

1 Petition for En Banc Reconsideration due to the demonstration of extraordinary
2 and compelling circumstances of why a further extension of time is necessary.

3
4 Appellant/Cross-Respondent's father who is 77 years old has been admitted to the
5 hospital out of state and is currently in the intensive care unit due to severe head
6 trauma. It is unknown at this time if Appellant/Cross-Respondent's father will
7 survive.
8

9
10 Furthermore, The Petition for En Banc Reconsideration will be based on the
11 grounds that the full court is necessary to secure and maintain uniformity of the
12 decisions of the Supreme Court and it will demonstrate that the panel's decision is
13 contrary to prior, published opinions of the Supreme Court and will include
14 specific citations to those cases. The Petition for En Banc Reconsideration will also
15 be based on grounds that the proceeding involves a substantial precedential,
16 constitutional, and public policy issue. The petition will concisely set forth the
17 issues, will specify the nature of the issues, and will demonstrate the impact of the
18 panel's decision beyond both litigants involved. The petition will be supported by
19 points and authorities and will contain such argument in support of the petition as
20 is desired to present.
21
22
23
24

25 Therefore, Appellant/Cross-Respondent respectfully requests the Court to
26 extend the time for filing and serving The Petition for En Banc Reconsideration for
27

1 31 days, to June 13, 2022.

2 DATED this 11th day of May, 2022.
