POINTS AND AUTHORITIES

I. FACTS

TED MICHAEL DONKO brings this motion to consolidate the recently-filed appeal of the Amended Judgment of Conviction filed on May 25, 2021, with the current appeal of his original Judgment of Conviction from jury trial, filed on April 24, 2020. On June 1, 2021, Mr. Donko filed a Notice of Appeal from the Amended Judgment of Conviction filed May 25, 2021. The Supreme Court Case Number for the appeal regarding Appellant's appeal from the Amended Judgment of Conviction filed on May 25, 2021, is 83037, and the Supreme Court Case Number for the current appeal of his judgment of conviction after jury trial is 81075.

These notices are intertwined, and in the interests of judicial economy and in fairness to the defendant, Donko asks this Court to consolidate the two appeals.

II. LAW

NRAP Rule 3(b) governs the joinder or consolidation of cases on appeal. The provisions of this rule have been applied to consolidate appeals from two district court judgments and orders pertaining to a single defendant. *Meegan v. State*, 114 Nev. 1150, 968 P.2d 292 (1998) (consolidation of an appeal from a conviction for first-degree murder

pursuant to a jury verdict and an appeal from a district court order denying defendant's motion for a new trial in the same case). The sole appellate issue in Case No. 83037 arises from a post-trial ruling regarding a change in Donko's aggregate sentencing structure in the same district court case; this issue has already been substantively briefed and addressed by both parties in the Opening and Answering Briefs filed in Supreme Court Case No. 81075. The Amended Judgment of Conviction was filed some six months after the District Court's minute order reflecting the post-trial ruling and during the pendency of the appeal in Case No. 81075.

III. CONCLUSION

In view of the above, the Defendant asks this court to consolidate the two appeals.

Respectfully submitted,
