DETAILS

My wife, Twyla M. Stanton, and I let her parents, Robert & Carmen Crawford stay at our residence from February 2017 to May of 2017. They stayed at our residence at 7088 Los Banderos Ave. Las Vegas, Nevada 89179-1207 for approximately 10 to 11 weeks while they were in Las Vegas, Nevada. My wife and I felt that they were over staying their welcome so we asked them to kindly leave. They were meddling with the raising of our children were just hoked up in the room & restroom that we provided for them while they were in our home. Well they refused to leave because they stated that they now live here because they receive mail at our residence. We called the police several times, however, Metro said that it was a civil matter and that we would have to legally evict them. The police were called again when they stole our vehicle and hid it from us. Metro told them to return

the vehicle back to the residence and they finally did. They ended up staying one more night at our residence before they finally left our residence. However, before they left our residence, they ended up causing damage to our home and stealing some valuables. The damage that was caused to the residence and the valuables that were taken are estimated to be about \$3000.00. I have provided pictures of the damage done to the home. They took the breakers from the breaker boxes for the AC/Heating units so our AC units were not working for about 2 months during the heat wave of the summer. Both breaker boxes have to be replaced and that cost is estimated to be about \$1,200.00 in damage. I have both AC/Heating units hard wired temporarily until I can pay to have the breaker boxes replaced. They also ripped our carpet. Picture is provided it looks like they used some type of knife to rip & tear the carpet. They also damaged the bedroom door to the room they were staying in. They punched & kicked the door down and broke it off the hinges. Pictures are provided. They also damaged the microwave in our kitchen. Robert Crawford in a fit of rage punched and broke the top part of the microwave. That was witnessed by my wife and our children. Pictures are provided. They also stole \$500.00 worth of my work tools that I use for work. I had to pay and replace all of the tools before I returned to work since I am a journeyman ~~an~~ electrician.

3.) Previous contacts with the State Bar of Nevada: None, however, my husband filed a complaint regarding these same 2 attorneys regarding ex parte communication, Grievance File #OBC19-0130/Christopher F. Owen, Esq.

4.) Connection to attorneys: This law firm represented me, Twyla Marie Stanton, in the past in previous cases which were Case No.: D-16-540966-D and Case No.: D-16-541006-D in which both cases were consolidated under Case No.: D-16-540966-D and both cases were subsequently dismissed. They were also appointed to represent me in Case No.: D-17-558626-S in which this case was also dismissed and then they tuned around and represented my parents, Robert and Carmen Crawford, in Case No.: CV-39304 in Pahrump, Nevada in the Fifth Judicial District Court in Nye County against my interests in which I will speak and write in further detail below in the explanation.

6.) Litigation: This complaint involves the litigation in the Matter of Twyla Marie Stanton (First Joint Petitioner/Plaintiff), however, **it is really the Ex-Temporary Co-Guardians, Robert and Carmen Crawford vs. Dennis Vincent Stanton (Second Joint Petitioner/Defendant)** in Case No.: CV-39304 in Department No.: 2 in the Fifth Judicial District Court in Nye County which is located in Pahrump, Nevada.

7.) Explanation of Grievance: The case and the explanation are difficult to explain yet are very simple once you understand it, however, it is in regards to a DIRECT CONFLICT OF INTEREST regarding Charles C. Lobello, Esq. and Christopher F. Owen, Esq. who were my previous attorneys. If you look at Jamie S. Kent, Esq.'s Opposition Fifth Point Page 05 Lines 21-28 and Page 06 Lines 1-25 he explains the CONFLICT OF INTEREST very beautifully and better than I could. I have highlighted the explanation of the CONFLICT OF INTEREST for you in the Opposition for your review and will try to provide more detail further below.

So basically, Charles C. Lobello, Esq. and Christopher F. Owen, Esq. were my previous divorce attorneys. Mr. Owen was my attorney who would go to Court with me and Mr. Lobello was my Case Manager at the time who I would deal with in their office regarding any and all information that involved my case and any documents that I was required to sign. They represented me in 4 Court Hearings regarding a Compliant for Divorce in Case No.: D-16-540966-D and Case No.: D-16-541006-D and both cases were consolidated under Case No.: D-16-540966-D as I have stated before.. The 4 Court Hearings were held on November 08, 2016, February 02, 2017, February 09, 2017, and March 16, 2017 in the Eighth Judicial District Court Family Division in Clark County, Nevada in Department J.

My parents, Robert and Carmen Crawford (the Ex-Temporary Co-Guardians), were trying to obtain Guardianship of me in order to set aside the Joint Petition for Divorce and the Decree of Divorce that I signed and notarized because they were unhappy with the terms of the Decree of Divorce. They had paid a large sum of money to pay for the First Divorce Action (Case No.: D-16-540966-D & Case No.: D-16-541006-D which were consolidated) and were trying to use the Guardianship process to obtain repayment of that money. This was their true motivation to gain control of me and Mr. Lobello and Mr. Owen were helping and assisting them in doing so. You see by obtaining Guardianship of me and having control over my person and estate they would be able to set aside the Joint Petition and the Decree of Divorce and thus pay

themselves back for any and all money they spent in the First Divorce Action all with the assistance of my previous attorneys. I believe the total amount spent on the First Divorce Action by the Ex-Temporary Co-Guardians was approximately \$45,000.00. At this time, I was visiting and staying in Conway, Arkansas. I did not want anybody to have Guardianship of me since I am a 33 year old woman and mother of 6 children and have never been in need of a Guardian. So, in order to fight and oppose the Guardianship, I retained my own counsel, Ron L. Goodman, Esq., in Arkansas to oppose and fight the Guardianship. Well anyways, they never received full or permanent Guardianship and no letters of Guardianship were ever issued. The Temporary Co-Guardianship was subsequently dismissed mostly due to the fact that I retained counsel and challenged the Guardianship very aggressively.

In the meantime, while I was against, opposing, and fighting the Guardianship in Arkansas through my attorney, Ron L. Goodman, Esq., the Ex-Temporary Co-Guardians retained and hired attorneys in Clark County, Nevada to file a motion to set aside the Joint Petition for Divorce and the Decree of Divorce in Nye County which is located in Pahrump, Nevada where the Decree of Divorce was issued and granted. Those attorneys just happened to be my same previous divorce attorneys, Charles C. Lobello, Esq. and Christopher F. Owen, Esq. who had represented me in Case No.: D-16-540966-D and Case No.: D-16-541006-D which were consolidated once again under Case No.: D-16-540966-D.

I was at odds with the Ex-Temporary Co-Guardians about the Guardianship, but then my previous attorneys were now representing the Ex-Temporary Co-Guardians against me, my wishes, and my interests. My interests were materially adverse to the Ex-Temporary Co-Guardians. My previous attorneys put the interests of the Ex-Temporary Co-Guardians above my own interests. **I never gave Charles C. Lobello, Esq. or Christopher F. Owen, Esq. informed consent either verbally or in writing to represent the Ex-Temporary Co-Guardians nor did they ever seek permission from me to do so. They still had a duty to me as their former client to not represent clients whose interests were materially adverse from my own interests. They also used information about me that related to their previous representation of me in a disadvantageous way that left me very distraught, uneasy, and very negatively impacted thus also breaking Rule 1.6 as well.**

By my previous divorce attorneys, Charles C. Lobello, Esq. and Christopher F. Owen, Esq., now representing the Ex-Temporary Co-Guardians against me left me in a very odd and awkward position. I could no longer turn to my previous attorneys for legal advise or legal counsel or hire them again because they were now representing parties that were against and adverse to my interests and also the fact and fear of anything that I said to them would be used against me in Court in the future and would be told to the Ex-Temporary Co-Guardians who I was opposing and fighting in Court regarding the Guardianship.

Another thing that really bothered me was the fact they made it look, seem, and implied in their Motion and Court papers and pleadings that they were

representing me and my interests, however, they were not in any way doing so and nothing is further from the truth. They were representing the Ex-Temporary Co-Guardians and their interests and not me or my interests. I never even spoke, talked, or consulted with them about representing me in Case No.: CV-39304. I never hired, retained, contracted, agreed nor did I ever give them consent in any way, shape, or form for them to represent me in this particular case (CV-39304) or did I ever agree for them to represent the Ex-Temporary Co-Guardians against me in this matter. **If you look and review their retainer fee agreement for this case (CV-39304), you will see and notice that I did not retain them and that the Ex-Temporary Co-Guardians, Robert and Carmen Crawford retained them instead.** And also mostly everything that Mr. Lobello and Mr. Owens wrote and stated in their Motion to set aside the Decree of Divorce was simply not true and fabricated. Most of it was absurd and just plain false and I never consulted with them or ever spoke to them regarding the Motion they filed on behalf of the Ex-Temporary Co-Guardians in Nye County. The Ex-Temporary Co-Guardians and Mr. Lobello and Mr. Owen basically just made it all up without any proof whatsoever.

The Ex-Temporary Co-Guardians had first contacted and sought representation from their attorney, Rhonda K. Forsberg, Esq, who they had used before, however, she declined to represent them and take the case due to her own various reasons so they then contacted my previous divorce attorneys and subsequently they agreed to take and handle the case for a set retainer. Go figure.

In their Motion to the Court, Charles C. Lobello, Esq. and Christopher F. Owen, Esq., my previous attorneys, made and said very cruel and distraughtful and disturbing things about me, their previous client. They said that I had an "IQ of 69" and had "reading and comprehension levels of (at best) a 3rd grader". They said and called me a "pawn -- a straw-person". That "documents signed by Twyla (me), that my signature does not connote understanding or agreement." That I have the "capacity of a grade-school child." That I have "the reading comprehension of a 2nd grader and the reading skills of a beginning 3rd grader." That I am "cognitively slow and easily taken advantage of." That I "could not have understood what she (I) was signing." That "her (my) cognitive and adaptive skills are significantly below average." They even called me "feeble-minded" and "even mildly retarded." They wrote all of this in their Motion to the Court about me and for the benefit and on behalf of the Ex-Temporary Co-Guardians who they were now representing. **They demeaned, disgraced, and degraded me all for a retainer fee of \$3,200.00 from Robert and Carmen Crawford. Is this what a normal attorney or attorneys would say and write about and treat their previous client or clients? I hope not!!!**

Mr. Lobello and Mr. Owen said and wrote all of this about me in their Court papers, but then those same attorneys write and complete a COMPLAINT FOR DIVORCE & UCCJA DECLARATION (with children) for me on October 11, 2016. I read and understood the document and signed the VERIFICATION ON PAGE 04 OF 04. I have included the document for your review. You can also see where on PAGE 02 OF PAGE

04 ON PARAGRAPH 04, Mr. Owen and Mr. Lobello write and state that "Plaintiff (Twyla) is a fit person." So, which is it? Am I stupid or am I fit?

I have also enclosed a GENERAL FINANCIAL DISCLOSURE FORM that Mr. Owen and Mr. Lobello completed for me as well for your review. You can see on PAGE 07 OF PAGE 08 that I signed the CERTIFICATION acknowledging that I understood what I was signing by my signature.

I have also included a MOTION AND NOTICE OF MOTION FOR ORDERS FOR TEMPORARY CUSTODY, TEMPORARY VISITATION, TEMPORARY CHILD SUPPORT, TEMPORARY ALIMONY, EXCLUSIVE POSSESSION OF MARITAL RESIDENCE, AND PRELIMINARY ATTORNEY'S FEES for your review. On PAGE 13 OF PAGE 13, you will see where I signed the VERIFICATION stating that I read and understood the entire foregoing Motion and the contents thereof by my signature.

I have also included a STIPULATION AND ORDER FOR VOLUNTARY DISMISSAL OF CASES for your review as well. ON PAGE 02 OF PAGE 03, you will see where I signed the document acknowledging the dismissal of the Case along with the Plaintiff, Dennis V. Stanton, The Intervenors, Robert and Carmen Crawford, and Judge Rena G. Hughes' signature. And then on PAGE 03 OF PAGE 03, you will see where all of the parties' attorneys signed the document as well. You will also notice that the Intervenors, Robert and Carmen Crawford, retained their own counsel, Rhonda K. Forsberg, Esq., in order to intervene in the Case and did not use my attorneys at this time.

So, Mr. Lobello and Mr. Owen **cannot** have it both ways by saying, stating, and writing in Court papers and pleadings that I did know and understand what I was signing and doing when it benefits them and then turn around and those same attorneys who used to represent me turn around and say that I didn't know what I was signing and doing and basically calling me stupid and dumb in another Court. Now, if it was other and different attorneys, I can understand that, but not my own and previous attorneys who had represented me in the past in previous Court Hearings and Proceedings and whom I had retained before to help me in previous legal matters.

Regarding Judge Hughes' Minute Order in which she stated that I had a "diminished mental capacity", I refuted her statements by filing an Affidavit with the Court denying all of her allegations and accusations against me. I have enclosed the Affidavit for your review. I contend that Judge Hughes is not a psychiatrist, psychologist, or a specialized doctor in medicine or in behaviour sciences nor has she ever personally examined or interviewed me herself and I argue that it is beyond the scope of her expertise. Judge Hughes also never held an Evidentiary Hearing or a Capacity Hearing on the matter and just took it upon herself to state her opinion without any actual or factual proof whatsoever. Mr. Lobello and Mr. Owen just ran with Judge Hughes' statements about me in their Motion on behalf of the Ex-Temporary Co-Guardians and not once did they mention my filed Affidavit to the Court refuting her statements about me in their Motion. Even if it proven in the future that I have or even if I do have a "diminished mental capacity", Mr. Lobello and Mr. Owen still had a duty to their former client (me) to not

represent another person in the same or substantially related matter in which that person's interests are materially adverse to the interests of the former client (me) thus also breaking Rule 1.14 of The Nevada Rules of Professional Conduct.

Mr. Lobello and Mr. Owen knew that there was a DIRECT CONFLICT OF INTEREST and still made the conscious decision and willful intent to proceed with the case knowing and fully understanding that there was a DIRECT CONFLICT OF INTEREST. Maybe they didn't want to give back the thousands of dollars in a retainer fee they had received from Robert and Carmen Crawford and maybe they already spent it. I don't know, I can only guess and speculate at this point, however, when it was made known and aware to them that there was a DIRECT CONFLICT OF INTEREST, the proper thing to have done would have been to withdrawal or give back the retainer fee and let Robert and Carmen Crawford hire and retain other and different attorneys, however, none of that was done. Please review the timeline below:

On Tuesday, November 27, 2018, Mr. Lobello and Mr. Owen filed their Motion with the Court to set aside the Joint Petition for Divorce and the Decree of Divorce in Nye County.

On Thursday, December 06, 2018, I through my attorney, Ron L. Goodman, Esq., filed the Response to Petitioner's Petition For Appointment as Co-Guardians challenging the Co-Guardianship which gave rise to the DIRECT CONFLICT OF INTEREST. At this time when the challenge to the Co-Guardianship was made by me and my counsel should Mr. Lobello and Mr. Owen have withdrawn their representation of the Ex-Temporary Co-Guardians. **It was willful and malicious intent on their part to continue to do so.**

On Wednesday, December 26, 2018, Dennis filed his Opposition to the Motion challenging the Motion and by and through his attorney, Jamie S. Kent, Esq. explained to the Court and Mr. Lobello and Mr. Owen the DIRECT CONFLICT OF INTEREST.

On Wednesday, January 02, 2019, the Ex-Temporary Co-Guardians through Mr. Lobello and Mr. Owen filed their Reply to the Opposition **admitting that there might be some conflict.**

On Friday, January 04, 2019, I filed the AFFIDAVIT OF TWYLA M. STANTON IN REGARDS TO THE SIGNING AND FILING OF THE NEW DECREE OF DIVORCE AND THE AMENDED JOINT PETITION FOR SUMMARY DECREE OF DIVORCE which I have included for your review. This Affidavit was my only voice to be heard by the Court because Mr. Lobello and Mr. Owen were now representing the Ex-Temporary Co-Guardians, Robert and Carmen Crawford, and Mr. Kent had technically only been retained by Dennis.

On Monday, January 07, 2019, the Motion was heard in Pahrump, Nevada in Nye County. Both Mr. Lobello and Mr. Owen by now fully knowing and realizing and fully aware of the DIRECT CONFLICT OF INTEREST that existed still decided to show up and appear and make oral arguments for the Ex-Temporary Co-Guardians. They made and drove the over an hour drive there to the Court in Pahrump and then drive the over an hour back to Las Vegas.

In Mr. Lobello and Mr. Owens's Reply to the Opposition, they admit that there is a CONFLICT OF INTEREST. In their POINT IV titled THERE IS NO CONFLICT OF INTEREST IF TWYLA DOES NOT UNDERSTAND THESE PROCEEDINGS at the bottom of PAGE 05 OF PAGE 08. On LINE 28 OF PAGE 05 OF PAGE 08, they state that "The conduct of the co-guardians and the undersigned does not conflict with Twyla in any way." **However, that is a false statement and simply not true at all.**

Mr. Lobello's and Mr. Owen's representation of the Ex-Temporary Co-Guardians did and does conflict with my interests because my interests are materially adverse to the Ex-Temporary Co-Guardians as we all had retained counsel on opposite sides in relation to the Guardianship and the fact I did not want to set aside the Joint Petition for Divorce and the Decree of Divorce and we were also on opposite sides of that as well. I also sealed the case in Nye County so that the Ex-Temporary Co-Guardians wouldn't interfere in my affairs, however, through my previous attorneys, Mr. Lobello and Mr. Owen, they were able to unsealed the Case.

Also ON THE TOP OF PAGE 06 OF PAGE 08 ON LINES 1 AND 2 of their Reply they state, "using information contained primarily in court filings." So, where did they get there secondary and other information from? They got it directly from me when they were representing me before in the past. They used information that was discussed in attorney-client conversations against me and wrote about it in their Court papers and pleadings for the benefit of the Ex-Temporary Co-Guardians and their interests thus breaking Rule 1.6 of The Nevada Rules Professional Conduct. The representation of the Ex-Temporary Co-Guardians by Mr. Lobello and Mr. Owen was directly adverse to me and I was negatively impacted by it.

Then on TOP OF PAGE 06 OF PAGE 08 ON LINES 3 AND 4 OF THE REPLY, they state" If it is proven by Dennis that Twyla fully understands and comprehends these proceedings and the substantial legal and property rights in play, **"then she may knowingly complain there may be some conflict."** So, as you can see **Mr. Lobello and Mr. Owen do voluntarily admit that there is a CONFLICT OF INTEREST in their Court papers and pleadings.** And the fact of the matter is that even if I didn't fully understand and comprehend these proceedings and the substantial legal and property rights in play, it still would be a DIRECT CONFLICT OF INTEREST, however, **I do and did fully understand and comprehend these proceedings and the substantial legal and property rights in play that's why I signed and notarized the Joint Petition For Divorce and the Decree of Divorce.** The rest about what they wrote and stated regarding the CONFLICT OF INTEREST in their Reply is just smoke and mirrors and trying to put a cloud on the true fact that there was a DIRECT CONFLICT OF INTEREST.

If you look at Mr. Lobello's and Mr. Owen's two statements in their Reply of "The conduct of the co-guardians and the undersigned does not conflict with Twyla in any way" and "If is proven by Dennis that Twyla fully understands and comprehends these proceedings and the substantial legal and property rights in play, then she may knowingly complain there may be some conflict" are two contradicting statements that contradict each other. On one hand they are saying and stating that there is no

CONFLICT OF INTEREST and then on the other hand they are saying and stating that there is a CONFLICT OF INTEREST. They are trying to have it both ways and that is not right or ethical and their argument that there is no CONFLICT OF INTEREST rings hollow.

Till this day, Mr. Lobello and Mr. Owens are still representing the Ex-Temporary Co-Guardians against and over my own interests and I am in the process of trying to hire another attorney to represent my interests and fix and undo everything that Mr. Lobello and Mr. Owen have done and caused me.

I want to paint a vivid and clear picture for you so you can actually see what I was really going through from my own eyes and my personal perspective and try to express to you how Mr. Lobello's and Mr. Owen's representation of the Ex-Temporary Co-Guardians against me truly affected me. I know for the purposes of this complaint it might not really matter much, but I want to express it anyways to give you an insight of what I was literally going through and up against. After the divorce was granted, I was visiting and staying with my Grandmother and Aunt in Conway, Arkansas. While I was there, my mother and step-dad sought to obtain and get Temporary Co-Guardianship of me by hiring an attorney and filing a Petition/Affidavit with the Probate Court in Faulkner County, Arkansas without my knowledge and shopping around for psychologists for me until they finally found one they liked. They never told me their true reason for shopping around for different doctors, but now I know the true reason why. The Temporary Co-Guardianship went uncontested and no hearing was set for it as it simply was just granted based on what they had stated in their Verified Petition which included a lot of factual misrepresentations in it. I was then served with papers for a Court Hearing for permanent Guardianship that was scheduled for Monday, December 10, 2018. At some point, my parents came over to my Grandmother's and Aunt's house and took from me the papers that I was served with that had the Court Hearing date on it and told me to not bother coming to the scheduled hearing set for Monday, December 10, 2018 at 09:00 a.m. At this point in time, they also told me that they also have Temporary Co-Guardianship of me and they "are now in charge of me" and "not to bother calling Mr. Lobello or Mr. Owen in Las Vegas to help you because they are now our attorneys". I didn't know what Guardianship meant since I never dealt with a Guardianship before. So, I started to Google and research it and that was when I realized what it really meant and all of my legal and property rights in play. **So, when I needed legal advise and legal counsel the most, I could no longer turn to or call or consult with my previous attorneys, Mr. Lobello and Mr. Owen, for help or assistance since they were now representing parties that were directing averse to my interests and were also helping the Ex-Temporary Co-Guardians legally extort money from me through the Guardianship process.** This left me in a very vulnerable state and position. At this point, I didn't know what to do. So, I contacted the Probate Court to see when the actual Court date was for the permanent Guardianship and I realized that I had to do something or they were going to obtain and have permanent Guardianship of me and that is not what I wanted at all. So, about a week before the Court Hearing for Guardianship, I consulted with a few Guardianship attorneys in Conway, Arkansas and explained my situation to them and finally I hired and retained Ron L. Goodman, Esq. in

Conway, Arkansas. He was able to electronically file my Response to Petitioners' Petition for Appointment as Co-Guardians on Thursday, December 06, 2018 and also request a continuance of the hearing. When the Ex-Temporary Co-Guardians realized that I had retained my own counsel to oppose the Guardianship they were very upset and became extremely irate. At this point, I had asked Dennis if he would be able to travel to Arkansas with the children so that they would be able to testify on my behalf to oppose the Guardianship at the Court Hearing. Not knowing that the Guardianship Hearing had been continued, Dennis and my 6 children were already committed to the road trip since they were already traveling and driving through Arizona to get to Arkansas. They left Las Vegas on Friday night, December 07, 2018 and arrived in Conway, Arkansas Saturday night, December 08, 2018. Dennis and the children then attempted to visit with me on Sunday morning, December 09, 2018. When the Ex-Temporary Co-Guardians realized that my ex-husband and all my children were in town to visit me, they physically prevented me from seeing my children. Keep in mind that at this point, I had not seen any of my children for about 4 months. My step-dad physically got on top of me and pinned me down while my mother took my cell phone from me so that I could no longer communicate with my Guardianship Attorney and speak and visit with my children. The Ex-Temporary Co-Guardians had prevented me many times before from speaking and communicating with my Guardianship Attorney regarding my opposition to the Guardianship. While my ex-husband and children were in town, the Ex-Temporary Co-Guardians kept moving me from house to house and hiding and taking off the house numbers of the places that they were taking me to and keeping me at so that I didn't know where I physically was or being kept. My ex-husband and children were in town for about 2 days and had driven and traveled about 3,000 miles round trip to see me and I wasn't allowed to see them and never did get to see them while they were in town. While all of this was happening, the Ex-Temporary Co-Guardians were calling and in contact with Mr. Lobello and Mr. Owen on the phone and acquiring legal advise and counsel from them and asking them what they should do next and they were telling the Ex-Temporary Co-Guardians not to allow me to see or visit with my children and not to let Dennis and the children know where I was physically at. I didn't have a car so it's not like I could just leave when I wanted to since it was a heavily wooded area. In my most desperate legal moment and situation, my previous attorneys were now working against me and helping parties that were adverse to my interests. To make a longer story shorter, I was finally able to **"escape"** a few days later from a locked house with the alarm set by running into a cab with just the clothes on my back to take me to the airport and fly back to Las Vegas to be with my children. This entire ordeal was just really surreal for me and it's as if I was in a horror movie from Hollywood. I was basically legally kidnapped and legally held against my will, however, Mr. Lobello and Mr. Owen now representing the Ex-Temporary Co-Guardians against my interests was just like adding insult to injury. They were the first attorneys that I've ever hired and my first insight into the legal system and because of what they did to me gives me a really bad impression, dislike, and distaste for all lawyers and attorneys in general.

I have also included an email that I sent Mr. Lobello and Mr. Owen about how I felt about them representing the Ex-Temporary Co-Guardians against my interests and they never responded back to me at all. Just silence.

I hope I was able to explain my position clearly and thoroughly and that you are able to see my point of view and that I was able to simplify this complicated case for you and **that you are able to see the case within the case.** I also had assistance in writing this compliant to make sure that I didn't leave anything out and to make sure I explained everything clearly and precisely.

If you like to get hold of me regarding this compliant and matter, you can mail, call, or email me. I can also meet in person if you so wish. Thank you.

I have included MY EXPLANATION OF THE DIRECT CONFLICT OF INTEREST, THE CASE SUMMARY/COURT MINUTES, MOTION TO SET ASIDE THE DECREE OF DIVORCE WITH EXHIBITS, THE OPPOSITION WITH EXHIBITS, THE REPLY, MY AFFIDAVIT OF SIGNING AND FILING THE DECREE, ORDER TO SEAL FILE DOCUMENTS, RECEIPTS FOR DECREE OF DIVORCE AND FILING FEES, MY EMAIL TO MR. LOBELLO AND MR. OWEN, DOCUMENTS FILED IN CASE NO.: D-16-541006-D WHICH ARE COMPLAINT FOR DIVORCE & UCCJA DECLARATION (with children), GENERAL FINANCIAL DISCLOSURE FORM, MOTION FOR TEMPORARY ORDERS, AND STIPULATION AND ORDER FOR VOLUNTARY DISMISSAL OF CASES, AND MY FILED AFFIDAVIT DISPUTING JUDGE HUGHES' STATEMENTS ABOUT ME. Thank you for your time and consideration.

Sincerely,

Lawyer Sentenced to Two Years in Prison for Tax Evasion

Las Vegas, Nev. – Las Vegas lawyer Charles C. LoBello has been sentenced to two years in prison and ordered to pay \$260,625 in restitution to the IRS for his guilty plea to one count of tax evasion for the 2002 tax year, announced Daniel G. Bogden, United States Attorney for Nevada.

LoBello was sentenced on Monday, Jan. 14, 2013, by U.S. District Judge James C. Mahan, and must self-report to federal prison by April 15, 2013.

According to the court records, LoBello, who operated as a sole practitioner in Las Vegas, concealed over \$900,000 in income from the United States, intentionally gave incomplete information to his bookkeeper and tax return preparer, and used personal checking accounts to hide large checks he received as legal fees. LoBello admitted in his guilty plea agreement that for the years 2001 through 2005, he owed an additional \$260,625 in income taxes.

LoBello's brother, Mark LoBello, also a Nevada attorney, pleaded guilty to tax evasion in August of 2008, and was sentenced by Judge Mahan on Dec. 1, 2008, to 15 months in prison. Mark LoBello's license to practice law was subsequently suspended by the Nevada Bar in December 2008.

The case was investigated by IRS Criminal Investigation and prosecuted by Department of Justice Tax Division Trial Attorneys Thomas W. Flynn and Dennis R. Kihm.

CLERK OF SUPREME COURT
BY 
CHIEF DEPUTY CLERK

ORDER APPROVING CONDITIONAL GUILTY PLEA

This is an automatic review of a Southern Nevada Disciplinary Board hearing panel's recommendation that this court approve, pursuant to SCR 113, a conditional guilty plea agreement in exchange for a stated form of discipline for attorney Charles C. Lobello. Under the agreement, Lobello admitted to violations of RPC 8.4(b) (misconduct: commission of a criminal act that reflects adversely on the lawyer's honesty, trustworthiness, or fitness as a lawyer) and RPC 8.4(c) (misconduct: engaging in conduct involving dishonesty, fraud, deceit, or misrepresentation).

The agreement provides for a four-year suspension retroactive to July 29, 2013, the date that Lobello was temporarily suspended from the practice of law based on his conviction for felony tax evasion. The agreement further provides that Lobello will pay the actual costs of the disciplinary proceedings, excluding Bar Counsel and staff salaries, within 30 days of receipt of a billing from the State Bar.

Based on our review of the record, we conclude that the guilty plea agreement should be approved. See SCR 113(1). Considering the seriousness of the violations along with the aggravating and mitigating factors, we conclude that a four-year suspension retroactive to the date of

the temporary suspension is sufficient to serve the purpose of attorney discipline. *See In re Lerner*, 124 Nev. 1232, 1246, 197 P.3d 1067, 1077-78 (2008) (setting forth factors to be considered); *State Bar of Nev. v. Claiborne*, 104 Nev. 115, 213, 756 P.2d 464, 527-28 (1988) (explaining purpose of attorney discipline).

Accordingly, we hereby impose a four-year suspension beginning retroactively on July 29, 2013, the date of Lobello's temporary suspension. Additionally, Lobello shall pay the actual costs of the disciplinary proceedings, excluding Bar Counsel and staff salaries, within 30 days of receipt of the State Bar's bill of costs. The parties shall comply with the applicable provisions of SCR 115 and SCR 121.1.

It is so ORDERED.

***ORDER OF TEMPORARY SUSPENSION
AND REFERRAL TO DISCIPLINARY BOARD***

This is a petition pursuant to SCR 111(4) by bar counsel based on attorney Charles C. Lobello's conviction, pursuant to a guilty plea, of one count of tax evasion, a felony. *See* 26 U.S.C. § 7201. Lobello informed bar counsel of his conviction.¹ *See* SCR 111(2).

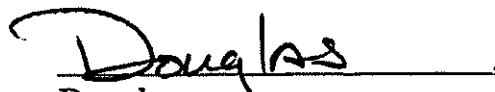

When an attorney has been convicted of a serious crime, SCR 111 provides that this court shall enter an order suspending that attorney. *See* SCR 111(7). A felony is explicitly a "serious crime" under SCR 111, and a guilty plea constitutes a "conviction." SCR 111(1), (6). Lobello pleaded guilty to a felony and has therefore been convicted of a serious crime for purposes of SCR 111.

¹Lobello pleaded guilty to the count of tax evasion in July 2012, which constitutes a "conviction" under SCR 111(1). He did not inform the state bar until December 2012, which constitutes untimely reporting under SCR 111(2).

Accordingly, we temporarily suspend Lobello from the practice of law and refer this matter to the Southern Nevada Disciplinary Board for the initiation of formal disciplinary proceedings in which the sole issue to be determined is the extent of discipline to be imposed. See SCR 111(7), (8).

It is so ORDERED.

POINTS AND AUTHORITIES

LEGAL ARGUMENT. *(explain all relevant laws and cases that support your argument)*

An order can be stayed by filing a motion in the district court asking the court to stay the order pending appeal (NRAP 8(a)(1)). Also see NRCP 11b and NRCP 11c.

FACTS AND ARGUMENT *(explain all relevant facts the judge needs to know to make a decision)*

Please see attached documentation with FACTS AND ARGUMENT.

FACTS AND ARGUMENTS:

The Court imposed sanctions pursuant to Nevada Rules of Civil Procedure under Rule 11 in the amount of \$3,000.00 in attorney fees to be paid to a non, third, attacking party who had no authority, no right, no standing, and were not properly before the Court. The Court requested that the attorneys for the Plaintiff's parents file an Order and create Findings for the Court including the arguments in the Motion. No evidentiary hearing was held regarding the issue, no evidence was submitted, no testimony was heard, no affidavit was submitted or on file, no specific findings were made at the hearing as to what conduct Defendant/Second Joint Petitioner engaged in that would support the award of attorney fees in the amount of \$3,000.00 to a non, third, attacking party who were not properly before the Court and who had no authority to initiate litigation on behalf of the Plaintiff.

The Court imposed sanctions on January 07, 2019, without due process and a right to be heard. No Order to Show Cause was ever issued or an Order to Show Cause Hearing was ever held in the matter. At the court proceeding on January 07, 2019, no evidence or testimony was entered into the record and no hearing on the merits was held regarding the award of sanctions in the form of attorney fees. **The sanctions imposed were not in accordance with Nevada Law** in that sanctions were **awarded without due process and an opportunity to be heard** and was unlawfully punitive in nature by awarding attorney fees in the amount of \$3,000.00 to a non and third and attacking party both without notice nor an opportunity to be heard. **The finding of sanctions was made prior to an Order to Show Cause being issued and without an affidavit on file or a hearing being held on the matter to determine if sanctions were appropriate. The Order to Show Cause should have been served and a hearing held prior to imposing sanctions. Defendant/Second Joint Petitioner was purposely and deliberately deprived in bad faith of his right to notice and right to be heard regarding the award of sanctions in attorney fees to a non, third, attacking party.** The Court unlawfully awarded sanctions as a punitive measure, thereby failing to correctly follow the law under the Nevada Rules of Civil Procedure Rule 11 Sanctions. **The Court imposed sanctions without an affidavit or hearing on the same and WITHOUT DUE PROCESS and a right to be heard. Notice and an opportunity to be heard are part of fundamental fairness that due process requires.**

The Court did not rely and relied on certain laws as authority for its actions where such laws were either inapplicable given the circumstances or were not complied with as required by law. The Court did not consider and set forth specific findings for its actions.

See NRCP 11b. The Court is further provided a mechanism to deter violations of such either by Motion or upon the Court's own initiative. See NRCP 11c. When sought by Motion, the Motion must be made separately from other Motions or Requests. It further states that it cannot be filed or presented to the Court until 21 days after notice to the other party and failure to cure within those 21 days. The rule further allows sanctions upon the Court's own initiative after an Order to

Show Cause has been issued detailing the violating conduct specifically.

Defendant/Second Joint Petitioner was not afforded the proper opportunities to either cure or correct or respond to the allegations of the Rule 11 Violation. The request for Rule 11 Sanctions was not plead or made separately by Plaintiff's parents. Rather, it was sandwiched in as a line item in their Motion to set aside under the request for attorney's fees. No opportunity to cure or correct was provided to Defendant/Second Joint Petitioner as it was immediately filed with the Court and even Defendant/Second Joint Petitioner's attorney, James S. Kent, Esq., at the time missed that there was a request for Sanctions under Rule 11.

At the hearing on the matter, Defendant/Second Joint Petitioner's attorney was asked to address the Rule 11 statements which were more explicitly laid out in Plaintiff's parents' Reply filed only two business days before the hearing in this matter. Again, hardly, within the required notice to correct or cure. Defendant/Second Joint Petitioner's attorney stated that he had not noticed the request under Rule 11 and was not prepared to respond at the time. The Court allowed only a brief recess (24 minutes) in order for Defendant/Second Joint Petitioner's attorney to review the extremely late Reply, the Law surrounding the issues, and the extremely convoluted history of the matter.

Upon recalling the matter, the Court ordered that Rule 11 Sanctions were appropriate but failed to make any specific findings on the record as to the violations of the Rule that Defendant/Second Joint Petitioner was deemed to have committed. Instead, the Court ordered that Counsel for Plaintiff's parents file an order "addressing the Violation of Rule 11, include his Motion arguments." The Court specifically ordered attorney's fees pursuant to NRCP Rule 11. This complete lack of findings on the record by the Court, ignoring of the Safe Harbor Requirement and general lack of adequate notice through a separate pleading or Order to Show Cause do not support the Sanctions imposed under Rule 11 of the Nevada Rules of Civil Procedure.

This was a "non-evidentiary" that lasted a mere total of 48 minutes with a small 24 minute recess in between to respond to Rule 11 Sanctions under NRCP. The Rule and the Law allow a 21 day time frame to cure and correct not a mere 24 minute recess.

If Defendant/Second Joint Petitioner had been given adequate notice and opportunity to be heard, Defendant/Second Joint Petitioner feels and believes that he would have been exonerated, however, that courtesy and opportunity were never extended or given to Defendant/Second Joint Petitioner as required by Nevada Law. And even if everything the Ex-Temporary Co-Guardians said about Defendant/Second Joint Petitioner in their Motion was true to the letter, Defendant/Second Joint Petitioner still should have been given notice and an opportunity to be heard to disprove their arguments.

"Due process of law is guaranteed by the Fourteenth Amendment of the United States

Constitution and Article 1, Section 8(5)... of the Nevada Constitution." **Rico v. Rodriguez**, 121 Nev. 695, 702-03, 120 P.3d 812, 817 (2005). Due process protects certain substantial and fundamental rights. *Id.* at 704, 120 P.3d at 818. Further, due process demands notice before such a right is affected. **Wise v. Granata**, 110 Nev. 1410, 1412, 887 P.2d 744, 745 (1994).

The right to be heard is an essential component of a fair and impartial system of justice. Substantive rights of litigants can be protected only if procedures protecting the right to be heard are observed.

CONCLUSION (explain what you want the judge to order)

I respectfully ask the Court to grant me the following, and any other relief the Court finds appropriate.

1. An Order for a "stay" Execution of the Judgment/Sanction.
2. - N/A -

SUPPLEMENT TO THE MOTION FOR RECONSIDERATION

I.

THERE WAS NEVER A FRAUD PERPETRATED UPON THE COURT

There was never a fraud perpetrated upon the court rather it was a Decree of Divorce that was mutually agreed upon by two consenting adults who were trying to obtain a divorce as least expensive and costly as possible and the most efficient and convenient way available. The New Decree of Divorce was submitted to this Court for decision pursuant to Chapter 125 of the Nevada Revised Statutes and based upon the Amended Joint Petition for Divorce prepared, signed, notarized, submitted, and filed voluntarily and by mutual

1 agreement by both Petitioners. This Court had complete jurisdiction to enter
2 this Decree and the orders regarding the distribution of assets and debts.

3 Both First Joint Petitioner/Plaintiff and Second Joint
4 Petitioner/Defendant voluntarily entered into an equitable and mutual
5 agreement settling all issues of child support, child custody and visitation,
6 medical insurance, the division and distribution of assets and debts, said
7 agreement being an equitable one, and also settling the issue of spousal
8 support and both Petitioners requested that this agreement being in the best
9 interest of the children and be ratified, confirmed, and incorporated into
10 the New Decree of Divorce as though fully set forth.

11 Every condition of NRS 125.181 had been met by both Petitioners in
12 obtaining the New Decree of Divorce and Amended Joint Petition for Divorce
13 and if anything had been lacking by federal, state, or local law, it would
14 not have been otherwise granted. Both Petitioners hereby requested that this
15 Court enter a Decree for Divorce, incorporating into the Decree the
16 provisions made in the Amended Joint Petition for Divorce.

17 It was understood by First Joint Petitioner/Plaintiff and Second Joint
18 Petitioner/Defendant that the entry of Decree of Divorce constituted a final
19 adjudication of the rights and obligations of the parties with respect to the
20 status of the marriage. Both Petitioners each expressly gave up their
21 respective rights to receive written Notice of Entry of any Decree and
22 Judgment of Divorce and Petitioners gave up their right to request a formal
23 Findings of Fact and Conclusions of Law, or to appeal any Judgement or Order
24 of this Court made and entered in these proceedings or the right to move for
25 a new trial.

26 It was further understood by both Petitioners that a final Decree of
27 Divorce entered by this summary procedure did not prejudice or prevent the
28 rights of either Petitioner to bring an action to set aside the final decree

for fraud, duress, accident, mistake, or the grounds recognized at law or in equity, however, neither Petitioner brought an action to set aside the Decree of Divorce. The action to set aside the Decree of Divorce was brought by the Ex-Temporary Co-Guardians who were third persons that contested and attacked this divorce who were not parties thereto. **See NRS 125.185.**

Mr. Lobello and Mr. Owen through the Ex-Temporary Co-Guardians like to state of how the New Decree of Divorce was prejudicial to First Joint Petitioner/Plaintiff, but never stated how the New Decree of Divorce was beneficial to First Joint Petitioner/Plaintiff and will be discussed in further detail below. First Joint Petitioner/Plaintiff and Second Joint Petitioner/Defendant mutually agreed on all aspects in obtaining this divorce and are as follows, but not limited to the following:

- 1.) That Second Joint Petitioner/Defendant be granted primary physical custody and that First Joint Petitioner/Plaintiff be granted generous visitation and that both Petitioners be granted Joint Legal Custody of all the children.
- 2.) That a generous holiday visitation schedule be instituted in this action which was in the best interest of the minor children.
- 3.) That First Joint Petitioner/Plaintiff maintain medical and dental insurance for the minor children, **if available** and if not then Second Joint Petitioner/Defendant would maintain health insurance for the minor children and that any deductibles and expenses not covered by insurance would be paid equally by both parties.
- 4.) That the Court adopt the 30/30 Rule for any unreimbursed medical expenses.
- 5.) That based upon the proposed physical custody arrangement First Joint Petitioner/Plaintiff should pay child support for the

parties' minor children, however, both parties voluntarily stipulated on their own initiative after the New Decree of Divorce was entered that no child support would be paid by either Petitioner to the other Petitioner.

6.) That the children are currently receiving or **have received Welfare benefits during the past four years and the Petitioners cannot waive child support arrears.**

7.) That the division of assets was an equitable agreement in that First Joint Petitioner/Plaintiff received 100% of the I.B.E.W Local Union 357 Pension Trust Fund-Plan B, the Labrador Retriever/German Shepherd Mix Dog named Leah, and 100% of the vast and enormous clothing and accessories consisting of dresses, skirts, jeans, purses, handbags, shoes, and jewelry which amounted to a total estimated value of \$75,000.00.

8.) That Second Joint Petitioner/Defendant agree on incurring 95% of the martial debt which consisted of \$72,857.00 and that First Joint Petitioner/Plaintiff only incur 5% of the martial debt which only consisted of a mere \$3,485.00.

9.) That both Petitioners hereby certified that all community assets and debts were disclosed and that there were no other community assets or debts for the Court to divide.

10.) That neither Petitioner be awarded spousal support or required to pay spousal support to due neither Petitioner's ability to due so based on limited incomes and not having the financial ability to do so and based on the number of children of both Petitioners.

11.) That First Joint Petitioner/Plaintiff have her former maiden name restored to her which First Joint Petitioner/Plaintiff certainly did.

Both the New Decree of Divorce and the Amended Joint Petition for Divorce were signed and notarized by both Petitioners on different days by different notaries without any coercion, force, pressure, intimidation, accident, mistake, or fraud. **See Affidavit of Twyla M. Stanton in Regards to the Signing and Filing of the New Decree of Divorce and the Amended Joint Petition for Summary Decree of Divorce on paragraph 13.**

The Court stated twice on the record that it needed an evidentiary hearing to make findings of perpetrating a fraud upon the Court (Video 2 of January 07, 2019, hearing at 09:58:07 & 10:07:07), however, in the Order and Judgement the Court made Findings of Fact, Conclusions of Law, and Orders of Second Joint Petitioner/Defendant perpetrating a fraud upon the Court without holding an evidentiary hearing on the matter to determine the facts and to determine if there was an actual perpetration of a fraud upon the Court and without an opportunity to be heard. *Fraud upon the Court is fraud which is directed to the judicial machinery itself and is not fraud between the parties or fraudulent documents, false statements or perjury. See Bulloch v. United States, 763 F.2d 1115, 1121 (10th Cir. 1985).*

There was never a fraud perpetrated upon the court rather it was a Decree of Divorce that was mutually agreed upon by two consenting adults who were trying to obtain a divorce as least expensive and costly as possible and the most efficient and convenient way available by way of a Joint Petition for Divorce.

THERE ARE NO VERIFICATIONS OF ANY OF THE ALLEGATIONS MADE IN
IN THE MOTION TO SET ASIDE WHICH MAKES THE MOTION TO SET ASIDE
DEFICIENT ON FACTS AND SPECIOUS

The Motion to set aside contained no statement or sworn affidavit from the Ex-Temporary Co-Guardians of anything. No statement of any conversation the Ex-Temporary Co-Guardians had or allegedly may have had with First Joint Petitioner/Plaintiff regarding wanting to move to set aside the Decree of Divorce. There are plenty of baseless and false allegations of Second Joint Petitioner/Defendant allegedly acting unethical, but there is absolutely no proof whatsoever and no statement or sworn affidavit from First Joint Petitioner/Plaintiff that this is what happened and actually is quite the opposite. See Affidavit of Twyla M. Stanton filed on January 04, 2019. There is no sworn affidavit or declaration from anyone putting forth these accusations and allegations under oath and under the penalties of perjury in the State of Nevada. There was no testimony under oath from anybody at the hearing to determine anything. There was no signed verification from anybody of any of the false allegations and accusations made in the Motion to set aside.

Rule 13 (Motions: Procedure for making motions; affidavits; renewal, rehearing of motions) of the Rules of the District Courts of the State of Nevada provides in pertinent part:

5. The affidavits to be used by either party shall identify the affiant, the party on whose behalf it is submitted, and the motion or application to which it pertains and shall be served and filed with the motion, or opposition to which it relates.

1 Affidavits shall contain only factual, evidentiary
2 matter, shall conform with the requirements of NRCP 56(e), and shall avoid
3 mere general conclusions or argument. Affidavits substantially defective in
4 these respects may be stricken, wholly or in part.

5 6. Factual contentions involved in any pre-trial or post-
6 trial motion shall be initially presented and heard upon affidavits. **Oral**
7 **testimony may be received at the hearing with the approval of the court, or**
8 **the court may set the matter for a hearing at a time in the future and allow**
9 **oral examination of the affiants to resolve factual issues shown by the**
10 **affidavits to be in dispute.**

11 Without any affidavit, any and all factual allegations made
12 in the Motion should have been set aside and disregarded. Further, the Ex-
13 Temporary Co-Guardians never tried to amend their Motion. The fact is their
14 Motion failed on numerous levels that were never corrected or attempted to be
15 corrected. The Motion was wrought with deficiencies and should have been
16 stricken for lack of authority to file and lack of any affidavit to support
17 their false allegations and accusations. There were insufficient affidavits
18 for the relief sought. There wasn't even a signed verification at the end of
19 their Motion to verify and certify that anything the Ex-Temporary Co-
20 Guardians put forth in their Motion was even true or accurate. Even in their
21 Reply to the Opposition on page 04, point 3, lines 21-22, they admit that the
22 allegations against Second Joint Petitioner/Defendant are not properly
23 supported in the record. For these and other reasons, the Motion to set aside
24 should have been denied and stricken.

25 The Ex-Temporary Co-Guardians' argument in their Motion to
26 set aside which seems to have had the apparent ring of truth or plausibility
27 but was actually fallacious and was specious. Their argument was attractive
28 because their argument seemed well-reasoned or factual but was actually

1 fallacious and insincere. Their argument was deceptively pleasing, but when
2 not honestly mistaken were based on pretense. Their specious argument was
3 used as support for a strongly held belief but was actually false. Their kind
4 of apologetical reasoning had a deceptively attractive appearance intended to
5 generate a favorable response. It was beautiful, well-constructed, elegant in
6 simplicity, pleasing to consider; appearing completely reasonable at first
7 view, apparently plausible, right, superficially fair, just, or correct, but
8 not so in reality. Their specious argument was beguiling because what they
9 presented seemed and appeared to be actual reality, not false, however, in
10 reality was completely false and untrue and unfounded.

11 Mr. Owen and Mr. Lobello used a well-known strategy in
12 litigation called the "Reptile Brian Strategy" to try to convince the Court
13 to punish Second Joint Petitioner/Defendant that was not based on any truth,
14 facts, evidence, or any testimony. General allegations and conclusory
15 statements do not create genuine issues of fact. **Id. at 731, 121 P.3d at**
16 **1030-31.** Noting that arguments of counsel are not evidence and do not
17 establish the facts of the case. **See Wood, 121 Nev. at 731, 121 P.3d. at**
18 **1030-31.** The Ex-Temporary Co-Guardians' counsel's "Reptile Strategy" aimed to
19 influence the Court's decision-making by appealing to the reptilian complex
20 of the Court. That is, the Ex-Temporary Co-Guardian's counsel used tactics to
21 activate the Court's survival instincts in hopes that the Court will make
22 decisions based on instinct and fear rather than on logic, reasoning, actual
23 facts, evidence, testimony, and law. The keystone of this strategy is to
24 focus on danger and community safety and not on the actual facts and evidence
25 of the case. In essence, "The Reptile Approach" subtly suggests to the Court
26 that the Court should award compensatory damages to punish the defendant and
27 deter others. Attorneys using this strategy even suggest that without a
28

"proper" verdict and an "appropriate" punishment, the danger to the community will actually be increased.

There were insufficient sworn affidavits and declarations for relief sought as well as no verifications or certifications and no testimony or evidence submitted into the record. The forgoing failures to abide by the legal requirements made the Ex-Temporary Motion to set aside improper and without legal authority. For these and other reasons stated above, not only should have the Ex-Temporary Co-Guardians' Motion have been denied, it should have been stricken for the aforementioned deficiencies.

III.

ISSUES WITH THE WRITTEN ORDER AND JUDGMENT

The written Order and Judgement was filled with many inaccuracies and depictive and disguising language and errors and are as follows, but not limited to only the following:

1.) Paragraph 8 on page 02 of 07 was never mentioned anywhere in the Nye County Record or discussed at the hearing, however, the fact is true. Mr. Lobello just picked and chose what he wanted to include and not include in the Order.

2.) Paragraph 9 on page 02 of 07 was also never mentioned anywhere in the Nye County Record or discussed at the hearing, however, the fact is true. Mr. Lobello once again just picked and chose what he wanted to include and not include in the Order.

3.) In between paragraphs 11 and 12 on page 02 of 07, Mr. Lobello conveniently skips over First Joint Petitioner/Plaintiff's Affidavit denying Judge Hughes' comments and statements about her in Judge Hughes' Minute Order and rejecting the appointment of Mr. Owen by Judge Hughes. Mr. Lobello once again just picked and chose what he wanted to include and not

1 include in the Order. The Court was never made aware of this affidavit by Mr.
2 Lobello filed by First Joint Petitioner/Plaintiff for obvious reasons.

3 4.) Paragraph 15 on page 03 of 07 states in part, "Dennis
4 caused Twyla to file a Peremptory Challenge of Judge Hughes..." That is a false
5 statement. **See Judge Duckworth's Minute Order**, where Judge Duckworth
6 correctly states, "the peremptory challenge filed by Twyla Stanton on March
7 29, 2018" and also **see Exhibit E in the Motion for Reconsideration,**
8 **Peremptory Challenge official receipt from First Joint Petitioner/Plaintiff**
9 **(Twyla).**

10 5.) Mr. Lobello "conveniently" forgets to mention for
11 obvious reasons the ex parte letter dated April 09, 2018, that he faxed
12 directly to Judge Duckworth which Judge Duckworth's Law Clerk found to be "ex
13 parte communication", improper, and "strictly prohibited" which was in
14 further violation of the rules. Mr. Lobello seems to ignore obvious facts and
15 events. **See Exhibit F, Ex Parte Letter to Judge Duckworth, in the Motion for**
16 **Reconsideration.**

17 6.) Paragraph 21 on page 04 of 07 is incorrect. The
18 paragraph incorrectly states that Second Joint Petitioner/Defendant was
19 awarded sole physical custody of the parties' six children. First Joint
20 Petitioner/Plaintiff and Second Joint Petitioner/Defendant agreed on Second
21 Joint Petitioner/Defendant having primary physical custody of the children
22 and both Petitioners having joint legal custody. **See Amended Joint Petition**
23 **for Divorce.** It is Second Joint Petitioner/Defendant's strong belief that
24 this statement was intentionally written incorrectly by Mr. Lobello to
25 misrepresent the facts to the Court.

26 7.) Paragraph 24 on page 04 of 07 states, "Twyla, through
27 the (Ex) Temporary Co-Guardians, filed her Motion with this Court", however,
28 the statement is very deceptive and misleading because First Joint

1 Petitioner/Plaintiff (Twyla) never filed the Motion. The Ex-Temporary Co-
2 Guardians filed the Motion who had no standing to do so. **See Footnote 1 on**
3 **bottom of page 01 in Motion to set aside.** Twyla and the Ex-Temporary Co-
4 Guardians interests were materially adverse as they were on opposite sides of
5 the Ex-Temporary Co-Guardianship. It is Second Joint Petitioner/Defendant's
6 belief that this statement was once again put in there by Mr. Lobello to try
7 to disguise and minimize the direct and clear conflict of interest that
8 existed between First Joint Petitioner/Plaintiff (Twyla) and the Ex-Temporary
9 Co-Guardians.

10 8.) Paragraph 25 on page 04 of 07, states, "... counsel was
11 retained in Arkansas to challenge the co-guardianship...". Mr. Lobello
12 refuses to claim that the "Arkansas attorney" was First Joint
13 Petitioner/Plaintiff's (Twyla's) attorney or that First Joint
14 Petitioner/Plaintiff (Twyla) retained counsel to oppose the Ex-Temporary Co-
15 Guardianship. Once again Mr. Lobello is trying to disguise and minimize the
16 direct and clear conflict of interest that was known and existed between
17 First Joint Petitioner/Plaintiff (Twyla) and the Ex-Temporary Co-Guardians.
18 **See Exhibit of First Joint Petitioner/Plaintiff's Attorney Client Agreement,**
19 **in Motion for Reconsideration.**

20 9.) Paragraph 26 on page 04 of 07, Mr. Lobello
21 strategically fails to once again give ownership to the "Arkansas attorney"
22 to First Joint Petitioner/Plaintiff (Twyla) all while trying to continue to
23 minimize the direct and clear conflict of interest that existed and was
24 known. **See Exhibit of First Joint Petitioner/Plaintiff's Attorney Client**
25 **Agreement, in Motion for Reconsideration.**

26 10.) Paragraph 27 on page 04 of 07, states that First Joint
27 Petitioner/Plaintiff and Second Joint Petitioner/Defendant remarried on
28 December 18, 2018, however, that is incorrect. First Joint

1 Petitioner/Plaintiff and Second Joint Petitioner/Defendant remarried on
2 December 14, 2018. **See Marriage Certificate, Exhibit D, in Opposition to**
3 **Motion.**

4 11.) Paragraph 29 on page 04 of 07 states, "Twyla, through
5 the Temporary Co-Guardians, filed her Reply to Opposition and Opposition to
6 Countermotion." As mentioned previously above, First Joint
7 Petitioner/Plaintiff (Twyla) did not file her Reply to Opposition and
8 Opposition to Countermotion. That was done by the Ex-Temporary Co-Guardians
9 through Mr. Lobello and Mr. Owen. Once again Mr. Lobello is trying to do
10 everything, he can to hide the direct and clear conflict of interest that
11 existed and is a very misleading statement. **See Footnote 1 on bottom of page**
12 **01 in Motion to set aside.**

13 12.) Paragraph 31 on page 04 of 07 states, "... as well as
14 the shenanigans and fraud made by Dennis in these filings...". The Court made
15 a finding of fraud without ever holding an evidentiary hearing or submitting
16 any evidence into the record when the court stated twice on the record that
17 it needed to hold an evidentiary hearing to make those kinds of findings
18 (Video 2 of January 07, 2019, hearing at 09:58:07 and 10:07:07).

19 13.) Paragraph 32(b) on page 05 of 07 states, "That Judge
20 Hughes had found Twyla to be suffering from a diminished mental capacity...".
21 That is a very misleading statement because Judge Hughes never made such a
22 finding. Those were just mere comments and statements that Judge Hughes had
23 made in a Minute Order and were not Findings of Fact or Conclusions of Law.
24 **See Judge Hughes' Minute Order.**

25 14.) Paragraph 35 on page 05 of 07 states in part, "...
26 Dennis perpetrating a fraud." Once again, the Court continued to say that on
27 the record without holding an evidentiary hearing and submitting any evidence
28

1 into the record and in the end the Court ended up making a finding of it
2 anyway without due process and a right to be heard.

3 15.) Paragraph 3 and 4 of the Conclusions of Law on page 05
4 of 07, Mr. Lobello continues to state that Judge Hughes made findings of
5 First Joint Petitioner/Plaintiff (Twyla) where no such findings were ever
6 made. **See Judge Hughes' Minute Order.**

7 16.) Paragraph 7 of the Conclusions of Law on page 06 of 07
8 states in part, "...shocks the Court as to what Dennis has been doing for the
9 past few years." And I ask the Court what has Second Joint
10 Petitioner/Defendant been doing? The Court made a guilty verdict before any
11 evidence or testimony was submitted into the record and not affording Second
12 Joint Petitioner/Defendant due process and a right to be heard.

13 17.) Paragraph 8 and 9 of the Conclusions of Law on page 06
14 of 07 state in part, "were consistent with the perpetration of a fraud upon
15 this Court." and "Dennis's further perpetration of a fraud upon this Court;"
16 The Court continued to make Conclusions of Law without any evidence or
17 testimony submitted into the record and a hearing held on the merits and
18 without an opportunity to be heard.

19 18.) Then the Court made an "ORDER that the attorney for
20 Defendant, DENNIS STANTON, James S. Kent, Esq., Nevada Bar No. 5034, has not
21 acted in any manner that may be construed as assisting the Defendant in
22 perpetrating a fraud upon this Court; and". Perpetrating a fraud upon this
23 Court was never proven and if Second Joint Petitioner/Defendant would have
24 been accorded his due process rights and his right to be heard it would have
25 been unfounded. How can you prove "perpetrating a fraud upon the Court"
26 without submitting any evidence into the record or hearing any testimony
27 whatsoever? At the very least there should have been an evidentiary hearing
28 to determine such findings even after the Court stated twice on the record

1 that it needed an evidentiary to make those findings (Video 2 of January 07,
2 2019, hearing at 09:58:07 & 10:07:07).

3 19.) The Court also reduced the \$3,000.00 Sanctions to
4 Judgment in the Order, but never stated that it was reducing the Sanctions to
5 Judgment on the record and added post-judgment interest at the applicable
6 daily rate of judgment interest allowed under Nevada law, accruing until the
7 Judgment is paid in full which was never discussed at the hearing or on the
8 record.

9 The entire Order and Judgment was completely mis leading
10 and the language used was deceptive in nature. Mr. Lobello submitted the
11 Order and Judgment without the approval of opposing counsel because opposing
12 counsel did not agree with the language. Opposing counsel felt that the Order
13 and Judgment was a continual attack on Second Joint Petitioner/Defendant by
14 Mr. Lobello.

15 Realizing the depth and scope and enormous magnitude of
16 undeniable and unethical behavior facing Mr. Lobello and Mr. Owen and the
17 consequences to come and in breaking and setting aside of their own rules of
18 ethics, and that the only possible means of escape was to denial the direct
19 and clear conflict of interest that existed between First Joint
20 Petitioner/Plaintiff and the Ex-Temporary Co-Guardians that was perpetrated
21 by them and "conveniently" withdrawing as the Ex-Temporary Co-Guardians'
22 attorneys' of record without their client's consent or approval shows their
23 dubious and devious character.

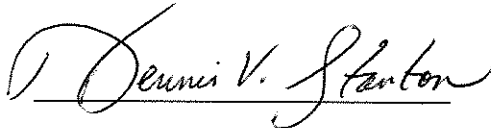

24 **IV.**

25 **CONCLUSION**

1 Accordingly, and based on all of the foregoing reasons,
2 Second Joint Petitioner/Defendant herein and hereby requests that this Court
3 grant the Motion for Reconsideration in its entirety.
