Journal Entry Details:

Ms. Doyle stated she sent the Defendant a copy of the Pre-Sentence investigation report (PSI), and tried to hand him a copy of the PSI today, however, he had refused to accept the copy. Moreover, pursuant to Stockmeier he had to review the PSI. Court advised the Defendant it was aware he did not agree with the outcome of the case, however, there was a trial and the jury convicted him. Statement by Defendant regarding his disagreement with the charges, evidence, and verdict. The Court advised the Defendant he could file an appeal with the Nevada Supreme Court as that was the next step after sentencing. Further colloquy regarding the trial, jury, verdict, and appeal. Court further noted it had issued and addressed the Defendant's concerns. Court further noted the State received a Grand Jury indictment, which allowed the State to proceed with the case. Additionally, the case was then presented for a jury at the District Court level. The pre-liminary hearing did not trump everything, and the law allowed for the State to receive an indictment, in these circumstances, which circumvented the need for a Pre-liminary hearing decision. Court further noted, the legal process had been followed, and acknowledged the Defendant's disagreement. Moreover, the issues could be raised with the Nevada Supreme Court. The Defendant stated there was no evidence of a rape, no DNA, no penetration, and inquired how could he be found guilty of a crime that did not occur. Court directed the Defendant to review the PSI,

- Ms. Doyle stated she sent the Defendant a copy of the Pre-Sentence investigation report (PSI), and tried to hand him a copy of the PSI today, however, he had refused to accept the copy. Moreover, pursuant to Stockmeier he had to review the PSI. Court advised the Defendant it was aware he did not agree with the outcome of the case, however, there was a trial and the jury convicted him. Statement by Defendant regarding his disagreement with the charges, evidence, and verdict. The Court advised the Defendant he could file an appeal with the Nevada Supreme Court as that was the next step after sentencing. Further colloquy regarding the trial, jury, verdict, and appeal. Court further noted it had issued and addressed the Defendant's concerns. Court further noted the State received a Grand Jury indictment, which allowed the State to proceed with the case. Additionally, the case was then presented for a jury at the District Court level. The pre-liminary hearing did not trump everything, and the law allowed for the State to receive an indictment, in these circumstances, which circumvented the need for a Pre-liminary hearing decision. Court further noted, the legal process had been followed, and acknowledged the Defendant's disagreement. Moreover, the issues could be raised with the Nevada Supreme Court. The Defendant stated there was no evidence of a rape, no DNA, no penetration, and inquired how could he be found guilty of a crime that did not occur. Court

directed the Defendant to review the PSI, and focus on the factual information. Court reviewed the PSI with the Defendant. DEFENDANT LIPSITZ ADJUDGED GUILTY of COUNT 1 INDECENT EXPOSURE (GM), COUNTS 2, 5 SEXUAL ASSAULT (F), COUNT 3 ATTEMPT SEXUAL ASSAULT (F), COUNT 4 BATTERY WITH INTENT TO COMMIT SEXUAL ASSAULT (F), COUNT 6 OPEN OR GROSS LEWDNESS (GM), COUNT 8 COERCION SEXUALLY MOTIVATED (F). NOT GUILTY as to COUNT 7. The AGGREGATE TOTAL sentence is LIFE with a MINIMUM of TWENTY (20) YEARS. FURTHER ORDERED, Defendant will a register as a sex offender within 48 hours from sentencing, or release from custody SPECIAL SENTENCE of LIFETIME SUPERVISION, NRS 176A.410 is imposed to commence upon release from any term of imprisonment, probation or parole. In addition, before the Defendant is eligible for parole, a panel consisting of the Administrator of the Mental Health and Development Services of the Department of Human Resources or his designee; the Director of the Department of corrections or his designee; and a psychologist licensed to practice in this state; or a psychiatrist licensed to practice medicine in Nevada must certify that the Defendant does not represent a high risk to re-offend based on current accepted standards of assessment.

Court further advised the Defendant to discuss the appeal process with Ms. Doyle. Furthermore, if the appeal was not filed in a timely fashion, it could preclude him from his appeal rights. The Defendant acknowledged he understood.
