SETTLEMENT PROGRAM STATUS REPORT

The January 20, 2021 date for the "Zoom" Settlement Conference in this matter has been vacated at the joint request of the parties' counsel, with their further request that the Settlement Conference be rescheduled for a date following the Court's resolution of a writ of mandate proceeding in No. 81220, which the undersigned understands has been scheduled for hearing on February 11, 2021 --- on the cusp of the expiration date of the undersigned's unextended jurisdiction over this matter.

/ / The parties have agreed to a settlement of this matter.

/ / The parties have not been able to agree to a settlement of this matter.

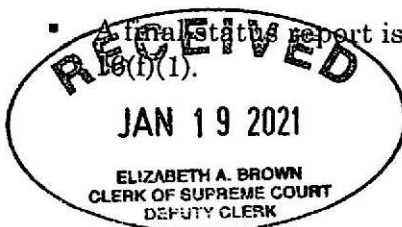

/ X / Other: In light of the foregoing, and counsel's agreed belief that the prospects of settlement of the parties' dispute underlying the above-referenced appeal are dependent upon the Court's resolution of the writ proceeding in No. 81220, the undersigned makes the following recommendation to the Court:

The undersigned Settlement Judge recommends to the Court that the undersigned's jurisdiction over this matter should be extended for an additional ninety (90) days beyond the unextended expiration date of jurisdiction, computed from the date of the undersigned's appointment by the Court --- subject to an anticipated further request and recommendation for an additional ninety (90) days, if the writ proceeding in No. 81220 is not resolved by the Court by the recommended extended expiration date of the undersigned's jurisdiction.
