To whom it may concern,

I absolutely do not support the change of NRCP 41(e) from 5 years to 2 years.

If anything, I would support the abolition of the 5 year rule entirely. Some cases are complex and require additional time. I fail to see why a law exists that blatantly favors the defense (as the Plaintiff's case would be dismissed) such as this should be permitted to remain on the books. It is punitive and the defense is the primary reason for most delays.
