

IN THE SUPREME COURT OF THE STATE OF NEVADA

JUSTIN D. PORTER,  
Appellant,  
vs.  
BRIAN WILLIAMS, WARDEN,  
Respondent.

No. 80738

**FILED**

**MAR 11 2021**

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY S. Young  
DEPUTY CLERK

*ORDER DENYING MOTION*

Appellant has filed a motion for a third extension of time to file the opening brief. When this court granted appellant's motion for a second extension of time, this court observed that with the second extension of time, counsel will have had 240 days to complete the opening brief. Therefore, any additional extensions would be granted only on showing of the most extraordinary circumstances and extreme need. *See* NRAP 31(b)(3)(B). In support of the current extension request, counsel for appellant cites the length of the pro se supplemental writ filed in the district court and the lengthy procedural history of the case and size of the record. She also states that "it has been difficult to stay within the boundaries of the client's petition." Counsel does not demonstrate the most extraordinary and compelling circumstances and extreme need in support of an additional extension of time. Accordingly, the motion is denied. Appellant shall have 14 days from the date of this order to file and serve the opening brief and appendix. Failure to timely comply with this order may result in the imposition of sanctions.

It is so ORDERED.
