28 No. Appellant has been and will continue to be represented by retained

7. Whether Appellant was granted leave to proceed *in forma pauperis*: No.

8. Date that proceedings commenced in district court: December 3, 2012.

9. A brief description of the nature of the action and result in the district court,
including the type of judgment or order being appealed and the relief granted by the
district court:

1 West Taylor Street filed a complaint against Waste Management and
2 Karen Gonzalez to contest garbage man liens that were filed against its property for
3 non-payment of garbage fees. NRS 444.520(1) permits Waste Management to assess
4 fees for the collection of garbage. NRS 444.520(3) states that unpaid fees shall result
5 in a lien that is perpetual. The statute further states that this lien may be foreclosed in
6 the manner that mechanic's liens are foreclosed. Id. In its complaint, West Taylor
7 Street sought (1) declaratory relief that the garbage liens were invalid as a matter of law
8 because Waste Management did not follow the notice requirements and perfection
9 processes contained in the mechanic's lien statutes; (2) declaratory relief that NRS
10 444.520 is unconstitutional because it provides for a deprivation of property without due
11 process since NRS 444.520 does not provide a mechanism for a homeowner to dispute
12 a garbage lien; and (3) slander of title.

13 West Taylor moved for partial summary judgment on its two declaratory
14 relief claims. That motion was granted in part and denied in part. The District Court
15 found that Waste Management was required to follow the perfection process, the notice
16 process, and the foreclosure process contained in the mechanics' lien statutes.
17 However, the District Court further found that NRS 444.520 was not unconstitutional
18 when interpreted in the manner that the District Court interpreted it.

19 Defendants filed a motion for reconsideration, and argued that the District Court
20 improperly interposed requirements into NRS 444.520 that the Legislature did not
21 intend. The District Court denied this motion.

22 West Taylor then amended its complaint to include a second property that
23 garbage liens were filed against, and renewed its summary judgment motion regarding
24 the amended complaint. The arguments are identical to its first motion for summary
25 judgment. The District Court again granted in part and denied in part West Taylor's
26 motion for partial summary judgment. Following this order, the parties stipulated to
27 NRCP 54(b) certification of this issue and a stay of the litigation. This appeal follows.
28

10. Whether the case has previously been the subject of an appeal or original proceeding: No.

11. Whether the appeal involves child custody or visitation: No.

12. Whether the appeal involves the possibility of settlement: No.

AFFIRMATION: The undersigned does hereby affirm that this document does not contain the Social Security Number of any person.

7 IN THE SECOND JUDICIAL DISTRICT COURT FOR THE STATE OF NEVADA
8 IN AND FOR THE COUNTY OF WASHOE

9 WEST TAYLOR STREET, LLC, a limited
10 liability company,

11 Plaintiff,

12 v.

13 WASTE MANAGEMENT OF NEVADA,
14 INC., KAREN GONZALEZ, and DOES 1
15 through 10,

16 Defendants.

Case No. CV12-02995

Department No.: 4

17 **ORDER**

18 On March 11, 2014, Plaintiff West Taylor Street, LLC (hereinafter, "West Taylor"), by
19 and through its attorney, C. Nicholas Pereos, Esq. filed *Motion for Partial Summary Judgment*,
20 and two affidavits in support of the Motion for Partial Summary Judgment: *Affidavit of C.*
21 *Nicholas Pereos* and *Affidavit of Teri Morrison*. On March 28, 2014, Defendants Waste
22 Management of Nevada, Inc. and Karen Gonzalez (hereinafter collectively, "Waste
23 Management"), by and through their attorney, Gregory S. Gilbert, Esq., Bryan L. Wright, Esq.,
24 and Matthew B. Hippler, Esq. of Holland & Hart LLP, filed their *Opposition to Plaintiff's*
25 *Motion for Partial Summary Judgment*. On April 11, 2014, West Taylor filed its *Reply*
26 *Argument in Support of Motion for Partial Summary Judgment*, and submitted the matter to the
Court.

27 On May 7, 2014, Nicholas Pereos, Esq. appeared on behalf of West Taylor, and Bryan
28 Wright, Esq. appeared on behalf of Waste Management. The Court heard arguments concerning

1 the *Motion for Partial Summary Judgment*. At the conclusion of the oral arguments the Court
2 took the motion under consideration.

3 NRCP 56(c) provides, that summary judgment “shall be rendered forthwith if the
4 pleadings, depositions, answers to interrogatories, and admissions on file, together with the
5 affidavits, if any, show that there is no genuine issue as to any material fact and that the moving
6 party is entitled to a judgment as a matter of law.” The District Court is to exercise great caution
7 in granting summary judgment. Posadas v. City of Reno, 109 Nev. 448, 452 (1993). “The party
8 moving for summary judgment bears the initial burden of production to show the absence of a
9 genuine issue of material fact.” Cuzze v. Univ. & Cmty. Coll. Sys. of Nevada, 123 Nev. 598, 602
10 (2007). “If such a showing is made, then the party opposing summary judgment assumes a
11 burden of production to show the existence of a genuine issue of material fact.” Id.

12 West Taylor moves for partial summary judgment or in the alternative it moves for the
13 Court to dismiss Defendant’s answer to the complaint and enter judgment on liability from lack
14 of standing to record the garbage lien. West Taylor advances four arguments: 1) Waste
15 Management does not have standing to record a garbage lien; 2) the statutory formalities
16 required for mechanic’s liens apply to garbage liens because NRS 444.520 incorporates the
17 entire mechanic’s lien statutory scheme; 3) a statute of limitations applies to this case; and 4) that
18 the lien should not exist in perpetuity after it has been recorded.

19 Waste Management argues that it has standing to record a garbage lien because Waste
20 Management acquired Reno Disposal Co., which is the waste management company that
21 contracted with the city of Reno.¹ Waste Management also argues that NRS 444.520, expressly
22

23 ¹ As a preliminary matter, the Court finds that Waste Management has standing to record
24 a garbage lien. NRS 444.520 provides that the governing body of any municipality which has an
25 approved plan for the management of solid waste may, by ordinance, provide for the levy and
26 collection of fees, and until paid, any fee or charge levied constitutes a perpetual lien. In the
27 instant matter, Waste Management provided a copy of the *1994 First Amended City of Reno
28 Garbage Franchise Agreement* which was entered into by the City of Reno and Reno Disposal
Co.. Additionally, an affidavit by David Stratton, Vice President and Assistant Secretary for
Waste Management of Nevada, Inc., was filed, stating that around June 1, 2008, Waste
Management acquired Reno Disposal Co.. Waste Management also provided a letter from
Waste Management to the City of Reno, which extended the 1994 contract for an additional 15
years. Finally, Waste Management filed a copy of the *Exclusive Franchise Agreement
Residential Solid Waste and Recyclable Materials* that was signed in 2012 by the City of Reno

1 states that garbage liens *may* be foreclosed in the same manner as a mechanic's lien, but that the
2 language is permissive and not required; therefore, Waste Management followed proper
3 procedure when filing the garbage lien. Furthermore, it argues that the language of NRS. 444.520
4 specifically creates a garbage lien that exists in perpetuity if the amount in arrears is not paid.

5 Neither party argues that there is a question of material fact, therefore the Court will
6 decide the pending questions as a matter of law. The Court will first summarize briefly the
7 history of the solid waste management system and NRS 444.520, and consider the development
8 of the mechanic's lien statutes before addressing the substantive issues in this case.

9 *I. History of NRS 444.520 and the Solid Waste Management System*

10 The legislature initially became concerned with public health in 1893. On March 6, 1893,
11 the Nevada Legislature enacted a statute that required the establishment of a State Board of
12 Health, and instructed the Board to work for the life and health of the inhabitants of the State.
13 Laws 1893, p. 117 c. 112. Specifically, the Board was required to conduct sanitary
14 investigations and inquiries regarding the causes of diseases and methods of prevention. This
15 included research to determine how habitats and circumstances of life impact public health. *Id.*
16 The Board was given the authority to make regulations for the "better preservation of the public
17 health in contagious and epidemic diseases" and if someone was in violation of these regulations
18 they were notified in writing. If the violator failed to comply within five days of receiving
19 notice, the individual was deemed guilty of a misdemeanor and fined between \$100-\$500 or
20 imprisoned in the county jail for 50 -250 days. *Id.* In 1911, the Legislature enacted a second bill
21 that created a State Board of Health focused primarily on identifying and recording the cause of
22 death and the requirements for birth certificates. 1911 Nev. Stat. 392.

23 In 1971, Senate Bill 490 (hereinafter, "S.B. 490") was proposed to establish a solid waste
24 management system. It provided the governing body of a municipality, in conjunction with the
25 District Board of Health, with the authority to make rules and regulations regarding the
26

27 and Reno Disposal Co., which expires in 2029. Based on these undisputed contracts, the Court
28 finds that Waste Management had standing to record a lien under NRS 444.520 if West Taylor
was delinquent on its garbage bills.

1 management of solid waste. Assembly Committee on Environmental and Public Resources
2 (March 31, 1971). After the first read in the Senate, S.B. 490 was amended to include the
3 following environmental goals: 1) protect public health and welfare; 2) prevent water or air
4 pollution; 3) prevent the spread of disease and the creation of nuisances; 4) conserve natural
5 resources; and, 5) enhance the beauty and quality of the environment. Journal of the Senate, at
6 bate stamp 7 (March 22, 1971).

7 In the development of S.B. 490, the legislative history reveals that the intent behind this
8 bill was to force the Nevada Department of Health to exercise its preexisting power to regulate
9 the disposal of solid waste. Assembly Committee on Environmental and Public Resources
10 (March 31, 1971). On April 1, 1971, there was a second discussion stating, in part, that S.B. 490
11 was intended to clean up the dumps, and that it did not apply to private property or agricultural
12 waste disposed on private land, unless a nuisance is being created. Assembly Committee on
13 Environmental and Public Resources (April 1, 1971). The goal was to create a statewide scheme
14 so that Nevada could qualify for federal funding. Id.

15 On February 8, 1991, Assembly Bill 320 (hereinafter, "A.B. 320") was proposed as an
16 effort to create a basic recycling program and to reduce the disposal of certain kinds of solid
17 waste. The first version of A.B. 320, Sec. 19 (NRS 444.520) imposed a fee for the disposal of
18 solid waste, stating: "there is hereby levied upon the operator of each disposal site a fee of \$2.50
19 per ton of solid waste accepted for disposal or transfer at the site...All claims against the account
20 must be paid as other claims against the state are paid." A.B. 320 (Feb. 8, 1991). Assembly
21 Member Vivian Freeman, who introduced the bill, indicated that the intended effects of this fee
22 were threefold: 1) revenues would help fund recycling programs, 2) the charges would be more
23 reflective of the cost of running a landfill and would assist in funding landfill operations, and 3)
24 the higher disposal rates could have provided a cost incentive that promotes recycling because
25 residents paying for the quantity of garbage being disposed would be more likely to remove
26 recyclable materials. Assembly Bill Omnibus Recycling, Assemblywoman Vivian L. Freeman,
27 Assembly Committee on Natural Resources, Agriculture and Mining (March 4, 1991). During a
28 committee meeting it was agreed that the \$2.50 fee was excessive, and needed to be eliminated

1 and re-evaluated after two years. Assembly Committee on Natural Resources, Committee
2 Analysis of A.B. 320, at 11 (April 6, 1991). After two amendments, A.B. 320 read as follows:

3 “The governing body of any municipality which has an approved plan for
4 the management of solid waste may, by ordinance, provide for the levy and
5 collection of other or additional fees and charges and require such licenses
6 as may be appropriate and necessary to meet the requirements of NRS
7 444.460, inclusive. The fees authorized by this section are not subject to
8 the limit on the maximum allowable revenue from fees established
9 pursuant to NRS 354.5989.”

10 A.B. 320 Reprint with Adopted Amendments, at 6 (May 24,
11 1991)(emphasis added).

12 It had been determined that NRS 354.5989² would be the only statute to place a fee limitation on
13 the proposed garbage fees. Therefore, the legislature specifically made A.B. 320 exempt from
14 NRS 354.5989 through this amendment. These 1991 amendments are still reflected in the statute
15 today.

16 In 2005, NRS 444.520 was amended again to create a method of recourse for the garbage
17 company once a customer became delinquent on a bill by allowing the garbage company to place
18 a lien on the property. Senate Committee on Health and Human Resources, Committee Analysis
19 of S.B. 354, at 10-11 (April 6, 2005).

20 This amendment added the following language in bold:

21 1. The governing body of any municipality which has an approved
22 plan for the management of solid waste may, by ordinance, provide for the
23 levy and collection of other or additional fees and charges and require such
24 licenses as may be appropriate and necessary to meet the requirements of
25 NRS 444.460 to 444.610, inclusive.

26 2. The fees authorized by this section are not subject to the limit on
27 the maximum allowable revenue from fees established pursuant to NRS
28 354.5989.

3. **Until paid, any fee or charge levied pursuant to subsection 1
constitutes a perpetual lien against the property served, superior to all
liens, claims and titles other than liens for general taxes and special
assessments. The lien is not extinguished by the sale of any property on
account of nonpayment of any other lien, claim or title, except liens for
general taxes and special assessments. The lien may be foreclosed in the
same manner as provided for the foreclosure of mechanics' liens.**

² NRS 354.5989 regulates local government imposed fees for business licenses.

1 4. As a remedy established for the collection of any fee or charge
2 levied pursuant to subsection 1, an action may be brought in the name
3 of the governing body of the municipality in any court of competent
4 jurisdiction against any person who occupied the property when the
5 service was rendered or against any person guaranteeing payment of
6 the fee or charge, or against all persons, for the collection of any such
7 fee or charge that is delinquent.

8 5. A lien against the property served is not effective until a
9 notice of the lien, separately prepared for each lot affected, is:

10 (a) Mailed to the last known owner at the owner's last known
11 address according to the records of the county in which the property is
12 located;

13 (b) Delivered to the office of the county recorder of the county in
14 which the property is located;

15 (c) Recorded by the county recorder in a book kept for the
16 purpose of recording instruments encumbering land; and

17 (d) Indexed in the real estate index as deeds and other
18 conveyances are required by law to be indexed.

19 Senate Bill 354 (March 25, 2005).

20 The Senate Committee discussed that because of public health concerns the garbage company
21 is required to pick up all garbage, even if a customer's account is in arrears. Id. The proposed
22 amendments would require the homeowner to address the garbage lien, even if a tenant was
23 living on the premises. Id. Ultimately, the Senate Committee decided to omit the following
24 language from S.B. 354:

25 "As a remedy established for the collection of any fee or charge levied
26 pursuant to subsection 1, an action may be brought in the name of the
27 governing body of the municipality in any court of competent jurisdiction
28 against any person who occupied the property when the service was
rendered or against any person guaranteeing payment of the fee or charge,
or against all persons, for the collection of any such fee or charge that is
delinquent."

 The only explanation for this deletion was that the purposed amendment added "some
unnecessary language." Id.

 When the Assembly Committee discussed A.B. 354, it recognized that the bill allowed
the garbage company to create a lien that could ultimately lead to the foreclosure of residential
homes. Assembly Committee on Health and Human Resources, Committee Analysis of A.B.

1 354, at 12-13 (May 20, 2005). Jennifer Lazovich (hereinafter, "Lazovich"), Legislative Advocate
2 representing the garbage company, Republic Services, Inc., indicated that the garbage lien
3 process had two steps: first, it requires that a notice of an intent to lien be issued. Id. The second
4 step, if the garbage bill remains unpaid, is to record the lien with the county. This lien will be
5 removed off the county's record once it has been paid. Lazovich also indicated that the lien
6 "operates in the same way as a mechanic's lien" which could ultimately end in a foreclosure.
7 However she followed this remark by stating that Republic Services, Inc. had never taken this
8 extreme step and never would. Id. The legislative history did not discuss the applicability of the
9 mechanic's lien statutes any further.

10 Finally, the Senate Committee discussed that if renters live in a home, the homeowner
11 must take precautionary steps and have the garbage bill sent to the homeowner's residence
12 instead of the rental. Id. This will allow the homeowner to pay the garbage bill and ensure that a
13 lien is not placed on the property, then the homeowner can recover the money by incorporating
14 the garbage bill into the price of the rent. Id.

15 *II. Procedural History of NRS 108 Mechanic's Liens*

16 Of importance to the Court is the legislative intent surrounding the inception and
17 development of NRS Chapter 108, the mechanic's lien statutes. NRS Chapter 108 contains sixty-
18 two individual statutes, many of which provide definitions. The Court has considered the
19 implementation and development of those statutes pertaining to the requirements for perfecting a
20 mechanic's lien, providing notice of the lien, the duration of the lien, and avenues available to
21 refute a lien.³

22 On February 2, 1965, Assembly Bill 236 (hereinafter, "A.B. 236") was proposed in order
23 to add mechanic's liens to the statutory liens found in NRS Chapter 108. After reviewing the bill
24 the Assembly Committee sought to expand the breadth of the mechanic's lien to sufficiently
25 cover the entire construction industry. Assembly Committee on Judiciary, Committee Analysis

27 ³ Specifically, the Court has analyzed the legislative history for NRS 108.226, NRS
28 108.227, NRS 108.2275, NRS 108.233, and NRS 108.245. Amendments were made to these
statutes in the following years: 1967, 1969, 1971, 1979, 1987, 1995, 1997, 2003, 2005, and 2007.
The Court considers all of these amendments and their legislative history.

1 of A.B. 236 at 1-4 (Feb. 16, 1965). The Assembly Committee was also concerned with the
2 fairness of the lien process, focusing on the timing in which a lien could be obtained, the
3 explanatory details that should be contained in the lien to allow the lien party to refute the lien,
4 the time needed to properly notice a lien, and how a lien would apply to multiple properties like
5 tract homes. Id. The Assembly Committee also discussed the importance of creating a bill that
6 protects both the homeowner and the contractor. Id.

7 The Assembly Committee discussed amendments to A.B. 236, and adopted Oregon law
8 which stated that a lien is not established unless there is proper notice of the lien, and then it
9 specified the lien requirements. Assembly Committee on Judiciary, Committee Analysis of A.B.
10 236 at 90-92 (March 2, 1965). Discussion also ensued regarding whether notice of a lien should
11 be provided without recording the lien, and the Assembly Committee decided to call Oregon
12 officials to inquire as to the procedures implemented there. Assembly Committee on Judiciary,
13 Committee Analysis of A.B. 236 at 147-49 (March 15, 1965). The Assembly Committee
14 ultimately gave A.B. 236 to the Senate with the intent to add language constructed from Oregon
15 law in the future. This language would require that notice be sent to the owner by material
16 suppliers, but did not require the notice to be recorded. Assembly Committee on Judiciary,
17 Committee Analysis of A.B. 236 at 151 (March 16, 1965). The Senate Committee subsequently
18 reviewed and amended A.B. 236, but no minutes are available from this committee. The
19 amendments made by the Senate Committee added language governing the assignment of a lien
20 and instituted a 20 day timeline for laborers to provide the owner of the property with notice of
21 materials supplied, work performed, or services rendered. *Journal of the Senate* (March 3,
22 1965).

23 In 1987, Assembly Bill 220 (hereinafter, "A.B. 220") was introduced in response to a
24 1982 Supreme Court ruling which found that the mechanic's lien statutes denied the contractor
25 or subcontractor the recovery of profits and overhead. Senate Committee on Judiciary,
26 Committee Analysis of A.B. 343 at 901-03 (March 19, 1979). The mechanic's lien statutes were
27 amended to allow the contractor or subcontractor to recover the terms of the contract and in the
28 absence of a contract to recover for materials, labor, and the fair market value of profits and

1 overhead. Id. The legislature discussed that this amendment prevent the homeowner for
2 receiving a windfall by only having to pay for materials and labor in the absence of a contract.
3 Id.

4 In 1995, the legislature proposed a major amendment to the mechanic's lien with Senate
5 Bill 401 (hereinafter, "S.B. 401"). S.B. 401, in part, added an amendment that allowed a party
6 with interest in the premises in which a lien has been filed to appear before the court to assert
7 that the lien was frivolous or excessive. Senate Committee on Judiciary, Committee Analysis of
8 A.B. 343 at 2-10, bate stamp 2613-21 (May 23, 1995). During the Senate hearing it was
9 discussed that the amendments were intended to be good for all parties. Id. The legislature
10 acknowledge that there was a need to speed up the mechanic's lien process, but it also did not
11 want to do so to the detriment of any due process rights.⁴

12
13 **III. Procedural requirements found in the mechanic's lien statutes may be**
14 **applied to a garbage lien when NRS 444.520 is silent on an issue.**

15 The extent to which the mechanic's lien statutes are incorporated into NRS 444.520 is a
16 matter of first impression. To determine the interplay between NRS Chapter 108 and NRS
17 444.520 the Court must interpret NRS 444.520. Words of "a statute should be given their plain
18 meaning." McKay v. Bd. of Supervisors, 102 Nev. 644, 648 (1986). "Where a statute is clear on
19 its face, a court may not go beyond the language of the statute in determining the legislature's
20 intent." Id. "When the statutory language lends itself to two or more reasonable interpretations,
21 the statute is ambiguous." State v. Lucero, 127 Nev. Adv. Op. 7 (2011). When a statute is

24 ⁴ As originally purposed, S.B. 401, stated that if an owner wanted to contest a lien, she could do
25 so by motion to the district court, accompanied by an affidavit. If the Court issues an order for a
26 hearing then the hearing was required to take place no sooner than 6 days and no later than 15
27 days after the Court issued an order. During the Senate hearing, there was testimony that this
28 short window would impact the Defendant's due process rights because it was an insufficient
amount of time to answer and gather evidence. SENATE COMMITTEE ON JUDICIARY, COMMITTEE
ANALYSIS OF A.B. 343 at 901-03 (May 25, 1995). In response to this testimony, the timeframe
was changed to "no less than 10 days or more than 20 days." Id.

2 determining the statute's meaning.” Silver State Elec. Supply Co. v. State ex rel. Dep't of

4 legislative omissions based on conjecture as to what the legislature would or should have done.”
5 McKay, 103 Nev. 490, 492 (1987). “When the language of the statute is ambiguous or silent on
6 a particular issue, it should be construed in accordance with what ‘reason and public policy
7 would indicate the legislature intended.’” Mineral Cnty. v. State, Bd. of Equalization, 121 Nev.
8 533, 540 (2005).

10 Equal weight should be given to each sentence, phrase, and word in the statute to render
11 them meaningful within the context of the purpose of the legislation. Harris Assocs. v. Clark
12 County Sch. Dist., 119 Nev. 638, 642 (2003) (internal citations omitted). “Statutes within a
13 scheme and provisions within a statute must be interpreted harmoniously with one another in
14 accordance with the general purpose of those statutes and should not be read to produce
15 unreasonable or absurd results.” Washington v. State, 117 Nev. 735, 739 (2001). Nevada law
16 requires that a statute, if reasonably possible, should be construed so as to function in harmony
17 with the Constitution. State v. Glusman, 98 Nev. 412, 419-20 (1982).

18 West Taylor asserts that in order to foreclose under NRS 444.520, Waste Management
19 must first perfect a proper lien by adhering to the procedural requirements of NRS Chapter 108,⁵
20 which govern mechanic’s liens. When applying NRS Chapter 108, West Taylor asserts that
21 Waste Management has failed to properly notice intent to lien prior to recording and failed to
22 follow the necessary timing requirements. West Taylor argues that the garbage lien is an
23 encumbrance on real property so the mechanic’s lien statutory structure must be applied as a
24 whole, because independently NRS 444.520 does not provide the constitutionally necessary
25 avenue to dispute the lien.

27 ⁵ West Taylor specifically argues the applicability of: NRS 108.239, NRS 108.233 and
28 NRS 108.226

1 Waste Management argues that the legislative history supports a finding that the garbage
2 company has the power to collect fees for services rendered, in an effort to meet the legislature's
3 environmental and health related goals. Waste Management also argues that NRS 444.520 only
4 incorporates the manner for foreclosing a mechanic's lien (NRS 108.239) and not the manner for
5 perfecting a lien. Additionally, it argues that the language of NRS 444.520 specifically outlines
6 the proper channels and content required to give notice of intent to lien and allows the garbage
7 company to create a perpetual lien against the property. It states that NRS 444.520 contains its
8 own requirements for perfecting a garbage lien when it states that a lien upon the property is not
9 effective until it is mailed to the last known owner, delivered to the county recorder, recorded,
10 and indexed.

11 Of great significance in this case, is whether only NRS 108.239, relating to mechanic's lien
12 foreclosures, may be applied to the garbage lien or whether the garbage lien can be governed by
13 the entire statutory structure of the mechanic's lien. The Court first considers the plain language
14 of NRS 444.520 which states,

15 "[u]ntil paid, any fee or charge levied pursuant to subsection 1 constitutes a
16 perpetual lien against the property served, superior to all liens, claims and
17 titles other than liens for general taxes and special assessments. The lien is
18 not extinguished by the sale of any property on account of nonpayment of
19 any other lien, claim or title, except liens for general taxes and special
20 assessments. The lien may be foreclosed in the same manner as provided for
21 the foreclosure of mechanics' liens." NRS 444.520.

22 In applying the principles of statutory interpretation the Court gives equal weight to each
23 word and phrase within the statute. The Court has previously found that the word "may" is to be
24 construed as permissive, unless the clear intent of the legislature is to the contrary. Sengbusch v.
25 Fuller, 103 Nev. 580, 582 (1987). In this case the language permitting the application of the
26 mechanic's lien foreclosure process is clear; however, there is an ambiguity as to which portions
27 of the mechanic's lien statutes may be applied since the specific sections are not listed in the
28 language of the statute. When an ambiguity exists, "a court should consult other sources such as
legislative history, legislative intent, and analogous statutory provisions." Madera v. State Indus.
Ins. Sys., 114 Nev. 253, 257 (1998).

1 In this case, the legislative history surrounding the amendments to NRS 444.520 is sparse. A
2 review of the brief legislative history discussed above reveals that the Legislature failed to
3 expressly state to what extent the mechanic's lien statutes should be incorporated; as a result, the
4 Court finds that standing alone the legislative history of NRS 444.520 provides little guidance as
5 to the application of the mechanic's lien statutes. Therefore, the Court will also consider the
6 legislative history, legislative intent, and analogous statutory provisions of NRS Chapter 108, to
7 determine whether NRS 444.520 permits the incorporation of just one or all of the mechanic's
8 liens statutes. Based on the rules of statutory interpretation, the Court applies the following
9 factors to determine which interpretation of the statute is more reasonable: 1) the legislature's
10 specific interest in drafting the statute; 2) whether any part of the statute would be rendered
11 superfluous by an interpretation; 3) whether a specific interpretation would violate due process
12 rights; and 4) if the result of an interpretation would be absurd. Great Basin Water Network v.
13 State Eng'r, 126 Nev. Adv. Op. 20 (2010).

14 The Court considers whether the legislature was addressing a specific interest when drafting
15 NRS 444.520. As discussed above, NRS 444.520 was developed as a means for the garbage
16 company to recover money from customers who are delinquent on their garbage bill. The
17 legislature determined that NRS 444.520 created a necessary remedy for the garbage company to
18 collect missing payments because the garbage company was required to pick up the garbage
19 whether or not the homeowner paid the garbage bill. The policy mandating garbage removal was
20 the product of a long history of public health concerns, starting with the prevention of disease
21 epidemics in the late 1800s.

22 The legislative history demonstrates that NRS 444.520 is rooted in an issue of fairness.
23 While it provides the garbage company with the ability to lien a property, it is important to note
24 that in the development of NRS 444.520, the legislature also considered the interest of the
25 homeowner, focusing at length on the significance of placing a lien on real property.

26 ///

27 ///

28 ///

1 Additionally, testimony during the legislative hearings stated that:

2 "[C]ustomers are billed approximately \$33 per quarter, on a quarterly basis.
3 If they are two quarters in arrears, the lien would be in the amount of \$66.
4 Over 75 percent of the people actually pay the bill once they receive a
5 notice of intent to lien. This is a long process. Customers receive about six
6 requests for payment before they receive an intent to lien notice." Senate
7 Committee on Government Affairs, Committee Analysis of A.B. 354, at 11
8 (April 6, 2005).

9 This language indicates that the legislature was trying to create a real incentive for homeowners
10 to address outstanding charges when they are notified by the garbage company that they are
11 delinquent on the garbage bill, but also implement a process that allows an opportunity for the
12 deficiency to be cured before foreclosure occurs. The Court finds that an interpretation that the
13 legislature's intent in drafting the statutes was grounded in creating a fair system of payment for
14 garbage services comports with reason and policy.

15 The Court also finds that incorporating the mechanic's lien statutes beyond NRS Chapter
16 108.239, furthers the legislature's specific interest in establishing a fair system. The legislative
17 history of NRS Chapter 108 is also grounded in creating an equitable system for placing a
18 mechanic's lien on real property when there has not been payment for construction services
19 rendered. In the development and amendments to the mechanic's lien statutes the legislature
20 routinely considered the impacts that the changes would have to all parties involved and tried to
21 maintain a fair system by fine tuning notice requirements, timing rules, and establishing clear
22 content requirements for the lien. Therefore, the application of any statutory requirements from
23 the mechanic's lien statutes to the garbage lien statutes, where the garbage liens statute is silent,
24 would enhance the legislative intent to create a fair system.

25 The Court next considers whether either of the statutory interpretations supplied by the
26 parties would render any language in NRS 444.520 superfluous. Adopting West Taylor's
27 argument that the mechanic's lien statutes must be incorporated in their entirety would render the
28 word "may" in NRS 444.520 superfluous. Additionally, notice requirements have been written
into the language of NRS 444.520, which would be rendered superfluous if compliance with the

1 notice statute for the mechanic's lien were required. In contrast, Waste Management's
2 interpretation that NRS 108.239 may be applied to govern the foreclosure process for a garbage
3 lien gives proper consideration to each word and phrase in NRS 444.520.

4 Alternatively, no portion of NRS 444.520 is rendered superfluous if the statute is interpreted
5 to state that the garbage lien **may** apply the mechanic's liens statutes that addresses procedural
6 requirements not already governed by NRS 444.520. This interpretation is in harmony with
7 Nevada law which states that "where a general and a special statute, each relating to the same
8 subject, are in conflict and they cannot be read together, the special statute controls." Laird v.
9 State Pub. Emp. Ret. Bd., 98 Nev. 42, 45 (1982). This interpretation would render the specific
10 requirements in the garbage statutes on topics, such as notice, as controlling while allowing the
11 more generally incorporated mechanic's lien procedural statutes to apply when NRS 444.520 is
12 silent on the issue. To offer a specific example, NRS 444.520 does not address the procedures
13 for a hearing or dispute should the customer assert that her account is not delinquent; therefore,
14 the customer may apply NRS 108.2275 to request a hearing to dispute the lien.⁶ But, by that
15 same token, the garbage lien will not automatically fail due to a lien period that runs longer than
16 6 months⁷, because NRS 444.520 specifically creates a perpetual lien.⁸

17 Next the Court considers whether interpreting NRS 444.520 to only permit the incorporation
18 of NRS 108.245, violates due process rights. NRS 444.520 creates a lien on real property with
19 the ability to foreclose if the delinquent bills are not paid. Under the Nevada Constitution, the
20 due process clause requires notice and an opportunity to be heard before the government
21 deprives a person of his or her property. Nev. Const. art. I, § 8. If possible Nevada statutes
22 should be construed as constitutional, and "[i]n the face of attack, every favorable presumption
23

24 ⁶ NRS 108.2275, states in relevant part: "The debtor of the lien claimant or a party in
25 interest in the property subject to the notice of lien who believes the notice of lien is frivolous
26 and was made without reasonable cause, or that the amount of the notice of lien is excessive,
may apply by motion to the district court for the county where the property or some part thereof
is located for an order directing the lien claimant to appear before the court to show cause why
the relief requested should not be granted."

27 ⁷ This is mandated by NRS 108.233.

28 ⁸ The Court will provide additional analysis on this issue below.

1 and intendment will be brought to bear in support of constitutionality.” State v. Glusman, 98
2 Nev. at 419-20. Therefore, since NRS 444.520 does not provide an opportunity to be heard if the
3 property owner disputes the lien, but it does incorporate the mechanic’s lien statutes, a
4 constitutional interpretation of NRS 444.520 would incorporate more provisions of NRS Chapter
5 108 than just NRS 108.245. Furthermore, the legislative history pertaining to NRS 108.2275
6 specifically states that the legislature designed the procedures for contesting a mechanic’s lien
7 with the preservation of due process rights in mind.

8 Finally, the Court will consider whether permitting the incorporation of multiple
9 provision of NRS Chapter 108 into NRS 444.520 is absurd. The Court does not find the
10 permissive application of multiple mechanic’s lien statutes to be absurd, as it is the only manner
11 of interpretation that preserves the customer’s ability to dispute a lien. After considering the
12 legislative history, legislative intent, and analogous statutory provisions of NRS Chapter 108, the
13 Court finds the NRS 444.520 incorporates the mechanic’s lien statutes to the extent that NRS
14 444.520 is silent on a procedure.

15 **IV. NRS 108.226 creates a statute of limitations to notice a lien.**

16 West Taylor argues that Waste Management has failed to follow the statute of limitations
17 outlined in NRS 108.226, which requires the notice of lien to be filed 90 days after the quarterly
18 billing went delinquent in 2007 or alternatively fifteen days after the billing went delinquent per
19 the *1994 Franchise Agreement*. Additionally, West Taylor argues that if Waste Management has
20 an indefinite amount of time after an account becomes delinquent to file the lien, then the general
21 statute of limitations provision in Nevada, NRS 11.190, would have no bearing on the case.

22 Waste Management contends that the NRS 108.226’s statute of limitations does not
23 apply. Alternatively, if the Court finds that NRS 108.226 does apply, Waste Management argues
24 that the 90 day period is not triggered by the date that that payment became delinquent, instead it
25 is triggered by the last date that services were rendered, which essentially resets every billing
26 cycle.

1 NRS 108.226 states:

2 "[t]o perfect a lien, a lien claimant must record a notice of lien in the office
3 of the county recorder of the county where the property or some part thereof
4 is located in the form provided in subsection 5: (a) Within 90 days after the
5 date on which the latest of the following occurs: (1) The completion of the
6 work of improvement; (2) The last delivery of material or furnishing of
equipment by the lien claimant for the work of improvement; or (3) The last
performance of work by the lien claimant for the work of improvement."

7 The clear language of NRS 108.226 provides Waste Management with the opportunity to supply
8 notice to its customers within 90 days after each billing cycle that becomes delinquent. Currently
9 Waste Management operates on a quarterly billing cycle, this means that a contract starting in
10 January would be billed at the end of March. Failure to pay the March garbage bill would cause
11 the account to fall in arrears at that time. Under the present system the customer would not be
12 notified of the missed payment until the next billing cycle in June; however, imposing the 90 day
13 requirement may encourage the garbage company to send out a "notice of lien" sooner or to
14 impose a shorter billing cycle. Generally speaking, bills are sent out prior to their due date,
15 which would also provide customers with a small window to cure the deficiency before the
16 notice period runs if the notice to lien had not already arrived. NRS 108.226 applies to the
17 garbage lien statutes because it was incorporated in NRS 444.520, and it does not conflict with
18 existing statutory language in the garbage lien enacting statute. Therefore, NRS 108.226 governs
19 how far back in time Waste Management is able to notice and record a garbage lien.

20 **V. After the lien is recorded it exists in perpetuity, but the statute of limitations**
21 **places a cap on the timeframe that the home may be foreclosed upon under**
22 **the lien.**

23 West Taylor argues that Waste Management failed to commence an action within six months
24 to foreclose the lien after notice of the lien is sent, therefore under NRS 108.233 the lien has
25 expired. Waste Management asserts that the language of NRS 444.520 can only be interpreted in
26 one reasonable manner, to mean that a garbage lien encumbers a property forever, or until it is
27 paid. Waste Management cites State v. Yellow Jacket Silver Min. Co. to argue that the lien
28 operates like a tax and remains attached to the land, but that the remedy of foreclosure may

1 expire with the statute of limitations. State v. Yellow Jacket Silver Min. Co., 14 Nev. 220, 232
2 (1879).⁹

3 NRS 108.233 states that a mechanic's lien shall not bind a property and shall expire after six
4 months. This language directly conflicts with the plain language of NRS 444.520 which states
5 that the filing of a garbage lien "constitutes a perpetual lien against the property served". Since
6 NRS 108.233 and NRS 444.520 both pertain to the same subject, how long a recorded lien will
7 exist, NRS 444.520 is controlling as the statute that is specific to garbage liens. The language of
8 NRS 444.520 is clear and unambiguous, and allows the lien to exist in perpetuity. In Wasson v.
9 Hogenson, the Court considered the language of a similar statute that provided that "until paid"
10 all charges will constitute a "perpetual lien" against the property served. Wasson v. Hogenson,
11 196 Colo. 183, 191 (1978). It found that "[u]ntil" is a functional word to indicate continuance
12 (as of an action, condition or state) up to a particular time. 'Perpetual' means continuing forever;
13 everlasting; eternal." Id. This Court adopts the definitions used in Wasson v. Hogenson and finds
14 that once a garbage lien is recorded it is perpetual.¹⁰

15 However, in Yellow Jacket, the Court also finds that even if a tax exists in perpetuity that the
16 remedy to enforce the collection of the tax may be barred by the statute of limitations. Id.
17 Nevada's "statute of limitations embraces all characters of actions, legal and equitable." White v.
18 Sheldon, 4 Nev. 280, 288-89 (1868). Statutes of limitations are generally adopted to serve the
19 individual and not for public policy, and they "[prevent] surprises through the revival of claims
20 that have been allowed to slumber until evidence has been lost, memories have faded, and
21 witnesses have disappeared." Petersen v. Bruen, 106 Nev. 271, 273 (1990). Accordingly, under
22 NRS 11.190, an "[a]n action upon a statute for a penalty or forfeiture, where the action is given
23

24 ⁹ West Taylor rejects Waste Management's contention that the garbage lien can be
25 equated to a tax and argues that lien is essentially an encumbrance on real property that requires
a forum for dispute resolution. But, West Taylor has elected not to completely brief the
constitutional arguments at this time.

26 ¹⁰ See also, N. Washington Water & Sanitation Dist. v. Majestic Sav. & Loan Ass'n, 42
27 Colo. App. 158, 160 (1979)(holding that a tap lien, which could be foreclosed in the same
28 manner as a mechanics' lien, did not have to abide by the six-month time limit required in the
mechanics' lien because it was inconsistent with the statutory language that "(u)ntil paid all . . .
charges shall constitute a perpetual lien on and against the property serve.")

1 to a person” must be brought within two years, except when the statute imposing it prescribes a
2 different limitation. In this case, the language of NRS 444.520 does not create a new statute of
3 limitations for foreclosing on a garbage lien nor does it specifically exempt the garbage lien from
4 the standard statutes of limitations found in NRS 11.190. Therefore, the two year statute of
5 limitations applies to Waste Management’s ability to foreclose, which protects the homeowner
6 from the revival of a lien several years after it was imposed.

7 In practice this means that if Waste Management properly notices a lien within the 90 days
8 required by NRS 108.226, it then has two years under NRS 11.190 to pursue the remedy of
9 foreclosure. Should Waste Management fail to foreclose upon the property within two years, the
10 lien will still exist but the remedy to recover the property through foreclosure will have expired.
11 Unless another remedy is available Waste Management will have to either wait for the customer
12 to pay or wait for the property to be sold to collect on its lien. Moreover, the legislative history
13 supports this interpretation of the applicable statute of limitations, because during the Assembly
14 hearing the Assembly Committee discussed at length the importance of providing a significant
15 opportunity for the homeowner to cure the garbage lien and ways to avoid unexpected
16 foreclosures. Accordingly, the Court finds that once a lien is recorded it lasts in perpetuity, but
17 that the ability to foreclose upon that lien expires after a two year statute of limitations.

18 ***VI. Conclusion***

19 The Court finds that there is no issue of material fact presented for consideration in the
20 motion for summary judgment, and that the questions before the Court must be determined as a
21 matter of law. Text, context, and history support the constitutionally sound reading of NRS
22 444.520 that permits the incorporation of NRS Chapter 108 mechanic’s lien statutes to the extent
23 that they govern lien foreclosure procedures not addressed by the language in NRS 444.520.
24 Furthermore, the 90 day notice of lien statute of limitations found in NRS 108.226 does apply to
25 garbage liens. After a lien is noticed Waste Management has two years to foreclose upon the

26 ///

27 ///

1 property, and after that time has lapsed the lien will last in perpetuity but leave Waste
2 Management without the recourse of foreclosure.

3 Based on the foregoing and good cause appearing,

4 IT IS HEREBY ORDERED that WEST TAYLOR'S Motion for Partial Summary
5 Judgment is DENIED in part and GRANTED in part. WEST TAYLOR's Motion for Summary
6 Judgment is GRANTED as to any claims for delinquent bills that WASTE MANAGEMENT
7 failed to notice within the 90 day window, but it is DENIED with regard to properly noticed
8 claims.

DEPT. NO.: 4

14 **ORDER DENYING DEFENDANTS' MOTION FOR PARTIAL RECONSIDERATION**

15 On July 28, 2014, the Court entered an Order denying in part and granting in part
16 Plaintiff West Taylor Street, LLC's (hereinafter "West Taylor") Motion for Partial Summary
17 Judgment. The Court granted West Taylor's Motion for Summary Judgment as to any claims for
18 delinquent bills that Defendants Waste Management of Nevada, Inc. and Karen Gonzalez
19 (hereinafter and collectively "Waste Management") failed to notice within the ninety (90) day
20 window, but denied the Motion for Summary Judgment with regard to the properly noticed
21 claims. On September 26, 2014, Waste Management filed *Waste Management of Nevada, Inc.'s*
22 *Motion for Partial Reconsideration of the Court's July 28, 2014 Order*. West Taylor filed an
23 *Opposition to Motion for Partial Reconsideration* on November 5, 2014. On December 1, 2014,
24 Waste Management filed *Reply in Support of Waste Management of Nevada, Inc.'s Motion for*
25 *Partial Reconsideration of the Court's July 28, 2014 Order*. Thereafter, the matter was
26 submitted to the Court for consideration.

27 DCR 13(7) provides that "[n]o motion once heard and disposed of shall be renewed in the
28 same cause, nor shall the same matters therein embraced be reheard, unless by leave of the court

1 granted upon motion therefore, after notice of such motion to the adverse parties.” WDCR 12(8)
2 requires that the rehearing of motions to be done in conformity with DCR 13(7). WDCR 12(8)
3 further provides in relevant part that “[a] party seeking reconsideration of a ruling of the court...
4 must file a motion for such relief within 10 days after service of written notice of entry of the
5 order or judgment, unless the time is shortened or enlarged by order.” The Nevada Supreme
6 Court has held that “[a] district court may reconsider a previously decided issue if substantially
7 different evidence is subsequently introduced or the decision is clearly erroneous.” Masonry and
8 Title Contractors Ass’n of Southern Nevada v. Jolley, Urga, & Wirth, Ltd., 113 Nev. 737, 741
9 (1997). Furthermore, arguments not raised in the original motion practice cannot be maintained
10 or considered in a motion for reconsideration. See Achrem v. Expressway Plaza Ltd. P’ship, 112
11 Nev. 737, 742 (1996); Chowdry v. NLVH, Inc., 111 Nev. 560, 562-563 (1995).

12 Waste Management asserts the clear and unambiguous language of NRS 444.520
13 permissively incorporates only the “manner . . . for the foreclosure of mechanic’s liens.” Waste
14 Management further argues interpreting NRS 444.520 to incorporate more than NRS 108.239
15 renders the legislature’s chosen language meaningless. In addition, Waste Management
16 contends Due Process does not require provisions other than NRS 108.239 to be incorporated
17 into NRS 444.520 and the ninety (90) day deadline to record a mechanic’s lien under NRS
18 108.226 is not triggered by a “delinquency” in payment. Lastly, Waste Management argues the
19 Court should apply a three (3) year limitations period to statutory garbage liens. In Opposition,
20 West Taylor argues NRS 444.520 is permissive only as to the manner of foreclosure and a ninety
21 (90) day limitation for the time to record a delinquent garbage lien is not inconsistent with NRS
22 444.520.

23 After examining the instant pleadings, and the underlying pleadings associated with the
24 July 28, 2014 Order, the Court finds that Waste Management is rearguing issues that the Court
25 has already decided. Waste Management contends that the determinations made by the Court in
26 the July 28, 2014 Order are wrong. However, Waste Management fails to assert any new law or
27 facts to support their arguments. Additionally, the Court finds that Waste Management has not
28 demonstrated that the Court’s July 28, 2014, Order was clearly erroneous. The Court finds that

1 the July 28, 2014 Order was supported by applicable Nevada law and is not appropriate for
2 reconsideration. Therefore, the Court finds that Waste Management's Motion must be denied.
3 See Masonry and Title Contractors Ass'n of Southern Nevada, 113 Nev. at 741; DCR 13(7);
4 WDCR 12(8).

5 Based on the foregoing and good cause appearing,

6 IT IS HEREBY ORDERED that Defendants WASTE MANAGEMENT OF NEVADA,
7 INC., and KAREN GONZALEZ' Motion for Partial Reconsideration of the Court's July 28,
8 2014 Order is DENIED.

WASTE MANAGEMENT OF NEVADA,

CASE NO.: CV12-02995

DEPT. NO.: 4

PARTIAL SUMMARY JUDGMENT

Plaintiff filed a second amended complaint on June 27, 2014 asking this Court to address the legitimacy of a Garbage Lien that was recorded by the Defendant and praying for a declaratory judgment concerning the statutory scheme of NRS 444.520. The second amended complaint echoes the first amended complaint with regard to the claims for relief that are the subject of a motion for partial summary judgment filed by Plaintiff on March 11, 2014. An opposition was filed by Defendants on March 28, 2014 and a reply filed by Plaintiff on April 11, 2014. Given the novel issues raised in the motion for partial summary judgment, the Court conducted arguments on April 23, 2014 and proceeded to render a decision on July 28, 2014. On September 3, 2014, Plaintiff submitted a second motion for partial summary judgment seeking to have the Court set forth in a judgment the order and decision of July 28, 2014 as requested in the second amended complaint to address the first and second claims in the second amended complaint. Defendant filed an opposition to the second motion for partial summary judgment on September 25, 2014 coupled with a motion to reconsider the decision of this Court on July 28,

1 2014. On February 6, 2015 this Court denied Defendant's motion for partial reconsideration at
2 which time Plaintiff's second motion for partial summary judgment was renewed with a reply
3 argument filed on May 13, 2015 and submitted to this Court for decision. The Court having
4 considered Plaintiff's second motion for partial summary judgment which motion was phrased
5 consistent with the decision and order of this Court of July 28, 2014 and consistent with the first
6 two claims for relief identified in the second amended complaint and there being no just reason
7 for any further delay for the entry of a declaratory judgment pursuant to Chapter 30 of the Nevada
8 Revised Statutes does hereby decree, adjudge and declare that a judgement be entered as follows:

9 1. A lien for unpaid garbage fees recorded pursuant to NRS 444.520 has a
10 time limitation of two years pursuant to NRS 11.190 by which the purveyor of the
11 lien is to pursue proceedings for foreclosure within the two year time frame from
12 the recording of the lien.

13 2. A recorded lien for unpaid garbage fees pursuant to NRS 444.520 shall be
14 for an amount that became delinquent no more than 90 days prior to the date of
15 the recording of the lien as required by NRSA 108.226 that is incorporated in
16 NRS 444.520.

17 3. The pursuit of a remedy for foreclosure of a garbage lien under NRS
18 444.520 will afford property owner's liened an opportunity to be heard and to
19 contest the legitimacy of the lien as provided by Chapter 108 of the Nevada
20 Revised Statutes.

21 Pursuant to the first and second claim for relief of the second amended complaint, a
22 judgment consistent with the foregoing is hereby be entered.

11 **MEMORANDUM OF POINTS AND AUTHORITIES**

12 **I. BASIS FOR SUMMARY JUDGMENT.**

13 Summary judgment is proper on the remaining claim for slander of title of Plaintiff
14 West Taylor Street, LLC ("WTS") because WTS cannot prove that WM made false
15 statements or acted with malice when it recorded the garbage liens on WTS's
16 properties.

17 Furthermore, summary judgment is appropriate as to Karen because Karen was
18 an employee of WM who was acting within the course and scope of her employment at
19 all times. Therefore, as a matter of law, Gonzales cannot be held individually liable for
20 WTS's remaining slander of title claim. Accordingly, this Court should grant Defendants'
21 motion for summary judgment in total.

22 **II. FACTUAL AND PROCEDURAL BACKGROUND.**

23 **A. PROPERTY OWNERS IN RENO MUST PAY GARBAGE FEES.**

24 This dispute arises from WTS's non-payment of garbage fees. Under WM's
25 various franchise agreements, WM has the right "to collect a garbage collection fee"
26 from homeowners. See **Exhibit 1**, ¶ 5.5 (Franchise Agreement WM 59-80).¹
27 Homeowners must pay these fees on a quarterly basis, and the fees are due on the first
28 day of each billing quarter. Exh. 1 at ¶ 5.6(ii).

¹ See also **Exhibit 2**, Affidavit of Greg Martinelli ("Martinelli Aff.") at ¶ 4.

1 In addition, the Franchise Agreement authorizes WM to charge a late fee on any
2 payments that were not paid by a homeowner on the first day of each billing quarter. Id.
3 at ¶ 5.6(iv). Further, the Franchise Agreement authorizes WM to charge interest on any
4 unpaid balance owed by a homeowner. Id.

5 Pursuant to the terms of the Franchise Agreement, Washoe County also
6 established the vacancy policy relating to how homeowners were billed for services in
7 the event a home would be vacant for a period of time (hereinafter the "Vacancy
8 Policy"). **Exhibit 3** (Vacancy Policy).² Pursuant to the Vacancy Policy, WM was
9 authorized to temporarily suspend garbage collection service to homes that are to be
10 vacant for more than 30 days. If the home would only be vacant for less than 30 days,
11 billing and collection services would not be suspended. Again, under the Vacancy
12 Policy, collection and billing services may be suspended for a period exceeding 30 days
13 only if the homeowner provides WM with specified beginning and ending dates of the
14 vacancy in advance of the vacancy. Exh. 3. Stated another way, there are two
15 conditions that a homeowner must satisfy to avoid incurring charges for garbage
16 collection services: (1) the homeowner must notify WM of the vacancy dates in
17 advance of the vacancy, and (2) the vacancy cannot be for less than 30 days.

18 In the present case, WTS failed to comply with the Vacancy Policy and was
19 charged for collection services. Id. Even though WTS failed to comply with the terms of
20 the Vacancy Policy, WTS refused to pay the incurred charges even though WTS was
21 legally obligated to pay such fees pursuant to the terms of the Franchise Agreement.

22 **B. WTS FAILED TO PAY ITS GARBAGE COLLECTION FEES.**

23 Again, the evidence in this case is undisputed that WTS did not pay all the fees
24 that it was required to pay under the requirements of the Franchise Agreement.
25 Instead, of paying all the late charges and interest accrued, WTS only paid its monthly
26 service fee and no more. WTS refused to pay all amounts due to WM.

27 In addition, the evidence is undisputed that WTS repeatedly failed to comply with
28

² Martinelli Aff., at ¶ 5.

1 the Vacancy Policy. When WM continued to bill for collections services due to WTS's
2 failure to comply with the Vacancy Policy, WTS again refused to pay all amounts due to
3 WM.

4 The foregoing undisputed facts establishing WTS's conduct are established in
5 the following timelines of WTS's payments for the two individual properties that are the
6 subject of this litigation: 345 West Taylor Street and 347 West Taylor Street. This
7 timeline conclusively demonstrates WTS's failure to pay for accrued late charges,
8 interest and other fees.

9 **1. 345 WEST TAYLOR STREET.**

10 6/27/2008 WTS pays WM \$42.03. **Exhibit 4**, p. 3 (WM billing data re 345
11 West Taylor Street).³ Because this payment was not made on
12 June 1, 2008, WTS was charged a late fee and its balance was
\$1.29. **Exh. 4**.

13 9/28/2008 WTS calls WM and informs WM that the property had been vacant
14 in the past and didn't want to be charged. **Exhibit 5**, p. 1
(Residential Customer Profile Sheet for 345 West Taylor Street).⁴
15 WTS's actions violate the terms of the Vacancy Policy. Even
16 though service was billed correctly, WTS violates the Franchise
17 Agreement and Vacancy Policy and refuses to pay for services
during the billing period June 1, 2008 through September 1, 2008
and begins to incur interest on those unpaid charges. **Exh. 4**, pp.
3-5.

18 4/5/2010 WTS calls WM and informs WM that the property is vacant.
19 **Exh. 5**, p. 2. WM informs WTS that WTS has a past due balance,
20 and will need to apply to Washoe County for an exemption to get
rid of the balance. Id. As of this date, WTS's balance was
\$448.49. **Exh. 4**, p. 5.

21 7/15/2010 WTS makes two payments in the amount of \$60.10. **Exh. 4**, pp. 5-
22 6. This brings WTS's balance to \$417.00. Id. at p. 6.

23 9/30/2010 WTS pays WM \$36.06 – the minimum quarterly service fee. Id.
24 WTS does not pay any of its past due balance, which is now
\$441.04 and accruing.

25 1/10/2011 WTS pays WM \$36.06. Id. WTS's balance is \$507.38. Id.

26 4/11/2011 WTS pays WM \$36.06. Id. at p. 7. WTS's balance is now \$598.12.
27 Id.

28 ³ Martinelli Aff., at ¶ 6.

⁴ Martinelli Aff., at ¶ 7.

1 7/11/2011 WTS pays WM \$36.06. Id. WTS's balance is now \$552.53.
2 9/30/2011 WTS pays WM \$36.06. Id. WTS's balance is \$562.06.
3 12/30/2011 WTS sends a letter to WM and informs WM that the property will be
4 vacant as of February 1, 2012. **Exhibit 6** (December 30, 2011
5 letter).⁵ WM received this letter on January 6, 2012. Exh. 5, p. 3.
6 WTS fully complies with the vacancy policy.
7 1/2/2012 WTS pays \$12.02 to WM. Exh. 4, p. 8. WTS's balance is \$715.93.
8 Id.
9 4/30/2012 WM notes that the home has been vacant, and credits WTS's
10 account for \$72.12. Id. This brings WTS's past due balance to
11 \$730.20. Id.
12 5/29/2012 WTS requests that WM resume garbage services on July 1, 2012.
13 **Exhibit 8** (May 29, 2012 letter).⁶
14 7/2/2012 WTS pays WM \$36.06. Exh. 4, p. 9. WTS's balance is \$781.92.
15 Id.
16 9/28/2012 WTS pays WM \$36.06. Id. WTS's balance is \$745.86. Id.
17 11/26/2012 WM files its lien against 345 West Taylor Street. **Exhibit 9.**⁷
18 12/2/2012 WTS files this action against WM for 347 West Taylor Street. See
19 Complaint.
20 6/24/2014 WTS amends its complaint to include 345 West Taylor Street. See
21 Second Amended Complaint.

22 As this timeline makes clear, WTS repeatedly failed to timely make its payments
23 and was charged late fees and interest. Exh. 4. During the majority of the time period,
24 while WTS only made the minimum monthly service fees and ignored its obligation to
25 pay the past due amounts. Id. WTS was notified of its past due amount in each bill that
26 it was sent. **Exhibit 10** (Invoices).⁸ WTS never paid the amount of the actual invoices
27 and refused to comply with the terms of the Franchise Agreements. See Exh. 10; Exh.
28 4.

2. 347 WEST TAYLOR STREET.

7/20/2007 WTS pays WM \$20.44. **Exhibit 11**, p.1 (WM billing data re: 347 West Taylor Street).⁹ After this payment, WTS has a past due balance of \$87.91 still remaining. Exh. 11.

1/9/2008 WTS pays WM \$34.35. Id. at p. 2. WTS's balance is now \$132.41. Id.

4/15/2009 WTS does not make its third quarter payment for 2008, and pays WM \$36.06 for the first quarter of 2009. Id. at p. 4. WTS's balance is now \$141.94. Id.

7/13/2009 WTS pays WM \$36.06. Id. WTS's balance is \$200.72. Id.

10/6/2009 WTS pays WM \$36.06. Id. at p.5. WTS's balance is \$209.48. Id.

1/18/2010 WTS pays WM \$36.06. Id. WTS's balance is \$218.53. Id.

5/19/2010 WTS calls WM and informs it that the property is vacant. **Exhibit 12**, p. 2 (Residential Customer Profile Sheet for 347 West Taylor Street).¹⁰ WM credits the account for \$18.03. Exh. 11.

9/22/2010 WM notes that the property is still vacant, and credits WTS's account for \$36.06. Exh. 11, p.6. WTS's outstanding balance is \$263.69. Id.

10/13/2010 WTS sends a letter to WM and informs it that it has a new tenant in the property. **Exhibit 13** (October 13, 2010 Letter).¹¹

October 20, 2010 WTS pays WM \$36.06. Exh. 11, p. 6. WTS's balance is now \$293.06. Id.

Nov. 17, 2010 WTS calls and informs WM that the property is again vacant. Exh. 12, p.8. WM again advises WTS of the Vacancy Policy, and informs WTS that it had a past due balance. Id.

Dec. 21, 2010 WTS sends a letter advising WM that the home is vacant, and WM assures that the vacancy credits were already applied for the quarter. Id. However, WM called WTS and informed it that even though the property was currently vacant, the past due amounts still needed to be paid. Id. at p. 4.

25 Taylor Street. Further, WTS failed to comply with the Vacancy Policy. See Exhs. 11-
26 12. WTS failed to timely make payments, and incurred late fees. Exh. 11. All past due

1 instead, it paid the minimum monthly service charge and ignored its accruing debt. See
2 Exh. 17; Exh. 11.

3 **C. WTS NAMED KAREN AS A PARTY TO ITS LAWSUIT.**

4 WTS named both WM and Karen as a party to this lawsuit. Karen is the WM
5 employee who signed the liens. See Exhs. 9, 16. Of dispositive note, WM's NRCP
6 30(b)(6) witness, David Stratton, testified that the scope of Karen's employment
7 included signing the lien. See **Exhibit 18**, p. 31:23-24 (Excerpts from the Deposition
8 Transcript of WM's NRCP 30(b)(6) witness) ("Q: Was [Karen] authorized to sign the
9 lien? A: Yes.").¹⁶

10 **III. STANDARD OF REVIEW.**

11 Summary judgment is appropriate when there is no genuine issue of material
12 fact, "and the moving party is entitled to a judgment as a matter of law." Wood v.
13 Safeway, Inc., 121 Nev. 724, 729, 121 P.3d 1026, 1029 (2005) (internal quotations
14 omitted); see also NRCP 56(c). Summary judgment is particularly appropriate to avoid
15 needlessly trying an issue at trial. McDonald v. D.P. Alexander & Las Vegas Boulevard,
16 LLC, 121 Nev. 812, 815, 123 P.3d 748, 750 (2005).

17 "While the pleadings and other proof must be construed in a light most favorable
18 to the nonmoving party, that party bears the burden to do more than simply show that
19 there is some metaphysical doubt as to the operative facts in order to avoid summary
20 judgment." Wood, 121 Nev. at 732, 121 P.3d at 1031 (internal quotations omitted).
21 Instead, the nonmoving party must demonstrate the existence of a genuine issue for
22 trial, and "is not entitled to build a case on the gossamer threads of whimsy,
23 speculation, and conjecture." Id. (Internal quotations omitted).

24 **IV. DEFENDANTS ARE ENTITLED TO SUMMARY JUDGMENT AS A MATTER**
25 **OF LAW ON THE SLANDER OF TITLE CLAIM.**

26 Defendants are entitled to summary judgment as a matter of law on WTS's
27 remaining slander of title claim because Defendants did not act with actual malice or
28 make any false statement regarding the money that WTS owes. "The requisites to an

¹⁶ Simons Aff. at ¶ 9.

1 action for slander of title are that the words spoken be false, that they be maliciously
2 spoken and that the plaintiff sustain some special damage as a direct and natural result
3 of their having been spoken." Rowland v. Lepire, 99 Nev. 308, 313, 662 P.2d 1332,
4 1335 (1983).

5 The evidence clearly demonstrates that WTS owed money to WM. The evidence
6 also establishes that WTS failed to comply with Washoe County's Vacancy Policy which
7 resulted in WM servicing WTS's properties and incurring fees. Exhs. 4-5, 11-12. WTS
8 also did not petition Washoe County to waive the fees. WTS failed to timely pay its bills
9 and incurred late fees. Id. Interest accrued on WTS's unpaid service charges and late
10 fees. Id. WTS never paid the actual amount on its invoices. See Exhs. 10, 17.
11 Instead, WTS obstinately only paid the minimum monthly service fees ignoring all the
12 other fees and charges WTS was obligated to pay under the Franchise Agreement.
13 Exhs. 4, 11. Accordingly, WM's statement that WTS owed money was not a false
14 statement when WM recorded the liens against WTS's property.

15 Further, even if WTS contends that it does not owe the exact amount claimed,
16 that contention still does not avoid the entry of judgment. Because WM is entitled to
17 charge WTS for services, late fees and interest under the Franchise Agreement,
18 seeking repayment of these amounts, even if in dispute, does not render WM's actions
19 fraudulent.

20 In addition, WM did not act with malice in recording the liens. "In order to prove
21 malice, it must be shown that the defendant knew the statement was false or acted in
22 reckless disregard of its truth or falsity." Rowland, 99 Nev. at 313, 662 P.2d at 1335.
23 "Where a defendant has reasonable grounds for belief in his claim, he has not acted
24 with malice." Id. WM's records demonstrate that WTS had a significant outstanding
25 balance for both properties at the times the liens were recorded. Exhs. 4, 11. Thus,
26 WM's statements were not false, were based upon WTS's billing and payment history
27 and cannot form the basis of any finding of "malice."
28

1 Furthermore, WM did not act with reckless disregard towards the truth of its belief
2 that WTS owed WM money. WM's records indicate that WTS did not comply with WM's
3 Vacancy Policy; and thus, WTS did not always timely notify WM of any vacancies as
4 WTS was obligated to do under the Vacancy Policy. Exhs. 5, 12. Because of WTS's
5 own failures WM was permitted to charge WTS late fees and interest on past due
6 amounts.

7 Finally, WM recorded its liens prior to this Court's order interpreting NRS 444.520
8 to include all of the additional requirements of NRS Chapter 108. Thus, WM did not act
9 with malice by failing to comply with these new Court imposed additional requirements
10 which were not contained in the statute. Accordingly, WTS cannot establish that WM
11 acted with malice and/or made a false statement. Therefore, summary judgment is
12 appropriate in favor of WM on WTS's slander of title claim.

13 **V. KAREN IS ENTITLED TO SUMMARY JUDGMENT AS A MATTER OF LAW**
14 **BECAUSE SHE CANNOT BE HELD INDIVIDUALLY LIABLE FOR SIGNING**
15 **THE LIENS ON BEHALF OF WM.**

16 Karen cannot be held individually liable because she was acting at all times
17 within the course and scope of her employment. "The general rule is that a principal is
18 vicariously liable for the authorized actions of [its] agent but not vice-versa." Couturier
19 v. Am. Invsco Corp., 10 F. Supp. 3d 1143, 1149 (D. Nev. 2014) (emphasis added).
20 Thus, "[a]n agent, absent fault on [her] part, cannot be vicariously liable for the wrongful
21 acts of [her] principal." Rookard v. Mexicoach, 680 F.2d 1257, 1261 (9th Cir. 1982).¹⁷
22 Here, as shown above, Karen was acting at all times within the course of her
23 employment at WM when the liens were executed. Accordingly, summary judgment in
24 favor of Karen is appropriate because she cannot be held individually liable.

28 ¹⁷ See also Com. ex rel. Corbett v. Snyder, 977 A.2d 28, 46 (Pa. Commw. Ct. 2009)
("Employees are not vicariously liable for the acts of their employer."); Lyon v. Morphew,
678 N.E.2d 1306, 1309 (Mass. 1997) ("Absent a common law or statutory duty, an
employee may not be held individually liable to a third person.").

1 **VI. CONCLUSION.**

2 For the foregoing reasons, Defendants respectfully request that this Court grant
3 their motion for summary judgment against WTS on its remaining claim for slander of
4 title. In addition, it is requested that the remaining claim of slander of title be dismissed
5 as against Karen since, as a matter of law, she has no liability under said claim.

2.2 Term. This First Amended Franchise Agreement is effective as of October 1, 1994, and shall continue in full force and effect for a term of fifteen (15) years thereafter. Upon expiration of the fifteen (15) year primary term, Reno Disposal shall have the right to extend the term of the franchise for an additional ten (10) year term. Said right and option to extend the term for an additional ten year term shall be exercised by Reno Disposal by giving written notice to the City of Reno at least six months prior to the expiration of the primary term, and provided that Reno Disposal, its successors or assigns, is not in default under any duty or obligation on its part to be performed under this Agreement.

2.3 Garbage Only. It is understood and agreed that this exclusive franchise is limited to the collection and disposal of "garbage" and does not include rubbish and waste matter, all as defined by Section 4.22.010 of the City of Reno Municipal Code.

2.4 Title To The Solid Waste Stream. The title to all of the solid waste stream and the property rights associated therewith for the collection and disposal of solid waste under this Agreement shall be the sole property of Reno Disposal.

For purposes of this Agreement, the transfer of title occurs at the time that solid waste is deposited by residential customers in containers and left at the curb for collection by Reno Disposal or is deposited by commercial customers in dumpsters or equivalent containers and left for collection by Reno Disposal.

III.

OBLIGATIONS OF FRANCHISE HOLDER

3.1 Equipment. Reno Disposal shall at its cost and expense, furnish a sufficient number of trucks and other equipment, including all drivers and workers required for the service, operation, and maintenance of said trucks and other equipment for the purposes of providing a regular and satisfactory garbage collection and disposal service in the areas covered hereby.

3.2 Sanitary Operation. Reno Disposal shall at all

times exercise diligence in the supervision of its personnel to the end that care is taken to deposit all garbage inside collection vehicles, leaving no evidence, bits or pieces of garbage or other waste matter upon any street, alley, walkway or other public place within the City. Collection vehicles shall be safe, adequate and clean, constructed in such a manner to be completely covered so as to prevent the sifting, spilling, dripping or blowing of any contents from the vehicle. Reno Disposal's collection equipment shall be modern, up-to-date, maintained in good repair, and reasonably water tight. The exterior of the equipment shall be kept clean and presentable and the interior shall be thoroughly cleaned after dumping each load.

3.3 Public Relations. Reno Disposal shall diligently exercise supervision and training of its personnel to the end that the public coming into contact with such personnel shall be treated decently and courteously at all times. All workers employed by Reno Disposal shall be prohibited from the use of profanity with the public and no drinking of alcoholic beverages shall be allowed, nor shall any employee be allowed to work while under the influence of alcohol, drugs, or other stimulants.

3.4 Sanitary Landfill. Reno Disposal shall be required to deposit all solid waste collected pursuant to this Franchise Agreement at an approved landfill site. For purposes of this Franchise Agreement, an approved landfill site is one holding a valid permit to permanently deposit municipal solid waste in accordance with all applicable laws and regulations of the United States, the State of Nevada, the Nevada Environmental Commission, and the Washoe District Board of Health.

The approved landfill must be one open to the public to the end that residents of the City of Reno will have a disposal site for trash and other items of solid waste not collected pursuant to this Franchise Agreement.

It shall be the sole responsibility of Reno Disposal to provide for the permanent deposit of solid waste collected pursuant to this agreement, in accordance with all applicable Federal, State and Local laws and regulations. Reno Disposal shall comply with this requirement by operating its own landfill or by entering into

5.

an agreement with the operator of a landfill which meets the requirements of this agreement.

3.5 Transfer Station. Reno Disposal shall be required to utilize an approved transfer station within the city limits of the City of Reno. The transfer station shall provide for the temporary collection and compaction of solid waste so that an economical method of transportation of solid waste to an approved landfill is utilized by Reno Disposal.

For purposes of this Franchise Agreement, an approved transfer station is one holding a valid permit for the temporary storage of municipal solid waste in accordance with all applicable laws and regulations of the United States, the State of Nevada, the Nevada Environmental Commission, and the Washoe District Board of Health.

The transfer station to be considered approved under this agreement must be open to the public, with rates for public dumping conspicuously posted, along with the hours of operation and the method of determining how rates will apply to the amount of material delivered for dumping.

It shall be the sole responsibility of Reno Disposal to provide for a transfer station meeting the requirements of this agreement. Reno Disposal may comply with this requirement by operating its own transfer station or by entering into an agreement with the operator of a transfer station which meets the requirements of this agreement.

In the event Reno Disposal elects to contract with the operator of a transfer station, located within the city limits of the City of Reno, then the transfer station shall not be an approved transfer station unless the operator agrees to pay to the City of Reno a "host community fee". The host community fee shall be equal to twenty nine cents (.29) per ton of all solid waste processed through the transfer station; provided, however, the host community fee shall not be less than one hundred thousand dollars(\$100,000)annually. The host community fee shall be payable monthly, commencing with the effective date of this agreement.

6.

8-8-94 10:30

WM000064

JA0324

The host community fee shall be subject to annual increases based upon the percentage of change in the Consumer Price Index, All Urban Consumers, U.S. City Average-Other Utilities and Public Services (1982=100) ("CPI") as published by the Bureau of Labor Statistics, Washington, D.C. commencing with the index for June, 1994. The first adjustment for the period June, 1994 to June, 1995, shall be made effective as of October 1, 1995, and the community host fee shall be adjusted annually thereafter in the same manner as rates are adjusted under paragraph 5.3 hereof (including the provision for a maximum and minimum CPI adjustment).

In the event Reno Disposal utilizes the facilities of more than one transfer station located in the City of Reno then the host community fee shall be computed based on the combined volume of solid waste processed through all such transfer stations; provided, however, that the one hundred thousand dollar minimum shall apply to the combined volume of solid waste so processed and not to individual transfer stations.

It shall be the responsibility of Reno Disposal to collect the host community fee and deliver the fee to the City of Reno on a monthly basis. It shall also be the responsibility of Reno Disposal to verify and confirm that the transfer station is using verifiable methods for weighing solid waste processed through the transfer station.

3.6 Garbage Service. Reno Disposal shall make available garbage service to the residents of the City at all times and remove in an expeditious manner all garbage within the City in accordance with the terms of this Agreement.

4.1 Franchise Fee. From the effective date of this First Amended agreement, Reno Disposal, its successors and assigns, shall pay to the City of Reno, in monthly installments, a franchise fee in an amount equal to seven percent (7%) of the "gross receipts" collected by Reno Disposal in accordance with this agreement. City of Reno reserves the right to increase the amount of the franchise fee, which increase shall be in addition to the rates determined under paragraph 5.4 hereof.

4.3 Record Keeping. During the life of this Agreement, Reno Disposal shall keep full, true, and correct books, records, and accounts, establishing the identity and number of customers served by it, and the amount of its gross monthly receipts which said books, records, and accounts shall at all times be open to inspection by the duly authorized representatives of the City of Reno during regular business hours. Further, Reno Disposal shall furnish to the City of Reno monthly a statement of all its gross receipts attested as being correct by a representative of Reno Disposal duly authorized to do so.

V.

GARBAGE COLLECTION RATES AND PROCEDURES

5.1 Right to Collect. For and in consideration by Reno Disposal or the obligations on its part to be performed hereunder, Reno Disposal shall be entitled to charge its customers a fee or rate for all services rendered hereunder.

5.2 Mandatory Use of Garbage Services Within the City. The City of Reno shall enact an ordinance providing that each

individual, firm, association, corporation, partnership, business, or other entity which accumulates or causes the accumulation of garbage, as defined by the Reno Municipal Code, upon any premises within the City of Reno shall subscribe to the collection, hauling and disposal of garbage pursuant to the provisions of this Agreement and the Reno Municipal Code.

For purposes of determining whether garbage must be subscribed to in accordance with the provisions of the Reno Municipal Code, it is presumed that every single family dwelling, any building containing rooms for sleeping and overnight accommodations, every building or dwelling unit with a kitchen facility, and every business which permits food and drink to be sold, served or consumed on the premises is accumulating or causing the accumulation of garbage upon the premises. Any owner or occupant of dwelling units or business establishments desiring to be exempt from garbage service or claiming that garbage is not being accumulated upon the premises, must have the written approval of the District Health Officer, which approval shall not be granted except upon the showing that garbage, as defined by Section 10.08.010 of the Reno Municipal Code, is not being accumulated upon the premises and that no attempt is being made to haul, bury or otherwise dispose of garbage in violation of Chapter 10.08 of the Reno Municipal Code. The District Health Officer shall determine all questions as to whether waste materials are putrescible and therefore garbage or are rubbish and waste material as defined in Section 10.08.010.

5.3 Establishing Rates and Adjustments. The Rates to be charged by Reno Disposal to subscribers shall be established by City of Reno Ordinance within the guidelines described in this subparagraph and subparagraph 5.4 hereof. The rates established by the City Council as of the effective date of this Amended Agreement are set out in Exhibit "A" and incorporated herein by reference.

The rates in effect as of the effective date of this Amended Agreement, and all rates established by the City Council hereafter shall be subject to annual increases based upon the percentage of change in the Consumer Price Index, All Urban Consumers, U.S. City Average-Other Utilities and Public Services (1982=100) ("CPI") as published by the Bureau of Labor Statistics,

Washington, D.C. commencing with the index for June, 1993, being the base period for purposes of making adjustments.

The first adjustment shall be made effective as of October 1, 1994, and shall be based upon the CPI increase for the period June, 1993 to June, 1994, and rates shall be adjusted in the same manner annually thereafter. In addition, on October 1, 1994 an additional 2% increase will be made to account for the franchise fee increase to 7% set out in paragraph 4.1 hereof.

Adjustments in accordance with the CPI shall be subject to the following qualifications:

a) Rates adjusted in accordance with the CPI shall not be greater than six percent (6%) nor less than zero percent (0%) in any one year regardless of the percentage change in the CPI; and

b) In the event Reno Disposal obtains a return on revenues (as defined in paragraph 5.4 hereof) that averages more than eight percent (8%) per annum, using a 3-year rolling average, then the company will not be entitled to make a cost of living adjustment for the immediately succeeding year, and continually thereafter so long as the 3-year rolling average of return on revenues exceeds 8%.

Rates adjusted in accordance with the consumer price index as described herein shall not include the rate for recycling which is described in Article VI hereof.

5.4 Rate Review. Notwithstanding the method of establishing rates as described in subparagraph 5.3 hereof, the parties agree that Reno Disposal shall be entitled to collect a just and reasonable rate from all subscribers to the services rendered in collecting and disposing of garbage, rubbish and waste matter under this Agreement. In establishing rates, the City of Reno and Reno Disposal agree:

- (i) Reno Disposal shall be entitled to a fair return on revenues. Return on revenues is hereby defined as the ratio of net

10.

8-8-94 10:30

income to gross revenues. Net income is arrived at by deducting all expenses (including taxes) from gross revenues.

- (ii) Rates shall be reviewed by the parties periodically and rates may be adjusted so as to allow Reno Disposal to recover its reasonable costs of operation and receive a fair return on revenues. It is the intent of the parties that the rate adjustment shall be made by the City of Reno after due consideration of both the rights of the public to be served at a fair and reasonable charge and the right of Reno Disposal to a fair return on revenues.

5.5 Establishing Rates. Reno Disposal shall be entitled to collect a garbage collection fee based upon the following criteria:

- (i) The charge for weekly collection, hauling and disposal of garbage for every single family residence shall be for one "designated container". A "designated container" as defined by Section 10.08.060 of the Reno Municipal Code shall be equal to a container not to exceed a capacity of 32 gallons and 75 pounds in weight, or be a container approved by the franchise holder. The rate for residential service includes one designated container for garbage.

- (ii) The residential rate for each "designated container" shall include, at no additional cost, the removal of one cubic yard of rubbish or waste matter, provided that the same is secured in the manner set forth in Chapter 10.08.010 and placed behind the curb or on the edge of the alley by 7:00 a.m. on the regular

collection day.

(iii) The franchise holder shall collect garbage more frequently than once a week, and the public shall be required to subscribe to more frequent service, in order to prevent unlawful accumulations (as determined by District Health Officer) of garbage, rubbish or waste matter as defined by City of Reno Ordinances.

(iv) When requested, the franchise holder shall provide more frequent collections on a regular basis, and the rate for such additional collections shall be in accordance with the rate for special, intermittent or isolated services as set forth in the City of Reno Ordinances.

(v) The franchise holder shall collect garbage once a month at residences, versus once a week, for those persons who apply with the franchise holder for a permit allowing garbage collection only once per month. The permit shall be allowed only upon approval by the District Health officer.

(vi) The residential rate charged by the franchise holder shall require that the designated container, along with the permissible amount of rubbish and waste matter, be placed behind the curb or on the edge of the alley by 7:00 a.m. on the regular collection day. The franchise holder shall be entitled to collect an additional charge as set forth in Section 4.26.070(1) of the City of Reno Ordinances for any additional containers of garbage, rubbish or waste matter which would be in addition to the regular residential service.

(vii) All multiple dwelling buildings, including but not limited to, duplexes, apartments, condominiums, cooperatives, mobile homes and trailer parks, and any other building or businesses containing multiple dwelling units which buildings are not a single family dwelling unit, and an additional charge for each dwelling unit requesting additional containers or services; provided, however, an owner of a multiple dwelling building or business, by using dumpsters or equivalent containers, may make application to the franchise holder to be charged in accordance with the rates for business establishments.

(viii) Commercial rates shall apply to each business establishment, public building or place, and also buildings of a commercial nature containing dwelling units or living accommodations of a temporary or transient nature, including but not limited to motels, hotels, boarding houses and rooming houses.

(ix) The District Health Officer, upon application of either the franchise holder or any owner requesting service, shall have the power and authority to determine whether the service requested by an individual or business establishment is adequate to prevent the unlawful accumulation of garbage or to prevent a health hazard or nuisance.

5.6 Billing Procedures. Reno Disposal shall be entitled to adopt and enforce the following billing procedures:

(i) The application of residential rates as provided by Reno Municipal Ordinance shall be collected by Reno Disposal whenever there is an accumulation of garbage on the premises as defined by City of Reno Ordinances, regardless

13.

8-8-94 10:30

WM000071

of the amount of such accumulation. Reno Disposal may establish procedures for discounting billings to those premises which may be vacant or unused. Such procedures shall be reviewed and approved by the City.

(ii) Billing for residential service shall be in advance for the charges allowed by City Ordinance on a quarterly basis, and such charges shall be due and payable on the first day of each billing period. The bill or charge for residential service shall be delinquent if not fully paid on the last day of each quarterly period.

(iii) The franchise holder shall bill for commercial service in advance on a monthly basis, and such charges shall be due and payable on the first day of each billing period. The bill or charge for commercial service shall be delinquent if not fully paid on the last day of each monthly period.

(iv) In case any person shall fail to pay the charges for residential or commercial service, within 15 days after the same become delinquent, the franchise holder shall be entitled to charge interest on such delinquent accounts at the same rate charged for delinquent sewer fees.

(v) All charges and penalties provided for in the franchise shall constitute a debt and obligation of the owner or reputed owner of the real property upon which is located any single family dwelling, multiple dwelling building, or business establishment as shown on the records of the Washoe County Assessor's Office.

Any owner of real property as shown on the

Washoe County Assessor's records may request that billings be directed to tenants or temporary occupants of premises, but in no event, shall such designation relieve the owner of the real property from the primary obligation to pay the debt and obligation for garbage collection service to the premises.

5.7 Reno Disposal shall be authorized to establish procedures for collecting delinquent accounts, including the right to collect security deposits. Such procedures shall be reviewed and approved by the City.

5.8 Dumpsters. Reno Disposal shall not place any "dumpsters" or other large mobile receptacles in the public right-of-way without the user obtaining a permit from the City of Reno. Dumpsters which have lids which can be locked shall be made available to all commercial users who request such containers at a special service charge set forth in the Reno Municipal Code.

5.9 Service to City of Reno Facilities. During the term of this Agreement, the franchise holder agrees to collect and dispose of all garbage, rubbish and waste matter without cost or charge, at all buildings, parks and other facilities owned by the City of Reno. Reno Disposal shall also allow the public to dispose of rubbish and waste matter free of charge, at the City sanitary landfill site (unless such landfill site has been closed), for a period not to exceed ten (10) days, as a part of the annual "spring cleanup campaign" supported by the City of Reno and Reno Disposal.

5.10 Senior Citizens. The franchise holder shall provide for a special rate for senior citizens upon terms agreeable to the City of Reno as set forth in the Reno City Ordinances.

Waste Management Vacancy Policy

Who is eligible for a vacancy credit? If your home is to be vacant more than 30 days (for example, due to vacation, sale, etc.) and you will not be producing household waste you can apply for a temporary suspension in service.

What do I need to do to apply? Waste Management will grant suspension of billing for periods of longer than 30 days; provided that the subscriber contacts us with specified beginning and ending dates for the period being requested and makes the request *in advance*. The preferred notification method is via phone call, and must be received by Waste Management for each vacancy period that is being requested. However, in any case, the period may not be less than 30 days.

What if I forget to call in advance? Requests for vacancy adjustments not received in such timely manner will be granted on a one time only basis for each individual subscriber, without documentation. Adjustments granted under this method shall not, under any circumstances, be for a period of more than 90 days. Subsequent adjustments for any individual subscriber will not be granted unless the request is made in advance.

What if I have a tenant who moves out and does not notify me? The landowner is responsible for all billing that occurs on the property regardless of who is living there.

Who sets this policy? This policy is part of the franchise agreement between the Washoe County and Waste Management. The franchise agreement specifies: "As a result of a vacancy, a subscriber to the services of the contract holder may, by written, telephone, or personal notice to the franchise holder, suspend collection services for a period of not less than 30 days, and the contract holder shall not bill the subscriber for the period of suspension. The subscriber shall notify the contract holder when collection service is to be resumed."
