by end of day Friday, June 8th and that all counsel have agreed to take today's matter off calendar and continue to 6/14, especially as Mr. Sanft is so new to the case, it will give him an opportunity to tell the Court where he stands as to investigation etc. Following colloquy, Mr. Ruggeroli advised all Defendants have waived their 60 day rights. Upon Court's inquiry, Mr. Ruggeroli stated his focus has been on the issues supporting the writ and developing their understanding of the evidence as there was a fifth person present and they are still doing independent investigation. Further, in light of the writ issue and additional investigation, he does not anticipate being ready for trial on 7/30, but is not aware of any specific discovery that they do not have. Mr. Pesci concurred that he is turning over discovery as he gets it and advised that is what caused the second return to the Grand Jury was the additional discovery that came in. Mr. Pesci advised the firearm testing has been done but does not know the status of the fingerprints or DNA. Mr. Ruggeroli advised he will be in a better position next date as to the trial date.
