## Docket 81356 Document 2020-42475

1 Appellants Clement Muney and Chef Exec Suppliers, LLC (hereinafter collectively,  
2 “Muney”) hereby move this court for an extension of time to file their response to this  
3 Court’s Order to Show Cause, by seven (7) days.

4 There is good cause for the extension, and it would not cause undue delay. Muney  
5 already completed and attempted to file the response, however the COVID crisis has caused  
6 disruption of our staffing, and new staff incorrectly calendared the 30 day timeline from the  
7 date that we were notified of the Order to Show Cause (October 20 – See attached), rather  
8 than the filestamp date of the Order to Show Cause, and thus Muney filed the response the  
9 day after it was due, believing it was timely. Muney sincerely apologizes for this oversight,  
10 and is ready to file the response immediately if the extension is granted.

11 No previous requests for extension have been granted, requested, or denied. The  
12 current due date of the Order to Show Cause was November 19, the date if this motion is  
13 granted would be **November 26, 2020** (although the response would be filed as soon as the  
14 motion is granted). Appellants certify that this request is for good cause, is not for delay, nor  
15 any other improper purpose.

16  
17 DATED this 20<sup>th</sup> day of November, 2020.
