ORDER OF LIMITED REMAND

This is an appeal from a post-judgment district court order awarding attorney fees and costs. Respondents have moved for a limited remand under NRAP 12A, providing a January 14, 2021, district court order certifying the court's intent to grant respondents' motion to amend the order on appeal to include amounts for attorney fees stemming from previous appeals. Appellants have filed a notice of non-opposition to the requested remand, also asking to revise the briefing schedule accordingly.

The motion for remand is granted, and this appeal is hereby remanded to the district court for the limited purpose of resolving

respondents' motion to amend the August 11, 2020, attorney fees and costs award. As set forth in NRAP 12A, the parties must promptly notify this court when the district court has decided the motion. Thus, respondents shall have 45 days from the date of this order to either (1) notify this court of the district court's decision on their motion or (2) otherwise inform this court of the status of the district court proceedings. In light of this limited remand, the briefing schedule in this appeal is suspended pending further order of this court.

It is so ORDERED.
