CLERK OF SUPREME COURT

*ORDER DENYING MOTION*

Appellant has filed a renewed motion to expedite these appeals. In support of the motion, appellant points out that this is a death-penalty case, notes that the underlying crimes took place more than 40 years ago, and asserts that 3 federal proceedings are stayed pending resolution of this appeal. Appellant states that he would like all his pending litigation to be resolved as promptly as possible and requests that this court issue a decision in this appeal as soon as it practicably can. Respondent does not oppose the motion. This court has already agreed to expedite resolution of this appeal to the extent permitted by this court's docket. *See Howard v. State*, Docket Nos. 81278 and 81279 (*Order Partially Granting Motion*, October 13, 2020). To the extent appellant requests that resolution be expedited any further, the motion is denied.

It is so ORDERED.
