighth Judicial District Court and removed to Nevada Federal District Court on September 10, 2018) with Exhibit 2 at 4:17-28 - 8:1-19 (Brahma's September 25, 2018 First Amended Counter-Complaint filed with the Nye County District Court). Thus, pursuant to 28 U.S.C. § 1446(d), this Court lacks jurisdiction over those three claims and "shall proceed no further unless and until the case is remanded." 28 U.S.C. § 1446(d) (emphasis added). TSE requests that these three claims be dismissed.

As an aside, TSE does not contend that this Court lacks jurisdiction over Brahma's lien

Quackenbush v. Allstate Ins. Co., 121 F.3d 1372, 1378 (9th Cir. 1997); Kansas Pub. Employees Ret. Sys. v. Reimer & Koger Assocs., Inc., 77 F.3d 1063, 1070 (8th Cir. 1996). TSE will be filing a motion seeking to have the federal court enjoin this litigation.

foreclosure claim against TSE or over Brahma's third party bond claim against third party defendants American Home Assurance Company ("American Home") and Cobra Thermosolar Plants, Inc. ("Cobra"). NRS 108.239 (governing lien foreclosure claims) and NRS 108.2421 (governing bond claims) indicate that proceedings on those statutory claims must be brought in the county whether the property at issue is located. Further, unlike the three claims TSE is seeking dismissal of, the lien foreclosure and bond claims were not previously removed to federal court by TSE. However, as set forth more fully below, Brahma's lien foreclosure claim against TSE should be dismissed on other grounds and the surety bond claim should be stayed.

BRAHMA'S LIEN FORECLOSURE CLAIM MUST BE DISMISSED BECAUSE A BOND HAS BEEN POSTED AS SECURITY FOR THE LIEN

Brahma's third cause of action is for Foreclosure of Notice of Lien and seeks to foreclose on the TSE owned improvements to which its mechanic's lien attaches. This is the only claim before this Court that has not already been removed to federal court. NRS 108.2415 provides that if a surety bond is provided in the amount of 1.5 times the notice of lien, the mechanic's lien is released from the land/improvements and attaches instead to the bond. NRS 108.2415(6) ("the recording and service of the surety bond . . . releases the property described in the surety bond from the lien and the surety bond shall be deemed to replace the property as security for the lien."). See also NRS 108.2413 ("[a] lien claimant's lien rights or notice of lien may be released upon the posting of a surety bond in the manner provided in NRS 108.2415 to 108.2425, inclusive."); Simmons Self-Storage v. Rib Roof, Inc., 130 Nev. 540, 551, 331 P.3d 850, 857-58 (2014) ("... each surety bond replaced its corresponding property as security for the lien. This means that a judgment awarded to respondent for one of those four properties would not be against the property, but against the respective surety, up to the amount of the bond, and against the principal for any amounts in excess of the bond amount.").

Here, Brahma's Fourth Amended Notice of Lien¹¹ was in the amount of \$12,859,577.74.

The Fourth Amended Notice of Lien was recorded on September 14, 2018 with the Nye County Recorder. This is the most recent lien recorded by Brahma.

Exhibit 9. 1.5 times this amount is \$19,289,366.61. On October 9, 2018, Cobra¹² caused a bond in this amount to be recorded against the property/improvements encumbered by Brahma's lien. Exhibit 10 (surety bond). Thus, under NRS 108.2415(6), Brahma's lien against the property/improvements owned by TSE has been released and now attaches to Cobra's bond. As such, it is appropriate to dismiss Brahma's Lien Foreclosure claim as there is no set of facts under which Brahma could be permitted to foreclose on TSE's property.

IN THE ALTERNATIVE, THE COURT SHOULD STAY THIS ACTION UNTIL IX. THE COMPLETION OF THE PARALLEL FEDERAL COURT PROCEEDINGS BASED ON THE "FIRST TO FILE RULE" AND PRINCIPLES OF COMITY

A. Legal Standard for Staying Proceedings Under the First to File Rule

In the event this Court (1) declines to strike Brahma's Counter-Complaint under NRCP 7(a), (2) declines to enforce the Contract's clause requiring venue in Las Vegas, (3) declines to dismiss the Counter-Complaint for lack of subject matter jurisdiction, and (4) declines to dismiss Brahma's Lien Foreclosure claim based on the posting of Cobra's \$19 million bond, this Court should at least stay this action until the first filed parallel proceedings in federal court are complete.

"The power to stay proceedings is incidental to the power inherent in every court to control the disposition of the causes on its docket with economy of time and effort for itself, for counsel, and for litigants. How this can best be done calls for the exercise of judgment which must weigh competing interests and maintain an even balance." Maheu v. Eighth Judicial Dist. Court In & For Clark Cty., Dep't No. 6, 89 Nev. 214, 217, 510 P.2d 627, 629 (1973); see also Jordan v. State ex rel. DMV and Public Safety, 110 P.3d 30, 41 (Nev. 2005) ("Nevada courts possess inherent powers of equity and of control over the exercise of their jurisdiction.") (overruled on other grounds).

Under the "first to file rule," a stay is particularly appropriate where there is a substantially similar prior action pending before a different court. Pacesetter Sys., Inc. v.

Page 20 of 25

Medtronic, Inc., 678 F.2d 93, 94-95 (9th Cir. 1982) (holding that it is appropriate for the "district court to decline jurisdiction over an action when a complaint involving the same parties and issues has already been filed in another district"). The two actions need not be identical, only "substantially similar." Inherent.com v. Martindale-Hubbell, 420 F.Supp.2d 1093, 1097 (N.D.Cal.2006); 13 see also McWane Cast Iron Pipe Corp. v. Basford, 124 Idaho 20, 22, 855 P.2d 481, 483 (Ct. App. 1993) ("Where two actions between the same parties, on the same subject, and to test the same rights, are brought in different courts having concurrent jurisdiction, the court which first acquires jurisdiction, its power being adequate to the administration of complete justice, retains its jurisdiction and may dispose of the whole controversy, and no court of coordinate power is at liberty to interfere with its action."); 21 C.J.S. Courts § 280 ("a state court should refuse to exercise jurisdiction over an action once it is apprised of the fact that the federal court has assumed jurisdiction of an earlier suit based on the same cause of action.").

The Schwartz case is directly on point. In Schwartz, the plaintiff sued the defendants in state court, the defendants removed the case to federal court and plaintiff then filed a separate second action in state court. The second state court action involved identical claims to those pending in the first filed federal action. The defendants filed a motion to stay the second state court action which was denied. The Florida appellate court reversed and granted the stay, holding that "[t]he [district] court's ruling has the effect of circumventing federal removal jurisdiction and requires the petitioners to defend against the same causes of action in two forums." Schwartz v. DeLoach, 453 So. 2d 454, 456 (Fla. Dist. Ct. App. 1984) (emphasis

Id.

added). Just like the court did in *Schwartz*, this Court should stay this action and refuse to allow Brahma to circumvent federal removal jurisdiction

B. Brahma's Claims Were First Filed in the Federal Court Action and Thus This Action Should be Stayed Until the Federal Action is Resolved

It is hard to imagine a more compelling set of facts justifying a stay than those presented in this case. Brahma's claims for (1) Breach of Contract, (2) Breach of the Implied Covenant and (3) Violation of NRS 624 were first filed in the Eighth Judicial District Court on July 17, 2018. TSE then removed those claims to federal court on September 10, 2018. It was not until September 20, 2018 that Brahma filed its original Complaint in this proceeding asserting a Lien Foreclosure claim and not until September 25, 2018 that Brahma filed its Counter-Complaint adding the three federal court claims to this proceeding. Thus, whether this Court looks at the date of Brahma's original Complaint or Counter-Complaint in this proceeding, Brahma's substantive claims against TSE were first asserted in the federal court action.

Moreover, the timing of Brahma's actions indicates a calculated attempt to undermine the federal court's jurisdiction and forum shop. On September 25, 2018, Brahma filed its First Amended Complaint in federal court dropping three claims from that action. That same day, Brahma filed the Counter-Complaint adding the exact same three claims to this action. Clearly, after this Court denied TSE's Motion to Expunge on September 12, 2018, Brahma decided that this Court was a more advantageous venue and proceeded to attempt to move its federal court claims here via any means necessary. The "first to file rule" exists precisely to prevent parties like Brahma from switching between different forums on a whim and should be enforced here. In sum, if this Court is not inclined to strike/dismiss Brahma's Counter-Complaint, the Court should stay this proceeding until the resolution of the first filed federal court litigation.

¹⁴ Brahma may attempt to argue that the present action was the one "first filed" as TSE did file its Motion to Expunge (which created this action) on June 11, 2018 which is prior to the July 17, 2018 Complaint Brahma filed in Clark County state court. However, the case law is clear that, for purposes of the first filed rule, the filing date of an action is derived from the filing date of the complaint. See NRCP 3 ("a civil action is commenced by the filing of a complaint"); Pacesetter Sys., Inc. v. Medironic, Inc., 678 F.2d 93, 96 n. 3 (9th Cir.1982) (filing date of respective complaints was all that mattered for purposes of the first filed rule); Ward v. Follett Corp., 158 F.R.D. 645, 648 (N.D. Cal. 1994).

Importantly, the stay should apply not only to the three claims that were previously removed to federal court but to this entire action. Brahma's claim for Lien Foreclosure (against TSE) and its third party Surety Bond Claim (against Cobra and American Home) both involve the exact same issues and subject matter as Brahma's contract and NRS 624 claims. Both of these claims boil down to allegations that TSE owes Brahma money for work Brahma performed on the Project. If Brahma were permitted to proceed in this Court with its Lien Foreclosure and Surety Bond claim, TSE would be forced to litigate the same issue in two forums and there would be the possibility of multiple inconsistent judgments. Barapind v. Reno, 72 F. Supp. 2d 1132, 1146 (E.D. Cal. 1999) (noting that one justification for applying the first to file rule is that it "avoids the embarrassment of conflicting judgments"). As such, TSE requests that the Court stay this action until the first filed federal action is complete.

CONCLUSION X.

TSE requests the following relief from the Court:

- Strike Brahma's September 25, 2018 Counter-Complaint because it is an 1.) impermissible pleading under both NRCP 7(a) and NRS 108.2275;
- Dismiss Brahma's Counter-Complaint because it was filed in violation of the 2.) Contract's requirement that venue be in Las Vegas, Nevada;
- Dismiss Brahma's claims for (1) Breach of Contract, (2) Breach of the Implied 3.) Covenant of Good Faith and Fair Dealing and (3) Violation of NRS 624 because this Court lacks subject matter jurisdiction over those claims. - On or about February 1, 2017, BGI entered a Services Agreement (the 9. "Agreement") with TSE, wherein BGI agreed to provide a portion of the work, materials and/or equipment (the "Work") for or relating to Work of Improvement.

- 11. As required by the Agreement, BGI has, and in the form and manner required by the Agreement, provided monthly invoices or payment applications (collectively, "Payment Applications") to TSE for the Work in an amount totaling more than Twenty-Six Million U.S. Dollars (\$26,000,000.00).
- 12. Pursuant to the Agreement and Nevada law, TSE agreed to and is obligated to pay BGI for its Work within no more than 45 days after TSE's receipt of BGI's Payment Applications.
 - 13. TSE breached the Agreement by, among other things:
 - a. Failing and/or refusing to pay monies owed to BGI for the Work; and
- b. Otherwise failing and/or refusing to comply with the Agreement and Nevada law.
- 14. BGI is owed Twelve Million Eight Hundred Fifty-Nine Thousand Five Hundred Seventy-Seven and 74/100 Dollars (\$12,859,577,74—"Outstanding Balance") from TSE for the Work.

(Breach of Implied Covenant of Good Faith & Fair Dealing)

- 16. Brahma repeats and realleges each and every allegation contained in the preceding paragraphs of the Amended Counter-Complaint, incorporates them by reference, and further alleges as follows:
- 17. There is a covenant of good faith and fair dealing implied in every agreement, including the Agreement between BGI and TSE.

- 19. Specifically, but without limitation, TSE breached its duty to act in good faith by:
- a. Asserting pre-textual, extra-contractual and inaccurate reasons for withholding payment long after the time required by the Agreement and Nevada law had elapsed.
- b. TSE has improperly withheld moneys totaling more than One Million U.S. Dollars for "retention" in purported reliance upon NRS 624.609(2)(a)(1). While that statutory provision permits withholding (on a payment-by-payment basis) a retention amount not to exceed five percent (5%), such retention must be authorized pursuant to the Agreement, which it is not.
- c. Furthermore, and even if the Agreement allowed TSE to withhold retention from monthly payments (which it does not), TSE's withholding of retention amounts retroactively aggregated from Payment Applications issued (and, in some cases, payments previously made) long ago constitutes extreme bad faith.
- 20. Due to the actions of TSE, BGI suffered damages in the amount of or exceeding the Outstanding Balance for which BGI is entitled to judgment in an amount to be determined at trial.
- 21. BGI has been required to engage the services of an attorney to collect the Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

THIRD CAUSE OF ACTION (Foreclosure of Notice of Lien)

- 22. Brahma repeats and realleges each allegation contained in the preceding paragraphs of this Amended Counter-Complaint, incorporates them by reference, and further alleges as follows:
- 23. Brahma provided the Work for the Work of Improvement and is owed the Outstanding Balance for the Work.
- 24. As provided in NRS 108.245, Brahma gave or served a copy of its Notice of Right to Lien on:
 - a. The BLM; and
 - b. TSE, even though it had no statutory duty to do so.

THE PARTIES

- 1. BGI is and was at all times relevant to this action (i) a Nevada limited liability company, duly authorized and qualified to do business in the state of Nevada, and (ii) a contractor, holding a Nevada State Contractor's license, which license is in good standing.

- 3. BGI and TSE are parties to a Services Agreement that establishes jurisdiction and venue in this Court with respect to all disputes between the parties. Accordingly, this Court has jurisdiction over the parties and the subject matter of this action.
- 4. BGI does not know the true names of the individuals, corporations, partnerships and entities sued and identified in fictitious names as DOES I through X and ROE CORPORATIONS I through X (collectively, "Doe Defendants"). BGI alleges that such Doe Defendants are responsible for damages suffered by BGI as more fully discussed under the claims for relief set forth below. BGI will request leave of this Honorable Court to amend this Complaint to show the true names and capacities of each such fictitious Doe Defendant when BGI discovers such information.

FIRST CAUSE OF ACTION (Breach of Contract)

- BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
- On or about February 1, 2017, BGI entered a Services Agreement (the "Agreement") with TSE, wherein BGI agreed to provide a portion of the work, materials and/or equipment (the "Work") for or relating to the Crescent Dunes Concentrated Solar Power Plant ("the Project") in or near Tonopah, Nevada.
- 7. BGI furnished the Work for the benefit of and/or at the specific instance and request of TSE and has otherwise performed its duties and obligations as required by the Agreement.
- 8. As required by the Agreement, BGI has, on a monthly basis and in the form and manner required by the Agreement, provided numerous invoices to TSE for the Work in an amount totaling in excess of Twenty-Six Million U.S. Dollars (\$26,000,000.00).
- 9. Pursuant to the Agreement and Nevada law, TSE agreed to and is obligated to pay BGI for its Work within no more than 45 days after TSE's receipt of BGI's invoices
 - TSE breached the Agreement by, among other things: 10.
 - Failing and/or refusing to pay the Services Fees and other monies owed to BGI for the Work; and

1.8

b.	Otherwise	failing	and/or	refusing	to	comply	with	the	Agreement	and
	Nevada lav	ν.								

- 11. BGI is owed an amount in excess of Eleven Million Nine Hundred Thousand U.S. Dollars (\$11,900,000) (the "Outstanding Balance") from TSE for the Work.
- 12. BGI has been required to engage the services of an attorney to collect the Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

SECOND CAUSE OF ACTION (Breach of Implied Covenant of Good Faith & Fair Dealing)

- 13. BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
- 14. There is a covenant of good faith and fair dealing implied in every agreement, including the Agreement between BGI and TSE.
- 15. TSE breached its duty to act in good faith by performing the Agreement in a manner that was unfaithful to the purpose of the Agreement, thereby denying BGI's justified expectations.
- asserting pre-textual, extra-contractual and inaccurate reasons for withholding payments long after the time required by the Agreement and Nevada law has elapsed. Also, and as part of the Outstanding Balance, TSE has improperly withheld moneys totaling in excess of One Million U.S. Dollars for "retention" in purported reliance upon NRS 624.609(2)(a)(1). While that statutory provision permits withholding (on a payment-by-payment basis) a retention amount, not to exceed five percent (5%), such retention must be authorized pursuant to the Agreement, which is it not. Furthermore, and even if the Agreement allowed TSE to withhold retention from monthly payments (which it does not), TSE's withholding of retention amounts retroactively aggregated from invoices issued (and, in some cases, payments previously made) long ago constitutes extreme bad faith.
- 17. Due to the actions of TSE, BGI suffered damages in the amount of or exceeding the Outstanding Balance for which BGI is entitled to judgment in an amount to be determined at trial.

18. BGI has been required to engage the services of an attorney to collect the Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

THIRD CAUSE OF ACTION (Unjust Enrichment)

- 19. BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
 - 20. This cause of action is being pled in the alternative.
- 21. BGI furnished the Work for the benefit of and/or at the specific instance and request of TSE.
 - 22. TSE accepted, used and enjoyed the benefit of the Work.
- 23. Owner and TSE knew or should have known that BGI expected to be paid for the Work.
 - 24. BGI has demanded payment of the Outstanding Balance.
 - To date, TSE has failed, neglected, and/or refused to pay the Outstanding Balance. 25.
 - 26. TSE has been unjustly enriched, to the detriment of BGI.
- 27. BGI has been required to engage the services of an attorney to collect the Outstanding Balance, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefor.

FOURTH CAUSE OF ACTION (Violation of NRS 624)

- 28. BGI repeats and realleges each and every allegation contained in the preceding paragraphs of this Complaint, incorporates them by reference, and further alleges as follows:
- NRS 624.609 and NRS 624.610 (the "Statute") requires owners (such as TSE as defined by the Statute) to, among other things, (i) timely pay their prime contractors (such as BGI as defined by the Statute), and (ii) respond to payment applications and change order requests, as provided in the Statute.
- TSE violated the Statute by failing or refusing to comply with the requirements set 30. forth therein.

	31.	By reason of the foregoing, BGI is entitled to a judgment against TSE in the amoun
of the	Outstan	ding Balance as well as other remedies as defined by the applicable statutes.

32. BGI has been required to engage the services of an attorney to collect the Outstanding Balance due and owing for the Work, and BGI is entitled to recover its reasonable costs, attorney's fees and interest therefore.

WHEREFORE, BGI prays that this Honorable Court:

- 1. Enters judgment against TSE in the amount of the Outstanding Balance;
- 2. Enters a judgment against TSE for BGI's reasonable costs and attorney's fees incurred in the collection of the Outstanding Balance, as well as an award of interest thereon;
- 3. For such other and further relief as this Honorable Court deems just and proper in the premises.

Contractor shall prevent the use, planned release, or other introduction onto the Plant site, or the exposure to persons and property, of any toxic or hazardous substance, whether subject to regulation or not. Contractor shall clean up and abate any spills or contamination, and restore the affected area to its prior condition and as required by applicable governmental authorities. To the fullest extent allowed by law (and no further),

Contractor shall be solely responsible for and shall indemnify and hold harmless TSE from and against any and all claims, damages, liabilities, costs or expense (including the fees of counsel and other expenses of litigation) suffered or incurred as a result of Contractor's use or introduction onto the Crescent Dunes plant site of any hazardous or toxic substance, whether subject to regulation or not, or Contractor's failure to otherwise abide by the provision of this paragraph. At the completion of the Services, Contractor shall remove all waste materials and rubbish from the Plant site as well as all tools, construction equipment, machinery and surplus materials.

headquarters and principal place of business in Madrid, Spain, making it a citizen of Spain. Inversiones Capital Global, S.A. is a subsidiary of Banco Santander, S.A. with its principal place of business also in Spain, making it a citizen of Spain. Tonopah Solar Investments, LLC's members are SolarReserve CSP Holdings, LLC and Cobra Energy Investment, LLC. SolarReserve CSP Holdings, LLC's sole member is SolarReserve CSP Finance, LLC. SolarReserve CSP Finance, LLC's sole member is SolarReserve, LLC. The sole member of SolarReserve, LLC is SolarReserve, Inc., which is a corporation formed in Delaware with its principal place of business in Santa Monica, California, making it a citizen of Delaware and California. Cobra Energy Investment, LLC's sole member is Cobra Energy Investment Finance, LLC. Cobra Energy Investment Finance, LLC's sole member is Cobra Industrial Services, Inc., which is a Delaware corporation with its principal place of business in Texas, making it a citizen of Delaware and Texas.

In sum, TSE is a citizen of Spain, Delaware, California, Texas, and Virginia for purposes of diversity jurisdiction. See Johnson v. Columbia Properties Anchorage, LP, 437 F.3d 894, 899 (9th Cir. 2006) ("an LLC is a citizen of every state of which its owners/members are citizens."). Since Plaintiff is not citizen of any the states Defendant is a citizen of, complete diversity exists.

The Amount in Controversy Exceeds \$75,000.00.

A preponderance of evidence supports that the amount in controversy exceeds \$75,000. See Sanchez v. Monumental Life Ins. Co., 102 F.3d 398, 403-404 (9th Cir. 1996); Guglielmino v. McKee Foods Corp., 2007 WL 2916193 (9th Cir. Oct. 9, 2007). Here, Plaintiff expressly alleges it is owed an amount in excess of \$11,900,000.00 for work performed. See Plaintiff's Complaint ¶ 11, attached hereto as Exhibit 1. Based on these allegations, it is clear Plaintiff's claimed damages are in excess of \$75,000. See Guglielmino, 2007 WL 2916193, slip op. at n.5. Accordingly, the jurisdictional amount is satisfied in this case.

Page 4 of 19

AFFIRMATIVE DEFENSES

- 1. BGI's claims are barred due to its failure to state facts sufficient to constitute a cause of action upon which relief can be granted against TSE.
- 2. BGI's claims are barred because BGI has failed to fulfill a condition precedent to payment on its invoices, namely, that BGI provide TSE with all supporting documentation for BGI's invoices that may be reasonably required or requested by TSE.
- 3. BGI's claims are barred by the doctrine of equitable estoppel. Among other things, BGI deliberately concealed the inaccuracies, irregularities and overcharges in its invoices to TSE for the purpose of causing TSE to not withhold payment on those invoices. TSE was unaware of the inaccuracies, irregularities and overcharges in the invoices that BGI submitted and relied to its detriment on said invoices when making payment. Thus, BGI cannot now prevent TSE from challenging the substance of those invoices by arguing that TSE did not follow the procedures set forth in NRS 624 for withholding payment to a general contractor.
- 4. BGI's claims are barred by its fraudulent actions. Among other things, BGI submitted fraudulent invoices to TSE for the purpose of causing TSE to not withhold payment on those invoices. TSE was unaware until recently of the fraudulent nature of the invoices that BGI submitted and relied to its detriment on said invoices when making payment. Thus, BGI cannot now prevent TSE from challenging the substance of those invoices by arguing that TSE did not follow the procedures set forth in NRS 624 for withholding payment to a general contractor.
- 5. BGI's claims are barred by its negligent misrepresentations. Among other things, BGI knew or should have known that its invoices contained false and misleading information and failed to provide TSE with sufficient information to evaluate the reasonableness of the claimed services performed and incidental expenses incurred. TSE was unaware until recently of the misleading nature of the invoices that BGI submitted and relied to its detriment on said invoices when making payment. Thus, BGI cannot now prevent TSE from challenging the substance of those invoices by arguing that TSE did not follow the

Page 5 of 19

procedures set forth in NRS 624 for withholding payment to a general contractor.

 6. Pursuant to Paragraph 2 of the Services Agreement, BGI agreed to only render to TSE "such services as are reasonably necessary to perform the work" ordered by TSE. BGI

breached the contract and breached the covenant of good faith and fair dealing by incurring

and billing unreasonable and inflated claims for labor and incidental expenses which were not

reasonably necessary to perform the work ordered by TSE.

7. Pursuant to Paragraph 4(d) of the Services Agreement, TSE agreed to reimburse BGI for its "reasonable out-of-pocket expenses that are necessary for the performance of the Services." The term "services" means "such services as are reasonably necessary to perform the work" ordered by TSE. BGI breached the contract and breached the covenant of good faith and fair dealing by incurring and billing unreasonable and inflated claims for out-of-pocket expenses that were both unreasonable and not reasonably necessary to perform the services ordered by TSE.

- 8. BGI breached the Services Agreement and the covenant of good faith and fair dealing by assigning work to related entities so that it could bill additional fees and charges in excess of the contract rates for labor and incidental expenses.
- 9. The Services Agreement contemplated BGI performing the work for a period of over one year and work was performed for more than one year. Therefore, the statute of frauds bars evidence of any oral agreements allegedly promising any payment or performance not expressly required by the written contract.
- 10. Pursuant to Paragraph 19 of the Services Agreement, the obligations of the Services Agreement can only be amended by a writing signed by the party to be charged. Accordingly, any claimed oral work orders, waivers or modifications to the terms of the written instrument are void and unenforceable.
- 11. Pursuant to Exhibit A of the Services Agreement, TSE has no obligation to pay for any services or incidental expenses not expressly authorized by a written Work Order issued in writing by TSE.

4 5

12.	To the	extent BGI	induced	TSE's	employees	or	other re	epresent	atives t	0
authorize or	approve	unnecessary	or unrea	asonable	services	or ex	penses,	such v	vork wa	ıs
beyond the scope of the Services Agreement and TSE's employees had no actual or apparent										
authority to a	pprove si	ich work.	,			.2		•		

- 13. Requiring TSE to pay for intentionally inflated, unnecessary or unreasonable charges would be both procedurally and substantively unconscionable regardless of any knowledge or consent of an employee of TSE.
- 14. BGI's claims are barred due to its unclean hands and inequitable conduct as Plaintiff has submitted fraudulent invoices to TSE and engaged in other fraudulent practices on the Project.
- 15. TSE promised to pay BGI promptly for any and all services and expenses that BGI could prove were reasonably and necessarily incurred under the terms of the Services Agreement. To the extent BGI ultimately proves it is entitled to additional payment under the Services Agreement, Plaintiff has failed to mitigate its alleged damages by, among other things, being stubbornly litigious and failing and refusing to provide adequate and complete documentation for its claims without the necessity of litigation.
- 16. Pursuant to Paragraph 4(a) and Exhibit A of the Services Agreement, TSE has no obligation to pay for services or incidental expenses in excess of the not-to-exceed ("NTE") amount of \$5 million. TSE has paid in excess of \$5 million and has no further obligations under the Services Agreement.
- 17. Pursuant to Paragraph 18 of the Services Agreement, TSE's delay in exercising any of its rights under the Services Agreement, including but not limited to its right to demand documentation and proof of services rendered and expenses incurred, cannot be deemed a waiver of TSE's rights under the Services Agreement or Nevada law.
- 18. BGI's claims are barred by the equitable doctrines of laches, waiver, consent, and release.
 - 19. BGI's damages, if any, were caused by BGI's own negligence.

20. All possible affirmative defenses may not have been alleged herein insofar as sufficient facts were not available after reasonable inquiry upon the filing of this Answer. TSE has repeatedly requested backup documentation from BGI but BGI has generally refused to provide the requested documentation sufficient to justify and validate its invoices. Therefore, TSE reserves the right to amend this Answer to allege additional defenses if information obtained during discovery warrants doing so.

TSE'S COUNTERCLAIM

Defendant TONOPAH SOLAR ENERGY, LLC (hereinafter "TSE"), by and through its attorneys of record, the law firm of Weinberg, Wheeler, Hudgins, Gunn & Dial, LLC, hereby counterclaims, alleging as follows:

JURISDICTION AND PARTIES

- 1. Plaintiff Brahma Group, Inc. (hereinafter "BGI"), is a Nevada corporation with its principal place of business in Salt Lake City, Utah, making BGI a citizen of Nevada and Utah for purposes of diversity jurisdiction.
- Defendant/Counterclaimant TSE is a limited liability company. Tonopah Solar Energy Holdings II, LLC ("TSEH II") is the sole member of TSE. TSEH II's members are Capital One, National Association ("Capital One") and Tonopah Solar Energy Holdings I, LLC ("TSEH I"). Capital One is a national banking association with its main office located in McClean, Virginia, making it a citizen of Virginia. TSEH I's members are Tonopah Solar I, LLC and Tonopah Solar Investments, LLC. Tonopah Solar I, LLC's members are Banco Santander, S.A and Inversiones Capital Global, S.A. Banco Santander, S.A. is an international banking institution with its headquarters and principal place of business in Madrid, Spain, making it a citizen of Spain. Inversiones Capital Global, S.A. is a subsidiary of Banco Santander, S.A. with its principal place of business also in Spain, making it a citizen of Spain. Tonopah Solar Investments, LLC's members are SolarReserve CSP Holdings, LLC and Cobra Energy Investment, LLC. SolarReserve CSP Holdings, LLC's sole member is SolarReserve CSP Finance, LLC. SolarReserve CSP Finance, LLC's sole member is SolarReserve, LLC. Page 8 of 19

The sole member of SolarReserve, LLC is SolarReserve, Inc, which is a corporation formed in Delaware with its principal place of business in Santa Monica, California, making it a citizen of Delaware and California. Cobra Energy Investment, LLC's sole member is Cobra Energy Investment Finance, LLC. Cobra Energy Investment Finance, LLC's sole member is Cobra Industrial Services, Inc., which is a Delaware corporation with its principal place of business in Texas, making it a citizen of Delaware and Texas. In sum, TSE is a citizen of Spain, Delaware, California, Texas and Virginia for purposes of diversity jurisdiction.

- 3. Jurisdiction is proper in this Court under 28 U.S.C. § 1332(a) and 28 U.S.C. § 1441 because there is complete diversity of citizenship between Plaintiff and Defendant, and the amount in controversy, exclusive of interest, costs, and attorneys' fees, exceeds the sum of \$75,000.00.
- 4. Venue is proper in this Court under 28 U.S.C. § 1391(b)(2) because a substantial part of the events giving rise to this action occurred in Nevada.

GENERAL ALLEGATIONS

- 5. TSE is the project developer for the Crescent Dunes Solar Energy Facility located outside Tonopah, Nevada, a solar energy project designed to produce 110 megawatts of electricity ("Project").
- 6. While TSE is the project developer and oversees construction efforts, the approximately 1,600 acres of land on which the Project is located is leased from the Bureau of Land Management, of the United States Department of the Interior ("BLM").
- 7. The Project consists of, among other things, over 10,000 tracking mirrors called heliostats that follow the sun throughout the day and reflect and concentrate sunlight onto a large receiver on top of a concrete tower. The receiver is filled with molten salt that absorbs the heat from the concentrated sunlight and ultimately passes through a steam generation system to heat water and produce high pressure steam which in turn is used to drive a conventional power turbine, which generates electricity.
- 8. The Project is a public-private project that was financed by both private investors as well as by a significant loan guaranteed by the United States Department of Page 9 of 19

Energy.

Investment, LLC, to construct the Project.

	9.	TSE signed	an e	engineer	ing, pro	curement	and	cor	struction	("EPC")	contract
with	Cobra	Thermosolar	Plant	s, Inc.	("EPC	Contracto	or"),	an	affiliate	of Cobra	Energy

- 10. Construction of the Project began in or about September 2011, and in or about December 2015, the Project reached provisional acceptance ("PA") and began supplying energy to NV Energy.
 - 11. Soon after reaching PA, the Project began experiencing a high rate of defects.
- 12. Despite the requests of TSE, the EPC Contractor ultimately failed to correct and/or refused to correct many of the defects on the Project.
- 13. To rectify the numerous defects, TSE hired BGI, who previously served as a subcontractor to the EPC Contractor on the Project, to complete warranty work on the Project.
- 14. TSE and BGI entered into a contract as of February 1, 2017, to accomplish the above purpose ("Services Agreement").
- 15. The Services Agreement provides, among other things, that TSE will issue work orders to BGI describing the work BGI is to perform and also provides the hourly rates that BGI may charge for labor.
- 16. The Services Agreement also provides that for each invoice submitted by BGI to TSE for payment, BGI must provide, among other things, "such supporting documentation as may be reasonably required or requested by TSE."
- 17. Many of the invoices submitted by BGI were difficult to decipher and contained confusing information regarding the work allegedly done by BGI. However, after expending a significant amount of time, effort and resources analyzing BGI's invoices, TSE has identified numerous significant inaccuracies, irregularities and overcharges in BGI's invoices.
- 18. The following are among the improprieties that TSE has identified in respect of BGI's invoices:
- 19. BGI allowing individuals to bill excess, improper and/or unauthorized amounts of time to the Project.

- 21. BGI billing TSE for work performed by its sub-contractors, which was not supported by corresponding, supporting invoices.
 - 22. BGI billing for amounts with respect to which it had miscalculated its margin.
 - 23. BGI billing TSE for improper equipment charges.
- 24. BGI billing TSE for 100 percent of the time BGI and its subcontractors' were onsite rather than taking into consideration lunch breaks and other breaks.
 - 25. BGI billing against work orders that were already closed/completed.
- 26. Upon becoming aware of the serious inaccuracies, irregularities, and overcharges in BGI's invoices, TSE requested additional invoice backup documentation from BGI.
- 27. TSE was entitled to request additional invoice backup documentation from BGI under the Services Agreement.
- 28. The purpose of these requests was to enable TSE to determine/confirm whether the charges reflected on the invoices were appropriate or whether they were improper overcharges.
- 29. While BGI did provide some additional invoice backup documentation in response to TSE's requests for additional documentation, BGI generally refused to provide the information requested by TSE, indicating that TSE was either not entitled to the documentation or that the documentation that it did provide was clear on its face.
- Standing alone, without further backup documentation in sufficient detail to 30. justify the charges on BGI's invoices to TSE, the invoices are inaccurate, improper, and seek to force TSE to pay BGI amounts to which it is not entitled.
- 31. TSE is currently disputing the validity of more than \$11 million of charges invoiced by BGI out of a total invoiced amount of approximately \$25 million.
 - 32. A portion of this amount relates to invoices for which BGI has already received Page 11 of 19

payment that contain many of the same inaccuracies, irregularities, and improprieties that TSE has identified in the invoices it is now disputing and remain unpaid. These issues only came to light after TSE allocated an inordinate amount of resources, resources that TSE can ill afford, to review the charges that it is now disputing. TSE has paid BGI approximately \$13 million with respect to these prior invoices.

- 33. TSE is entitled to a declaration from the Court that it is not required to pay BGI for the amounts in the unpaid invoices that are inaccurate, irregular, and constitute improper overcharges by BGI.
- 34. BGI is liable to TSE for the amounts BGI has overcharged TSE on invoices that were previously paid by TSE as well as all other direct and consequential damages flowing from BGI's improper overcharges, including, attorneys' fees and costs.

FIRST CLAIM FOR RELIEF

(Breach of Contract)

- 35. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 36. On February 1, 2017, TSE and BGI entered into the Services Agreement, which is a valid contract.
 - 37. TSE has satisfied all of its obligations under the Services Agreement.
- 38. BGI breached the Services Agreement by, among other things, submitting invoices to TSE that were replete with inaccuracies, irregularities and overcharges.
- 39. BGI breached the Services Agreement by, among other things, refusing to provide TSE with reasonable supporting documentation for the invoices which BGI submitted for payment and which TSE determined contain inaccuracies, irregularities and overcharges.
- 40. As a direct and proximate result of BGI's breaches, TSE has been damaged in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.

SECOND CLAIM FOR RELIEF

(Contractual Breach of the Implied Covenant of Good Faith and Fair Dealing)

- 41. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 42. Implied in the Services Agreement is an obligation of good faith and fair dealing.
- 43. BGI breached the implied covenant of good faith and fair dealing by, among other things, submitting invoices to TSE that were filled with inaccuracies, irregularities and overcharges.
- 44. BGI breached the implied covenant of good faith and fair dealing by, among other things, refusing to provide TSE with reasonable supporting documentation for the invoices which BGI submitted for payment and which TSE determined contain inaccuracies, irregularities and overcharges.
- . 45. BGI breached the implied covenant of good faith and fair dealing by, among other things, supplying alleged supporting information for its invoices that was confusing and indecipherable and likely provided for the purpose of disguising the inaccuracies, irregularities and overcharges in the invoices.
- 46. TSE's justified expectation that it was receiving accurate invoices from BGI that could be supported by reasonable backup documentation has been denied.
- 47. As a direct and proximate result of BGI's breach, TSE has been damaged in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.

THIRD CLAIM FOR RELIEF

(Declaratory Relief)

- 48. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 49. BGI is not entitled to any payment on the current outstanding unpaid invoices as those invoices are replete with inaccuracies, irregularities and overcharges and include

charges that are not supported by backup documentation.

- 50. The actions of BGI are unilateral and unauthorized.
- 51. TSE is entitled to declaratory relief concerning its rights under the Services Agreement, namely that no further payment is due to BGI.
 - 52. The interests of TSE and BGI are adverse regarding this justiciable controversy.
- 53. The issues are ripe for judicial determination because they present an existing controversy and harm is likely to occur in the future without the Court's adjudication of the Parties' rights.

FOURTH CLAIM FOR RELIEF

(Unjust Enrichment/Quantum Meruit)

- 54. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
 - 55. This cause of action is being pled in the alternative.
- 56. BGI submitted invoices to TSE that were replete with inaccuracies, irregularities and overcharges.
- 57. TSE, in reliance on BGI's representations that these invoices were accurate, paid BGI the amounts requested in the invoices, and thereby conferred a benefit on BGI.
- 58. BGI accepted, appreciated and retained the benefit of TSE's payments on these inaccurate, irregular and inflated invoices.
- 59. BGI knew or should have known that TSE would never have paid the invoices had it been aware that the invoices were replete with inaccuracies, irregularities and overcharges.
- 60. It would be inequitable and against the fundamental principles of justice to allow BGI to retain the benefit of TSE's payments on the aforementioned invoices
 - 61. BGI has been unjustly enriched to the detriment of TSE.

FIFTH CLAIM FOR RELIEF

(Fraudulent/Intentional Misrepresentation)

- 62. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 63. BGI has submitted numerous invoices that contain fraudulent misrepresentations regarding the amount of money BGI was due from TSE for work BGI performed on the Project.
- 64. For example, the Services Agreement provides that BGI may add a 10 percent mark up for work done by third parties.
- 65. BGI falsely represented to TSE that its sister companies, Liberty Industrial ("LI") and JT Thorpe ("JTT"), were true third parties when BGI submitted invoices seeking a 10 percent markup for LI and JTT. The invoices for LI appeared on BGI invoices beginning March 24, 2017, and continued to appear on BGI invoices until May 18, 2018. In total, LI invoices appeared on 50 BGI invoices. The timecards for LI were signed by Clay Stanaland or Tiffanie Owen, BGI employees. The invoice for JTT appeared on the BGI invoice dated April 11, 2018. The invoice for JTT did not appear to be signed by a TSE or BGI representative. All of the referenced BGI invoices were signed by David Zimmerman, BGI Vice President and General Counsel.
- 66. BGI knew the invoices for LI and JTT were false when it submitted them because, among other things, BGI was aware of the Services Agreement's language only permitting a 10 percent mark-up for true third parties and because BGI was aware that LI and JTT were its sister companies and not true third parties.
- 67. As another example, upon information and belief, BGI falsely represented that certain work billed against Work Order 18811 pertained to the work contemplated by that work order.
- 68. Upon information and belief, the work contemplated by Work Order 18811 was completed on December 13, 2017, yet BGI continued to fraudulently bill against that work order until late January 2018.

- 70. In addition, BGI falsely represented to TSE that BGI personnel time and subcontractor personnel time was within the scope of Work Order 10131 by submitting invoices billing personnel time to that work order despite knowing that Work Order 10131 was to be used exclusively for BGI's morning safety meetings. BGI billed TSE against Work Order 10131 on BGI invoices dated March 31, 2017, July 25, 2017, November 17, 2017, December 6, 2017 and December 7, 2017. The BGI timecards were signed by Clay Stanaland, a BGI employee, and all BGI invoices were signed by David Zimmerman, BGI Vice President and General Counsel.
- 71. BGI knew that its representations that it was appropriate to bill time relating to BGI personnel and subcontractor personnel to Work Order 10131 were false because BGI knew that Work Order 10131 was to be used only for the morning safety meetings.
- 72. BGI made the above described false representations in order to induce TSE to pay BGI amounts to which BGI knew it was not entitled.
- 73. TSE justifiably relied on BGI's false representations in making payments to BGI.
- 74. TSE has been damaged by BGI's fraudulent misrepresentations in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.
- In making these fraudulent misrepresentations to TSE, BGI acted with malice/implied malice and conscious disregard for TSE's rights. As such, TSE is entitled to an award of punitive damages pursuant to NRS 42.005.
- 76. While TSE believes it has meet the pleading standard under Nev. R. Civ. P. 9(b), TSE avers, that, in the alternative, the relaxed pleading standard set forth in Rocker v. KPMG LLP, 122 Nev. 1185, 1195, 148 P.3d 703, 709 (2006), overruled on other grounds by Buzz Stew, LLC v. City of N. Las Vegas, 124 Nev. 224, 181 P.3d 670 (2008), applies.

SIXTH CLAIM FOR RELIEF

(Negligent Misrepresentation)

- 79. TSE repeats and realleges the allegations contained in the preceding paragraphs of this Counterclaim as though fully set forth herein.
- 80. BGI supplied false information to TSE and made false representations to TSE, as detailed more fully in the above paragraphs of this Counterclaim.
- 81. BGI supplied this false information and made these false representations to TSE because BGI had a pecuniary interest in inducing TSE to pay BGI amounts to which BGI was not entitled.
- 82. TSE justifiably relied on BGI's false representations in making payments to BGI.
- 83. BGI failed to exercise reasonable care or competence in obtaining and/or communicating the aforementioned false information to TSE.
- 84. TSE has been damaged by BGI's negligent misrepresentations in an amount in excess of \$75,000.00, plus any costs, fees, or interest associated with pursuing this claim.

WHEREFORE, TSE prays for relief as follows:

- 1. Dismissal of Plaintiff's Complaint with prejudice;
- 2. For judgment in favor of TSE and against BGI on all claims asserted herein;
- 3. For actual, compensatory, and consequential damages in an amount in excess of \$75,000.00;
 - 4. For pre- and post-judgment interest on any money judgment;
 - 5. For an award of attorneys' fees and court costs incurred herein;

MEMORANDUM OF POINTS & AUTHORITIES IN SUPPORT OF MOTION FOR STAY, OR IN THE ALTERNATIVE, MOTION TO AMEND COMPLAINT

I. INTRODUCTION

This Case presents the Court with one of those rare instances where all factors for a Colorado River stay are satisfied, allowing the Court to stay this Case to promote "wise judicial administration and conserve judicial resources and a comprehensive disposition of litigation."

This Case represents a duplication of a case TSE first commenced (as Plaintiff) against Brahma on June 1, 2018 in the Fifth Judicial District Court of Nye County (the "Nye County Court") when it sought to expunge the Brahma Lien (defined below) recorded against TSE's Work of Improvement (defined below). Indeed, the Nye County Court Judge has already ruled on dispositive issues that pertain to the subject matter of this Case and the Nye County Court is in the best position to proceed with the adjudication of all disputed matters that pertain to this Case, none of which present federal questions for the Court to resolve.

Accordingly, the Court should grant this Motion and stay this Case pending the outcome of the Action TSE commenced (as Plaintiff) before the Nye County Court. In the alternative, should this Court be inclined to deny the Motion, Brahma respectfully requests that it be permitted to amend its Complaint.

II. STATEMENT OF FACTS

The Work of Improvement.

TONOPAH SOLAR ENERGY, LLC, a Delaware limited liability company ("TSE"), is the owner of the Crescent Dunes Solar Energy Project constructed on certain real property located in Nye County, Nevada (the "Work of Improvement").

On or about February 1, 2017, TSE entered a Services Agreement ("Agreement") with Brahma, whereby Brahma agreed to provide on a time and material basis, certain work, materials, and equipment (collectively, the "Work") for the Work of Improvement. Brahma provided the Work for the Work of Improvement and TSE has failed to fully pay Brahma for such Work.

The Brahma Lien and the Brahma Surety Bond.

Because of TSE's failure to fully pay Brahma for its Work, Brahma caused a notice of lien ("Original Lien") to be recorded on April 9, 2018 with the Nye County Recorder as Document No. 890822 against the Work of Improvement.²

Thereafter, the Original Lien was amended and/or restated on several occasions and ultimately increased to \$12,859,577.74, when Brahma caused its Fourth Amended Notice of Lien ("Fourth Amended Lien") to be recorded on September 14, 2018 with the Nye County Recorder as Document No. 899351.3 Brahma's Original Lien and the amendments and restatements thereto, including the Fourth Amended Lien are referred to collectively herein as the "Brahma Lien."

In an attempt to replace the Work of Improvement as security for the Brahma Lien with a surety bond, Cobra Thermosolar Plant, Inc., a Nevada corporation ("Cobra")⁴ and the original general contractor that TSE hired to construct the Work of Improvement, caused a surety bond to

A copy of the Agreement is attached hereto as Exhibit 1.

² A copy of the Original Lien is attached hereto as Exhibit 2.

³ True and correct copies of Brahma's First Amended Lien, Second Amended Lien, Third Amended Lien and Fourth Amended Lien are attached hereto as Exhibits 3, 4, 5 and 6, respectively.

⁴ An affiliate of Cobra possesses an indirect ownership interest in TSE.

be recorded with the Nye County Recorder's Office on September 6, 2018, as Document No. 898974 (the "Brahma Surety Bond"). The Brahma Surety Bond (i) was issued by American Home Assurance Company, as surety ("Surety") on August 15, 2018, (ii) identifies Cobra, as principal ("Principal"), and (iii) was in the amount of \$10,767,580.00.5

At Brahma's request and in compliance with Nevada law, Cobra caused the Penal Sum of the Surety Bond to be increased to \$19,289,366.61 or 1.5 times the amount of Brahma's Fourth Amended Lien by causing a Rider to the Surety Bond (the "Brahma Surety Bond Rider") to be recorded on October 9, 2018 with the Nye County Recorder's Office as Document No. 900303.6 The Brahma Surety Bond and the Brahma Surety Bond Rider are collectively referred to herein as the "Brahma Surety Bond."

C. The H&E Lien and the H&E Surety Bond.

On May 15, 2018, H & E Equipment Services Inc., a <u>Delaware Corporation</u> and one of Brahma's suppliers for the Work of Improvement, caused a notice of lien to be recorded with the Nye County Recorder as Document No. 892768 in the amount of \$477,831.40 (the "H&E Lien").

To replace the Work of Improvement as security for the H&E Lien, on September 6, 2018, Cobra caused a surety bond to be recorded with the Nye County Recorder's Office as Document No. 898975 (the "H&E Surety Bond"). The H&E Surety Bond (i) was issued by American Home Assurance Company, as surety ("Surety") on August 15, 2018, (ii) identifies Cobra, as principal ("Principal"), and (iii) is in the amount of \$716,741.10.7

Because TSE has failed to fully pay Brahma, H&E has not been fully paid and Brahma understands that H&E intends to pursue claims against Brahma.

⁶ A true and correct copy of the Brahma Surety Bond Rider is attached hereto as Exhibit 8.

⁷ A true and correct copy of the H&E Surety Bond is attached hereto as Exhibit 9. It should also be noted that (i) American Home Assurance Company is the surety on both the Brahma Surety Bond and the H&E Surety Bond and is referred to herein as the "Surety," and (ii) Cobra is identified as the principal on both the Brahma Surety Bond and the H&E Surety Bond and is referred to herein as the "Principal."

D. To Expunge the Brahma Lien, TSE, as the Plaintiff, First Commenced an Action in Nye County Against Brahma, the Defendant.

On June 1, 2018, TSE, as plaintiff, commenced an action in Nye Count as Case No. CV 39348 (the "Nye County Action"), seeking to expunge the Brahma Lien from the Work of Improvement by filing a Motion to Expunge Brahma Group, Inc.'s Mechanic's Lien (the "Motion to Expunge"). The Nye County Action was assigned to the Honorable Steven Elliot, a senior Judge with Washoe County, who (i) previously presided over extensive litigation involving the construction of the Work of Improvement, and (ii) is very familiar with the Work of Improvement. see [Case No. CV-36323 titled Helix Electric of Nevada, LLC v. Cobra Thermosolar Plants, Inc.; Tonopah Solar Energy LLC et. al.; see also, Case No. 35217 titled Merlin Hall dba Mt. Grant Electric v. Cobra Thermosolar Plants, Inc.; Tonopah Solar Energy, LLC, et. al.]

At a hearing held on September 12, 2018 (the "September 12 Hearing"), Judge Elliot denied TSE's Motion to Expunge. Following the September 12 Hearing, the parties submitted competing orders for the Nye County Court to sign and enter. Since Brahma was the prevailing party at the September 12 Hearing, Brahma intends to file a motion for an award of attorney's fees and costs pursuant to NRS 108.2275(6), once an order denying the TSE Application is entered. The motion for attorney's fees and costs must necessarily be heard by the Nye County Court.

E. Based on a Mistaken Interpretation of the Agreement, Brahma Filed an Action Against TSE in Clark County Nevada, Which TSE Removed to Federal Court Based on Diversity Jurisdiction Only.

Based on a mistaken belief that Section 24 of the TSE/Brahma Agreement required it to pursue its contract-based claims in Clark County, Nevada, Brahma filed a Complaint on July 17, 2018, against TSE for breach of contract, unjust enrichment, and violation of NRS Chapter 624 in the Eighth Judicial District Court of Nevada (the "Clark County Action"). 10

⁸ A true and correct copy of TSE's Motion to Expunge is attached hereto as Exhibit 10.

⁹ When the court finds a prevailing lien claimant's notice of lien is not frivolous and was made with reasonable cause, the court must award to such prevailing lien claimant the costs and reasonable attorney's fees it incurred to defend the motion. See, NRS 108.2275(6)(c).

¹⁰ A true and correct copy of Brahma's Complaint filed in the Clark County Action is attached hereto as Exhibit 11.

4 5

	Notably, Section 24 of the Agreement	reads, "[Brahma]	submits to	the jurisdiction	of the
courts i	in such state, with a venue in Las Vega	s, Nevada, for an	y action or p	proceeding dire	ectly o
indirect	tly arising out of this Agreement."				

In Am. First Federal Credit Union v. Soro, 131 Nev. Adv. Op. 73, 359 P. 3d 105 (Nev. 2015), the Nevada Supreme Court found that:

Clauses in which a party agrees to submit to jurisdiction are not necessarily mandatory. Such language means that the party agrees to be subject to that forum's jurisdiction if sued there. It does not prevent the party from bringing suit in another forum. The language of a mandatory clause shows more than that jurisdiction is appropriate in a designated forum; it unequivocally mandates exclusive jurisdiction. Absent specific language of exclusion, an agreement conferring jurisdiction in one forum will not be interpreted as excluding jurisdiction elsewhere.

Based on the reasoning of the Am. First Federal Credit Union Court, the forum selection clause contained in Section 24 of the parties' Agreement is "permissive" and "does not require" the parties to resolve their contract claims in Las Vegas, Nevada. Rather, Section 24 allows Brahma to bring such claims in the Nye County Action along with Brahma's mechanic's lien foreclosure complaint (discussed below).

On September 10, 2018, TSE removed the Clark County Action to Federal Court based on diversity jurisdiction only (the "Federal Action").

On September 17, 2018, TSE filed its Answer and Counterclaim against Brahma in the Federal Action alleging the following state law causes of action: (i) Breach of Contract; (ii) Breach of the Implied Covenant of Good Faith and Fair Dealing; (iii) Declaratory Relief; (iv) Unjust Enrichment; (v) Fraudulent/Intentional Misrepresentation; and (vi) Negligent Misrepresentation.

On September 25, 2018, Brahma filed its First Amended Complaint in the Federal Action wherein it removed all causes of action against TSE except for its Unjust Enrichment claim.

On October 5, 2018, Brahma filed its Answer to TSE's Counterclaim in the Federal Action.

On October 9, 2018, TSE filed its Answer to Brahma's First Amended Complaint in the Federal Action.

Finally, on October 10, 2018, the Parties filed a Joint Status Report in the Federal Action.

Page 6 of 19

With the exception of TSE's improper Jury Demand (which TSE has agreed to withdraw) and its Removal Statement, no other filings have taken place in the Federal Action.

F. Brahma Filed an Action to Foreclose on the Brahma Lien in the Nye County Action.

Because the Nye County Court had already ruled on the validity of the Brahma Lien and was well acquainted with the facts of the case, Brahma (as the defendant in Case No. CV 39348) filed its Mechanic's Lien Foreclosure Complaint in the Nye County Action on September 21, 2018, 11 as required by NRS 108.239(1). 12

Also, on September 21, 2018, because the amount of the Brahma Surety Bond did not comply with NRS 108.2415, Brahma filed (in the Nye County Action) its (i) Petition to Except to the Sufficiency of the Bond, and (ii) Petition to Compel Increase of the Amount of the Bond (the "Petition"). Assuming the Surety Bond Rider Cobra recently recorded complies with NRS 108.2415, Brahma intends to withdraw its Petition.

On September 25, 2018, Brahma filed in the Nye County Action its (i) First Amended Counter-Complaint and included therein its contract-based claims against TSE, and (ii) Third-Party Complaint asserting a claim against the Surety, the Brahma Surety Bond and Cobra, as Principal.¹³

Brahma also understands that H&E intends to bring in the Nye County Action, (i) contract-based claims against Brahma, and (ii) claims against the Surety, the H&E Surety Bond and Cobra, as Principal.

III. LEGAL ARGUMENT

A. The Court Should Stay this Action Under the Colorado River Abstention Doctrine.

Because the Parties are proceeding with parallel litigation in the Nye County Action, the Court should stay this removed civil action under the *Colorado River Abstention* Doctrine, thereby allowing the Nye County Court and the Nye County Action to efficiently resolve this duplicative

¹¹ A true and correct copy of the Mechanic's Lien Foreclosure Complaint is attached hereto as Exhibit 12.

¹² In pertinent part, NRS 108.239(1) states, "A notice of lien may be enforced by an action in any court of competent jurisdiction that is located within the county where the property upon which the work of improvement is located"

dispute. The Colorado River doctrine requires a federal court to abstain in favor of a concurrent state court proceeding where necessary to promote "wise judicial administration, conservation of judicial resources, and comprehensive disposition of litigation." Southwest Circle Group, Inc. v. Perini Building Company, 2010 WL 2667335 *2 (D. Nev. June 29, 2010) (citing Nakash v. Marciano, 882 F.2d 1411, 1415 (9th Cir. 1989). The doctrine is designed to avoid piecemeal litigation and to prevent inconsistent results. Colorado River Water Conservation Dist. v. United States, 424 U.S. 800, 817 (1976). For the federal court to abstain, there must be a parallel or substantially similar proceeding in state court. Commercial Cas. Ins. Co. v. Swarts, Manning & Associates, Inc., 616 F.Supp.2d 1027, 1032-33 (D. Nev. 2007)(citing Security Farms v. Int'l Broth of Teamsters, Chauffers, Warehousemen & Helpers, 124 F.3d 999, 1009 (9th Cir. 1997)("Inherent in the concept of abstention is the presence of a pendent state action in favor of which the federal court must, or may abstain").

However, exact parallelism in the litigation is not required, only that the two proceedings be "substantially similar." *Nakash*, 882 F.2d at 1411. "Suits are parallel if substantially the same parties litigate substantially the same issues in different forums." *Security Farms*, 124 F.3d at 1033 (citing *New Beckley Min. Corp. v. Int'l Union, United Mine Workers of America*, 946 F.2d 1072 (4th Cir. 1991).

To determine whether the state court and federal court cases are "substantially similar," the court's emphasis has been on substantial party identity, transactional identity, and substantial similarity of claims. See, e.g., Jesus Garcia v. County of Contra Costa, 2015 WL 1548928, at *2 (N.D. Cal. 2015) ("both actions seek relief based on the same event and are alleged against the same defendants"); Southwest Circle Group Inc., 2010 WL 2667335 at *2 (concluding proceedings were "substantially similar" where they arose "from the same underlying dispute"); Commercial Cas. Ins. Co, 616 F.Supp.2d at 1033 (deeming cases to be substantially similar where they "arise out of the conduct of the respective parties" and "called into question the same conduct"). To determine whether contemporaneous, concurrent state and federal litigation exists, the Court must look to the point in time when the party moved for its stay under Colorado River. FDIC v. Nichols, 885 F.2d 633, 638 (9th Cir. 1989).

This case satisfies the standards for a *Colorado River* stay to promote "wise judicial administration and conserve judicial resources and comprehensive disposition of litigation." The Nye County Action and Federal Action are substantially similar, contemporaneous, concurrent state and federal cases. *Seneca Ins. Co., Inc. v. Strange Land, Inc.*, 862 F.3d 835, 845 (9th Cir. 2017). Here, the pending Nye County Action (State Action) and District of Nevada Action (Federal Action) fulfill the substantial similarity requirement. Both cases involve the same parties and arise out of the same events—the Agreement, its performance, TSE's failure to pay Brahma for its Work and TSE's claims that Brahma over charged it for its Work. Both cases assert contractual and quasicontractual claims and should be decided by the same trier of fact who will decide the Lien litigation—i.e., the Nye County Court. There is concurrent jurisdiction over all claims in these two cases; neither case asserts a claim within the exclusive subject-matter jurisdiction of a federal court. In other words, the federal court's expertise on federal law is not required in this Case.

In Colorado River, the US Supreme Court described four factors federal courts should consider in determining whether abstention is appropriate: (1) whether the state or federal court has exercised jurisdiction over the res, (2) the order in which the forums obtained jurisdiction, (3) the desirability of avoiding piecemeal litigation, and (4) the inconvenience of the federal forum. Colorado River, 424 U.S. at 800. Subsequent decisions have added three more factors: (5) whether federal or state law controls the decision on the merits, (6) whether the state court can adequately protect the rights of the parties, ¹⁴ and (7) whether the exercise of federal jurisdiction will promote forum shopping. ¹⁵

"These factors are to be applied in a pragmatic and flexible way, as part of a balancing process rather than as a mechanical checklist." 40235 Washington St. Corp. v. Lusardi, 976 F.2d 587, 588 (9th Cir. 1992). "As part of this flexible approach, it may be important to consider additional factors not spelled out in the Colorado River opinion." Commercial Casualty Ins. Co., 616 F.Supp.2d at 1033 (citing Moses Cone, 460 U.S. at 26, 103 S.Ct. 927).

1. The Nye County Court First Assumed Jurisdiction Over the Res.

Here, Judge Elliot first assumed jurisdiction over the Res when TSE, as plaintiff, knowingly and intentionally availed itself of the jurisdiction of the Nye County Court and filed the Nye County Action seeking to expunge The Brahma Lien. Which court first obtains in rem or quasi in rem jurisdiction over property is a dispositive factor that trumps all other Colorado River factors when established. See, e.g., Washington Street Corp. v. Lusardi, 976 F.2d 587, 589 (9th Cir. 1992) (staying federal court was required where state court obtained in rem jurisdiction over property in a quiet title action). This is so because "the mere fact that state and federal courts are initially vested with coequal authority does not mean that more than one court can actually adjudicate—much less administer—decrees over the same res." State Engineer of Nevada v. South Fork Band of Te-Moak, 339 F.3d 804, 813 (9th Cir. 2003). The jurisdiction over "property" refers to an interest in tangible physical property. American Intern. Underwriters v. Continental Ins., 843 F.2d 1253, 1258 (9th Cir. 1988). In the District of Nevada, U.S. District Court Judge Roger Hunt concluded that the filing of a lien against a work of improvement established jurisdiction over the res. Southwest Circle Group Inc., 2010 WL 2667335 at *2.

Here, the Nye County Court first assumed jurisdiction over the *Res* that is the subject of this dispute (i) when Brahma recorded the Brahma Lien against the Work of Improvement on April 9, 2018, and (ii) subsequently, when TSE filed the Nye County Action to Expunge the Brahma Lien on June 1, 2018.

Notably, that Action was brought under NRS 108.2275 which requires a "party in interest in the property subject to the notice of lien who believes the notice of lien is frivolous and was made without reasonable cause...[to] apply by motion to the district court for the county where the property...is located for an order directing the lien claimant to appear before the court to show cause why the relief requested should not be granted." Upon filing the Nye County Action, the Nye County Court assumed jurisdiction over the Brahma Lien recorded against the Work of Improvement.

///

On September 10, 2018, the Federal Action was removed from Clark County to federal court. Therefore, the Nye County Court first establish jurisdiction over the *Res*. Moreover, Brahma has since filed its mechanic's lien foreclosure action and claim against the Brahma Surety Bond in the Nye County Action, providing the Nye County Court with additional jurisdiction over the *Res*. Accordingly, jurisdiction over the *Res* was first asserted in the Nye County Court which factor trumps all other factors set forth below and heavily favors abstention.

2. The Nye County Court Obtained Jurisdiction First.

This factor concerns not only the dates on which jurisdiction was established in the Nye County Action vs. the Federal Action, but also the relative progress made between the two cases. *American Intern. Underwriters*, 843 F.2d at 1258. Because the Nye County Court obtained Jurisdiction over the Parties and the *Res* first, and because Judge Elliot has already held hearings and ruled on heavily contested motions in the Nye County Court, including the merits and validity of the Brahma Lien, this factor weighs substantially in favor of abstention for purposes of judicial economy.

While both cases are relatively young, because the Nye County Court obtained jurisdiction over the *Res* and the Brahma Lien first, the Nye County Action has progressed further along than the Federal Action. Moreover, because Judge Elliot previously presided over extensive lien litigation regarding the Work of Improvement, he is already knowledgeable about the Work of Improvement and many of the unique issues the Parties encountered before, during and after construction. As such, Nye County is the proper forum to hear all issues relating to the *Res*, just as TSE determined when it commenced the Nye County Action.

3. The Inconvenience of the Federal Forum.

This factor concerns the inconvenience of the forum to the party who did not invoke the federal forum and is typically discussed in the context of distant witnesses. *American Intern. Underwriters*, 843 F.2d at 1258. However, inconvenience of a federal forum is deemed to be irrelevant when a federal action and state action are located in the same general geographic area. *Jesus Garcia*, 2015 WL 1548928 at *3. Here, while the Work of Improvement is located in Tonopah, Nevada, all hearings have been and will continue to be held at the Nye County courthouse

located in Pahrump, Nevada, less than an hours' drive from Las Vegas.

Moreover, because the Brahma Surety Bond now stands as the collateral for the Brahma Lien, Brahma intends to file a Demand for Preferential Trial Setting under NRS 108.237(9), which requires the Court to clear its docket of all matters and proceed to trial within 60 days of Brahma filing its Demand.

The Nevada Legislature has afforded mechanic's lien claimants special rights to a just and speedy trial because of the value they add to real property and to the economy in general, as well as the vulnerable position they can find themselves in when an owner fails to pay for work, materials and equipment furnished to a construction project. In 2003 and 2005, and in response to the Venetian lien litigation, the Nevada Legislature substantially revised the mechanic's lien statutes with the intent to facilitate payments to lien claimants in an expeditious manner. *Hardy Companies, Inc. v. SNMARK, LLC*, 126 Nev. 245 P.3d 1149, 1156 (2010). One of those revisions was to arm lien claimants with the right to petition the Court for a summary trial on their mechanic's lien claims.

Specifically, NRS 108.239(8) provides:

Upon petition by a lien claimant for a preferential trial setting:

(a) the court shall give preference in setting a date for the trial of an action brought pursuant to this section; and

(b) if a lien action is designated as complex by the court, the court may take into account the rights and claims of all lien claimants in setting a date for the preferential trial.

NRS 108.239(7) provides:

The <u>court shall</u> enter judgment according to the right of the parties, and shall, by decree, <u>proceed to hear and determine the claims in a summary way</u>, or may, if it be the district court, refer the claims to a special master to ascertain and report upon the liens and the amount justly due thereon...

The Nevada Supreme Court has recognized the Legislature's intent to provide lien claimants with special rights designed to provide them with a speedy remedy on their lien claims. See California Commercial v. Amedeo Vegas I, Inc., 119 Nev. 143, 67 P.3d 328 (2003); See also, Lehrer McGovern Bovis, Inc. v. Bullock Insulation, Inc., 197 P.3d 1032 (Nev. 2008)(acknowledging that

Page 12 of 19

the object of the lien statutes is to secure payment to those who perform work or furnish material to improve the property of the owner). Among the protections afforded lien claimants is the statutory right to a preferential trial setting. By enacting Nevada's mechanic's lien statutes, the Nevada Legislature has created a means to provide contractors with secured payment for their work, materials and equipment furnished to construction projects in Nevada inasmuch as "contractors are generally in a vulnerable position because they extend large blocks of credit; invest significant time, labor and materials into a project; and have any number of works vitally depend upon them for eventual payment." Wilmington Trust FSB v. Al Concrete Cutting & Demolition, LLC (In re Fontainebleau Las Vegas Holdings, LLC), 289 P.3d 1199, 1210 (Nev. 2012).

Brahma, as a lien claimant, is entitled to a preferential trial setting pursuant to NRS 108.239 against the Brahma Surety Bond. Preferential trial rights in the Nye County Action mean this case will be handled expeditiously, thereby reducing delay where Brahma has fronted money for work, materials, and equipment. By contrast, in federal court, there is no preferential trial mechanism. Moreover, even if there was a right to a preferential trial in Federal Court, because Judge Elliot is on Senior status, he only handles a few cases at a time and would be in a much better position than this Court to proceed with a lengthy trial within 60 days after Brahma files the Demand.

Further, because (i) the Brahma Surety Bond claim, and (ii) the H&E Lien claim, the H&E Surety Bond claim and H&E's claims against Brahma (claims that are derivative of Brahma's claims against TSE), will be litigated in the Nye County Action, H&E's claims will also be litigated in the same action.

Finally, because TSE (as the Plaintiff) cannot remove the Nye County Action to Federal Court, and because Cobra is of the same domicile as Brahma (i.e., both Nevada corporations) and H&E is of the same domicile as TSE (i.e., both Delaware entities), there is no basis for diversity jurisdiction. Hence, if the Court does not stay this Case, Brahma will be forced to litigate claims arising from the same transaction and occurrence in two separate forums.

Thus, there is no question that the Nye County Court is a reasonable and convenient forum in which to try the parties' dispute.

4. Desirability of Avoiding Piecemeal Litigation

This factor concerns whether there are *special concerns* about inconsistent adjudication, as there will always be an issue with duplicative state court-federal court litigation. *Seneca*, at 843. "Piecemeal litigation occurs when different tribunals consider the same issue, thereby duplicating efforts and possibly reaching different results." *Commercial Cas. Ins. Co.*, 616 F.Supp.2d at 1035 (citing *American Int'l Underwriters*, 843 F.2d at 1258). For instance, in *Colorado River*, the Court found there to be a concern where water rights were in dispute and there was a real danger of inconsistent adjudication.

Central to the dispute between Brahma and TSE is the amount of Work Brahma performed on the Work of Improvement, the amount that TSE owes Brahma for that Work, and the lienable amount for such Work. To determine Brahma's lienable amount, the Nye County Court will necessarily need to determine (i) the agreed upon contract value of said Work (NRS 108.222(a)), or (ii) in cases where there may not have been an agreed upon price, the fair market value of said Work (NRS 108.222(b)). A mechanic's lien is a charge on real estate, created by law, in the nature of a mortgage, to secure the payment of money due for work done thereon, or materials furnished therefor. *Rosina v. Trowbridge*, 20 Nev. 105, 113, 17 P. 751 (Nev. 1888).

The Brahma Lien (recorded against the Work of Improvement and now secured by the Brahma Surety Bond) creates a property interest which cannot be adjudicated by two different courts. Inconsistent adjudication regarding Brahma's lien rights (or claim against the Brahma Surety Bond) would lead to chaos if one court determines that TSE owes Brahma one amount and a different court determines that TSE owes Brahma a different amount. To resolve those two inconsistent judgments, it would require further litigation.

Because the Nye County Court has already ruled on TSE's attempt to expunge the Brahma Lien, the Nye County Court is more familiar with many of the disputed issues between the Parties. If this Court were to exercise jurisdiction, it would likely "be required to decide these matters anew, requiring duplicative effort and creating a significant possibility of inconsistent results." See Commercial Cas. Ins. Co., 616 F.Supp.2d at 1035 (citing Ryder Truck Rental, Inc. v. Actor Foodservices Corp., 554 F.Supp. 227, 281 (C.D.Cal 1983)(district court abstains because

results").

Finally, acknowledging the possibility of inconsistent rulings being issued by the Nye County Court and this Court, by letter dated October 15, 2018, TSE advised the Nye County Court, that it was concerned that orders issued in the Nye County Action may adversely impact this Case. 16

Hence, this factor weighs substantially in favor of abstention.

5. Whether state or federal law provides rule of decision on the merits.

Here, as a threshold matter, all the claims asserted by Brahma and counterclaimed by TSE are state law claims. There are no federal questions involved in this Case where this Court's expertise on federal law is needed to resolve a dispute.

In Montanore Minerals Corp. v. Bakie, 867 F.3d 1160 (9th Cir. 2017), the Court reversed a district court that had declined to stay an action that involved state law eminent domain proceedings, which raised questions of statutory interpretation. Id. at 1168. In Southwest Circle Group Inc., the District of Nevada noted the special competence of Nevada state courts in complex construction litigation and granted a stay. Southwest Circle Group Inc., 2010 WL 2667335 at *3. In fact, that court went on to state that "it would be a misuse of judicial resources to occupy this courts time in a duplicative proceeding when it is clear that the state court is well-prepared to proceed." Id.

Here again, Judge Elliot having already ruled on substantive matters, is well-prepared to proceed with presiding over the entire Case. Moreover, state courts are better equipped to handle complex lien litigation utilizing expedited proceedings since such cases are much more frequently filed in state court as opposed to federal court.

This factor also weighs heavily in favor of abstention for purposes of judicial economy.

16 A true and correct copy of TSE's October 15, 2018 Letter is attached hereto as Exhibit 14.

6. The Proceedings in the Nye County Action are Adequate to Protect TSE's Rights.

This factor concerns whether the State Action would adequately protect federal rights. Travelers Indemnity Co. v. Madonna, 914 F.2d 1364, 1370 (9th Cir. 1990). A lack of concurrent jurisdiction would suggest state court is inadequate. American Intern. Underwriters, 843 F.2d at 1259. There, however, is "no question that the state court has authority to address the rights and remedies at issue" in a case about breach of contract. R.R. Street & Co. Inc. v. Transport Ins. Co., 656 F.3d 966, 9821 (9th Cir. 2011)

Here, as none of the claims pending before this Court assert federal questions, let alone ones exclusively in a federal court's jurisdiction, there is no concern that the state court proceeding would be inadequate. Moreover, NRCP 15 is available to TSE should it wish to amend its pleadings in the Nye County Action to add its contract claims and the fraudulent and negligent misrepresentation claims.

Because there is no question that the Nye County Action is adequate to protect TSE's rights, this factor cuts in favor of abstention.

7. Exercising Federal Court Jurisdiction Would Promote Forum Shopping.

This factor concerns whether affirmatively exercising federal court jurisdiction would promote forum shopping. This is especially true where "the party opposing the stay seeks to avoid adverse rulings made by the state court or to gain a tactical advantage from the application of federal court rules." *Travelers Indemnity Co.*, 914 F.2d at 1371. Here, TSE filed its Motion to Expunge the Brahma Lien in the Nye County Court, when it could have filed that same Motion before this Court. TSE's removal of the Clark County Action is nothing more than an effort to engage in forum shopping to avoid the effects of the adverse ruling by Judge Elliott.

B. In the Alternative, if the Court Does Not Stay this Case, the Court Should Allow Brahma to Amend its Complaint.

In the event the Court is inclined to deny the Motion for Stay, Brahma requests that it be permitted to amend its Complaint to reassert its contract claims against TSE which are currently being litigated in the Nye County Action.

Federal Rule of Civil Procedure 15(a) states in relevant part:

- (1) A party may amend its pleading once as a matter of course within (A) 21 days after serving it; or (B) if the pleading is one to which a responsive pleading is required, 21 days after service of a motion under Rule 12(b), (e) or (f), whichever is earlier.
- In all other cases, a party may amend its pleading only with (2) the opposing party's written consent or the court's leave. The court should freely give leave when justice so requires. (emphasis added).

"The Supreme Court has interpreted Rule 15(a) and confirmed the liberal standard district courts must apply when granting such leave." Dannenbring v. Wynn Las Vegas, LLC, 907 F.Supp. 2d 1214, 1221 (D. Nev. 2013). In Foman v. Davis, the U.S. Supreme Court explained: "In the absence of any apparent or declared reason-such as undue delay, bad faith or dilatory motive on the part of the movant, repeated failure to cure deficiencies by amendments previously allowed, undue prejudice to the opposing party by virtue of allowance of the amendment, futility of the amendment, etc.—the leave sought should, as the rules require, be 'freely given.'" Foman v. Davis, 371 U.S. 178, 83 S.Ct. 227, 9 L.Ed.2d 222 (1962). "If the underlying facts or circumstances relied upon by a plaintiff may be a proper subject of relief, he ought to be afforded an opportunity to test his claim on the merits." Id. "Of course, the grant or denial of an opportunity to amend is within the discretion of the District Court, but outright refusal to grant the leave without any justifying reason appearing for the denial is not an exercise of discretion; it is merely abuse of that discretion and inconsistent with the spirit of the Federal Rules." Id.

1. No Undue Delay

There has been no undue delay on the part of Brahma. Brahma initially included its breach of contract claims as part of this Action but removed those claims and asserted them in the Nye County Action along with its Lien claim and now its claim against the Brahma Surety Bond. Brahma believes the Nye County Court is the appropriate court to hear all matters in this Case.

However, to the extent the Court is unwilling to stay this Case, Brahma seeks leave of Court to amend its Complaint to re-add its contract-based causes of action against TSE.

TSE will Not Be Prejudiced if Brahma is Permitted to Amend its 2. Complaint.

Given the infancy of this Case, TSE will suffer no prejudice if Brahma is permitted to Amend its Complaint to add its contract-based claims. In fact, it is Brahma who would be prejudiced if this Court does not stay this Case and does not allow Brahma to amend its Complaint.

CONCLUSION IV.

Based on the foregoing, this Court should stay this Case pending the outcome of the Nye County Action which has been progressing for several months now. In the alternative, should the Court be inclined to deny the Motion for Stay, this Court should permit Brahma to amend its Complaint to add its contract-based causes of action against TSE.
