Defendant does not meet the requirements of NRS 176.0918(3)(b) because there does not exist a reasonable possibility that Petitioner would not have been convicted if exculpatory results had been obtained. Additionally, Petitioner previously raised the issue of DNA testing by filing a Motion for Release of DNA Evidence Under Nevada Open Records Act on December 16, 2003. On January 5, 2004, the court DENIED the motion on the merits because the Petitioner admitted during trial that he had consensual sex with the victim. As this issue has previously been decided on the merits, instant Petition is barred by the law of the case. NDC CLERK'S NOTE: The above minute order has been distributed to: Roy D. Court stated the Defendant represents himself, is not present, and in his absence, the Court will not have argument but will rule based on the papers on file. - Petitioner submitted a Post-Conviction Petition requesting genetic marker testing pursuant to NRS 176.0918. Defendant does not meet the requirements of NRS 176.0918(3)(b) because there does not exist a reasonable possibility that Petitioner would not have been convicted if exculpatory results had been obtained. Additionally, Petitioner previously raised the issue of DNA testing by filing a Motion for Release of DNA Evidence Under Nevada Open Records Act on December 16, 2003. On January 5, 2004, the court DENIED the motion on the merits because the Petitioner admitted during trial that he had consensual sex with the victim. As this issue has previously been decided on the merits, instant Petition is barred by the law of the case.

- Court stated the Defendant represents himself, is not present, and in his absence, the Court will not have argument but will rule based on the papers on file. Court noted Defendant calls his pleading a Motion for Judgment on the Pleadings and it appears he just wanted to know what happened with his prior motion for return of seized property. Court stated there was hearing on that matter on January 18, 2017, at which time the Court denied the motion and the Order was filed on March 21, 2017, after the instant motion was filed. COURT ORDERED, the Clerk to provide a copy of the March 21, 2017, Order to Defendant, and DENIED any other relief.

- Court noted Mr. Moraga was in the Nevada Department of Corrections and was not transported. In his absence, the Court will not hear argument but will rule based on the papers. COURT ORDERED, Motion to Correct Illegal Sentence DENIED, as it is barred by the law of the case. Court noted Defendant previously requested the same relief on the same grounds which was previously denied and affirmed on appeal. Additionally, there are very limited circumstances under which a motion can be filed and they don't apply here. The sentence imposed was not illegal, nor was it based on any misunderstanding regarding Mr. Moraga's criminal history.
