CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER

Respondents' joint motion for extensions of time to file the answering briefs was granted by this court on August 4, 2020. See NRAP 27(c)(2). On the same date, appellants filed an opposition to the motion, which this court construes as a motion for reconsideration of its order

granting an extension of time.¹ The motion for reconsideration is denied. Respondents answering briefs remain due to be filed on or before September 24, 2020.

It is so ORDERED.

¹Amongst other arguments, appellants assert that the extension motion should be denied because it did not comply with NRAP 27(e), pertaining to emergency motions. This argument lacks merit. Respondents' motion was not required to comply with NRAP 27(e), as respondents were not seeking emergency relief. See NRAP 31(b)(3) (stating that a motion for an extension of time to file a brief "may be made no later than the due date for the brief . . .").
