ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY: *[Signature]*
DEPUTY CLERK

8 Subject: Appeal. Docket No. 81627. Silva v. State.

9 To Whom It May Concern:

10 I am writing regarding a transcript of proceedings request
11 for an appeal that I received on February 3, 2021. The
12 matter is Docket No. 81627, Silva vs. State. District
13 Court Case No. CR18-1135B.

14 The appeal request that I received was dated September 30,
15 2020. However, as I mentioned, I did not receive the
16 request until February 3, 2021. The request was for Day 5
17 of the trial, testimony taken on February 28, 2020.

18 I checked the Supreme Court website, and it shows that the
19 transcript was due on November 13, 2020, and of course it
20 is now listed as overdue.

21 I am writing to explain the situation, just so you're aware
22 of what happened. I spoke with a clerk at the Supreme
23 Court who explained to me that I should write something to
24 the Supreme Court explaining why the transcript was not
turned in by November 13, 2020.

I am currently working on the transcript and am doing my
best to get it turned in shortly.

Thank you very much.

Sincerely,
