Mr. Posin requested a continuance, noting that the investigator initially hired to the case did not respond to his calls, and he eventually learned that the investigator had quit. The State opposed the request to continue, arguing that the instant setting was the fourth trial setting, and the State was prepared to proceed to trial. Mr. Posin argued that the victims' stories changed in relation to the individuals being accused of the alleged crimes, and that was something the investigator was hired to look into. The State argued that good cause had not been shown to continue the trial date. COURT ORDERED Defendant's Oral Motion to Continue Trial was hereby DENIED for the reasons argued by the State, FINDING that the instant case had been filed on February 12, 2018, and the trial date had been continued numerous times at the request of the Defendant. The COURT FURTHER FOUND that the parties were available and prepared to proceed to trial, with the exception of the investigator issue, which did not rise to the level that would allow for another continuance. Upon Court's inquiry, the State represented that approximately four to five days would be needed for trial. Mr. Posin requested that, if the trial went into the week of May 20, 2019, that May 20th be dark, and for trial to continue on May 21, 2019. Journal Entry Details:

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Amended Information FILED IN OPEN COURT. The charges remain the same. Mr. Posin renewed his Oral Motion to Continue Trial, stating that his investigator had failed to follow-up on various lines of inquiry that they had been pursuing since 2018. Additionally, Mr. Posin argued that new discovery regarding a motel where some of the acts allegedly took place, had just been produced. The State noted that the recently produced discovery consisted of photos that would have been available to the Defendant through their own discovery. Mr. Posin noted that there had been some confusion regarding whether some of the alleged acts took place at Palms Hotel & Casino, and the photographs provided by the State were of a different hotel, with a similar name. Due to the discovery of the different hotel, Mr. Posin argued that his investigator should be permitted to investigate the records of said hotel. The State advised that the custodian of records for the hotel at issue had been subpoenaed, and was informed that the hotel did not keep any records whatsoever. The Defendant stated that he had not had the opportunity to speak with Mr. Posin regarding the details of the case, noting that Mr. Posin had not visited him since December of 2018. Matter trailed to allow the Court to review the issues. Matter recalled. Regarding the Defendant's allegations of ineffective assistance of counsel, the State argued that Mr. Posin had been retained since the Preliminary Hearing, and the Defendant had not made any specific request of Mr. Posin. Mr. Posin represented that he had been trying to communicate with his investigator, and that was why he failed to meet with the Defendant; approximately a week prior to the instant hearing, it was discovered that Defendant's investigator had been fired, and

had not completed any of the requested investigations. The COURT expressed its frustration with Mr. Posin's failure to raise this issue prior to the trial date, and ORDERED Mr. Posin to produce Robert Lawson, the current investigator, to provide testimony regarding what occurred with the former investigator who was in his employee. Investigator Robert Lawson present. Mr. Lawson stated that the investigator in his employee failed to do their job; however, he was unsure why Mr. Posin had not followed-up and presented the problem to him earlier than he did. Additional arguments by the State opposing Mr. Posin's oral request to continue. Upon Court's inquiry, Mr. Posin advised that he wished to have his investigator pursue communications that took place before the victims changed their story. COURT ORDERED the trial date was hereby CONTINUED, as there was concern regarding the Defendant proceeding to trial without effective assistance of counsel. Colloquy regarding scheduling. OUTSIDE THE PRESENCE OF THE JURY: The State noted that it received information from the forensic interviewer approximately fifteen minutes prior to the instant hearing, indicating that alleged victim Rodriguez Madden reported in November 2017 that a hospital employee touched him. Additionally, the State represented that said allegation was investigated; however, that was the only information that had been provided regarding the allegation. Mr. Posin requested leave to investigate the November 2017 allegations, and requested that Rodriguez Madden, and his mother, not testify on this date (February 28, 2020). The Court noted its frustration with the parties' lack of appreciation for the jury's time, and stated that it was puzzling that the November 2017 allegations had never been brought to the parties' attention prior to the instant hearing. Regarding whether extrinsic evidence related to the November 2017 allegations could be brought in, the State argued that, just because no charges were ever brought, that did not mean the allegations were false. Additionally, the State advised that a Miller hearing needed to be held, and suggested Rodriguez Madden, the minor alleged victim, and Kimberly Madden (R. Madden's mother), be questioned outside the presence of the jury. The November 2017 allegations having been brought to the parties' attention just prior to the instant hearing, COURT ORDERED the Notice of Intent related to Rodriguez Madden, which was required pursuant to Miller, was hereby WAIVED. The State noted that it now had an event number for the November 2017 allegations made by R. Madden: #1710293590. Upon Court's inquiry, the State gave an offer of proof on R. Madden's expected testimony, arguing that the November 2017 allegations against the hospital employee, were made weeks after the allegations related to the Defendant's alleged conduct. Additionally, the State advised that the November 2017 allegations were investigated, and the case was closed due to a lack of evidence; however, that did not mean the allegations were false. Minor alleged victim Venice Madden not having any ties to R. Madden's November 2017 allegations, COURT ORDERED that she would be permitted to testify prior to the Miller hearing being held; a Miller hearing regarding the November 2017 allegations would be heard after V. Madden testified. JURY PRESENT: Testimony presented (see worksheet). Conference at the bench. *OUTSIDE THE PRESENCE OF THE JURY: MILLER HEARING* commenced. Upon Court's inquiry, Mr. Posin indicated that he wished to call the subject of R. Madden's November 2017 allegations to the stand, as it was the defense's burden to prove that the November 2017 allegations were false. The STATE STIPULATED that the accused in the November 2017 allegations would come in and testify that he was not guilty of the allegations. The COURT ACCEPTED the State's STIPULATION. The Court noted that it would call the witnesses for the Miller hearing, and Mr. Posin could cross-examine them; all of the Defendant's family members were ORDERED to exit the courtroom. Mr. Brass's family members exited the courtroom. Kimberly Madden called by the Court as a witness and SWORN IN; TESTIMONY presented. Pursuant to Kimberly Madden's testimony, Mr. Posin argued that it now appeared that R. Madden had made allegations of touching / hitting against Kimberly Madden and Venice Madden. The State noted that said allegations related to K. Madden and V. Madden were not new information to Mr. Posin, as the Defendant was aware of those allegations. Regarding the allegations / claims / accusations R. Madden made against K. Madden and V. Madden, COURT ORDERED that, no written notice of intent to introduce those allegations having been filed, and Mr. Posin having previous knowledge of those allegations, the notice of intent as to K. Madden and V. Madden SHALL NOT be WAIVED. COURT FURTHER ORDERED that the Miller hearing currently being held, would be limited to the November 2017 allegations against the hospital employee, ONLY. Kimberly Madden called back to the stand by the Court for further testimony. Rodriguez Madden called by the Court as a witness and SWORN IN; TESTIMONY presented. Mr. Posin requested the Court instruct the jury that R. Madden's November 2017 allegations against the hospital employee, were false. The State argued that a jury instruction was not the appropriate relief for the instant issue; the proper relief would be to allow defense counsel to cross-examine the witness regarding the collateral allegations. Having conducted a thorough Miller hearing, COURT ORDERED and FOUND the following: (1) apart from the hospital employee, written notice of intent was not provided; (2) any allegations made by R. Madden against K. Madden and V. Madden shall be EXCLUDED, including cross-examination as to either of them; (3) the November 2017 allegations made by R. Madden against the hospital employee were appropriate for cross-examination as to R. Madden, as well as the forensic interviewer; (4) the written notice of intent required by Miller, was MOOT / WAIVED as to the November 2017 allegations, due to the circumstances

CASE SUMMARY
CASE NO. C-18-329765-1

related to the disclosure of those allegations to the parties; (5) taking the evidence, the exhibits, and the testimony of R. Madden and K. Madden, and assuming that the accused hospital employee would testify that he was not guilty of the November 2017 allegations, the requirement under Miller to find that the allegations were false, was MOOT; (6) the evidence related to the November 2017 allegations, were more probative than prejudicial, with R. Madden's credibility being what it was; and (7) if R. Madden testified that he did not remember the November 2017 allegations, the extrinsic evidence could be raised through K. Madden's testimony, or through the testimony of the forensic interviewer. JURY PRESENT: Testimony presented (see worksheet). COURT RECESSED for the evening; TRIAL CONTINUED. OUTSIDE THE PRESENCE OF THE JURY: The State moved to exclude all non-parties from the courtroom while the minor witnesses were testifying, with the exception of the victim advocate; NRS 171.204 cited. Additionally, the State noted that the Defendant's family was present in the courthouse, and in the courtroom, and were exhibiting the same intimidating behavior toward the minor victims, as was exhibited during the Preliminary Hearing (taking photos of the minor witnesses). Mr. Posin stated that he did not have any objection to the State's request, but did not that the instant hearing was the first time he was hearing about any intimidating behavior from the Defendant's family. COURT ORDERED that all non-parties shall be EXCUSED from the courtroom while the minor witnesses were testifying, with the exception of the victim advocate. The Court acknowledged that Mr. Posin was not opposing the State's request, but was not acquiescing to the facts the State presented regarding the Defendant's family intimidating the minor victims. The State noted that the victim advocate just informed it that the Defendant's family was taking pictures of the sixteen year old minor witness outside the courtroom, and the witness was now feeling intimidated. The COURT ADMONISHED the Defendant's two family members, who were present in the courtroom, that they were not to speak with, or interact with, any of the alleged victims, at any time. Additionally, the State advised that State's proposed exhibits 31, 32, 33, 34, and 35, were transcripts, and sought leave to admit them as exhibits. PARTIES

JOURNAL ENTRIES

- Mr. Posin requested a continuance, noting that the investigator initially hired to the case did not respond to his calls, and he eventually learned that the investigator had quit. The State opposed the request to continue, arguing that the instant setting was the fourth trial setting, and the State was prepared to proceed to trial. Mr. Posin argued that the victims' stories changed in relation to the individuals being accused of the alleged crimes, and that was something the investigator was hired to look into. The State argued that good cause had not been shown to continue the trial date. COURT ORDERED Defendant's Oral Motion to Continue Trial was hereby DENIED for the reasons argued by the State, FINDING that the instant case had been filed on February 12, 2018, and the trial date had been continued numerous times at the request of the Defendant. The COURT FURTHER FOUND that the parties were available and prepared to proceed to trial, with the exception of the investigator issue, which did not rise to the level that would allow for another continuance.

Upon Court's inquiry, the State represented that approximately four to five days would be needed for trial. Mr. Posin requested that, if the trial went into the week of May 20, 2019, that May 20th be dark, and for trial to continue on May 21, 2019. The Court advised that it would accommodate Mr. Posin's

scheduling request. COURT ORDERED a FIRM trial date was hereby SET. Colloquy regarding the amount of potential jurors that would be needed. The State requested 90 potential jurors, and the Court that 90 potential jurors would be requested.

JOURNAL ENTRIES

- OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Amended Information FILED IN OPEN COURT. The charges remain the same. Mr. Posin renewed his Oral Motion to Continue Trial, stating that his investigator had failed to follow-up on various lines of inquiry that they had been pursuing since 2018. Additionally, Mr. Posin argued that new discovery regarding a motel where some of the acts allegedly took place, had just been produced. The State noted that the recently produced discovery consisted of photos that would have been available to the Defendant through their own discovery. Mr. Posin noted that there had been some confusion regarding whether some of the alleged acts took place at Palms Hotel & Casino, and the photographs provided by the State were of a different hotel, with a similar name. Due to the discovery of the different hotel, Mr. Posin argued that his investigator should be permitted to investigate the records of said hotel. The State advised that the custodian of records for the hotel at issue had been subpoenaed, and was informed that the hotel did not keep any records whatsoever.

The Defendant stated that he had not had the opportunity to speak with Mr. Posin regarding the

details of the case, noting that Mr. Posin had not visited him since December of 2018. Matter trailed to allow the Court to review the issues.

Matter recalled. Regarding the Defendant's allegations of ineffective assistance of counsel, the State argued that Mr. Posin had been retained since the Preliminary Hearing, and the Defendant had not made any specific request of Mr. Posin. Mr. Posin represented that he had been trying to communicate with his investigator, and that was why he failed to meet with the Defendant; approximately a week prior to the instant hearing, it was discovered that Defendant's investigator had been fired, and had not completed any of the requested investigations. The COURT expressed its frustration with Mr. Posin's failure to raise this issue prior to the trial date, and ORDERED Mr. Posin to produce Robert Lawson, the current investigator, to provide testimony regarding what occurred with the former investigator who was in his employee. Investigator Robert Lawson present. Mr. Lawson stated that the investigator in his employee failed to do their job; however, he was unsure why Mr. Posin had not followed-up and presented the problem to him earlier than he did. Additional arguments by the State opposing Mr. Posin's oral request to continue. Upon Court's inquiry, Mr. Posin advised that he wished to have his investigator pursue communications that took place before the victims changed their story.

COURT ORDERED the trial date was hereby CONTINUED, as there was concern regarding the Defendant proceeding to trial without effective assistance of counsel. Colloquy regarding scheduling. The COURT NOTED that it reviewed the following cases in making its ruling: Strickland v. Washington; Jackson v. Warden, Nevada State Prison; Kirskey v. State; Zessman v. State; and Colgain v. State

COURT FURTHER ORDERED a status check regarding trial readiness was hereby SET. The prospective jury panel was EXCUSED by the Court's Marshal outside of the courtroom.

- OUTSIDE THE PRESENCE OF THE JURY: The State moved to exclude all non-parties from the courtroom while the minor witnesses were testifying, with the exception of the victim advocate; NRS 171.204 cited. Additionally, the State noted that the Defendant's family was present in the courthouse, and in the courtroom, and were exhibiting the same intimidating behavior toward the minor victims, as was exhibited during the Preliminary Hearing (taking photos of the minor witnesses). Mr. Posin stated that he did not have any objection to the State's request, but did not that the instant hearing was the first time he was hearing about any intimidating behavior from the Defendant's family. COURT ORDERED that all non-parties shall be EXCUSED from the courtroom while the minor witnesses were testifying, with the exception of the victim advocate. The Court acknowledged that Mr. Posin was not opposing the State's request, but was not acquiescing to the facts the State presented regarding the Defendant's family intimidating the minor victims. The State noted that the victim advocate just informed it that the Defendant's family was taking pictures of the sixteen year old minor witness outside the courtroom, and the witness was now feeling intimidated. The COURT ADMONISHED the Defendant's two family members, who were present in the

courtroom, that they were not to speak with, or interact with, any of the alleged victims, at any time.

The State noted that the parties would be stipulating to the admittance of State's proposed exhibits 27-35A. Additionally, the State advised that State's proposed exhibits 31, 32, 33, 34, and 35, were transcripts, and sought leave to admit them as exhibits. - OUTSIDE THE PRESENCE OF THE JURY: The State noted that it received information from the forensic interviewer approximately fifteen minutes prior to the instant hearing, indicating that alleged victim Rodriquez Madden reported in November 2017 that a hospital employee touched him. Additionally, the State represented that said allegation was investigated; however, that was the only information that had been provided regarding the allegation. Mr. Posin requested leave to investigate the November 2017 allegations, and requested that Rodriquez Madden, and his mother, not testify on this date (February 28, 2020). The Court noted its frustration with the parties' lack of appreciation for the jury's time, and stated that it was puzzling that the November 2017 allegations had never been brought to the parties' attention prior to the instant hearing. Regarding whether extrinsic evidence related to the November 2017 allegations could be brought in, the State argued that, just because no charges were ever brought, that did not mean the allegations were false. Additionally, the State advised that a Miller hearing needed to be held, and suggested Rodriquez Madden, the minor alleged victim, and Kimberly Madden (R. Madden's mother), be questioned outside the presence of the jury.

The November 2017 allegations having been brought to the parties' attention just prior to the instant hearing, COURT ORDERED the Notice of Intent related to Rodriquez Madden, which was required pursuant to Miller, was hereby WAIVED. The State noted that it now had an event number for the November 2017 allegations made by R. Madden: #1710293590. Upon Court's inquiry, the State gave an offer of proof on R. Madden's expected testimony, arguing that the November 2017 allegations against the hospital employee, were made weeks after the allegations related to the Defendant's alleged conduct. Additionally, the State advised that the November 2017 allegations were investigated, and the case was closed due to a lack of evidence; however, that did not mean the allegations were false. Minor alleged victim Venice Madden not having any ties to R. Madden's November 2017 allegations, COURT ORDERED that she would be permitted to testify prior to the Miller hearing being held; a Miller hearing regarding the November 2017 allegations would be heard after V. Madden testified.

JURY PRESENT: Testimony presented (see worksheet). Conference at the bench.

OUTSIDE THE PRESENCE OF THE JURY: MILLER HEARING commenced. Upon Court's inquiry, Mr. Posin indicated that he wished to call the subject of R. Madden's November 2017 allegations to the stand, as it was the defense's burden to prove that the November 2017 allegations were false. The STATE STIPULATED that the accused in the November 2017 allegations would come in and testify that he was not guilty of the allegations. The COURT ACCEPTED the State's STIPULATION. The Court noted that it would call the witnesses for the Miller hearing, and Mr. Posin could cross-examine them; all of the Defendant's family members were ORDERED to exit the courtroom. Mr. Brass's family members exited the courtroom. Kimberly Madden called by the Court as a witness and SWORN IN; TESTIMONY presented. Pursuant to Kimberly Madden's testimony, Mr. Posin argued that it now appeared that R. Madden had made allegations of touching / hitting against Kimberly Madden and Venice Madden. The State noted that said allegations related to K. Madden and V. Madden were not new information to Mr. Posin, as the Defendant was aware of those allegations. Regarding the allegations / claims / accusations R. Madden made against K. Madden and V. Madden, COURT ORDERED that, no written notice of intent to introduce those allegations having been filed, and Mr. Posin having previous knowledge of those allegations, the notice of intent as to K. Madden and V. Madden SHALL NOT be WAIVED. COURT FURTHER ORDERED that the Miller hearing currently being held, would be limited to the November 2017 allegations against the hospital employee, ONLY. Kimberly Madden called back to the stand by the Court for further testimony. Rodriquez Madden called by the Court as a witness and SWORN IN; TESTIMONY presented.

Mr. Posin requested the Court instruct the jury that R. Madden's November 2017 allegations against the hospital employee, were false. The State argued that a jury instruction was not the appropriate relief for the instant issue; the proper relief would be to allow defense counsel to cross-examine the witness regarding the collateral allegations. Having conducted a thorough Miller hearing, COURT

ORDERED and FOUND the following: (1) apart from the hospital employee, written notice of intent was not provided; (2) any allegations made by R. Madden against K. Madden and V. Madden shall be EXCLUDED, including cross-examination as to either of them; (3) the November 2017 allegations made by R. Madden against the hospital employee were appropriate for cross-examination as to R. Madden, as well as the forensic interviewer; (4) the written notice of intent required by Miller, was MOOT / WAIVED as to the November 2017 allegations, due to the circumstances related to the disclosure of those allegations to the parties; (5) taking the evidence, the exhibits, and the testimony of R. Madden and K. Madden, and assuming that the accused hospital employee would testify that he was not guilty of the November 2017 allegations, the requirement under Miller to find that the allegations were false, was MOOT; (6) the evidence related to the November 2017 allegations, were more probative than prejudicial, with R. Madden's credibility being what it was; and (7) if R. Madden testified that he did not remember the November 2017 allegations, the extrinsic evidence could be raised through K. Madden's testimony, or through the testimony of the forensic interviewer.

JURY PRESENT: Testimony presented (see worksheet). COURT RECESSED for the evening; TRIAL CONTINUED.
