DEAR CLERK OF THE COURT

ELIZABETH A. BROWN
CLERK OF SUPREME COURT

DEPUTY CLERK

I, JAMES H. HAYES appellant Supreme Court Case Number 81076 would take this time to notify this said court that no briefs will be submitted, and at this time I pray upon this court to submit this appeal for decision on the complete record. Here Mr. Hayes is a victim of a fundamental miscarriage of justice that this said court must redress as justice so requires. When in fact, the prosecutor failed in his duty to refrain from improper methods calculated to produce a wrongful conviction.

1. The court must reject the federal standard and articulate the state standard under which jeopardy attached based on Nevada state law NRS 174.085(3), NRS 178.562(1)(2), NRS 178.391

2. State violated "Equal protection clause" of the 14th Amendment and "Due Process clause" of the 5th Amendment as the sentencing statute NRS 193.330 allowed the prosecutor unfettered discretion in selecting which of two penalties to apply when the constitution prohibits selective enforcement of criminal laws.

3. Statutes in Judgment of conviction are vague fails to state with sufficient clarity of the consequences of violating. (NRS 193.330) invites arbitrary and discriminatory enforcement.
