10	Appellants,)
11	VS.) MOTION FOR EXTENSION OF TIME
12	DOMINIQUE ARNOULD,) MOTION FOR EXTENSION OF TIME) TO FILE OPENING BRIEF
13	Respondent.)))
14)
15	Appellants Clement Muney and Chef Exec Suppliers, LLC (hereinafter collectively,	
16	"Muney") hereby move this court for an extension of time to file their response to this	
17	Court's Order to Show Cause, by thirty (30) days.	
18	There is good cause for the extension; counsel's mother died this week, after	
19	balancing on the edge for the previous two weeks. In addition to the	
20	emotional/psychological impact, counsel will need to travel to Florida to make	
21	arrangements and handle family issues. Counsel asks the Court's understanding in allowing	
22	this extension so that he may have sufficient focus on the preparation of the opening brief.	
23	This extension would not cause undue delay.	
24	An extension of time for the District Court Reporter to file transcripts was	
	previously granted (which did not provide extra time for preparing briefing, as the	
25	transcripts were necessary for preparing the brief), however no previous requests for	
26	extension of time for briefing have been granted, requested, or denied. The current due date	
27	of the Opening Brief is March 1, 2021. If this motion is granted the new deadline would be	
28		-

March 31, 2021. Appellants certify that this request is for good cause, is not for delay, nor any other improper purpose.

DATED this 25th day of February, 2021.
