DEPUTY CLERK

I, Baron Jones, with pure intentions, state, verify, and declare that the foregoing is true and correct to the best of my knowledge and ability. NRS 33.085.

PREAMBLE

Jones Charge States:

A person who after testing positive in a test approved by the State Board of Health for exposure to the Human Immunodeficiency Virus and receives actual notice of that fact... NRS 201.205.

1. However, according to probable cause evidence, Jones did not receive actual notice of any positive test approved by the State Board of Health, because it's someone else's positive test results. The Legislature made it clear if an offense is not triable in the justice courts, Jones must not be called upon to plead. NRS 171.196(1); State, *Frederick*, 129 Nev. 391 (2013).
2. Moreover, also the "Justice Court exceeded its jurisdiction by considering the issue of [Jones'] competence to stand trial, by ordering [him] to undergo a competency evaluation and failing to conduct a preliminary hearing." *Warner v. Justice Court*, 116 Nev. 518, 1 P.3d 577, 116 Nev. Adv. Rep. 61, 2000 Nev. Lexis 7 (2000).
3. Therefore, there shall be but one form of action, and law and equity may be administered in the same action. Nev. Const. Art. 6 § 14. This Section, relates merely to distinction in matters of form, and not to matters of substance; it does not affect any change in the substantive rights of Jones or his remedial rights. *Cann v. George B. Williams & Land & Livestock Co.*, 56 Nev. 242, 40 P.2d 881, 1935 Nev. 2 Lexis 29 (1935).
4. Jones has clearly been denied "basic protections" amounting to structural error. *Neder v. U.S.*, 527 U.S. 118-9, 119 S.Ct. 182, 144 L.Ed.2d 155 (1999). See also, *Jeremias v. State*, 134 Nev. Adv. Rep. 8, 412 P.3d 43, 48 (2018). Fraud on the court occurred when it can be demonstrated clearly and convincingly that a party has deliberately set in motion some unconscionable schemes calculated to interfere with the judicial system's ability to impartially decide a matter by improperly influencing the trier or unfairly hampering the presentation of Jones' claims & defenses. *Hansen v. Aguilar*, 2016 Nev. App. Lexis 240 (2016).
5. Furthermore, the standard for assessing judicial bias is whether a reasonable person, would harbor reasonable doubt about the court's impartiality. *In re Carano*, 119 Nev. 1271, 1270, 968 P.2d 308, 310 (1999); see also, *Lewis v. Lewis*, 373 P.3d 878 (2016).

* In Clark County Detention Center, we barely get out an hour a day, if that; some days we don't come out at all for day space (e.g., like yesterday 5/16/20). So that I can access the kiosk where Lexis Nexis is available

2. Also, I believe the deputies are reading my mail once I had it to them; it is the same officer every time I mail something in their office.
